Spielberg

SPIELBERG 202'2 WORLD DISCUS RECORD

Frankfurt, East Germany, May 25: Just when everyone was ready to concede the Olympic discus crown and permanent possession of the World Record to West Germany's Liesel Westermann, Christine Spielberg, East Germany's 1966 European Champion comes through with a new World Record toss of 202'2 $\frac{1}{2}$ /61.63. Spielberg, who was blitzed by injuries last season and never performed up to her 1966 success, broke Westermann's mark of 201'2 $\frac{1}{2}$ by exactly one foot. In 1967, Spielberg threw only 56.34/184'10 and was ranked only 6th in the world by Jan Popper. Thus Tamara Press has now been moved down from the number one spot on the All Time list to the number three spot - and the season is just beginning.

FOREIGN NEWS

ROSENDAHL 4918; TRIO 21'7w; JAWORSKA 196'7

The pace has picked up during the past month as Olympic Fever increases. The European season is just getting under way and already we have the following developments:

Christine Spielberg of East Germany has set a new world record in the discus with a throw of 202'2; Danuta Jaworska, Poland, has upped her javelin best to 196'7; West Germany's Heide Rosendahl has moved herself right into the pentathlon picture with a 4918 point performance and has since run the 80m hurdles in 10.9; Italy's Maria Trio defeated Poland's Ir-ena Kirszenstein in the long jump with a terrific leap of 21'7 to 21'3 $\frac{1}{2}$ - however, Trio's mark was ruled wind-aided while Kirszenstein's was not; and the Dutch 4x100m relay team turned in a sparkling 45.2 race.

US NEWS

VAN WOLVELAERE 27.3 (AR); HAMMOND 54.2m;

MOSKE 167'3; DORA LEE ROBERTS (13) 19'1;

BAILLES 10.3w

The track and field athletes in the USA are already thinking about the National Championships and the Olympic Trials. The marks turned in during the past month indicate the sport is now shifting into high gear with these performances highlighting the season: Pat VanWolvelaere set a new American record of 27.3 for the 200m hurdles; Kathy Hammond, now running unattached, ran the best 440 in the world this year with a 54.2 race; Carol Moseke, the Pan American Games discus champion, improved to 167'3; Dora Lee Roberts, a precocious 13 yr old from central California, long jumped 19'1; Margaret Bailes had a wind aided 10.3 100y dash; Janene Jaton, Lindy Oliver and Delores Stoneback hooked up in a nifty Girl's Division 440 in Washington finishing in that order in 55.4, 56.2 and 57.2; plus the usual round of good performances in other meets throughout the country. (Note: Hammond's 54.2 was 400m, NOT 440y)

US OLYMPIC NEWS

Cherrard Out, Cooke and Mulder quit

Charlette Cooke, the odds-on favorite to win the 400m in Mexico, has quit! The likeable and popular speedster, in spite of her fine performances over the past few years, has been plagued with injuries and personal problems, and has simply stopped running. Her first running was done for the Compton Track Club where she led her team to a National title. From there she moved to the Los Angeles Mercuresses, but this honeymoon soon ended and she whisked off to Texas only to return soon after and enroll at Pepperdine College. The romance faded here too, and next it was back to Washington DC and the Sports International TC, but injuries and the weather disillusioned once again. A quick trip was made to Chicago where a panacea was hoped for, but this, once again, failed. Several months ago she returned to southern California and at the latest report is content to do nothing in the track business.

Cherrie Sherrard, the venerable veteran of the Laurel Track Club, is evidently out of all further competition. Cherrie was troubled with what was believed to be a severe case of shin splints, but the condition worsened and hospital tests showed an infection of the shin bone. An operation was performed and the discovery made that the infection had traveled to the knee. Cherrie is now resting at home at 1745 20th Avenue, Oakland, California, 94606, and a card or letter would be a welcome item. Sherrard's loss to the Olympic team will be great, for after many, many years of campaigning, she was finally running consistantly good times - but more important, defeating strong opponents.

Another track loss is apparently Marie Mulder, the child prodigy of US distance running. Marie, in somewhat the manner of Charlette Cooke, has been moving from place to place recently and has failed to find a secure spot. She has dropped out of the running game.

REEL TALK

Happy Birthday to WTFW

With this issue we begin our second year. The magazine has been a success, not a financial success, but it seemingly has been popular with the public. We are hoping the financial problems will be dissolved after this second year. We are asking each subscriber to introduce the magazine to at least one friend. We will gladly send sample copies to anyone. The track Clubs and the schools have been very cooperative and helpful. One Club requires each new member to subscribe to WTFW before being admitted. Of course, I know another Club which refuses to let its members subscribe. (Just between you and me, several members do subscribe in their parent's name.)

The magazine has been so successful that we are promoting some of our most prolific correspondents to Area Managers, and are doubling the salary of all other correspondents.

So Happy Birthday to us!

Check the figures by your name and address. This will tell you when your subscription expires. A large number of subscriptions will end on 12/68. To facilitate the problems of renewals, the Business Manager would appreciate your sending in your renewal at any time before that date. The original Charter Subscribers are now receiving their free seven months of issues.

While on the subject of subscriptions, please let us know in advance, if possible, when you move. The magazine runs on a very limited budget - and here is what happens when you do not notify us of an address change: first of all, each copy of the magazine costs about 22¢, (this does not include payment to the staff for work done - just 22¢ to print, bind, staple, address, sort); then the average cost of mailing is 3/4-4 cents, making a total of approximately 25¢. When a subscriber has moved without notifying us, the post office cuts the address off the magazine, throws the magazine away and sends the old and new address back to us - for which we must pay 10¢ postage due. Total cost is now up to 35¢. Then, if

The Computer Age

As the track year began, there was much joy and happiness in the Southern Pacific Association of the AAU. Praises were sung for High Priest Chairman Trueman Betts for had not this energetic official made arrangements with the necessary powers to place the entire women's/girl's/age group onto a computer system which would 1) register athletes automatically, 2) keep a constant and perfect record of the achievements of all performers week by week, and 3) eliminate the time consuming task of meet directors in seeding athletes correctly for all competitions - a most important item since the SPAAAU must place more than 400 girls in correct heats each time competition comes along. In addition, it was claimed printed results would be available in apple-pie order for all to read.

Alas! The best laid plans don't always turn out beautifully. The Computer Beast has become the all powerful influence in southern California. It is hated and despised by coaches, athletes, parents - and even Mr. Betts.

The "Things We Did Not Know" Department include: It takes three weeks, (that's right - 21 days), for a girl to register and have herself placed in the computer system - three weeks from the time the girl signs her AAU card and sends in her entry; Computers must be "fed" before they can perform - and this, it has been discovered, takes hours and hours and hours each week "feeding" results of every athlete into the machine to enable correct assignments for the forthcoming competition; seeding, supposedly impossible to louse up via computer, has been questioned many times by many people during the season - and always the officials reply, "It can't be wrong, the computer doesn't make mistakes". This answer was finally knocked into a cocked hat at the District Championships. The District is blessed with two world-class hurdlers, Mary Rand and Chi Cheng. You guessed it, they were both placed in the same heat by the unerrable mechanical monster. Such seeding certainly didn't bother either of these two runners, but it was quite upsetting to coaches and athletes who got "caught" in the same heat with these two.

As for quick results being available, this is being written on May 30th. I have results from a meet in Warsaw, Poland, which took place last weekend, but I still do not have the results of the SPAAAU District Championships which were held 40 miles from here on May 19th. In fact, the results of the SPAAAU meet held on May 5th have not yet reached this office. The reason? Simple, the computer hasn't turned them out yet!

All Star Voting

I have been coaching for 32 years. During that time I have learned many things. One point I always try and get across to my athletes: If you are voted an honor or are selected as an outstanding athlete or an All Star, enjoy it; if you miss a selection you feel you should have had, forget it. I have never yet seen such a selection which satisfied everyone. Usually, those doing the selecting don't understand what they are selecting; the voting is done on a political basis; the facts are either not know, or are disregarded through personal feelings, or are not correctly presented. However, it is always difficult to understand the "whys" of a defeat if you or one of your athletes is overlooked.

One such occurrence has just taken place in the Metropolitan Association where the "Committee", (most of whom haven't seen a women's track meet since prohibition), selected Lois Johnson as "Athlete of the Year". This editorial is not to knock Lois Johnson in any way. She is a fine athlete. The point is to knock the method of selection and the presentation of credentials which influenced the voting. Among other things, the petition for Johnson stated, "Placed fifth in the Outdoor National (80mH) Championships"; also, "Winner of Special Section (80mH), Outdoor Nationals"; and "Qualified for the Pan-American Finals". Plus this gem: "She was the only Met woman that qualified for the final of the Pan American Games in Minnesota".

The "Voters", not being acquainted with women's T&F, accepted these statements as fact - and they add up to an outstanding list of accomplishments. But let's take a closer look: Number one, Lois Johnson did not even qualify for the final

Fleming wins 440 and 80mH; Toeneboehn runs 10.8

St. Louis, Missouri, April 27:--Several good and some surprising results came from the first outdoor competition of the Ozark Association here today. Judy Toeneboehn, Ozark TC, was a double winner in the 100 and long jump and clocked an impressive 10.8 heat time in the sprint. Rhonda Fleming, St. Louis Blues National Girl's sprint champion, did some experimenting - and with good success. Fleming won three events; the 220 (25.5), the 440 (58.4) and the 80mH (11.9). Both the hurdles and the 440 are believed to be her first competitive efforts in these events.

RESULTS: Women's Division: 100, Judy Toeneboehn (OTC) 11.2 (10.8h); 220, Rhonda Fleming (SIB) 25.5; 440, 1-Fleming 58.4, 2-Lori Schutt (Un) 61.9; 880, 1-Schutt 2:17.7, 2-Cheryl Bridges (Un) 2:19.5; Mile, Bridges 5:18.8; 80mH, Fleming 11.9; HJ, Connie Peterson (Ill) 5'3; LJ, Toeneboehn 17'8, 2-Kay Aubrecht (OTC) 16'6½; DT, Liz Sharp (ITC) 114'8; SP, Connie Travagliante (SEMO) 38'10; JT, Travagliante 123'0. 12/13 Division: 50yH, Paula Fischer (Liberty, Ill) 7.7.

