HIGH SCHOOL TRACK 1980
Jack Shepard
14551 Southfield Drive
Westminster, Calif. 92683

\$3.00

PRODUCTION

This 22nd edition of High School Track was produced by Jack Shepard with grateful assistance from Max Zucker and Linda Geiger.

T&FN Men's High School Editor Jack Shepard compiled all the men's lists. All men's additions, amendments and future contributions should be addressed to Jack Shepard, 14551 Southfield Drive, Westminster, CA 92683. T&FN's retiring Women's High School Editor Jack Pfeifer compiled the women's yearly outdoor list and records while Jeannine James, the new Women's Editor, prepared the all-time outdoor list. All women's outdoor additions, amendments and future contributions should be addressed to Jeannine James, 1242 James Street, Woodburn, OR 97071. Retiring Women's Indoor Editor Dave Johnson compiled all the women's indoor lists. All women's indoor additions, amendments and future contributions should be addressed to Howard Willman, 6004 Indiana Avenue, San Jose, CA 95123. In addition, high school material may also be sent to Track & Field News, P.O. Box 296, Los Altos, CA 94022.

T&FN, which had published HST continuously since 1969, chose not to continue its production due to decreased sales and increased costs. The T&FN High School Editors feel this publication is still of importance to coaches, athletes and fans and will attempt to carry on with its publication.

The compilers wish to thank everyone who provided assistance and information during the season and to the following a special thanks for contributions: Bill Berg, Bill Buchalter, John Carroll, Ed Chay, Gene Cherry, Keith Conning, J Fred Duckett, Ed Grant, Tim Hickey, Rich Keen, Richard Magyar, Walt Murphy, Jerry Shnay and most especially to Mike Kennedy.

Explaining The Statistics

ELIGIBILITY

All U.S. high school athletes (not those from possessions, such as Puerto Rico) from freshman through seniors who competed in recognized competitions may qualify so long as they have not received a diploma from previous attendance in high school and have not exceeded four years of competition or reached their 20th birthday.

Team affiliation is not a prerequisite for the inclusion of an athlete's marks. Athletes considered ineligible by local rules will be carried if they conform to T&FN policies.

The indoor and outdoor lists both contain marks from Sept. 1, 1978 to Aug. 31, 1979. Spring graduates remain eligible for the lists until Aug. 31 of their graduating year.

RECORDS

T&FN national high school records do not necessarily concur with those of the National Federation of State High School Athletic Associations. The differences are based upon five points:

1. While the Federation only accepts marks from meets involving at least five teams, T&FN will consider those from dual meets;
2. While the Federation limits the season to the actual semester of track, T&FN will consider marks for the entire year;
3. While the Federation takes only winning marks, T&FN lists some non-winning marks also;
4. While the Federation lists only marks by athletes from its member schools, T&FN considers all preps;
5. While the Federation only reviews marks registered in interscholastic competition, T&FN will consider marks from any authorized competition.

ABBREVIATIONS

A=mark made at altitude (above 1000m); n=non-winning mark; °=mark made enroute to a longer distance; h=heat; sf=semi-final; ' after state indicates athlete ineligible for team by local rules; ' after name indicates foreign athlete attending U.S. high school; in pentathlon, a=auto timing, h=hand timing; *=junior; **=sophomore; ***=freshman; ****=8th grade, all others are presumed to be seniors.

TIMING

Fully automatic timing has become the standard on sprint races internationally and more and more prep races are being timed in this more accurate manner. The automatic times (listed in 100ths) which make the lists have been placed in positions of relative "value" by assigning a conversion factor of either 0.24 (100, 200, 110H) or 0.14 (400 or 400H).

CONVERSIONS

For converting yards to meters (or vice versa) the following standards have been used: 220y to 200m, -0.12 (auto) or -0.1 (hand); 440y to 400m, -0.26 or -0.3; 880y to 800m, -0.7; Mile to 1600m, -1.8; 2Mile to 3200m, -3.6; 120yH to 110mH, +0.03 (auto only); 330y to 300m, -0.19 or -0.2; 4x110y to 4x100m, -0.23 or -0.2; 4x220y to 4x200m, -0.5; Mile and mile medley to 1600, -1.1; 4x880y to 4x800m, -2.8; 4xMile to 4x1600m, -7.2; 2½Mile medley to 4000m, -4.0. Conversions for women (where different than men): 880y to 800m, -0.8; 110yH to 100mH, -0.02; 220yH to 200mH, -0.12 or -0.1; 4x220y to 4x200m, -0.4; 4x880y to 4x800m, -3.2; 4xMile to 4x1600m, -8.0; 880y medley to 800m, -0.5; Mile medley to 1600m, -1.3; 2½ Mile medley to 4000m, -4.6; pentathlon, hand to auto, -30. Indoors convert 55m to 60y, -0.01.

NOTES

Indoors, no times made in turn races on oversized tracks (larger than 220 yards) are accepted for record purposes.

For class records, the frosh limit is 16 years, soph 17, junior 18 and senior 19.

CANDY YOUNG

Women's Prep Athlete Of 1979
