ATHLETE OF THE YEAR YEAR LISTS ALL-TIME LISTS RECORDS REVIEWS PREVIEWS PHOTOS FEATURES

Edited by Track & Field News

DAVE TUCKER High School Athlete of 1970

# Statistical Explanation

This publication devotes considerable space to statistical listings, and a number of rules and policies are established to protect accuracy and assure consistency in compilations. A summary follows:

Eligibility: All US high school athletes (not those from possessions such as Puerto Rico) from freshmen through seniors who competed in recognized competitions may qualify so long as they haven't received a diploma from previous attendance in high school and haven't exceeded four years or reached their 20th birthday. Team affiliation is not a prerequisite for the inclusion of an athlete's marks. He need only be a legitimate high school student. Athletes considered ineligible by local rules will be carried if they conform to T&FN policies. The indoor and outdoor lists both contain marks from Sept. 1, 1969, to Aug. 31, 1970. Spring graduates remain eligible for the lists until Aug. 31 of their graduating year.

Records: T&FN's national high school records do not necessarily concur with those of the National Federation of State High School Athletic Associations. The inconsistencies are based on five points: 1. While the federation only accepts marks from meets involving at least five teams, T&FN will consider those from dual meets; 2. While the federation takes only winning marks, T&FN lists some non-winning ones; 3. While the federation only lists marks by athletes from its member schools, T&FN does not discriminate against non-member parochial, private, prep, public or minority race schools; 4. While the federation limits the season to the actual semester of track, T&FN will consider marks from the entire year; 5. While the federation only reviews marks registered in interscholastic competition, T&FN will take them from any authorized meet. Indoors, no times made on oversized tracks (over 220 yards) are accepted. For class records, the frosh limit is 16-years, soph 17, junior 18, and senior 19.

Lists: A number of points should be considered individually.

1. Performers/Performances: For regularly contested events, both the 1970 and the all-time outdoor lists include the top 10 performances—indicated by an underscore of the final mark—and continue through 30 performers. Smaller lists are carried for less contested events. For athletes appearing more than once in the performance section, only the indented last name and year of achievement appear. In relays, teams are considered as separate performers each year, regardless of composition. If a school changes personnel during a year, it remains the same performer, but if the same personnel run in different years they are different performers. The 1970 indoor list carries performers only, while the all-time indoor list carries performances also.

2. Categories: The legal lists include only marks fully verified as to accuracy and wind conditions. Incomplete Wind Information marks are those for which no wind report was received, or reports conflicted. Wind-aided marks include those known to have been aided by a wind above 4.473 mph. Questionable performances lack documentation but there is still reason to believe they could be legitimate; obvious phonies are

thrown out.

3. Timing: Distances over a mile are listed in fifths of a second (.02, .04, etc), in keeping with international rules. All times submitted in odd tenths are rounded upward to the nearest fifth (8:59.9 becomes 9:00.0).

4. Measurements: High jump, pole vault, long and triple jump, and shot marks are listed only in quarter-inches (exception: where high jump marks are measured in meters, they may be converted to eighths of an inch). Discus, hammer and javelin performances are carried only to the full inch, not to fractions of inches unless converted from meters, in which case half-inches are acceptable.

5. Abbreviations: n=non-winning mark; o=mark made enroute to longer distance; m=metric mark; h=heat; s=semi-final; 'after state indicates athlete ineligible for team; \*=junior; \*\*=sophomore; \*\*\*=freshman.

#### ON THE COVER:

1970's Prep Athlete Dave Tucker twice triple-jumped to glory on this runway in Bakersfield, Calif: a prep record 52'6%" and a fourth-place 51'1" here at the AAU. /Chadez/

# Foreword

This is the 13th edition of High School Track, formerly titled High School Annual, prepared by Track & Field News. Basically a review of the 1970 season including indoor and outdoor yearly performance lists and a preview of the 1971 campaign, it also includes all-time lists, special feature material and the announcement of triple jumper Dave Tucker as T&FN's High School Athlete of 1970, senior quarter-miler Rick Brown Runner of 1970 and sophomore Alvin Jackson's 180'0" hammer toss with the 16-lb. implement as the Outstanding Performance of the 1970 campaign.

# High School Track Staff

This Tafnews Press book is the result of the work of Track & Field News' High School Editors: Jack Shepard, current statistics; Fran Errota, feature material; Hugh Gardner, all-time statistics and records, and was produced by T&FN's editorial staff including managing editor Dick Drake, Garry Hill and Jon Hendershott. Amendments, future contributions and business matters should be addressed to appropriate editor or T&FN: Jack Shepard, 6306 Zelzah Ave., Reseda, Calif. 91335/ AC 213 342-0887 (evenings, weekends only); Fran Errota, P.O. Box 781, San Jose, Calif. 95106/ AC 408 734-4349 (weekdays only); Hugh Gardner, P.O. Box 1271, Redwood City, Calif. 94064. All business matters and editorial matters on a non-high school level should be directed to Track & Field News, P.O. Box 296, Los Altos, Calif. 94022 U.S.A. The staff and high school editors of this book wish to acknowledge the assistance provided in the statistical compilations by Marc Bloom, Ed Grant, Merl Hamak and Vern Sheuring as well as countless other contributors.

The five major prep record breakers of 1970 are pictured as asterisked.

# **Tucker Top 1970 Prep**

Dave Tucker admittedly thrives on competition -- and goodness

knows he gets enough of it.

Residing as he does in Fresno, Calif., he is lucky to be a triple jumper. First, because this city (and his San Joaquin Memorial High School as a result) in the state's Central Valley is one of the few to contest the event on a regular basis. Second, the coaches of the area are knowledgeable in the triple jump--something few other areas of the state or country can say. But, most important, Tucker faces national-class competition every week--like Randy Williams of Edison High and Ernie Lopez of Central.

All these happenstances--plus some very special personal attributes of David Lee Tucker himself--culminated in the triple jump landing pit of Bakersfield Junior College stadium May 2. There, in the Kern Relays, Dave Tucker became the longest triple jumper in high school his-

tory--landing a staggering 52'64" away from the take-off board.

Tucker thus bettered the previous prep record of 51'8" set in 1963 by Mike Woods (Manual Arts, Los Angeles, Calif) to become the second prep over 51-feet and the only high schooler ever to triple hop beyond 52-feet.

This effort alone almost would have sufficed to secure Track & Field News' 1970 High School Athlete of the Year honors for the 6'1", 182-lb. junior jumping-jack--who becomes just the third prep to win the honor as a junior in 24 years of selection. But Tucker saw fit to nail down

the title with more sensational leaping.

At the same Bakersfield stadium in the national AAU champion-ships, Tucker again unwound his powerful frame and the measurement read 51'1", good enough for fourth place against the nation's top jumpers. Among his victims, Tucker could count jumpers the stature of 69 AAU winner John Craft, 70 NCAA champ Mohinder Gill and Olympian Norm Tate.

But even if Tucker hadn't bounded to more national prominence in the AAU, his selection as prep Athlete of the Year still is well-founded. Undefeated in three years of prep competition, Tucker occupies first, third and fourth on the prep all-time performances list, 51'3" and 51'1" being the latter two efforts--and all three marks came during 1970.

Probably Tucker's biggest selling point, however, is his consistency against top-flight competition. He put together his record-wrecking leap just a day after Williams, his principal nemesis all year, had sailed  $50'11\frac{3}{4}$ ". Tucker's next competition after his record jump was against Williams and Lopez in the section preliminaries--and Dave responded with 51'3" to crush Williams ( $50'\frac{1}{2}$ ") and Lopez ( $49'6\frac{1}{2}$ "). In the section finals five days later, Tucker again prevailed with  $49'11\frac{3}{4}$ " to Lopez's  $49'4\frac{1}{2}$ " and Williams' 48'11".

But Tucker himself admits, "I like competition," and the man who has helped Dave most with his technique agrees. "Dave feels he is the best," says Charlie Craig, assistant coach at California and a Fresnobred tripler himself. "His competitive attitude is terrific."

Craig points out another Tucker strong point. "He has good basic speed which he utilizes very well," says Craig, a 54-footer himself in his competitive days. "He says he is only around 10-flat in the 100 but he's faster than that. Plus he films his jumps and those of other jumpers and analyzes the films to see where he can improve."

By such a study of his event, Tucker hopes "just to keep improv-

ing"--which sounds like a sly way of warning the track world of things to come. Craig feels Tucker must learn to take full advantage of his innate

strength.

"He also should get a little more lift into his step so he can lengthen his overall step phase," Craig points out. "He has never lifted weights before and a concentrated weight program will help him develop this longer step."

Such a concentrated weight program and work on technique may

reap another benefit, Craig feels.

"If Dave started working now on developing his technique and strength, he could make the 1972 Olympic team," in Craig's opinion. Tucker is also an honor-winning football and basketball player--and his triple jumping is an obvious asset to the latter. The lure of the Olympics may prove to be the necessary impetus for Tucker to begin such a hard, concentrated training program.

But, hold on a minute. There is still Dave Tucker's senior year of high school remaining. That seems ample advanced warning--especially after his  $2'5\frac{3}{4}''$  improvement from his soph best of  $50'\frac{1}{2}''$  (a class best) and his junior mark. And Randy Williams will be hot on his trail.

"I have never beaten David in the triple jump and he has never beaten me in the long jump," Williams (a 25'0" long leaper) says. "I always like to let him know I'm still around." Of his friend and rival, Tucker says, "I always look forward to jumping against Randy."

The results of Dave Tucker's competitiveness and talent in 1970 were sensational -- and we may have to dust off the dictionaries to find new

superlatives for those of 1971.

# **Brown Hardy Runner**

Although Rick Brown stands only  $5'10\frac{1}{2}$ " and weighs just 137-lbs., the Los Altos, Calif, High School runner proved to be a man of iron during 1970.

During a three-week period in late May and early June, Brown exhibited his power and prowess in the 440 and 880 in devastating fashion-and capped it all off by providing a big boost toward Los Altos' claiming of the state title with a never-before-achieved double victory in those events.

For those achievements, and more, Rick Brown was voted Prep

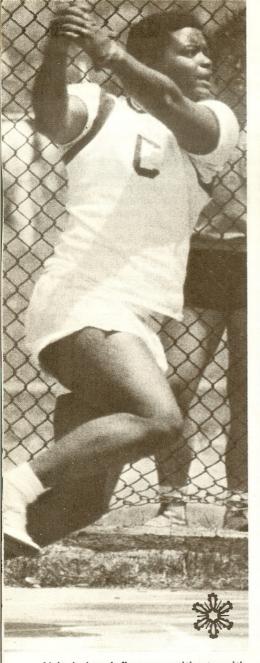

Runner of the Year for 1970.

