IN THE LILT OF IRISH LAUGHTER Villanova's son of Erin Ron Delany wins second national collegiate championship title as he cracks tape in the 880-yard run at 1:48.6. Earlier, Delany set meet record for the mile run of 4:03.6.

National Collegiate Championships

By **BERNARD HAMMERBECK**

Acting Commissioner, Pacific Coast Conference

A sun-drenched throng of 16,000 saw six new meet records—two of which also bettered existing world standards—established at the 1958 National Collegiate Championships at Edwards Stadium, Berkeley, Calif.

Four 1957 champions retained their titles and the University of Southern California returned to the victory stand for its 20th team title. Kansas finished second and Villanova third.

Ohio State's Glenn Davis led the assault on the records books as he set a new world mark of 45.7 seconds in the 440-yard dash. Charley Tidwell, Kansas sophomore, was equally outstanding as he covered the 220-yard low hurdles in 22.7 seconds, the fastest time ever recorded for the event around a turn.

Ron Delany of Villanova contributed a brilliant "double," winning the mile for the third successive year (the metric equivalent in 1956) and returning later in the day for an impressive 880 win. Thus Delany won four national collegiate titles during his varsity career, a feat never before accomplished in races longer than 440 yards. It was the second mile-880 "double" in meet history.

Sophomore Dave Davis won the only clear-cut individual title for champion Southern California as he put the shot 58-6½, some 18 inches beyond the No. 2 man, Jay Silvester of Utah (57¾). Rink Babka shared a first place tie in the discus for the Trojans, as he and defending champion Al Oerter of Kansas, both had best throws of 186-2. Oerter's mark came in the preliminaries; Babka's in the finals. Southern California pole vaulter Gene Freudenthal also gained a first place tie, clearing 14-4, as did Jim Johnston of Purdue, Bob Davis of Missouri and Stan Lyons of Ohio State.

Ira Murchison of Western Michigan and Ed Collymore of Villanova were the winners in a brilliant sprint field. The 5-4 Murchison fairly sizzled off the blocks to win the 100 in 9.5 seconds, besting San Jose State's Ray Norton, who had run a 9.4 heat. Norton was relegated to second again in the 220 as Collymore came off the curve with a two-yard lead and made it hold up for a 20.7 win, thus breaking the meet record for a turn which had been reduced to 20.8 seconds by Jim Carney of Ohio University in the semi-finals. Carney was seventh in the finals.

Elias Gilbert of Winston-Salem triumphed by a yard in 13.9 seconds in the 120-yard high hurdles as Keith Gardner of Nebraska shaded Indiana's Willie May for second. Gilbert, however, was scratched from the low hurdles because of a leg injury, and the efforts of his sophomore teammate, Francis Washington, were not enough as the Ram finished two yards behind Tidwell in the latter's world record performance for a turn.

Davis' 440 victory was a superbly paced effort as he took the outside lane around two turns, nailed his foremost adversary, Texas' Eddie Southern, at the head of the stretch and sprinted home for a seven-yard win. California sophomore Jack Yerman closed stoutly on Southern for a strong third.

The mile was a prize attraction of the 1958 championships, featuring Delany and California's Don Bowden, only American ever to break four minutes and the 1957 national collegiate 880 champion. Bowden set a brisk early pace but slowed in the third lap to turn in only 3:04 with Gail Hodgson, the Oklahoma sophomore, constantly at his shoulder. Hodgson, Jim Grelle, Oregon junior who was second in 1957, and Delany thundered past Bowden on the final backstretch, and as they turned for home, Delany raced into the lead for a 4:03.5 win with Grelle second, thus duplicating the one-two finish of 1957.

Three blistering 880 heats were run during the qualifying round, and such excellent performances as 1:51.3 by Dave Reisbord of Occidental and 1:51.4 by George Kerr of Illinois, failed to qualify. In the finals, Delany contentedly ran last for the first quarter, then gradually moved up and tore past his rivals on the last turn to win by six yards in 1:48.6. Tom Murphy, Manhattan, was second.

