ATHLETES OF THE YEAR

Owolabi Leads Field Forces

It was the "Year of the Field Evert" among preps in 1978, and the voting for '78's High School Athlete-of-the-Year reflects the considerable presence of the field forces.

And the voting between the two "O-men" was oh-so-close, with triple jump recordman Sanya Owolabi edging high jump recordsetter Gail Olson by a mere 2 points. Olson was also runnerup in '77's balloting.

Six of the top 10 sports were claimed by fieldmen, with international shot claimant Mike Carter 3rd, discus recordman Dave Porath 5th and leading vaulters Anthony Curran and Jeff Buckingham 6th and 8th.

Highest ranked runner was versatile John Gregorek, who made his talents felt from the mile through the steeplechase and distance relays. Top one-lap hurdler Chris Person split the vaulters for 7th, 100 leader Carlton Young is 9th and 2M pacer Alan Scharu 10th.

Such was the quality of '78's season that

Scharu could place only 1 notch higher than his 11th of 1977.

GAIL OLSON

It would be natural for Gail Olson to wonder exactly what he would have to do in order to be selected as prep Athlete-of-the-Year. The runner-up to Renaldo Nehemiah in 1977 (by 23 points), he came within 3 points of winning this year.

Not that he didn't have the credentials during 1978. The senior from Sycamore, Ill., has ruled over the high jump for the past two seasons and '78 was no exception.

He produced the three-highest leaps of the year by a prep, topped by a national record 7-4 1/2 at his conference meet. His 7-4 victory at the International Prep is the =2nd highest prep effort in history.

His No. 3 clearance of '78, 7-2 1/2, gave him 2nd in the British Championships, his best performance on a short European tour. He also topped 7-2 three times during the year.

Such has been Olson's dominance in the past two seasons that he now owns the top 5 performances in prep history, and 14 of the leading 21 ever.

MIKE CARTER

Just as Gail Olson dominated the high jump, so did Michael Carter lord over the shot. Just a junior at Jefferson High in Dallas, Carter has already mounted a formidable challenge to that other superb Texas putter, Randy Matson, as the finest prep shot exponent in history.

In 1978, the 6-4/245 Carter turned in 9 of the year's top 10 performances with the 12 lb. ball, topped by a 71-1 1/2 blast. Only two others have ever thrown farther in prep history. Such was his dominance that his closest pursuer was almost 3 full feet in arrears.

But it was with the international 16 lb. orb that Carter really exerted himself. He didn't throw the big ball for the first time during the year until the AAU Junior Championships in late June—but what a way he started. Merely 61-4 1/2 for a new prep record. He then won the US-USSR Junior I meet at 60-11 1/2 and took 2nd in both the USSR II (58-4 1/2) and West Germany-Britain (57-9) meets. Here, too, his margin ahead of his prep foes was wide, almost 5 feet.

Owolabi Bounds Over Windmills

On the evening in 1970 that Dave Tucker triple jumped 52-6¼ for a national high school record, he was probably unaware of the monster he had created. Monster, that is, for all high school triple jumpers for the next 8 years. For that mark, ahead of its time, withstood every onslaught that prepdom could offer. Scores of Don Quixotes fell to the unassailable windmill.

Until, that is, the afternoon of July 4, 1978, in the unlikely locale of Donyetsk, USSR. There, Sanya Owolabi hopped, stepped and jumped ahead of his time, passing Tucker and landing 53-4¼ from the board.

For that record, and his total domination of high school triple jumping, Sanya Owolabi was selected 1978 High School Athlete Of The Year.

"I knew I had it as soon as I left the board," says the strapping (6-1/165) windmill conqueror from North Tarrytown, N.Y. "You can tell sometimes." The record was a culmination of what had been a long time in coming for Owolabi. Sanya and coach Craig Ward of Sleepy Hollow HS were certain that the 1970 record was ready for the history books after his 51-1 as a junior.

Not that Owolabi's claims to fame end there. For such was his superiority that his sixth-best jump surpassed the best of any other prep—and 1978 was no shabby year for triple jumpers, as two others were over 51 feet. Add to that the fact that he also had the top four indoor marks in the country, and a might-have-been record of 53-3½ at the IPI meet which went down as windy since there was no gauge on hand, and the accomplishments of this 18-year-old (8/7/60) take on added luster.

Sheer quality of marks aside, however, Owolabi's most remarkable trait was his high level of consistency. From the 49-5½ in his first indoor meet in January, Owolabi was over 50 feet (windy jumps included) 10 times—7 of those efforts were 52-plus—and his record jump didn't come until July, 6 full months later. Such consistency is the goal of any athlete, and is usually the trademark of experience and maturity rather than youth. It is that factor which truly set Owolabi off from his fellow preps.

He says simply, "I was more consistent than they were, and that was my goal." Offers Ward, "He is the most consistent high school triple jumper that has ever competed. It is a *grueling* event, and I was always concerned with his getting hurt. So he concentrated on speed work and flexibility." And all through the prep season he was sprinting and long jumping (a best of 24-10¼w) for his team, as well.