Brown started off at his league meet on May 15 by turning in 1:51.7 and 47.3 victories in his regular events and anchoring his 3:17.2 mile relay team with a leg close to 47.0. Just for good measure he tossed in a

21'93" fourth-place long jump.

Nine days later he lowered his quarter best to 47.2 in the section preliminaries. On May 30 came probably one of the finest efforts by a prep all season: 1:50.7 and 47.1--within 24 minutes. "I was really pleased to run the quarter fairly fast with a relatively short rest after the half," Rick recalls. He finished off with a 46.5 anchor in a 3:15.8 mile relay.

So it was on to the state meet. After breezing unpressed through heat efforts of 1:53.9, 48.0 and 3:16.6, Rick did something no other athlete in California prep track history has done. First he won the 880 in 1:50.6, leaving the field far back (second was timed in 1:52.2). Sixty-five minutes later he powered to a 47.8 440 victory. And to cap it all off, Rick clocked 47.0 as Los Altos waltzed away with the mile relay in 3:15.6. With Chris Adams' discus victory and third in the shot, Los Altos locked

Alvin Jackson's first competitive try with the 16-lb. hammer resulted in the year's top prep performance: a record 180'0". /Providence *Journal-Bulletin* photo/

Runner of 1970 Rick Brown completes his historic Cal state meet double with this 47.8 440 win. He earlier took the 880 in 1:50.6. /Photo by Bob Kasper/

up its first state track championship.

And Rick Brown finished the season with the equal second-fastest prep 440 (47.1) and 880 (1:50.6) while the Los Altos mile relay squad's

3:15.6 made it the fifth-fastest team in the country.

Yet through it all, Rick Brown was able to keep a cool attitude toward his new-found fame--and the inevitable resulting pressures. "I didn't feel I had to perform around 47-flat or 1:50 every race," Brown says. "I just wanted to bring my times down slowly to develop both my strength and confidence. This is the way I approached the state meet, too.

"I knew that I didn't have to run both events in order for Los Altos to have a shot at the team title, but I also knew that psychologically and physically I could do it if I planned the trials right. I never gave it any thought that no one had ever won both events until a couple of days before the meet when someone told me. I think that helped me get psychologically

up because I was already physically ready."

Brown's coach, Leo Long, comments, "Rick was brought along slowly all year. He trained almost exclusively on the grass because of a bad case of shin splints in 1969 and it wasn't until the league trial meet that he even went close to all out in the 440. Up to then he just ran to win because we didn't want him to peak out too soon. After his 47.3 and 1:51.7 at the league meet, we first began thinking of a double in the state meet. We had planned the whole year so he would come together at the state meet."

About the decision to go for the unprecedented double--and even triple counting the relay--Long says, "We talked it over in great depth. I felt that the team as a whole had a better chance to win the state title if he tried to double. But I also told him I felt he could choose one event and go for a fast time. He told me he would go for the double because it was the best for the team. Rick is a great team runner. Many coaches told us it couldn't be done but how would anyone know if he didn't try. Now he has set an example that it CAN be done."

Long explains that Brown set other examples, too. "Rick is just a born leader," the coach says, "as are Chris Adams and many of the fellows on the state team. They were almost like assistant coaches, helping to bring the other kids along and doing their own work at the same time. They are all intelligent young men and they knew what they wanted and

that they would have to work to get it."

Brown wasn't quite finished after his sterling afternoon at Berkeley, however. He attended the Olympic Development training camp for middle distances at Eugene, Oregon, and ran the second leg on a 7:22.4 two-mile relay team which finished second to the unofficial American record of 7:16.2 of another unit. "It was a tremendous thrill to run in that great relay," Rick recalls.

Despite his many outstanding performances all season, Brown does not feel that people will expect him to turn in top-notch efforts from the moment he first represents the University of California. "Rather than live up to what other people expect of me," Brown explains, "I think it may be

harder to live up to what I expect of myself."

What does he expect? "I always want to feel within myself that I competed the best I possibly could in each season," he reveals. "But overall, I want to be known as 'Rick Brown' and have that mean a top-level runner instead of a has-been who was once a talented high schooler."

Even though he calls the 440 his favorite event because "it is quick and exciting," Brown expects to concentrate on races over that distance at Cal--where he will be guided by former Los Altos coach, and Olympic shot putter, Dave Maggard, and will have prep discus recordman Adams and 47.8 Los Altan Jim Andrew as teammates. "I know the 440 is not my best

race," Brown says.

Brown feels than an athlete should keep his goals to himself because "they are a very personal thing and only the athlete himself knows if he has totally achieved them." Rick got his start toward those very personal aims as a seventh-grader when "I ran 600-yards in PE class and did well and liked it." Born Gordon Herrick Brown on Feb. 9, 1952, in Miami, Fla., he has progressed:

Year	Age	School	Grade	440	880
1967	15	Los Altos HS	9		1:59.4
1968	16	Los Altos HS	10	49.2	1:54.2
1969	17	Los Altos HS	11	48.9	1:55.9
1970	18	Los Altos HS	12	47.1	1:50.6

His career, Brown feels, has not been influenced by one athlete but "by the athletes who have shook my hand, smiled and offered congratulations." Rick Brown's performances have offered plenty of opportunities for congratulations.

# Jackson's Quest at 15

When Alvin Jackson, 15-year-old sophomore from Classical High, Providence, RI, stepped into the hammer ring at the Connecticut AAU championships, July 12 in New Britain, it was his first-ever competitive venture with the international ball and chain. Jackson made it a memorable debut.

Oh yes, he won all right--but it was how he did it that is really astounding. Jackson spun the 16-lb. implement a staggering 180'0"--which rates as the top performance by a prep track and field athlete for 1970.

What makes such a mediocre-by-national-or-international-standards throw so spectacular? Try this for size. It is a national high school record, besting Chuck Vandagriff's 1967 mark of 173'11" by the tidy sum of 6'1". It even betters Vandagriff's 1966 junior class mark of 162'5" by a hefty 17'7".

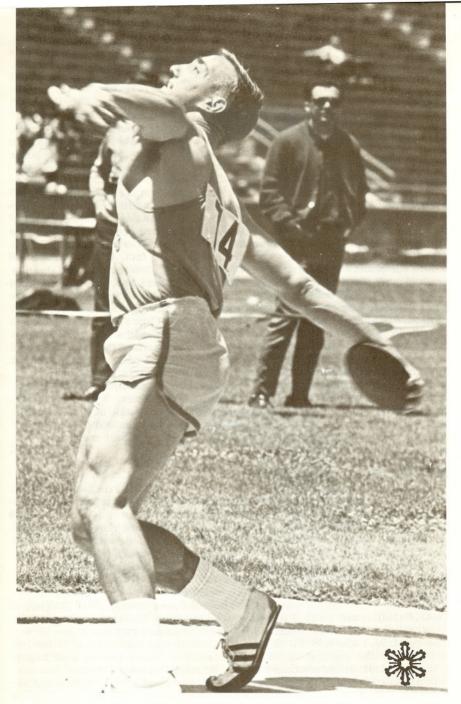

But Jackson's achievement isn't notable just on the home front. His effort establishes a new international age-15 mark, eclipsing Soviet Stan Nyenashev's 147'7"--which was set back in 1949. Plus, Jackson is now even ahead of Nyenashev's age-16 best of 164'5".

Perhaps the clincher, though, to Jackson's claim to greatness is that he is black--which means he is exploring territory very few other members of his race have ever touched. Cuban Enrique Samuell, at 225'8", is believed the only black to have reached 200-feet with the international weight hammer.

Then, too, Jackson lives and trains in Rhode Island, a state rarely known for its outstanding athletes outside the hammer but, at the same time, which is the only state progressive enough to allow preps to regularly contest the 12-lb. hammer and international disc (which Jackson threw 142'0" last year for age 15 and soph class records).

Alvin is no slouch with the prep hammer either. His best of 208'10" is just 11-inches shy of the prep record of fellow Rhode Islander Dick Narcessian--and Jackson also heaved the second, third, fourth, sixth and ninth longest performances of all time during his five prep meets of 1970. And he has two more years of record busting time left.

An imposing list of credits for the 6'2", 220-lb. Jackson, chronicling a spectacular set of achievements—and giving every indication of more to come in the future.

Chris Adams got ahold of the prep discus here at the California state meet and the plate landed 201'3" from the circle, a new high school record. Adams also spun the international platter 169'0" during 1970. /Photo by Bob Kasper/

# Underclassers Shine in 70

by Jack Shepard

The 1970 prep season had the usual combination of old and new as two of the five new national records were somewhat predictable based upon 1969 performances, while the other three were, indeed, surprises. In addition, more underclassmen stepped into the spotlight which indicates some record-busting efforts over the next few years as successive waves of su-

per-sophs pass through to graduation.

After triple jumping 50'½" last year as a soph, Prep Athlete of the Year Dave Tucker (San Joaquin Memorial, Fresno, Calif) was almost a certainty to best the record of 51'8", but his 52'6¼" was doubly impressive as he added nearly a foot to the record. Another record prediction was for the 440 relay and yet the 40.2 of Lincoln, Dallas, Texas--which shattered its own 40.7 mark of last year--was breath taking. In fact, that race produced a 40.7 for Anderson of Austin, 41.0 for Smiley of Houston and 41.6 down in sixth place. The low 41s, super-swift just two years ago, are now common-place among Texas teams. Chris Adams, from T&FN's hometown of Los Altos, Calif., was over 190-feet in the discus in 13 meets and included record tosses of 201'0" and 201'3" (last year's 211'4" by George Amundson was made on a sloping field). Chris also hit 62'9¼" and a fine 169'0" with the college disc. After the regular season, Pat Mandera (Morton East, Cicero, Ill) ran a record 8:33.0 for 3000-meters and a nation-leading 15:01.2 5000-meters while touring Germany with a Chicago-area prep group.

Voted the finest performance of the season was the 180'0" 16-lb. hammer record for Alvin Jackson (Classical, Providence, RI). That is sixfeet over the old mark and a prodigious toss for any prep, especially a 15-year-old sophomore. Jackson also managed a 142'0" age and class mark with the college disc while 208'3" and 208'10" prep hammer marks just

missed another record.