Montana-Oregon Postal Meet

Netter 10.4 (Unofficially)

Mississippi Valley State College, May 1:-Running on the fast grasstex track at Mississippi Valley State College, Mildrette Netter of Alcorn A&M College, came within one-tenth of the oldest world record on the books when she clocked 10.4 in winning the 100 yard dash here today. Unfortunately, the mark must go in the books as "unofficial" for there was no wind gauge, and only two official timers. Both official watches were stopped at 10.3, while four coaches timing from the stands all agreed on 10.4 - and that was the time given. Netter has now run consistently near the 10.7-10.6 mark and is beginning to worry the big names of the sprinting world.

Netter also won the 220 in 25.2 and anchored her 440 relay team to a 51.8 triumph.

Colorado College Meet

Ogden, Utah, May 2: Sixty athletes took part in the first outdoor meet of the season at Weber State College as more than 1000 spectators watched. Although performances were not frightening any national champions, Carol DeMonge was outstanding with four victories in as many events.

RESULTS: BBT/LJ/HJ/50yH, Carol De Monge 203'6/16'0/4'8½/7.9; SP, Margie Thompson 32'8; SLJ, Cheryl Siglin 7'3; 50y, Louise Lycan and Mary Germer (tie) 7.0; 75y, Janice Catton and Joan Burdett (tie) 10.0.

The State of Iowa, which had 20,500 girls participating in track and field athletics at the high school level this year, staged its annual State Championships (date and site of competition is not known), in the worst weather in the history of athletics with wind, rain, sleet taking over. Winds up to 50 mph spoiled any chance of decent performances let alone new records. The competition was present, however, and 58 schools scored points. Can any other State match that? RESULTS: 100y, Janet Brown (Charles City) 11.3; 220y, Brown 26.8, 2-Brenda DeWall (Rolfe) 26.9, 3-Connie Knott (Manilla) 27.1, .. 5t, Kay Bruce 28.0; 44Oy, 1-Sara Beckord (Rolfe) 57.8; 880y, 1-Chris Gemberling (Lake City) 2:23.3; 60y, 1-Pam Wilcoxson (Grand Valley) 7.1...3-Bruce; 80mH, 1-Diane Klingbeil (Lincoln) 12.2; 220yH, 1-Gwen Hoekstra (Teril) 31.8; BBT, 1-Marilyn Schultz (Gladbrook) 203'6; DT, 1-Tracy Peterson (Gilbert) 119'10; SP, 1-Carol Hannusch (Union-Whitten) 40'0½; LJ, Kay Bruce 17'2½; HJ, 1-Gwen Knickerbocker (Starmont) 4'11; 320m Shuttle Hurdle Relay, 1-South Hamilton 53.0; Distance Medley Relay, 1-Shelby-Tennant 4:37.7; 880y Relay, 1-Manilla 1:48.9; 320m Shuttle Relay, 1-Rolfe 41.9; 880y Medley Relay, 1-Pocahontas 1:58.8; 44Oy Relay, 1-Rolfe 51.2; One Mile Relay, 1-Prarie 4:21.7s; Scores: Rolfe 27, Manilla 25, Woodbine 13, Shelby-Tennant 12, Teril 12, Charles City 12.

20th Vancouver Relays Foltz beats Brown

Vancouver, Canada, May 3/4:-The 20th Annual Vancouver Relays produced some good marks in the open women's competition. In addition, competition was held in high school and junior high school divisions.

Jay Dahlgren, Vancouver Olympic Club, set a new Canadian native open record in winning the javelin with the throw of 169'0/51.52, and the Falcon TC 3x880 team of Linda Oades, Vicki Foltz and Doris Brown romped home in what is probably an American record of 7:02.6s. In the open 880, Vicki Foltz sprang a mild surprise by edging teammate Brown 2:11.6 to 2:13.5s. Brown, still bothered by tender hamstring muscles, was under orders to "take it easy", but Foltz is running faster than ever. The Angels TC had some good relay performances with a 48.3h and 48.2 4x110 and a 1:40.7 4x220.

RESULTS: High School: 440, Anne Langdale (MD) 57.7; Open Division: DT, 1-Helen Thayer (Falcon TC) 150'4, 2-Carol Martin (SFU) 144'6, 3-Marlene Kurt (CTFC) 140'2; LJ, 1-Bernice Jessup (VOC) 18'7½, 2-Judy Durham (Angels) 18'1¼; HJ, 1-Debbie Brill (Lan) 5'5½ (Canadian midget record), 2-Durham 5'4½; 80mH, 1-Pat VanWolvelaere (Angels) 11.4, 2-Janene Jaton (Angels) 11.6, 3-Janet Johnson (FTC) 12.2; 880, 1-Foltz 2:11.6, 2-Brown 2:13.5; 4x220R, Angels 1:40.7; SP, 1-Carol Martin 42'6¼, 2-Marlene Kurt 41'6½, 3-Pauline Conwell (Angels) 40'6; 100y, 1-Valerie Parker (VOS) 10.8 (10.7h), 2-VanWolvelaere 11.1, 3-Arlene McLaughlin (VOC) 11.1, 4-Jan Maddin (SFU) 11.2; 3x880, Falcon TC (Oades-Foltz-Brown) 7:02.6 (Am.rec??), Vancouver OC 7:22.1; 4x110R, 1-Angels 48.2, 2-Seattle Dynamics 48.3, 3-Vancouver Optimist Striders 48.8; JT, 1-Jay Dahlgren (VOC) 169'0 (rec), 2-Martin 147'5; 3-Virginia Husted (FTC) 141'9.

Graceland Relays

Lamoni, Iowa, May 4:-The First Annual Graceland Relays brought together eleven high schools and clubs and more than 100 athletes who turned in some good performances to inaugurate this planned annual affair. Judy Toeneboehn (Ozark TC) won three events with fine performances. She won the 60y (7.0), the 220y (24.2) and the long jump (18'1½).

RESULTS: 60/220/LJ, Judy Toeneboehn (OTC) 7.0/24.2/18'1½; 440/Mile, Lori Schutt (Un) 62.6/5:45.0

US OUTDOOR REPORT (Continued) QUANTICO RELAYS from Archie Owens

Moseke 167'3 at Midwestern AAU; Vann 11.2 in 80mH

Wahoo, Nebraska, May 4:-Pan-Am discus champ Carol Moseke of the Nebraska Track Club stole the thunder at the Midwestern AAU Track and Field Meet held at John F. Kennedy College. Moseke not only won all three throwing events, she cut loose with her best-ever discus toss at 167'3, a throw much better than her 161'7 win at the Pan Am Games and nearly 15 feet farther than her winning toss at last year's AAU Championships. Moseke also won the shot with a respectable mark of 43'2 and the javelin with a not-so-respectable performance at 118'9.

Topeka Cosmo's Diane Vann won both hurdle races, the 80m distance in 11.2 for a narrow win over Kay Cox (11.3) of the home town Kennedy College. The mark was best ever for both athletes, and gives proof to the fact the US is finally able to field some decent hurdlers.

RESULTS: 100, 1-Paulette Smith (TCC) 11.0 (10.8h), 2-Linda Adams (Un) 11.1; 220, Rebecca Davis (TCC) 27.2; 80mH/200mH, Diane Vann (TCC) 11.2/29.0; HJ, Linda Binggeli (TCC) 5'1; SP/DI/JT, Carol Moseke (NFC) 43'2/167'3/118'9.

Terry Hull - A Sleeper?

Terry Hull, Knoxville TC, has now qualified for the National Championships in three events - 220, 440 and 880. Her latest triumph came at a special invitational 220y dash held in conjunction with the meet between the University of Tennessee, Florida State and the Quantico Marines. Hull won in 24.6s, among the nation's best. Second in the race was a 9th grader, Donna Joiner, Knoxville TC, who ambled the distance in 27.1s.

Hull has also qualified in the 440 with a 55.9 win over Beth Hudson (Ohio TC) at the Dogwood Relays, and in the 880 with a fourth place time of 2:15.2 at the Quantico Relays.

Quantico, Virginia, May 3/4:-Always one of the top track and field events in the East, this year's Quantico Relay Carnival was no exception, and as usual, the women did their share by providing outstanding performances.

The 100 yard dash was so "loaded", both with talent and with numbers, that the heats qualified only one each to the final. Wyomia Tyus won the first of the six heats with an easy 11.3; teammate Mattilene Render won the second run in 11.4s. Chicago's Willye White took the third trial in 11.3, and then it was Tennessee State's turn again as Marcella Daniel also clocked 11.3 in the fourth heat. Another MDYF athlete, Kathy Jones, beat off Una Morris in a "Mutt and Jeff" finish with still another 11.3, while the Atoms' Carmen Smith finally broke the monopoly by lowering the best qualifying time to 11.2 while winning the final heat.

In the final, Tyus was away in a hurry and by the 70 yard mark had left the competition behind. The Olympic champ won in a new meet record of 10.5s.

The top qualifiers in the half mile were TSU's Madeline Manning with the best qualifying time of 2:08.8, followed by Francie Kraker of "Red" Simmons' Michigammas in 2:13.8s. Other qualifying marks included Shelley Marshall (Atoms) 2:17.2, Sue Dudley (Michigammas) and Donna Simpson (MDYF) in 2:17.6, Ohio TC improving Beth Hudson in 2:18.0, Peggy Grinvalsky (Atoms) 2:18.5 and Terry Hull (Knoxville TC) 2:18.5s.

In the final, Madeline was into and out of the first turn before the smoke from the starter's gun had vanished. Down the back straight it was Manning with Hull back by five yards, Kraker, Hudson, Simpson, Marshall, Dudley and Grinvalsky. Off the far turn, Manning increased her lead to 12 yards as Kraker decided to make a race of it and moved up on the outside to take over the second spot from Hull who was running in her first-ever half mile. Kraker began to reduce Manning's lead, and she closed to within three yards of the Tigerbelle. Down the final back stretch Kraker moved up shoulder to shoulder with Manning but around the final turn Manning moved out once more, finally increasing her lead to about seven yards.

The 80m hurdle course could easily be renamed "Rallins Alley" since it appears Mamie does not want to let the record last for more than one year at a time. Usually a "weak" event here in the East, the importation of Carmen Smith (Jamaica) and the rapid improvement of Delaware's Carol Thompson offers hope - but at Quantico, it's always Mamie!

Rallins, with an improved start, came off the blocks fast as did Smith, and it was definitely a two-woman race with the Chicagoan showing great technique to win 11.2 to Smith's 11.5. Janis Brown, who had qualified with an 11.6 heat time, scratched from the final because of a leg injury.

The trials of the 440 yard relay presaged things to come as TSU toured the course in 46.6 to drop their year-old meet record by a tenth. Other qualifiers were MDYF 47.2, Atoms TC 48.7, NYPAL 49.1, LI Mercuresses 49.1, Ohio TC 49.1. The Michigammas at 49.9 were eliminated in a special run-off.