Still, for Sanya, attaining the national record was the year's most satisfying moment: "I had a goal of 53 feet this year, but I was still surprised. What happened was, I could have had it at the Penn Relays, but every single time I was behind the board. I couldn't get my steps right."

Ward notes, "He was going a little bit to one side." He still managed to span 52-2¾. Sanya tried again at the Loucks Games, and fell less than 3" short of the NR. "From then on," explains Ward, "his major meets were the GWI, the IPI, and the AAU Junior, so we had 5 major competitions. We expected to get the record in one of those. It surprised me a

Keith Conning

little bit that it took Sanya until Russia to get untracked."

Admitted Owolabi, "I was thinking about the NR too much after a while. It seemed like all year long I was so close. It seemed like every time I got it was taken away from me." And when it came? "I wasn't sure they were going to give it to me. I just waited until we got home and I found out for sure."

One is tempted to wonder how he will stand up under pressure, when he is really tested. He's already answered that one, thank you. He trailed Ernest Marvin all the way at the GWI. When Marvin hit 51-7 on his last jump, Owolabi appeared beaten. That is, until he responded with a near-record 52-5½. And that is how Sanya Owolabi competes.

He has gone to ply his trade at Kansas, far from North Tarrytown, but he says, "I like the track program and the school, and the people here are really nice. I'd like to make the NCs, and jump between 54 feet and 55 outdoors. It will take a lot of hard work."

Says Ward, "One of his primary quests this year was to set the NR; the other was to be recognized as one of the premier high school athletes in the nation." The former goal was attained in July. Now, as Athlete Of The Year, he has solidified his claim to the latter.

	209-6	Porath	Sacramento, Calif	6/10

Sanya Owolabi (Sleepy Hollow, North Tarrytown, NY), the superb triple jumper, won a close contest from Gail Olson (Sycamore, Ill) for Prep Athlete of the Year honors. Owolabi's exploits are reported on the previous page.

Olson, also runnerup for Indoor Athlete of the Year honors, dominated the high jump as he cleared 7 feet in every meet, was over 7-2 in 6 meets and upped his year-old outdoor record by 1/4" to 7-4 1/2. Indoors, he added 3" to the record with a superb 7-5 effort.

Only junior Terry Ellis (Pateros, Wash) at 7-2 1/2 (3rd-best ever) and Kerry Myers (Berkeley, Calif) could get close as 27 topped 7 feet and at least 10 of them return in '79.

The discus was an exciting event as Dave Porath (Atwater, Calif) and Scott Crowell (Mason City, Iowa) traded the record. Porath opened with 206-6, Crowell reached 207-8 the next day and then Porath boomed 209-6 to win the Golden West. In all, 14 topped 190 feet, with Scott Lofquist (Shawnee Mission South, Overland Park, Kans) hitting 200-0 and 175-1 with the international platter. His sophomore teammate Clint Johnson easily set class records of 196-0 and 161-1.

The other super field event was the pole vault where Anthony Curran (Crespi, Encino, Calif) and Jeff Buckingham (Gardner, Kans) both topped 17 feet. Curran had 5 meets over 17 feet, topped by a 17-4 1/2 which missed the national record by just 1/2". Buckingham's 2 17-footers were topped by a 17-3/4 as four others cleared 16 feet including freshman Bill Lange (Bridgewater-Raritan East, Martinsville, NJ) at 16-0.

Junior Mike Carter (Jefferson, Dallas, Tex) should smash the national shot record (72-3 1/2) this coming season, as he had 6 meets over 70 feet, topped by 71-1 1/2 and 71-1 1/2 efforts. At the AAU Junior meet, his 61-4 1/2 with the 16-lb. shot upped the national record by 3 1/2".

The year's top runner was John Gregorek (St. Anthony's, Smithtown, NY), who led 3 events: his 4:05.4 mile won the Golden West; his 3:47.5 1500 came on the Junior tour against the USSR; his 8:56.9 win in the Junior AAU steeple is the No. 2 prep time in history. His 8:50.7 2M was 2nd to the fine 8:44.0 by Alan Scharu (Fitch, Austintown, Ohio); that Golden West winner makes Scharu No. 3 all-time.

In the relays, Lake Charles (La) was superb, combining for clockings of 40.9, 1:24.8 and 3:13.7, each ranking in the top 5 nationally. The 4 x 220 time took 0.2 off the national record. Lake Charles also ran 1:24.9 and had 5 other sub-1:26.5 clockings.

Banning (Wilmington, Calif) led 3 other teams to sub-3:14 clockings at the California State meet with its 3:11.6 national mark in the 4 x 440. This trimmed

0.2 off the record first set back in '67 and later matched by 2 other teams.

The high hurdles had loads of talent as 12 ran 13.6 or quicker, led by the 13.3s for Steve Parker (Athens, Ala) and Philip Johnson (Gardena, Calif) in the Golden West race. Six with 13.7 or better will return, led by Rodney Wilson (Bartram, Philadelphia) and Dexter Hawkins (West Fulton, Atlanta, Ga). Wilson clocked 13.4 and his 13.97m over the 42" hurdles ranks 2nd all-time. Hawkins set a national auto-timed record of 13.61 and now hold 3 class records (2 of them with Wilson).

