*A FISHEYE VIEW OF POLEVAULTING—When Harvard senior Steve Schoonover became the first New Englander ever to clear 16 feet in the pole vault, Boston photographer Dick Raphael recorded the event in a special way. He used a fisheye lens which gave the picture a spherical look. Schoonover soared to 16-4½, incidentally, to help the Crimson outscore Yale, 79-75.*

# Southern Cal Better Not Look Back, With Three Powerful Foes In Pursuit

By **ED CHAY**

*College Sports Writer, The Cleveland Plain Dealer*

The scramble for the 1969 National Collegiate outdoor track and field championship is expected to be even closer than last year's finish when Southern California's splendid Trojans made off with their second straight title and 25th in the school's history.

*Ed Chay*

USC is in the driver's seat again, but waiting to challenge the mighty Trojans will be Washington State, which finished one point back of SC at Berkeley; Villanova and Tennessee.

**TENNESSEE'S VOLS WILL BE** the host school for the '69 outdoor championship at Knoxville, June 12-14. The South hasn't had a national champion since 1933 when LSU was crowned, but the feeling is the Vols could do it because they return most of their fine team from last year. The list of headliners includes world-class hurdler Richmond Flowers, 440-man Hardee McAlhaney and half-miler Larry Kelly.

Coach Chuck Rohe says his Tennesseans have a good shot at the title. Why? Because of added experience and the advantage of performing on their new all-weather Tartan track. Besides Flowers and Kelly, two other All-Americans will lead the Vols—high jumper Karl Kremser and sprinter Gary Wagner. McAlhaney (46.0) and javelin thrower Bill Skinner (252-0) should be better.

Tennessee's other leading prospects are pole vaulter Steve Owens (16-5); discusman Les Rager (175-6); shot putter Chip Kell (58-7); triple jumper Jeff Gabel (50-1¾); broad jumper Tom Fisher (24-9½); high jumper Lonnie Hance (6-10); milers Dave Calvert and Tony Masi; half-miler Jim Craig (1:50.0) and quarter-miler Audry Hardy (47.8).

**KENTUCKY EXPECTS TO CUT** a fancy figure with sprinter Jim Green and distance man Vic Nelson. Green was one of the South's top dashmen and Nelson improved rapidly in the longer distances. Freshman John Stuart has put the shot 58-1 and Mark Norsworthy, another frosh, has pole vaulted 15 feet.

Villanova rates a good chance to break the West Coast monopoly of national titles. The Wildcats, the last school from the East to win the outdoor title in 1957, lost a number of top guns, including the great Dave Patrick, who led the team to NCAA cross country and indoor titles. But weep not for coach Jim Elliott. Jumbo Jim has enough holdovers and quality sophomores to make another strong run for national honors.

Leading returnees are senior hurdler Erv Hall, quarter-miler Larry James and miler Martin Liquori, all members of the U.S. Olympic team at Mexico City. Hall also will be counted for contributions in the dashes. James, nicknamed "The Mighty Burner" after his scorching 43.9 anchor 440 on the winning mile relay at the Penn Relays, will see heavy duty. Many experts believe Liquori will be as good or better than Patrick. Hall and James won second-place silver medals at the Olympics.

Two-miler Dick Buerkle, 440-man Hardge Davis and miler-steeplechaser Tom Donnelly are other outstanding prospects.

On the West Coast, Southern California and UCLA should dominate the Pacific-8. USC lost stars Earl McCullouch, Geoff Vanderstock and Jim Barrett,

who decided to return to his native Nassau to enter medical school. However, the Trojans have a number of standouts which keep them in contention. Back is Olympic pole vault champ Bob Seagren, who soared 17-9 to set a world record at the final U.S. trials at Lake Tahoe. His pole vault buddy, Paul Wilson, and sprinters Lennox Miller, Fred Kuller and O. J. Simpson also return.

Simpson will be of great help in the dashes and 440 relay again if he doesn't sign a pro football contract. Miller won the NCAA 100 meters and placed second in the 200 and Kuller ran 9.3 and 21.1. Neill Duggan had season bests of 4:05.1 and 8:47.6, and then there are discusman Steve Lehmer (171-0), shot putter Tom Colich (58-6), high jumper Max Lowe (6-11), distanceman Ole Oleson and halfmiler Carl Trentadue.

