## Levels of Competition (cont'd)

In response to the letters in the Forum Section (July issue), regarding•different levels of competition, I would like to toss in the following:

I've been involved in both types of activities the "run-for-fun" as well as the "pressure cookers". In New Jersey, ninth graders in junior high cannot compete against ninth graders in a four year high school, according to state athletic association rules. There was a need for an age group program and this year's initial venture in New Jersey age group track (see page 20, July issue) was a huge success.

We tried something different in the cross country program to encourage the youngsters to keep on participating. Points were awarded to the first nine finishers in each age group division (25-20-16-12-9-6-4-2$1)$ and at the end of the season trophies were awarded to the top three scorers in each division.

Last year we had two divisions - this year there are three. The boys were very much interested in their standings. Each Sunday, I distributed a ditto to every athlete, listing each runner in the previous week's races.

In the winter and spring track events (880 and up) we gave out awards to the top three in each event, and the first novice. In some cases we had novice events as well as events for boys under 5 feet tall. To encourage the runners to turn in their times (so a summary sheet could be typed), I offered a medal on a "sealed time" basis. Prior to the meet, I would select a time for an event and the award was given to the runner who came the closest to the selected time in his race. There was as much suspense for this as there are for the academy awards!

> George J. Miller
> Clark, New Jersey

## S.L. Handbook Notes

I would like to take this time to thank you for the wonderful job you have done on the Handbook, and Starting Line Magazine. I read the magazine cover to cover and pass it on, but my Handbook is worn out. This book is great in more ways than reference.

As a coach I am reluctant to see boy's compete for rewards alone, although I accept this as an entity of children in competition. Your Handbook has done more to motivate boys and girls in the area of personal achievement. I have boys in the $8,10,12$ and 14 year old category who continue to work and compete in order to match or better the performances listed in the Handbook.

I would like to ask you to include the hurdles and the relays results as these two events are worked on heavily and hold much interest by both coaches and competitors. You stated that time, space and cost prevented this information from being printed. I for one would be glad to pay two dollars next year for my copy of the Handbook.

I will try to supply you with information and pictures of our club and athletes.

Smoother and Quicker Meets? It's Possible with Patches

## An Article by BOB HYTEN JR.

Sooner or later every good idea has its day. With the number of entries in meets rapidly increasing each year, perhaps the "patch scoring system" has come of age. When track meets fall behind schedule you can almost certainly fix the blame on either needless heats or delays at the finish line. The patch system can eliminate both of these problems as well as reduce pre-meet work for meet directors.

The key to the patch system is a simple stick-on name tag which contains all the important information about the athlete.

| NAME | EVENT |
| :---: | :---: |
| CLUB | TIME |
| REG. NO. | AGE |

A separate patch must be filled out for each athlete in each event he or she enters. One patch is filled out for each relay team. By filling out the patch completely the athlete gives the meet director all statistical data he needs, not only to set up the meet but later to properly submit statistics.

Using the patch system, no heats are set up until after the clerk of the course checks in the entries. Taking the patches which the meet director has stacked in order based on seeding times, the clerk calls for the name of the entries, removing from the stack the patches of those not present. The number of patches left will be used to determine the number of heats and qualifiers.

Eliminated are hours of setting up heats which are useless when entries fail to show. All heats are evenly seeded. No unneeded heats are run.

As they are placed in heats the athletes are given their patches to afix on top of their left shoulder. At the finish of the race the patch is removed from the athlete's shoulder and attached to a result sheet. The competitor's time is added and the scorer has all the information necessary to process the results. Less than one minute after the last finisher the next race could begin.

The patch system has had its trial run. For smoother and quicker meets we should put it to work at all appropriate track meets.

## Thank You..

Just want to extend warm congratulations to you for the fine work you are doing. Starting Line is a great magazine and performs a valuable service. Your efforts are really meaningful and helpful in promoting age group track and field.

## Gar Williams

President
Road Runners Club of America
Vienna, Virginia

STARTING LINE is published monthly, except in February, May, September and November.
Second class postage paid at
Reseda, California 91335

## SUBSCRIPTION RATES

## Regular Mail

ONE YEAR (8 issues) - \$5.00
2. YEARS (16 issues) - \$8.00

3 YEARS (24 issues)- $\$ 10.00$
Add $\$ 2.00$ per year for First Class mail, and $\$ 3.00$ per year for Air Mail. All rates are for mail within the U.S. and Canada. Inquire for other rates.

[^0]
## PHOTO CREDITS

## Onthe Cover

Both Photos on the cover weere taken by our very active DOUG SCHWAB.

1) Running in Indian file , surrounded by beautiful lake and majestic trees in the Los Angeles National forrest, a group of young athletes is seen in one of their long distance outing at the Rialto Road Runners summer camp.

Read the article about this camp on page 18 of this issue.
2) This photo symbolises the start of the Cross Country season. In actuality, it depicts the Girls $12-13$ race at the Blue Angels (CA) Invitational.

In center of photo and leading is the eventual winner SUZANNE KEITH (Rialto R.R.) flanked on her right by her teammate PENNY BRIDGES and on her left by LAURIE JEWELL of the Long Beach Comets.

## From the Editors

## MAILING SCHEDULE

As you know, we are pledged to publish eight issues a year - and we do. According to Postal regulations, we must indicate when they will be mailed, and that, occasionally, leads to misunderstanding. On the left side of this page, it says that we are not coming out in Feb., Mav Sept. and November.

In actuality, we have four "double-month" issues and we mail the copies when the material pertinent to that particular time of the year is thoroughly ready for publication.

As an example, the Aug/Sept issue came out towards the end of September, because the main body of this issue was to be the U.S. Junior European Tour, the Boys Nationals in Colorado and the National Junior Olympics in Michigan.

