ALL JUNIOR OLYMPIC
NATIONAL CHAMPIONSHIPS
from 1967 to date

A project of **STARTING LINE Magazine**

STATISTICAL INFORMATION

Much of this handbook is devoted to listing the athletes who have compiled the best marks for their age in the "standard" track & field events. We have tried to cover as many events as possible and all the ages (if the information was available) from age eight to seventeen.

The editors of STARTING LINE believe that lists such as this can serve a variety of purposes. First and most importantly, the lists serve as a guide to what is capable of being achieved in the track and field events at a given age level. Secondly, it is through such tabulations that boys and girls, as well as their coaches can compare their efforts to those in different parts of the country. Thirdly, it may spur some athletes on to try and get their names within the top echelons in their events (this is why we don't place much emphasis on mere "records", which are usually completely out of reach, and quite often assisted by unusual if not illegal circumstances anyway). Fourth, and of minor importance, some athletes may achieve some additional recognition by getting their names on the list, though usually the athletes who make it have achieved previous recognition anyway.

In compiling lists of best performers a number of difficulties arise, foremost of which is the problem of obtaining accurate and complete information on the marks considered for inclusion in the lists. We have tried, in so far as possible, to eliminate the very questionable times and distances. If the listings are to serve as a guide, they may as well serve as an accurate guide, supported by reasonably documented details. For the purpose of this handbook, we have included only the athletes for which we have birthdates.

What do we look for in deciding whether a performance is reasonably valid and should be included in the list? There are a number of factors:

(1) Was the performance made under competitive conditions?

In other words, was it made in a regularly scheduled meet, with at least three contestants. Hastily improvised "record attempts" are not considered valid.

(2) Were the facilities (surveyed track, regulation jumping pits and weight event rings) reasonably standard?

(3) Was a reasonable effort made to insure accuracy and completeness in recording the results of the meet?

Was wind gauge used in sprints and jumps? Were there at least three athletes timed in the race? Was the measurement proper in the field events?

(4) Was the meet reported in such a way as to show information listed above?

If the answers to all the questions above are yes, we have little problem in deciding that the mark was valid. If some of the answers are no, we might have to reject the mark, until more information is forwarded. If many of the answers are no, then the performance does not deserve to be on the same list with the other marks, which have been so scrutinized and found to be reasonably "O.K."

A mark on the list only has meaning to every other mark on that list, if it was made under the same relative conditions (a long jump made downhill, with a strong wind, which was measured to the nearest inch cannot even be considered the same event with a long jump made under valid conditions). That is why we consider all the factors when compiling our best performers lists.

We hope you will help us make such compilations better in the future, by submitting detailed meet results to STARTING LINE, P.O. Box 878, Reseda, CA 91335.

4th Edition

1975

Starting Line HANDBOOK

FOREWORD

This Handbook represents the fourth edition of the STARTING LINE Junior Age Group Track & Field Annual. With 104 pages of material, it is our largest effort to date.

Its purposes is to serve as a reference and guide to information concerning the Sport of Track and Field at the Youthlevel.

Its purposes is to serve as a reference to performance standards and a guide to information concerning the Sport of Track and Field at the Youth level of competition.

A very special note of gratitude is due to all the coaches, officials and Junior Olympic and AAU Chairmen for their invaluable submission of material such as meet results and listing of birthdate information on their leading athletes.

The photographs presented in this book are only a small selection of the excellent coverage we received during the year. Some of the more prolific contributors include (alphabetic order): Don Chadez, Doug Schwab, DUOMO (Steve & Paul Sutton and Gale Constable), Jeane Floyd, Bruce Hershey, Sue Humphrey, Jeff Johnson, Nelson Lyles, Terry Pinto, and Karin Smith.

The Handbook was researched, edited and assembled by the staff of STARTING LINE MAGAZINE.

Statistical work by BILL PECK and MAX & MARK ZUCKER, with special assistance by JACK SHEPARD and MIKE KENNEDY.

Production, typing and Camera Work by MAGGIE PENTURFF and GLORIA DIAZ. Graphic and Art Direction by JAMES DIAZ.

AGE-GROUP EVENTS

Boys and Girls events listed below are those accepted as standard for JUNIOR OLYMPIC competition and for the AAU AGE GROUP program as well. The two national programs generally share the same event structure, though a few differences are noted below. Other age group track and field programs have somewhat different events and regulations, but the JO and AAU competition are the most widely known and have the most participants, so may be used as a general guide.