Alex Henderson triumphed for Arizona State in the two-mile with a new meet

and American record of 8:46.3, as his two nearest rivals, defending champion Charles Jones of Iowa and Max Truex of Southern California were unable to maintain his pace (4:24.2 at the mile).

Southern Methodist's Don Stewart successfully defended his high jump title against stern competition as he cleared 6-9 $\frac{3}{4}$, thus relegating world record holder Charles Dumas of Southern California and Illinois' Ernie Haisley to a second place tie. Two-time champion Greg Bell of Indiana was not as fortunate in the broad jump, however. Hobbled with a leg injury, he failed to qualify, leaping only 23-6. Ernie Shelby of Kansas won at 25-3 $\frac{3}{4}$, followed by Bob Mitchell of Illinois with 24-9.

Defending javelin champion John Fromm of Pacific Lutheran came through with a record throw of 257-1 in the finals to wrest the title from Buster Quist of New Mexico, who had led with 239-9 from the very first throw of the preliminaries. Fromm also held the old meet record set in 1957.

Edwards Field, designed and used solely for track and field, on the University of California campus proved a picturesque setting for the immensely successful 37th National Collegiate Championships, and head track coach Brutus Hamilton, Athletic Director Greg Engelhard, and their staff are deserving of praise for their efforts.

THE EAST

By LCU MILLER

Sports Writer, *The New York World Telegram & Sun*

If one needs proof as to the enduring validity of that saw concerning the fading qualities of fame, he need look no farther than this year's eastern college track and field horizon. No sooner is the incomparable Ron Delany graduated from Villanova than an astonishing Ed Moran comes up at Penn State to all but make everyone forget the Olympic record holder.

Starting this, his senior year, Moran appears ready to dominate the IC4A from the 880 to the mile and, perhaps, wipe out the Delany records in the process. Off his amazing 4:01.7 mile for third place in the 3:57.9 national AAU championship race behind Australia's Herb Elliott and Merv Lincoln, the Penn Stater certainly looms a threat to the world mile record. Moran, however, is expected to receive strong opposition from St. John's Pete Close.

Velissa Mugosa, the well-seasoned NYU soph from Yugoslavia, also figures a potential danger to Ed in the eight-furlong realm. This, despite the fact that the transplanted Violet's best event appeared in the two mile and up.

Further stiring into the clouded crystal appears to indicate the following will stand out this season:

60, 100, 220—Villanova's Ed Collymore; 440 600—Bates' Rudy Smith; 880, 1000—Penn State's Moran, St. John's Close, Yale's Tom Carroll; Mile—Penn State's Moran, St. John's Close, NYU's Mugosa; 2 Miles—NYU's Mugosa, Michigan State's Crawford Kennedy; High and low hurdles—Harvard's Joel Landau; Broad jump—Villanova's John Buckley and NYU's Mike Herman; Shot put—Manhattan's Joe Marchiony and Penn's Carl Shine; Weight throw—Boston U's John Lawlor; Javelin—Manhattan's Don McGorty; Team—Coach Chick Werner's Penn State, George Eastment's Manhattan, Jumbo Elliott's Villanova, Lou Montgomery's Cornell.

In helping Villanova add the 1958 outdoor IC4A team title to its indoor crown, Delany dominated the meet as he had every college competition since his arrival from Eire as a freshman. Ron's patented delayed-action kick turned back Moran in the 1:50 half-mile and Moran and Close in the 4:07.8 one-mile.

Helping Delany put Villanova over on the Wildcat's own field before 12,500 fans in the first IC4A return to the campus in years, Collymore won the 220 in a wind-assisted 20.3 and placed second in the 100 to La Salle's Ira Davis; soph Buckley upset NYU's Herman with a 25-3/4 inch long jump, and little Phil Reavis set a 6-10 jump record.

Winning their second straight IC4A crown on cinders, the Philadelphians scored 33 5/6 points, followed most closely by Penn State with 27 1/3.

Individual features also saw Harvard's Landau score a hurdles double. Shine take the shot from Marchiony, who had beaten him for the indoor crown. Manhattan's McGorty boost his meet javelin mark to 229-2 1/2 and Boston's Irish-bred Lawlor set an IC4A hammer mark of 198-8.