As it is our policy to give you reports that are original and in depth, we just can't pick up the latest UPI "quickies". So we have to wait a little bit longer. Thus, by the time 211 the results, commentaries and photos had been received, edited, screened, typed up and pasted down, it was mid-September and some of our readers were in the world was the magazine.

Our mailing schedule is largely determined by what is happening during a specific time of the year. It certainly does not make sense to sacrifice very newsworthy material just to satisfy predetermined mailing schedule.

One thing must be clear. We are commited to mail our readers eight issues a year and in that we shall not fail. But equally important in our mind, is to make sure that every issue contains the maximum amount of pertinent material, and we will occasionally have to wait to insure that it does.

Now that you have been made aware of the delays that occur from time to time, we sincerely hope that you will find the issues of STARTING LINE well worth waiting for.

The 1974 STARTING LINE HANDBOOK is already in the planning stages of development. We need your help. Please read carefully the announcement on Page 5 of this issue. It is important that you should.

CORRECTION ON POSTAL MILE STANDINGS:
In the 12-13 Boys Division, the team of the SAN JUAN STRIDERS (No. CA) who were omitted in our compilation of the Postal Mile/Corcoran section, should have been listed in a tie for second place with Salinas Valley $T C$ in that section and also in a tie for fourth in the national Combined Standings. The team was composed of SCOTT PORTER (5:02), TOM WILLIAMS (5:08) and BOB KADIE (5:13) for a total of 15:23.

In the results submitted, 2 members of the team were listed with the abbreviation SJ, while another was indicated by SJS. Our compiler didn't wish to assume that the two symbols identified the same team. Here we stand officially corrected.
NOTE: For those unaware of it, STARTING LINE put together for distribution to all participants of this summer's RRCA/AAU National Postal Mile for Boys and Girls, a booklet containing the complete and unabridged summary of the results of the 6 sites, plus the combined standing - 25 deep - in all divisions, boys and girls.

We overprinted and still have some left. You can order them for the minimal price of $50 \%$ each. For that matter, you can have 5 for 2 dollars.

In effect, the booklet is a 16 page document of the best age group milers of 1973.
It is certainly worth every penny.

## 1973 WOMEN AND GIRLS NATIONAL Cross Country Championships <br> EXHIBITION AGE GROUP GIRLS 9-Under, 10-11 and 12-13 <br> Albuquerque, New Mexico November 24, 1973

## CONTACT:

1973 Women's Cross Country Championships P.0. Box 6602, Albuquerque, N.M. 87107

## RRCA ATHLETE of '73 <br> Robin Campbell

- Robin Campbell, 14, of Sports International Club (Washington, DC), has been selected the 1973 Outstanding Age Group Athlete of the Road Runners Club of America for the period of September 1972 to August 1973. She will receive the Alice Moran Memorial Trophy on November 4th, prior to the first race of the 1973 "National" RRCA Cross Country Age Group Championships.

Every year there is a different sponsor. This year Kurt Steiner donated the prize in honor of Mrs. Alice Moran, who died last year. Mrs. Moran was very active assisting her husband William Moran in directing the Age Group Program of the New York Road Runner Club in Brooklyn's Marine Park.

Robin Campbell was selected for winning the National RRCA Cross Country and Postal Mile Run Championship for girls during this season, and for her outstanding performances as a member of the US Junior Team that competed in Europe this season.

Robin's tour included victories against the Soviet Union in the 800 meters and as part of the winning 1600 meter relay team in the same dual meet. She also won the same two events in the USA-USSR Women's Indoor Meet in March.

Previous winners of the award:
1970 - Anita Scandurra, Suffolk AC Cinderbelles (NY)
1971 - Mark Zmuda, Park Junior High, Scotch Plains, NJ 1972 - Rick Buckstad, North Jersey Striders (NJ)

Feather-light, durable and designed for competition, Broderick's colorful, two-way stretch knit Team Uniforms move and breathe with the action... Choice of National and International Teams plus schools, clubs and teams all over the world. Write today for Teamwear Brochure,

P.O. Box 6096, Glendale, California 91205 / Phone (213) 246-2446

A change of names works wonders. The RIALTO ROAD RUNNERS, who had incorporated the "handle" Sports United for the past year or so, have taken the lead in both 13 and under wight events in our Annual Postal Contest. In both cases they are ahead of the winning marks of last year's postal winners.

For the older (17-under) division, Montana's FLATHEAD VALLEY TRACK CLUB (formerly Kalispell Timberettes) are in the lead in the Shot Put and the SOUTH COAST TRACK CLUB (last year's winners of the Discus event when they were called Long Beach TC) are the easy leaders in their favorite event once again.

A team from the east, SPORTS INTERNATIONAL, has made the 1 st appearance from that area in our three years of the contest.

Take a look at the following standings and let us know if we have missed anything.

We'11 take additions and/or corrections until December 31. The rules for this contest can be found in the Jan/Feb issue.

