TRACK FIELD

THE OFFICIAL YEARBOOK OF THE NATIONAL COLLEGIATE ATHLETIC ASSOCIATION

# National Collegiate Championships

By H. D. THOREAU

Editor, Official NCAA Track and Field Guide

The rarefied atmosphere surrounding the meet records proved too much for 378 top collegiate track and field stars who gathered on the University of Michigan's Ferry Field last June for the 33rd National Collegiate Championship Meet.

However, four field marks were bettered and one tied as eleven new champions were crowned along with four defending titlists, including the University of Southern California as team champion for the sixth straight year and 18th time since 1926.

It would be unfair to all of the brilliant winners to single out any one performance. Probably the crowd's biggest thrill came after the last tape had been breasted when Ernie Shelton of USC barely missed three attempts to break the 7-foot high jump barrier.

Shelton's leap of 6 ft. 10¼ in. cracked his own Ferry Field mark of 6-9¾. He is the second man in the history of the meet and fifth man in the annals of track to clear 6-10.

Two of Illinois' three individual winners posted brilliant times. Willie Williams successfully held his 100 crown with a 9.5 final race, and Joe Corley streaked down the straightaway to win the low hurdles handily in 22.6 seconds. In each case, the runners were assisted by a slight tail wind which varied between two and seven miles per hour during Saturday afternoon's competition.

The anemometer reading on Corley's hurdle race was just under the allowable maximum of 4.46 m.p.h., and thus his mark will go down on the books with Jesse Owens' 22.6 of twenty-one years ago as a track record. The meet record in this event is merely the fastest flight of lows ever run by a human—Harrison Dillard's world record 22.3 performance in the 1947 nationals.

Only three other hurdlers in addition to Dillard have ever skimmed the 2 ft. 6 in. barriers faster than Corley did at Ann Arbor, a really remarkable performance considering that he ran the lows only once previously during the season. To give Illinois more team strength, he had been running sprints and relay laps.

A crowd of approximately 8,000 turned out for the Saturday competition, held in warm, humid weather. A heavy thunder shower waited until even the pole vault had been completed before pouring down. The meet was exceptionally well run by the host University of Michigan personnel. The long months of work put in by meet director Don Canham were responsible for the precision manner in which the meet was managed and for the excellent condition of the track and field.

A final tabulation of team scoring showed Coach Jess Mortensen's Trojans with a winning total of 66 17/20 points to 31 17/20 for Illinois, 27 for California, 19 for Texas and 17 3/5 for Michigan.

A 1951 champion was re-crowned in the discus where Auburn's Jim Dillion came through with an excellent toss of 176 ft. 3 in. He won the National Collegiate platter title at Seattle as a sophomore three years ago, but lost it to Sim Inness in '52. After a year's layoff to nurse an injured knee, he was back for his senior year in 1954.

The other most impressive marks were by the other two successful defending champions. John Bennett of Marquette won his second National Collegiate broad jump title with a beautiful leap of 25 ft. 10¾ in., just half an inch shy of the best ever made by a Caucasian jumper. However, it couldn't quite match the field and meet records—the two longest jumps in history, 26-8¾ and 26-6.

Jim Lea of USC took his second straight 440 championship with a very fast 46.7, a Ferry Field mark.

One of the most impressive performances was that of the slim Pitt sophomore, Arnie Sowell, who more than lived up to advance ratings by winning the 800 easily in 1:50.5, topping an excellent field.

SHARING VARSITY VAULT TITLE last year was sophomore Earl Poucher of Florida. The Gator high-fyer and Larry Anderson of California (pictured on page 59) both cleared 14 feet, 2 inches in the 1954 National Collegiate Championships at Ann Arbor, Mich., to unseat defending champion Fred Barnes of Fresno State.

Of equal merit was Charley Thomas' 220 win in 20.7 seconds. The big Texas has always looked like a champion in the furlong, but had never won a major title. He had continued his training into June and thus was in top shape for the big tests. A week later he ran a dead heat for the AAU 220 title.

A slightly lower standard but still good enough for national titles over tough competition were the 14-2 pole vaults that tied Florida's Leroy Poucher and California's Larry Anderson, the 226-8 $\frac{3}{4}$  javelin heave by Stanford's Leo Long, the 54-2 $\frac{3}{4}$  shot put by big Tom Jones of Miami, the 4:13.8 mile by Oregon sophomore Bill Dellinger, the 14.2 high hurdle race by Willard Thompson of Illinois and Kikuo Moriya's 9:22.7 two-mile triumph.