Coach Jim Bush of UCLA expects to have another powerful team in a year when the Bruins will be competing on a new on-campus track featuring an all-weather track. Bush has several world-class stars, headed by pole vaulters Jon Vaughn (17-5) and Dick Railsback (17-1½), shot putter Steve Marcus (63-3½), long jumper Johnny Johnson (26-¾), quartermiler Wayne Collett (45.7) and sprinter Harold Busby (9.4, 20.6).

**ANOTHER RETURNING VETERAN** is decathlon star Russ Hodge. If he can stay healthy he should help in the shot, discus and javelin. Len VanHofwegen (47.0) also is back. Two California JC two-milers, Randy Hartman (8:58.8) and Ron Fisher (8:58.6), have impressive credentials. Another top prospect in the 880 and mile is sophomore Dave Bogard (1:52.2, 4:07.0). Reggie Robinson (9.5, 21.0) up from the freshman team, will support Busby in the dashes.

California will be stronger and would be a power in any conference but the Pacific-8. Sam Bell's young team will rely on incoming frosh, transfers and juniors. Prime returnees are All-American long jumper and team captain Stan Royster (25-3), high jumper Clarence Johnson (7-3¼), shot putter Bob Hargreaves (58-8½), pole vaulter Greg Miguel (16-6½), javelin thrower Gary Pennington (241-3) and PAC-8 two-mile champ Bob Waldon (8:51.6).

**CAL'S TOP NEWCOMERS** are sophomore sprinter Don Couser (9.7, 21.3), transfers Reggie Pruitt (9.6, 21.2, 47.8), discusmen Steve Wilson (179-11), sophomore Tom Lester (175-9) and jumpers Steve Rogaway (24-7) and Allen Meredith (48-11). A key Bear is junior Jim Smith (9.6, 21.6, 47.4), who is regarded the Bears' top relay runner on teams that ran 40.3 and 3:07.5.

Washington State, second to USC in the NCAA, will be formidable again despite graduation losses of distance star Gerry Lindgren and javelin winner Carl O'Donnell. Heading the Cougar list is South African weight ace John VanReenen, who as a sophomore last year had the nation's best collegiate discus-shot double with 198-5 and 61-10½. Intermediate hurdler Boyd Gittins (50.5) and javelin thrower Foss Miller (258-2) also return.

The Cougars also offer solid performers in Art Sandison (1:47.1); Jim Precht, who had a best indoor pole vault of 16-5½ but missed the outdoor season with a shoulder injury; Rick Riley (9:00.4) and six-miler Larry Alburt. Most promising sophs are hurdler Dick Olsen (13.9) and sprinter Forey Walter (9.6). Transfers include Peter Wright, Australian high jumper who has cleared 6-10½; 880-man Bob Martin and high jumper Jim Voss (6-11).

**OREGON, WHICH FINISHED OUT OF THE NCAA TOP 10** for the first time since 1959, expects a better showing. The Ducks will have a flock of outstanding distance runners, headed by sub four-minute miler Roscoe Divine, who missed last spring with a fatigue illness. His best are 1:49.2 and 3:57.2.

Other milers returning include Norm Terrise (3:39.6 in the 1500), Arne Kvalheim (3:58.5 in mile), Tom Morrow (4:03.0), Terry Dooley (4:02.2) and Jim Gorman (4:11.8). Kvalheim was a member of the Norway Olympic team and Terrise was a member of the Canadian Olympic squad. Kvalheim has the school record in the two miles, 8:33.2. The Ducks are counting on Australian Olympian Gary Knoke in the 440 and intermediate hurdles; Tom Smith (24-11) in the long jump; Warren Chen Shui (47-8½) in the triple jump; Jim O'Donnell (228-1), Jim Sagle (223-10) and Gordon Clay (220-1) in the javelin.

Oregon State returns virtually everyone from last year's team and figures

to challenge for the PAC-8 title. Olympic champ Dick Fosbury, who won both the NCAA indoor and outdoor high jump titles with his backward flip-flop style, leads the returnees. Fosbury cleared 7-4½. He has two teammates backing him, John Radetich and Steve Kelly. Discus thrower Tim Vollmer and 880 runner Terry Thompson also are back. Classy sprinter Willie Turner (9.3, 20.7) hopes to avoid injury this season.

University of Washington will build around Eric Klein, a triple jumper who will captain the Huskies; javelin thrower Don Fate (232-1) and shot putter John Hubbel (61-4¼). Stanford expects improvement as Payton Jordan, head coach of the U.S. Olympic team, returns several top runners.