Events marked with an asterisk (*) below are not considered by STARTING LINE for yearly and all-time best performance lists, but they are accepted AAU and/or Junior Olympic age group events.

STANDARD EVENTS (All age groups, boys & girls Divisions)

100 yard Dash, 220 yard Dash (around one turn), 440 yard Dash (around two turns), 4 x 110 yard Relay, Running High Jump, Running Long Jump

ADDITIONAL EVENTS (conducted only in age groups listed)

BOYS JO & AAU BANTAM DIVISION: 50 yard Dash, 880 yard Run, *880 yard Race Walk, *One mile Race Walk, *880 yard Medley Relay (220-110-110-440), Baseball Throw...Cross Country (1 mi).

BOYS JO & AAU MIDGET DIVISION: 50, 880, One mile Run, 50 yard Hurdles (30"), *880 Walk, *Mile Walk, *880 medley Relay, Running Triple Jump, Shot Put (6 pound)...X-Country (1½ mi).

BOYS JO & AAU JUNIOR DIVISION: 880, Mile Run, 70 yard Hurdles (30"), *Mile Walk, *Two Mile Walk, *880 medley Relay, Running Triple Jump, Pole Vault, Shot Put (8 pound), Discus Throw (1.0 kilogram)...Cross Country (1½ miles).

BOYS JO & AAU INTERMEDIATE DIVISION: 880, Mile Run, Two Mile Run, 120 yard Hurdles (39"), 180 yard Hurdles (30"), 330 yard Hurdles (36"), *Mile Walk, *Two Mile Walk, *4 x 440 yard Relay, Running Triple Jump, Pole Vault, Shot Put (12 lb), Discus Throw (1.6 kg), Decathlon (events in order are: 100m Dash, Long Jump, 12 lb Shot Put, High Jump & 400m Dash on first day; 120 yard Hurdles-39", Discus-1.6 kg, Pole Vault, Javelin-800 gram & 1500m Run on second day)...Shot Put (8 pound) in AAU only...Cross Country (2 miles).

BOYS JO & AAU SENIOR DIVISION: 880, Mile Run, Two Mile Run, Three Mile Run, 120 yard Hurdles (39"), *180 yard Hurdles (30"), 330 yard Hurdles (36"), Running Triple Jump, Pole Vault, Shot Put (12 lb), Discus Throw (1.6 kg), Javelin Throw (600 gram), Decathlon (same events and order of events as Intermediate Division)...Cross Country (3 miles).

JUNIOR MEN: This is an optional division in AAU competition only, with the same events as Boys Intermediate & Senior Divisions except that international weight implements are used.

GIRLS JO & AAU BANTAM DIVISION: *50, 880, *880 Walk, *880 medley Relay, *Baseball Throw, Triathlon (events in order are 100m Dash, Baseball Throw & High Jump)...*Standing Long Jump in JO competition only...Cross Country (1 mile).

GIRLS JO & AAU MIDGET DIVISION: *50, 880, Mile Run, 50 yard Hurdles (30"), Mile Walk, *880 medley Relay, Shot Put (6 pound), *Baseball Throw, Triathlon (events in order 100m, 6 pound Shot Put & High Jump)...Standing Long Jump in JO competition only...Cross Country (1½ mi).

GIRLS JO JUNIOR & AAU YOUTH DIVISION: 880, Mile, 80 meter Hurdles (30"), 200 meter Hurdles (30"), Mile Walk, *Two mile Walk, *880 medley Relay, *4 x 440 Relay, Shot Put (6 lb), Discus Throw (1.0 kg), Javelin Throw (600 gram), *Baseball Throw, Pentathlon (events in order are 80m Hurdles-30", 6 lb Shot Put, High Jump, Long Jump & Baseball Throw)...X-Country (1½ mi).

GIRLS JO JUNIOR & AAU YOUTH DIVISION: 880, Mile 80 meter Hurdles (30"), 200 meter Hurdles (30"), Mile Walk, *Two Mi Walk, *880 medley Relay, *4 x 440 Relay, Shot Put (6 lb), Discus Throw (1.0 kg), Javelin Throw (600 gram), *Baseball Throw, Pentathlon (events in order are 80m Hurdles-30", 6 lb Shot Put, High Jump, Long Jump & 200m Dash)...Cross Country (1½ mi).