THE SOUTH

By **MICKEY LOGUE**
Sports Writer, *The Atlanta Constitution*

An operation on Dave Coates' putting arm may produce the shot heard 'round the world of Dixie track and field.

The South Carolina strongboy has 'em asking this question throughout the Atlantic Coast Conference: "If he putt the shot more than 54 feet without a biceps, what will he do with one?" Pestered since childhood by sleep-walking tendencies, Coates three years ago concluded a nocturnal stroll by suffering a gash that required some 70 stitches in his right arm.

Permanent injury apparently had been done the muscle. Despite this handicap however, Dave was the South's No. 1 shot man last spring.

After the season ended, a highly-skilled surgeon rebuilt the biceps from "parts" borrowed from Coates' leg. Now his sights are set on 60 feet. But only time and competition will tell.

Coates' teammate Don Goodroe also possesses the ring of potential greatness. Gamecock coach Weems Baskin considers Goodroe his best high hurdles prospect since Spec Towns of Georgia became a world record-holder.

Goodroe posted a 14.1 in Houston's Meet of Champions, and Baskin anticipates a 13.8 by the season's finale.

Graduation wrote collegiate finis to the ACC's most spectacular track career. Duke's Dave Sime claimed his sheepskin after duplicating the world 100-yard dash record (9.3) on three occasions, smashing the 220 standard (20.0), tying the 60-yard record and establishing new marks for 70 and 80 yards.

Nevertheless, Sime's departure should have slight influence on the ACC outcome. Defending champion Maryland is loaded again.

Top Terps returning are three conference titlists: Tom Tait, high jump, Larry Salmon, low hurdles, and Frank Mirman, who tied for pole vault honors. Recruits from its most powerful freshman unit make Maryland even tougher.

North Carolina's Dave Scurlock may wind up among the nation's five finest half-milers and Wayne Bishop lends the Tar Heels two-mile significance. South Carolina counts on Coates and Goodroe to show the way. Clemson, North Carolina State and Duke will rely on team balance.

One of Dixie's most fascinating dual meets is brewing at Baton Rouge, La. Two-time defending Southeastern Conference champion and again-favored Louisiana State tests Florida State, a new independent power on area cinder paths.

FSU climaxed four seasons of building under coach Mike Long last year by winning all four dual meets, the Florida and Montgomery Coliseum Relays, Florida AAU, Georgia AAU and scoring heavily in the Penn Relays.

Seminole miler Mike Conley and quarter-miler Jim Casteel were unbeaten in their specialties over the regular season, and Jerry Henderson fired the javelin 227-5. Though Conley, Henderson and sprinter Jack Terwilliger have departed, Florida State relies on weight performances to take up the slack.

Coach Al Moreau has a junior team running at Louisiana State U. Key juniors are football totin' Billy Cannon, a sprinter-shot putter, Ralph Fabian, sprinter-hurdler, Jack Griswold, SEC discus champ, Carl Seefeld, half miler-miler and Jesse Fatheree, Jr., a 13-6 pole vaulter. Senior Ernest Wall rules the 880 ranks.

Dickey Durham's 14.5 in the high hurdles and 23.5 in the lows represent the cream of LSU's freshman class.

The Bengals' stoutest conference challenge probably will arrive from Florida where Ellis Goodloe, the tiny dash demon, is expected to have his best season. Henry Wadsworth brings a new SEC freshman pole vault record (14-4) into

varsity Gator action, as does John Hale in the javelin (194-11½).

Georgia, which shared third place with Kentucky, sends Johnny Poss after his third successive high jump crown.

Vanderbilt's Fred Abington swept the mile and two mile as a sophomore and will be favored to repeat. Alabama adds team prowess to the derby, and Auburn hopes sophomores Benny Overstreet (440) and Richard Crane (discus) will help improve last season's sixth place finish.

Below par physically in '57, hurdler-jumper James Brantley and a talented rookie delegation may form Georgia Tech's best team in several seasons.