Moriya, a Japanese exchange student at Wheaton College, was probably the most surprising winner of the day. He overcame the extreme heat which caused a number of top contenders to drop out and won by five yards over Purdue's consistent Gene Matthews, the pace setter most of the way. The Purdue senior's 9:23.6 time shows how much the heat could affect a man who had run 8:58.8 the previous week, becoming the third collegian ever to slip under nine minutes outdoors.

Another upstart whose stretch drive won a gold medal was stocky, blond Bill Dellinger. He was in ninth place starting the final lap as one of the favorites, Lowell Zellers of Indiana, led in a slow 3:13.5. Dellinger's last 57.7 lap swept him past Zellers and the other pre-race choices, Army's Lew Olive, Notre Dame's Bill Squires, Dick Ollen of Northeastern and Art Dalzell of Kansas.

Sowell looked like a worthy successor to Pitt's great John Woodruff as he alternated in the lead of the eight-man 880 final field with Fordham's powerful Tom Courtney. On the final straightaway, Sowell pulled away to win by five yards.

Following are the complete summaries of the 33rd National Collegiate Championship Meet. Winning times in all races were clocked with Longines Olympic Timers, each of which carries an individual certificate of accuracy from the Neuchatel Government Observatory. Placings on all races, with the exception of the 440, were verified by high speed photography. The following place times were computed by adding the official winning times to the differentials as shown in the photographs. Figures in parenthesis show how many hundredths of a second each winner runner finished after the winner. Where photographic times were not available, unofficial hand times are listed in parenthesis.

The 1954 Collegiate Honor Roll is based on the outdoor performances of varsity men attending four-year colleges.

The top ten men in each event were selected and ranked in order according to their performance in the National Collegiate Championships, their best mark of the season, their consistency, their major titles won and their number of defeats. Best marks listed are those without an assisting wind of more than 4.473 miles per hour.

Acknowledgement is made to the college track coaches and athletic publicity directors and to D. H. Potts for assistance in compiling this Honor Roll.

# THE EAST

By LOU MILLER

Sports Writer, New York World Telegram and Sun

Arnold Sowell, 19-year-old University of Pittsburgh sophomore half-miler, was the reigning heartthrob as the 1954 eastern college track and field season screamed to a halt. Coming from virtual obscurity, the 5-11, 135-pounder with the lazy, elastic stride, reached 1:50.3 to wipe out by nine-tenths of a second the ICAAAA meet record set 15 years previously by another Pitt hero, the immortal Long John Woodruff.

As the 1955 campaign gets under way, Sowell has better than an outside chance to become the area's spiked-shoe Mr. Big. Even so, indications are that Sowell, who went on to the National Collegiate crown, will have to be better than ever to hold off Fordham's Tom Courtney, who stepped 1:48.2 while anchoring Coach Artie O'Connor's Rams to a world two-mile relay record of 7:27.3. Courtney had been the East's big favorite, but Sowell held him off by two or three feet in the ICAAAA final.

Teamwise, Chick Werner's Penn Staters were the main ICAAAA noise outdoors with their 32<sup>1/2</sup>-point triumph over such as George Eastment's Manhattans, with 25<sup>1/2</sup> markers, and Bob Giegengack's Yales, with 22.

Indoors, it was Yale on top in the championships with a score of 19, Doug Raymond's Boston University, 18<sup>1/2</sup>; Manhattan, 17; and a 15-point tie between Penn State and Ken Doherty's Pennsylvania team.

Looking ahead, it seems Penn State, Manhattan and Yale have retained enough and possess enough newcomers to remain in the battle for '55 honors.

Penn State has Art Pollard, who won the ICAAAA 100 in a record-equaling 9.5 and bettered by a tenth Andy Stansfield's 220 mark of 20.5 before breaking down in the furlong semi-finals; Rosy Grier, outdoor shot champion; Charley Blockson, third in the discus and indoor shot; Bill Youkers, fourth and fifth in the high and low hurdles; and sophomore hurdle prodigy Rod Perry.

Manhattan, dethroned on cinders and boards, hopes to climb back with a nucleus of Charley Pratt, who at various stages has won the ICAAAA broad jump and low hurdles and placed prominently in the highs; Lou Knight, hurdler from Jamaica, BWI; Len Moore, sprinter-broad jumper; and two miler Bob Sbarra.