## Northeast

The Northeast had a truly vintage year in which Alvin Jackson's national record might not even have earned him the honor of top area athlete. That honor could possibly go to Fred Singleton (Mt Vernon, NY) for his 13.8 (13.4w), 18.4 straight and 19.4 turn (18.3w) hurdle times or his double victories at the Golden West (GWI) meet in Sacramento and at the National Junior Champ meet. Or maybe one of a foursome of superb middle distance men like Tony Colon (Power Memorial, NYC, NY), Joe Savage (Catholic, Roselle, NJ), Mike Keogh (Essex Catholic, Newark, NJ) or Bob Wheeler (Dulaney, Lutherville-Timonium, Md) would take the honor. Colon, the nation's top miler off his 4:06.0, also helped Power to big 7:50.0 (2Mile), 17:45.6 (4Mile) and 10:13.4 (distance medley) relay clockings. In addition, Tony was the indoor half leader (1:54.2) and outdoors ran 3:48.2 for 1500meters, 1:54.1 and 9:14.6. Savage, the indoor star with his 2:12.3 1000 and 4:11.3 mile, did just as well outdoors with a nation-leading 1:50.2 (plus 1:50.8 and 1:51.0) and another 4:11.3. Wheeler, who also starred indoors with a record 1:10.7 600 and a 2:13.7 1000, managed 1:50.6, 4:10.0 and anchored a 7:49.0 relay before his 4:06.6 at Sacramento. Keogh, the Eastern States mile champ (4:10.1), produced five two-mile races under 9:10 with his superb 8:54.0 ranking fourth-fastest ever and best by a prep from outside Oregon and Washington. Denis Fikes (Rice, NYC, NY) was also an eastern distance star (9:03.0, 14:13.4) while Mike Butynes (Sterling, Somerdale, NI) claimed a soph record 14:20.0 for three-miles. The nation's top

soph in his events was Vince Cartier (Scotch Plains, NJ) at 4:17.8 and 9:12.8.

An outstanding three-eventer was Gene White (Bristol, Pa) at 6'9", 25'0" ( $25'4\frac{1}{4}"$ w) and  $49'1\frac{1}{2}"$ ( $50'\frac{1}{2}"$ w), while a future great may be junior Greg Flippen (Riverhead, NY) at 25'0". Mark Mondschein (Haverford, Havertown, Pa) excelled in both the decathlon (6137) and vault ( $15'\frac{1}{2}"$ ), while brother Brian (a soph) tallied 5821 points. James Robinson (Camden, NJ), primarily a hurdler with marks of 13.9 (13.6w) and 6.2 for the 50 highs indoors, won the Junior Champ 440 at 48.6.

Eastern weight supremacy went to New Jersey as Steve Adams (St Joseph, Montvale) doubled with 66'½" and 181'9", teammate Bob Brady hit 63'6" and top junior, Rudy Guevera (Essex Catholic, Newark) reached 64'6". Pennsylvania had the top soph in Ron Semkiw (Baldwin, Pittsburgh) at 61'9½" and the top area discer with Ty Higgins (Lower Moreland, Huntington Valley) at 187'3". Jack Hall (Pulaski, New Britain, Conn) easily led the javelin with 238'8" and 237'4" while the hammer also produced an amazing frosh record (by nearly 20-feet) as Anthony Strackaluse (Deaf School, Providence, RI) reached 182'4".

Two junior sprinters emerged late in the season. Mike Sands (Sheepshead, Brooklyn, NY), who competed for the Bahamas in the Commonwealth Games, recorded 9.5, 10.4m, 21.4m and 47.5m during July. Harold Williams (Newtown, Elmhurst, NY) was the Junior Olympic champ at 9.5. Ed Jones (Lincoln, Jersey City, NJ) impressed with windy GWI clockings of 9.4 and 20.9, junior Jim Redd (Hamilton, Elmsford, NY) won the Eastern States 440 at 47.7, and national long hurdles leader was Kevin Bligh (Herricks, New Hyde Park, NY) at 37.1 and 53.9.

The East's big relay event was the two-mile with Penn Hills (Pitts-burgh, Pa) outdueling North Allegheny (Pittsburgh), 7:44.2 to 7:46.4. Other area relay leaders were Lincoln (Jersey City, NJ) at 3:15.4 in the mile; Boys (Brooklyn, NY) at 1:27.5 in the 880 and Bishop Dubois (NYC, NY) over Fordham Prep (Bronx, NY) in the sprint medley, 3:29.9 to 3:30.0.

## Southeast

A fine stable of sprinters and a record-breaking shotputter dominated the Southeast in 1970. Jesse Stuart (Glasgow, Ky) was a prime national record candidate off his  $69'2\frac{3}{4}"$  shot heave as a junior, but never really had a chance after turning 19 and ineligible in March. Jesse, however, did manage a four-foot improvement of the indoor record to 71'11" and then unofficially surpassed the record in an exhibition with an awesome  $73'11\frac{1}{2}"$  before his GWI win of  $71'9\frac{3}{4}"$ . Stuart also hit 60'10" twice with the big shot, once in an exhibition.

Ray Robinson (Lakeland, Fla), in his first year of track, was the top sprinter off his consistent 9.5 clockings, 21.2 and windy Golden West wins of 9.2 and 20.7. Without competition, Darwin Bond (Dobyns-Bennett, Kingsport, Tenn) still ran 9.5 plus nation-leading 21.0 and 46.9 clockings. Another fine long sprinter was Joel Garren (Manatee, Bradenton, Fla) at 21.1 and 47.7. Louisiana equaled Florida in numbers of sprinters with its best, Harold Porter (East Jefferson, Metairie), needing 9.5 (9.3w), 20.9st (20.4 w) and 21.5t to keep ahead of the likes of juniors Joe Sincere (Washington, New Orleans) at 9.5 and 20.8stw or Robert Salsberry (Ruston) at 9.4w. Florida had the top young sprinter in 15-year-old eighth-grader Alfred Mc-Cullough (Jackson, Miami) with 9.8 and 21.8t. Mississippi's star was Eddie Echols (Meridian) at 20.9st, while up north Levine Burgess (Eastern, Washington, DC) produced windy 9.4 and 21.2 clockings. In Virginia, all-American footballer Kent Merritt (Lane, Charlottesville) had a leading 6.1 60 indoors and a windy 9.4 outdoors before suffering a severe leg injury. Kent then surprised by returning to win state 100 and low hurdles (18.7st)

titles. Other hurdlers were swift as well, led by the 13.9 and 18.6 marks of Genard Medley (Central, Little Rock, Ark). Frosh Will Robinson (Mann, Little Rock) matched his class record with 19.6st. A great Florida race found Henry Cummings (Blake, Tampa) nipping state champ Nathaniel Porter (Southeast, Bradenton) as both ran 13.8.

Several field men excelled. Second nationally in the long jump was Rudy Falana (Largo, Fla) with  $25'\frac{1}{2}$ " ahead of the  $24'9\frac{3}{4}$ " for Tony Williamson (Washington, Atlanta, Ga). Top non-Californian in the triple jump was Gerald Gaines (Western Branch, Chesapeake, Va) at  $49'6\frac{1}{2}$ ". Top vaulter at  $15'1\frac{1}{2}$ " was Wayne Hicks (Lee, Montgomery, Ala). Louisiana state records fell to Ken Addy (Lee, Baton Rouge) at  $63'1\frac{1}{2}$ " and 181'10" and Steve Meyers (Jesuit, New Orleans) with  $63'5\frac{1}{2}$ ".

Top distance man was Bobby Brooks (Northeast, Bradenton, Fla) for his 4:09.7 and 9:13.8 as Jimmy Wilkens (Roxboro, Charleston, S Car) clocked 4:09.6, while the 880 was topped by the 1:52.3 of John Feltner (Russell-

ville, Ark).

## Midwest

Led by athletes from Illinois, Indiana and Ohio, the Midwest had a great year which was capped by a fine Golden Midwest meet. Distance runners excelled with junior David Merrick (Lincoln-Way, New Lenox, Ill) the best off his class record 8:56.6 (plus 8:59.0), a 4:10.9 Junior Olympic win and 8:56.8 on an oversize indoor track. At the Golden West meet, Doug Brown (Notre Dame, Harper Woods, Mich) had a fine 8:57.8 and ran 4:13.8 as well. Andy Rubert (Proviso West, Hillside, Ill) won a great state meet mile as his 4:07.1 topped the 4:09.5 of Mike Durkin (Holy Cross, River Grove) with two others under 4:14. Ohio's best were Les Nagy (McKinley, Niles) and Bill Beaty (Lancaster) who traded the state two-mile record before Nagy prevailed, 9:01.6 to 9:03.0. Nagy also reigned in the mile, 4:10.0 to 4:10.5, though Beaty anchored a record 7:29.2 1 7/8-mile distance medley relay. Another great midwesterner was Kevin Reabe (Waterford-Kettering, Drayton Plains, Mich) with his 1:50.6 GWI win and 1:50.9 state title plus a 4:11.1 mile.

Leading the sprinters were Glen Love (Sumner, St Louis, Mo) at 9.5 (9.3w) and 21.5, and Mark Lutz (Mayo, Rochester, Minn) with a windy 9.4, 21.2st and 21.4 (20.7w). A top frosh was double state champ Howard Jones (Evanston, Ill) with windy 9.5 and 21.5 clockings, while the top hurdler was Bruce Leek (Roosevelt, Dayton, Ohio) at 14.0, 18.7st and 19.1t (18.7w). Over the 330 hurdles, Wavie Reed (Charleston, Mo) just nipped Mike Allen

(Granite City, Ill) in the Midwest Classic as both ran 37.4.

Field eventers sparkled. Gayln Sweet (Octavia, Colfax, Ill), a repeat state champ at  $6'10\frac{1}{4}''$ , led 11 men over 6'8'' including Bill Hancock (Glasford, Ill) at  $6'9\frac{1}{4}''$  and Kansas record holder Randy Smith (McPherson) at 6'9''. Indiana and Ohio produced top vaulters. In Hoosier-land, Gordon Crail (Greenwood) was Golden Midwest ( $15'6\frac{3}{4}''$ ) and Golden West (15'6'') champ with state jumper-up Dixon Boughman (Kokomo) also clearing 15'6'' at Sacramento. The top soph was Bob Crites (Northwestern, Kokomo) at  $14'8\frac{1}{4}''$ . In Ohio, Jeff Linta (Malabar, Mansfield) at  $15'4\frac{1}{4}''$  continued a family tradition as Jeff, brother John and their father all have been state record holders. In a late-season meet, the national lead at 15'10'' fell to Larry Jessee (Miamisburg, Ohio). Other area leaders were Tom Stock (West, Belleville, Ill) in the shot with  $64'2\frac{1}{4}''$ , Paul Andrew (Central, Champaign, Ill) in the discus at 186'8'' and Bob Obee (Wyandotte, Kansas City, Kans) in the javelin with 247'1'', the nation-pacer as well.

