FROM THE EDITOR

If you have been a long time reader of *California Track News*, the name Elaine Fraley is a familiar one to you. You have seen Elaine's name in the masthead for the past nine years. For nine years, now, she has been instrumental in putting each issue together. I wonder if you know that Elaine is the mother of 18-11 pole vaulter Doug Fraley. Doug is a serious contender for a spot on the Olympic team. Do you also know that Elaine is the wife of Fresno State coach Bob Fraley? Needless-to-say, when it comes to track, Elaine knows her stuff. Her experience and expertise has been invaluable.

Husband Bob, who has a philosophical side, wrote the following fictional dialogue that may shed a little light on one of the problem areas in our sport.

Billy Ray, You Got to Pursue Them Marks

"Hi, Coach. How's it going today?"

"OK, Billy Ray, what's up?"

"Coach, I was talking to my dad and he was telling me about all the fun he used to have running relays in the big relay carnivals. How come we don't?"

"Well, Billy Ray, it's like this--we have to pursue them marks to qualify to the NCAA Meet. So that's why we don't run them 2 Mile Relays anymore."

"You know, coach, Uncle Sam said there wasn't anything more exciting to watch than Abilene Christian runnin' a 880 relay."

"Your uncle's right, Billy Ray. That Bobby Joe Morrow was something else. The fans and press went crazy."

"Coach, it sounds like great fun. Do you think we will get to run a 800m relay this year?"

"No, Billy Ray, probably not. We got to pursue them marks."

"You know, coach, I was talking to Grandpa Jones and he was telling me they used to run races against other teams and they really didn't care what their time was. All they cared about was beating the other guy. Grandpa Jones said it was a lot of fun just beating the other guy, 'cause you could brag about being the fastest guy in the county. He said time wasn't important, winnin' was. Coach, Grandpa Jones made it sound so much fun just to win."

"Yah, that's right. But, Billy Ray, you got to remember, we got to pursue them marks."

"You know, coach, Mr. Smith, our neighbor, who officiates the long jump, stopped by for breakfast the other morning and I heard

SoCAL DIARY

By Bill Minarik

April 13

The Arcadia High School Invitational was another showcase for Thousand Oaks sprint phenom Marion Jones; and as usual, she destroyed the best of the rest with sprint times of 11.51 and 23.43 run into stiff winds. However, there just wasn't enough help from her teammates to have any impact in the 400 and 1600 relays. In terms of team strength, the boys teams from Muir and Long Beach Poly appear to have serious state meet potential while the L.B. Poly girls appear to be a serious threat to state meet favorite, Morningside.

There was some big news at the Meet of Champions at Azusa-Pacific. A-P's Davidson Ezinwa ran a reported 9.91 100m into a 2.32 mps wind. Exactly how legitimate that time was will be determined at Mt. SAC. Another noteworthy performance came from sprinter Myra Mayberry who hasn't been heard from in a long time. The former Trojan ran 22.95 200 into a very stiff wind.

At UCLA, the Bruins men eased to a 93-50-37 win over Houston and C/S Northridge with Mike Godina's 63-1, 191-6 weight double the days top effort. The Lady Bruins could do no better than a 66-66-38 tie with Houston and CSUN, due in part to dropping the stick in the 400 relay.

In other duals, the USC men lost to Cal and Washington by 92-52 and 95-54 scores while the Women of Troy defeated Cal 79-53 while losing to Washington 73-60. The Fresno State Bulldogs showed that they were still the class of the Big West as they cruised to 114-71-18 victories over UC Irvine and San Diego State. However, I suspect an error in both scores being reported the same. At Cal Poly SLO, it was business as usual for the home team, as the Mustang men cruised past C/S Bakersfield and C/S Los Angeles 142-107-75 while the SLO women were easy 140-95-53 winners over CSLA and CSB. At Occidental, the UCSB men outclassed Oxy 112-48, while the Lady Tigers surprised the Gauchos 71-61.