Yale must be respected, particularly outdoors, because of roly-poly Stew Thomas, returning discus titlist and runner-up in both the shot and indoor 35-pound weight heave, and because of 220 king Henry Thresher.

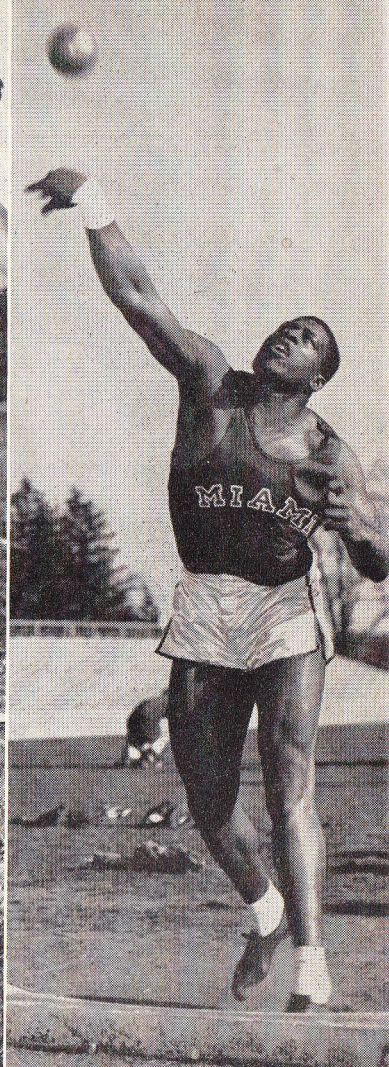

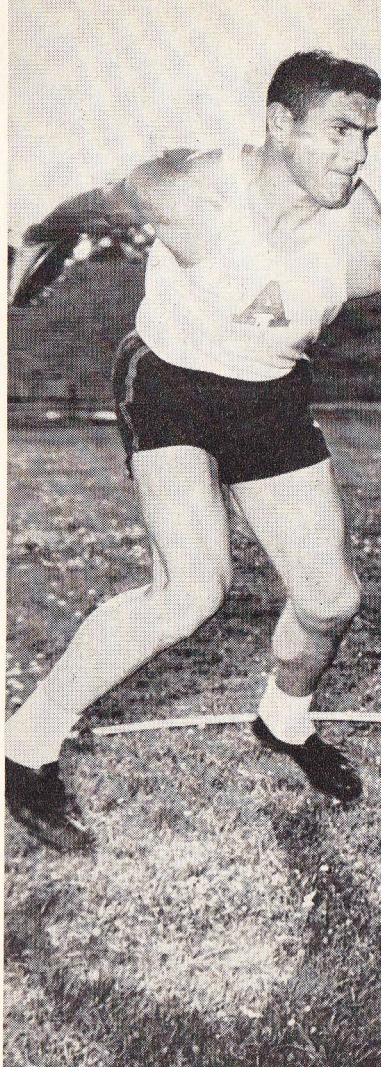

Boston U. remains strong with George Terry, soph two miler and the 1954 five-mile cross country champ; Bruce Hescoek, pole vault co-champion and third place high jumper; and Bernard Bruce, second in the long jump.

Potential surprises are Jumbo Jim Elliott's Villanova forces and those of Frank Sevine at Georgetown and Lou Montgomery at Cornell.

While Villanova lost Mike Agostini, freshman from Trinidad who transferred to Fresno State after winning the British Empire 100, the Wildcats still have most of last year's great frosh outfit, including Don Bragg, a 14-6 pole vaulter; Charley Jenkins, potential 46-second quarter-miler; Alex Breckinridge, Scottish mile titlist; and John Kopil, holder of the schoolboy indoor flat-track mile record of 4:20.1.

Clashing with Sowell and Courtney in the middle distances will be Lew Thorgeron of Wesleyan, a 1:51.5 half-miler. Challenging Pollard and Thresher in the dashes will be Penn's John Haines, national AAU 60-yard titlist in 1953 and 1954 before pulled muscles grounded him for outdoor campaigns.

**HEFTY HARDWARE HEAVERS**, Jim Dillon (left) of Auburn and Tom Jones of Miami (Ohio), won the collegiate discus and shot events as expected last June. Dillon regained the title he won first as a sophomore in 1951. Jones moved up from his 1953 runner-up position despite the handicap of a wrist injury.