Chris Person (Plainfield, NJ) was the year's best prep over the intermediate hurdles. He ran 36.5m to just nip Greg Gonzales (Skyline, Salt Lake City) at the International Prep meet. Person recorded 5 400 races under 52.0, led by a 51.00 which makes the Golden West and AAU Junior winner 3rd all-time.

Among the many fine sprinters, junior Carlton Young (Central, Philadelphia), Eric Brown (Bethel, Hampton, Va) and LaNoris Marshall (Dysart, Peoria, Ariz), were particularly consistent with top efforts. Young and Brown both ran 9.4 and 20.9 while Marshall, Indoor Athlete of the Year (see p. 36) with records at 60y and 60m, ran 9.55, 10.33 (3rd-best ever) and 20.9.

Along with Young, the top returnees should be Mitchell Bennett (Bonham, Tex), whose 9.3 leads 5 other returnees at 9.4 or faster, and Anthony Polk (Winslow, Ariz) at 9.60 and 21.05. The latter topped Marshall in the state meet and leads 3 other 21.2 performers into 1979.

Bill Green (Cubberley, Palo Alto, Calif) easily led the 440 with his 46.77 state meet win and 46.34m in Mexico City. He returns with a good NR chance.

Jim Spivey (Fenton, Bensenville, Ill) was undefeated, led the nation with his 1:50.3 state 880 win and ran a fine 4:06.2 1600 at the IPI. California has top two-lap returnees as soph Jeff West (Crenshaw, Los Angeles) set a world age-15 record of 1:50.5m, while junior David Mack (Locke, Los Angeles) at 1:51.8 and soph Pete Quinonez (Tulare) ran 1-2 ahead of West (3rd) in the state meet.

Donnie Butler (Fremont, Los Angeles) led the long jump at 25-4, but the most consistent 25-footer was Wayne Walker (Pueblo, Tucson, Ariz) at 25-2 1/2. Dokie Williams (El Camino, Oceanside, Calif) was a double state champ at 25-1 1/2/51-1/2, the latter good for 3rd among the year's performers behind Owolabi and the 51-7 by Ernest Marvin (Spring Valley, Columbia, SC).

At least 7 24-footers return, led by the 24-10 (25-9w) by 9.3w sprinter Carl Lewis (Willingboro, NJ). Four 49-footers return, led by the 49-10 for Henry Ellard (Hoover, Fresno, Calif).

1978 Men's All-American Team

"The old order changeth, giving way to the new." That old saw was never more true than when it came to picking the 1978 All-American team.

The only repeaters from the '77 team are high jumper Gail Olson and 2-miler Alan Scharsu. The most prominent name in this year's ratings has to be that of John Gregorek, who leads the mile and steeple, is runner-up to Scharsu at 2M and anchored the leading distance medley squad.

Selections are based on the number and quality of top performances, winning efforts in important meets and results of head-to-head competition with other leading performers.

100-CARLTON YOUNG (Central, Philadelphia-junior): Young never lost to another prep as he clocked 9.4 (9.3w), 10.39 and 20.9

The Big Invitationals

As happens every year when the nation's leading seniors get together, the major prep invitationals all produced their share of top-flight competition.

At Atlanta, sprinter Eric Brown starred with a 9.4/21.0 sprint double, plus anchoring his D.C. Striders club to relay victories of 40.6 and 3:11.6.

The Golden West produced the one national record of the invitational season, as Dave Porath whipped the disc 209-6 to regain the record he had held for just 24 hours earlier in the season.

John Gregorek won the mile with a season-leading 4:05.4, while Alan Scharu took the 2M with the year's fastest, 8:44.0. Sanya Owolabi bounded 52-5½, just 1¼" off the national triple jump record.

At the International Prep, Owolabi exceeded the prep TJ record with his 53-5½ effort, but it was wind-aided. The wind also pushed sprinter Butch Woolfolk to a pair of fine efforts, 10.1 and 20.4 to best Wayne Johnson (10.1/20.5). And Woolfolk was originally only an alternate entry.

Gail Olson also attended the meet originally as a spectator, but he was talked into high jumping and produced the No. 2 jump of the year, 7-4.

CARL JOYCE—

1947's Athlete of the Year.

Explaining The Statistics

Eligibility: All U.S. high school athletes (not those from possessions, such as Puerto Rico) from freshmen through seniors who competed in recognized competitions may qualify so long as they have not received a diploma from previous attendance in high school and haven't exceeded four years of competition or reached their 20th birthday.

Team affiliation is not a prerequisite for the inclusion of an athlete's marks. Athletes considered ineligible by local rules will be carried if they conform to *T&FN* policies.

The indoor and outdoor lists both contain marks from Sept. 1, 1977, to Aug. 31, 1978. Spring graduates remain eligible for the lists until Aug. 31 of their graduating year.