A super distance prospect may be Craig Virgin (Lebanon, Ill) whose 9:32.0 for seventh in his state meet lowered the age-14 record by 19 full se-

conds. The soph 5000-meter record fell to Mike Gilleran (Seaholm, Birmingham, Mich) who ran 15:15.2.

Iowa excelled in the relays. Indianola ran 3:17.7 in the mile and 3:30.2 for the sprint medley, while over two-miles Clinton's 7:47.8 headed Davenport Central's 7:50.6. Top long race marks were 17:48.6 for Shaker Heights, Ohio and 17:55.8 for Proviso West, Hillside, Ill., in the fourmile.

## Southwest

Lincoln of Dallas had some fine individuals on that record 440 relay team. Gene Pouncy clocked 9.4 and several 9.5s, twin brother Joe sprinted to 9.5 and 21.2 (21.0w) clockings and Rufus Shaw ran 47.8 in 1969 but concentrated on the relays this year. Shaw's sub-47-second anchor at the state meet gave Lincoln the third-fastest mile relay clocking ever--a sizzling 3:12.2. In that same race, Anderson of Austin ran 3:14.7 and Jones of Houston was third in 3:15.3.

As everywhere, the high jump was amazing. State champ of Texas was Johnny Blakney (Southwest, Ft Worth) at  $6'10\frac{1}{2}$ "--second-highest nationally. Following closely at 6'10" were new soph record holder Dennis DeLoach (Irvin, El Paso) and Junior Olympic champ Gary Kafer (Gatesville). At 6'9" was Barry Schur (Palo Verde, Tucson, Ariz) who also scored well in the decathlon with 6431 points.

Area discusing was great as five men topped 180-feet led by the 191'0" and 192'0" heaves of Jim Parker (Richardson, Tex) and the 186'9" by Bill Thomas (Tidehaven, El Maton, Tex). Arcadia of Phoenix (Ariz) had two fine ones in GWI thrower-up Mark Scheele (186'7") plus Jim Howard (179'0"). Easily the area's top shot man was Millard Neely (Brackenridge, San Antonio, Tex) with his 65'6" and  $64'11\frac{1}{4}$ " tosses.

As a group, the area hurdlers were classy. Easily the best of the group was Randy Lightfoot (Plainview, Tex), whose class record 13.5 just missed the national record, and Gary West (Permian, Odessa, Tex) at 13.6, 18.7st and 37.2. In all, seven area men were under 14.0. One of those at 13.9 was Bobby Coffman (Lamar, Houston), who also clocked 37.2 and regularly competed in the discus, shot, high jump and sprint relays. Allen Misher (Lincoln, Houston) claimed soph and age-15 records with his 38.3 330 hurdles. Gregg Vandaveer (Shawnee, Okla) twice ran 14.1 over the 42-inch hurdles (plus 13.9 over 39") and Carl Swierc (Falls City, Tex) was a tough competitor with 13.6w and 37.5 bests.

One of the nation's great sophomores was J.T. Hollins (McKinney, Tex) who scored as many as 45 points in one meet and produced seasonal bests to the tune of 9.4w, 21.4 and 24'5¾" (24'7¼"w). Top area vaulter was Bill Curnow (Lee, Midland, Tex) at 15'9" ahead of the 15'6" for Terry Porter (Azle, Tex). In New Mexico, Dave Powdrell and Bernie Bowers, both of Highland of Albuquerque, jumped 24'3¼" and 24'1¼" respectivelly. Highland's 3:29.6 sprint medley was second nationally only to the 3:27.5 of Albuquerque neighbor, Del Norte. A sensational 14-year-old was Gordon Pino (Laguna-Acoma, New Laguna, NM) who claimed the three-mile age record (15:03.2) and was near to two others with 4:26.8 and 9:45.2 clockings. Once again, Houston had the best area half-milers. Horace Grant (Jones) at 1:52.2 just outdid the 1:52.5 for Bill Goldapp (Memorial) and the 1:53.0 for Ronnie Jenkins of nearby Dickinson.

# **Rocky Mountains**

Again this year the top area news was created by that impressive javelin duo of Craig Stiles (Malta, Mont) and Richard George (Millard, Fillmore, Utah). Stiles upped the junior-class record by over 10-feet to 239'5", then George went 241'1" only to have Stiles come back with a 244'10". Top

runner was state mile champ Mike Peterson (Mapleton, Denver, Colo) off his 4:11.1 Golden Midwest win and 4:11.2 at Sacramento. Wheat Ridge (Colo) was the top area school led by the respective vaults of  $15'2\frac{1}{4}''$  and  $15'1\frac{1}{2}''$  of Mark Cooper and Jim Singley, plus John Douglass'  $47'4\frac{3}{4}''$  triple jump and Terry Kunz's 6'8" high jump. Tom Scavuzzo (Mullen, Ft Logan, Colo) was again the top sprinter with his 9.5w and 21.4 (21.1w), while two 6'10" high jumps by Ray Lisby (Las Vegas, Nev) easily led the event in which five men cleared 6'8". Jim Kleiger (Regis, Denver) was the top vaulter with his  $15'6\frac{3}{4}$ " at the Golden Midwest meet.

Utah's best runner was Eddie Scott (West, Salt Lake City) at 14.0 and 19.0 while Wyoming featured Dave Kucera (Riverton) with a 177'9" discus throw. Idaho had a good year led by Junior Champ discus winner Jim Mc-Goldrick (Orofino) at 176'5", 15'3" vaulter Bill Miller (Twin Falls) and 19.2

turn hurdler Kirk Dennis (Wendell).

# **Pacific Coast**

Los Altos really had the horses this year. Besides Chris Adams, the California state champs had Rick Brown whose tough 440-880 doubles earned him Prep Runner of the Year honors. In his sectional meet, Rick did 47.1-1:50.7-46.5r and then won state titles with 47.8 and 1:50.6 plus a 47.1 anchor on the relay winner (3:15.6). In addition, the Knights had Jim Andrew (47.8) and the nation's fastest sophomore half-miler Larry Davis (1:52.7).

The mile lacked depth this year on the West Coast as did the two-mile outside California. Hawaii had a real find in Kurt Mench (Castle, Kaneohe), who clocked 4:11.1 at home before his superb 4:06.3 in Sacramento. Junior Brent Tubb (Cleveland, Reseda, Calif) at 4:09.6 and David Harper (Clairemont, San Diego) at 4:12.5 were the best of the rest. Only Randy James (Ferris, Spokane, Wash) at 9:05.6 impressed from the distance-conscious Northwest. California's two-miling sparkled again as Ron Johnson (West, Torrance), injured most of the season, managed one great race--an 8:55.6 state meet record. That race found sub-9:00 runner (8:59.8) Dave White (El Modena, Orange) relegated to fourth (9:01.8) behind the 8:58.8 of Jim Chaffin (Poly, Long Beach) and the 9:01.0 of junior Ed Mendoza (Helix, La Mesa).

Two California hurdle stars were Milt Turner (Castlemont, Oakland), off his 13.7 and 18.3 times, and junior Al Hall (Morningside, Inglewood) for his state highs title (13.9, 13.7w), 18.8 in the straight lows and Junior Olympic highs title (13.8). Quick low hurdles clockings (19.2t, 18.9st) were only part of Tinker Hatfield's prowess as the Central Linn (Halsey, Ore) junior of the contract of the

nior also managed a 9.6 100 and 15'0" vault as well.

Jerry Culp (Oceanside, Calif), with three high jumps over 7-feet (two at  $7^{1}_{4}$ ") and four other meets over 6'10", was easily the nation's best ahead of state runnerup Randy Fulkerson (Santa Fe, SF Springs) at 6'10". Northwest best was junior Joel Braggs (Lincoln, Tacoma, Wash) at  $6'9^{1}_{4}$ " as 11 men made that 6'8" standard. Rayford Guice (McLoughlin Jr HS, Pasco, Wash) tied the 6'6" frosh record. James McAlister (Blair, Pasadena, Calif) added 25'7" and 18.8st hurdles to all-America football honors, but while injured lost the state title to Lynn Swann (Serra, San Mateo) who had a 24'10" best. Fresno, Calif., was the nation's horizontal jump center. Besides Dave Tucker's exploits, the Raisin Capital had junior Randy Williams (Edison) at 25'0" and  $50'11^{3}_{4}$ " and Ernie Lopez (Central) at  $49'6^{1}_{2}$ ". California had a couple of other good jumpers in junior Craig Conway (Cupertino) at  $49'9^{1}_{2}$ ", to give the state the nation's three top triplers--all returnees, by the way--and long jumper Steve Thompson (East, Bakersfield) with a fine 24'8" effort.

Randy Withrow (Pasadena, Calif) was a prolific thrower going unde-

Jack Hall of New Britain, Conn., kept the Golden West javelin title in his family with his 237'4" winning fling. Brother Willis claimed the 68 title. The two Pulaski High throwers are the only brothers ever to win the same event at the GWI. /Don Chadez/

feated and topping 61-feet in 15 meets before his 65'8\frac{3}{4}" gave him the runnerup spot at the GWI meet. Right behind Withrow was Billy Joe Winchester (Mt Miguel, Spring Valley, Calif) with a superb double of 64'11" and 195'8". Top junior discus mark was 186'3" by Dick Heard (Douglas, Winston, Ore).

California had four half-milers at 1:52.2 behind Rick Brown, while 440 runnerup Milton Mitchell (Lincoln, San Diego) sprinted 47.3 (plus two 47.7s). Most impressive soph was state second-placer Larry Boaen (West, Bakersfield) at 48.2.

Over the long distances, Larry Greer (Lakewood, Calif) led the nation at three-miles (14:11.4), six-miles (30:54.0) and 10,000-meters (31:53.0). Two freshmen also impressed. Darrell Hatfield (Rancho Alamitos, Garden Grove, Calif) garnered age-15 and class marks for 5000-meters (15:51.2) and one hour (10m, 1440y) plus class records for six-miles (32:38.6) and 10,000-meters (33:38.6). John Weston (Edison Jr HS, Fountain Valley, Calif) now owns age-14 mark for 5000-meters (16:50.0), 10,000-meters (35:24.0) and age and frosh class marks for the steeplechase (10:16.2).

Castlemont (Oakland, Calif) and El Cerrito (Calif) both equaled the 41.2 state 440 relay record. Mira Costa (Manhattan Beach, Calif), running without its best man, led the nation in the four-mile relay (17:42.6) ahead of the 17:46.2 of Helix (LaMesa, Calif) and the 17:46.8 by Clairemont (San Diego). El Modena (Orange, Calif) ran a state record 10:12.0 distance medley before losing to Long Beach Poly, 10:15.6 to 10:14.2.

