**ON THE COVER:** Don Bowden, California's slender (6-3, 165) speedster and America's first sub-four minute (3:58.7) miler, set a National Freshman record (4:11.7) in his first collegiate mile attempt in 1955. A national record breaker at Lincoln High, the injury-prone junior spent last summer weight-lifting in an effort to fortify his stamina and insure '58 as an even greater season than last.

**AROUND THE WORLD IN ONE DAY** went the news of Occidental's Bob Gutowski's pole vault standard of 15 feet, 9¾ inches set at the National Collegiate Championships at Austin, Tex. Lifting the record twice in two months, Gutowski forced former NCAA title holder, Villanova's Don Bragg, to second place.

# National Collegiate Championships

By **WILBUR EVANS**

*Asst. Athletic Director, University of Texas*

They did not need a Texas setting, because the 1957 National Collegiate Track and Field Championship performances would have inspired tall tales wherever they might have occurred.

As it was, the annual title meet, held in Memorial Stadium at the University of Texas in Austin, rates as the greatest in the history of the National Championship show. One world record was broken, two tied and eight meet records surpassed.

The only other championship meet, excepting the inaugural and the Olympic-year programs, with a comparable number of record-breaking performances was the one at Stagg Field, Chicago, in 1933. Eight meet marks also toppled that day. Ten marks fell at Berkeley in 1956, but five were in events held only in Olympic years.

The tremendous advance in collegiate standards over almost a quarter of a century is clearly illustrated by the comparison of 1933 and 1957 performances. Each of the winning marks at Austin surpassed those at Chicago, and the fourth-place winners of 1957 could have won eleven of the fourteen events at Stagg Field.

Irish Ron Delany led Villanova to the team title. The second school in the East to ascend the throne, Villanova won by 15 points over California, the only recognized challenger that measured to expectations.

Occidental's Bob Gutowski stole the spotlight from fellow-Olympians, as he lifted the world pole vault standard for a second time within two months. He cleared 15 feet, 9¾ inches and forced Villanova's Donald Bragg to a runner-up spot despite the Main Liner's ability to improve on his own meet record.

Basking in the limelight with Gutowski were Bobby Morrow of Abilene Christian College and Ancel Robinson of Fresno State. Making his second and final appearance in the championship meet, since he competed as a freshman, Morrow equaled the world record of 9.3 with a thin triumph over Ira Murchison of Western Michigan in the 100-yard dash prelims.

Morrow, a double winner for a second straight year, won the century finals in 9.4, then won the 220-yard dash in 21 flat, the best final time ever made around one turn in National Championship competition.

Robinson won more decisively in equaling the world record of 22.2 for the 220-yard low hurdles on a straightaway. Earlier he had been runner-up to Lee Calhoun's meet-record time of 13.6 for the 120-yard high hurdles.

California Don Bowden's 1:47.2 half-mile was the second best in history at the time he breezed in ten yards ahead of Delany. The lean Californian, who just a fortnight before had broken the 4-minute barrier, bettered Tom Courtney's meet record by 2.3 seconds.

Greg Bell of Indiana came up with another second-best performance of all-time. His 24-7 in the broad jump, surpassed only by Jesse Owen's world record, erased San Diego Willie Steele's championship record by one inch. Bell extended his leaps beyond 26 feet to nine, one more than Owens.

John Fromm's winning toss of 248-1 surpassed anything a collegian had ever done. The Pacific Lutheran star, who ranked seventh through the prelims at 213-11, bettered Kansas Les Bitner's 1955 meet record of 246-1 on the first round of the finals.

Charley "Deacon" Jones of Iowa and his two leading rivals bettered the two-mile standard established by Don McEwen of Michigan. Jones, an Olympian, won in 8:57.6, followed by Bob House of California and Jerry McNeal of Kansas, each of whom bettered McEwen's mark that had stood for seven years.

In summarizing, the show had in addition to world and meet records, one other all-time high winning performance (Morrow's 220), two second-best performances of all-time (880 and broad jump) the second-best NCAA marks in two events (discus and shot put) and a third best in another (the one-mile run).

Al Oerter of Kansas, the Olympic champion, won the discus throw with a toss of 185 feet, 4 inches, surpassed only in national title distance by Southern Cal's

Sim Iness in 1953, while Michigan's Dave Owen won the shot put at 59-5 $\frac{3}{4}$ . Only Ken Bantum's record throw of 60- $\frac{1}{2}$  in 1956 ranks better.