April 20

One of the big questions to be answered at last week-ends annual Track Feast at Mt. SAC was whether or not Davidson Ezinwa's 9.91 100m run the previous week into a wind

on his home track at Azusa-Pacific was legitimate? Well, Davidson answered that question in the affirmative as he posted a 9.96, again into the wind, as he beat Carl Lewis convincingly. However, Michael Marsh made an affirmative statement of his own, as the UCLA Alum came in with a 9.93 from the outside lane to sweep the field. Another former Bruin, Steve Lewis, showed that he was ready to defend his Olympic title as he out-leaned USC's Quincy Watts in the 400 at 44.45. In the women's competition, it was another former UCLA athlete, Gail Devers, who posted the days top mark with a 10.95 100m as well as a strong 400m relay leg.

In the High School portion of the Meet, it was Marion Jones again taking the spotlight with a runaway 11.44 victory in the 100, which is the national prep best this year.

In the Community College section of Mt. SAC, the Long Beach and Riverside men demonstrated that they were the teams to beat for the state title, while the El Camino women gave their usual dominating relay performance.

April 27

While the preps were concentrating on final dual meets, the Community Colleges were having their conference championships. The Western States Conference men's division saw Bakersfield use its superior field event strength to out point runner-up Moorpark 230-208; however, the Raider women used superior depth to ultimately pull away from Santa Barbara 134-111.

It was all Riverside in the Orange Empire Conference, as Coach Ted Banks men's team had little more than a workout while racking up 256 points ahead of Fullerton's 131. On the distaff side, RCC was just as successful out-scoring Orange Coast 208-105.

The Long Beach CC Vikings as expected dominated the men's South Coast Conference Championships with 305 points to 208 for runner-up Mt. SAC. The Mountie women however, were victorious by a narrow 206-196 margin over always strong El Camino.

At the Irvine Women's Invitational, both Gail Devers and Jackie Joyner-Kersey showed that they were probable Olympic team members with impressive sprint, hurdle, and relay

victories. The Santa Monica Track Club anchored by Carl Lewis broke their own world record in the 800 meter relay at the Penn Relays with a 1:19.11 clocking.

At the Mt. SAC Decathlon, Dave Johnson made himself an Olympic favorite with a 8727 point performance which is the 6th best performance of all time.

May 4

The Los Angeles riots pretty much took care of track in L.A. County, however many of the college teams made some last minute connections with out of town meets. The UCSD Invitational picked up most of the L.A. track orphans. At Albuquerque, the UTEP men were victorious over New Mexico, CSLA, and San Diego State 143-124-122-99 while the Oregon women took the measure of SDS, UTEP, and New Mexico 190-108-89-74.

They were able to get the Claremont Girls High School Invitational contested and when it was through, the home team was the winner with 116 points ahead of Upland with 107.

In an action which may be the trend of the future in College Track, UCLA has combined its men and women's program. So coaches Bob Larsen, Bob Kersee, Art Venegas and John Smith will now coach specific events for both men and women. ♦

MEET SPOTLIGHT

By Keith Conning

CALIFORNIA--WASHINGTON--USC

Edwards Stadium, Berkeley, April 11

The California men's team edged Washington 85-78 by winning the 4 x 400, the final event on the program. The whole Cal team converged on anchor James Warhaver after his successful carry. Cal also defeated USC 92 to 52. Washington beat USC 95-54.

In women's competition Washington defeated both Cal (90-44) and USC (73-60). USC beat Cal 79-53.

The Cal men's and women's track and field teams have merged into a single program this season. Ex-men's coach Erv Hunt will serve as the director of track and field, while Tony Sandoval, the former women's coach, will be the associate director. Hunt is in his 20th season with the Bears and has a dual meet record of 136-51 (.720 winning percentage). Sandoval is beginning his 10th year with the program. The assistant coaches this season are Ed Miller, Ken Flax, James Robinson, and Randy Ziraldo.

Jeff Laynes (USC), who attended Oakland High School, won the 100 in 10.37 and placed second in the 200 in 20.85w behind teammate Travis Hannah's 20.81w.