Kansas, which swept to the Big Eight indoor and outdoor titles the past two years, should be even better fortified this season and the Jayhawks could make a solid bid for the national title. Heading the cast will be Olympian Jim Ryun (1:44.9, 3:51.1); high hurdler George Byers (13.6); long jumper Stan Whitley (25-8½); triple jumper Ken Gains (52-2½); and Karl Salb in the shot put (62-7¼) and discus (182-5). Ryun was second in the Olympic 1500.

**INCOMING FRESHMEN, WHO WILL BE ELIGIBLE** for varsity competition under new NCAA and Big Eight rules changes, include Bob Bornkessel, the fantastic hurdler from Kansas City who set a national record in the 330 intermediate (36.7) and was voted the outstanding performer at the Golden West meet after a 13.7 high hurdles flight. Other newcomers include pole vaulter Bill Harcher (15-4); Rich Elliott, national prep leader in the two-mile (8:56.8); miler Doug Smith; and California junior college dashman Mickey Mathews (9.3).

Nebraska coach Frank Sevigne looks for sophomore distance runners Tom Housel and Gregg Carlberg to be two of the best in the Big Eight. Returning are Olympic hopefuls Clifton Forbes and Lennox Burgher, who set an NCAA record in the triple jump (53-1¾).

Missouri hopes to improve on its third-place league finish, counting on distance runner Glenn Ogden, halfmiler Craig Endicott, hurdler Paul Sims and sophomore Dave Zimmerman. Best of the newcomers should be the Hogan twins, Kerry and Kir, outstanding distance runners, plus sprinter-long jumper Mel Gray, a transfer who has run the 100 in 9.3.

**THE BIG 10 HASN'T HAD A NATIONAL CHAMPION** in 22 years, when Illinois last won the NCAA crown in 1947, but it's showing improvement and one of these years it will regain the top spot. But not in '69, although the caliber is better. Minnesota will be hard-pressed to repeat as league champion because Michigan, Wisconsin and Ohio State figure to challenge strongly.

Michigan returns 20 lettermen, headed by Olympian Ron Kutschinski, the reigning Big 10 and USTFF champion in the half-mile (1:47.1). The Wolverines have two other Big 10 winners in high jumper Gary Knickerbocker (6-10) and long jumper Ira Russell (24-6). Further strength will come from Larry Midlan, who owns or shares six school records at various distances in the hurdles; sprinters Sol Espie and George Hoey; middle distance runner Paul Armstrong (1:50.0); and miler Tom Kearney (4:06.0).

**SOPHOMORES OF NOTE INCLUDE WEIGHTMEN** Dan Dierdorf and Giulio Catallo, both 250-pounders who heaved the 12-pound shot over 62 feet in high school. Half-miler Rick Storrey, miler Phil Pyatt and 440-man Lorenzo Montgomery will help.

Hurdler Mike Butler and middle-distance ace Ray Arrington return for Wisconsin's two-time indoor league champions. Butler is loop champ in the 120 highs (13.8) and 100-yard dash (9.8). He also has a share of the world record for the 50-yard HH with 5.9. Arrington also has impressive credentials. He won the NCAA indoor 1000-yard title two years ago in a record 2:07.8.

Another Badger who just missed making the U.S. Olympic team and returns is half-mile sophomore whiz Mark Winzenried, who as a frosh ran the fastest indoor 880 (1:50.1) in the world last year and then set two school records, clocking 1:46.5 in the national AAU meet.

Ohio State should improve with 21 lettermen headed by Big 10 champions Dave Burggeman (intermediate hurdles), Mike Fischer (steeplechase) and miler

Dave Prysieski. Shot putter Dave Foley, high jumper Glenn Pettway and pole vaulter Jerry Green are other returning standouts. Top newcomers are sprinter Jerry Hill, distanceman Doug Scorrar and discusman Mark Debevc.

Illinois returns virtually its entire squad, including three conference champions, shot putter Jeff McLellan (58-10½), pole vaulter Ed Halik (15-6) and discusman Jim Brubaker (171-7). Sophs Bard Richardson, a 6-9 high jumper, distancemen Tony Cherot and Ken Howse brighten the Illini picture.