Delany simply did not have enough competition to threaten Wes Santee's one mile record of 4:03.7. The Olympic 1500-meter king won by seven yards over Oregon's Jim Grelle, who held an even wider edge over Burr Grimm of Maryland and Joe Villarreal of Texas. Still, Delany's 4:06.5 was the third best winning mark in championship competition.

Delany, Morrow (twice), Gutowski, Bell and Calhoun were repeating champions. Appropriately, all except Gutowski were Olympic kings, and the Occidental star was a runner-up at Melbourne.

Bob McMurray of Morgan State, still another junior, won the 440-yard dash title in 46.8, with John Telford of Wayne second and Charley Jenkins of Villanova, the Olympic 400-meter king, back in third place.

Other champions with national title meet eligibility remaining are Oerter, Fromm, Bell, Delany, Bowden, Jones and Robinson. The return of these plus a score of other undergraduates points to another great meet in 1958. Others expected to return include sprinters Leamon King of California, Mike Agostini of Fresno State, Orlando Hazley of Oklahoma State, Hollis Gainey of Texas and Murchison; hurdlers Elias Gilbert of Winston-Salem, Aubrey Lewis of Notre Dame, Rod Perry of Penn State; weight man Jay Silvester of Utah; high jumper Phil Reavis of Villanova; pole vaulters Charles Hightower of San Jose State and Joe Rose of Arizona State; middle-distance stars Ty Hadley of Occidental, Jack Wilcox of Fresno State and Gary Parr of Oklahoma; distance stars McNeal and Villarreal; broad jumper Pat McGuire and javelin tosser Bruce Parker, both of Texas.

Conspicuously absent from the 1957 meet were Southern California, a 19-time winner, and UCLA, the 1956 champion. Both are serving probation time.

Also missing were the world's two best 400-meter hurdlers—Glenn Davis of Ohio State and Eddie Southern of Texas. Davis missed because of his school's probation penalty, while Southern pulled up lame on the eve of the meet.

A tremendous success from the standpoint of direction as well as performances, the meet was held for the first time in the South.

Following are the official summaries. All finishes were confirmed by phototimer.

The 37th annual National Collegiate Track and Field Championships will be held June 13-14, 1958, at the University of California, Berkeley, Calif.

# THE EAST

By LOU MILLER

Sports Writer, New York World Telegram and Sun

Many a fast, strong, limber lad has been graduated from the eastern intercollegiate track and field stage. Some might fine ones are left, however.

Foremost among those expected to enliven the scene again in 1958 is Ronald Delany, the Olympic champion from Eire and Villanova.

Delany, who proved himself king of the world's metric milers in Melbourne as a sophomore and then ran second as a junior last July in London as England's Derek Ibbotson set a new world mile record of 3:57.2, could make his senior year at the Philadelphia institution his best yet.

This season could see rapid-finishing Ron not only re-establish himself as the best miler on earth, but also send him to the fore as the globe's fastest half-miler and two-miler.

Among Wildcats return besides Delany to defend the IC4A as well as the National Collegiate crown are expected to be Ed Collymore, Phil Reavis, Charlie Stead, Bob Holup, a hurdler and George Sydnor, a potentially great sprinter. John Buckley, a broad jumper, is scheduled to come up from the freshmen to lend a good hand, too.

While Villanova figures to be difficult to keep from taking its second title in 82 years of IC4A history, Manhattan also promises to put up a stronger show this year than last, when the Blue and White won with 48 points to Manhattan's 41.

Heading another bid for George Eastment's New Yorkers will be Don McGorty, the basketball playing IC4A javelin champion; Joe Marchiony, a sophomore who tossed the 16-pound shot 53 feet in Europe last summer; Tom Murphy, 880 runner-up to Delany; John Hands, 150-foot discus thrower; Pete Beyer, a soph who ran 9:29 for two miles in May; Dave Mohlenbrok and Ron Colino, new quarter and half-mile possibilities and Dennis Burbridge and Ralph Daz, who made up half the winning mile relay.

Individual IC4A titlists expected to return besides Villanova's Collymore (100 and 220), Delany (880 and mile), Reavis (high jump) and Manhattan's McGorty and NYU's Mike Herman (broad jump) and Penn State's John Tullar (discus).

