FROM THE EDITOR

Coaches, athletes and fans, we need your help. *California Track News* is your magazine. We want to serve as a clearing center for all of the track and field news in California. We want to print results, schedules, photos and features that will benefit all of the track world in California. But we can't print information about scheduled meets or meet results that we don't have.

Some coaches are quick to complain that they don't get coverage of their results or team in the media--we are here to give you more coverage than any other outlet. We need best marks updates on a regular basis, we need schedules and we need results. We are dedicated to publicizing and covering track and cross country in California, but we need your help.

Just as we were wrapping up this issue we got word that Long Beach City College runner Francis O'Neill cranked out an 8:39 steeplechase at a meet at Cal State Long Beach (hopefully have meet results in next issue). Everyone knew that Francis, the 1988 Kinney Western Cross Country Champion, was a talented runner, but this was only his second steeplechase ever. His first was an 8:52. His third will be at the TAC Nationals in New York June 13-15.

Another note about O'Neill's steeplechase is that he broke the LBCC school record of 9:01:01 held for more than a decade by Carmelo Rios.

If you haven't joined the California Track and Cross Country Coaches Alliance, you have been dropping the ball. Here's a chance to have your voice heard and work through the system to make some changes and improvements in the sport in California. See application for membership in this issue.

See you at the Olympic Festival in July.

ON THE COVER: California's top-ranked collegiate steeplechaser FRANCIS O'NEILL ran a personal best 8:39.64 this season.

SoCAL DIARY

By Bill Minarik

April 15

While competition proved to be keen over at Arcadia's Invitational, elsewhere in SoCal Valencia High swept it's own Invitational taking the boys competition 119-71 over Gahr and the girl's 126-63 over Costa Mesa and Estancia. Up at the Carpinteria Invitational, the boys from Oak Park were 76-66 winners over runner-up Morro Bay while the Paso Robles girls outscored Chaminade 60-52. The Orange County Boys Championships saw Saddleback a comfortable 77-57 winner over Esparanza.

On the 4-Year College scene, the UCLA men were surprisingly easy 187-147-84-68 winners over Houston, TCU, and USC in a 4-way affair with the Trojan's Quincy Watts the most impressive performer of the day with a 45-5 400 victory. The UCLA women weren't quite as fortunate as they had to settle for a 164-164 tie with Houston followed by USC & TCU with 93 & 48 respectively. Janeene Vickers was the big gun for the Lady Bruins with an 11.60-23.20-13.57 triple. However, if the Bruins don't get Angela Burnham and Tonya Sedwick back from injuries, they can kiss off any chance of a national championship.

Elsewhere, host Cal Poly SLO was a double winner over Cal State L.A. and CS Bakersfield by scores of 142-103-89 for the men and 149-111-30 for the woman. At U.C. Irvine, the Fresno State men had it all their way en route to a 113-59-31 victory over the Anteaters and San Diego State. However the UCI women pulled a mild upset with a heart stopping 72-67-42 victory over the Bulldogs and Aztecs. The meet went down to the 1600 Relay with all 3 teams leaning together at the tape, and UCI being declared the winner.

Up at UCSB, the Gaucho men were 241-191-78-65 winners over Oxy, Fresno Pacific, and Westmont while the Oxy women pulled out 170-165-48 win over UCSB and Westmont. In a triple dual meet, the men and women of Stanford were winners over CS Northridge and Nevada-Reno by scores of 84-44 and 78-44 men and 93-44 and 109-29 women. CS Northridge won over Nevada-Reno by counts of 68-43 and 59-47.

April 22

Virtually all track athletes from all levels converged last week-end to the confines of Mt. SAC's track stadium for an almost 82 hours of what seems to be continuous track and field action.

There was no question as to who would be the prep star of day as Rio Mesa's Marion Jones clearly outclassed a classy field in times of 11.29 in the 100 and 53.89 in the 400. Not to be outdone, the boys from Compton's Centennial High destroyed the 1600 Relay field in a time 3:14.46.

At the Community College level, the men from Merritt CC showed that they are definite contenders for State honors as they sped to relay times of 40.09, 1:22.93, and 3:09.20. Another team which keeps looking more and more like a potential state titlist is the women from El Camino which thoroughly dominated the relay events. In fact, in the 400 and 1600 relays, they entered two teams in two separate races and won them both.