Quincy Watts (USC), a member of the 1991 World Championship team, won the 400 by over two seconds in 46.32.

Ramon Jimenez-Gaona (Cal), a citizen of Paraguay, threw the discus 201-0, a season best. That is the second best collegiate mark in the country this season. Jimenez-Gaona holds the Paraguay national record at 203-10. He will represent Paraguay at the 1992 Olympic Games in Barcelona, Spain. Adam Setliff (Washington) placed second at 187-5, and John Wirtz (Cal) was third at 185-11, a season best and only one inch short of his personal record.

Latima Jones (USC) defeated teammate Melanie Gray in the 200-23.72w to 23.94w.

Michelle Decoux (USC), who attended Bishop O'Dowd of Oakland, defeated Roslyn Mack (Cal) in the 400 hurdles--58.37 to 59.82.

Allison Franke (USC) threw the javelin 157-1. Kristen Ronning (Washington) placed second at 152-11.

Mt. SAC Relays

Friday April 17th, and Saturday April 18th. Mt. San Antonio College, Walnut.

By Doug Speck

Falling on Easter weekend this year, the Mt. SAC Relays went to a Friday/Saturday format, with most of the prep action on Friday. There were some great performances under fine weather conditions over the two days. The great girls sprint relay rivalry of Morningside (Inglewood) and Long Beach Poly was the prep headliner. Also on the track, Marion Jones (1000 Oaks), Goss Lindsey (Peninsula, Rolling Hills Estates), Angel Martinez (San Gabriel), Milton Hughes (Stagg, Stockton), Daniel Das Neves (Helix, La Mesa), and Nikki Shaw (Fillmore) were particularly impressive. In the field, Jeff Buckley (Bakersfield) and Danielle Boswell (Bullard, Fresno) performed nicely, with Girls relay teams from Agoura and Fallbrook in the distances, and John Muir of Pasadena in the shuttle low hurdles recording impressive times.

With a crowd of close to 10,000 on Saturday, the Girls 4x100 meter relay would be a meet highlight. Morningside (Inglewood) returned all of last year's 45.90 team, and had gone to Texas two weekends previous and finished second to Madison of Dallas 46.22-46.24. Meanwhile, in the slightly beat-up Morningside team's absence the next week at Arcadia, Long Beach Poly had taken over the national lead with a 46.17 effort. The race here was a classic! In a contest that was never separated by inches, Morningside anchor runner Santishia Arnold ran down 11.97 frosh Andrea Anderson to win 45.83-45.88, the #10 and #12 prep times ever run. These squads will face each other at least two more times during the season.

Marion Jones was going over 100 meters here, with the eleventh grade

star exhibiting a super start in an 11.44 win into a -1.45 meter per second wind. In a 4x200 event Jones raced a 23.0 third leg, and added a flying start 10.4 100 meter anchor leg on her school's 47.76 squad. Marion looks sharp, with the only test some more competition (which she will not find at the prep level anymore).

Distance runners shone brightly over the two days. Relatively unknown at the top level, Goss Lindsey (Peninsula, Rolling Hills Estates), had faded after leading the Arcadia 1600 through three laps at 3:11 the previous weekend. Here, the story was quite different, as he put together an amazing triple on Friday. Starting with a 1:53.9 4x800 leg in the morning, Goss added a mid-day 4:14.7 anchor on a 10:20.96 runner-up distance medley team, and finished off in the early evening with a 4:14.1 anchor on his school's 17:49.34 runner-up 4x1600. Lindsey's day of running was as impressive as any local prep middle distance runner in a long, long time. Daniel Das Neves, the nineteen year old Brazilian native at Helix HS in La Mesa blazed a 4:26.5 first 1600 on the way to a solo effort 8:25.64 3000 meter effort on Friday evening. At Arcadia the previous weekend, in addition to a 9:02.82 nation-leading 3200m win, San Gabriel's Angel Martinez had anchored his Distance Medley team to a 10:18.18 win with a 4:13.9 leg. This weekend in the Distance Medley he received the baton about 100 meters down on San Pasqual (Escondido) anchor runner, 4:17 1600m star Brian Keim. Martinez was game, blazing a 2:00 first 800, and 3:06 1200 in quest of the lead. A win was not to be this weekend, with Martinez still finishing in an impressive 4:11.6. Keim was 4:19.5 with Nazario Romero leading off the San Pasqual 10:19.73 winner with a 3:06.9 1200. Late Saturday afternoon Das Neves, Martinez, and a flock of others (10 with bests at better than 4:20 for 1600 meters) would meet at 1500 meters. Mexico's Pablo Olmedo led through 59.4-2:04.3 and