Billy Stacy, an outstanding gridiron quarterback, will carry the hurdles ball for Mississippi State.

Freshman records fell in five individual events and two relays, declaring the promise of this year's SEC sophomores.

These marks were set by Florida's Wadsworth and Hale; Tech's Ed Nutting, shot (51-3), and Bill Ransom, broad jump (23-4¼); Alabama's Jim Dwyer, discus (153-2); and Auburn's relayers, 440 (42.7), mile (3:25.1).

Winston-Salem teammates Elias Gilbert and Francis Washington probably will succeed Sime in the national spotlight.

Senior Gilbert already owns the world low hurdles record (22.1) and has tied the highs' standard (13.4). Junior Washington has skimmed the lows in 22.2, the highs in 13.8 and holds the American 440 hurdles mark (51.5).

Morris Brown of Atlanta's Charles Bivins is expected to be among the land's sharpest sprinters.

Ollan Cassell's exodus from East Tennessee to Houston removes another national attraction from the Deep South track scene. Cassell sped the 100 in 9.4.

THE MIDDLE WEST

By JACK CLOWSER

Sports Writer, The Cleveland Press

In the midwest, track and field enthusiasts are certain of one thing. The Silver Fox is back, and prospects are that he'll be leading the chase for some time.

The Silver Fox is coach Leo Johnson, Illinois' white-haired tutor. Last season, he sprang a tremendous group of sophomores on the Big Ten, and mopped up both the indoor and outdoor championships. Few realized the potential of his new talent until the campaign began. Now listen:

"I'd say we should be stronger in 1959 if everyone is eligible," Johnson declares.

Loss of sprinter-jumper Bobby Mitchell by graduation is a severe blow for Mitchell won the Big Ten 220, tied for first in the 100 and was second in the broad jump.

But Illinois picks up four sophomores who will reinforce the powerful array of 1959 juniors—and four good men who were ineligible the second semester of '58. Jamaican Paul Foreman, British Empire Games champion in the broad jump, Illinois State scholastic shotput champion Bill Brown, and hurdlers Armand LeCrone and Bill Nicholson are the more prominent reinforcements from frosh ranks.

Herb McKenney, Johnson's old star who now directs the Jamaican sports program, must be doing a good job for his alma mater. In addition to Foreman, McKenney also had a hand in sending along the new conference high jump record holder, Ernie Haisley, and 440-880 ace George Kerr.

In short, the Illini now may be embarked on another excursion such as from 1952 through 1956, when they won the Big Ten, indoor and out, eight times.

Indiana, the 1957 winner, slipped to second outdoors and third indoors, largely because of bad luck and injuries in the hurdling department. But the Hoosiers have a host of capable returnees, though losing Olympic champ Greg Bell plus Harold Caffey and Tom Campbell. Good freshmen like Mike Johnston, Pennsylvania 440 champ (48.6) and Leroy Johnson, an Indiana boy who jumped 6-7, will help take up slack.

Ohio State, second indoors and third outdoors, suffers grievously through departure of the great Glenn Davis, who shattered three world records and could score in a half-dozen events. The Bucks get great help from frosh weight men, including shotputter Val Jekkals and three discus men, George Mirka, Bill Fields and Larry Schmalenberg.

Undoubtedly most improved will be Michigan, which sank far below its normal track stature in '58. Coach Don Canham assembled a terrific yearling array. Tom Robinson, a 9.4 sprinter from the Bahamas, Dave Martin, a distance man of 4:10 and 9:15 potential, Tony Seth of British Guiana, a 1:55 half miler, Frank Geist, Indiana 880 champ, Fred Montour, a Californian who hit 1:52.9, Roy Locke, a 52-foot shotputter, and Antigua's Lester Bird, 24-plus in the broad jump, make Michigan's immediate future sparkle.

Fran Dittrich, who replaced the retired Karl Schlademan as head coach at Michigan State, will build around Willie Atterberry, who can run almost any distance well, and distance ace Crawford Kennedy; return to eligibility of hurdler-vaulter Mike Kleinhans will help. So should a goodly crop of sophs such as Tony Etnyre, 6-5½ jumper, Warren Kellogg, 4:20 miler; Bill Reynolds, and Max Weissengruber, Canadians who are respectively, fine two-mile and 440 men.