GIRLS JO & AAU INTERMEDIATE DIVISION: 880, Mile Run, Two Mile Run, 100 meter Hurdles (30") 300 meter Hurdles (30"), Mile Walk, *Two Mile Walk, *880 medley Relay, **4 x 220 Relay, *4 x 440 Relay, *4 x 880 yard Relay, Shot Put (8 pound), Discus Throw (1.0 kg), Javelin Throw (600 gram), Pentathlon (events in order are 100 meter Hurdles-30", Shot Put...4 kg in JO... 8 lb in AAU, High Jump, Long Jump, 200 meter Dash)...Cross Country (2 miles).

GIRLS JO SENIOR DIVISION: 880, Mile Run, Two mile Run, 100 meter Hurdles (30"), 400 meter Hurdles (30"), Mile Walk, Three mile Walk, *4 x 220 Relay, *880 medley Relay, *4 x 440 Relay, *4 x 880 Relay, Shot Put (8 pound), Discus Throw (1.0 kg), Javelin Throw (600 gram), Pentathlon (events are the same as Intermediate Division)...Cross Country (2 miles).

JUNIOR WOMEN: This division is contested in AAU competition only. The events are the same as JO Senior Division, except that Shot Put is 4 kilogram and 100 meter Hurdles are 33 inch.

AGE-GROUP RULES

- AGE-GROUPS.** There is some variation in age groups among different organizations. AAU Boys & Girls are broken down into the following divisions for the 1975 Calendar Year: Bantam (born in 1965 or later), Midget (born 1963-64), Junior/Youth (born 1961-62), Intermediate (born 1959-60). There is also a division for Junior Men (born 1956-58) and Junior Women (1956-60). Normal international age groups are the same except that Junior Women is for Women born 1957-60. U.S. Youth Games age groups are 9-11, 12-13 and 14-51 years old. Junior Champ (USTFF) age groups consist of 6 & under, 7 & 8, 9-10, 11-12, 13-14. Other organizations have age groups corresponding to grade in school or use the actual grade for determining groups for competition. Events for each age group in each program vary (see Age Group Events on previous page).
- DETERMINING AGE.** For 1975 AAU has changed to grouping athletes by their birth year. A young boy or girl remains in the same age group the entire calendar year, no matter when their birthday occurs. For Junior Olympics, the athlete's age group is determined by his or her age as of May 1st. Other organizations determine age group by age on the date of competition or some other arbitrary date (e.g., U.S. Youth Games uses the date of its National finals in August). Consult the specific rules of the organization under which the rules of the meet are being determined. STARTING LINE, in compiling yearly best performance lists, will use the normal international method of determining age by birth year.
- REGISTRATION.** Some organizations require an athlete to be previously registered before competing. The registration for AAU, as an example, consists of filling out an application affirming, among other things, that the athlete is not using sports for monetary gain. Proof of birthdate and a registration fee is also required. Junior Olympic competitors must also be registered with the AAU. Consult your local Association Chairman (listed elsewhere in this Handbook) for the procedures to be followed in registering for competition.
- EVENT LIMITATIONS.** Most organizations have limitations on the number of events an athlete may enter in any one meet. (In Junior Olympics, for instance, no athlete may participate in more than three events, including relays). Some limitations vary from age group to age group. In addition, many programs limit the number of distance events (440 or 880 yards or longer) in which a girl or boy may run on the same day. Consult the rules for the particular organization which is sponsoring the meet.
- RUNNING IN LANES.** All races shorter than 180 yards (including hurdle races) are run entirely on the straightaway and each runner must stay in his assigned lane during the entire race. Most 200 meter/220 yard races are run around one turn, with "staggered" starting lines. 400 meter/440 yard runs are generally around two turns, in lanes all the way, also with "staggered" starting lines. Longer races are run from "scratch", that is, runners may break for the inside of the track whenever they are clear of the runners inside of them and don't impede their progress by "cutting in". However, many races 880 yards or longer are run with 220 "staggered" starts around one turn, after which the runners may break for the inside "pole", helping to prevent unnecessary jostling on the first turn.
- HURDLE RACES.** In hurdle race, the height of the hurdles, length of run to the first hurdle, distance between hurdles and distance from the last hurdle to the finish line is always specified in the rules. (Hurdle height and distance of race should always be noted when reporting results).

NOTES (apply to events listed on preceding page):

- * 50 yard HURDLES (30") race consists of 4 hurdles, with 12 meters (39'4-1/2") to the first hurdles and 8 meters (26'3") between hurdles.
- * 70 yard HURDLES (30") consists of 5 hurdles, with 12 meters to the first hurdle and 10 yards between hurdles.
- * 80 meter HURDLES (30") has 8 hurdles, 12 meters to the first and 8 meters between.
- * 100 meter HURDLES (30") and 100 meter HURDLES (33") races each consist of 10 hurdles, with 13 meters (42'7-1/2") to the first and 8.5 meters (27'10-1/2") between.