While Manhattan's Murphy, Georgetown's Norm Williams, St. John's Lionel Stevens and Penn State's Ed Moran don't figure to upset Delany in the half mile, they guarantee to keep Ron from backing into the title.

The same situation appears in the mile where Delany's foremost rivals shape up as Maryland's Burr Grim, Princeton's Rodman Zwirner, St. John's Pete Close and Penn State's Moran.

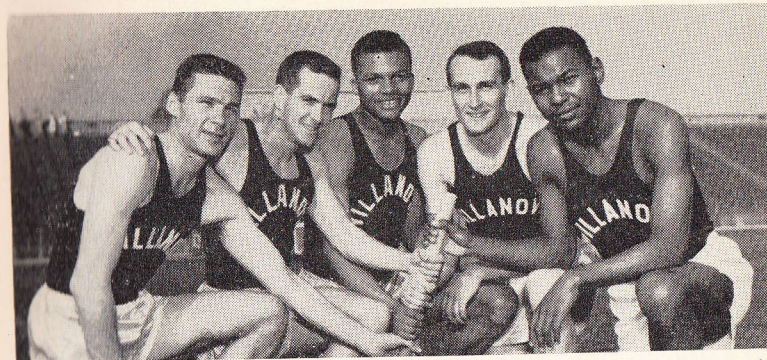

Strong possibilities to succeed Jenkins as quarter-mile titlist appear to be Notre Dame's Aubrey Lewis (should the Irish try for IC4A honors), Basil Ince of Tufts and Bill Merritt of Holy Cross.

Scheduled to battle for two-mile laurels vacated by Connecticut's Lew Stieglitz are Princeton's Zwirner, Harvard's Art Reider and the Crimson's Richard Benjamin.

There are plenty of sprinters ready to challenge champion Collymore in the 100 and 220, also. These include Brooklyn College is Bob Thomas, La Salle's Ira Davis, Pitt's Jim Donahue and Herb Carper, Adelphi's Bob Baretta, Seton Hall's Ken Brown and Tuft's Ince.

Herman's chief long jump rivals of last year are on deck again. These include Davis, La Salle's Olympic hop, step and jumper, Cornell halfback Irv Roberson and Yale's Pete Bensinger.

As usual, many comparative unknowns can be counted upon to spring out and upset the old champion.

VILLANOVA'S CRACK INDOOR MILE RELAY TEAM teamed up last winter with a victory in the ICAAAA meet in February and went on to establish an intercollegiate record in Chicago relays of 3:16.0 in March. Left to right—John Furhinger (alternate), Al Peterson, Ed Collymore, Gene Mahiff, Charley Jenkins.

# THE SOUTH

By **BERT PRATHER**  
Sports Writer, *The Atlanta Constitution*

At Moreau's Louisiana State Tigers, winners of more Southeastern Conference track and field championships than the remainder of the loop members combined, regained the throne in 1957 and in the process showed so much young talent that they're being picked to repeat in 1958.

Versatile Harry Carpenter led the Bengal point-getters, placing first in the 220-yard dash (21.5), second in the 100 behind Florida's sophomore sensation Ellis Goodloe, and third in the high hurdles.

And the Tigers have another fine sprint prospect coming up to take over for Carpenter in footballer Billy Cannon who did 9.7 as a freshman last year.

However, the Bayou Bengals left the SEC record breaking to a trio of departing seniors, namely Fred Berman of Georgia Tech; Ed Murphey of Tennessee and Bill Duckworth of Georgia.

Berman bettered his old shot mark by one inch with a toss of 54 feet, ½ inch. Murphey covered the mile in 4:14.8, bettering the old figure of 4:16.2 established by another Vol distance ace, Alf Holmberg in 1952. Duckworth's parting shot at his javelin mark was a 229-9½. His 1956 record was 220-6. Bill finally got up to 238-6 to stand third among the college tossers in the nation.

New stars to look for in the SEC are LSU's Tommy Dukes, who leaped 24 feet, 1¼ inches to take the conference broad jump crown; Jerry Moore, the Bengals pole vault champ; Denny Jackson of Georgia in the 440; James Brantley of Georgia Tech, high and low hurdles; Ernest Wall, LSU, 880; Billy Stacy, Miss State's ace quarterback, in both hurdles; Tommy Waldrip, Auburn, 440; and of course Goodloe, Cannon and West.