# 2 Doublers at 70 GWI

by Fran Errota

Sacramento, Calif., June 20 -- What could be more appropriate than a sprinter from Florida to be named the outstanding performer on a night

Bob Hayes serves as the honorary referee?

That's what happened at the 11th annual Golden West Invitational before an estimated 6500 persons at Hughes Stadium. Ray Robinson of Lakeland, Fla., took both dashes in wind-aided clockings of 9.2 and 20.7 as Hayes, history's first 9.1 man while running at Florida A&M, watched the outstanding array of graduated preps perform under warm skies mar-

red only by wind readings from five to seven miles per hour.

But Robinson, who had been running track for only three months after transferring from another school which had no track program, was only one of an impressive array of performers in a meet featured by non-Californians who won all but two events. Only high jumper Jerry Culp (Oceanside) and national discus record holder Chris Adams (Los Altos) prevented California from drawing a blank as the former accounted for one of four meet standards with a 6'104" jump. Adams topped a good discus field with a toss of 192'8".

Meet record claimants also included Mike Keogh (Essex Catholic, Newark, NJ) 8:54.0 for two-miles; Kevin Bligh (Herricks, New Hyde Park, NY) 37.1 for the 330 intermediate hurdles; and Jesse Stuart (Glasgow,

Kv') with  $71'9\frac{3}{4}"$  in the shot.

Robinson won the 100 with a rocket start and great pickup, and had a good lead over a fast-closing Glen Love (Sumner, St Louis, Mo) as he blasted into the tape. Love did 9.3, three others had 9.4s, another 9.5 and the last man in the field 9.6 as a 6.55 mph breeze aided the runners.

The 220 was tougher as the Lakeland zephyr barely edged Mark Lutz (Mayo, Rochester, Minn) at the tape, both caught in 20.7. Lutz had a good start and ran the turn well against a good field helped by a 5.82 mph wind.

Robinson was not the lone double winner. Perhaps just as impressive was Fred Singleton (Mt Vernon, NY) who must rate with the finest high and low hurdlers of all time. Although helped by a 7.1 wind in the 120 highs and 5.08 in the 180 lows on a turn, his 13.4 and 18.3 times were outstanding.

Both sprint times bettered meet standards and Singleton's efforts tied current marks, but wind over the allowable disallowed all of them.

Gene White (Bristol, Pa) missed a double when Gerald Gaines (Chesapeake, Va) took the triple jump with a  $49'2\frac{1}{2}"$  leap to White's  $49'1\frac{1}{2}"$  after White had taken the long jump with  $25'4\frac{1}{4}"$  over the  $24'10\frac{1}{4}"$  for runner-up Rudy Falana (Largo, Fla).

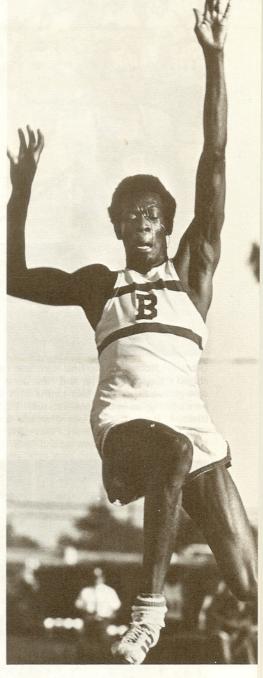

Superb competition featured the two-mile and mile runs as well as

the pole vault and high jump.

Keogh allowed someone else to set the pace until taking over in the late stages. Randy James (Ferris, Spokane, Wash) led at the half-mile mark in 2:09.8 and gave way to Bill Beaty (Lancaster, Ohio) who had a 3:19.7 time after three laps when late entry Doug Brown (Notre Dame, Harper Woods, Mich) took the lead for the next two laps. Brown went by the mile in 4:29.1 and his five-lap split was 5:38.1. Denis Fikes (Rice, NYC), who went into the race unbeaten, took over on the sixth lap and galloped to a big lead on the seventh. He went by six laps in 6:45.4 and appeared in good shape at the gun, in 7:47.4.

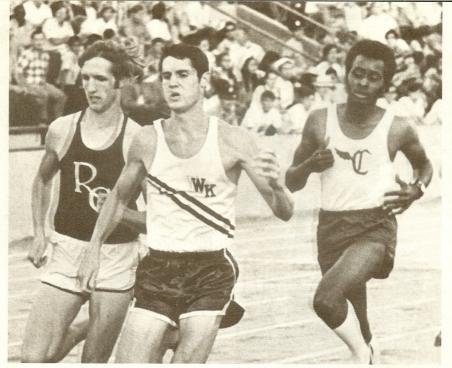

It wasn't until the backstretch when Fikes started to look back that

Prepdom's only 7-foot high jumper for 1970, Jerry Culp cleared 6'10'4" for the 70 GWI crown. /Chadez/

Gene White rode the wind 25'4%" for the long jump win. He also has jump efforts of 6'9" and 50'%"w. /Chadez/

(Above) Rounding the final turn and heading for home in the Golden West 880, Michigan's Kevin Reabe (c) and New Jersey's Joe Savage (I) battle for the lead. Reabe emerged victorious by four-tenths with 1:50.6. California's Nathan Burks (r) is third here and stayed in that position with 1:54.0.

(Below) Bathed in the late-afternoon sun, Doug Brown (r) tows the two-milers along with Mike Keogh and Denis Fikes right behind. Keogh won in the year's fastest prep time, 8:54.0, with Brown second (8:57.8) and Fikes third (9:03.0). /Chadez photos/

anyone realized there was still a race in progress. Keogh was moving at a steady pace and passed Fikes on the turn, and then Brown came on strong to catch Fikes who was now staggering to stay on his feet. Brown followed Keogh home in 8:57.8 and Fikes managed to hold off Beaty, 9:03.0 to 9:03.4. Keogh's 8:54.0 shattered the year-old meet record of 8:55.2 by Fred Ritcherson (Salesian, Los Angeles). "I had seen Fikes run before" said Keogh following the race, "so I figured I was in the race all the way."

The mile proved interesting with Anthony Colon giving New York its fourth victory with a 4:06.0 which, like the two-mile, was the fastest clock-

ing in the nation this year.

Colon stayed on the pace all the way as the field was bunched most of the way. James Euell (Norwich, Conn) led the bunch for a lap and was still ahead at the 880 mark in 2:05.5 with Colon inches back in a field that was still tightly packed. Mike Petersen (Mapleton, Denver, Colo) came across the 1320 marker in 3:08.6 with Colon still on the shoulder of the pacesetter. With 220 left, Kurt Mench (Castle, Kanehoe, Ha) swept into the lead with Bob Wheeler (Dulaney, Timonium, Md) and Colon in close pursuit. Colon displayed his staying power by taking command off the final turn and going into the tape in 4:06.0 to 4:06.3 for the surprising Mench and 4:06.6 for the heralded Wheeler. Joe Savage (Roselle Catholic, Roselle, NJ) came in sixth in 4:14.1 after chasing Kevin Reabe (Waterford-Kettering, Drayton Plaines, Mich) in the 880 which proved to be a twoman race all the way. Reabe impressed in 1:50.6 as he outlasted Savage in a good stretch duel as the latter came in with a 1:51.0.

Culp won the high jump following an all-day drive from his home where he had not left his job until 5 am the morning of the meet. All but one of the nine competitors were still in the event at 6'8'' and all but two of the remaining eight passed at 6'9'' to attempt  $6'10\frac{1}{4}''$  which Culp cleared on his third try. Mike Fleer (McNary, Salem, Ore) and Gayln Sweet (Octavia, Colfax, Ill) went over 6'8'' on their first tries to share second place.

Gordon Crail (Greenwood, Ind) impressed to win the pole vault at 15'6" on fewer misses from Bill Curnow (Lee, Midland, Tex) who finished second and Dixon Boughman (Kokomo, Ind) who was third at the same height. Crail passed at 13'6" and 14'0" and cleared the next three heights on his first tries. Ten of eleven vaulters in the event tried 15'0" and only three were eliminated at that height.

Stuart was an easy winner in the shot as he got his best toss on his third try, the first two being fouls, one of which sailed close to the 75-foot mark. His 71'9\frac{3}{4}" bettered the meet standard of 69'8\frac{3}{4}" by Sam Walker (Samuell, Dallas, Tex) in 1968. Randy Withrow (Pasadena, Calif) and Billy Joe Winchester (Mt Miguel, Spring Valley, Calif) were next with life-

time bests of 65'84" and 64'11" respectively.

Bligh's victory in the 330 hurdles came hard as he appeared to be destined for second until Gary West (Permian, Odessa, Tex) missed his step as he approached the last hurdle, and the New Yorker raced by to win in 37.1, under the 37.3 meet standard set in 1967 by Joe Kurzrok (Mt Vernon, NY). West had also finished second in the highs to Singleton, also a New Yorker.

Jack Hall (Pulaski, New Britain, Conn) became the second from his family to win the GWI javelin crown as his 237'4" outdistanced the 233'9" of Bob Obee (Wyandotte, Kansas City, Kans) on his last try. Darwin Bond (Dobyns-Bennett, Kingsport, Tenn) breezed to win the 440 in 48.1 over Keith Davis (Lincoln, Jersey City, NJ) who did 48.5.

# Twins in Zygosity, Talent

Gene and Joe Pouncy are alike in many ways. After all, they are identical twins.

But beyond the genetic similarity, the two 19-year-olds (born Nov. 4, 1950 in Palestine, Tex) share many more likenesses. Most obviously, they are excellent sprinters--Gene with 9.4, 21.4 and 47.2 (indoor relay) bests and Joe with 9.5, 21.1 and 47.8 (indoor relay) bests--and integral members of prep history's fastest 440 relay team. Their quartet from Lincoln High of Dallas, Tex, blazed to a sensational 40.2 clocking to win the 1970 Texas State title--besting its own national record of 40.7 set last year. And, just as in 1969, John Delley preceded Joe and Rufus Shaw went before Gene on the record-busting run.

Gene and Joe both claimed 1970 Texas state titles, Gene with a 9.4 100--fastest by a prep this year--and Joe with a 21.2 furlong. Then both teamed up with Shaw and Bennie Medlock for a 3:12.1 mile relay triumph,

third-fastest high school time ever.