- * 120 yd HURDLES (39") has 10 hurdles, with 15 yds to the first and 10 yds between.
- * 180 yd HURDLES (30") has 8 hurdles, with 20 yards to the first and between.
- * 200 meter HURDLES (30") consists of five hurdles, with 45 meters (147'7-1/2") to the first hurdle and 35 meters (114'10") between hurdles.
- * 45 meters (147'7-1/2") to the first hurdle and 35 meters (114'10") between hurdles.
- * 300 meter (30") and 330 yard (36") HURDLES each have 8 hurdles, with 45 meters to the first hurdle and 35 meters between hurdles.
- * 400 meter HURDLES (30") has 10 hurdles, with 45m to the first and 35m between.

7. RACE WALKING. This activity is defined as a progression so taken than unbroken contact with the ground is maintained. The advancing foot must contact the ground before the rear foot leaves the ground. During each step when a foot is on the ground, the leg shall be straightened (not bent at the knee) for at least one moment.
8. RELAY RACES. A "passing zone" of 22 yards is almost universally used. The exchange of the relay baton between runners must take place within this zone. An additional "run-up" zone, which is used by the outgoing runner in order to get a running start before he enters the passing zone, is allowed. This additional zone may not be used for completing the baton exchange, however.
9. JUMPING EVENTS. Running long jump specifications require a take-off board of 200 millimeters (7.874 inches) in width and a landing area (sand) which is level with the take off board. High jump and pole vault rules require a measurement of the jump from a point level with the jumpers' take-off point on the ground to the lowest point on the top of the crossbar. Measurements must be made with a measuring device; heights taken from markings on standards are not acceptable.
10. WEIGHT EVENTS. Rules for Shot Put, Discus, Javelin, etc. require restraining toe boards and marked throwing sectors. The athlete must stay behind, and not touch the top of, the toe board during, and immediately after, the throw. In addition, the Shot and Discus require a permanent circular ring from which the athlete must take his attempt. In all weight events, implements must land within the designated throwing sector. Dimensions and layouts for these events, as well as all other rules may be found in the AAU handbook.
11. MULTI-EVENTS. For the Decathlon (ten events), Pentathlon (five events) and Triathlon (Three events) official scoring tables of the International Amateur Athletic Federation (IAAF) are used. These tables list point scores for nearly every conceivable time or distance in a great variety of events. Field events are shown in metric distances so it is advisable to have a metric conversion table (showing feet and inches and their metric equivalents) when scoring these events. Both the IAAF Scoring Tables and Metric Conversion Table may be purchased from source listed below. Decathlon and sometimes Pentathlons are contested over a two day period.

PUBLICATIONS:

Official Decathlon, Pentathlon and Triathlon Scoring Tables of the International Amateur Athletic Federation (IAAF).....order from AAU Order Department, 3400 West 86th Street, Indianapolis, Indiana 46268 or Track & Field News, PO Box 296, Los Altos, California 94022.

AAU Track & Field Handbook and AAU Junior Olympic Handbook (contain official rules and regulations of each organization).....order from AAU Order Department, 3400 West 86th Street, Indianapolis, Indiana 46268

Track & Field Officials Handbook (contains simplified rules of competition and procedures for officiating).....write to Floyd Highfill, 1516 Hoffman NE, Albuquerque, New Mexico

BOYS AGE LISTS 1974 AND ALL-TIME

The 1974 and All-Time Age List for Boys age 8 and under thru 17 presented in the following 38 pages is one of the most comprehensive effort in this field.

Some events, such as the 50 yard Dash, had to be left out in order to accommodate the space requirements. Eventually, we hope to put together a 50 deep list in every event, but this might require a volume by itself. We are thinking of it.

In this year's list, the emphasis has been placed on the 1974 performers, followed by a selective listing of pre-74 best performances for comparison purposes.

The 1974 athletes appear in UPPER CASE letters and have complete information. The All-Time performers are immediately underneath, in double column, condensed form and lower case letters.

Most field event performances (especially those in the 14 thru 17 range) appear in feet and in inches and in the converted METRIC SYSTEM. In this fashion, young athletes and their coaches may begin to familiarize themselves with the metric system, which is used world wide, and will be used in the U.S. eventually.