Shot Put (Girls born in '55 \& later)
$8 \mathrm{lb} / 4 \mathrm{~kg}$ Shot ( $*=4 \mathrm{~kg}$ miark plus $2{ }^{2}$ )

1. FLATHEAD VALLEY TC, Mont....119-5 (Sally Newberry 40-5, Lori Lyford *40-0 ${ }^{\frac{1}{2}}$, Kim Erekson 38-11 $\frac{1}{2}$ )
2. FRESNO ELANS, California...112-5 $\frac{1}{2}$ (Debra Haynes *42-74 $\frac{3}{4}$, Martha Quinn 36-33, Toni Landucci 33-6)
3. GAZELLES TC, Washington.... 103-1年 (Anne Seelye $36-10 \frac{1}{4}$, Tina Talmadge 34-9 $\frac{1}{4}$, Mari Bell 31-5 $\frac{3}{4}$ )

Discus Throw (Girls born ' 55 \& later) 1.0 kilogram Discus

1. SOUTH COAST TC, Calif.......430-5 (Debbie Rivera 148-1, Debra Langevain 142-1, Terri Sabol 140-3)
2. Flathead valley tc, Mont...343-7 $\frac{1}{2}$ (Lori Lyford 130-11, Kim Erekson 113-8, Sally Newberry 99-0 ${ }^{\frac{1}{2} \text { ) }}$
3. SPORTS INTERNATI ONAL, DC....337-7 (Jackie Gordon 124-8, Kim Pyles 108-3, Trish Green 104-8)

Shot Put (Girls born in '59 \& later) 6 pound Shot

1. RIALTO ROAD RUNNERS, Ca...106-10 $\frac{1}{4}$ (Bea Hunt 39-81 , Sharon Laughlin 36-13 , Rosemary Villavazo 31-0)
2. SALINAS VALLEY TC, Ca.....104-114 (Susan Springer 37-5 $\frac{3}{4}$, Marta Kuehl 37-2 $\frac{1}{4}$, Joyce Springer 30-31 )
3. CRESCENTA-CANAADA SPIKETVTES.103-4 $\frac{3}{4}$ (Christi Pyle 38-10, Kerry Zwart 34-83 ${ }^{\frac{3}{4}}$, Lori Thomas 29-10)

Discus Throw (Girls born ' 59 '\& later) 1.0 kilogram Discus

1. RIALTO ROAD RUNNERS, Ca....288-4 $\frac{1}{2}$ (Bea Hunt 111-4, Sharon Laughlin 89-5 $\frac{1}{2}$, Rosemary Villalvazo 87-7)
2. CREIGHTON TC, Arizona.......286-5 $\frac{1}{2}$ (Donna Yarbrough 105-11, Kelly Richardson 94-4 $\frac{1}{2}$, C. Chiarello 86-2)
3. SALINAS VALLEY TC, Calif....269-0 (Joyce Springer 93-5, Marta Kuehl 90-0, Susan Springer 85-7)

READ THIS!
We are in the planning stages of production of the third edition of our very popular STARTING LINE HANDBOOK - the only Track and Field Annual for Junior Age Group Athletes - Boys and Girls.

It will cover the following subjects: a) extensive listing of Best Performers by AGE from age eight and under thru age seventeen; b) in-depth Directory of Junior Track Clubs in the U.S.A. (and Canada, if we can get the Info on time);
c) listing of Junior 01ympic and Age Group Associations, as well as of the Major Organizations and their Officers;
d) Age Group Rules and Events;
e) pages of Photos from the 1973 Track and CrossCountry season.

At this point it looks like an 80 pager at the very least. Our readers can help in making this Handbook the best Annual yet, by reading carefully that which follows and by acting on the suggested recommendations.

## Clubs

In the next few weeks, a questionnaire will be mailed to all clubs and teams on our mailing list. This question naire will request certain information about your club and its members.
This information will be incorporated in the DIRECTORY OF CLUBS that will be published in the Handbook.
It is one of our more important project, as it serves as a ready reference source for those involved with the Track movement, as well as a source of information for those that wish to join it.
IS YOUR CLUB OR TEAM ON OUR LIST?
If you are not listed, write us a note requesting a club questionnaire.
It is important that you should be mentioned, as Meet Directors use this Directory when they mail out their entry blanks. Furthermore it publicizes your club in your area and serves as a means of contact by prospective new members.

## DO WE HAVE YOUR AREA'S RESULTS?

We are still missing many meet summaries -especially in the boys competition at the Junior 01ympic level.
If you are in a position to get copies of such results, or have connections in the right places, forward to us whatever you can. The kids will be glad you did.

## BIRTHDATES

The most effective way to insure that we have the birthdates and place of residence of your charges, would be to mail a copy of your roster, if it were available.

The next best thing would be for you to select the more outstanding members of your club and forward the data about the youngsters. The least you should consider, is to announce to the parents that we are seeking such information and to please relay whatever they coan to us.

## PHOTOS

As we intend to illustrate the Handbook with as many photos as possible, you should make it your business to send to us pictures of yourselves or your team.
We can't promise anything, but the chances of the photos to be printed either in the Annual or in the big January issue - the year in review issue - are very good. It is a rare opportunity to be seen nation wide.

## NOTE:

Black and White Prints or Negatives only -
Not too small and as clear as possible -
That's all there is to it.

Our deadlines are not entirely set, but we will be out much earlier than last year. We will keep you informed of our progress through the Magazine.
You can speed up the whole production by forwarding the information requested at your earliest convenience.

BE RECORDED FOR ALL TIMES IN THE ANNALS OF THE JUNIOR AGE GROUP TRACK MOVEMENT. IT'S WORTH A LITTLE EFFORT!

## Athletes

As the List presented in the Annual is an ALL-TIME AGE LIST, it is obvious that only athletes whose birthdates are known to us will be eligible.

## YOUR NAME BELONGS IN THE RECORD BOOK AND WE MUST BE INFORMED OF YOUR BIRTHDATE.:.

... if you have made the yearly agegroup lists that have appeared in the Magazine -
... if your performances are near the level of last year's Annual -
... if you placed well in the better meets in your regional area -
... if you had good marks in previous years that were not recorded by us, and should be mentioned -
$\ldots$ and if you just want to be in our files for future reference.

In regards to marks that have not been recorded - and should be - we must have solid documentation of the performances before they can be considered.
The best document would be a copy of the results. However we will consider other types of information, and each mark shall be assessed in all fairness according to our criteria of accep tance (see TIME \& SPACE Section).