Despite Willye White's terrific lead-off leg, MDYF yielded the lead to Tennessee thanks to Una Morris' explosive second leg. Render increased the lead and sent Tyus off well ahead of Rallins and Carmen Smith as the Tigerbelle erased their day-old record with a 46.1 clocking.

This year the Games Committee added the long jump, and with Willye White around, that's like placing a vampire in charge of a blood bank! Willye, who holds up well for an "old woman", continued what must be Chapter 1000 in the battle against Martha Watson, as "Chicago Red" beat her constant rival 19'8½ to 19'6½. Both jumpers had all but one trial over the 19 foot mark.

RESULTS: 100, 1-Wyomia Tyus (TSU) 10.5, 2-Willye White (MDYF) 10.9, 3-Mattilene Render (TSU) 11.0, 4-Marcella Daniel (TSU) 11.0, 5-Kathy Jones (MDYF) 11.4, 6-Carmen Smith (Atoms) 11.6; 880, 1-Madeline Manning (TSU) 2:09.6 (2:08.8 h), 2-Francie Kraker (Michigammas) 2:11.0, 3-Sue Dudley (Michigammas) 2:14.0, 4-Terry Hull (Knoxville TC) 2:15.2, 5-Shelley Marshall (Atoms) 2:16.4, 6-Peggy Grinvalsky (Atoms) 2:16.6; 80mH, 1-Mamie Rallins (MDYF) 11.2, 2-Carmen Smith (Atoms) 11.5, 3-Gladys Jermon (PAL) 12.0, 4-Lois Johnson (PAL) 12.1, 5-Beth Hudson (Ohio TC) 12.7; 440yR, 1-Tennessee State (Daniel-Morris-Render-Tyus) 46.1, 2-MDYF 47.0, 3-Atoms TC 48.9, 4-MDYF "B" 49.2, 5-Ohio TC 49.4; LJ, 1-Willye White (MDYF) 19'8½, 2-Martha Watson (TSU) 19'6½, 3-Gail Tolvanen (LI Mercuresses) 18'2, 4-Pat Richardson (MDYF) 17'8½, 5-Margie Fox (Dave's Speedettes) 17'1¼.

WOMENS TRACK AND FIELD WORLD YEARBOOK

1967

In the 1967 Yearbook, Pete Pozzoli accumulated the complete history of Women's Track & Field. This Yearbook is an invaluable almanac of the sport from its inception through the 1966 season.

The 1967 Yearbook is divided into Five Parts:

Part I contains the results of every major, (and most minor) competitions from their first meet through 1966. 31 different Games are included with every one from the African Games through the Znamenski Brothers Memorial Meet - with heats and finals of all races, winning and place marks for all competitors. These 74 pages would be worth the price of the entire book.

Part II lists the National Champions of 27 countries in all events and their winning performances from the beginning of Women's track in each nation. Some National Championships began as far back as 1920 - and everything is included.

Part III is "Progressive Lists" - the World Progressive Best Performances in every event from the 30 yard dash through the marathon, every relay event ever run, every field event ever contested.

Part IV lists the top ten performers in every event for 23 nations for 1966.

Part V is a two page section devoted to the British National League and ends with the listing of the best-ever performances in each event by Continents.

The 1967 Yearbook contains 139 pages and as can be seen from the material outlined above, is a required reference book of the history of women's track and field, plus a complete resume of the 1966 season.

**\$3 Each or
BOTH Books for \$5**

1968

If the 1967 Yearbook is a bargain, the New 1968 Yearbook is a Super-Bargain. Pozzoli, with the assistance, of course, of many, many world reknown track experts, has topped his original Yearbook although that seemed impossible. The 1968 Yearbook has 189 pages, (incidentally page size on the Yearbooks is 8 1/2 x 11), including 40 pages of outstanding photographs. Once again the Book is divided into Five Parts:

Part I includes International Results and as usual contains heats, quarter-finals, semi-finals with every individual mark recorded, for all the International competitions of 1967. This section also includes the results of International Matches, (such as US vs. British Commonwealth - as opposed to such International Results as the Pre-Olympics, the Mediterranean Games, etc.), and a new, but most important item, "How the Nations Ranked for 1967" - a report based on the top ten of each nation as scored on International Tables, (Russia is first, USA is fourth and Morocco is 47th).

Part II gives the National results of the countries of all five continents for 1967.

Part III is Pozzoli's "Historical" section with some interesting innovations - he lists the World Top 100 (that's right - the top 100!) in each event for 1967; he lists World Merit Rankings from 1956-67; he includes the World Walking Records; there is a section for the National Champions of every country; he lists the World Age Records for each event; he lists a revised World Progressive Best; he includes World Annual Best Marks. Part III is a doozer!

Part IV is a series of four excellent articles including "Queens of Track & Field" by Andrew Huxtable, "Saga of Babe Didrikson" by Maxwell Stiles, and two articles by Pozzoli himself, "Where Have All the Medals Gone?" and "Mauermayer - German Nonpareil".

Part V is the photograph section - although the pictures are scattered throughout the magazine. Mr. Pozzoli has quite an eye for the female figure, so you can count on good, enjoyable pictures.

And so you see why you must have both the 1967 and the 1968 Yearbooks. They compliment each other. Pozzoli is already at work on the 1969 Yearbook and hopes to make each issue even better than the previous issue. Women's T&F World is proud to be able to publish the Yearbooks.

Florida Championships; Tinker 10.8

Miami, Florida, May 4:—Joyce Tinker's 10.8 100 yard dash was the highlight of the Girl's (14-17) Championships here today. Tinker also won the 220 in 25.4s. Her hundred time was a personal best.

RESULTS: Girl's Division: 50y, A. Harrington (Richmond-Perine TC) 6.3; 100/220, Joyce Tinker (Run-For-Fun) 10.8/25.4; 440, D. Dukes (RFF) 61.5; 880, J. Jones (BFB) 2:44.9; HJ, L. Stafford (MM) 4'8½. 12/13 Division: 50/100, D. Thomas (RP) 6.4/11.8; 440yR, RP 53.2. Midget Division: 100, B. Sims (MM) 12.8; 220, K. Kenner (RP) 30.1; 880, D. Biggers (NWS) 2:41.9; 440yR, RP 53.2

Northwest Intercollegiate Championships

Seattle, Washington, May 10:—Ten Colleges from Washington and Oregon and Canada participated in a College Women's Meet at the West Seattle Stadium with Oregon State College winning the team championship over Portland State. Jan Maddin and Carol Martin of Simon Fraser University, Canada, turned in the only marks worth mentioning.

RESULTS: 100/220, Jan Maddin (SFU) 11.2/25.4; SP/DT, Carol Martin (SFU) 41'10½/142'9; HJ, Sheldon (PSC) 5'2.

California Intercollegiate Meet

San Jose, California, May 10/11:—California colleges staged an Intercollegiate track and field meet here today with some rather good performances. College competition is still in its infancy in the United States and most of the good marks were turned in by athletes who participate in the AAU program. However, the meet is certainly a step in the right direction and its instigators are to be commended. Most important suggestion would be more advanced, (or rather, SOME advance), information for we personally know many college students who would have competed had they known about the meet.

Best mark of the day was Nancy Norberg's new collegiate disc record of 153'0, breaking Carol Moseke's standard of 143'2. Jane Phineas, (Harbor College and LB Comets), won the long jump with a lifetime best of 19'0½ for another good performance.

RESULTS: 50y, Bonnie Elstad (Harbor) 6.2; 100y, 1-Lynda Huey (San Jose State) 11.3, 2-Ginger Smith (Stanford) 11.6; 220 1-Huey 25.8; 440y, 1-Cinda Van Duzer (Humboldt State) 61.4, ...3-Pat Cole (UCLA) 63.0; 880, 1-Van Duzer 2:26.1, 2-Cole 2:26.5; 80mH/200mH, Dee Kurth (Chico State) 12.3/29.1; 440yR, Stanford 54.2; 880yMedley, Humboldt 1:58.1; JT, 1-Pat Susan (Humboldt) 118'1; SP, Janis Nay (San Jose State) 41'2; DT, 1-Nancy Norberg (Stanford) 153'0 (rec), 2-Nay 117'1; LJ, Phineas 19'0½; HJ, Marsha Lutz (UC Davis) 4'9.

Angels Invitational Van Wolvelaere New American 200mH Record

Auburn, Washington, May 11:—Pat Van Wolvelaere, indoor world record holder for the 60y hurdles, set a new American outdoor record here today winning the 200m hurdles in 27.3s. This betters her own 1967 mark of 27.7 and is also 0.1 better than her 27.4 clocking at the old hurdle spacings made in 1966. Van Wolvelaere's 27.3 has been beaten only twice - by world record holder Roza Babich, 27 year old Soviet ace who clocked 27.1 at Leninakan on October 2, 1967, and by Valentina Bolshova, also of the Soviet Union, who clocked 27.2 at Moscow, August 3, 1967. Pat Jones of England also has a 27.3 race to her credit.

Other good performances at the Fourth Annual Angels Invitational held in clear weather at the Troy Field, included Doris Brown's 5:01.7 mile, Helen Thayer's 147'2 discus toss and Van Wolvelaere's two other wins, 24.6 in the 220 dash and 11.2 in the 80m hurdles.

Oregon State HS Championships

Springfield, Oregon, May 11: Seventy four schools participated in the Annual Oregon High School State Championships. The 256 girls in the competition had arrived at the finals via district championships, giving Oregon one of the best high school track programs in the Nation.

Lebanon High School, the defending champion, was upset by Sheldon HS as Lebanon ace Gail Boyd fell over the last hurdle in the 80m race after setting a new record in the trials at 11.6s.

Margaret Johnson Bailes, a junior at Churchill HS, scored a double win in the sprints with 10.6 and 24.6 (24.3h) wins, and anchored her relay team from last to first place and move Churchill into second spot in the scoring. Bailes also had a wind-aided 10.3 (which equals the world record) in her district qualifying meet.

RESULTS: 100, 1-Margaret Bailes 10.6, 2-Janet Kyle 11.4; 220, 1-Bailes 24.6 (24.3h), 2-Kyle 26.3; 440, 1-Karen Nelson 57.3, 2-Sherry Wells 58.3, 3-Karin Wicklund 59.7; 880, 1-Wells 2:18.1, 2-Linda Mayfield (injured) 2:25.3; Mile, Mayfield 5:27.9, 2-Bea Homer 5:35.8; 80mH, 1-Wendy Miller 12.4; HJ, Karen Wicklund 5'1½, 2-Kim Favorite 5'1½; LJ, 1-Colleen Wigle 16'10½; SP (8#), 1-Beth Smith 44'9½, 2-Mary Jacobson 41'0½; DY, 1-Jody Streetman 120'10, 2-Beth Smith 120'4; JT, 1-Linda Petrie 125'8; 440yR, Churchill 50.4.