Purdue retains much of last year's strength. It also will have sophs George Harvey, Indiana AAU three-mile titlist, Mike Johnson, who set a frosh record of 44 feet in the pole vault, and Canadian Dave Edelman in the weights.

Olympian Deacon Jones uses up remaining eligibility at Iowa by midyear. No really outstanding varsity men return. Best are John Brown, Tom Burrows and Jack Hill, who placed in the conference outdoors. Sophs Harry Olsen, 880 and mile, Bill Boyd, Idaho state mile champ, and 440-man Bob Dougherty should help.

At Minnesota, top returnee is Leonard (Bud) Edelen, new holder of the Big Ten two-mile record. Footballer Tom Brown, 52-foot shotputter from freshman ranks, and Tom Skadeland, 6-5 jumper, are torrid newcomers.

Northwestern hopes to arise from the conference cellar, but upcoming material isn't too strong. Bill Palmer, ex-Illinois high jump champion, and L. V. Morrow, hurdler-jumper, are exceptions.

Wisconsin has Jesse Nixon back. The former league 440 champ ran just as well last year but there were too many others who improved. Dan Lanphear, returning from ineligibility, is the best shot prospect in Badger history at 52 feet. Ed Jacobson, a 1:55 half-miler, also is back from the classroom doldrums and miler Dan McKinney will help.

Among the independents, Notre Dame lost heavily by graduation, but new men include Ron Gregory, hot mile prospect, Ray Ratkowski, all-around ace from New Jersey, Hugo Ryan, 440-man from Argentina, and jumper Mike Fitzpatrick. The Notre Dame campus enthuses over the tremendous promise of Jim McCann, who won Australia's broad jump (24-7½) and 100 (9.5) junior championships, and then picked the Irish campus.

Marquette has its great vaulter, Ed Hoyle, who should exceed 15 feet. Western Michigan, Mid-American Conference champions, have another good crop from the frosh roster, but lose Ira Murchison.

SPARTAN EFFORT proved too much here as Michigan State's Willie Atterberry lunges across stripe to nip Manhattan's Tom Murphy in the two-mile relay event. Finish was the closest in the history of the Penn Relays.

THE MISSOURI VALLEY

By BOB HURT

Sports Writer, The Topeka Daily Capital

Despite the loss of Olympic discus champion Al Oerter, the University of Kansas will maintain its domination of track and field in the midlands this year. The Jayhawks, with two national champions in tow, are expected to sweep the Big Eight indoor and outdoor championships for the eighth straight year.

Most talented of Bill Easton's holdovers are Ernie Shelby, one of 11 in world history who has broad jumped over 26 feet, and Charlie Tidwell, who established a new American record of 22.7 for the 220-yard low hurdles (around a curve) in the national collegiate championships.

Among others returning are distance men Tom Skutka and Brian Travis, half-milers Bob Tague and Cliff Cushman and high jumper Bob Cannon.

To this crop will be added a promising collection of freshmen. Ready to move in are Paul Williams, who ran the 220 in 20.5 for a national freshman record, Bob Covey, a 47.8 quartermiler, and distance prospects Bill Mills and Dan Ralston. Another first-rate newcomer is javelin thrower Bill Alley. The husky junior, who came to KU by way of Syracuse and the Marine Corps, is a 240-foot thrower. Returning from the service will be Willie Jones, who clocked a 47.7 quarter three years ago.

Kansas has been among the first four in the national collegiate meet the last four years and should be a title contender again if the rookies develop.

Nebraska, chief challenger in the Big Eight last year, is expected to tail off with the loss of Keith Gardner, who set conference records of 14.0 in the high hurdles and 20.4 in the 220. However, the Huskers return capable middle-distance men in Mike Fleming and Joe Mullins.