Even indoors, the Pouncys were pulverizing previous records. At the Astrodome in February, Gene buzzed to two 9.5 100 clockings, clipping a tenth of a second from the prep indoor record he shared with fellow Texan Ken Curl (Worthing, Houston). Just so Gene didn't steal all of the spotlight, Joe matched the old record while placing second.

Then the brothers pounced on another record in the mile relay as Lincoln streaked to a 3:12.8, Gene gunning 47.2 and Joe 47.8. It hardly mattered that the huge 352-yard Astrodome track nullified acception of the record; it still topped the best by a prep team on a legal-sized track of

3:20.1 and the oversized best of 3:15.6.

And, in the spirit of brotherly cooperation, both starred on the Lincoln football squad (each measures 6'0" tall and scales 180-lbs.). Both are versatile sprinters, Gene claiming practice bests of 5.9 for 60-yards and 9.3 in the 100 and Joe a 46.0 440. Their relay squad has clicked to a 39.7 practice run. Now they have moved together to Southern Methodist.

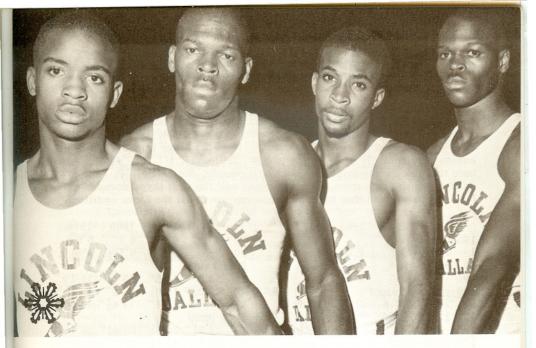

Even the progression of each has been remarkably parallel:
Year Age School Grade 100 220 100 220
Gene Joe

1968 17 Lincoln HS 10 9.5 21.8 1969 18 Lincoln HS 11 9.5 21.5 9.6 21.1 1970 19 Lincoln HS 12 9.4 21.49.5 21.2 (21.0w)

Each athlete feels his brother is a strong positive force on his athletic career--both in and out of competition. "My brother is a positive force," says Joe, "because of the moral and mental support he gives which helps me to always do my best. I rely a great deal on the assurance that he is there to back me up and give me a lift if and when I'm a little down."

"We talk and work together and try to help each other as much as we can," reveals Gene. "We share the same goals and desires. When we are in the same race, I look upon him not as a brother but as another athlete who is trying just as hard as I am to win. But if he beats me, I'm just as happy as if I had won. I have always felt that if I win, fine, but if Joe wins then that's okay too because it's a family affair." Those shared goals include representing the US in the Olympic Games and, as Joe says, "running up to my potential in each race and trying to be the best."

Both place great importance on preparing both physically and psychologically for any athletic competition. "If an athlete is prepared properly in both his mind and body, he will be ready and willing to meet any chal-

These four serious sprinters—(I-r) John Delley, Joe Pouncy, Rufus Shaw and Gene Pouncy—compose prep history's fastest 440 relay team, the 40.2 unit of Lincoln High of Dallas. And the Pouncys can fly without a baton too: Gene won the Texas state 100 with 9.4; Joe annexed the 220 with 21.2 and has a 9.5 besides. /Photo by Pluria Marshall/

lenge." The brothers play football in the fall, then start track training with weights and cross country runs in the winter. In the early season (and that can mean February in early-starting Texas), they run mostly long intervals (330, 440, 660) while late-season work centers on more flat speed work, 440s for strength and a great deal of relay passing. This program apparently works well: Gene had zipped several 9.5s by the end of February last season and then clocked his first 9.4 in mid-March-and he held his form through to the mid-May state meet which he won again in 9.4. And Joe was right behind in that first 9.4 with a 9.5.

Each feels that track plays a major part of his life. "Track has helped us greatly by developing the desire to succeed," says Gene. "The competitiveness and the chance for each individual to run and win on his own will help a person in later life," believes Joe. Even off the track, they are running in a near dead-heat. Joe ranked fifth and Gene 10th in Lincoln's 1970 graduating class of 416.

Yet for all their similarities, each has his own unique qualities. Off the track, Gene seems to move as quick as when he sprints with hobbies such as "basketball, swimming, gospel music, working with younger children" occupying his time, whereas Joe prefers quieter moments "reading and relaxing."

Of their successes of the recent past--and promise of the future--Gene comments, "Anyone must always remember that all he gains in life comes through hard work and a strong belief in himself and in God. For us, all of our talent came from God and we are thankful and try to be good stewards of our talent."

# 15 Year Prep Progress

Yes we will say it--because it's true--"the times are a changin'." So are heights and distances. This chart shows the changes in the first, 10th and 20th place marks on the US prep lists of 1955, 1960, 1965 and 1970 (t=mark tied by several athletes). Note the large improvements in events only recently stressed by preps: 2Mile, TJ, HT, JT, 440R. Also note that few events improved each half decade, the 2Mile, SP, JT and 440R being the only ones. What changes will the next three decades bring? No one knows--and that makes the coming years all the more exciting.

# All State, Event Relay

compiled by Hugh Gardner

The 1970 edition of the National Composite Relay Rankings is the fourth revision of a chart first published by T&FN in 1958. The last edition was published in the Nov. 9, 1967 Track Newsletter.

In this chart, each state is ranked by composite time, or distance, of its four best performers per event, all-time. In the past, four states per event were considered, but this year the total was expanded to five in all events but the 330IH, hammer and decathlon. These three events, only rarely contested in most states, go just three deep. This expansion has raised the number of different states appearing from 14, in 1967, to 23.

Talent-rich California has the best, or equal best, score in 14 of the 19 events, and scores in 16. Texas scores 12 times, with three toppers, while New York and New Jersey each appear eight times.

No wind-aided marks were considered for this chart. All low hurdle marks are straights. Straight 220 marks (st) have 0.4-seconds added.

When Jesse Stuart puts all of his 6'2'', 250-lbs. behind the shot, big things can happen—like the longest throw ever by a prep of  $73'11\frac{1}{2}''$ . Twice during 1970 he muscled the 16-lb. bulb 60'10'' in addition. /Photo by Don Chadez/

# Records To Fall in 71

by Fran Errota

Four national records should fall and at least two others appear to be in danger as high school track and field athletes prepare to go outdoors for the 1971 spring season.

One of the standards in question is the triple jump where David Tucker (San Joaquin Memorial, Fresno, Calif) should better his own mark of

 $52'6\frac{1}{4}$ " he set as a junior in 1970.

Other probable record setters represent three additional sectors of the country--New England, Midwest and Rocky Mountain, the latter including two athletes from the nearby states of Montana and Utah who will be bat-

tling for the javelin record.

Craig Stiles (Malta, Mont) and Richard George (Millard, Fillmore, Utah) will shoot for the 252'8" standard set in 1967 by Mark Murro (Essex Catholic, Newark, NJ). Stiles tossed 244'10" and George 241'1" last spring to rate second and third in the nation and each had two other tosses among the 10 best of the season. Each may be hampered by a short season, but both can also look forward to the mid-June Golden West Invitational for competition against the top graduating seniors in the country.

Amazin' Alvin Jackson (Classical, Providence, RI) is only a junior but shouldn't be too far into the season before claiming the hammer record of 209'9" set by Dick Narcessian (Woonsocket, RI) in 1965. Jackson is already claimant to the 16-lb. hammer mark with his 180'0" toss last year. He threw the 12-lber 208'10" as a soph and his feats rate with the best in

all prep athletic annals.

The fourth record is based on a "hunch" Dave Merrick (Lincoln-Way, New Lenox, Ill) will display vast improvement on his outstanding 8:56.6 clocking of 1970 for two-miles. He has a long way to go to catch the 8:41.6 of Steve Prefontaine (Marshfield, Coos Bay, Ore) in 1969, but so did Steve whose best as a junior was 9:01.0. Merrick, at least, appears to have the best chance to account for a record on the track.

To think no other standards are in danger is absurd. The way preps improve from one season to another, and those who climb out of the woodwork each year to shock the so-called experts, place each mark in danger. Still, a combination of events which may be referred to as luck or good fortune combined with ideal weather and competitive conditions, must be in favor of the athletes. It is rare when all combinations occur at the same time.

Among those who may defy such odds are long jumper Greg Flippen (Riverhead, NY) and long and triple jump sensation Randy Williams (Edison, Fresno, Calif). Both are superb competitors who generally perform at

their best when the most pressure is present.

Flippen jumped  $24'4_4''$  as a soph for the sixth-best non-wind mark in the country, and 25'0'' the past summer to share the third-best effort for the campaign with Williams. The latter was beaten but once in the long jump, that in his state meet by a quarter-inch, but his real future may be in the triple jump where his  $50'11_4^3''$  was second only to the amazing Tucker, and is third on the all-time list. Williams has the added advantage of having his grade- and junior high school sidekick Tucker supplying incentive and competition.

Although national records on the track appear much less likely to fall, there are strong indications a mile relay unit from Boys of Brooklyn may shoot for the 3:11.8 standard. Always among the best in the country

in the sprint baton events, and quite often with separate units, the famed Brooklyn school may take advantage of that depth to put together its best efforts for a record assault, say at the Penn Relays or Eastern States crowns, if not at one their invitational meets.

Boys has two gems with whom to start in Bill Wallace and Gary Gordon, who clocked 48.5 and 48.7 respectively as juniors. Sprint relay units at Boys clocked 42.1, 1:27.5 and 3:16.5 last year with Wallace and Gordon

the fastest runners in the latter.

The 1971 preview includes many of last year's outstanding sparklers from the sophomore class, but by no means was the group confined to the relative handfull mentioned later in the event-by-event analysis. There were many others, and the frosh contingent moving up to the soph ranks this year is just as promising.

A few who figure to make their marks as juniors will be Mike Gilleran (Seaholm, Birmingham, Mich), soph record claimant with 15:15.2 for

5000-meters who also had 14:46. 8 for three-miles along the way.

That's only a starter. Outstanding 880 hopefuls will include Tom Davidson (Antioch, Nashville, Tenn) 1:54.6, Greg Moore (Free Academy, Rome, NY) 1:54.8 and Dwight Fowler (Lansingburgh, NY) 1:54.9.

Ed Grace (Aviation, Redondo Beach, Calif) likes long distances as his 31:27.4 for six-miles may explain, and teammate Shawn Vallas has done

2:40:10 for the marathon to 2:44:16 for Grace.

Larry Shipp (Roosevelt, Washington, DC) is considered a prime hurdles prospect off his 14.4 best as a 10th grader, and upper New York state has a dandy in John Tysco (Henninger, Syracuse) who sped 19.4 for the 180 lows.