First Annual Tri-State Invitational

Hazel Park, Michigan, May 16:-In less than ideal weather conditions, more than 400 women and girl athletes were attracted to the First Annual Tri-State Invitational Track and Field Championships sponsored by the North Detroit Track Club.

Meet Director Mike Taylor was apprehensive as to what the turnout might be, but 16 clubs from Michigan, Ohio, Illinois and Ontario turned out to make this the stellar outdoor meet, outside of the Michigan AAU Championships, held for women in the Michigan Association.

Coach Ken Simmon's Michigammas Track Club of Ann Arbor took the Open Division with 56 points to 38 for the skeleton-entry of Mayor Daley (Illinois) Youth Foundation and 32 for the Canton (Ohio) Track Club. This was accomplished despite the disqualification of the Michigammas splendid 880 yard relay team in the final event of the day.

In the Girl's Division, the Motor City (Michigan) Track Club scored 80 points to 54 for the Wolverine (Michigan) Parkettes and 51 for the Pelham (Michigan) Track Club.

The Michigammas had six first places in the 14 events including one of the meet's two double winners in Liz Caldwell who will turn 16 in June. The slender Caldwell copped the 100 and 220 yard dashes in respective times of 11.3 and 25.4 over a straightaway which had felt the effects of more than 100 dash and hurdle heats, plus open mid-distance and distance runs and relays, the majority of which were held in the rain. Both of Caldwell's wins were decisive and she is on her way to establishing herself as a coming sprinter with national recognition not far away.

The other double winner was the venerable Mamie Rallins of the MDYF. She nipped 15 year old Debbie Lansky of the Wolverine Parkettes in the 80m hurdles, 11.5 to 11.6, and came back to win a decisive victory in the 200 meter hurdles.

The Michigammas showed great strength in the field events with 26 points in the three throwing events although being blanked in the jumps.

Francie Kraker set a Michigan AAU 1500 meter mark at 4:51.4 being pushed by 15 year old Jackie Ford of the Wolverines who was clocked in 4:53.6. Fifteen minutes later, Kraker was back on the track and finished third in the 440. Kraker also sped a scintillating lap on the medley relay, but the team was disqualified since Kraker had already run the 1500 and 440.

RESULTS: Open Division: 100, 1-Liz Caldwell (Michigammas) 11.3, 2-Cathy Jones (MDYF) 11.5...4-Toi McCoy (MDYF) 11.8; 220, 1-Caldwell 25.4...3-McCoy 27.0; 440, 1-Nancy Shafer (Canton) 56.6; 800m, 1-Susan Dudley (M) 2:24.+; 1500m, 1-Kraker 4:51.4, 2-Jackie Ford (15) (WP) 4:53.6; 800mH, 1-Rallins 11.5, 2-Debbie Lansky (15) (WP) 11.6; 200mH, 1-Rallins 29.9; HJ, 1-Vann Boswell (Detroit TC) 4'10; LJ, 1-Willye White (MDYF) 17'4; SP, 1-Cindy Jones (M) 36'3; DT, 1-Jones 89'5; JT, Louise Gerish (M) 148'3; 440yR, 1-MDYF 50.0; 880yR, 1-Canton TC 1:56.4.

Cheyne Optimist AAU Meet

Cheyene, Wyoming, May 18: 100, Charlotte Hawkins (COC) 10.7w, Pam Green (DAS) 10.8w, Deani Goodman (COC) 10.9w. (Wind-aided is the word! Wind measured between 30-45mph.)

P.A. Girl's Championships

Stockton, California, May 11: Kathy Hammond, running unattached, won the 220 and 440 sprints in 25.4 and 55.1 to highlight the running events of the Pacific Association Girl's Championships. Linda Langford (Millbrae Lions) scored a good double with wins in the shot (41'1½) and an excellent discus throw (146'1). Millbrae's Barbara Pickel got off another good toss to win the javelin at 143'4.

RESULTS: 100, 1-Ruthie Smith (Stockton) 11.4; 220, Kathy Hammond (Un) 25.4; 440, Hammond 55.1, 2-Joan Pirie (Orinda TC) 57.3; 880, Cis Shafer (ML) 2:24.6; 50, Avis Moore (LFC) 6.3; 50yH, Jayne Frederick (OTC) 7.2, 2-JoEllen Lusk (WS) 7.2, 3-Leslie Clark (LTC) 7.4; 440yR, Orinda TC 49.8; 880yR, Orinda TC 1:45.0; LJ, Janet Ferguson (Un) 16'8; HJ, Frederick 4'10; SP, Linda Langford (ML) 41'1½; DT, Langford 146'1; JT, 1-Barbara Pickel (ML) 143'4, 2-Langford 122'1. Team Champion, Orinda TC.

Seattle, Washington, May 18:-The Falcon Track Club defeated the Vancouver Optimist Striders 52-43 in a dual track and field meet here today.

The field was full of outstanding athletes including internationalists from both Canada and the US. Janet Johnson, Falcon TC, was high point athlete with wins in both sprints and a second in the long jump. Her 220 victory was scored over Canadian ace Janet Maddin. Gail Davis, also of the Falcons, won the high jump and shot put and was third in the discus. Good marks were the rule rather than the exception. Doris Brown did not compete.

RESULTS: 100, 1-Janet Johnson (F) 10.9, 2-Val Parker (V) 11.0; 220, 1-Johnson 24.8, 2-Janet Maddin (V) 25.6; 440, 1-Maddin 56.5, 2-Vicki Foltz (F) 59.5; 880, 1-Foltz 2:14.8; 800mH, 1-Wendy Taylor (V) 12.1; LJ, 1-Brenda Eisler (V) 18'0½, 2-Johnson 16'2½; HJ, Gail Davis (F) 4'8; SP, 1-Davis 39'5...3-Johnson 37'4; DT, 1-Carol Martin (V) 149'2, 2-Helen Thayer (F) 144'10; JT, 1-Virginia Husted (F) 150'4; Medley Relay, 1-VOS 1:47.9.

Jayne Frederick wins Pacific AAU Pentathlon Title

Millbrae, California, May 18: Jane Frederick won her first ever championship at the Pacific AAU Pentathlon competition with a life-time best score of 4112 points. The young blond, still eligible to compete in the girl's division, upset perennial runner-up Cherrie Sherrard as the American hurdle record holder was competing with great pain from, at the time, an undiagnosed infection of the shin bone. Sherrard's 4020 points was terrific under the circumstances.

Rhonda Albers, San Leandro Cerfettes, won the 12/13 division pentathlon with 3812 points and Renee Moore of the Oakland Oakettes annexed the 10/11 triathlon with 1657 digits.

In several open events held in conjunction with the pentathlon championships, Carmelita Capilla, Millbrae Lions, set a new Pacific Association mark in the shot with a put of 44'10, and 15 year old Barbara Pickel had a good 147'4 toss in the javelin.

RESULTS: Women's Pentathlon: 1-Jayne Frederick (Orinda TC) 4112 (11.6-29'4½-4'11-17'9¼-26.0); 2-Cherrie Sherrard (Laurel TC) 4020 (11.6-36'9¼-4'9-15'6-26.4); 3-Jan Svendson (Millbrae Lions) 3805; 4-Nina Howard (Stockton Women's TC) 3596; 5-Chris Brown (Orinda TC) 3488; 6-Debbie Chapman (San Jose Cindergals) 3163. 12/13 Pentathlon: 1-Rhonda Albers (San Leandro Cerfettes) 3812 (rec), (7.4-28'2-4'6-17'3½-26.3) (Note:-50y hurdles and 6# shot); 2-Vernite Small (Stockton TC) 3481; 3-Debbie Peter (Orinda TC) 3191; 16 athletes completed the events. 10/11 Triathlon (100m, Baseball Throw, High Jump); 1-Renee Moore (Oakettes) 1657 (rec) (13.8-153'4-4'1); 2-Brenda Bruce (Orinda TC) 1524; 3-Glenna Pickel (Millbrae) 1282; 11 athletes completed the competition. Open Events: 200m, 1-Jackie Delaney (Oakettes) 25.0, 2-Joan Pirie (Orinda TC) 25.1, 3-Nancy Mullen (Millbrae) 25.4; 440y, 1-Pirie 58.3, 2-Carolyn Tiernan (Orinda TC) 59.3; 880y, 1-Cic Schafer (Millbrae) 2:20.0, 2-Lille Foester (ML) 2:22.6, 3-Rita Scalise (ML) 2:22.8; Shot Put, 1-Carmelita Capilla (ML) 44'10 (rec), 2-Linda Langford (ML) 39'11½, 3-Emily Stone (Laurel TC) 38'3; DT, 1-Langford 139'9, 2-Capilla 113'9; JT, 1-Barbara Pickel (ML) 147'4, 2-Langford 132'8.

Indiana AAU Meet

Terre Haute, Indiana, May 19:- (Temperature 46° and rain), Judy Toeneboehn and Cherrie Bridges were double winners at this Indiana AAU meet. Toeneboehn won both sprints while Bridges sloshed to wins in the 880 and mile.

RESULTS: 100/220, Judy Toeneboehn (Ozark TC) 11.4/27.1; 440, Mary Wagner (Un) 62.3; 880, 1-Cherrie Bridges (Indiana St. U) 2:24.1, 2-Lori Schutt (Chicago) 2:28.0; Mile, 1-Bridges 5:09.4, 2-Schutt 5:34.0; LJ, Aubrecht (OTC) 17'2¾.

ROBERTS 19'1 NATIONAL 12/13 RECORD

CROWN CITIES SOUTHERN CALIFORNIA'S BEST

Santa Monica, California, May 19:-The Crown Cities Track Club unleashed its vaunted Foreign Legions for the first time here today to easily win the Southern Pacific AAU title. The Los Angeles Mercuresses were a distant second.

Crown Cities produced a double winner in England's Mary Rand, Olympic champion and world record holder in the long jump. Rand nosed out Crown Cities teammate Chi Cheng (China) in the 80m hurdles in 11.1 and also won the long jump at 18' 11". Still another CCTC "Foreign Contingent" was Olga Connolly (Czechoslovakia), the Olympic discus champion of 1956 who had no difficulty winning that event here today. Jamaican Vilma Charlton, ace of the Crown Cities team in the sprints did not compete. Still another of the CCTC stable, Pat Winslow, won the high jump, was second in the shot and fourth in the long jump. The Club also got good performances from Alberta Martin and Marilyn King in the hurdles.