3:06.2 400 meter posts, with Das Neves' controlling, pace-setting style upset by the "south of the border" athlete's early start. Martinez moved around the pack with 500 meters to go, closing to within twenty meters of the lead at the 1200 mark, and pulling up on Olmedo's shoulder with 150 meters to go. During a spirited stretch run, Martinez continued to fulfill the promise he has shown for the last couple of years (he did run an 8:56 3200 as a soph), blazing past Olmedo to a 3:50.47 nation-leading win. Todd Tressler (San Marcos, Santa Barbara), third at 3:53.72 had earlier in the

raced 47.71 and 1:53.52 last year in his Section Finals as a junior, then false-started in the State Prelims 400 and run poorly in the 800. This year he has ventured out of his local area to pick up experience, and blazed 1:51.24 two weekends previous at Fresno. Here he would run the 800 on Friday and 400 on Saturday. This guy is for real! Against little real opposition the tall Hughes with a loping stride churned through 25.8-53.1-1:20.9 splits on the way to a totally solo 1:51.06 win. National leader Bryan Woodward (Poly, Long Beach), 1:50.76 at Arcadia, ran relays here.

day run a 1:52.8 anchor sprint medley relay split. Nikki Shaw (Fillmore) was the female distance star with her 1500 meter run, following Mexican athletes through the first couple of lap splits at 68.1 and 2:23.3 before blazing 69.3 final 400 on the way to a 4:31.32 win.

Milton Hughes (Stagg, Stockton) continues to prove that he is very special. The Sac Joaquin Section star had

Over 400 Meters Hughes would meet Derek Sheppard (Lincoln, San Francisco) 46.68 earlier in the year. It was no contest in the stretch run, as Hughes continued to amaze by pulling away to a 47.08 win. The state meet run between Hughes and Woodward will be very, very special.

Jeff Buckley (Bakersfield), having to be on a bit of an emotional downer

California Track and Cross Country Coaches Alliance

after the super Discus competition at Arcadia the previous weekend (where three were over 194 feet and Buckley won at 208-1), had a fine weight double here. First, he took the Shot Put at 60-2 1/2 (over 62-10 Arcadia winner Tyson Lingenfelter of Upland) and came back to take the Discus at 188-8. Soph Danielle Boswell (Bullard, Fresno) topped a fine Girls High Jump field with a 5-10 clearance, just short of her fine seasonal best of 5-11.

The #1 ranked nationally Agoura Girls Cross Country team has continued running strongly on into track. Here they would go after a strong 4x1600 relay time. Lead-off Laura Hayward had some company through her 5:11.7 leg, but Kay Nekota 5:05.6, Kristie Camp 5:08.7, and frosh Amy Skiersz 5:02.9 had to push themselves and race past lapped teams for motivation. The overall time of 20:29.15 is the #3 prep time ever run by a U.S. High School squad on the combined 4xmile and 4x1600 meter lists, and took down the Agoura school record by some six seconds set by the 1991 Deena Drossin-anchored team. 2:14 800 meter runner Melanie Hand of Fallbrook started her school's Distance Medley Relay team out in fine style with a 3:37.9 1200 meter leg, with Tanisha McNeill and Stacey Kerr keeping the team ahead until Milena Glusac took the anchor baton for the team. The nation's quickest outdoor 3200m runner off her 10:31.06 Arcadia win wasted no time, blasting a 5:00.0 anchor split with the team recording a 12:07.00 winning time, the equal #10 time ever run by a California squad. John Muir of Pasadena, racing in the 30' shuttle low hurdle event, had frosh Kelly Moten (15.0), soph Amber Roberts (14.8), junior Ch'a Mosley (15.0), and senior Shireen Brookhart (14.7) run 59.42, the #3 prep time ever recorded in the event. California will go to 33" hurdles in 1993.