Strongest argument is due to come from Oklahoma. The Sooners add one of the best freshmen in Mike Lindsay. The London import was near 170 feet in the discus and 54 feet in the shot put last year. Another British Empire product, South Africa's Gail Hodgson, is one of the best milers around. He owns a peak of 4:04.9.

Dee Givens gives the Sooners strength in the sprints. He has run a 9.4 100, but so has another returnee, Oklahoma State's Orlando Hazley. Both Tidwell and Williams own 9.5s, thus assuring the finish judges headaches in the conference sprints.

However, the hottest competition will unfold in the pole vault field which includes two national collegiate champions. They are Missouri's Bob Davis, who tied for last year's crown at 14-4, and Oklahoma State's Jim Graham, the 1956 winner. The hard-luck Graham sat out last year after breaking an arm. Graham has peaked at 14-9. Also on hand will be Aubrey Dooley, an Oklahoma State stablemate. He holds the conference record at 14-9.

They'll be gasping for breath in the half-mile run, too. Mike Peake, the Coloradoan who set a conference mark of 1:50, must stave off bids from Mullins, Fleming, Tague, Cushman and perhaps even Hodgson.

Houston took over rule of the far-flung Missouri Valley when Oklahoma State abdicated in favor of the Big Eight. The Cougars are expected to repeat this year with a couple of standout freshmen poised to step in. Best of the Houston newcomers are Norm Jehl, who has run a 47.5 quarter, and sprinter Stan Levenson. He shares with Williams the freshman 220 record of 20.5 and has clocked 9.6 in the 100.

No. 1 performer on Johnny Morriss' squad again will be Jerry Smartt. The smooth junior has run the two mile in 9:01.5, best ever by a Texan.

THE SOUTHWEST

By DICK MOORE

Sports Writer, The Fort Worth Star-Telegram

The popular stage play "Oklahoma" ruled Broadway for five years. The University of Texas track show in the Southwest Conference has enjoyed a similar run. And with such a star-studded veteran cast as Eddie Southern, Bruce Parker, Joe Villarreal, Hollis Gaaney and Wally Wilson returning for another season, the Longhorns' domination of the SWC should extend through a sixth year.

A Swedish import, distance runner Jan Ahlberg, along with two-time national collegiate high jump champion Don Stewart and two-time SWC 440 titlist John Emmett, cast Southern Methodist in the understudy role but with little chance to replace Texas as the No. 1 conference attraction.

An independent production at Abilene Christian, with brilliant Bobby Morrow in the starring part, has battled Texas for the state's spotlight in track. The Olympic sprint champion climaxed his collegiate career by winning the national AAU 100 and 220.

Despite Morrow's graduation, the Wildcats will remain strong with returning standouts as sprinter Bill Woodhouse (9.5 and 20.7) and half-miler Jarrell Edwards (1:51.2) plus sophomore hurdler Calvin Cooley (14.3 and 22.8). Woodhouse took fifth place in the national collegiate championship dashes and Cooley owned the top freshman hurdle clockings in the nation while losing only one race.

If sprinter Gaaney and quartermiler Wilson recover fully from injuries, which hampered them last year, coach Clyde Littlefield's senior-loaded Longhorn team will be stronger this season. Gaaney had sixth-place finishes in the 1957 national collegiate championship 100 and 220. Wilson clocked a 47.4 the same year.

Southern tasted defeat only once in this country last year in the quarter and was unbeaten in his 100 and 220 efforts. After being runner-up in the national collegiate championship 440, Southern came back to match the existing world record of 45.8 in winning the national AAU event. His best sprint clockings were 9.4 and 20.5.

Parker, mightiest javelin thrower to emerge from the SWC, had a top toss of 240 feet. He was fourth in the national collegiate championships. Villarreal finished in front in the SWC 880 (1:51.6) and mile (4:18.9). His fastest reading in the latter event was 4:06.2. Sophomore Ralph Alspaugh should give Texas additional depth in the sprints (9.6 and 20.8) and quartermile (46.9 relay). Alex Palmros returns in the discus (167-11½) and broad jumper Pat McGuire, who did 24-11½ in 1957, will be back after being ineligible last season.