Iowa lost two of its bulwarks, distance runner Larry Wiecezorek and 440 ace Mike Mondane, but two members of the Big 10 champion mile relay team are back, Carl Frazier and Jerry Stevens. Pole vaulters Don Utisinger and Rich Garshenzon, high jumper Larry Wilson and steeplechaser Rollie Kitt will help.

Michigan State looks to four top returnees among 14 lettermen—hurdler Charlie Pollard (13.7), quartermiler Bill Wehrwein (47.3), halfmiler Roger Merchant (1:51.9) and halfmiler Pat Wilson. Best sophomores are hurdler Howard Doughty, miler Kim Hartman and middle distanceman John Mock.

**MOST OF INDIANA'S KEY PERFORMERS ARE BACK** following an injury-plagued season in 1968, including shot putter Jim Arbuckle (58-0), long jumper Kevin Grimsley (24-3¼), discusman Rich Fuhs (175-3), steeplechaser Mark Gibbens (8:57.2) and intermediate hurdler Wes Brooker (52.5). Newcomers include two 9.5 sprinters, Larry Highbaugh and Mike Goodrich, 6-10 high jumper Gary Hauptert, distance runner Bob Legge, weightmen Bob Winchell and Bob Jones.

Purdue hopes to climb out of the league cellar with sprinters Don Price and Stan Gay, middle distanceman Jim Jackson, three-milers Dick Roski and Paul Erler, hurdlers Mike Wismer and Fred Bown, plus high jumpers Dan Thomas, Frank Kaufman and Donnie Green.

Western Michigan had one of the best teams in its history last year, regaining the Mid-American Conference and Central Collegiate titles. The Broncos probably have the best team depth-wise in the Midwest and they expect to stay on top with 26 lettermen. But Ohio University is loaded and could give Western a run for the championship.

**LEADING WESTERN WILL BE JUNIOR SPRINTER** Tom Randolph (9.5, 20.6, 46.9), distanceman Mike Hazilla (8:49.4, 13:49.5, 28:12), javelin thrower John Pitatek (228-0), steeplechaser John Schrader (9:02) and pole vaulter Wayne Lambert (16-0). As a junior last season, Jack Magelseen won the MAC half mile in 1:51.0. Miler Ken Coates returns. Leading newcomer is hammer thrower Tom Wing (177-0), a transfer from Army. Top sophs include triple jumper Rod Mack, high jumper Vern Davis and pole vaulter Larry Grimm.

Ohio U. finished behind Western in the conference and the Bobcats return virtually everyone. Dashman Emmett Taylor, who won the NCAA 440 (45.9) as a sophomore and the 200 meters (20.8) as a junior last year, heads OU's impressive cast. Taylor will anchor Ohio's 880 and mile relay teams which posted nationally ranked 1:23.7 and 3:08.7 performances in 1968.

Also returning are MAC champions Ron Huntgarter (hammer, 171-1), Don Leedy (steeplechase, 9:06.2), sprinter Ben Smith (21.0), three-miler Bob Bertlesen, and an outstanding frosh group that includes prep champions from four different states. The most outstanding newcomer is hammer thrower Dave Leitch, who represented Canada in the Olympic Games.

**TOLEDO IS REBUILDING** around Dean Langenderfer (shot put), Mel Miller (pole vault), Frank Liller (440) and Barney Leslie and Jim Kincaid in the 880. Roger Gill, who set Toledo records in the mile and two-mile, is the top soph.

Kent State has two solid distance runners to replace graduated Sam Bair. They are Art Coolidge, who won the national 30-kilo race and took second in the U.S. 25-kilo run, and junior Ed Norris. Three of their teammates include weightman Al Schoterman, miler Ken Dawson and sprinter Orin Richburg.

Miami looks for steeplechaser Bob McElroy, distanceman Dave Reid, quartermilers Tom Halbedel and Tony Rossi and sophomore 440-man Steve Gallichio to carry most of the load. Paul Talkington and Sidney Sink are expected to be the leading performers for Bowling Green.

Notre Dame coach Alex Wilson reports he has two strong sprinters in Bill Hurd and Ole Skarstein, and 6-10 high jumper Ed Broderick. Wilson expects Paul Gough to be his best quartermiler and he has three solid 880 runners—Joe Quigley, Rick Wohlhuter and John Brady. Dave Stickler and Joe Utz should score points in the hurdles.