Records: *T&FN*'s national high school records do not necessarily concur with those of the National Federation of State High School Athletic Associations.

The differences are based on five points.

1. While the federation only accepts marks from meets involving at least five teams, *T&FN* will consider those from dual meets;

2. While the Federation limits the season to the actual semester of track, *T&FN* will consider marks from the entire year;

3. While the Federation takes only winning marks, *T&FN* lists some non-winning marks also;

4. While the Federation lists only marks by athletes from its member schools, *T&FN* considers all preps; and,

5. While the Federation only reviews marks registered in interscholastic competition, *T&FN* will consider marks from any authorized competition.

Indoors, no times made in turn races on oversized tracks (larger than 220 yards) are accepted.

For class records, the frosh limit is 16 years, soph 17, junior 18 and senior 19.

Abbreviations: A=mark made at altitude (above 1000m); n=non-winning mark; °=mark made en route to a longer distance; h=heat; sf=semifinal; ' after state indicates athlete ineligible for team by local rules; †=mark converted from meters; * =junior; **=sophomore; ***=freshman.

Timing: Fully-automatic timing has become the standard in sprint races internationally and more and more prep races are being timed in this more-accurate manner. Those which make the lists have been incorporated into the lists (times in 100ths), and their "value" calculated by assigning a conversion factor of either 0.24 (100, 220, 120H) or 0.14 (440 and 440H).

MEN'S INDOOR ATHLETE

Marshall's Sprints Pace Season

Marshall's exploits, which won him Indoor Athlete of the Year honors, are recounted below.

Close behind in the race for top plaudits was Olson, whose first-ever indoor meet produced a national high jump record of 7-5, up 3" from the '77 record. In his only other meet, Gail cleared 7-0.

Chris Person (Plainfield, NJ) displayed his talents both on the flat and over the hurdles. He clocked 7.49 over the 60 highs and was national leader with his 1:11.2 (57.9 500 en route) Eastern States win. Both efforts rate 6th all-time and nipped the 58.1 and 1:11.2 by Darrell Jeffress (Central, Trenton, NJ).

In the same meet, Butch Woolfolk (Westfield, NJ) equaled 4th all-time with his 31.0 300 triumph. In the 440, Brian Denman (Boys & Girls, Brooklyn) ran to =3rd all-time with his 49.0 as 4 others were under 50.0 (a time equaled by Person).

Virginia was loaded with sprinters. Ken Diggs (Bayside, Virginia Beach) and Attell Simpson (Ferguson, Newport News) both ran 5.2 for 50y, while Eric Brown (Bethel, Hampton) zipped 5.3 and 6.25 for 60y. The latter topped Anthony Whitaker (Manor, Portsmouth) at the state meet after Whitaker turned in a 6.21 semi.

In the distances, Alan Scharsu (Fitch, Austintown, Ohio) moved to 4th all-time with his 8:53.6 2M and his 8:18.4 3000m rates 2nd in history. The season's best mile found Karsten Schulz (Westminster, Md) edging junior Tom Cuff (Seneca Valley, Germantown, Md), 4:13.5 to 4:13.8.

Over the hurdles, Antoine Holloman (Princess Anne, Virginia Beach, Va) matched the 50 highs record at 6.0 and his 7.44 state meet win set an auto-timed best in the 60 highs. Val Robinson (Jefferson, Richmond, Va), who had set the record at 7.46 in the heats, also clocked 6.2 in the 50s and 7.1 over the 60s. The latter time was matched by Tony Smith (Norristown, Pa) and Orlando McDaniel (Lake Charles, La). Junior Robert McGee (Evanston, Ill) had fine 7.2 (60HH) and 6.9 (60LH) efforts in the Midwest.

Jeff Buckingham (Gardner, Kans) moved to 3rd all-time with a 16-4 clearance, while those at 15-6 included frosh record setter Bill Lange (Bridgewater-Raritan East, Martinsville, NJ).

Sanya Owolabi (Sleepy Hollow, North Tarrytown, NY) dominated the triple jump, just as he did outdoors. His 50-6¾ ranks 3rd all-time and he had 3 other meets over 49 feet.

Just as dominant was Dan Krueger (Bayside, Virginia Beach, Va) in the shot as he owned the top 6 efforts, paced by 65-5½ put.

In the relays, Asbury Park, NJ put together a

3:20.2 in the 4 x 440 to equal 4th all-time.

Marshall: Indoor's Best

LaNoris Marshall didn't waste any time in setting the tone of his 1978 indoor sprinting season.

In the prep section of the All meet 60m in early January, the stocky speedster from Dysart High in Peoria, Ariz, blasted out of the blocks in his typical bullet fashion and scooted to a prep record 6.69 clocking.

And that was the way it went through much of the undercover campaign: the lightning-starting Marshall sprinting out in front, defeating some of the finest open sprinters in the world and collecting prep records along the way.

His exploits earned Marshall the honor of Indoor Athlete of the Year as he narrowly edged high jump recordman Gail Olson (Sycamore, Ill).