Orange County Championships

Trabuco Hills H.S. Saturday, April 25th

The very strong Orange County portion of the Southern Section had its first combined Boys/Girls County Meet at the fine

new Trabuco Hills facility. Coach Al Britt of Esperanza (Anaheim) H.S. slaved at his computer during spring break to enter the over 2000 entries required for the two varsity and frosh-soph level meets, with the affair a great success.

Shelley Taylor (Edison, Huntington Beach) and frosh Barbara Boisvert (Orange Lutheran) would renew their rivalry over 1500 and 800 meters here. Taylor, the national 1600m leader off her 4:51.98 win, with Boisvert, under 5:10 in the mile in junior high, fading late in her early season invitational races.

The fifteen year old ninth grader moved to a new level this day. In the 1500, Barb took it out, as usual, racing through 69.4 and 2:25.4 splits with a big lead before Shelley pulled even with one lap to go at 3:21.0. Taylor could not shake the ninth grader this week until the final 100 meters, with Taylor finishing at 4:33.6 and Boisvert a bit break-through 4:35.7. Some five hours later over 800 meters, Mt. SAC winner, at 2:12.45, Christie Engesser (Ocean View, Huntington Beach) would join the above duo. Boisvert again charged out, leading through the 400 at 66.0 with Engesser riding her shoulder. Taylor, who had run 2:12 last year, was some 30 meters back. Down the backstretch the leading duo charged, with Taylor lagging far back. Through the 600 at 1:40.5, Boisvert then showed real lift during the stretch run, edging away to a 2:14.4 win over Engesser's 2:15.0. The Orange Lutheran frosh, awarded with the Girls Distance Runner of the Meet award, will be a big factor down the road this spring at the top prep level.

There was plenty of other great action. Greg Muniz (Woodbridge, Irvine) surprised with a strong stretch run against a top 400 meter group, edging Foothill's (Santa Ana) Ethan Taub at the tape 48.69-48.73. In the 300 Intermediates, the lanky Muniz exhibited a disciplined step pattern that had him win over Charlie Davidson (Saddleback, Santa Ana) 38.53-38.64, and take the sprinter/hurdler Athlete of the Meet award. Boys Distance Runner of the Meet was Chris Lynch (Laguna Hills), who raced a 63.4 final 400 in a 4:01.1 1500 win, and returned later to dominate the 3000 meter field at 8:46.24. Boys Field Event Athlete of the Meet was Tonn Parrish (Marina, Huntington Beach) with a 22-7 1/2 (Long Jump) and 46-10 1/4 (Triple Jump) double win. Tony Mancuso (Newport Harbor) continued to move towards 60 feet in the Shot Put, here winning with a fine 59-2. Twins, and we do mean "look-alike" twins, Kevin and Corey Alexander (Valencia, Placentia) were all over the place, with Kevin winning the 100m at 10.82 and the duo adding to a 42.48 winning 400m relay group. The fine Boys 4x400 Relay at Foothill (Santa Ana) closed out the Boys' meet in style, riding 47.6 (Ethan Taub), 48.7 (Tad Heath), and 49.0 (Aaron Taub) legs on the last three laps to a 3:17.96 Meet Record.

Elinor Tolson (Fountain Valley) looked good during 14.38 and 45.80 hurdle wins, and was given the Girls Sprinter/Hurdler Meet Award.