> If you are a new subscriber and do not have a copy of last year's Handbook, we still have a few left. You can have one at the Special Introductory Price of only ONE dollar (+ 15申 for postage). Even better, your club could give you a present by buying 10 of them for only $\$ 7.50$ and we pay for the postage.

The 1973 Best Performers Lists appearing on these pages show the best outdoor marks reported to the compilers. Marks reported in fragmentary form are shown with the "questionable" or invalid marks at the end of the tabulated list of valid marks.

Only marks taken from detailed reports of complete meets are considered for the regular list, though additional information on "questionable" marks would be greatly appreciated. Please submit additional results and/or corrections to the compilers in care of STARTING LINE, P.O. BOX 878, Reseda, California 91335.

Marks to be included in STARTING LINE's Outdoor Rankings must meet the following requirments:

1. Marks must be made on standard outdoor facilities (surveẏed track, reasonably legal jumping pits, throwing rings, toe boards, etc...).
2. There must be at least three timed or measured competitors in the event, which is part of a regularly scheduled meet (hastily improvised record attempts are not acceptable).
3. In the sprints, hurdles, long jump and triple jump, the wind assistance should be reported (wind quage readings remove all doubts; wind estimate helps determine validity of mark)

The weight of the shot, discus, hammer and javelin must be reported (some indication that implements have been properly checked for weight and dimensions will help determine validity of mark).
5. In hurdle races, note height and number of hurdles (if there might be a doubt) as well as the distance of the race.

Data in the lists include (left to right) (1) Time or distance, (2) Name of athlete (3) Birth year, if known, (4) Home state, (5) Date of best performance for the year.

## '73 GirlsBest Performers List

Compiled by Bill Peck
NOTE
Athletes marked with an asterisk (*) are known to be 12 years-old on date of performance.

The 12-13 Division List presented here (or Junior Division if you prefer Junior 01 ympic terminology) may be the most complete of its kind yet compiled. All marks received as of October 1st have been included. However, it is still far from perfect and we welcome corrections and additional information, including birthdates on those girls with no birth year shown with their name. Be sure to include meet results when submitting new marks

Twelve year-olds are designated with asterisks; we would like to know of other girls who we may have overlooked and who would possibly qualify for the top ten list of that age (12) in our age best list at the end of the year. Some girls in this list have also appeared in the 14-17 Division list (August-September Issue) and some will appear also in the 10-11 Divsiion List forthcoming.

In running events, times made at metric distances have been incorporated into the equivalent event in yards. All times have been ranked on an average pace basis - no conversions have been made.

## GIRLS/ONE MILE RACE WALK

compiled by BOB WHITMAN
The RACE WALK events have not received sufficient exposure in our pages and we are attempting to remedy to this situation. BOB WHITMAN, who knows a great deal about this sport, has compiled for us the following list.
It is only a beginning and we intend to follow through. You can help by sending in your corrections and addiltions to STARTING LINE Magazine c/o BOB WHITMAN.

The marks listed on this page represent the compilation of the summaries of bona-fide meets received by the compiler by October 1, 1973
At the end of each event are marks that require additional information, mostly in regard to wind and or facilities. Also missing meet results.
The names that appear under the dotted lines are additional junior age boys (e.g. age 12 in the 12-13 division).
IMPORTANT NOTE: In the next issue of STARTING LINE, the final year-end age group listing will be published in the following divisions - 9 -Under, $10-11$, late additions to this 12-13 list and the 14-15 group.
Those lists will also serve as preliminary compilation for the ALL-TIME AGE LIST that will appear in the 1974 STARTING LINE HANDBOOK - soon to go in production. Please send all information and new additions soon.

NATIONAL MEETS

United States Youth Games<br>BIRMINGHAM，Alabama－August 16－19－

from Hugo pruter

Eleven cities field track and field teams at the seventh annual games sponsored jointly by AMF Incorporated and the city of Birmingham．The city of Newark won four boys events but Birmingham，Detroit，Washington（DC）and New York City made strong showings too．In the three girls divisions， Washington cleaned up and Detroit got most of the rest．St． Louis and Baltimore scored three wins overall，while Boston and Fort Worth got one each．New Orleans and Paterson（New Jersey）also sent teams．

Washington＇s MARY RANDOLPH and KIM PYLES accounted for the only two meet records（in the girls 14－15 long jump and shot put，respectively）．Much of the program was dampened by rains，but Birmingham＇s 14－15 long jumper DAVID BLUTCHER and Newark＇s quarter－miler KEITH ROYSTER managed to post very respectable marks．Results：

## All－American Championships

DES MOINES，Iowa－June 9 －

## from JACK SHEPARD \＆RICHARD EDE

Something new was added to the third annual edition of this high school meet．For the first time，underclassmen （eleventh grade boys）and girls were invited．These moves proved highly successful，especially in the boys events，as three non－seniors were the stars of the meet．

DON DUVALL of Denver got off the sixth best triple jump in high school history，a national＇73 leading 51－2 1／2；the nation＇s fastest sprinter， 11 th grader CARTER SUGGS of North Carolina，won both dashes convincingly；junior TERRY BURRIS from Ohio beat the best prep high jumper of the year，New Yorker BILL JANKUNIS．West Virginia＇s MICHAEL TYSON took three fine second places．

Girls competition was led by two Debbies from Iowa，both of whom were double winners．DEBBIE ESSER took the 440 and hurdles，while both dash－ es were won by DEBBIE CARROLL after hardfought battles with fellow Hawk－ eye CHRISTEL BROWN，a last minute entry． 3100 fans watched athletes from 24 states compete in $92^{\circ}$ weather．

## CANADA GAMES

BURNABY, BRITISH COLUMBIA - AUGUST $10 / 12$

## from Casey Ide

Once every 4 years Canada produces its own "1ittle 01ympics" 1973 was the year of the summer games, which consist of 16 different sports and were put on this year in the adjacent cities of Burnaby and New Westminster, near Vancouver.