In the open division, the track was really smokin'. The Santa Monica Track Club started things off with it's 400 relay team of Mike Marsh, Leroy Burrell, Carl Lewis, and Mike Witherspoon destroying the field in 38.33. Not to be outdone, the Mazda TC came back in the 800 relay to smoke the SMTC in a time of 1:21.5 thanks to a 19.2 relay leg by Mike Johnson. However, the 1600 Relay saw SMTC back on top in 3:02.33. Individually, Mike Marsh of the SMTC had the best performance of the day with a 10.00 100 meters.

Many of the top female tracksters appeared to have sat this one out. However, on the field, Connie Price continued her dominance of the shot with a 61-7 1/2 effort, while UCLA freshman Dawn Dumble joined the exclusive 54 and 180 foot clubs in the shot and discus respectively.

In other track activity, the girls portion of the Orange County High School Championships saw Mission Viejo High more than double the score of runner-up Woodbridge 87-43.

April 29

Most High Schools were concluding final dual meets last week, although in Ventura County, they had their county championships at Rio Mesa High School. At that one, RM's Marion Jones gave the home folks a lot to cheer about with a 11.54-23.36-54-52-48.55R quadruple win.

There were some major community college conference championships held Saturday which will go a long way toward determining who will wear the State crowns. At the South Coast Meet at Cerritos, Long Beach CC as expected outscored a potent Mt. SAC contin-

gent 306-264 in the men's division, while El Camino ran away from the female Mounties 243-148. The Orange Empire Conference saw talent laden Riverside take both divisions by scores of 211-179 over the Fullerton men and 179-120 over the Orange Coast women. Up at the Western States Conference, the powerful Bakersfield men rolled past Glendale 226-163 while the L.A. Valley women lead by Melanie Clarke who scored in 8 events easily outdistanced runner-up Santa Barbara 189-99.

The 4-Year schools were either idle or participating in non-scoring Invitationals in an effort to generate some qualifying marks.

May 6

High Schools all completed their League Meets which in most cases just qualifies the top 3 in each event for CIF Prelims. All athletes who had state meet potential appeared to advance safely to the CIF Meet with the exception of Glendale High junior Craig Harzman. The school record holder at 10.5 was leaning at the tape in an effort to beat one of his Muir High rivals when he fell and broke his wrist seriously enough that it was necessary to call an end to his season even though he had easily qualified for CIF.

The Community Colleges held their SoCal Qualifying Meet Saturday at Bakersfield with Long Beach CC appearing to be the team to beat in the men's division, while El Camino appears to have enough strength on the track to more than offset the field strength of San Diego Mesa.

At the SCIAC Conference Meet, Pomona-Pitzer, lead by Nate (The Great) Kirtman won big in the men's meet 190-166-127 over Claremont-Mudd and pre-season favorite Occidental. The PP junior won the 100, 200, L.J., T.J., 400R, and placed 2nd in the 110 Highs. The Oxy women however cleaned up on the track en route to their 17th consecutive title 175-140 over P.P.

Over at Westwood, the UCLA men showed that even in a down year they can put together a good dual meet team as they took the measure of USC and BYU by scores of 114-38 and 99-62. Top local effort came from the USC 400 relay team which zipped to a 39.73 clocking. The Lady Bruins, who already have two ties to their credit, almost had a 3rd but used a victory in the 1600 relay to pull out to a 69-67 victory over BYU to go along with a 95-40 win over the Women of Troy.

▼ Boston's New Course for World X-C

The official ground-breaking for the City of Boston's new cross country course took place April 12, at Boston's Franklin Park. The facility will be a brand new all-natural terrain course, adjacent to White Stadium. It will serve as the site for the 1991 I.A.A.F. World Cross Country Championships as well as the 1991 T.A.C. Nationals. It will subsequently be utilized by the city as a permanent scholastic, collegiate and open course for the Greater Boston and New England areas.

Franklin Park has been the home of Massachusetts cross country since the early

1900's. Scores of high schools, colleges and clubs have traditionally used this beautiful Frederick Olmsted-designed park. The course is scheduled for completion in September, 1991.