So powerful is the Crown Cities Club that such outstanding performers as Ordellia Smith, Barbara Emerson, Sharon Callahan, Joanne Gilbreath and others were left in the Girl's Division - where the Crown Cities again won with ease.

It is regrettable that results from this meet are not available, but the Computer, (see "Reel Talk"), has not yet digested them. We do remember Barbara Ferrell won the 100m in the excellent time of 11.3 and also won the 200. Jarvis Scott annexed the 800 and Bunny Pope the 400. Lynn Graham won the shot put - but other results are not definite.

The Computer has not yet released results of the SPAAA Meet held at Huntington Beach on May 5th.

Junior West Coast Relays from George Brown

Roberts (13) Jumps 18'6³/₄

Ratcliffe Stadium, Fresno, California, May 18: The Seventh Annual Junior West Coast Relays were sponsored by the West Coast Relays Games Committee. Competition is divided into High School, Junior High School (grades 7-9) and Elementary School (6th grade and under) and not by Age Groups. Several excellent performances resulted including a 10.8w and 24.5w (straightaway) sprints by Willie Nichols of Bakersfield. Best marks of the day, however, were credited to Dora Lee Roberts of Riverdale School in the Intermediate Girl's (Grades 7&8) Division. Young Miss Roberts won the long jump with a spectacular leap of 18'6³/₄ and had five legal jumps over the 18 foot mark and one foul at 18'11¹/₂. In addition, Roberts won the high jump at 5'2 and picked up a third in the 50y sprint in 6.3s. Dora Lee competes in the 12/13 year old division in AAU track.

RESULTS: High School Division: 100y, Willie Nichols (Bakersfield) 10.8w; 220y (Straightaway) Nichols 24.5w; 440y, 1-Vickie Johnson (Madera) 61.3; 880y, 1-Joyce Fadenrecht (Hanford) 2:44.6; Mile, 1-Cheri Vickers (Hanford) 6:01.3; 50yH, 1-Sandra Alexander (Tulare) 6.9; HJ, 1-Vivian Gaffney (Madera) 5'0; LJ, 1-Valerie King (Hanford) 18'1¹/₂; 2-Cathy Neal (Lemoore) 17'6¹/₂; SP (8#), 1-Ree Bradshaw (Hanford) 42'11¹/₂; DT, 1-Bradshaw 116'3; 440yR, 1-Bakersfield 49.5; Scores, 1-Hanford 32, Madera 30, Bakersfield 28, Tulare 22, Reedley 19, Edison, Fresno 16, Lemoore 14, Sanger 6, Clovis 6, Riverdale 3, Corcoran 1.

Bakersfield, California, May 28: Dora Lee Roberts, a 13 year old student at Riverdale School, set a new Junior Girl's Division record in the long jump to highlight the Central California Junior Olympics held at Bakersfield's Memorial Stadium.

Dora Lee, who had jumped into the limelight only a week earlier at the Fresno Relays when she set a new Intermediate record at 18'6³/₄, had five jumps better than the National record today and wound up with a lifetime best of 19'1. Her series of jumps today was: 18'8, 19'1, 18'6, 18'5, 18'8 - fabulous jumping for such a youngster - and the old record was only 18' 0". Roberts also won the high jump at 4'10, (she jumped 5'2 last week).

RESULTS:-Senior Division: 100/220/440, Chiquita Johnson (Bakersfield) 11.6/27.0/62.6; 880, Margaret Brown (Hanford) 2:32.1; SP, Ree Bradshaw (Hanford) 42'11¹/₂. **Intermediate Division:** 50yH, Sheri Vickers (Hanford) 7.9; 75/100/220, Willie Mae Nichols (Bakersfield) 8.6(rec)/11.4(rec)/25.5 (rec); LJ, Valerie King (Hanford) 17'4¹/₂. **Junior Division:** 50, Judy Smith (Lincoln) 6.1; 100, Mary Ann Turner (Emerson) 11.4 (rec); 440yR, Kern 48.8 (National rec); HJ/LJ, Dora Lee Roberts (Riverdale) 4'10(rec)/19'1 (National rec). **Midget Division:** 50/75, Sherrill Robinson (Fremont) 6.6/9.5; SLJ, Angela Blanchette 8'2 (rec). **Bantam Division:** SLJ, Sharyon Harrison 7'6 (National rec).

REEL TALK (Continued)

in the US Outdoor Championships - fifth place was won by Carmen Smith. Number two: True, she won the "special section at the Nationals; this "special section" was for the non-qualifiers, only the losers ran. Three: She did not make the Pan Am team, so how could she qualify for the Pan Am Finals? (Oh, yes, I know what is meant by this part of the petition, but did the "voters"?) Four: Of course the Pan American Games were not held in Minnesota, (it was the trials) - but again, how many of the "selectors" knew - or cared?

Selecting an "Outstanding Athlete" from a District or from a meet is a difficult task. To compound the difficulty by providing false and misleading information is unfair to everyone concerned, including anyone who is voted the choice. One good method of comparing performances is to rate them on the Portuguese Scoring Tables which can be secured through Track and Field News, PO Box 296, Los Altos, California. WTFW also has copies and will be happy to report scoring values of performances to anyone who asks. Of course, the relative value of a performance doesn't take into account the competition the athletes faced and also misses the boat when an athlete has scored well in two or three events, but not as high as another athlete who concentrates on only one event. But at least the Portuguese Tables give voters a "starting point" in their attempt to compare individuals.

From all reports reaching this office, it seems the Metropolitan Association should reconsider their selection. Actually, Lois Johnson could still be the most outstanding athlete, but she should not have been selected on the basis of the petition presented on her behalf.

BEST USA MARKS TO MAY 16 by Bill Peck, Official National AAU Statistician

(Compiler's Remarks: All known marks are listed as of May 15, regardless of type of competition. Only those marks preceded by a (+) are considered completely authentic by the compiler, and only these will be submitted as legitimate for purposes of qualifying for the national championships. All other marks will be submitted in a separate list with wind-aided, exhibition, non-AAU competition and marks of a questionable nature. The marks considered authentic have been made under the following conditions: Track events; 1) at least three timers, 2) wind reading if applicable, and 3) Tracks of known accuracy in cases of races run in lanes around a curve; Field events; 1) Verification of measured weight of implements, 2) Facilities of known quality in terms of reasonably conforming to the specifications of specific rules for the event, (including level long jump pit, high jump takeoff, and landing areas in throwing events as well as legitimate toe boards and throwing and jumping areas, and 3) wind information in the long jump; All events, 1) Legitimate competitive conditions including three or more competitors, and 2) reasonable indication that meet was organized and officiated by qualified persons. The compiler welcomes all additions, corrections, additional details on questionable marks, and ages of athletes, (the latter for purposes of compiling best performances by age lists). We will try to go at least 100 deep in most events in compiling the list for the year. Send information to Bill Peck, 1140 N. NATIONAL CHAMPIONSHIP INFORMATION

WTFW contacted Curtis Brown of the Rocky Mountain Association of the AAU, and has received an excellent report on the situation for the National AAU Championships which will be held in Aurora, Colorado, on April 14/15 (Girl's competition), and August 17/18 (Women's competition).

Bob Newall, the representative from the Aurora Junior Chamber of Commerce, has sent these vital statistics:

PLACE - Aurora, Colorado, Aurora Public Schools Stadium, one of the finer cinder tracks in Colorado.

HOUSING FACILITIES - Housing will be provided for all athletes at Temple Buell College, (formerly Colorado Women's College).

REGISTRATION - Registration forms, housing requests, and general information will be available shortly after the first of June by writing to: H. L. Davidson, AAU Women's and Girl's National Championships, Box 423, Aurora, Colorado, 80010.

TICKETS - Advance ticket sales are now open. Prices are: Wednesday, August 14, and Saturday, August 17, \$1.00; Thursday, August 15, \$1.50; Sunday, August 18, \$2.00. Package price for all four days, \$4.00. Tickets are available by writing to Mr. Ed Rougier, Box 423, Aurora, Colorado, 80010.

OFFICIALS - General Chairmen; Ed Rougier, Robert Newall and Don Alsop: Meet Director; Bob Caviness: Assistant Director; Harold "Swede" Graff: Women's T&F Representative; Curt Brown: Technical Advisor; William C. Hinkley, Aurora Supt. of Schools: Advisors; Helen McCall, Bill Griem, Frank Potts, Don Meyers, Harold Baker, Dr. Nell Jackson, Elmer Hager.

Athletes will be interested in the picture of the meet site. The picture shown on this page was taken from the south end of the track and is looking north. The building at the far end of the track is the gym and lounge complex. All dressing facilities, showers, etc., will be available. The whole gym area will be covered with mats, (no shoes allowed), so the girls can lie down and rest in a cool area. Training rooms will be available in private rooms under the stadium. The grass banks on the near, right and far sides are sloped and additional bleachers may be put here. Not shown, but located to the right is a huge warmup area of approximately ten acres. The long jump runways and pits are located on the infield, left side, lower infield. High jump area, lower infield, center. Discus and shot rings are located top of infield, left and right. Javelin will have runway and throw area down center of field. (Question: will javelin runup be grass or dirt?)

The shot and discus rings are concrete. High jump area and long jump runway are asphalt base covered with grassstex. The track itself is a mixture of clay and scoria and has proved to be fast. The stadium as shown in the picture will seat 6000, but the Jaycees expect to sell more tickets so the extra seating mentioned above will be needed.

Transportation will be provided from the airport to the motel areas and Temple Buell College. When entry blanks are mailed, the Jaycees will also include a list of motels and prices. There will be a wide range to select from. For the clubs on a limited budget, the facilities at Temple Buell College will be ideal for the Jaycees will have a "package deal" for room and board.

Altitude at Aurora is 5400 feet.

For entry blanks and further information, write the Meet Director, Bob Caviness, AAU Women's and Girl's National Championships, Box 423, Aurora, Colorado, 80010.

WTFW will keep you informed of developments for this important National Championships.

Southern AAU Meet

New Orleans, Louisiana, May 25: 100/220, Mildrette Netter (Alcorn A&M) 10.9/25.5; SP, Sue Sharp (Un) 35'3; Mile, Doris Graham (14) (Nugent Center HS) 5:50.5; 440yR, Alcorn A&M 49.4.