Gina Heads (Newport Harbor, Newport Beach) had a fine weight double, 41-5 1/2 and 131-11, to take the Girls Field Event Award. Heather Sterlin (Mission Viejo) was all over, taking the Long Jump at 18-6, adding to Mission Viejo's 48.82 400m relay team, racing 15.09 in the 100 Lows, and moving her team into the lead during the 4x400 relay with a sub-59.0 second leg. Frosh Meisha Wilson-Duval, a New York state move-in, looked good in taking both Girls sprint events at 12.49 and 25.5. A great Girls Meet had a fitting close to the ten hour meet day in the 4x400 meter relay, with Sonora (La Habra) (4:06.40) just out-leaving Laguna Hills (4:06.47) and Mission Viejo (4:06.46) at the finish of an exciting stretch run.

(Heats combined for results) - Weather 85 degrees, calm weather morning - breezy afternoon.

Ventura County Championships

May 1. Camarillo High School.

The very strong Ventura County area of the Southern Section came together for its area championships the last weekend of the regular season. Highlights were Marion Jones, who continues to roll at her new school, Thousand Oaks, the distance runners, who abound in this area, and field event stars, soph jumper Jeremy Fischer (Camarillo) and weight athlete Crystal Brownlee (Westlake, Westlake Village).

1991 National Prep Track Athlete of the Year Marion Jones started her day off with a rocket anchor leg on her team's 4x100 relay team, getting the baton a full ten meters down on her old school, Rio Mesa, before rocketing the homestretch with a good breeze behind her in a 49.9 win. Some in the crowd commented that the eleventh grader had never looked faster than on that anchor effort. In the 100 meters Jones had 5.6 miles per hour of wind behind her, with a rocketing 11.47 wind-aided effort to win. It again became obvious that Marion has to look far beyond the prep level for competition this year, with polite hard efforts such as the eleven meter triumph here nice, but not close to the desperate all-out attempts that will come later in Open competition. Skipping the 200, Marion took the baton for

her 4x400 team in third place on the second leg. Blasting the first turn, Marion had the lead by the start of the back-stretch. Pushing the full first 200 (she came by at 24.6), the star finished her day off with a 54.9 leg.

Jeff Wilson (Newbury Park) led the distances, with the BYU-bound senior concentrating here at the 3200. Despite a good field, Wilson turned the race into a solo effort, racing through a 64 second opening lap and 4:29.5 first 1600. After 70.7 and 72.7 laps, he speeded to 70.5 on the 7th circuit to come past the gun at 8:03.0. Mustering a good last lap effort Wilson raced a big personal best of 9:06.73. Nikki Shaw (Fillmore) had a fine double. Fillmore teammate Mari-bella Aparicio led early over 1600 meters, holding a 20 meter lead through 72.9 and 2:27.7 lap splits. Shaw an Agoura frosh Amy Skieresz closed up at the 1200 post at 3:45.5, with the leading trio battling furiously down the backstretch. With a half a lap to go young flash Skieresz actually moved ahead before Shaw exploded, racing the final 200 in 34.4 to win at 4:59.51. Skieresz prd in 5:01.41. Shaw came back over 800 meter, with Aparicio starring in the 3200. Shaw took a good two lap field out through a 31.6 first 200, and was a big leader through 66.2 at the lap post. The Villarova-bound senior was unpressed through a 1:40.4 600 and 2:15.14 finish. Aparicio came back against Skieresz and a fine 3200 field. At 5:25.5 for 1600 meters Mari-bella was part of a pack of a half a dozen. During the fifth lap our other Fillmore distance star pushed the tempo (80.1), and continued hard, racing 80.8 and 80.6 on to the gun. And 82.2 final lap finished off a fine 10:47.27 win, which went nicely with her 5:05.33 1600 earlier in the day. Skieresz was strong again, with another pr, 10:54.35, with teammate Kay Nekota off the #1 ranked nationally Charger Cross Country team at 10:59.28 in third. So strong is this area that the winner of the third (I) level girls 3200 race run here was under 12:00, at 11:58.88!