As might be expected, once word got out about the extraordinary talent of Marshall, the big time opened up for him. After a 6.35 at the Sunkist, Marshall traveled to Albuquerque.

Yes, altitude is helpful to sprinting, but Marshall lit the track on fire anyway, hustling to a prep 60y record 6.18 in his heat of the prep section. In the final, he blazed a superb 6.14—a time bettered by only 4 other dashmen all season, and by a mere 0.01 by 3 of them.

Then, in the open 60, Marshall hit 6.28 in his heat before pushing none other than super-starter Houston McTear all the way to another 6.14. But Marshall's start was better than good, judged as a flyer by many observers.

Next at San Diego, Marshall clocked 6.26 for a big victory over such luminous names as Steve Williams, Don Quarrie and Clancy Edwards. At San Francisco, his 5.7 50m gave him a share of 2nd all-time. He rounded out his stellar year with runs of 6.24 (heat) and 6.33 (semi) at the AAU.

"I've really learned to explode out of the blocks," says Marshall of his strongest asset. Says club coach Bruce Frankie, "Sometimes his start is too quick. He moves so fast out of the blocks that he gets a delay in his arm action and overstrides about the 3rd stride."

Says Marshall, nicknamed "Cricket" by his Phoenix BGs clubmates, "Bruce has taught me everything I know. He's like a father to me."

But Frankie knows Marshall has earned every honor he has received: "An athlete is something special when he drives 45 minutes one way every day to have someone train his guts out."

Williams Surprised Even Herself

In looking back over the 1978 outdoor season, Cheri Williams is the first to admit that it was a year of one surprise after another for her.

The petite (5-3 $\frac{1}{2}$ /98) senior from Livermore, Calif., hoped to improve her mile and 2M bests from '77 marks of 5:05.0 and 10:51.5 to around 4:45 and 10:30. Injuries had hampered her in '77, but she felt 1978 would be better, even though it really was only her second year of serious running.

So her surprise is understandable after a season which saw her set a national 2M record of 10:09.0 and win the mile/2M double in the California State meet (a PR 4:45.0 and 10:17.7), the AAU Junior 1500 and 2 of 3 races on the Junior tour of Europe, including the fastest outdoor 1500 of the year (4:20.9).

After that, it was no surprise that Cheri Williams was voted the 1978 High School Women's Athlete of the Year by our national panel.

The Oregon-bound 18-year-old (1/21/60) knows what made the difference between this year and last—the 50m drive she made westward every day to train with her San Jose Cindergals clubmates.

"I had really been running only 2 years and I didn't know what to do," says the happy Williams. "We worked on my base during cross country and I really love to run hills. That really helped build my strength.

"I just went to practice every day and worked a lot harder. Also, my mind was in a better place. I wasn't worried about getting injured. I knew this was my last year to do well in the state meet. Every workout, I psyched myself up for that one goal."

Says Cindergals coach Augie Argabright, "Cheri is able to take a tremendous amount of work. Plus she is very determined to win and she runs smart. She has a tremendous pain threshold; when other people are tired, she's still going."

But Argabright tried to control Williams from going too much, too early. "I told her it wasn't necessary to run fast times early in the year," he says. "I told her to just take it easy and save it."

That advice paid off on May 27 in Berkeley at Williams' section meet when she cruised her national record, nipping Lynn Bjorklund's 10:11.1 of 1974.

That race showed Cheri (as in sherry) she was something special: "I had been running in awe of many of the Cindergals because they are so good, but after the record I thought I had a chance to do something good. That race gave me the confidence which carried me through the rest of the year."

She had wanted the state mile all along, but the record bolstered her confidence to try both distances. She first won the 2M by almost 6 seconds and then the mile by nearly 5.

Even then, Cheri wasn't totally convinced of her talent: "I really didn't think I would make the national team. But I did think that if I had come this far after only 2 years, what can I do? Rather than being scared or afraid of the success, I just thought, 'Wow, this is neat!' It made me think that if I work all the harder, there is hope for something more in the future."

She showed she could run against anyone at the national AAU, anchoring the winning 4 x 880 with a 2:06.3 and holding off Darlene Beckford and Olympian Kathy Weston in the process.

Bill Leung, Jr.

CHERI WILLIAMS

And after taking the Junior title (4:21.3): "I was so surprised to win. It was just incredible. I was just elated."

So it was off to the USSR and West Germany and wins in the Soviet meets. She finished the year with 3 of the 5 fastest 1500s by prep women.

Cheri is remarkably mature about her hopes for the future: "I'm not going to put expectations on myself for my first year. It will be a big adjustment to be in college and a new program. I just want to take things slowly because I've been running only 2 years and most of the other great runners have been at it five times as long. I've got a lot of time left."

1978 Women's All-American Team

When it came to picking the '78 women's All-American team, there were no precedents to follow. That's because these are first-ever such rankings.

But several of this year's top-rated athletes should be around in coming seasons, as non-seniors lead 6 events (and are among the top 3 in 8 more).