If LSU is to be dethroned, either Percy Beard's Florida Gators or Wilbur Hutless's Auburn Plainsmen will have to do it. The remaining league members are not deep enough to argue about the title.

Track should improve somewhat in the SEC since inauguration of the Coliseum Relays at Montgomery, Ala., provides the section with its first really big time indoor competition.

In the Atlantic Coast Conference, Maryland's Terps, paced by their senior distance ace Burr Grim, ran away with the outdoor team crown. Grim, who campaigned indoors, won the mile in 4:15.8 and the two mile in 9:25.8 both considerably higher than his season's best of 4:06.5 and 9:07.2.

Dave Scurlock, who could be one of the brightest middle distance runners in North Carolina's history, was another double winner, taking the 880 and 440.

And of course, the same goes for Duke's fabulous Dave Sime, the world record-breaker in dashes and hurdles. Dave decided to concentrate on baseball in '57, but did get back in track harness long enough to capture the ACC 100 in 9.6 and 220 in 21.1. He also tied for best times of the season in the 100 (9.3 with Bobby Morrow, the Olympic champ), and the 220 (20.4 with Mike Agostini, Fresno State).

If Sime decides to go with track in '58, there is no telling what he might do to the record books. However, he's a great baseball prospect, so we'll have to wait and see which sport gets his full attention this spring.

Elsewhere in the ACC, keep an eye on shot putter Dave Coates of South Carolina. Coach Weems Baskin may have the successor to Georgia Tech's Berman as the south's top weight tosser. Coates was ineligible last year.

If Maryland is to be beaten, it will have to be North Carolina. With junior

Scurlock as the lead man, the Tar Heels are expecting several freshmen graduates to contribute heavily to this season's varsity. They could surprise the Terps.

Aside from Sime, the two Dixie tracksters expected to make biggest splash on the national track scene are 20-year-old Ollan Cassell of East Tennessee State, and Elias Gilbert of Winston-Salem.

Cassell, competing as a freshman, jumped from an unknown 10.0 and 22.2 sprinter at start of last season to AAU 220 champion at season's end. He did 21 flat in beating some of the nation's best in the AAU furlong. Cassell's tops in the century is 9.5. East Tennessee State coach Julian Crocker believes his speedster is still short of his peak. He's still learning to run.

Gilbert is already established as a "big timer". Elias has been credited with a 13.4 clocking in the high hurdles and 22.5 in the low obstacles. He could well be the big boy in collegiate hurdling circles this season.

# THE MIDDLE WEST

By JACK CLOWSER

Sports Writer, The Cleveland Press

This appears to be an inappropriate time to get off the Indiana bandwagon. The Hoosiers, who won both the indoor and outdoor Big Ten championships last year, are due to return with nearly all the men who whisked them to their dual crown.

However, certain to be most improved in the midwest for 1958 is Michigan State. The Spartans had a fantastically powerful freshmen array last season. It was so strong that in a meet against the sophomores, juniors and seniors, the yearlings overwhelmed the upperclassmen.

Ohio State again will be powerful, with Olympic and world champion Glenn Davis pacing the Bucks into his senior campaign. Larry Snyder's squad was a surprising second in both the 1957 indoor and outdoor conference meets.

Indiana won the Big Ten indoors with only 37½ points to Ohio's 31½. But the Hoosiers hit their true stride at Evanston in the outdoor meet. They scored 54 and Ohio slipped to 32.

Michigan, which had won both titles in 1956, lacked outstanding individuals last year. The Wolverines skidded to fourth indoors and third outside.

Heading Indiana's parade this time will be Greg Bell, the No. 2 broad jumper of all time, and lanky Willie May, outstanding hurdles star. Bell, who took the Olympics and national title in his specialty, soared 26-7 for his collegiate crown. Only Jesse Owens' 22-year old world record, 26-8½, betters Bell's effort.

May is a junior this season, and has shown he can go well on both a fast and sloppy track. He won both hurdle races outdoors, beating Davis, among others. The latter concluded his season with 50.9 for the 440-yard hurdles at the AAU meet, shattering the accepted world record.

Iowa's Charles (Deacon) Jones attained international prominence since this publication was last issued. The former mayor of Boystown in Nebraska, not only made the Olympic team for the 3000-meter steeplechase, but was a record-wrecking victor in both the national championships and NAAU meets. He followed his winning double (in the mile and two-mile) at the Big Ten meet by running 8:57.6 for a national collegiate two-mile mark. Then he took the two-mile steeplechase at the AAU in 9:46.9 for a meet record.