There are others, like 440 hopefuls Ray Johnson (Blair, Pasadena, Calif) 48.5 and Robert Harrell (Santa Ana, Calif) 48.6 who were not even the best sophs in California but were good enough to run in the state finals.

New Jersey track buffs are high on Mike Butynes (Sterling, Somerdale) whose 14:20.0 for three-miles was the fourth best on the 1970 honor

roll.

The frosh contingent is headed by new record holders Craig Virgin (Lebanon, Ill) who ran a 9:32.0 two-mile at age 14; Darrell Hatfield (Rancho Alamitos, Garden Grove, Calif) 32:38.6 and 33:38.6 for six-miles and 10,000-meters; Anthony Strackaluse (School for the Deaf, Providence, RI) 182'4" in the hammer; John Weston (Edison, Fountain Valley, Calif) 10:16.2 for the steeplechase; Al McCullough (Jackson, Miami, Fla) 21.8 for the 220; and Rayford Guice (McLoughlin Jr, Pasco, Wash) who equaled the high jump mark with his 6'6" leap.

Add Tim Provost (Scotch Plains, NJ) 4:24.7 mile as a 15-year-old, and Barrie Williams (North, Torrance, Calif) 4:27.0 while still 14.

## 100 YARD DASH

Florida's emergence as one of the prep track and field powers has been led by a raft of outstanding sprinters headed by Ray Robinson (Lakeland) who claimed the number-one berth in 1970.

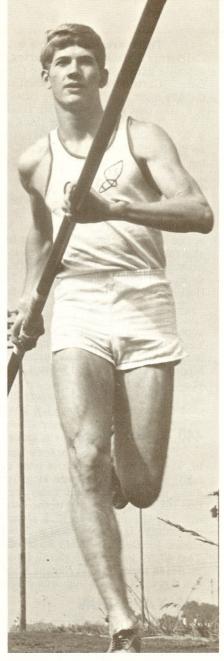

Robinson's windy 9.2 in the Golden West Invitational was the fastest of the season and his four legitimate 9.5s during the regular season marked

him as the most consistent prep sprinter.

Florida could come up with the top dashman again in the person of Ronald Barther (Butler, Jacksonville) who sped to 9.5 in 1970. Competition, however, will be severe, and it would not surprise many in the Bayou country to see Joe Sincere (Washington, New Orleans, La) to emerge as the best of an outstanding crop. Sincere ran 9.5 and sported a strong competitive record in a state famed for its production of top-flight sprinters.

After an 8:56.6 two-mile as a junior in 1970, David Merrick promises more sensational distance performances in 1971. /Photo by AI Messerschmidt/

Multi-talented Tinker Hatfield Jr. returns his 9.6 100, 19.2 hurdles and 15'1" vault abilities for his senior season in 1971. He hails from Central Linn, Halsey, Oregon.

There are many others with strong credentials including defending California State king Allen Carter (Bonita, LaVerne), regarded as the school's greatest athlete since Glenn (Mr Outside) Davis of Army football fame. Carter was All-Sectional in football, baseball and track, running the 100 eight times after the baseball season. His slowest clocking was 9.8, and that was in the state finals. He did 9.6 on five occasions.

Texans J.T. Hollins (McKinney) 9.4w, Sammy Dierschke (Sealy) 9.5w and Sherman Graves (Groesbeck) 9.5w had notable soph seasons, and so did Ralph Pettway (Seneca, Louisville, Ky) 9.5w. Howard Jones (Evans-

ton, Ill) timed a windy 9.5 as a frosh.

## 220 YARD DASH

A group of youngsters with great promise may offset the lack of

proven headliners returning to competition in the 220-yard dash.

Joe Sincere (Washington, New Orleans, La) is among the 100-yard sprint whizzes also represented in the 220, but he has proven better at the shorter distance as have others in the furlong. Still, there are some with promise including J.T. Hollins (McKinney, Tex) who dashed a 21.4 as a soph, and Vasco Bradley (Leto, Tampa, Fla) who shares the top time with Hollins among those returning. Besides a 21.4 Bradley had a wind-aided 21.2.

Sam Burns (El Cerrito, Calif), Stan Bracy (Colorado City, Tex), soph Sammy Dierschke (Sealy, Tex) and David McKee (Jefferson, Dallas, Tex) all had 21.5 bests as juniors (Bracy also clocked a windy 21.0) and Burns could prove to be a terror in this event. Greg Williams (Central, Miami, Fla) 21.2w and Jesse Locke (Denison, Tex) 21.4w also boast outstanding credentials.

Sincere clocked a windy 20.8 on a straight course, but Martin Bo-

quet (Terrebone, Houma, La) boasts the fastest time at 20.5w.

# 440 YARD DASH

A pair of New Yorkers head a talented field of one-lappers returning for at least another year of prep competition. Jim Redd (Hamilton, Elmsford, NY), two-time state king figures to go into the 46s after clocking 47.7 along with a spectacular relay leg of 46.6. During the summer, competition for Redd developed in the form of Mike Sands (Sheepshead, Brooklyn) who ran 400-meters in 47.5 along with a 9.5. Virtually every section of the the country is represented with outstanding returning talent which also includes Joe DeDora (Santa Rosa, Calif) and Jerry Jackson (Terrell, Ft Worth, Tex) 47.9, Johnny Lee (South Dade, Homestead, Fla) and Californians Larry Boaen (Bakersfield), Benny Brown (Sunnyvale) and Tony Krzyzosiak (Garden Grove) 48.2. Boaen was a strong second in the State meet as a soph.

## 880 YARD RUN

Only five of the top 29 return from the 1970 crop and national mark of 1:48.8 appears safe. That could prove an incentive, however, rather

than the improbable feat.

Fastest of last spring's crop back in harness is Horace Grant (Jones, Houston, Tex) whose 1:52.2 equaled the sixth best, and there are those in the southwest who anticipate Grant going below 1:50. Rating close behind the Texan was Bob Marman (Sewanahaka, Floral Park, NY) at 1:52.4, Percell Keeling (Morningside, Inglewood, Calif) 1:52.5, and Gary Proto (Scotch Plains, NJ) 1:53.2, all of whom are considered outstanding prospects along with Steve Groom (Mt Vernon, NY) who also claims a 1:53.2 and whose track-conscious school last year produced three of the nation's best.

## ONE MILE RUN

This event resembles the 880 in the matter of top-flight returnees. Four of the fastest 28 will be in competition again including the number five and six runners of 1970.

Brent Tubb (Cleveland, Reseda, Calif) sped to a 4:09.2 and is the defending California State champion with a world of promise. He is big and strong and that combination, along with dedication, is expected to produce dramatic results during the coming campaign.

Rating right with Tubb is Mike Durkin (Holy Cross, River Grove, III), another in a long line of fine four-lappers to come out of that midwestern stronghold. Durkin clocked 4:09.5 in taking runnerup laurels in his State meet and those in the know predict a great career for this youngster.

Californians David Harper (Clairemont, San Diego) 4:12.5 and Dave Chamness (Awalt, Mt View) 4:14.6, displayed amazing improvement.

### TWO MILE RUN

David Merrick (Lincoln-Way, New Lenox, III) stormed into the limelight with his 8:56.6 during an early April dual meet and followed that up by winning his State championship in 8:59.0. He was one of only two athletes to dip under nine-minutes twice last year.

Merrick is a threat to crack the national mark although much may depend on the type of competition he encounters. Illinois and surrounding states produce their share of top distance talent and there is no reason to suspect more won't be in the offing this spring.

All but two of the remaining eight top two-milers hail from California These include Ed Mendoza (Helix, La Mesa) 9:01.0, Kasto Lopez (Sanger) 9:03.6, Mark Dulaney (Palos Verdes, Palos Verdes Estates) 9:04.2, Larry Greer (Lakewood) 9:06.4, Tom Hale (Campolindo, Moraga) 9:08.0 and Jose Amaya (Wilson, Los Angeles) 9:11.8, only a junior.

Other strong runners include Vince Cartier (Scotch Plains, NJ) 9:12.8, another top junior prospect, and Rudy Alvarez (Horlick, Racine, Wisc) 9:15.2.

# **HIGH-LOW HURDLES**

Aptly-named Randy Lightfoot (Plainview, Tex) is the man to watch in the highs. Sidelined early in last season with a leg injury, Lightfoot stormed back in the summer with a 13.5 clocking, a junior-class record, equal to the age-17 mark and fastest by a prep during 1970. When healthy during the pressure of the regular season, Lightfoot could lower the 13.4 prep best.

California high barrier toppers also loom big nationally with McKinley Mosley (Bakersfield) and Al Hall (Morningside, Inglewood) at 13.8. Another Texas threat is Scottie Jones (Elmore, Houston) at 13.9. Mosley is also the fastest low hurdler returning at 18.7 with Hall just a tenth behind. Charlie Jackson (Lompoc, Calif) at 19.0 is also a solid competitor who could prove tough if he can stay free of injuries.

There will be plenty of competition from the likes of Derral Davis (Tucson, Ariz) at 18.8 and Tinker Hatfield, Jr., (Central Linn, Halsey, Ore) the versatile sprinter-hurdler-vaulter with 18.9/19.2 bests.

The eastern contingent is led by Dave Hermen (Shaker, Latham, NY) who figures to improve on his 18.9, and Eddie Scott (West, Salt Lake City, Utah) should lower his 19.0 in the altitude of the Rockies.

Teammates Dale Miller and Mike McLean (Liberal, Kans) ran 18.9 and 19.0 in a windy race and also figure among the challengers along with Lynn Zwahlen (Davis, Calif) 19.0 and Kirk Dennis (Wendell, Id) 19.2 turn.

## 330 YARD INTERMEDIATE HURDLES

Texans represent top returnees but the event is not yet run on a full-time basis in states other than Texas and New York. Randy Lightfoot (Plainview, Tex) ran 38.1 before his early season injury sidelined him, and if in good health could threaten to go under 37.0. Opposition should come from junior Allen Misher (Lincoln, Houston) 38.3, Jerry Eitelbach (Friendswood, Tex) 38.4, and Scottie Jones (Elmore, Houston, Tex) 38.6, all of whom are tough competitive hurdlers.

## HIGH JUMP

Another exceptional crop of high jumpers could produce some seven-footers, but Reynaldo Brown's 7'3" standard appears safe for at least another year. One of the returnees is Dennis DeLoach (Irvin, El Paso, Tex) whose 6'10" leap cracked Brown's soph class record of 6'9 $\frac{1}{4}$ ", but Dennis must develop consistency to reach the status Brown attained as a prep jumper. DeLoach, however, is considered a great prospect, along with Joe Reccord (Benedictine, Cleveland, Ohio), who scaled 6'8 $\frac{1}{4}$ " as a soph.

