THE FINEST SUITS OUT OF THE BLOCKS

Nylon Tricot and 3 needle stitching give Dolfin's new concept for track big advantages: lighter, softer, more flexible, brighter, tougher, easier to wash, quicker to dry. Distinctive colors give positive team identification at the finish line. Dolfin suits are winners. Write for Catalog and Prices.

NEWS ROUNDUP

Jack Shepard, Scholastic Editor for Track & Field News has informed REVIEW that Bob Young, senior from Woodrow Wilson, Levittown, off the basis of his 6-8 1/8 jump indoors is ranked No. 4 in the nation. Dwight Stones of Glendale, Calif. leads at 6-10, followed by Bruce Gronewaldt, LaSalle H.S., New York City, 6-8 1/2, Mike Branch, Ft. Worth, Texas 6-8 1/4, Bob Young 6-8 1/8, and Randy Fulkerson, Santa Fe Springs, Calif, 6/8. Art Owens of Stroudsburg High School looks like the man to beat...so far, in the 100 this season. Owens looked terrific in beating Gary Cromley of Milton, easily in 9.9. Cromley ran 9.8 in '70. Pa. had a good crop of sprinters graduated last year, and another returnee who was overshadowed last season who should come into his own is Mel Washington, Wm. Penn Harrisburg junior who clocked a pair of 9.9's as a soph. Inexperience and inconsistency plagued Washington last season but he should be one to reckon with outdoors. Philadelphia's two supermen Joe O'Rourke of Bartram and Rich Jacovini of Cardinal O'Hara tangled in the mile in their first battle of the outdoor season at The Spiked Shoe Meet on Franklin Field March 20th. Jacovini got the nod this time, winning in 4.25.0 slightly ahead of O'Rourke. Kenny Warner, fantastic 49.0 quarter miler from Wissahickon is now lost to the team for the outdoor season. At the end of the indoor season he became intelligible due to age. At present, Warner, who ran on the State Championship mile relay unit is considering Norfolk State and Johnson C. Smith College. Head Coach F. Garis stated in spite of this tremendous loss, his Wissahickon relay team will remain quite strong with soph Leon "Bunker" Hill who ran 52.3; Ernie Cupid, a junior with 52.4, and junior Tony Bishop, 50.5, all clocked during the indoor season. Coach Garis has several good prospects to pick from in filling the vacant slot. Pierre Ritter, York junior means business. At a meet a G.A.R. High in Wilkes-Barre last February, Ritter ripped off a 7.2 60-yard low hurdle race. He lead the state in the 180 yard event last year with a 19.2. Ray Kressler, head track mentor at Rider College announces he will stage a second annual Steeplechase clinic at Trenton, N.J. this season since last year's was an overwhelming success. Top experts in this event will be on hand once again, at the clinic which is scheduled for June. Arch-rivals Tim Cook and Mickey Collins of Chambersburg and Easton High Schools respectively, went head to head in their first outdoor mile run duel of the season, with Collins getting the nod in this one 4.21.4 to 4.26.3. Cook had a slight lead at the start of the final lap, but Collins' strong finishing kick saw him pull away from Collins with 150 yards to go. Former P.I.A.A. executive director "Bus" Funk passed away recently in Harrisburg. He was 79 years old. J. Davidson of William Tennent High ran a swift indoor 600 in 1:12.7 at the University of Delaware 2/20/71.

Mechanics of the Pole Vault
7th 1970 EDITION 7th

The new 1970 edition is here—over 60,000 words of discussion on the world's most complicated track skill. Introduction by Earl Meadows, 1936 Olympic champion. Over 300 photographs by the world's top track photographers—16 complete action strips over 16-17 feet all Olympic finalists. Sections like: You Can Bet Your Life on a Fibreglas Pole; Pole Vaulting for Beginners as Well as Experts; Body Conditioning for Vaulting. . . . 15 Reasons Why Your Fg Pole Did Not Bend Properly; How to Fix Your Take-Off Point; Converting Your Swing into a Rocking Action Style Over the Bar. . . . Questionnaire Interviews with 23 of the World's Greatest Vaulters Including: Pennel, Seagren, Railsback, Sloan, Vaughn, Chase, Smith, Chen, Caruthers, Dias, Burton, Bizzaro, Carrigan, Steben, PLUS Mustakari & Alarotu (Finland), D'Encausse (France), Bull (England), Sola (Spain), Dionisi (Italy), Blomqvist (Sweden), Papanicolaou (Greece) and Schiprowski (Germany).

Extensive statistical section on bamboo, steel and fiberglass poles. World rankings every decade since 1929. Historical information never heretofore published in Russian and German. MECHANICS OF THE POLE VAULT is authored by a former natl. AAU, NCAA champion who in 1968 received the Helms Hall of Fame award for outstanding contributions to the science of track & field athletics. This is not a re-hash of other editions; it has been completely re-written from cover to cover.

ON THE COVER...

Tim Cook, Chambersburg High School miler and 1970 District 3 Champion. His personal best is 4.20.3 outdoors as a junior last year. Cook will get plenty of stiff competition from Easton's Mickey Collins, Bethel's Bob Schurko, and possibly Rick Kissman of Erie McDowell for the top spot in this event.

As stated in the "Review" Annual the author rates Kennett Square's great sprinter, Don Webster, the finest prep athlete in Pennsylvania track and field annuals. Webster ran in the 1960 Olympic trails (400 meters) and copped three state titles in the Class A 440-yard dash. In 1961 when he clocked his great 46.5 he defeated the well-known Dolph Plummer who later held the world's record in the quarter. No athlete in track history has turned in such superlative performances at an early age as Webster did. He was truly amazing.

Ted Meredith, an Olympic 800 meters champ in 1912 as a 19-year old schoolboy, gets the nod over the more versatile Gene White who copped the Golden West Invitational long jump championship at 25 feet even.

In the battle for 4th thru 10th places on the alltime list USA ratings, state titles, state ratings and other criteria were evaluated in an effort to rate the above fine performers.

You will note that both Ambridge and Mercersburg Academy landed two performers on the all-time Pa. prep performers list.

The author welcomes comments from interested readers. The best letters will be used in upcoming issues of "Review."

LONG
SLOW
DISTANCEby Joe
Henderson

The Humane Way to Train

Much talked about and eagerly-awaited by distance running aficionados, Joe Henderson's new book on LSD (Long Slow Distance), "The Humane Way to Train," is now ready and making itself heard in running circles across the country.

Its approach is away from the rigid schedule, the back-breaking type of training so prevalent today. LSD advocates long, slowish training runs and suggests that workouts should be pleasurable, not a daily grind.

With illustration and example from the training routines of top-class runners (such as Amby Burfoot, Bob Deines, Tom Osler, and Ed Winrow), as well as some lesser lights, the book shows how LSD has been a dramatic aid to performance and should provide food for thought to many.

All runners (road runners, trackmen, Sunday joggers, and others) should find much to stimulate them in this book. And coaches owe it to themselves to learn what LSD can do and has done. Fans, too, will be rewarded by the clear, interesting presentation. Who knows? This just might be the beginning of a distance training revolution!