As the birthdate of the athletes is a prime prerequisite for inclusion in next year's Annual, we strongly urge clubs and teams to send us their rosters as soon as they are completed, so that we may use that information while the season is still in progress.

All additions and corrections will be recorded in our files and used in subsequent Annuals. For statistical information, please read carefully all instructions described on page 2 of this handbook.

SUBMIT ALL INFORMATION REGARDING BIRTHDATES, MEET RESULTS and OTHER PERTINENT DATA TO:
STARTING LINE, c/o Max Zucker, P.O. Box 878, Reseda, CA 91335

SPECIAL FEATURE

STATISTICAL RECAP OF ALL JUNIOR OLYMPIC NATIONAL CHAMPIONSHIPS

from 1967 to date

Introduction by **PETE CAVA**
(Publicity Director, AAU Junior Olympics)

Since 1949, when the Amateur Athletic Union began the Junior Olympics, countless athletes have had the opportunity to compete in the many sports of this development program.

Track & Field athletes between the ages of 14 to 17 who have finished first in AAU Association and Regional Junior Olympic meets are eligible for the Nationals. The sponsor of the AAU Junior Olympics, the Chevrolet Motor Division, provides for the athletes' travel expenses and room and board at the National meet. Chevrolet also provided the medals for all levels of competition.

The first National AAU Junior Olympic Track and Field Championship took place in 1967. Since then there have been several changes in the meet's format, such as the increase in the number of events.

Many Junior Olympians have gone on to represent the United States in the Olympic Games. Just a few of the former J.O. athletes who became world class competitors are Bill Toomey, Rafer Johnson, Wilma Rudolph, John Pennel, and Jim Ryun. You will also notice many familiar names in the list of National meet winners and non-winners.

The sites for the AAU Junior Olympic National Meet have been:

August 21-23, 1967...Washington, DC	August 12, 1971.....Co. Springs, CO
August 19-21, 1968...Knoxville, TN	August 16-17, 1972...Spokane, WA
August 19-21, 1969...San Diego, CA	August 15-16, 1973...Ann Arbor, MI
August 12, 1970.....Knoxville, TN	August 9-12, 1974...Lincoln, NE
	August 8-11, 1975...Ithaca, NY

Following is a list of the top three placers in each event of the National Junior Olympic meet since the first meet in 1967. Each athlete is listed with their hometown and time or distance. In some cases, complete data is no longer available.

NOTES: Many events have not been contested in the Junior Olympic National Championships every year. In 1967 and 1968 two divisions were run, the Intermediate (14-15) Division marked (*) and the Senior (16-17) Division marked (**). In all other years only one division (14-17) was contested. Relays are also run but only by teams representing the thirteen AA Junior Olympic Regions. In spaces where data is missing, records were unfortunately not kept.

Boys Competition

1st Place

JUNIOR OLYMPIC GUESSING GAME - Try out your skill with the following questions and find out how good you are as a track whiz. They are not easy and it may take some research. The answers to these questions will be published in the May/June issue of STARTING LINE Magazine. Good luck!

Boys Competition

- 1) What Jr. Olympic Champ went on to tie a world record in a totally different event?
- 2) What two time Jr.O.placer became a professional runner?
- 3) What Jr.O. double winner placed in the top six in the NCAA and AAU Nationals, at least five times, not counting relays?
- 4) What Jr.O. placers set high school indoor records (that still stand) the year following their their J.O. competition?
- 5) What Jr.O. medallists went on to become world ranked? Can you name three?
- 6) What Jr.O. placer in the sprints became later a football All-American?
- 7) What Jr.O. medallist became an NCAA outdoor National champ - in a different event?
- 8) Many participants in the Jr.O. Nationals hold or have held All-Time Age Bests. How many can you name?

Girls Competition

- 1) What Jr.O. Champs were U.S. Olympic team members in the same year?
- 2) Which Jr.Olympic medallist has exactly the same name as an Australian who won three Olympic Gold medals?
- 3) Which Jr.O. medal winner was an Olympic Games finalist and relay medal winner?
- 4) Which Jr.O. champ's father was a major league baseball player for 17 years?
- 5) Which Jr.O. runner-up has been nationally ranked (in another event) every year since she was nine year old?
- 6) Which Jr.O. champs were later National AAU champs in other events? How many can you name?
- 7) What Jr. Olympic champ was twice an Olympic semi-finalist?
- 8) What Jr. Olympic runner-up has a brother who was an Olympic Gold medallist in the 440 meter relay?