Other toppers returning California State runnerup Randy Fulkerson (Santa Fe, Santa Fe Springs) who propelled his  $5'7\frac{1}{2}"$  frame over 6'10".

Of the 40 jumpers who cleared 6'8" or better in 1970, an even dozen return. Also back for another high school campaign are Joel Braggs (Lincoln, Tacoma, Wash)  $6'9\frac{1}{4}$ ", Randy Smith (McPherson, Kans) 6'9", Kerry Elders (Fresno, Calif)  $6'8\frac{1}{2}$ ", Kevin Smith (LaSalle Academy, Providence, RI)  $6'8\frac{1}{2}$ " and Gary Pettus (Belleville, Mich)  $6'8\frac{1}{4}$ ".

# **POLE VAULT**

Prospects in this event are far more numerous than a year ago, but no one appears ready to challenge Casey Carrigan's remarkable  $17'4_4^3$ " record set two years ago.

Bill Miller (Twin Falls, Idaho), however, appears capable of 16-feet or better, which is superior to the national lead of 15'10" of last year. Miller sailed over 15'3" as a junior and at least six others from the 1970 Honor Roll return to offer competition.

Mike McElveen (Westchester, Houston, Tex)  $15'\frac{1}{2}$ ", and 15-footers Tinker Hatfield (Central Linn, Halsey, Ore), Bill Lauer (North Platte, Nebr) and Dennis Morrison (Permian, Odessa, Tex) are all threats for the number-one tag along with Carl Goldstone (San Mateo, Calif) 14'10'', and Bob Crites (Northwestern, Kokomo, Ind) who did  $14'8'_4$ " as a soph.

Hatfield did 15'1" in his sophomore year and was the lone returnee last year from the previous spring's Honor Roll.

## LONG JUMP

Few events will be offering more class talent than the long jump, although Jerry Proctor's record of  $26\frac{13}{4}$ " may withstand a strong challenge for still another year.

Greg Flippen (Riverhead, NY) copped Junior Olympic laurels with a late summer hop of 25'0", and the opposite coast offers Randy Williams (Edison, Fresno, Calif) who also did 25'0" as a junior, and whose only loss was in his state finals by a quarter-inch.

But, there are others, most prominent of whom may be J.T. Hollins (McKinney, Tex) who did  $24'5\frac{3}{4}$ " ( $24'7\frac{1}{4}$ "w) as a soph. He's also a first-rate sprinter and it is understandable why Texans regard him highly.

Others who must be considered include David Powdrell (Highland, Albuquerque, NM) 24'34", Gerald Singletary (Garfield, Seattle, Wash)

 $24'2\frac{3}{4}"$ , James LeGrand (Robinson, Tampa, Fla)  $24'2\frac{1}{4}"$ , Tony Kryzyzosiak (Garden Grove, Calif)  $24'\frac{1}{2}"$ , Darrell Hughes (Yuma, Ariz)  $23'10\frac{3}{4}"$  and Rick Miller (Leigh, San Jose, Calif)  $23'10\frac{1}{2}"$ .

## TRIPLE JUMP

Dave Tucker is the first and only prep to exceed 52-feet in the triple jump and there is no reason to suspect he won't be the first over 53- and

possibly 54-feet, in this his senior campaign.

Tucker won't be resting on his laurels, however, the fourth placer in the National AAU meet being offered competition from his elementary and junior high school teammate Randy Williams (Edison, Fresno) who had the second best effort last spring,  $50\,^{\circ}11\frac{3}{4}$ ", and who offered Tucker the push and incentive he needed.

Many other top competitors give the event plenty of class. Among the best returnees include Craig Conway (Cupertino, Calif.  $49'9\frac{1}{2}''$ , Ken Mc-Bryde (Mt Vernon, NY) 49'0'', both tough competitors, Amos Jones (Opelousas, La) 48'2'' as a soph and Rick Miller (Leigh, San Jose, Calif)  $47'10\frac{1}{2}''$ .

## SHOT PUT

Only three of the toppers from 1970 return to a field that may lack

the headliners of recent years.

Rudy Guevara (Essex Catholic, Newark, NJ) gives his school another national class athlete, and off his 64'6" as a junior looms as the nation's premier competitor in the event. Guevara proved a tough competitor, but may not improve greatly unless that competition is forthcoming.

Cliff Burt (Great Bend, Kans) at 62'3" returns as the best from the midlands, and track buffs in western Pennsylvania are excited about the prospects of Ron Semkiw (Baldwin, Pittsburgh, Pa) who did 61'9\frac{1}{4}" as a soph.

## **DISCUS THROW**

A down year in prospects, although Dick Heard (Douglas, Winston, Ore) could be the one to produce a 200-foot throw for the third succesive season.

Heard tossed 186'3'' to rank eighth among 1970 platter tossers and he has the ability, incentive and dedication to surpass the 200-foot standard.

Lack of competition, however, may be the big stumbling block.

Chris Adams (Los Altos, Calif) tossed 201'3" for the record last year, just one season after George Amundson (Central Aberdeen, SD) tossed 200'1", his 211'4" having been declared thrown on a sloped surface and thereby nullified as a record.

Only one other from the 1970 Honor Roll returns for the 1971 campaign, Ron Tanner (Eagle Grove, Iowa) also making a bid for top laurels

following his 178'10" best as a junior.

## JAVELIN THROW

There's no shortage of first-class talent in this event, although it

may lack the depth enjoyed last season.

Craig Stiles (Malta, Mont) 244'10", and Richard George (Millard, Fillmore, Utah) 241'1" are the strongest threats for the national mark, but the three remaining tossers returning from the 1970 Honor Roll hail from Oregon and competition there may produce someone better than Stiles or George.

Don Cliver (Central Linn, Halsey, Ore) 226'1", thrives on competition, but so do Steve Maryanski (Thurston, Springfield, Ore) at 222'7", and Rod Ewaliko (Gervais, Ore) 221'2", the latter having two years left.

# National, Class, Age Records

compiled by Hugh Gardner

The following compilations represent Track & Field News' national high school records, as well as class and age records. The prep records do not necessarily agree with those maintained by the National Federation of State High School Athletic Associations. There is no conflict with the class or age bests as no other organization compiles such information; the age marks are considered world bests as they are international in scope. Here, only those age bests roughly covering the high school athletes are included. F=frosh class record; first s=sophomore class record; J=junior class record; second s=senior class record. For further details, refer to the Statistical Explanation on the inside front cover.

100 YARD DASH

compiled by Jack Shepard

This 1970 US high school outdoor list covers the school year beginning Sept. 1, 1969 and concluding Aug. 31, 1970. For regularly contested events, it includes the top 10 performances (give or take a few in the case of ties)—indicated by an underscore of the final mark—and continues through 30 performers. Smaller lists are carried for less frequently contested events. For athletes appearing more than once in the performance section, only their last names appear in indented style. Further particulars on the compilation are provided in the Statistical Explanation on the inside front cover.

compiled by Hugh Gardner

This all-time high school outdoor list includes for most major events the top 10 performances by high school athletes (except where ties necessitate longer listings)—at which point a line underscores the last of these. Regardless of whether one athlete or 10 athletes account for the top 10 performances, a total of 30 athletes (or more in case of ties of marks) is published for standard events—less for non-national events. In the performance section, when an athlete has more than one mark, only his last name and the year of his feat are listed—in indented form. More complete details are listed in the Statistical Explanation, inside front cover.

# 1970 Indoor List

compiled by Jack Shepard

This 1970 US high school indoor list covers marks of performers from Sept. 1, 1969 to Aug. 31, 1970, and includes 10 athletes for the most regularly contested events. Marks registered on any surface are eligible for listing, but times recorded on tracks larger in circumference than 220-yards are listed separately under "Oversized track". The category "Short track" refers to marks made in the Jersey City Armory. Thought to be a 220-yard oval, it was discovered to be 2.5-yards short per lap. No more than one performance per athlete is carried in these lists. Other specifications on T&FN rules are explained in the Statistical Explanation on the inside front cover.

50 YARDS	50.5	Jerry Kranik (Maine East, Park Ridge, Ill)
	50.6	*Gary Gordon (Boys, Brooklyn, NY)

10:33.6 McKinley, Niles, Ohio Short track: 10:16.8 Catholic, Roselle, NJ

# All-Time Indoor List

compiled by Hugh Gardner

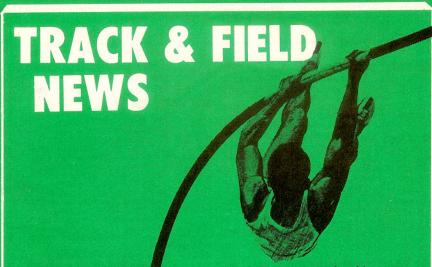

This all-time high school indoor performers list is a continuation of the first-ever such list published in the 1969 High School Annual. Marks which bettered performances on that list thus are listed here --five deep in most cases and except in the case of ties. Running events contested on tracks larger than 220-yards are carried under the separate category of "Oversized Track". The year of the performance is listed at the end of each line. Other information regarding the compilation of this list can be found in the Statistical Explanation on the inside front cover.

TRACK & FIELD NEWS, the popular bible of the sport for 21 years, brings you news and features 18 times a year, including twice a month during the February-July peak season.

**THE EXCITING NEWS** of the track scene comes to you as it happens, with in-depth coverage by the world's most knowledgeable staff of track reporters and correspondents.

A WEALTH OF HUMAN INTEREST FEATURES involving your favorite track figures will be found in each issue. This gives you a close look at those who are making the news: how they do it and why, their reactions, comments, and feelings.

**DOZENS OF ACTION PHOTOS** are contained in each copy, recapturing the thrills of competition and taking you closer still to the happenings on the track.

STATISTICAL STUDIES, U.S. AND WORLD LISTS AND RANKINGS, articles on technique and training, quotable quotes, special columns, and much more lively reading complement the news and the personality and opinion pieces to give the fan more information and material of interest than he'll find anywhere else.

THE COMPREHENSIVE COVERAGE of men's track extends from the preps to the Olympics, indoor and outdoor events, cross country, U.S. and foreign, and other special areas. You'll get all the major news of your favorite sport. Only \$6.00 for one year (18 issues).

We also offer track books, films, tours, pins, and other merchandise. Write for our free Track & Field Market Place catalog. TRACK & FIELD NEWS, BOX 296, LOS ALTOS, CALIF. 94022.