# THE SOUTH

By BILL JIMESON

President, Baltimore Olympic Club

National Collegiate championship performances by Auburn's discus thrower Jim Dillion and Florida's vaulter Earl Poucher highlighted a sparkling season of Southern track and field. Dixie stars found high places on the final individual national rankings in ten of fourteen regular events, hammer throw excluded.

Dillion, who won his national title by a margin just over six inches with a throw of 176 feet, 3 inches, has graduated but Poucher, co-champion with California's Larry Anderson at 14-2, will be back for another season with the strong Gators.

Riding on Dillion's heaves and the flying heels of sprinter Jackie Creel, Auburn's Tigers won the Southeastern Conference championship meet, with always strong LSU in the runner-up position. Defending champion Florida slipped to third place.

Maryland made the change-over from the Southern to the newly formed Atlantic Coast Conference without losing its championship ways, nosing out North Carolina. The Terps won both the indoor and outdoor ACC meets.

Roanoke was the winner of the Mason-Dixon bunting. Virginia Military Institute captured Southern Conference, and Northwestern State topped the Gulf States Conference field. Morgan State romped home first in the Central Intercollegiate Athletic Association meet.

Auburn will be hard pressed to remain atop Southeastern, with second and third-place LSU and Florida, respectively, well stocked both on the cinders and affeld.

The Gators return four individual conference champions—Bumper Watson in the 100; quarter-miler Jim Crosier; low hurdler Jim Smith; and miler Bill Adams. LSU will again have Charles Hennigan, whose 1:54.8 half mile was the second best performance for a college freshman in 1954. He teams with Lee Yoder, 1952 Olympic 440-hurdler, top quarter-miler Clayton James, javelin star Joe May and hurdler Harry Carpenter.

Maryland will again be hard to handle in the ACC, principally because of 47-second plus ace Joe Hemler and Burke Wilson and the solid distance punch offered by milers Ben Good and Larry Faass.

But North Carolina, readying a challenge for the Terps, is solidly founded on two miler Robert Barden and Roger Morris, more than a mere handy man with the shot and discus. Excellent support will be on the line in distance runner Jim Beatty, hurdlers Dick Waters and Claude Rhule, vaulter-broad jumper Charles Yarborough and javelin expert Steve Machino.

Duke will gravely miss the versatile Joel Shankle, who won the high jump, broad jump and high hurdles crowns and tied for first in the pole vault at the ACC meet. But the Blue Devils must always be considered in contention.

In the Mason-Dixon, Catholic University has plans for reclaiming the title from Roanoke, banking heavily on 220-440 star Fred Favo to help turn the trick.

Morgan State still has crack sprinters and quarter-milers stacked many deep. Last year the Baltimore school boasted ten men who could breeze past the 440 tape in less than 49 seconds and four fellows who sped the century in 0.8 or less. Led by Jim Rogers and Carl Cager, all of them return, plus national AAU 440-hurdle champion and record holder Josh Culbreath.

Virginia State, blessed by broad jumper Wilbur Wilson, and Hampton, featuring a 440 beauty in Jennis White, are not likely to interrupt the Morgan State's dynasty in the CIAA that is already six years old.

The knack of producing top-drawer distance men is expected to continue

at Georgetown. Ed Kirk, the only senior on a fine squad, heads the parade, supported by Frank Pfaffing, Joe Skutka, John Peyton and Bob Lippmeier.

VMI, never seriously threatened in its title drive at the 30th Southern Conference championships, which was also the first running of the meet since the formation of the Atlantic Coast Conference, is expected to continue its domination. Virginia Poly, West Virginia and Davidson pose the main threats.

## THE MIDDLE WEST

By JACK CLOWSER

There are indications that Illinois' marvelous consistency atop Midwest collegiate track rankings is about to fade. Coach Leo Johnson, working with numerically small squads, has watched his athletes win the last eight Big Ten championships—four outdoors, four indoors.

Willard Thomson, who already has four conference crowns in the hurdles, and Ralph Fessenden, the Big Ten 440 champion indoors and outdoors, must be the nucleus of the 1955 Illini team. An added feature will be the return from the Army of crack half-miler Henry Cryer. Sophomore two miler Karl Johnson, from Sweden, offers distance strength.

Michigan, most consistent of challengers during this Illinois reign, has much more returning strength. One of the greatest half-milers in the country, Pete Gray, will embark on his junior season, along with tiny Mark Booth, the Conference high jump champion. A dozen other lettermen will be available to Coach Don Canham.