GALLERY OF JUNIOR OLYMPIC CHAMPIONS: (L to R/Top) SUZIE SNIDER, 1970 High Jump and '71 runner-up in the Shot Put; BOBBETTE KRUG, 1971 Hurdles; LINDA STECKER, 1973 half mile and JOHANNA FORMAN, 880 in 1974. (Lto R/Bottom) IVA WRIGHT, Shot Put in '71; MONIQUE OPIOLA, 880 in 1972 and CHRIS REMLING, High Jump Champ in 1974.

GIRLS AGE LISTS

1974 AND ALL-TIME

The 1974 and All-Time Girls Age Lists found in this section are significantly expanded and more accurate than previous editions, due to the continuing improvement in the amount and type of information received by the compiler. Best 1974 Performers are shown in capital letters, while top athletes from pre-1974 years are listed underneath in lower case letters.

Only marks which were considered reasonably valid are included in the lists. Obviously illegal (e.g. wind-aided) marks, as well as those which were questionable on two or more counts, have been omitted. More often than not, qualified athletes were excluded simply because their birthdate or details of their best performance was not known by the compiler. Missing details have included date or site of meet, weight of implements, unknown wind, questionable (curbless) tracks, height of hurdles, etc. In all cases, more details are welcome.

Times made at metric distances have been inserted into their proper place in the equivalent event run in yards, strictly on the basis of average pace. No attempt has been made to "convert" times or make separate lists for nearly identical events. In similar fashion, marks made with a 4 kilogram Shot have been combined with 8 pound Shot Put marks by assuming that the heavier 4 kg. implement takes away two feet from the same effort with the lighter 8 pounder (e.g. 40' with 4 kg. = 42' with 8 lb.)

Performances considered were made in all kinds of competition, from International to local and information was submitted by a great variety of sources. Especially helpful were club secretaries, parents and coaches of many teams. Special thanks go to Myrna Wierson, Tim Hickey, Eli Gagich, Sue Humphrey, Marge Powell, Hugo Pruter, Bob Ardrey, Calvin Brown, Sam Giambelluca, Rich Ede, Norm Skelly and John van Benthem for their many contributions. Norm and John helped in verifying some pre-1974 marks.

If you note errors or omissions, please send detailed results, birthdates and additional data to the compiler, Bill Peck, in care of STARTING LINE, P.O. Box 878, Reseda, CA 19335, so that deserving athletes may be included in future editions of this handbook.

Information included in the following lists (left to right):

1974 Lists (in boldface letters)	Pre-1974 Lists (under 1974 lists)	
1. Girls' best performance for the year	1. Girls' best performance	
2. Place in event	4. Girls' hometown	2. Name of girl
3. Name of girls	5. Site of performance	3. Birthdate and home state
4. Girls' birthdate	6. Date of performance	4. Year of performance

Symbols used are the following:

m= time made at metric distance (all other times listed in event were made at yards); * (before name of athlete) = a girl whose age is listed at top of event; p= mark made in pentathlon; t= mark made in triathlon; q= mark made in field event qualifying round; h= time made in qualifying heat; r= mark made in field event relay.

Note: Field event distances are shown in both feet & inches and metric equivalent. In cases where metric distance is shown first, the mark was originally measured in meters.

100 Meter/ 100 Yard Dash

UPPER CASE = 1974 Bests
lower case = pre-1974 Bests

AGE EIGHT & UNDER * = seven year-old

12.5 (2) STACEY GRANGER (7/2/65) Pomona, CA	Long Beach	6-30-74

DIRECTORY OF JUNIOR AGE-GROUP CLUBS

LIST OF JR. OLYMPIC AND AAU ASSOCIATIONS

In the following pages, a list of most of the nation's Junior Age Group Track Clubs has been compiled.

This Directory is most important as it promotes the clubs, provides mailing information to Meet Directors and serves as a guide to parents and athletes.

The clubs that are listed in some details are those who have replied to our STARTING LINE Club questionnaire. They are listed as follow:

- 1) official name of team; 2) official team address and phone number;
- 3) coach and/or important officer of the team; 4) color of team;
- 5) year team was founded; 6) age range and number of boys and girls.

The second section contains important addresses of Junior Olympic District Chairmen and AAU Association Chairmen for Boys and Girls.

We welcome additions and corrections, which will be published in subsequent issues of STARTING LINE Magazine.

If you don't find your team or club among those listed, write for a club questionnaire, attention to:

STARTING LINE Magazine, P.O. Box 878, Reseda, California 91335.