Ahlberg authored a SWC freshman mile record of 4:11.8 and won the 880, too. But the tall Swede prefers longer races like the two-mile and should be a sub-9:05 runner.

Stewart upset Charles Dumas to win the national collegiate high jump championship and cleared 6-10½ for his season's best performance. Emmett never achieved his sophomore best of 47.4 but still retained his SWC 440 crown. SMU can also count on pole vaulter Garry Peters who cleared 13-8 to win in the conference meet.

Rice produced the only sophomore winner in broad jumper Dale Moseley. His top effort was 24-10¼ for the season. Moseley will be backed by sprinter Charles Rouse, third in the conference 100 and 220, Len Fawcett in the broad jump and 440, and a promising sophomore in Taylor Jones, who chased Alspaugh home in the 100 and 220.

Baylor's bright spots are few—Billy Hollis in the sprints (9.5 and 20.7) and freshmen field winners in discus thrower Buddy Tyner and pole vaulter Olen Davis.

Arkansas has talented Ray Dyck for the half-mile. The junior lost just one 880 race and clocked a 1:52.0. He'll be joined by SWC two-mile winner Tommy Oakley, sophomore miler Jack Nelson and junior pole vaulter Alan Sugg.

Two former Texas track stars have moved into head SWC coaching positions, Charles Thomas at Texas A&M and Don Sparks at Texas Tech. Both face rebuilding jobs. Thomas' top point-getters appear to be discus thrower Owen Hill (169-4) and John Long, freshman javelin winner. Hurdler Tommy Patterson and high jumper Dub Thornton (6-8 $\frac{3}{4}$) plus two gifted sophomore quartermilers, Donny Ray Foster and Curtis Hart, will keep Sparks from having a lean year.

Texas Christian, long a doormat of the conference, is chanting "wait until next year" with a freshman crop that includes three 9.7-and-under sprinters—Sidney Garton (9.5 and 20.8), Bert Coan (9.6 and 21.0) and Jim Bob Thomas (9.7 and 20.9). Its varsity hopes lie in half-miler James Livergood and pole vaulter Mike Howell.

In the Lone Star Conference, East Texas State, again under the guidance of Delmer Brown, has a fine trio of Buddy McKee, winner of the Kansas Relays high hurdles in 14.0, Jim Baird, 24-10 $\frac{3}{4}$ in the broad jump, and Clyde Harris in the sprints.

Howard Payne will feature discus thrower Alfred Holcomb, runner-up in the NAIA, Kansas and Texas Relays, with a best toss of 160. Also on hand is a quartet of half-milers—Bobby Pullig, Willie Myers, George Owens and Neely Wolffarth.

THE ROCKY MOUNTAINS

By WILES HALLOCK

Director of Athletic Information, University of Wyoming

There was no shift in the power alignments of the high mountains during the 1958 track and field season, but the calibre of competition continued to improve all the way through the Skyline and Rocky Mountain conferences.

Brigham Young exactly matched the next three finishers in the larger Skyline title meet while the RMC was again dominated by Idaho State which set a new point-total mark but with a stronger push from Greeley's Colorado State College.

What's more, the individual titlists in both leagues return almost en masse to assault regional records in 1959. Three conference marks were eclipsed in the Rocky Mountain meet and four in the Skyline championships.

The nation's rooftop also influenced the national collegiate championships as never before. Skyline representatives scored a total of 24 points with Utah State, thanks to fine weightman, Jay Sylvester, tying for eighth place with 14.

All told Skyline winners in 13 events should be around when they go to their marks in the spring of 1959 and at least eight events will be well guarded in the RMC championships.

Here's the outlook by schools in the Rockies:

First, the Skyline, and first Brigham Young, will undoubtedly roll along to a fifth straight title off the performances of sprinters Rusty Weeks and Dick Millett, hurdlers Millett and Dave Parker, middle distance ace Dean Lundell, mile-to-two mile star Griffith, weightman Curtis Brown, spear tosser Jim Thornton, and pole vaulters Marc Nielson and Dave Gordon. Broad jumpers Mel Wilkes and Ben Brooks, halfmiler Oscar Anderson and miler Al Ray are the chief losses.