Certainly due for a move up the ladder is Michigan State, which had a young squad last year and welcomes back such men as John Cook, the Big Ten mile champion; Jim Vrooman, former high jump winner, and sprinters Ed Brabham and Travis Buggs. Versatile Joe Savoldi is a prolific scorer, and Dave Hoke one of the better half-milers.

Iowa and Indiana both loom strong, and even Ohio State, which hasn't been in the Conference track picture for years, lost only Capt. Joe Morgan in the shotput, while getting several nifty freshmen eligible. Also, the return of quarter-miler Frank Zubovich from service is a welcomed addition.

Illinois won the outdoor championship with 57 points to 40 1/7 for Michigan, 37 9/14 for Michigan State. The '53 indoor crown had gone to the Illini with 55, while Indiana had slipped in ahead of Michigan with 42 3/4, just 1 1/4 more than the Wolverines.

The indoor championships were enlivened by addition of several new events, such as the 300-yard dash, 600 and 1000-yard runs. Illinois' Maynard, who took the 1000, also finished first in the 880, but was disqualified for leaving his lane too soon during the staggered start.

Between the indoor and outdoor meets, Illinois captured major honors in the first annual Big Ten relay meet, winning three of six flat-race events, while Michigan copped two.

No meet records fell in the outdoor championships, due to windy conditions, but Illinois scored in nine of 13 events, being eclipsed in that department only by the Spartans.

Most improved Big Ten man of the year was sandy-haired Gene Matthews, the Purdue two-miler who finally got down to a brilliant 8:58.8, the third fastest ever run by an undergraduate. Outside of the conference, Marquette was represented with great distinction by John Bennett, who repeated as the National Collegiate broad jump champion with a leap of 25 ft. 10 3/4 in. The same went for Notre Dame with its two fine pole vaulters, Paul Harrington and Joe Springer.

Huge Tom Jones, the Miami football star, won his first national collegiate shotput crown and had the best mark by any undergraduate, 56 ft. 3 5/8 in. on two occasions.

The Big Ten then went on to beat the Pacific Coast Conference, 74-58, in their annual duel meet. This broke a string of three consecutive PCC triumphs.

# THE MISSOURI VALLEY

By JAY SIMON

Sports Writer, The Daily Oklahoman

A radical change in the midlands' track picture is in the offing this season as Wea Santee begins running for himself rather than for Coach Bill Easton's University of Kansas watch collectors.

This will be a pleasing innovation to rival coaches who have spent three years guessing what relay combinations Easton would tie to the fabulous Santee, then trying to duck the Ashland Antelope in the region's big baton carnivals. Santee himself won't be unhappy in this new lone wolf role, and can now concentrate entirely on his burning ambition to bring the world mile record back to America.

But the Jayhawkers still figure to continue as the dominant team in the Big Seven, although they'll be closely pressed by Missouri and Oklahoma.

Missou returns two of the area's best hurdlers in Levan Gray and Bill Constantine, while Oklahoma's already solid strength in the flat races will be augmented by sophomore Bobby Buchanan, who turned in the loop's best freshman mile and two mile. The Sooners also boast outstanding sophomore hurdlers in Robert Derrick and Phil Frazier, the latter also capable of running the quarter near 48 flat.

Last spring Kansas easily took its third straight Big Seven title. Easton used Santee in the mile only, elected not to double most of his other top hands and didn't even bother to enter the mile relay. The Jayhawks still amassed 144 points.

Three records were broken and a fourth tied during the two-day affair. Leville Price, Oklahoma's sterling leaper from South Africa, broad jumped three-fourths of an inch past 25 feet in the preliminaries. Frank Dickey of Missouri vaulted 14-1¾, and Frank Cindrich of Kansas set a two-curve record for the 440 of 47.9. Pat Hindman of Colorado equaled the six-year-old high hurdle mark of 14.2 held by Bud Gartiser of Missouri.

In the earlier Big Seven indoor at Kansas City, it was almost as easy a romp for Kansas as the Jayhawks posted 58 points. The only mark surpassed was the mile which Santee covered in 4:06.5, fastest time yet on a 12-laps-to-the-mile track.

Oklahoma A&M returns almost every important member of its Missouri Valley championship squad, and in addition gains J. W. Mashburn, the big, blond speedster who went to Helsinki in '52 as a member of the U. S. Olympic team. He resumes collegiate competition after an absence of two years, the first due to scholastic ineligibility and the second when he transferred to A&M from the University of Oklahoma last year.