The Canadian government, the province of British Columbia and the two cities were the g-mes were held shared in putting up the $31 / 2$ million dollars it cost.. and the Games made money! The organization was unbelievable. More than a thousand volunteers worked for over a year on preparation. An elementary school was converted into an Athlete's Village. School district busses were used for transportation between the Village and the many venues. A local business furnished cars and drivers for the press representatives who were there from every major city in Canada. representatives who were there fro
CANADA TAKES ITS GAMES SERIOUSLY.

I arrived in Burnaby armed with press cards from STARTING LINE and WOMEN's T\&F WORLD, unaware that track and field would not start for a week, which gave the press an opportunity to cover swimming, diving, baseball and the dozen other sports contested

The press center provided color TV, free lunches and transpor tation to all events and to the Village for interviews. Several provinces were bidding for the ' 77 Games and sought support by putting on pancake breakfasts, beef barbecues and lobster suppers, and handing out souvenir hats and lapel buttons. Sports Canada (for whom Harry Jerome now works) ran a huge Sports Cavalcade where youngsters could try their hand at various sports - free! CANADA TAKES ITS SPORTS PROGRAM SERIOUSLY.

Since track \& field didn't begin until the final days of the Games, these athletes arrived and took over the Village as the competitors in other sports were moving out. Traditional "opening ceremonies" had been held at a stadium in New Westminster at the start of the Games, but for $T$ \& $F$ it was all done over again - parade of athletes, lighting of the torch and all, at Swangard Stadium in Burnaby.

The Canada Games are comparable to the Regional and National Junior 01ympics in the U.S. -- that is, the contestants are in the 14-17 age bracket. Each of the 10 provinces and 2 territories sent 2 contestants in each event, so we could expect 24 competitors in each race, and in most of the field events. This made planning of the time schedule quite simple and the sessions ran like clockwork. Each event culminated with the formal march to the victory stand for the 3 medal winners, escorted by girls in costumes.

Every session was a sell-out, with plane-loads of spectators coming from the farthest provinces to cheer for their teams--and not an international star on the program!
CANADA TAKES ITS YOUTH ATHLETIC PROGRAM SERIOUSLY.
In comparing the results of these Games with the results of the Junior 01ympics in the last issue of S.L. you must remember that the Canadian races were all in meters, and the J.O. races in yards.

I did not expect to be reporting on any but Women's events, so during many of the Men's events I was in the Assembly area interviewing girls! Therefore I can comment on girls only this time, but in the future will try to watch the boys also!

Some of the girls who impressed me most were DEBBIE BARKER, of Ontario, who not only won the pentathlon, but helped her province win points in both relays and competed in the open shot put; JEAN SPARLING of B.C., who won 3 gold and 1 silver medal, and BRIGITTE BITTNER of Ont., who high jumped $5-11$. I asked John Hudson of Toronto (Exec. Director of the Canadian Coaching Ass'n), "How come Totonto comes up with so many great high jumpers?". He replied simply, "Coaching, Casey, coaching".

Another of Canada's teenage hopefuls in the high jump is ANNE FILION of Quebec. My most unforgettable memory of the Games-hearing my name shouted on the grounds of the athlete's Village, and seeing Anne running toward me waving her guitar in the air. It's her "security blanket". At the Satellite meet in Montreal she carried it with her to the high jump area but says she has not tried going over the bar with it! On the day of competition in Burnaby I asked her where the guitar was. "They made me leave it at the Village," she moaned. "I know I'il do just awful!" True, her 5-7 3/4 second place was not up to her best of 5-9 1/4, but the Canada Games silver medal should be some comfort.

Canada is preparing for the 1976 01ympic Games in quebec. Undoubtedly some of the teenagers who represented their provinces in Burnaby this year will represent their country in Montreal. CANADA IS TAKING ITS OLYMPIC GAMES SERIOUSLY.

[^1]
## BACKGROUND INFORMATION

The CANADA SUMMER GAMES competition in athletics (as it is known internationally) or Track \& Field (as it is more commonly known in North America) takes place between teams representing the ten provinces and two territories of Canada.
The ten provinces are: Ontario, British Columbia, Quebec, Nova Scotia, A1berta, Manitoba, Saskatchewan, New Brunswick, Newfoundland and Prince Edward Island. The two territories are the North-West and the Yukon Territories
There were contests in 18 men's events, 13 women's events and 4 relay races. Each team consisted of a maximum of 45 athletes - 29 boys and 16 girls.
The athletes were of the "Juvenile" age class, which means they must be under 18 years of age on January 1, 1973 - i.e. born in 1955 or later.
This age class was selected by the Canadian Track \& Field Association for this competition, since these athletes are likely to provide a substantial portion of the 1976 Canadian O1ympic team.

All distances of running races and all measurements of heights and distances were internationally standardized, using the metric system (the field event marks were converted into feet and inches for the purpose of better comprehension by the readers of the United States). Canada will be converting to the metric system generally over the next ten years. RESULTS:

## A Summary of Results Cross-Country Results

## LIPKE CROSS COUNTRY INVITATIONAL from JOE SMETANKA

DETROIT, Mich - September 1 -
"Early birds" got a jump on the age group X-Country season at this sixth annual inaugural to midwestern competition. Canadians from Scarboro and Sarnia, plus visitors from Indiana and Ohio hooked up with most of the strongest Michigan groups.