Biggest new gun in Michigan State's arsenal should be Willie Atterbury. This Detroit set a national junior college record of 1:52.1 while at Compton in 1956. He then transferred to MSU and while serving his transfer year as a varsity ineligible, broke the U. S. record for the 600-yard run, clocking 1:08.5 to beat a 24-year old mark.

A markedly improved vaulter, Capt.-Elect Stan Lyons of Ohio State, did 14-6½ last year and may threaten 15 feet this season. Another outstanding Big Ten returnee is MSU's Dave Lean, the Australian Olympic star who goes well in the hurdles and any flat event from the 440 through the middle distances.

Illinois has one of the bright new stars ready to unveil. He is Jim Bowers, who cut a big chunk out of the national scholastic mile record when he ran 4:16.1 in 1956. Given only a normal degree of progress, he should be listed among the sub-four minute men long before he finishes his college career.

Among the midwest independents, Notre Dame again will be quite powerful. The Irish will be captained by Aubrey Lewis, first Negro ever to lead a Notre Dame varsity squad.

Premier college sprinter in the midwest last year was tiny Ira Murchison of Western Michigan. The Olympian who is co-holder of the world record for 100-meters is regarded as the greatest starter in the nation.

# THE MISSOURI VALLEY

By JAY SIMON

Sports Writer, The Daily Oklahoman

The most talented array of sophomore distance runners ever to burst upon the midlands scene promises to lift track and field interest in this area to new peaks during the 1958 season.

Most notable among the newcomers are Gail Hodgson of Oklahoma, Joe Mullins of Nebraska, Cliff Cushman of Kansas and John Macy of Houston.

It took a bit of doing to round up this troupe since Hodgson hails from South Africa, Mullins from Nova Scotia and Macy from Poland.

Kansas coach Bill Easton had to go only as far as South Dakota to find Cushman, who just might become the most versatile runner of all time.

Fast and durable enough to post times of 48.6, 1:51.1 and 4:11.6 from the quarter through the mile in the conference freshman postal meet, Cushman also won the Kansas Relays 400-meter hurdles in 51.9, setting a record for the 32-year old carnival. He also has covered the 220 low hurdles in 23.7.

Hodgson ran the fastest mile in history by a freshman when he clocked 4:08.2 in the Houston "Meet of Champions" and Macy established a new frosh two-mile standard of 8:57.2 (which incidentally was a half-second better than the intercollegiate record at that time).

Mullins, with times of 47.3; 1:50.6 and 4:12.5 to his credit, anchored Nebraska's freshman squad to national marks in both the mile and two-mile relays.

Oklahoma's freshman distance medley team, with Hodgson anchoring, shattered the national frosh standard by 16 seconds with a 10:05 effort.

Influx of such strong running talent at Oklahoma and Nebraska, together with Oklahoma State's entry into the now Big Eight conference figures to make things a bit more interesting for Kansas' perennial league track champs.

Boasting one of the country's top sprinters in Orlando Hazley and 1956 NCAA vaulting king, Jim Graham, Oklahoma State begins challenging Kansas at the indoor and outdoor meets of 1958 under the new conference alignment.

The Aggies won the Missouri Valley track title 17 straight years before withdrawing from that sprawling circuit to accept membership in the compact Big Eight.

With Oklahoma State no longer in the Valley, track supremacy of that loop seems destined to shift to Houston, where Johnny Morriss has assembled a wealth of outstanding performers.

Kansas' monopoly of the Big Eight (six straight indoor and outdoor sweeps) does not appear in danger, even with the added threat of Oklahoma State and increased interest in track at every other school in the conference. The Jayhawks return Olympic discus champ Al Oerter, crack milers Hal Long and Tom Skutka, plus two-miler Jerry McNeal.

In addition to these, and sophomore Cushman, Kansas is counting on newcomers Ernie Shelby (a 26-foot broad jumper) and Charley Tidwell. The latter, ineligible last year, owns the national prep low hurdles record. Both Shelby and Tidwell are top-notch sprinters—only spot where Kansas was weak last season.

At the 1957 Big Seven and Missouri Valley conference meets only five records were bettered and a sixth tied. The Big Seven affair at Lincoln, Neb., produced three new marks as Pete Orr, Missouri, won the 440 in 47.1, McNeal of Kansas the two-mile in 9:09.1 and the Jayhawks' mile relay team clocked 3:12.6.