▼ Gridiron Speed

Tagged the "fastest football team in America," the University of Southern California's men's 4x100 relay went undefeated in 6 races this year. Comprised entirely of football performers, the relay has recorded 3 sub-.40 second races, including a season-best 39.71. Defensive back Calvin Holmes opens

the relay followed by quarterback Curtis Conway, who hands off to flanker Travis Hannah, who passes the baton to flanker Quincy Watts. Conway, Hannah and Watts were all former California state prep sprint champs (100m, 200m or 400m) and Holmes was a state runner-up (losing by .01 second to Watts in the 1988 100m).

▼ Track Nut Haven

As part of the newsmedia, we annually receive many track and field press books (sometimes referred to as media guides). These things can be a wealth of fun information, trivia, statistics and memories. Three of the biggest and best each year are those from Fresno State, USC and UCLA. This year's FSU book, totaling 127 pages, in our opinion, topped all the other state-wide guides. But that figures, since Bulldog Sports Information Director Scott Johnson learned his trade at the University of Oregon. The best all-time track and field media guides are those put out by Oregon. These fantastic books are usually available for a nominal cost through each university's sports information department.

Other informative reading are the team newsletters and press releases. Our favorite is the homespun weekly put out single-handedly by Coach Bob McGuire of the Cal State Hayward women's team. Another hot newsletter is the weekly put out by the Nordhoff High School track team staff.

Many teams also publish end of the season result books. Our favorite this year was the Mt. Whitney High School Cross Country Season Summary Book. Coach Doug Rudolf puts one out every year and the latest version totals more than 150 pages.

▼ Noon to Georgia

According Tom Shanahan of the *San Diego Tribune*, high school All-America shot putter Brent Noon, who did not attend college this year, will enroll at the University of Georgia in the fall. As a Fallbrook senior last year, Noon had the nation's all-time second best prep mark in the shot with a put of 76 feet, 2

AROUND THE STATE

inches. In addition to the shot put, Noon also set a CIF-San Diego Section record in the discus with a toss of 200-8. Noon sat out the year because he was waiting for his brother, Brad, to choose a medical school. Brad will attend the Medical School of Georgia in Augusta, about 1.5 hours from the university of Georgia in Athens. Brent's father and coach, Jim, and his mother also will relocate in Athens.

Also relocating to the state of Georgia is former *California Track News* correspondent, Jeff Rigdon, who now resides in Atlanta.

▼ High Flyer

Pole vaulter Dean Starkey, who moved to Atascadero a year ago to focus on his training, leaped to PR of 19 feet, 3/4 inch at a meet at U.C. Santa Barbara on May 5. The 24-year-old, representing the New York Athletic club, is a former NCAA indoor champion from the University of Illinois. His previous best was an 18-8 3/4, achieved at the Mt. SAC Relays two weeks earlier. "He just has so much talent," said Jan Johnson, who coaches Starkey at the Atascadero Sky Jumpers. "It was only a matter of time."

▼ TAC Board Denies Barnes Appeal

A three-member Drug Appeals Board panel has upheld the suspension of Randy Barnes, the world record holder in the shot put. The Athletics Congress has denied Barnes' appeal of a two-year suspension for a doping violation. An earlier panel suspended Barnes based on a positive drug test (methyl-testosterone) at a meet in Malmo, Sweden, on August 7, 1990. Barnes' two-year suspension began on November 1, 1990, and runs through November 1, 1992.

Barnes, 24, was the 1988 Olympic silver medalist. Last year he broke the world record for the shot put with a mark of 75-10 1/4 at a meet in Los Angeles. He has now exhausted TAC's appeals process. He may, if he chooses, appeal to the United States Olympic Committee.

1991 Competition Rules for Athletics

This official publication of The Athletics Congress of the USA, edited by Robert

Hersh, contains rules of competition for track and field, long distance running, and race walking. The rules cover senior, junior, youth and masters divisions of the sports. Also included in the rules section are adaptations to rules of competition for individuals with disabilities.

Other interesting features of this 236 page book are: (1) an informative article by the late Hilmer Lodge entitled, "Suggestions for Organizing and Promoting a Track and Field Meet", and (2) a records section listing world and American records in track and field, race walking and long distance running for open, junior, masters and youth.

Order by sending \$8.00 to TAC/USA Book Order Department, P.O. Box 120, Indianapolis, IN 46206.

The Competitive Edge: Mental Preparation for Distance Running

This Track & Field News Press book is by Richard Elliott, former track athlete, coach, teacher and editor of Illinois Track & Field News and Illinois Runner. It is 6x9 size with 193 pages.