As with the men, selections are based on the number and quality of top performances, winning efforts in important meets and results of head-to-head competition with other leading performers.

100—ALICE BROWN (Muir, Pasadena, Ca): The runner-up to Carney at the Junior Nationals, Brown ran well internationally, winning against the Soviets and later against Japan. Glover was the Age-Group champ.

2. Michelle Glover (Pennsauken, NJ—fresh); 3. Deandra Carney (Arlington, Indianapolis).

200—FREIDA COBBS (Berkeley, Ca): Just 3rd at State, Cobbs came on strong to win the Junior title and was twice first American on the European tour. She scored the nation leader (23.72A) at the USOC Festival. Bound for Arizona State. Bolton won the California crown but slipped to 3rd at Bloomington. 2. Kelia Bolton (Hill, San Jose); 3. Valerie Brisco (Locke, Los Angeles).

400—FREIDA COBBS (Berkeley, Ca): Cobbs gained her second No. 1 by again winning the Juniors. She also won the first Soviet dual. Gorham ran the year's fastest time (52.64y) in winning the Junior

Olympics. Cal and Junior runner-up Emerson had 17 sub-56 races.

2. Jennie Gorham (North Kansas City, Mo—junior); 3. Arlise Emerson (Westminster, Ca).

800—DARLENE BECKFORD (Ridge & Latin, Cambridge, Ma—junior): After winning the sensational Junior race, Beckford turned in a solid set of times in Europe. Junior Olympic winner Coleman had the year's fastest time, 2:05.0, as underclass types reigned.

2. Deanna Coleman (Issaquah, Wa—soph); 3. Ann Regan (Camden, San Jose—junior).

1500—CHERI WILLIAMS (Livermore, Ca): With her 4:21.3 win in the Juniors and 4:20.9/4:21.9 victories in the Soviet duals, Williams had the year's three fastest outdoor performances. She also won the California title. Is headed for Oregon.

2. Tania Wells (Melrose, Memphis—junior); 3. Stacy Crystal (Longmont, Co—junior).

3000—CHERI WILLIAMS (Livermore, Ca): Despite jogging the Junior 3000, Williams gets the nod here off her prep record 10:09.8 2M, which she followed a week later with the California title in 10:17.7. Lynn Jennings (Bromfield, Harvard, Ma) set indoor bests in the 3000 and 2M (plus the 1500), but as she didn't run at all outdoors, we did not consider her for these rankings.

2. Betty Jo Springs (Bayshore, Bradenton, Fl—junior); 3. Martha White (State College, Pa).

Long Distances—IRENE GRIFFITH (Port Townsend, Wa): After leading the country at 2M in

All-Americans went down to the wire in a close AAU Junior 800 final. Top-rated DARLENE BECKFORD (c) edged No. 3 Ann Regan (r) as Joetta Clark was a close 3rd. All ran seasonal bests with 2:05.3—and all are back in 1979.

Don Chadez

'77, Griffith turned to longer races, setting a prep record 5000 (16:44.9) and turning in the No. 2 time ever in the marathon (2:47:02). Griffith will join Williams in bolstering Oregon's distance corps. Bier set a prep 10,000 record (34:54.8).

2. Roxanne Bier (Independence, San Jose—soph); 3. Ann Trason (Pacific Grove, Calif).

100 Hurdles—CANDY YOUNG (Beaver Falls, Pa—soph): Runner-up at the Juniors, Young came on strongly in Europe, beating her rival 3 times with sub-14 races, topped by 13.88. Junior Olympic winner Turner had the fastest time over 30" (13.65), while Garnett led at 33" (13.6).

2. Kim Turner (Mumford, Detroit); 3. Kay Garnett (Kennedy, Seattle—junior).

400 Hurdles—SANDRA FARMER (Barton, Brooklyn—soph): The national record holder, Farmer passed on the Junior meet, but was an easy time leader with her Penn Relays win (59.85). Brown won at Bloomington, with Scruggs the Junior Olympic champ.

2. Edna Brown (Bartram, Philadelphia—junior); 3. Vivian Scruggs (Roosevelt, Greenbelt, Md).

4 x 100—JORDAN, Los Angeles: Just 4th in the city meet, the quartet roared back to win State in the year's fastest time, 47.14 (just 0.01 ahead of Hill).

2. Hill, San Jose; 3. Trimble Tech, Ft. Worth.

4 x 400—WOODSON, Washington, DC: Took the NR down to 3:47.6 as the foursome broke 3:50 on 3 occasions. Prolific Sammamish broke 3:55 in 7 races.

2. Sammamish, Bellevue, Wa; 3. Camden, NJ.

High Jump—COLLEEN RIENSTRA (Sparks, Nv—junior): Rienstra was an easy choice, beating Metcalf at the Juniors and 2 out of 3 in Europe and having the year's highest clearance (6-½). Crosgrove had 11 meets over 5-8.

2. Margaret Metcalf (Manzano, Albuquerque); 3. Julie Crosgrove (Sammamish, Bellevue, Wa).

Bill Leung, Jr.

CHRISTI PYLE—

Top discuser.