Denny Andrews of North Texas State (competing in its first Valley meet) set a javelin record of 200-11, Marlow Eckhoff of Drake broke the discus mark with a peg of 156-11½ and Jim Kingsolver of Oklahoma State tied the 100 standard with a 9.6 heat.

# THE SOUTHWEST

By DICK MOORE  
Sports Writer, Fort Worth Star Telegram

Like a summer TV rerun, the 1958 Southwest Conference track season looms as a repeat showing starring the University of Texas Longhorns. They dominated the league last year and amassed a record 114-5/6 points in winning their fourth straight SWC championship.

Chief supporting roles will likely go to Southern Methodist, Rice and newcomer Texas Tech. Texas A&M and Baylor lost capable performers by graduation but could be tough.

Coach Clyde Littlefield counts five returning SWC champions—all juniors. They are javelin thrower Bruce Parker, miler Joe Villarreal, high hurdler Eddie Southern, half-miler Brooks Patrick and two-miler Gordon Ratcliff.

Parker tossed the javelin 220 feet, 7¾ inches for a new record and was fifth in the national championships. The 5-foot-4 Villarreal authored a new SWC mile record of 4:10.5, had a season best of 4:06.7 and finished fourth in the national title show.

Southern, a versatile performer who ran the low and high hurdles, 220 and 440, plans to concentrate on the 440 this season.

Other top Texas returnees will be broad jumper Pat McGuire, who did 24-11¾ in the SWC meet and was fifth in the national meet; sprinter Hollis Gainey, who came fast at the season's end to take sixth in the national 100 and 220, and quarter-miler Wally Wilson, who had a 47.4 for his best time.

SMU has the basis for a fine team built around high jumper Don Stewart and quarter-miler John Emmett. Stewart scaled 6 feet, 10¾ for a new SWC record and tied for first in the national championships.

Baylor has a talented senior twosome returning in shot putter Larry Cowart and sprinter Merton Fuquay. Cowart's winning toss of 54-9¼ in the SWC was the second best ever made. Only 1952 Olympic runner-up Darrow Hooper has done better.

Texas A&M's No. 1 lad will be Emmett Smallwood, outstanding broad jumper and low hurdler. He soared 25 feet, 1¾ inches for a new SWC broad jump mark.

Another fine freshman crop moves up headed by sprinter Billy Hollis of Baylor (9.6 and 21.2), broad jumper Leonard Fawcett of Rice (24-3½), quarter-miler Charles Rosemond of Texas (48.1) and half-miler Ray Dyck of Arkansas (1:52.8). Fawcett, who lost part of his left arm in a childhood accident, is also a good 440 prospect, his best being 48.2.

Other promising sophomores are SMU's Wayland Kesler, 48.4 in the 440; Arkansas' Allen Remick, 4:26.0 in the mile; A&M's Henry Bonorden and Owen Hill in the shot and discus and three fine hurdlers from Texas Tech—Charles Bode, Tommy Patterson and James Harvey.

Texas Tech, runner-up to Texas in the freshman SWC competition, is also relying heavily upon two field men, Dub Thornton and Larry Palmer. Thornton won the SWC frosh high jump at 6-2½ and Palmer has done 14 feet in the pole vault.

Ablene Christian, with Olympic champion Bobby Morrow returning for his senior year, should be stronger with the addition of two freshmen—miler Jimmy Reeves and Darrell Bomar—to the varsity squad. Coach Oliver Jackson also got a fine weightman in R. E. Gibson, a junior college transfer.

Back with Morrow are sprinter Bill Woodhouse, quarter-miler James Segrest and hurdlers Ken Fannon and Bob Shropshire.

Texas and ACC are expected to continue their heated duels in the 440 and 880 relays which found both teams recording 39.9s for new world marks in the shorter relay and the Longhorns posting a 1:22.7 to shatter the 880 world record.

# THE ROCKY MOUNTAINS

By WILES HALLOCK

Athletic Publicity Director, University of Wyoming

Brigham Young University's track and field dominance in the high mountain country seems likely to continue ad infinitum and the Cougars' mastery is raising the calibre of the cinder sport throughout the Rocky Mountains, particularly in the far-flung major conference, the Skyline.