If you are a coach or runner who has been confronted by such demons as nervousness, lack of motivation, lack of confidence, pressure, and so on, The Competitive Edge will give you techniques for dealing with your demons. Let Elliott be your guide on how to relax, enhance concentration, develop "gumption," handle pain, adjust your strategy during a race, and other topics related to the psychology of running and racing. In other words, let Elliott give you a competitive edge.

▼ Must Be Doing Something Right

Palos Verdes high School cross country and track coach, Joe Kelly, has an exceptional number of "his kids" competing at the college level at the same time:

At Stanford -- Ashley Black, Bennie Cravatt, and Dave Scudamore. At UC Irvine -- Traci Goodrich and Laurie Lucas. At UC Santa Barbara -- Damian Capazzola. At BYU -- Blake Boggers. At Cal Poly SLO -- Tracy Leichter. At Pomona -- Chris Manfredi. At Santa Clara -- Cindy Scribe. At CS Northridge -- Sean Yoder. Plus, UCLA student Masa Hasegawa who competes in marathons and 10K's all over the West.

■ Correspondents Needed

I need correspondents throughout Northern California. As you know, high school track and cross country is covered primarily by local papers. Therefore, it is a very difficult sport to cover on an area-wide basis. I would like to do a better job of covering every area of Northern California, but I need your help. Please send results of high school track and cross country competitions to Keith Conning, 2235 Browning Street, Berkeley, CA 94702.

■ Special Thanks to Mac Powell (Downey, Modesto)

I would like to thank Mac Powell (Downey, Modesto) for sending results from *The Modesto Bee*. Mac also underlines the performances that make the *California Track News* standards.

What I need are correspondents like Mac throughout Northern California.

■ West Valley / Chico Invitational

April 19. Chico State University--Senior Matt McCauley (Nevada Union, Grass Valley), who won the Sac-Joaquin Section pole vault last year, vaulted 15-6 to set a meet record.

■ Bay Area Top 8 Invitational

April 26. James Logan H.S., Union City--Sophomore Charlene Baldwin (Logan), second in the 1990 North Coast Section 100 and 200 meters, set a new meet record of 56.13 in the 400 meters. The old record of 57.65 was set by Cela Taylor (Encinal, Alameda) in 1989.

Senior Melissa Freeberg (California, San Ramon), second in the 1990 North Coast Section 1600 meters, set a new meet record of 5:02.5. The old meet record of 5:06.81 was set by Melanie Spent (Mission San Jose, Fremont) in 1990. Freeberg's splits were: 1:15.0, 2:31.7 (1:16.7), 3:48.1 (1:16.4), 5:02.5 (1:14.4). As you can see from her splits, Freeberg ran a very evenly paced race. She won by six seconds.

by Bishop O'Dowd in 1989.

Only three high school athletes have ever run under 5:52. Senior John Gregorek (St. Anthony, Smithtown, New York) ran 5:47.1 in 1978. Gregorek (Georgetown 1982) was a member of the 1980 and 1984 Olympic teams in the 3000m steeplechase. He also was 10th in the 1979 NCAA and 2nd in the 1981 NCAA steeplechase.

NOTES

From Doug Speck

■ Toughest event ever (anywhere) In one League?

It was very possibly this year's Marmonte League women's 3200. Through mid-May, leading the event was Deena Drossin (Agoura), whose 10:19.63 win at Arcadia was the top outdoor time in the nation. Jeannie Rothman (Westlake, Westlake Village), runner-up in the Kinney National Cross Country Finals back in December, was second in the League Finals to Drossin at 10:36.89, with soph Stacey Auer (Thous. Oaks) the most improved distance runner in the state, dropping to 10:38.63 at Arcadia. There were more, as Tiffany York (Agoura) raced 10:47.13 at Arcadia for 6th, with Veronica Barajas (Channel Islands, Oxnard), 5th in the Kinney Nationals, ending with the League's #5 time in the 3200 at 10:51.47. Barajas had her season end in late April with stress fractures, with Auer ill during Section action. The fivesome was all within the top twenty preps in the entire nation through late May, possibly a better group than any in any event in U.S. National history.