Idaho State won the Big Sky crown five years in a row and has a good shot to make it six straight because the Bengals lost only three seniors. Sprinters John Turner (9.6, 20.9) and John Figueroa (9.7, 21.1) return. Quartermiler Ike Gayfield (48.1) may move down from the 440 to the sprints to add depth. Two Big Sky champs are back in the 440—Larry Lewis and Tim Dunne.

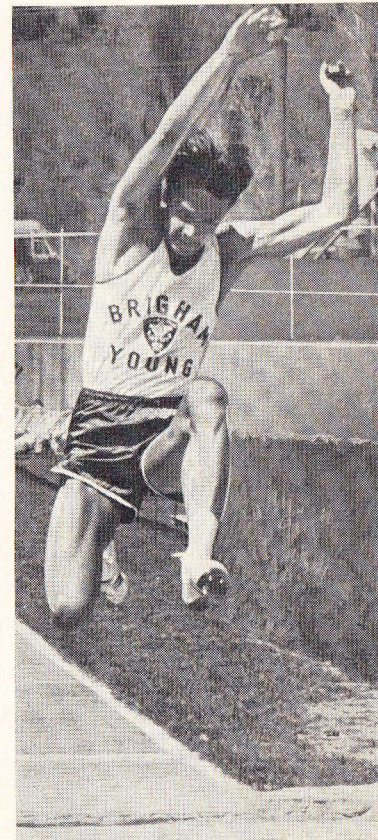

**DRAKE, WHICH ROMPED OFF** with the Missouri Valley Conference crown, has enough strength to defend its title. Runnerup North Texas State, Wichita State and Cincinnati should show improvement. Jim Calloway and Chuck Roberts are Cincy's best 880 men after finishing 1-2 in the MVC meet.

Texas bids for its third Southwest Conference title in the last four years. Among the chief returnees are Dave Morton, whose 45.5 was the fastest 440 ever run by a Texas collegian. Morton also anchors the Longhorn mile relay which clocked the nation's fastest time of 3:05.5 in the Drake Relays. Eddie Canada, Stan McDaniel, 880 aces David Matina (1:49.3) and Mike Mosley (1:50.3), miler Fred Cooper, 24-foot plus long jumpers Chuck Clifton and Bill Elliot, and 6-6 high jumper Barry Noble are among others in the fold.

**THERE DOESN'T APPEAR** to be any upcoming freshmen in the SWC of the caliber of Morton, who was one of three outstanding freshmen in the league with Baylor sprinter Ronnie Allen and Texas A&M quartermiler Curtis Mills.

Abilene Christian hopes 17 returning lettermen will carry it to a sixth straight Southland Conference title. Discusman Dave Parson, three-miler Ken Link, hurdler-quartermiler John McGuire, vaulter Gene Riley, sprinter Bob Medlock and quartermiler Ron Crawford will be the leading performers.

World record-holder Kerry Pearce, durable distance ace from Australia, is expected to keep University of Texas El Paso in the limelight. Pearce was All-American in three events as a sophomore and last Sept. 22 won his second straight national 25-kilo title.

**HAIR-RAISER**—Perti Pousi of Brigham Young University, the National Collegiate University Division's long jump champion (26-3½), sails through air for one of his numerous 1968 victories. Pousi, a Finn, also excelled in the triple jump.

Brigham Young hopes to make a solid bid for the Western Athletic Conference title with star pole vaulter Altti Alarotu; Pertii Pousi, who finished first in the NCAA long jump and second in the triple jump; 440 standout Jaakko Tuominen; and the Bergeson twins, Standard and Steve. Discus throwers Mike Hoffman and Mike Louisiana, and hurdlers Ralph Mann, Tom Bonin and Don French expect to contribute to the Cougars' title drive.

Colorado State has one of the nation's leading distance runners—All-American Terry Harrison, who finished second in the NCAA 10,000 meters and won the USTFF six-mile race. Wes Crist will help in the distance events, and Skip Wintler will be a threat in the middle distances. Dennis Meese and Dave King are two talented quartermilers.

**UTAH STATE HAS TWO VETERANS**—javelin thrower Mike McBride and triple jumper Jessie Jefferson (48-11½). Coach Ralph Maughan is counting on newcomers Tom Wunschel in the vault, Sam Gipson in the sprints and jumping events, and John Bruns in the 880. Best looking frosh prospects are weightman Brian Caulfield, high jumper Gary Hickman, and miler John Stephens.