Most convincing winner was MIKE SINGER of Saginaw in the 12-13 two mile.

The Lipke TC provided the Open Women's two mile winner in ELLA WILLIS, whose 11:40 beat SUE PARKS of Golden Triangle TC by 24 seconds.

LONG BEACH COMET BEACH RUN LONG BEACH, CA - September 15 - from DON DeNOON

Most of the "powers" in girls Cross Country in southern California started the season in traditional fashion, on sandy Pacific shores.

The many times national champs RIALTO ROAD RUNNERS (having dropped the Sports United nomenclature) showed they will be as strong as ever in all divisions. Leading runners and teams:

## EASTERN GIRLS TRACK LEAGUE CROSS COUNTRY <br> HAGERSTOWN, Maryland - September 22 - from GABE MIRKIN

While girls honors were split between Latrobe Track Club of Pennsylvania and Sports International (DC), the Laurel TC of Maryland and the DC CYO shared most of the boys top places. In the girls open race SI's ROBIN HOLLIDAYOKE won decisively from Latrobe's GAIL HORNACK (10:37 to $10: 48$ ). SI looks strong in the girls 12-13 race as national 10-11 champ DONNA CAMPBELL ran only fourth for her team, while the relatively "new" District of Columbia CYo boys are getting it together quickly.

Girls 9-Under ( 0.75 mi ) $\frac{\text { Girls } 9 \text {-Under }(0.75 \mathrm{mi})}{\text { L. Lenz, Latrobe 5:01 }}$ D. Jackson, DC CYO 5:02 J. Mirkin, Sp Inti 5:17 L. Burnett, Mt Leb 5:18 L. Stoffer, Lat 5:21 Splindore, Latrobe 5:25 Mirabelli, Mt Leb 5:27 T. Wilson, DC CYO 5:31

## NEW . KORK PAL GIRLS CROSS COUNTRY "INVITATIONAL"

BRONX, New York - September 30 - from HUGO PRUTER
It was a very successful meet with 150 girls from 12 clubs taking part. Junior internationalist DQREEN ENNIS of New Jersey was the winner of the women's division ( $15: 45.7$ for 2.5 miles) but her Nutley Track Club lost the team battle to a young Suffolk AC-team.

Among the age groupers, the Long Island Golden Spikes won the 9 \& Under and 12-13 team race (led by runaway victories for EMMA LEALE and NANCY FRANK, respectively). Jersey AC surprised as the 10-11 team winner in a division won easily by Atoms Track Club's MARTHA MINGUES. Another new, but improving team, the Brooklyn Striders gathered two individual second places in ANN DOLAN ( $10-11$ ) and KATHY CORRIGAN (12-13). /COURSE - Van Cortlandt Park, very hilly/ WEATHER - sunny, 70\%/ Top age group runner included:

## ARIZONA AAU GIRLS CROSS COUNTRY

FLAGSTAFF, Arizona - September 22 - from SUE HUMPHREY
Phoenix area gals got a chance to take in the pines and altitude (and reasonable temperatures) of this mountain community. While GEORGE PEAR's ever fresher Peaches dominated the two youngest age groups, the strong Arizona Track Club swept the $12-13$, s and had their DEBBIE DERR romp to an easy win in the open (14-up) class, with a 14:04 for 2.5 miles.

## PLEASANT HILL BOYS "INVITATIONAL" CROSS COUNTRY <br> PLEASANT HILL, California - September 29 - from GARY SANTOS

Eight of the strong northern California teams were led by the Salinas Valley Track Club, which won four of the five individual races and two divisions in the team scores. The SELLS boys, CURTIS (14-15 Division) and WENDELL (9-Under) took care of two individual titles. But the most convincing win was turned in by the San Juan Strider's TOM WILLIAMS, who led his team to an easy victory in the 12-13 class. All other individual races were nip and tuck. /COURSE - Pleasant Oaks Park/ rotal FINISHERS - 119/ Leading teams and runners:

PEORIA FUN FESTIVAL

## PEORIA, Illinois - September 16 - from DAVE MILLER

In a meet designed to give coaches an idea of conditioning and team balance, some excellent results came forth, though the weather was damp and chilly. Leading off the meet were cross country races at abbreviated distances for each age group. BEV ROLAND, 16, from Peoria ran away with the individual 14 \& over title with a good 12:06 two-mile. Kirkwood Track Club took a first and second, teamwise, in the two age group divisions and their RUTH SIXKILLER pulled away from Peoria's TAMARA EHRENTREAU to win the 12-13 race. The 11-Under one mile showed TRACY WEBER of the Fox Valley Striders outkicking Kirwood's HEATHER HEARNES.

An hours rest was-followed by two-mile relays. In the age group contests, the Pacettes won a close 11:42.3 victory over the 12-13 teams of Kirkwood and Palos Hills Track Clubs. Kirkwood turned the tables easily in the 11 -Under race, beating the Burbank Striders and Pacettes with a $12: 20.2$ time. The day wound up with a picnic for all competitors as well as their coaches, parents and escorts. /CourSE - Detweiler Park/ WEATHER - Rain, $60^{\circ}$ / roral finishers - 72 / X-C Results:

## RRCA AGE GROUP HALF-MILE CHAMPIONSHIPS BRONX, New York - September 9 - from KURT STEINER

Runners of al1 ages, 502 in tota1, competed on Van Cortlandt Park Stadium's quarter-mile cinders before a capacity crowd. Meet director Barry Geisler and twenty RRCA officials saw a top performance turned in by BARON GOFF, 13, whose fine 2:16.6 overshadowed the second place showing of RICHARD MOORE, 12, in the same race. In the Boys 8 \& 9 Divsion, won by RONALD GEISLER, the second place of eight year-01d MICHAEL DITOMMASO in 3:01 was noteworthy. Eighteen boys and girls under six years of age ran the 440, with a four yearold winning. Small trophies were. presented to all finishers and the top three were presented their awards, 01ympic style, on the track at the conclusion of each age group event. Leading age group results:

WILLINGBORO TRACK CLUB JR CHAMPIONSHIPS WILLINGBORO, New Jersey - August 4

Six boys teams and seven girls squads competed at Ursinus College, with the Intercity Striders and host Willingboro TC scoring most of the points in the boys events, while the Padukies (Philadelphia) dominated the girls divisions. Willingboro's CARLTON and CAROL LEWIS accounted for seven wins between them (!) and BILL BROWN of Intercity had a marvelous sprint triple in the $6-7$ division. Best individual marks belonged to MURRLYN COUNCIL of Lamott Track Club (Pa) in the girls 12-13 sprints. Under: 14 results:

NIAGARA ASSOCIATION GIRLS JUNIOR OLYMPICS
TONOMANDA, New York - July 7 - from JIM BROWN
Among the interesting happenings at Parker Field was a nice 440/high jump double by Williamville's SUE HARTER in the junior division and the fine "distance" running of KATHY (age 6) and DEBBIE GRAIM (age 8) of Kenmore in the bantam class. Debbie's 2:52 half-mile was particularly good for the age. Results:

Bantam Girls (9-Under) 100/LJ-Diane Cox (Williamsville) 14.3/10-6 $\frac{1}{2}$; 220/880-Debbie Graim(Kenmore) $34.1 / 2: 52.0$; 440-Kathy Graim(Konmore) 91.9 Midget Girls (10-11) $100 / \mathrm{LJ}$-Lisa Harding (Arkport) 13.1/13-31 $; ~ 440 / \mathrm{HJ}-\mathrm{Clari}$ Harisov (Depev) 72.5/4-0; 880-Jo Ann Kendall (Tonowanda) 2:57.9 Junior Girls (12-13) 100/220-Bridget Callahan (Derby) 11.8/27.7; $440 / \mathrm{HJ}-$ Sue Harter (Wil) 63.0/ 4-82 ; 880-Susie Rowe (Ark) 2:43.0; LJ-Libby Cox (Wii) $15-5 \frac{1}{2} ; ~ 6 \# S P-K a t h i e ~ S a n s o c i e\left(B r o c k p^{\prime} t\right) 32-6 \frac{1}{2}$

NEW MEXICO JUNIOR OLYMPICS
ALbuquerque，NM－June 30 －from Charles Walker
RICKY ROMERO from Socorro and WILLIE GOLD－ SMITH each scored triple victories as boys and girls from the far reaches of the state gave Albuqerque athletes much stiffer competition than in previous years．

Willie G．led the hometown boys with wins in the 9 －under high jump and long sprints，while Ricky posted his three triumphs in the 12－13 sprints and a fine long jump effort．Ricky barely outhustled Albuquerque＇s dashman RON EASTERLY．Long jumper GARY JOHNSON of Highland Track Club set a state 16－17 record（no wind） in his pet event．

Best girl＇s mark of the day was set by MARY SEDALL from the Alvarado TC（Albuquerque）．She cleared 4－10 in the 10－11 division high jump． DOREEN VILLA ran a fast 12－13 half－mile and CELESTE WILKINSON of Las Cruces scored an in－ teresting hurdle／shot double（14－15 class）． High winds effected some events．Results：

## December

[^2]
# FAMILY IN FOCUS Togetherness Places First with Bob Cravens <br> Extracted from an article by JENICE JORDAN, staff writer for the COLUMBUS DISPATCH, OHIO. 

Keeping up with the joneses is a snap compared to keeping up with the Bob Cravens of Columbus, Ohio.

They're off and running every day of the week for fun and family togetherness. The Craven daughters set the pace. Carrie, 13, is state Junior Olympic champion for the 880 and holds a personal best of $2: 24.1$. Laura ran her first unofficial race at 5, finishing right beside her father; she has the kind of endurance that permits such awesome performance as her 2:37.1 in the half mile at the Ohio State age group Championships...as an 8 year-old.

Mark, 16, is down to a jog because his school band schedule interfered with track this year. But his past experience qualifies him to help his father coach the 13 and under girls for the Ohio Track Club.

The father, Bob Craven, began running for his high school track team and is still going strong. A quiet, dark-haired man, he makes it a practice to spend his lunch hours at Janitrol running instead of eating.
"It takes away your appetite," he reports lightly while his wife, Alma, says proudly, "He can run six miles at a stretch without getting winded. Last year he could only do one."

A friendly, easy-to-know woman, she adds,"They all laugh at me. I jog with them sometimes but they just can't run as slowly as I do. It's exhausting until you've been at it at least a couple of months to build up stamina." Alma's stamina carries her about half a mile and stretches to include all the household details that need to be tied up so her family can get to weekday practices and weekend meets.

The Craven's lives have been going at a trot for about five years, "ever since we read about the Ohio Track Club," Alma remembers. "Bob and I were interested because we both came from small communities where high school track was important and because it's an individual sport instead of a team one.

Bob Craven, who coaches the girls 13 and under, talks with son Mark about timing his charges during recent session.

The CRAVEN family at a practice session at Worthington High School. At left, the parents Alma and Bob, in center, Carrie and brother Mark and in the back, 8 year-old Laura, Ohio Track Club's young prodigy.
"Mark was small for his age back then," she recalls "and you know how hard it is for smaller boys to fit into team sports." Carrie went along to practices "and just started running with the other kids. She was good so she was invited to join the group."