How to Qualify for the National Championships

To qualify for the Outdoor Nationals, an athlete must meet one of these three standards:

1. Equal or better the listed qualifying standards in an open sanctioned meet;
2. Finish in the top six in an event in a Regional Championship Meet;
3. Qualify automatically by finishing in the top three in the Girl's Championship Meet regardless of the time or distance.

Each girl may enter only the events in which she qualifies.

Who is eligible to compete in a Regional Meet? We will follow the same pattern as used in the past. Regional meets are open to all registered athletes. However, only the athletes who reside in this region should be "counted" as an official finisher for the region. IT IS IMPERATIVE THAT EACH REGION HOLDS A CHAMPIONSHIP SO THAT EACH GIRL WILL HAVE AN OPPORTUNITY TO QUALIFY FOR THE NATIONALS.

THREE WEEKS OF TRACK IN NORTHERN CALIFORNIA

Women's Track and Field will go on a "three week Binge" in Northern California soon. Four outstanding meets are scheduled, each of which must be rated "a must" for the top athletes.

The San Jose Cindergals start things off on June 26th with their Age Group Invitational - actually a National Championship Meet for the 12/13 Division. Every Club worth mentioning will be represented in this competition. The feature of the meet will undoubtedly be the 880 which will bring together all those precocious runners who have been breaking the National mark every time they run - and this race will put them all together - Kathy Gibbons, Debbie Dobbins, Vicki Eberly, Karen Hurlocker, Debbie Heald, Debbie Norris and Becky Bruce to name a few. In addition, there will be selected events for the 10/11 age group and for women. For information write to Mr. Estle Argabright, 467 South 8th Street, San Jose, California.

On June 29, the Millbrae Lions are sponsoring the Western Regional Olympic Qualifying Meet, one of the four such meets being sponsored in the US by the Olympic Committee. These meets are conducted to bring together the best talent in the United States, so that athletes will have additional opportunities to reach the Olympic qualifying standard. Qualified athletes outside the Pacific Association will receive free room and board while attending the meet. To be eligible, athletes must have met the qualifying standard for the 1968 National AAU Women's Outdoor Championships in each event entered. The meet will be held on the College of San Mateo's grasstex track and it will be a twilight meet. Trial heats, when necessary, will be held in the afternoon. For information contact Dr. Harmon Brown, 2335 David Court, San Mateo, California, 94403.

The following week, June 5 and 6, Chico State College will host the Western US Women's and Girl's Games, (also will include the 12/13 Division). This will be an evening meet and facilities for meals and lodging will be at Craig Hall, Chico State College. For information write to Greater Chico Chamber of Commerce, 500 Main Street, Chico, California, 95926.

To wind up the three week splurge, The Pacific Association will host the National AAU Women's Triathlon Championship combined with the Western Open Women's Pentathlon Championship to be held at Mills High School in Millbrae. For information on this meet, scheduled for July 13 and 14, write once again to Dr. Harmon Brown, 2335 David Court, San Mateo, California, 94403.

SAN JOSE CINDERGALS MEET

The San Jose Cindergals National Invitational Track Meet for 12/13 year olds is progressing far beyond their wildest dreams and has developed into a National Championships for the Age Groupers.

To date 31 Clubs have entered coming from Miami, Seattle, Phoenix, Michigan as well as southern California. More entries are expected before the deadline which is 17 June. The Meet date is June 26.

The 880 will be the feature of the competition with the cream of the precocious record-breakers all tossed together in the same race for the first time. The field will include Kathy Gibbons, Debbie Norris, (that's enough for a top flight race!), plus Karen Hurlocker, Debbie Dobbins, Glenna Stevens, Debbie Heald, Vicki Eberly and Cheryl Benish. The National Record is certain to be smashed into oblivion and quite probably the world age record as well.

Teams entered to date include: Agels TC, Atoms TC, Aurora TC, Bakersfield TFC, Diablo Valley TC, Fledglings TC, Hanford Lions, Hutchinson TC, Laurel TC, Metro TC, Miami Run-For-Fun, Millbrae Lions TC, Oakland Oakettes, Orinda TC, Paradise Shamrocks, Peninsula Vikings, Phoenix Flyers, Poison Spiders TC, Ravenswood Juliettes, Roseville AC, San Leandro TC, San Gabriel Valley Pacers, Seattle Olympic Club, Simi Valley Striders, SC Missiles, Spokane Pacemakers, Stockton Women's TC, Ventura TC, Will's Spiketettes, Wolverine Parkettes and, of course, the Home team, the San Jose Cindergals.

Kathy Hammond will be featured in the 14/17 age division and will run the 440. Only other event scheduled in that age division is the 880. There will also be two events for the 9/under (440 and 440R) and two for the 10/11 year olds, (the 440 and 440YR).

Montana AAU Championships

Kalispell, Montana, May 24/25: -Mary Lynn Lalum won three events, (two girl's titles and one women's title), to pace the Montana AAU Championships held here in beautiful weather. Lalum won the high jump (5'4¼), the long jump (17'5) and the 80mH (12.0) - all new State records. Judy Oliver of Soap Lake, Washington, had two good performances in winning the 880 by 12 seconds in 2:25.3 and the 1500 by 47 seconds in 4:51.1s.

HEIDE ROSENDAHL, West Germany

Pentathlon - 4918 Points

Heide Rosendahl, West Germany, moved to Number 8 on the all-time pentathlon list when she scored 4918 points in her first 1968 five-eventer. The pretty 21 year old athlete had the following performances: 80mH, 11.0 flat, shot put 13.41/44'0, high jump 1.59/5'2", long jump 6.28/20'7" and 200 meter dash 24.9s.

Heide has been the surprise of the 1968 season and now must rate as one of the top contenders for the pentathlon title in Mexico City. Last year, Rosendahl played second-fiddle to the brilliant Ingrid Becker in both the pentathlon and the long jump. Heide's best pentathlon score for 1967 was 4581 which ranked her #25 on the world list. She also had a long jump mark of 6.35/20'10 which put her 16th in the world in that event. In WFW Correspondent's Olympic Games predictions, Heide failed to get a single vote in any event.

Since her excellent pentathlon mark she has recorded a personal best of 10.9 in the hurdles and has turned in other fine marks in her bid for the Olympic pentathlon championship.

FOREIGN NEWS

Report from Bulgaria by Marco Petrunov

Sofia, May 10/11: The first outstanding competition of the 1968 season took place in Sofia with two international performances sparking the meeting.

In the high jump, Yordanka Blagoeva set a new national record with a leap of 1.79/5'10½, while Snezhana Yurukova set a new mark with her 4781 points in the pentathlon.

Blagoeva, born in 1947, began to compete in track and field athletics when she was 14 years old in her home town of Mikhaylovgrad. In her second year of competition (1962) she was ranked in the top Bulgarian jumpers with her best mark of 1.50/4'11 and the following year cleared 1.55/5'1. In 1965 she had a number of successful competitions after setting a new National mark of 1.64/5'4½ in 1964. She cleared 1.65/5'5 against the Russian athletes in Varna, 1.66/5'5½ in an International Meeting in May, 1.68/5'6 in the Kuschinski Memorial and 1.69/5'6½ in the dual meet with USSR in Sofia. That same year, she was second in the European Cup semi-final and then won the gold medal at the World Student Games in Budapest with a jump of 1.68/5'6. In 1966 she suffered a heavy illness and could master only 1.60/5'3. But in 1967 she was back again with good performances and cleared 1.70/5'7 in placing second behind Rita Schmidt in the European Cup semi-final. During the past winter she has changed her style, (she has been using the scissors), and has made good progress as her marks of 1.73/5'8 and 1.76/5'9½ indoors in Berlin and Madrid will attest. And now, in her first outdoor competition of 1968 she clears 1.79/5'10½. Surely she must rate as a dark horse for Mexico City!

Second in the high jump was 18 year old Katya Lazova who equalled her girl's record at 1.70/5'7, (she jumped 1.71 indoors).

Yurukova, who was third behind Toth and Winslow at the Pre-Olympics with 4735 points, set her new national record in spite of a poor shot put performance and running the 200m into a 2.5m wind. Veteran Varbanova was second, but much hope is placed in third medal winner, 19 year old Nedyalka Angelova who tallied 4385. Angelova is 5'7 and 148 pounds.

RESULTS: 100/200, Monka Bobcheva 11.9/25.0; 400, Stefka Gyonina 57.4, (Has been out of competition for two years and has become a mother during that time); 800M, Snezhana Zhalova 11.3; HJ, 1-Blagoeva 1.79/5'10½, 2-Lazova 1.70/5'7, 3-Kosharevska 1.67/5'5½; LJ, N. Angelova 5.95/19'6¼; SP, Kristova 16.29/53'5½, 2-Chorbova 15.64/51'3¼; Pentathlon, 1-Yurukova 4781 (10.8-12.33/40'5½-1.61/5'3½-5.98/19'7½-25.5), 2-Varbanova 4434, 3-Angelova 4385.

REPORT FROM HOLLAND by N. L. Lemmens

Anneke de Bruin-van Dijk, 27 year old discus thrower, has already broken the Dutch record three times this season. The old record, set only last year by Jet van der Giessen, and van Dijk, was 49.94/163'10, and van Dijk broke that mark on April 15 with a toss of 51.04/167'5, came back on April 27th to improve the mark to 170'1 and finally improved to 52.50/172'3 at Amstredam on May 12. At this same meet, vd Giessen also improved her 1967 performance with a throw of 50.06/164'3.

Other good marks at Amsterdam included an 11.6 and 24.5 wind aided sprint marks by Truus Hennipman-Cruiming and a 55.2 400m run by Lia Louer-Hinten.

Maria Gommer, the world record holder at 1500 meters, had two good early season performances. On April 4 at Sittard she ran the 800m in 2:07.0, and May 5 at Bergen ran a 400 in 56.8.

A new discovery came to light on April 28 at Utrecht when 13 year old (24-12-54) Mieke van Doorn high jumped 1.58/5'2¼.

Australian Olympic Team Announced

Melbourne, Australia:-Eight women track athletes were named to represent Australia at the Olympic Games in Mexico. Athletes selected were: Di Burge (100, 200, relay); Joyce Bennett (440, relay); Jennifer Lamy (200, relay); Raelene Boyle, 16, (100, 200, relay); Sandra Brown (400); Pam Kilborn (800M, 100); Maureen Caird (800M); and Jean Roberts (DT).

The team had to be restricted for financial reasons which meant leaving off some outstanding performers including Carolyn Wright (HJ, 5'8), Anna Bocson (JT, 165'0) and Lenore Liscombe (LJ, 20'7½).

Raelene Boyle, at sixteen, is the youngest athlete to ever represent Australia in the Olympic Games.