In more than doubling the team total of nearest rival Montana, Coach Clarence Robison's capable crew grabbed its third straight conference crown in the championship meet at Missoula, Mont., which saw eight records shattered, and the times and distances in nine of the 15 events better those of the Big Ten championship meet by way of comparison.

The smaller Rocky Mountain loop saw a blizzard keep defending tittist Idaho State away from the conference championship after six straight crowns, but did see the Bengals dethroned by Colorado Mines in the annual league relay carnival earlier in the spring.

The wholesale assault on Skyline standards was led by aces from BYU, Utah, and Utah State and contributing to the ever brighter picture on the Skyline is the fact that only two of these record smashers—BYU's Arlyn Finlison (440) and Ralph Bonham (high jump)—are graduating this year. All the rest, save Ken Christensen who hangs them up after next season, will be around for two more campaigns.

The Cougars suffer losses which might knock any other Skyline team out of the running for 1958, but in BYU's case the slight dent will scarcely be noticeable. In addition to Finlison, Robison must bid adieu to another splendid quarter-miler Jim Crittenden; his top half-miler, Paul Anderson; second and third place spear tossers, Harold Werner and Claude Blanch, top sprinter Harry Anderson, plus high jumper Bonham.

He'll return no less than 23 stalwarts, however, including conference place winners, Ben Brooks and Mel Wilkes (one-two in the broad jump), Gary Merrill (third in discus), top distance men, Al Ray, Joe Tyler, Gary Griffith, and Bob Suk Shim; second and fourth place high hurdlers, Dave Parker and Eldon Hastings; Oscar Anderson (third in 880), and low hurdler Dick Millett, the Skyline champion.

Respected Harry Adams at Montana loses champion hurdler Dick Lindsay plus a smattering of lesser finishers, but will have back bidding for the runnerup spot against such able performers as discus tosser Russ Sheriff (2nd), half-miler Bill Anderson, hurdler Hank Mohland, pole vaulter Jerry Lanz, quarter-milers Ray Merwin, Mike Granbois, and Paul Sullivan, and sprinter Ken Nelson.

Mention 880 star Gary Eyre and sprinter Christensen and they alone make Utah prospects again bright for Coach Pete Couch, while weightman Jay Silvester plus mile champion Don Hage, broad jumper Dale Frehner, and high jumper Harold Theus make Ralph Maughan's lot at Utah State not too unbearable.

Denver and New Mexico should battle it out for Eastern Division honors in the Skyline, but as in 1957, all conference institutions east of the main range may trail the Utah and Montana members. Buster Quist, javelin tosser par excellence, pace New Mexico pole vaulter Monte Doyel, and weightmen Stan Bazant and Orlean Coupland, while hurdler Keith Pocock, sprinter Paul Collins, and hurdler-high jumper Jim DeField look to be the most rugged Pioneers.

Colorado State (formerly A&M) and Wyoming should both be stronger though perhaps not enough so to stay out of the cellar. Sprinter Fred McCoy and discus man George DuBois are the best from Fort Collins. Speedster Harold Farmer and a distance newcomer, Mike Wiggs, should win points for the Cowboys from Laramie.

Idaho State must be favored again in the Rocky Mountain with 1957 champion Colorado State College and Mines the most potent challengers. Bengal quarter-miler Buck MacGillivray heads an improving lot of RMC thinclads.

# THE PACIFIC COAST

By BERT NELSON

Publisher, Track & Field News, Los Altos, Calif.

Pacific Coast track, which produced four of the first seven National Championship finishers despite the ineligibility of powerhouses Southern California and defending champion UCLA, should be much stronger in 1958.

Southern Cal, out to win back the National Collegiate crown long regarded as its personal property, should have the horses to do so. California, second last year with a three man entry, should place highly again, as should third place Fresno and seventh place Occidental. Stanford and UCLA, despite heavy losses, should about hold their own with 1957. And in the north, the keyword is "improvement" with a young Oregon team again tabbed as the best.

The roster of returning aces is enough to gladden any track nut's heart. Rafer Johnson, decathlon world's record holder; Max Truex, America's best distance man; Ancel Robinson, co-holder of the world's 220 low hurdle mark; Don Bowden, collegiate 880 and national mile recordman; Leamon King, who shares the universal 100 yard mark; and John Fromm, collegiate record breaker in the javelin—these will be the pace setters.

Outstanding newcomer to the varsity picture will be Charley Dumas, the 7-foot high jumper who is expected to be eligible at USC.