With Mashburn joining such other proven campaigners as Billy Heard, Fredrik Eckoff, Sture Landqvist and Fred Ashmore, the Aggies look set to replace Kansas this spring as the scourge of the relay meets. In addition, Higgins has a third crack Scandinavian harrier in Bjorn Bogerud, who followed Eckoff and Landqvist from their native fjords to Stillwater.

At Fresno the A&M unit of Ashmore, Heard, Eckoff and Landqvist was clocked in 9:59.8 in the distance medley, but was disqualified. A week later at the Coliseum Relays they ran the two mile in 7:30.1 and wound up fourth! Fordham, California and Occidental rambled home one-two-three, all under the former world mark which the Rams battered clear down to 7:27.3.

Yet, despite this power, the Aggies barely staved off Houston in the Missouri Valley Conference meet for their 14th consecutive league championship. They had to win the closing mile relay from the Cougars to preserve the string.

# THE SOUTHWEST

By **DICK MOORE**

*Sports Writer, Fort Worth Star Telegram*

Sophomores will again play prominent roles in Southwest Conference track for 1955, with sprinter Frank Daugherty of the University of Texas and low hurdler Roy Thompson of Rice the chief attractions.

Along with these newcomers will be such returning standouts as sprinter Dean Smith of Texas, quarter-milers Harold Griffin of Rice and Don Morton of SMU and high hurdler Bill Curtis of TCU.

Texas is due to have another great 440-yard relay team that may outdo the 1954 group which battered the world record once and tied it twice. Rice and SMU will have strong mile relay quartets.

Daugherty achieved clockings of 9.4 and 20.6 in the 100 and 220 as a freshman and is hailed as the greatest sprint prospect to enter Texas. Thompson, who ran the 200 low hurdles in 18.6 to set a new state high school record, placed fifth in the 220 lows at the 1953 national AAU and qualified for the finals last year before having to withdraw because of a leg injury.

Smith won the century at the Texas, Drake, Kansas and Coliseum Relays, and was fourth in the National Collegiate and third in the AAU.

Griffin, a sophomore last year, lost only one race in this section. Morton beat him for the SWC 440 title. However, Griffin was impressive in finishing third in the National Collegiate and fifth in the AAU, his best time being a non-winning 47.2.

Morton achieved success both as a quartermiler and as anchorman on SMU's mile relay team. In his first varsity year, he won the SWC in 48.0 and finished fourth in the National Collegiate. He anchored mile relay team to victories at the West Texas and Kansas relays and to second at Drake relays.

Curtis overcame a leg injury to win the high hurdles at the Kansas and Drake relays, beating the National Collegiate champion, Willard Thompson, at the latter.

Texas, conference title winner with 95¾ points, is favored to repeat. The Longhorns took 29 of a possible 30 points in the dashes and will have Daugherty and a 9.6 sophomore in Bob Wilden, who will scrap with Alvin Frieden and Jerry Prewitt for a berth on the sprint relay team.

They will also rely on two-year SWC 880 champion, Tom Rogers (1:51.1) and Dick Foerster (1:53.7); miler Hulen Hale, pole vaulter John Novey, javelin thrower Charles Renfro and high jumper Henry Dickson (6-5½).

Rice may push Texas A&M for second place. Besides Griffin and Thompson, the owls have a fine 880 prospect in sophomore Sonns Pucek and SWC pole vault winner Stephen James.

Texas A&M's strength is centered around SWC shot and discus champ Bobby Gross and weightmen Tom Bonorden and sophomore Herman Johnson.

SMU has a solid one-two punch in Morton and half-miler David Weaver. Weaver ran second to Rogers in the SWC 880 with a 1:51.3 clocking. Junior college transfer John Rogers sails the discus around 162 feet.

Baylor's Raymond Vickery and Bobby Herod walked off with SWC titles as sophomores. Vickery won the broad jump, Herod the low hurdles. Vickery's best leap was 24¾ and Herod's best time 23.2.

Abilene Christian College, North Texas State and Texas Southern will also have outstanding personnel.

ACC landed three schoolboy sprint champions in Bobby Morrow, James Segrest and Raymond Griggs. Morrow, State 2A sprint champion had times of 9.5 and 20.7 last year. Segrest took the State B titles and Griggs won the Arkansas crown.