The Citadel and Furman expect to make a run for the Southern Conference crown. Furman coach John West says his team should be his best. He's counting on Kim Peirso, a sprinter-jumper; discusman Dick Mohn, distance runners Lee Fidelity, Bill Bragg, Doug Nelson; and sprinters Mike Todd, Max Marrow.

The Citadel returns junior sprinter Dick Murry, hurdler Gordon Barber and distancemen Paul O'Reilly and Charlie Davis. Sophomore Jan Behney, second in the league in the javelin, is back.

Richmond's leading candidates are hurdler Carl Wood, jumper Jim Livesay and distanceman Fred Guest. VMI suffered through its first losing season in 19 years last season and the outlook won't be much brighter in '69.

All-Americans Jeff Howser and Ed Stenberg will be the key figures in Duke's bid to stay on top in the Atlantic Coast Conference. Howser is an outstanding hurdler and Stenberg excels in the long distance races.

**YALE, ARMY AND HARVARD SHOULD AGAIN RULE** in the East. Harvard looks for big things from Doug Hardin, a top distanceman; shot putter Dick Benka, javelin thrower Henry Bernson; miler Roy Shaw; and hammer thrower Charles Ajoatian. Benka put the shot 59-4 last year; Bernson threw the javelin 231-2; and Shaw had top times of 1:48.5 and 4:02.8.

Columbia expects sophs Bill Reed (high jump), Tom Taft (triple jump), Ron Furcht (weights) to provide a lift, with Bruce Nagle (discus), Phil Hesslin (pole vault) and mile relay men Mike Mezzatesta, John White, Scott Nordlicht and Bob Douglas assisting.

Byron Dyce, NYU's Olympian who competed with Jamaica at Mexico City, will be the Violets' headliner. He won the national collegiate 800-meter run and broke 20 school records at various distances. George Wisniewski and Bruce Selman are other distance threats, along with Larry Connolly. Fordham is building around intermediate hurdler Bill McGuire, middle-distanceman John Breshahn and sprinter-hurdler Bob Bennett. Versatile Ken Crusius, a threat in six events, and sensational pole vaulter Terry Kraemer have looked good.

**ST. JOHN'S EXPECTS MILER DON ROWE**, shot putter George Allen, sprinter Phil Maresca, and John Wolyniec, the first New York collegian to break 15 feet in the pole vault, to be its top performers. Manhattan's success will depend on how Brian Kivlan, a 3:57.3 miler, continues to run.

Rhode Island expects to make a strong bid for the Yankee Conference and New England titles. Dick Narcessian will succeed his brother, Bob, as hammer throw specialist. Shot putter Horace Jennings and hurdlers Pete Whitefield and Leon Spinney show promise.

Pittsburgh shoots for national prominence with standout miler Jerry Richey; and Navy hopes to attract attention with weightman Steve Potts (58-2, 192-9), Monty Felix (880), pole vaulters Bob Tolhurst and Lonnie Hunt, sprinter Jim Paddock and jumper Tom Fahy. Boston College boasts sprinter Mike Johnson, Mark Murray and Bob Bastile (440), and Dan Ricciato, Frank Walsh (880).

## NATIONAL COLLEGIATE CHAMPIONSHIPS

# Washington State Falls One Point Shy Of Crown Despite Lindgren's Heroics

By **BOB STEINER**

*Sports Information Director, University of California*

Gerry Lindgren ripped and then roared to still another long distance double victory and his Washington State Cougars came within one point of unseating Southern Cal as 1968 national collegiate champion at Berkeley, Calif.

Held in California's historic and modern Edwards Stadium, the 47th annual NCAA track and field championships stunned a three-day crowd of 31,500 with its quality of performances and stirring team battles.

Lindgren won his fifth and sixth NCAA titles, tying Ralph Metcalfe (Marquette, 100 and 220, 1932-35) for the second most individual championships, behind the immortal Jesse Owens' eight (in 1935-36).

**LINDGREN TOOK THE LEAD** after the first mile in the 10,000-meter run, ripping off 4:35 and 4:37 miles to shake his competition. He breezed the rest of the way, just missing the NCAA record with a 29:41.0.

He had to fight from behind in the 5,000 meters, after he had lost contact in a tight four-man race with two laps to go . . . but a roaring kick, 58.6 for the last 440, brought him victory going away.

*Bob Steiner*

Only four Cougars scored, garnering four wins and two seconds, and they almost got the team title away from the heavily favored Trojans.