Long Jump—CAROL LEWIS (Levitt Jr, Willingboro, NJ—fresh): A fantastic season for this 9th-grader, who hasn't even started HS yet. The Junior champ at 20-5¼w, she also won the Penn Relays, New Jersey State and AAU age-group.

2. Gwen Loud (Westchester, Los Angeles—junior); 3. Pam Styles (Jacksonville, NC).

Shot—CARRIE ALBANO (Meadowdale, Wa): Albano dominated the 8lb scene with the top 4 marks, headed by 51-5, No. 3 ever. Also headed for Oregon. Junior champ Majors led the 4k list (46-11).

2. Eleanor Majors (North Central, Indianapolis); 3. Elaine Sobansky (Trinity, Washington, Pa—soph).

Discus—CHRISTI PYLE (Hoover, Glendale, Ca): Junior and California winner Pyle dominated the list with the top 4 throws, 158-4 leading the way. Bound for Northridge State.

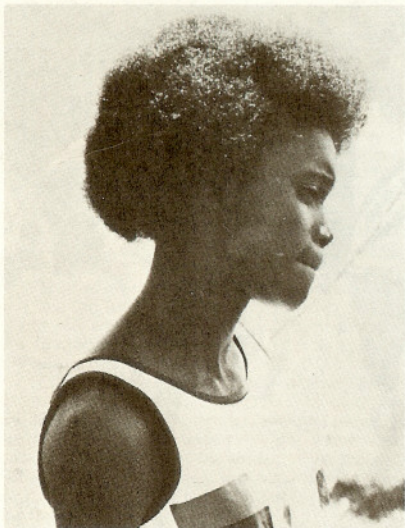

2. Leslie Deniz (Gridley, Ca—soph); 3. Vickilee Cobern (Paint Rock, Tx).

Javelin—JACQUIE NELSON (Canyon, Anaheim): Williams had the longest throw (166-8 in Europe), but Nelson had 5 meets over 158 and won the Junior title.

2. Debbie Williams (Euclid, Oh); 3. Mary Osborne (West, Billings, Mt—junior).

Pentathlon—KERRY ZWART (Crescenta Valley, La Crescenta, Ca—junior): Zwart's Junior win (3912h) is the No. 2 score ever.

2. Judy Pollion (Kingsbury, Memphis—junior); 3. Susie Ray (Orange Jr., Orange, Ca—fresh).

SANDRA FARMER—

400 hurdles leader as a soph.

The Progress Continues

On May 12, 1978, Marshall of Oklahoma City made history, becoming the first prep women's team to better 3:50 in a 4 x 440 when Theresa Brantley, Valerie Armstrong, Rochelle Armstrong and Lorna Tucker clocked 3:49.5. It wasn't the first record of the '78 season, but it exemplified the progress women's high school track has made in just a few years. The records set during '78:

100y	10.66	Michelle Glover (Pennsauken Jr, Pennsauken, NJ)	Lincoln, Neb	8/12
220y	23.99	Kelia Bolton (Hill, San Jose, Calif)	Bakersfield, Calif	6/ 3
440y	52.67	Jennie Gorham (North Kansas City, Mo)	Lincoln, Neb	8/13
2M	10:09.8	Cheri Williams (Livermore, Calif)	Berkeley, Calif	5/27
5000m	16:44.9	Irene Griffith (Port Townsend, Wash)	Seattle	4/22
10,000m	34:54.8	Roxanne Bier (Independence, San Jose, Calif)	Westwood, Calif	6/ 8
80yHurdles	10.31	Kathy Bergoon (Hastings, Alief, Tex)	Houston	4/22
300mHurdles	42.22	Sandra Farmer (Barton, Brooklyn, NY)	Washington, DC	6/10
4 x 200	1:39.3	Ball, Galveston, Tex	Austin, Tex	5/ 6
4 x 440	3:49.5	Marshall, Oklahoma City, Okla		5/12
	3:47.6	Woodson, Washington, DC	Washington, DC	5/18

Marshall's record didn't last long as 3 more schools broke 3:50 during the next 3 weeks. Woodson (Washington, DC) confirmed a new era in one-lap sprinting for teen-aged American women with its 3:47.6 only 6 days later. Sammamish (Bellevue, Wash) ran 3:49.6 on May 20 and Camden, NJ 3:47.9m on June 8.

Although it is inferior to the 400 record, the prep 440 record was broken by Jennie Gorham (North Kansas City, Mo), who won the Junior Olympic title in 52.67. In an event dominated internationally by American men, but not American women, it was the depth of performers that was startling. Forty-nine prep women ran 56.0 or faster during '78.

This is only the beginning. Marshall and Woodson both return 75% of their 4 x 440 teams. Gorham was a junior and Easter Gabriel (Sterling, Houston), Junior Olympic runnerup at 52.99, was a soph. Arlise Emerson (Westminster, Calif) at 53.43m and Marion Franklin (Balboa, San Francisco) at 53.56m also return.