George Adrian, 220 and 440; Von Morgan, broad jump and high jump; Tommy Morris, javelin; Don Conder, sprints and 440; Leondous Fry, springs; Carl Johnson, 880, and Mack Clark, hurdles, all return.

South Texas will be strengthened with three junior college transfers, John Neely, 440 and hurdles, Mike Hagler, 220 and 440, and Robert Birch, weights.

Texas Southern has sprinter Theodous Bush (9.6) and high jumpers George Gray and Roy Benney back. Both Gray and Benney cleared 6-7 last year.

# THE ROCKY MOUNTAINS

By WILES HALLOCK

Athletic Publicity Director, University of Wyoming

Warmer weather and better all around performances marked the outdoor season in the high country during 1954 as Utah and Idaho State dominated their respective Skyline and Rocky Mountain Conference meets.

The Utes from Salt Lake City were a surprise winner in the eight-team larger school circuit, upsetting favored defending champion, Colorado A&M, and the circuit's Western Division winner, Brigham Young University.

Idaho State, on the other hand, was an easy winner of the RMC title for the fourth straight year on its home track at Pocatello, and figures to lead the Rockies' smaller college entries again in 1955.

Next spring appears to be a building year in most events and at most schools in the Skyline, although the high jumpers west of the mountains at Utah and B.Y.U. are among the best in the country, and the latter boasts the best corps of distance men on the roof of the nation.

The Utes and Cougars should again battle it out for Western Division laurels, with Montana a strong third and Utah State trailing. Colorado A&M figures to be the class of the Eastern Division. Wyoming lost heavily by graduation and may be overtaken by New Mexico for runnerup honors, with Denver definitely on the upgrade.

Perhaps the biggest track and field name in 1955 will be Idaho State's Rick Bauer, who set a new discus mark of 150-3/4 in the Rocky Mountain Conference meet and is consistently tossing the platter over 165.

Paul Carlin, University of Wyoming middle distance star, dominated the Eastern Division Skyline runners, while B.Y.U. distance men, James, Wayne Lundell and Walt Steffensen topped the Western Division.

Carlin consistently ran the 440 in the 49s and doubled up to cop 880 honors as well. He anchored the Cowboys' mile relay in the Eastern Division meet in 47.5. Alex Burl of Colorado A&M captured the 100 and 220 titles for the third year running; Wyoming's Louis Madrid won the mile for the second year in a row; Utah's Bob Yates repeated his low hurdle triumph, and Riddell was the best vaulter for the fourth straight year.

Champions in eight of the Skyline's 15 events graduated, but plenty of talent is coming up. Don Brant of Montana should annex Burl's vacated sprint throne. Ray Brown of B.Y.U. and Utah State's Doug Anderson will move in on the middle distances. The brothers Spainhower—Don of Utah State and Doug of B.Y.U.—will battle for the high jump crown with defending champ, Ray Dunn of Montana, and Cal Clark of Utah in the region's strongest event.

Competition is wide open in the discus with the graduation of Denver's John McCarthy; in the high hurdles with Utah's Fred Pratley no longer around; and in the broad jump with Montana's Bob Hudson out of the picture.

Defending champions returning include Wyoming's Jim Schell in the shot put, Wyoming's miler Madrid, Utah Gary Loosli in the javelin, high jumper Dunn of Montana, two-miler Steffensen of B.Y.U. and low hurdler Yates of Utah.

# THE PACIFIC COAST

By HARLEY TINKHAM  
Sports Writer, Los Angeles Mirror

Like most any other year, a review and preview of collegiate track and field on the Pacific Coast deals largely with athletes from the University of Southern California, the National Collegiate Champions.

Less Mortensen's forces should carry off their 19th trophy this coming June when they are expected to host the National Collegiate meet in the Los Angeles Coliseum.

Returning point winners are high jumpers Ernie Shelton and Jack Findley, discus toasters Des Koch and Leon Patterson, broad jumper Jon Arnett, quarter-miler Mike Larrabee and vaulter Walt Levack.

These returnees represent 34 17/20 national points, and the Trojans figure to collect several more from veterans Howard Bugbee, Jim Decker and Leon Clark in the sprints, distance runner Fernando Ledesma, and Howard Smith and Doug Majjala in the discus and javelin respectively.

While the Bruins of UCLA don't figure to challenge the Trojans, they will field their strongest team in several years. Leading the Westwood clan are sophomores Bobby Seaman in the distances, Don Vick in the shot and discus and quarter-miler Russ Ellis.