Sylvester's name has been mentioned in connection with Utah State and the Aggies will also have ten of 13 other lettermen, a total of 20 of the 27½ points scored in this year's title meet—Jim Ward in the half, two milers Dick Rice and Chuck Hislop, and javelin thrower Roger Wood. Hurdler Lauren Pettis may also be a factor.

Colorado State University is beginning to flex its track muscles again and sprinter Fred McCoy, weightman George Dubois, and hurdler Larry Morgan are the key men. Quartermiler Jerome Page is virtually the only loss.

The field events are still New Mexico's strong suit with Quist, weightmen Stan Bazant and Orland Coupland, and pole vaulter Monte Doyle setting the pace. Always dangerous Montana's chief loss is discus star Russ Sheriff. To balance this the Grizzlies still have 440 standout Mike Granbois, hurdler Hank Mohland, halfmiler Bill Anderson, sprinter Ken Nelson, shot putter Ken Wersland, broad jumper Hal Utsond, and 440 man Craig DeSilva.

Utah's usually strong hopes center chiefly around half mile champion, Gary Eyre, while Denver and Wyoming which brought up the rear in 1958 should be some stronger. The Pioneers may miss the likes of Dayton Smith, Danny Fritsch, Jim DeField and Keith Pocock, but have real stars remaining in vaulter Harry Douglas and high jump co-champ Wilbur Dickson plus sprinter Paul Collins and eight other lettermen.

Wyoming's chief assets are two champions, high jumper Jerry Lane, a very promising sophomore and senior 220-440 man Harold (Jake) Farmer. Only loss was halfmiler Dave Vandenberg and a predominant frosh-sophomore crop is getting better.

Idaho State has a fine nucleus to continue its Rocky Mountain Conference dominance with sprinter Charlie Campbell, Irish distance star Tom O'Riordan and pole vaulter Dennis DeWitt set to go, while other individuals who will bear

watching elsewhere are Colorado State's Leo Shillinlaw in the broad jump, sprinter Jim Cox, and Bill Vorrieter in the high jump, and quartermiler Roger Osborne of Colorado Mines.

THE PACIFIC COAST

By BERT NELSON

Publisher, Track & Field News

Southern California (who else?) is expected to dominate the Pacific Coast track picture again in 1959 despite losses of such athletes as most schools never have the pleasure of seeing. Gone are all-time greats Rink Babka and Max Truex, along with a host of supporters. But the perennially powerful Trojans figure to handle both the dual meet and conference championships and are long range favorites to repeat their national collegiate championship victory.

UCLA and Occidental could push Southern Cal now and then, but hardly figure to upset the form chart. For the rest of the PCC, and others, it's the old story of a few good ones, but not enough depth. Topping the teams in the Northwest should be a strong Oregon squad, with Washington in close attendance.

Missing from the collegiate scene, in addition to Babka (5th best discus man of all time) and Truex (former national collegiate two-mile record holder) will be such greats as: Rafer Johnson, UCLA's world record holder in the decathlon; Ansel Robinson of Fresno, co-holder of the low hurdle record; John Fromm of Pacific Lutheran, collegiate javelin recordman; and Don Bowden of California, collegiate record holder in the 880 and national recordman in the mile.

Stars of such calibre don't come along every year, even in the star-studded Pacific Coast. But on hand will be such very fine athletes as Charlie Dumas, Dave Davis and Jim Brewer, record holders all, from Southern California; George Roubanis, the 15 footer from UCLA; Ray Norton, San Jose's 9.3 quickie; Terry Tobacco, 47.1 quarter-miler from Washington; Norm Lloyd (1:49.2, 4:05.3) of Stanford; Jim Grelle, Oregon's 4:01.7 miler; Oregon's Dave Erdstrom, sixth best decathlon man ever; and Cal's Willie White (9.4, 20.5) and Jack Yerman (46.6). Junior college transfers, with the usual outstanding crop of prospects, will swell the ranks.
