REEL OFF

Well, we tried! We promised we would get out the April issue in three weeks, but it was impossible. During our hospital stay things piled up and up. We spent eight solid days in front of the computer getting the statistics in their right place. WTFW is not like 'Track & Field News' where they have a lad who does nothing but put stats into the computer day after day.

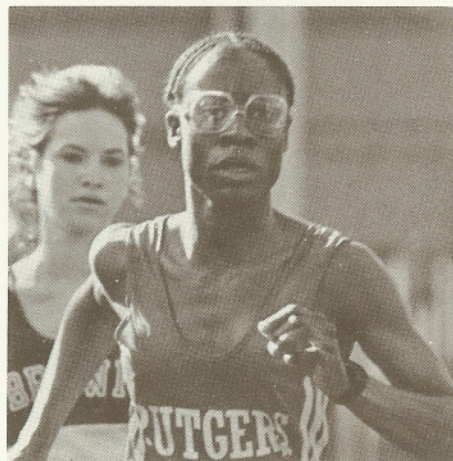

And the mail came day after day - we feel we may have created a monster for we now get 40-60 pieces of mail each day and that takes a heap of opening and reading and sorting. It became a case of the faster we went, the behinder we got.

And so, after a four day battle with the flu, we decided the only way to catch up was simply to STOP, put out an issue with what has been done and begin anew with the May issue.

And that's what we have done. This will be the last of the small issues and everything sent to us will appear from now on. And no more hospitals! They're 'gross', as Number Four daughter says.

ARMY MARCHES ON

West Point, NY, Dec. 10: The Army won the meet 67-33, but visiting Rutgers turned in the best mark of the competition as Desiree Scott toured 1500m in 4:32.47.

Rutger's DESIREE SCOTT (Jeff Johnson photo)

Recently traveled with a high school team to a big relay event - ten schools. I had forgotten how much high schoolers don't know. After all, it's been 30 years. And the noise! Great to be young....Wonder how fast Stephanie Hightower could run the hurdles if she'd learn what to do with her left arm....New slogan: "Official headache of the 1984 Olympic Games"....Cathy Branta did not run 15:45 for 5000 meters last year. Turns out to be 16:45.....

We all know Sports Information Directors get carried away now and then. Won't reveal the name of the one who wrote this, but the release stated Timbucktoo and Lost University (not their real names as Ann Landers says) "have not previously met before"....Washington's Al Bonney will step down at the end of this 1984 season. Caught again, eh, Alvin.....

Illinois had its troubles at the Big 10 title meet. Rolanda Conda got herself disqualified and Gretchen Gentry and Kim Dunlap both fell during their races....Carol Lewis was her regular old self at the TAC Championship. Kicked the sand in the pit after a foul.... A late addition to the Iowa State team is Nawal El Moutawakil of Morocco. Already she has been named Big Eight track athlete of the month for February....Northwestern scored points in the Big Ten Championship for the first time in history - and broke four school records in the process.....

Letter from Carole Eckert, St. Louis, Mo, who asks if the military uniform I was wearing in my picture for my "Reel Off" column recently was for the Civil War.....

EAST COAST INVITATIONAL

Richmond, Virginia, Jan. 14: More than 1100 entries poured in for the East Coast Invitational - but something else poured, too. Snow and ice and, wallah, less than 800 showed up.

Those who appeared, however, gave it their best shot for this early season affair. One of the best marks was turned in by prepster Dawn Sowell who zipped the 55m in 6.8.

LJ, 1-Brenda Bailey (Howard) 19'6½, 2-Thomasina Busch (Hampton Inst) 19'1; 55mH, 1-Patricia Davis (St Aug) 7.6, 2-Thomasina Busch (HI) 7.8, 3-Arnita Epps (Tx Sth) 7.8, 4-Santa Williams (HI) 8.0.

NEBRASKA WINS NCAA TITLE

Syracuse, New York, March 9/10: It took less than 6.80 seconds for Nebraska to capture the NCAA Indoor Championship once again. The Huskers sprinters - Merlene Ottey, Angela Thacker and Janet Burke - finished 1-2-3 in the 55m sprint for 24 big points and no one could catch them. Nebraska won only one other event - Thacker's upset victory over Carol Lewis - but that was enough. Gary Pepin's charges picked up points in the 500, hurdles, high jump and 4x400 to insure the win.

Tennessee, on the other hand, captured four events for 40 of their 48 second place points, but couldn't pick up the stray points to stay close to Nebraska. Joetta Clark and Cathy Rattray won the 1000 and 500 and the Vols took both relays.

Villanova surprised with its third place finish thanks to the 1-2 placing by Veronica McIntosh and Patty Bradley in the 800. And we actually had an NCAA Championship where Disa Gisladdottir did not win the high jump - this is the first. Washington State freshman Mary Moore took the event at an even six feet.

OREGON OPEN

From Lester B. Hanson

Eugene, Oregon, March 10: Biggest news and excitement concerning the Oregon Women's Open was the fact the sun was shining in Eugene on March the tenth.

Oregon Coach Tom Heinonen unveiled his 1984 charges who went through their paces in a routine manner. Oregon showed up with five sprinters - a rarity at Eugene - but unfortunately none could reach the 12 second mark. Best performance came from javelin thrower Shannon Gates who bettered her own PR by more than five feet with a winning toss of 160'8. Of course the usual distancers were on hand for the Ducks - Claudette Groenendaal, Birgit Peterson, Ranza Clark, Kim Ryan et al.

Odyssey

Women's
Odyssey

In the end, it is a question of anatomy. Not ability. Only when you come to terms with the structure of your own body—and how it reacts under stress—can you hope to live up to your potential. The Odyssey is an Air shoe. It comes in models for both men and women who, if they want to avoid a world of hurt, had better control that inward roll that occurs on footstrike.

One thing is certain. If anatomy is destiny, you never had so much to look forward to.