Seaman, hailed as another Wes Santee, set a national freshman mark of 1:49.9 in the 880 last year when he barely lost to Mal Whitfield's 1:49.8 in the Compton Invitational. Vick established a new fresh standard of 54 feet, one-half inch in the shot, breaking Parry O'Brien's 53-10½.

Other Bruin standouts include quarter-miler Roger Norgren, two miler Bobby Hunt, hurdler Dave Rosellini, broad jumper and low hurdler Chuck Holloway, high jumper Nick Dyer, shot putter Clyde Wetter and discus man Ron Drummond.

California, third in the National Collegiate, will be weaker overall, but presents an outstanding weight trio in John Stellern, Charley Butt and Tom Coakley. Stellern and Butt finished second and third respectively in the National Collegiate shot put.

Stanford, like California, lacks balance. But the Indians should continue their great javelin tradition with John Bugge and Bob Kimball. Other standouts are high jumper John Stewart, shot putter Al Cheney, discus thrower John Rogers, low hurdler Jim Luttrell and quarter-miler Walt Garrett.

Best of the Northern Division individuals are miler Bill Dellinger of Oregon and sprinter Bob Gary of Washington State. Dellinger came out of nowhere to capture the National Collegiate mile last year as a sophomore. Gary was third in the 100 and second in the 220 in the big meet.

Other Northwest aces are half miler Doug Clement and two miler Wayne Heiser of Oregon; javelin hurler Jerry Church, Oregon State; and two miler Lou Gourley, Idaho.

Occidental, loser only to Southern Cal in dual meet competition, again figures to lead the independents, paced by quarter-miler Rel Schmitt; half-milers Eddie Shinn, Larry Wray and Chauncey Pa.; low hurdler Larry Newquist; broad jumper Phil Presber, vaulters Ray Carter and Bob Gutowski, shot putter Tom Meyer and discus man Jim Mathias.

Fresno State boasts top individuals in sprinter Herb Turner, hurdler Ancel Robinson, half-miler Dave Casper and javelin ace Wilbur Kusch.

With the independents, the top-notch individuals are University of San Francisco's Virgil Evans in the shot and Cal Tech's javelin star Phil Conley.

A review of 1954 is highlighted by the excellent high jumping of Ernie

Shelton, who equaled Les Steers' collegiate record of 6-11 and promises to clear an unprecedented 7 feet this season. Ernie has ten jumps over 6-10, an all-time record. Graffio set a new PCC record of 9.5 in the century as Troy grabbed its 14th straight team title with 70 points in Seattle. Leo Long of Stanford hurled the javelin 235-9/4 and Shelton leaped 6-9 1/8 for other records. Long's toss was the second greatest in collegiate history.

California and Occidental both bettered the world record for the two-mile relay in the Coliseum Relays, but finished behind Fordham's tremendous 7:27.3.

**CERTIFIED TENTH-SECOND WATCHES TIME TITLE RACES**

The accurate timing of world's records in track is a comparatively recent development. Such records must be certified by the International Amateur Athletic Federation in London. Although the I.A.A.F. was organized in 1913, it was not until 1931 that it ruled a new world record must be timed by three watches certified accurate by a government observatory. Following the 1932 Olympic Games, the I.A.A.F. further specified that tenth-second watches must be used in all events under 1,000 meters.

That this last stipulation has been met in National Collegiate Championships is due to the cooperation of the Longines-Wittnauer Watch Company, which since 1940 has made available Longines Olympic Timers, each of which carries an individual certificate of accuracy from Neuchatel Government Observatory.

When one considers that a new world's record can be made by beating the old one by a mere tenth of a second, the challenge to the accuracy of the timing watch is obvious. The interest of Longines in sports timing goes back to 1905, since when the organization has devoted ever increasing time, money and research to this activity.

# HIGH SCHOOL SECTION

## 1954 High School Honor Roll

Compiled by E. A. THOMAS

National Federation of State High School Athletic Associations

Records marked for inclusion in the 1955 High School Honor Roll should be forwarded to the secretaries of the various state associations by whom they will be approved. Prepared by E. A. Thomas, Kansas State High School Activities Association, New Haven, Yopka, Kans.

Records made in dual meets, in non-interscholastic competition, with wind assistance in non-winning races cannot be included in this Honor Roll. For this reason high school performances do not appear in this Honor Roll.