■ Cerritos Triangle

Mike Kennedy of the *Track & Field News* named it best when he called it the "Cerritos Triangle," that is the start of the South (second) turn on the Cerritos College 400 meter track, a point at which four good Southern Section 4x400 relay teams dropped the baton without any physical contact with another team during a two-week period of Section and state qualifying action. Some pretty significant people bobbed the stick, with a strong Morningside (Inglewood) women's and Compton men's squad dropping the baton, and not able to recover quick enough to move on to the next competition during state qualifying. The two would have been big favorites for team titles in early June had the boo-boos not happened.

Morningside ended the 1990 year as the number two team in the country at 3:44.16, and had the athletes to drop that time a bit before their bobble ended their season.

Southern Section Division Championships

By Doug Speck

May 17. Cerritos College. One of prep track and field's great days, the Southern Section Divisional Championships, a competition to sort out team champions and nine athletes who will pass on the area's State qualifying meet, has four men's and women's divisions that are made up of about 100 schools each. The action is spread over more than eight hours, with a ton of action. The usual crew of area stars were sharp in this meet, with Marion Jones (Rio Mesa, Oxnard) and Juliana Yendork (Walnut) extremely impressive, and Ricky Carrigan (Compton), Louie Quintana (Arroyo Grande), and Mark Parlin (Esperanza, Anaheim) especially strong for the men.

Marion Jones put together the most impressive sprint triple in prep history-

ry on this day. Starting the meet with a blazing 10.5 anchor split on her team's 48.39 team, it was in the open events where she really went to work. In the 3A Division 400, she raced out through 13.1 (100m), 25.7 (200m), and 38.8 (300m) splits prior to finishing in 52.91, the fastest prep time run in the nation in the last five years. Second place was 56.62 with Jones looking like she comfortably had another second within her. In the 100, Marion had a nice, legal 1.95 meter per second wind behind her, which she rode to a super 11.30 clocking, a personal best and .01 behind the listed National Federation record of 11.29. Over 200 meters, with -.90 wind later in the afternoon, Jones cranked 23.06 despite gearing down twice near the end of this event. Marion is as hot a prep athlete as there has ever been in Southern California, with the amazing fact that she has two more years at the high school level. Jones led her squad to the 3A title here.

Juliana Yendorck (Walnut) put together a super day of horizontal jumping. In the long jump she put together a fine series of 20-0, 20-1, 20-1 3/4, 20-0 1/2, and 20-1 1/4. In the triple jump she had a foul, 41-3 3/4, 42-11 3/4 (to tie the pending national record by Twylana Harrison of Levelland, Texas from this spring), and then finished off the afternoon with a strong 43-6 (wind +0.50) to take the outdoor record all for herself. Juliana did jump 43-11 1/2 indoors, with some time off for a slight injury since that mark in mid-March.

Ricky Carrigan (Compton), the State's hottest sprinter, was in for his next showdown with Tim Martin (San Clemente), who he defeated by .09 at Arcadia over 100 meters. In the 4A 100, Martin was out to a touch better start than Ricky, but when the Compton star put it in gear, he slowly edged away to an 10.48-10.56 win (wind +0.95). Ricky came back to take the 200 at 21.30 (wind +1.95). Compton took the men's 4A team title, with Ed Hervey (21.47 for 2nd in the 200 and 47.55 to win the 4A 400) and a 41.87 400 relay team looking strong, but State points disintegrating when the 4x400 team dropped the baton while in the lead on the third leg.

Louie Quintana (Arroyo Grande) is cranking it up for the end of the year, racing out at 60.3-2:01.0 (800) and 3:03.7 (1200) splits before finishing in 4:09.28 in the 3A men's 1600. Over 800 meters, Louie suffered a rare defeat, with Mike Terry (El Modena, Orange) taking a long homestretch struggle 1:52.95-1:53.18.

Mark Parlin (Esperanza, Anaheim) threw only 171-7 in the men's 3A discus (his seasonal best is 194-02), and came back made in the shot put where

he tossed a lifetime best 66-7 1/2.

Deena Drossin (Agoura) charged out in 68-7-2:20.2-3:35.0 lap splits on the way to a 4:53.86 3A 1600m win over Shelley Taylor (4:56.29), with the Agoura star coming back to race 10:40.27 in the 3200.

The Morningside women's group looked sharp, racing 46.03 in the 4x100 relay and 3:49.14 in the

4x400, while charging to the 2A team title.