Winner of the year's most important one-lapper, though, was Freida Cobbs (Berkeley, Calif). Cobbs, who ran the quarter only once during the school year, won the AAU Junior title in 53.12. She also took the Junior 200 in 24.02, after finishing 3rd in the California State 220 3 weeks earlier behind the national-record 23.99y by Kelia Bolton (Hill, San Jose).

The AAU Junior meet was the season's major get-together, as most of the top prep women competed. A few were eliminated by age restriction (18 through Dec. 31), including shot leader Carrie Albano.

Cheri Williams (Livermore, Calif) solidified her Athlete-of-the-Year stardom (see p. 48) with a 4:21.3 victory in the 1500. She had earlier won a mile/2M state meet double and had broken Lynn Bjorklund's venerable 2M mark with 10:09.8.

Colleen Rienstra (Sparks, Nev) high jumped 5-11 to best a prestigious field and 2 weeks later cleared 6-½ against the Soviet Juniors. Sharon Burrill (Kennedy, Denver) was the year's leader at 6-1, but finished only 12th at Bloomington.

Darlene Beckford (Ridge & Latin, Cambridge, Mass) won a sensational Junior 800, as she, runnerup Ann Regan (Camden, San Jose) and 3rd-placer Joetta Clark (Columbia, Maplewood, NJ) all ran 2:05.3.

Beckford never got to run against the year's 800 leader. Sophomore Deanna Coleman (Issaquah, Wash) was prolific, not only leading the 800 (2:05.0) and

mile (4:42.5), but running under 2:10 9 times and under 4:46 on 5 occasions.

Precocious 9th-grader Carol Lewis (Levitt Jr, Willingboro, NJ) won the Junior long jump with a windy 20-5½ and spanned a legal 20-5 in July at the Eastern Age-Group Championships. In that meet, but a different age division, Kim Brooks (Richardson, Federalsburg, Md) jumped 20-6.

In Albano's absence at Bloomington, Eleanor Majors (North Central, Indianapolis, Ind) put the 4-kilo ball 46-9. The javelin title went to Jacque Nelson (Canyon, Anaheim, Calif), but in the 2nd Soviet Junior dual, Debbie Williams (Euclid, Ohio) notched her only win of the year over Nelson with the year's longest throw of 166-8. Nelson was a shotputter during the school season, as California high schools don't contest the javelin.

The Junior 100 title went to Deandra Carney (Arlington, Indianapolis), who was Indoor Athlete of the Year. But Carney pulled a muscle during the 200 and Alice Brown (Muir, Pasadena, Calif) and Michelle Glover (Pennsauken, NJ) subsequently became the summer's main sprinters.

Brown, 2nd to Carney at Bloomington, got a 1st and a 2nd in the Soviet duals and won the Japan Junior meet in August. Glover, another brilliant 9th-grader, ran 3rd at Bloomington, but really got hot after that with a 10.4 at the Eastern Age-Group and an auto-timed national record 10.66y at the Junior Olympics.

Irene Griffith (Port Townsend, Wash) broke the national 5000 record with 16:44.9 and ran the No. 2 marathon ever, 2:47:02. Roxanne Bier (Independence, San Jose) set a record 34:54.8 in the National AAU 10,000.

There was no dominant hurdler. Benita Fitzgerald (Gar-Field, Woodbridge, Va) won the AAU Junior title but was beaten in Europe by runnerup Candy Young (Beaver Falls, Pa). Time leader over the 33" hurdles was Kay Garnett (Kennedy, Seattle) at 13.6, but she was upset in the Junior Olympic final by Kim Turner (Mumford, Detroit). Turner clocked 13.65 over 30" hurdles.

The discus was dominated by Christi Pyle (Hoover, Glendale, Calif), who won the Junior title and threw 158-4. There was sparse competition in the pentathlon, but Kerry Zwart (Crescenta Valley, La Crescenta, Calif) won the Junior title at 3912.

Lynn Jennings (Bromfield, Harvard, Mass) was indoor leader at 1500, mile, 3000 and 2M, but missed the entire outdoor season due to injuries sustained in the Boston marathon and subsequent training.

WOMEN'S INDOOR ATHLETE

Carney Sprints To Front

"I'm excited," admitted Deandra Carney after she learned that her 6.72 clocking in the *Los Angeles Times* 60 yards had set her second world record of the night.

"But I'm not going to go on any big ego trip." It might have been natural for the senior from

Arlington High in Indianapolis to consider herself something special, especially after the superb season of sprinting she produced indoors.

But even if Deandra herself didn't think she was special, many others did—including the voters who selected her as Women's Indoor Athlete of the Year.

Carney ran her pair of 60 records (6.75 in her *Times* heat) and also turned

in a pair of American records (6.85 60m and 5.86 50y). She won the Los Angeles and Toronto meets, beating some of the world's best. She later placed 4th in the AAU.

Distance star Lynn Jennings (Bromfield, Harvard, Mass) follows Carney off her prep records in the 1500

and 2M. Third is leading half-miler Darlene Beckford and 4th is 500y record-setter Arlise Emerson.