Laura eased into competitive running the same way. "She went with us to practices and one day she just got tired if sitting around coloring in books. She got up and started running." When Laura ran a winning 6:08 cross-country mile against children from all over the state at age 6, the family gained national recognition and one result was an invitation from the researchers at Ball State University, Ind., to come to their labs for testing.
"They tested the whole family, "Alma reports, "trying to find out if people can run distances because of training or because their bodies use oxygen more efficiently." The tests took all day and were so extensive Alma, at least, "felt like dropping when they were over." They havn't heard results yet, but Mrs. Craven has her own conclusion:"They run well because they practice. Hard."

Three evenings of practicing aren't enough for the girls. On off days, they take off together for fourmile jaunts near their home.

Music is another family hobby. Carrie and Mark are band members at Blendon Junior High School and Westerville High, respectively. And the whole family likes to go to concerts. They are also tent-campers and rock collectors.

Keeping all these activities coordinated means "I don't have time for a lot of chores around the house," Alma laughs, revealing her happy philosophy that "enjoying things together is a lot more important than running a tight household ship."

We would like to have a continuing series on running families. If your club has one (or two) such family why don't you let us know, and we'11 send you a questionnaire. You can even write it up yourself and give it that personal touch. We want to hear from you:

## Western Training Camp

Commentary by BILL PECK
Photos by' DOUG SCHWAB
There was no energy crisis at the fifth annual Rialto Road Runners Training Camp during the last week in August. Nearly 200 highly active distance running young gals and boys spent seven days filling their lungs with fresh mountain air and generally having fun, while putting in a lot of miles in the company of their fellow harriers in the rugged San Bernardino Mountains at 6000-7000 feet elevation.

The low cost ( $\$ 25$. For one week) and the good reputation which the camp has enjoyed, attracted the majority of the top age group runners from eight southern California clubs (from 9 \& unders on up) and a few top high school and college athletes as well. Among the familiar names of age group running families attending were such as Assumma; Knox, Cook, Sanchez, Nunez, McQuarrie, etc. Included among the "old folks" were such junior stalwarts as 4:08 high school miler Bob 0 'Brien, $4: 13$ 11th grader Richard Nance, national girls intermediate hurdle champ Clydime Crowder, and junior internationalist Lynn Hollins.

Runners were grouped in cabins according to their age, with one or more coaches and/or parents living in the cabins of younger girls and boys. (The writer happened to be a cabin "daddy" for 13 supercompetitive 10-12 year-old boys. For one week it was constant competition - in chess, volleyball, archery, high jumping, quizzes and even cleanup not to mention unwanted competition in workouts).

Each day's schedule was enough to run your battery down if you weren't in reasonable condition to begin with. Everyone's day began at 6:30 a.m. and usually proceeded as follows:

BRICE HAMMERSTEIN trying to keep up with some 9-unders

Among other activities, volleyball was a favorite. 18

6:30, getting ready for morning run. Cold. .cold. .

"Trail leader" JOHN COOK strugg7ing up "inspiration point" with some real tough 10-11 year-olds.

```
6:30- 7:30- early morning. run (2 to 5 miles)
    7:30-8:30 - breakfast
    8:30-9:00-cleanup of cabins and campgrounds
    9:30-12:30 - morning activities (crafts, games,
                swimming, archery, etc.)
12:30-1:30 - Iunch
    1:30-2:30 - rest (theoretically)
    2:30-4:30 - afternoon run (3 to 8 miles)
    4:30-6:00 - afternoon activities (volleyball,
        horseback riding, games, etc.).
    6:00-7:00 - dinner
    7:00-9:00 - special events (films, talent
                show, band, hypnotist, etc.)
    9:30
        - lights out
```

Food, which was expèrtly prepaled by camp cooks in well equipped kitchen, -was mostly donated. The menu was high in carbehydrates (distance runners don't have much trouble with weight) and unusually well balanced. Breakfast offered pancakes and hot (or cold) cereal; lunch and dinner were heavy on salads, vegetables and potatoes, as well as meat and other protein; lots of milk and/or fruit juice was available at all times along with fruit.

For the most part, running groups were segregated according to age, sex and/or ability. Each group was led by a "trail leader" - an adult with at least some running background and basic conditioning. Runs consisted of traversing the many trails (some steep, some relatively easy) which surrounded the camp.

As the cross country season progresses you can be sure that many of the' top runners of the fall campaign will be those who have attended one of the many summer training camps such as this one.

#  Perfect fit means 

New Balance athletic shoes are the only quality hand crafted shoes that offer perfect fit (available in sizes $41 / 2-13$, AA-EEE). Orthopedically designed styles available for men and women for racing, training or jogging.

All models feature lightweight seamless leather uppers and genuine Ripple ${ }^{\circledR}$ soles which give you natural foot action and help prevent foot and leg problems. Exclusive saddle design offers longitudinal support.

TRACKSTER I
General purpose lightweight track shoe used for indoor and outdoor events as well . as cross-country, warmups, training or jogging. Ideal for practically any running surface. $\$ 15.65$ plus $\$ 1.25$ for postage and handling.
"490"
Similar to Trackster I. The wedge is increased to a full $1 / 2^{\prime \prime}$ to give more running comfort for those who like the higher heel and additional support. Especially good for runners with high arches, bruised heels, and Achilles tendon problems. Ideally suited for women. $\$ 16.75$ plus $\$ 1.25$ for postage and handling.

TRACKSTER II
Designed for longer distances, marathon competition and training. Ideal for heavier athletes, adult fitness programs and jogging. An exclusive "foxing" sole construction cradles foot for extra support, stabilizes the foot and minimizes "roll-out." Perfect for the runner with foot, ankle, leg or knee problems. \$19.75 plus $\$ 1.25$ for postage and handling