In the men's 3200m, James Menon (San Luis Obispo) came alive in the 3A race, running an unpressed 9:05.81, while Dave Hartman (Canyon, Canyon Country) took the 4A at 9:05.84.

In other team scoring, Muir (Pasadena) put together a great meet in dominating the women's 4A with 93 points (2nd was 33), with Orange Lutheran taking the 1A women's championship at 76 points.

Thousand Oaks edged Esperanza (Anaheim) in the men's 3A title run 59-55, with Centennial (Compton) a bit wider margin in the 2A over San Dimas 58-52. Cabrillo (Lompoc), with probably one of the better small school teams in area history, had the largest point total of the day for a winning group with 99 to dominate the men's 1A division.

California Track and Cross Country COACHES ALLIANCE

1990-91 Membership Update:

In its second year, the California Track and Cross Country Coaches Alliance continues to expand its scope and involvement in the improvement of our two sports within the state.

Why Should I Join The Coaches Alliance?

The California Track and Cross Country Coaches Alliance is the only organization in the state whose purpose is to improve the sports of Cross Country and Track and Field.

Provides a unified voice for concerns regarding our sports to the governing bodies within the state. As experience shows, a group consensus helps to bring about change more effectively than isolated individual concerns.

Last year the Coaches Alliance was directly involved in helping to create a change in the State Cross Country meet format from three divisions to four.

In an effort to assist coaches with their continued growth of knowledge regarding their sport, the Coaches Alliance sponsored clinics in San Francisco and San Diego for California coaches in the month of January.

What Do I Receive For My Membership?

- ✓ Coaches Alliance members will receive monthly editions of *California Track News*, the official publication of the Alliance. Each month members will be kept current with happenings around the state in the Coaches Alliance section of the magazine. Both cross country and track will be covered.
- ✓ Coaches Alliance meetings organized around the state meets in Cross Country and Track and Field. Using representatives from all the various sections in the state, members will be able to make concerns regarding their sport heard.
- ✓ Discounts at the Coaches Alliance sanctioned clinics held in different locations throughout the state. These clinics are:
 1. San Joaquin Coach of the Year Clinic in Fresno.
 2. California Track and Cross Country Coaches Alliance Clinic in San Francisco.
- ✓ Participation in the Reebok Coaches Clinic (co-sponsored by the Coaches Alliance) held on the Saturday morning of the California State Track Meet weekend.
- ✓ \$50.00 off on a coach's registration fee at Skyjumpers Vaulting Camps, 1990-1991. Camp good for coaching certification.

Stanford vs California

By Keith Conning

April 27, Stanford Stadium.

The California men's team defeated Stanford for the 20th year in a row 99 to 64, and the Stanford women defeated California 98 to 47 to even the series at 6-6.

Senior Harold Rucker (California/San Jose City College), who was hit by a hammer on Feb. 6, attended the meet and inspired his teammates.

Sophomore Ramon Jimenez-Gaona (California/San Jose City College) threw the discus 194-1. He had already qualified for the NCAA with a best of 197-7 this season.

Junior Jackie Edwards (Stanford/Queens College, Nassau, Bahamas) set a new Stanford and Stanford Stadium record of 21-2 1/2. The old Stanford record of 20-10 was set by Pam Donald in 1981. The old Stanford Stadium record of 21-2 was set by Gwen Loud (Hawaii) in 1983. It also qualifies her for the NCAA. It is the best mark in the Pac-10 this year. It is also a personal record for Edwards. Her previous best was 20-8 1/2.

The following athletes surpassed NCAA provisional standards.

Senior Mark Mastalir (Stanford/Jesuit HS, Sacto) pulled junior Reggie Williams (Cal/River City HS, West Sacto) to a personal record in the 1500m--3:43.11 to 3:44.76. Williams previous best was 3:46.14 at the Fresno Classic last year. Mastalir ran 3:41.30 at Mt. SAC earlier this year. He told me that he wished that his twin brother Eric would be successful at the same time he is. Last year Eric ran 3:42.23, but he could only manage 3:55.50 today. Last year Mark's best was 3:47.85.

Junior Brent Burns (Cal/Acalanes HS, Lafayette) set a new California school record of 17-8 1/2 in the pole vault. The old record of 17-7 3/4 was set by Ross McAlexander at the NCAA in 1982.