Carl O'Donnell's 258-11 winning javelin throw came on his fifth trial and boosted him from third into the lead for one upset, while Boyd Gittins ran a stirring 50.6 in the intermediate hurdles to shuttle Trojan Geoff Vanderstock to an unexpected third place and tighten the point margin.

**THE OTHER MAN TO SCORE FOR WSU** was South African John Van Reenan who put the shot 60-5/8 for second and hurled the discus 194-10 for the win.

SC's points came from its blue chippers as expected, but not in quite so much quantity as foreseen.

Earl "The Pearl" McCullouch sizzled to a 13.4 high hurdle victory, shaking Villanova's flying junior Irv Hall only in the final yards, and then sent the magnificent Trojan 440-relay team off to a big lead which it extended through the rest of the race to finish first.

Jamaican junior Lennox Miller clearly beat a fast 100-meter field in 10.1, with Trinity's Clyde Glosson and San Jose State's Sam Davis getting 10.1 also but finishing second and third, respectively.

**MILLER, AFTER ANCHORING THE SPRINT** relay team, could only get second place in a photo-needed 200-meter final. Emmett Taylor, Ohio University's speedster—the surprise of both the 1967 and 1968 NCAA Championships—got the victory as he, Miller and Notre Dame's Billy Hurd lunged across the finish line virtually simultaneously. Taylor's time was 20.8.

Had Miller finished third, the Cougars would have won. Taylor, the defending NCAA 440 champion, passed the 400 (a surprise) and then won the furlong (a big surprise).

Lee Evans, the San Jose State junior, twice the National AAU champion but competing in his first NCAA meet, powered down the final straightaway in the 400 to handily defeat a very strong field with a 45.0 clocking good enough

to rewrite meet and stadium records.

In the 800 meters, it was anyone's race with 100 meters to go, but NYU's smooth Byron Dyce was all alone when he arrived first in 1:47.3.

Villanova's Dave Patrick busted the 1,500 field on the final lap to run a 3:39.9 meet record. Patrick's finish was reminiscent of former Wildcat Ron Delany, who won in similar fashion at Edwards Stadium 10 years ago.

Boston University's British citizen, Dave Hemery, ran 50.9 and 50.2 to highlight the preliminary rounds of the 400-meter intermediate hurdles. He then zipped to a 49.8 in the final for a stadium record.

**VILLANOVA WON THE MILE RELAY** with anchorman James clicking off a 45.6 leg as Taylor brought Ohio U. into second with a 45.7.

It was an all-PAC-8 shot put medal-winning affair with UCLA's Steve Marcus winning in 61-7¼ from Van Reenan and Washington's John Hubbell.

SC suffered a disappointment in the pole vault when favored Bob Seagren, 16-8, lost to UCLA sophomore Jon Vaughn, 17-¼. Vaughn passed until 16-0, and then made this height only on his final trial.

The high jump promised to be a tremendous event after a dozen men cleared 6-10 in the preliminary round. Only Elijah Miller, Rutgers' IC4A champ, failed to clear that height. BYU's Ed Hanks and Baylor's Staun Curry were eliminated at 6-11 with four men passing.

These four then cleared 7-0, with Idaho's defending champion, Steve Brown, the only one needing more than one try. Brown and Stanford's Steve Boyce failed to clear that height. BYU's Ed Hanks and Baylor's Stan Curry were Tennessee's Karl Kremser progressed after his second attempt.

The bar went to 7-2¼ and Fosbury, with his amazing "flop" technique, set stadium and meet records with still another first round success.

**THE LONG JUMP AND TRIPLE JUMP** were sensationally contested and the quality of competition was tremendous. It took 24-2 to qualify in the long jump and 24-10¼ to score. Last year, 24-1 scored. In the triple jump it took 49-3½ to qualify and 50-5 to score (compared to 49-4¼ in 1967).

Brigham Young's Pertti Pousi leaped 26-3¾ to win the long jump but an aiding wind nullified what would have been a stadium record.

Pousi, the great Finn, was expected to win the triple jump, and though ailing slightly, did lead until the final round when Nebraska's Jamaican jumper, Lennox Burgher, unleashed a best-of-life 53-1¼ meet record. Third went to SC's Tim Barrett, and they were big points for the Trojans.

Washington's Eric Klein had opened with a 51-0 jump but lost the third place and a chance to give arch rival Washington State the team victory when he couldn't do better than 48-11¼ on his next best effort.

In all, five meet records were broken and two others were tied.