Ryan Wilson (Agoura) took the Boys 1600 at 4:22.8, with a 2:05.9 final 800 after the field cruised through a 2:16.9 first two laps.

Soph Jeremy Fischer (Camarillo) continued his fine season of High Jumping, with the human "pogo-stick" sailing over 6-8 to win the High Jump with some good efforts at 6-11. Crystal Brownlee (Westlake) was 44-2 to win the Shot with a pr 131-0 in the Discus. Marcus Stokes (Thacher, Ojai), a private school of 225, took the Highs in a wind-assisted 14.46, with Fillmore's Joel Lopez having a fine distance double of 4:23.7 for second in the 1600 and 1:55.88 in the 800. Times in hundredths are Accutrack Timing - Times in tenths are hand-timed.

EDITORIAL (continued)

him telling dad how much the sport had changed. He said the coaches used to always ask the athlete: Are you winnin'? Now all you hear is: Did you qualify? Mr. Smith said he just didn't think always trying to qualify is nearly as much fun as trying to beat the other guy. In fact, he said in some meets he's officiated, he thought the athletes didn't care what the other athlete did, all they cared about was trying to reach a mark. And you know what else he said, coach? He said with travel costs being what they are today, maybe the athletes should just jump in their own pits and send in their marks. I told Mr. Smith that's ridiculous and that didn't sound much like fun, and he said he didn't see too many athletes having fun anyway. What do you think coach?"

"Well, Billy Ray, we want you to have fun, but you must remember, you got to pursue them marks."

"Coach, the other night Aunt Betty Lou, who writes for the *Times*, came over for dinner and dad jumped all over her for not writin' more about track and she said people are more interested in other sports because sports are about winnin' and losin' and not about pursuing them marks. She said, can you imagine not keepin' score in football and basketball and racecar drivers not caring about beating the other driver, but just seeing how fast they can drive? You know coach, she also said in San Jose, California, them San Jose Sharks ice hockey team, which just arrived in town, started a roller hockey program and so far 10,000 people have signed up because it's so much fun. She said this is the same town that dropped track at their University and she said not far away Hayward State dropped their program and just north across the Bay, Sonoma State dropped theirs, and she even claims they dropped men's track at UC Irvine and San Diego State."

"No, Billy Ray, you must have misunderstood, not Irvine and San Diego."

"Yep, coach, that's what she said. You know, coach, she also said that all surveys have said that the track meets are too long and still no one in the sport seems to care enough to make changes. People are losin' interest faster than the spotted owl is disappearing in the Northwest."

"Well, Billy Ray, it's time to quit talkin' and go to practice. The NCAA meet is not too far off, and we got to pursue them marks."

Johnny Mathis Invitational

May 2. San Francisco State's Cox Stadium.

Nine meet records, eight stadium records, and then Olympic Trials qualifying marks highlighted the 11th Annual Johnny Mathis Invitational.

Pam Dukes, a former all-American at Stanford, won the shot put (53-7) and discus (196-5), breaking meet and stadium records in both events, while qualifying for the U.S. Olympic Trials, which will be held in New Orleans, June 19-28.

Former Cal standout Jeff Rogers won the high jump with a meet and stadium record leap of 7-5 1/4, also qualifying for the Trials.

Following are the remaining record setters, using MR and SR for meet and stadium record abbreviations: Rod Jett, 110m hurdles (13.68, MR & SR), Carol Keller, 1500m (4:25.7, MR & SR), Nicole Carroll, javelin (169-7, MR & SR), Linetta Wilson, 400m hurdles (56.7 hand, MR & SR), Chris Swvan, long jump (19-7, MR & SR), Michelle Felder, 400m (53.24, MR).

The meet recognizes recording star Johnny Mathis, who was a 6-5 1/2 high jumper before graduating from SFSU in 1957. An avid Gator track booster, Mathis' donations enable the SFSU program to compete at the top meets in the country.