Sophomore Chris Huffins (Cal/Purdue) defeated senior Marcus Hickerson (Stanford/Delbarton HS, Morristown NJ) in the long jump by 1 1/4 inches--26-1 1/2 to 26-0 1/4w.

Senior Roland Anderson (Cal/Menlo-

Atherton HS, Atherton) won the hammer (195-0) and the shot put (57-11).

Junior Chryste Gaines (Stanford/So. Oak Cliff HS, Dallas, TX) set a new meet record of 11.61 in the 100m. The old record of 11.7 was set by Gaines in 1990.

(Tyler HS, Tyler, TX) senior Alysia Hubbard (Upper Merion HS, King of Prussia, PA), and Chryste Gaines set a new meet and Stanford record of 45.32. The old meet record of 45.93 was set by California in 1989. The old Stanford record of 46.04 was set in 1990. The California team of senior Rosalyn Mitchell (Diamond Bar HS), senior Denise Ervin (El Cerrito HS), sophomore Josalyn Mack (St. Francis HS, Mt. View), and sophomore Rosalyn Mack, the twin sister of Josalyn, set a new California record of 45.61. The old California record of 45.7 was set by Sheila Hudson, Mina Hutchins, Mona Simmons, and Andreen Alvarengain 1990.

Jackie Edwards (Stanford) set a new Stanford record of 37-8 1/2 in the triple jump. The old Stanford record of 41-7 1/4 was set by Edwards this year.

Senior Debbie Malueg (Stanford/Crescent Valley HS, Corvallis, OR) threw the discus 163-10.

S & W Modesto Invitational

By Keith Conning

May 11. Modesto Junior College.

This was the Golden Anniversary of the S&W Modesto Invitational Track and Field Festival. In its fifty year history, over 31 world records have been set, making this one of the world's premier track and field events.

Former Olympic gold medal winners Jimmy Hines and Charlie Greene paid a special tribute to Tom Moore, the meet director since 1945.

I went to my first California Relays (as it was called then) in 1957. We had a discus thrower at our high school (Lincoln, San Francisco) who was good enough to throw against the college throwers. Mike Lewis is now a San Francisco fireman and continues to coach the throwers at the College of San Mateo.

Ken Flax (New York AC/Redwood HS, Larkspur 1981), who had a personal best series, threw the hammer 79.24 (260-0). Flax's series: 75.96, 79.24, 78.98, 79.20, 77.20, 78.08. He topped 256 feet four times. Flax set the meet record of 262-6 in 1988.

Steve Scott (Asics/Upland HS 1974), who is a 35-year-old, won the mile in 3:59.51. Scott set the American record of 3:47.69 on July 7, 1982 in Oslo, Norway. He is the fourth fastest miler of all-time.

Marc Oleson (WMG TC/ex-Stanford) won the 3,000 meters in 8:04.68.

Kevin Young (Santa Monica TC/Jordan HS, Los Angeles 1984) set a new meet record of 48.83 in the 400 meter hurdles. The old record of 48.90 was set by Amadou Ba in 1987.

Mike Powell (Footlocker/Edgewood HS, West Covina 1981), the silver medalist at Seoul, defended his long jump title with a leap of 8.49w (+2.2mps) (27-10 1/4) on his sixth and last attempt. Powell's series: 7.83, 7.85, foul, 8.21w, foul, 8.49w.

Dave Wilson (UCLA) threw the shot 19.70 (64-7 3/4). Wilson's series: foul, 18.08, 18.67, 19.70, foul, 19.23.

Ramon Jimenez (California) set a new South American record of 62.14 (203-10) in the discus. Jimenez comes from Paraguay.

Gwen Loud (Keiser TC) defended her long jump title with a leap of 6.48 (-0.6 mps) 21-3 1/4. Loud's series: 6.07, foul, 5.83, 6.16, 6.28, 6.48.

Sheila Hudson (Unat./Rio Linda HS 1985), the American record holder in the triple jump at 46-0 3/4, defended her title with a hop,

step, and jump of 13.76w, (45-1 3/4). Hudson series: 13.45, 13.76, 13.58, foul, pass, 13.27.

Lacy Barnes (Nike TC/Burroughs HS, Ridgecrest 1982) threw the discus 200-3.

Pam Dukes (Stanford TC/Stanford 1986) threw the hammer 173-9.