REPORT FROM AUSTRIA by Erich Kamper

Eva Egger (23), Austria's record holder in the javelin, is already in good form and has an excellent chance to reach the Olympic qualifying mark of 53.50/175'6 for the Mexico Games. Eva, who was injured during most of the 1967 season, began the 1968 competition with a 53.09/174'2 throw in Vienna on April 27, and was a surprise winner in Heidelberg (Germany) on May 4 with a throw of 52.22/171'4 which was good enough to defeat the well-known German thrower Almut Brommel who threw 51.38/168'6. Also in the competition was veteran Austrian javelinist Erika Strasser (34) who had a toss of 50.40/165'4. Strasser threw 51.15/167'9 on April 28 at Linz.

The well-known Austrian high jumper Ilona Gusenbauer, already qualified for the Mexico trip, gave birth to a child on March 22, but has firm hope to be in good form again in August and September.

REPORT FROM SOUTH AFRICA by Gert Le Roux

Theresa van Hensburg, 23 year old schoolteacher from Bloemfontein, was the outstanding competitor at the South African athletic championships held at the Wanderers cricket stadium, Johannesburg, on April 13 and 14. She won the 100m in 11.6 and the 200m in 24.1s.

The meet was shifted a few weeks before the championships from a cinder track to the bigger cricket stadium in order to accommodate more spectators. Unfortunately, many stars were injured, while heavy rain on the Friday, Saturday night and Sunday made the grass track very heavy and slow. This made for a disappointing meeting all around.

Miss van Hensburg proved to be in a class of her own with some brilliant sprinting. Her times of 11.6 and 24.1 were two excellent performances under the conditions. She is an attractive, long-striding girl who is now coming into her own after six and more years of regular competition.

The young star, Pauline Craven, did not run in the sprints but only attempted the long jump although battling a foot injury. In the qualifying heats she qualified with one good jump, but in the final she failed to register a single jump. Lottis Schmidt won the title with a distance of 20'1¼/6.13 while veteran Eugene Brasler finished second with a career best effort of 19'11/6.07. She also took the 800M for the 8th time, clocking 11.3s.

Having to contend with a bad run-up Susan de Plessis won the high jump with 5'7¼/1.72 while the altitude helped to beat young Thea Kitshoff in the 800m. Beatrice Marais won in 2:15.5 from Kitshoff who clocked 2:16.4s.

However, two weeks later, in the first South African "Champion of Champions" meeting at Potchefstroom on April 27, Marais repeated her victory clocking 2:12.6 against Kitshoff at 2:13.7s. Both girls were selected to visit Europe in July.

Annatjie Boths excelled at this meeting winning the 200m in 23.9 from Theresa van Rensburg (24.0) and later the 400m in 54.8s. Van Rensburg took the 100m in 11.6s.

In the long jump, Lottie Schmidt defeated Pauline Craven by one-quarter inch soaring 20'3 against 20'2¼. Eugene Brasler, after winning the hurdles in 11.1, jumped 19'10½.

The competition in the discus throw and the javelin was also the best seen in South Africa. The 18 year old Marie Viljoen (152'6) and Sandra Joubert (150'0) both achieved career bests in the discus with record-holder Letitia Malan in between the two with a throw of 152'2. Laetitia Grove took the javelin (156'11) from Teresa Louw (154'6) whose distance was also her best-ever.

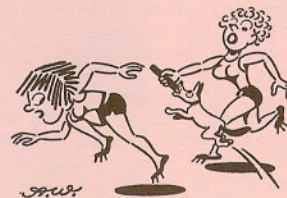

The South African 4x100m team established a new SA record of 45.9 at the meeting in Potchefstroom.

The South African team to tour Europe will compete at an International meeting at Salisbury, Rhodesia, on May 11.

Fiji Javelin Record

Salote set a new Fiji javelin record during the meet with visiting Tahiti with a throw of 127'7/38.90.

PAVEL VITOUS

EUROPEAN REPORT from Jan Popper and Ilya M. Lokshin

After a thorough examination, we have decided to turn our last year's column into a more specialized European summary. European contributors of WFFW are invited to cooperate with the authors. We especially request reports from those of you who are from areas where news about women's track and field is rarely put into the newspapers. Write to Jan Popper, Prague 10, Prubezna 1762.

Many European stars step into the Olympic Season on a remarkably high level. Not only in the throws, where this quick start is a sort of tradition, but also in other events. Only the sprints are under par right now. Nadyezhda Chizhova's shot put mark was the biggest achievement, but look at the others.....(Marks achieved to 13 May):

100 METERS

Renate Heldt, GDR's champion, was credited with the first outdoor 11.6 on May 11, but lost the next day to Karin Balzer in 12.2 against a very strong wind.....Sylvianne Telliez, Tamara Borchikova, Yugoslavia's pentathlon hope Marjana Lubej and a new East German prospect, Christa Tschorn, achieved 11.7s. (Late: Hennipman, Holland, 11.6).

200 METERS

Karin Balzer starts with the furlong instead of hurdles, and was very satisfied with 24.2h and 24.3f on April 21....Young Hungarian dasher Gyorgy Balogh ran 24.1.....Indoor Games sprint Queen Telliez began the season with 23.9w. (Late: Samotessova, USSR, 23.9).

400 METERS

With Monique Noirot rather slow at the moment (200m trials of 25.2 and 25.6), and Karin Wallgren deep in training, (she starts her work as a secretary at 1 P.M. and has time to train twice a day), nothing significant has happened yet....Noirot's shadow, Collette Besson, has a 55.0 mark and Rumania's Doina Badescu a 55.3 personal best. (Late: Louer, Holland, 55.2).

800 METERS

Vera Nikolic is spending most of her training time in Germany....On the track, Maryvonne Dupureur of Tokyo fame was almost all alone in her hard trial on May 12, in 2:08.9....Svyetlana Moshchenok won the Soviet junior meet at Sochi in 2:09.7....Maria Gommers started with 2:07.0 and Ileana Silai with 2:07.1....Karin Burneleit's indoor best of 2:06.2 is still the tops in Europe at this stage.....Former Italian sprint-ace Donata Govoni made two serious attempts in this new region and returned 2:11.4 and 2:10.0s. (Late: Nikolic, Yugoslavia, 2:04.8...Wieck, GDR, 2:06.1s).

1500 METERS

Paola Pigni, Italy's brightest Olympic prospect, wrote another interesting chapter of the young history of this event with her courageous solo-effort at Milan, April 25. She passed 1000m in 2:55.5 and finished with the first National record of 1968 in 4:21.5....18 year old Nina Rozova won a couple of races with a best time of 4:34.2....Two interesting XC notes: Berit Berthelsen won the Norwegian title with 3:01 on an estimated 1000m course- against established half-miler Krohg-Sorensen...and Nina Otkalyenko, the Queen of the fifties, was a notable third in a veteran's race over the same distance during the Pravda-cross in Moscow.

80 METER HURDLES

An interesting race took place at Berlin, May 12: Against a very strong wind Balzer (11.2) defeated Bufanu (11.4), Hofer (11.5) and Zarubina (11.7), all important members of the "New-Faces-Club)....Galina Zarubina leads the list with 10.8, Bufanu's best up-to-date is 10.9....We are informed that most 100 meters hurdle races in the USSR will be run over the 2'9 hurdles this coming season - but not all!....

HIGH JUMP

The new trend in this event, a Mass attack on the region between 5'9 and 6'0, continues. Rita Schmidt, thoroughly prepared by Gunter Lein, made her first step on May 11 at the well-known Leipzig Stadium. She mastered 1.80/5'10", but the big news was Karin Schulze's second place personal best - 1.77/5'9".....On the same day, deep in the south, Bulgarian Yordanka Blagoyeva shattered her outdoor record of 1.70/5'7 and her indoor best of 1.76/5'9" with a leap over 1.79/5'10"....Young Nina Bryntseva mastered 1.78 at Baku, March 17, and followed with two 1.74/5'8" jumps in the next weeks....Maria Faithova, now completely recovered from injuries, started with a new Czechoslovakian record of 1.78/5'10" at Bratislava, May 7, and failed very closely at 1.80, while her arch-rival Jaroslava Valentova had an excellent five day

series of jumps which included two marks over 1.75/5'8" and one over 1.76/5'9"....Virginia Bonci, (born January 5, 1949, 5'9 tall and 137 pounds), added another centimeter to her Madrid achievement with a leap of 1.77/5'9" on April 27 and is consistent in the 5'7 region. Her coach is not Ion Soter, but C. Dumitrescu....19 year old Renate Schulze bettered her personal best with 1.75, Ghislaine Barnay of Martinique and France, (she studies in Paris at the famous INS sports school) was over 1.73 for a new French record and 20 year old V. Grushkina is the best Leningrad high jumper in history with a mark of 1.74....On the other side, Yugoslavia's Snezhana Hrepevnik is injured and has only one 1.50/5'0 mark to her credit up to now. The 1968 list, (including indoor marks):

LONG JUMP

Few new innovations of the indoor hierarchy have been registered up to now. Viscopoleanu started steady, and the young Swiss blond Meta Antenen is unusually sharp with 6.21/20'4" on May 5....The 1968 list:

1. Berit Berthelsen (Nor)	6.43i	21' 1 1/4	Mar 9

SHOT PUT

With a mighty toss of 18.67/61'3 during an "olympic Hopes" Meet at Sochi, April 28, Nadyezhda Chizhova became the reigning Queen of this event. Chizhova had another good effort at 18.32/60'1 1/4, and then came close to the 19 meter mark (62'4) but stepped over the board. "On this day I was in fine condition", says Nadya later, "the shot felt very light, and I had no difficulty throwing over 17 meters (55'9) from the stand before the competition." Her coach, Viktor Iliyeh Alekseyev, a very good javelinist in the late forties and famed tutor of Galina Zabina, both Press sisters and dozens of other world class athletes, has now worked with Chizhova for five years. Alekseyev said, "She is very concentrated now physically as well as mentally. She had an interesting winter background of conditioning: we lessened the weight training and gave more time for technique to mobilize all important muscle groups for the put". Alekseyev is certain Nadyezhda will be over the 19 meter mark during this season....Marlene Fuchs bettered her West German record with 16.88/55'4" at Leverkusen....The East German trio of Gummel-Boylange has not yet begun to compete, but the fourth-stringer, Inge Friedrich, hit 16.41/53'10....The 1968 list:

1. Nadyezhda Chizhova (SU)	18.67	61' 3	Apr 28
2. Margit Gummel (GDR)	17.62i	57' 9"	Mar 10
3. Maritta Lange (GDR)	17.21i	56' 5 1/2	Feb 18
4. Judit Bogner (Hun)	17.11i	56' 1 1/2	Feb 29

7. Inge Friedrich (GDR)	16.41	53'10	May 12
8. Galina Zybina (SU)	16.39i	53' 9"	Feb 9
9. Irina Solontsova (SU)	16.21i	53' 2 1/2	Feb 20
10. Liesel Westermann (GFR)	15.94i	52' 3 1/2	Mar 2

DISCUS THROW

Liesel Westermann, WFFW's Athlete of the Year for 1967, made a trip to Mexico City on behalf of sports donations of the Ministry of Internal Affairs of her country. She had a trial competition of 57.75/189'5, she won the International meet with 57.27/187'10, (or, according to another source, 57.69/189'3), on April 21. Fourteen days later she threw an impressive 59.76/196'1 on May 1 at Opladen, and barely missed her own world record with an eye-opening 61.03/200'3, history's second farthest throw on her home ground at Lever-

PENTATHLON

Heidemarie Rosendahl, daughter of a former well-known German discus thrower, comes back to the pentathlon area with a blistering performance at Leverkusen, where world record decathlete Kurt Bendlin lives. She amassed 4918 points on May 11/12 with 11.0-13.42/44'0"-1.59/5'2 5/8-6.28/20'7"-24.9. Ingrid Becker's road to Mexico will not be too easy!..... Snezhana Yurukova, perhaps the most thoroughly prepared pentathlete in Europe, bettered her Bulgarian record with 4781 points on the same dates....Another prospect, Annamaria Toth, World ranking leader of 1967, indicated she is preparing well with 11.4 hurdles and 55.8 400m during a club meet.

PIGNI WINS INTERNATIONAL XC TITLE from Pete Pozzoli

La Courneuve, France, March 31:-The 28th running of "L'Humanite" Women's International Cross Country Race established Italy's Paola Pigni as the World's Number 1 cross country runner this year.

Without detracting from the fine performance of America's Doris Brown while winning at Blackburn, one should not forget Brown was the odds-on favourite for individual honors and the US girls were an all-star combo meeting the weakest English team in memory.

La Bella Paola, on the other hand, ran without benefit of team backing and was opposed by the powerful East Europe teams including the cream of the Soviet women who had won this Grand Prix event on every occasion they appeared since the early 30's.

L'Humanite's International is the world's premier cross-country race, (past winners include such immortals as Nina Otkalenko with 6 wins, Anna Zaitseva, 4 wins, and Yevdokiya Vassilyeva, 2 wins). What a pity the American girls take the British race limited to girls from the UK Isles rather than this French race which sees the appearance each year of the aces and champions from the European national title races!

RESULTS: 1-Paola Pigni (Italy) 6:22.7; 2-Lyudmila Braghina (SU) 6:23.1; 3-Alla Krivoshchekova-Kolesnikov (SU) 6:25.5 4-Emilia Ovadkova (USSR) 6:26.3; 5-Alla Yeremina (SU) 6:27.8; 6-Tamara Soluyanova-Babintseva (SU) 6:30.0. Team Champion, USSR with 16 points.

Maria Vittoria Trio, (or, as Dick Bank says "My Favorite Group"), has started the Olympic year with a series of new personal bests. The young (21) Italian already has a victory over Kirszenstein in the long jump with a wind aided 21'7, has run a 23.9 200 meters and an 11.6 80mH. Since she is capable of well over 5'0 in the high jump, do you suppose she might be thinking of the pentathlon for Mexico?

LATE NEWS

Kiev, USSR, May 3-4: DT, Jelkina 52.96/173'9; JT, Ewert 54.18/177'9; Pentathlon, Braganzeva 4421.

Marsille, France, May 12: 100/200, Telliez 11.7/23.9; 4x100m, National Team (Alayrangues-Meyer-Montandon-Telliez) 46.2; SP, Cuvellier 14.69/48'2".

Women's Track & Field has really changed over the years. And one of the evident changes for the better is seen in these two pictures from the Dutch magazine "de Atletiekwereld" which shows the 1932 Dutch 4x100 relay team at the Olympics in Los Angeles, and a 1968 comely Club posing for their team picture. To which we say, "Viva la progress!"

LOIS DRINKWATER AND NANCY BENSON by Norman Mullen

From Phoenix to Australia two Arizona girls dash to new records and possible berths on the 1968 US Olympic Team. Lois Drinkwater and Nancy Benson, two attractive 16 year old tracksters, have rewritten Arizona State girl's track records while smashing previous national girls 400 and 200 meter records.

Lois captured the 1967 girls national 440 yard dash in the record time of 54.7, and Nancy seized the girls national 220 yard dash in a 24.4 clocking.

In addition to these outstanding individual accomplishments, Lois and Nancy anchor the girls national record-holding 880 relay team with a time of 1:39.2. Other relay team members include Jan Glotzer and Darlene Green.

One (WTFW) writer observed, "the girls relay team doesn't have the speed of other teams, but their hand-off is flawless, and they have the desire".

Continuous training and personal sacrifice of most teenage social activities is the basis of these charming girls success - the real payoff comes in competition. Both Nancy and Lois have competed nationally and internationally. Lois' list of credits include: first Arizona girl to make US Track Team, competed in the British Commonwealth vs USA Meet of 1967, best 400 meter time for 16 year old in the US (53.5), and member of Girls All American Team for 440 yard dash in 1967. Nancy, not to be outdone, was a member of the Girls All American Team for the 220 in 1967, 8th in National pentathlon, and represented the US in recent competition in Australia.

Presently running with the Phoenix Track Club, Lois and Nancy train seven days a week under the guidance of coach Fred Moore. Coach Moore currently has Lois working on a 36 month training schedule. Lois became interested in track three years ago, and in that short period of time she has come from nowhere in a local track meet to challenge for a berth on the 1968 Olympic Team. Nancy, currently back from Australia where she received the "most outstanding female award", is beginning her fifth year of track.

Following a rigid training schedule which consists of running from 5-10 miles per day, workouts seven days a week including holidays, special diets, rest, controlled weight training, and the psychological involvement with the sport means very little time for social activities most teenagers take for granted.

A chance to represent their country, compete against the world's best athletes, and self-fulfillment compose just part of the motivating force behind America's amazing young athletes. Lois and Nancy are no exception to this younger generation of record-breaking athletes.

"Lois", according to coach Moore, "is the most highly motivated member of the squad and is definitely Olympic calibre." Not only is she highly motivated but also an extreme perfectionist in training and competition. Coach Moore says, "When everything is right, Lois is out to improve". Likewise, Nancy is a most diligent perfectionist working many days until after sundown perfecting her form and routine.

As with most sports, track is largely psychological and in this respect coach Moore estimates most training problems arise. But with total parent backing and the extremely high morale of the track club, coach Moore encounters few training problems. "In fact", coach Moore admitted, "I've learned more about coaching women's track from Lois than any other source".

Compiling envious individual and team track records, Lois and Nancy are also top high school students. Lois, an "A" student taking primarily advanced classes, is just as competitive in the classroom as on the track; likewise, Nancy is an above average student. Coach Moore asserted, "In 10 years of teaching, these girls are the finest students of some four thousand student contacts in the classroom and on the track".

Track is not only a sport but a total life experience for these girls. When asked about her track experience, Lois said, "I have learned and experienced such a great deal. If I were to take the most important aspects of track for me it would be that I am struggling to fulfill a goal, a goal that is difficult, but very worthwhile, and that is to represent my country by competing in her name." Nancy responded with, "I'd be missing something if I wasn't running. I think it has taught me to dedicate myself and to sacrifice to achieve. It is also an opportunity to meet many people and exchange ideas".

With this philosophy Lois and Nancy are well on their way to represent the USA in the 1968 Olympics.

LETTERS

Archie Owens, Baltimore

"Bob Seaman's article in the May issue of WITW concerning the International Cross Country Meet was most interesting, and it brought to mind some stark realizations. Perhaps the coaches in the Eastern US would do well to take a long and searching look at the composition of that team which represented the country in England. It is significant, at least to me, that this team was a "Western" team! With all the self-imposed "back slapping" that is done in this area, it is inconceivable that not one Eastern girl was able to qualify for the "trip team". It is furthermore my personal opinion that the track people in this area automatically look toward the Atoms TC to "carry the cause" of the East. I would submit that, if true, this is a poor attitude, to say the least. Fred Thompson is, in my opinion, perhaps one of the best coaches of women's track anywhere in the world today! He has done a fantastic job with his club, and serves as far more than "just a coach". Fred is an inspiration to his team and to many other people in the Brooklyn area. BUT, he is not able to shoulder the burden of Eastern track alone!

Is it not odd that the first 32 finishers in the Senior National Cross Country meet were from the mid or far West?.. ..And that the first Eastern girl to finish was an ATOM? If these facts don't tell you Eastern coaches something, then you are blind! The superiority of Western track is a fact.. .. it exists as a fact, and the old jazz about climate, etc., won't hold up any longer.

Another example of what can be done in the East is the New Jersey Metro TC of East Orange. Although composed of sprinters primarily, Joe Ray's club finished ninth at Albuquerque! BUT, the kids had worked very hard and had lost ONLY to the Atoms in Eastern competition!

So the job of upgrading Eastern track and long distance running can be accomplished, BUT the process by which this will be done is called "COACHING", remember: C-O-A-C-H-I-N-G! NOT Politics!

Jim Santos, Chicago Heights, Illinois

Thought I would drop you a short note to inform you of Gail Boyd's progress in the 80m hurdles. As you may recall, I helped Gail when she ran for the Oregon Girl's Track Club, which has since disbanded.

Gail has run times of 11.4 and 11.3 in her last two outings in the 80mH, and she has since informed me that she is running better now than she has in the past.

On our local scene here in Chicago Heights, I am again going to try to build up another girl's track team, but it will be quite some time before I have another group such as the one I had when I was in Lebanon, Oregon. We have on our schedule, seven girl's and women's track meets here at Bloom this summer, and then plan to take a group to Colordao for the Nationals.

Charlie Durham, Knoxville, Tennessee

I want to assure that our Miss Terry Hull gets listed on your 880 run. She had a 2:15.2 at the Quantico Relays. This was her first-ever 880. She is basically a quartermiler and has officially run 55.9 in the Dogwood Relays beating Beth Hudson who was the winner at the Penn Relays. Terry is an upcoming star and we expect her to be one of the nation's best. She is capable of 54.0 this year and is certainly an Olympic prospect.

Gert Le Roux, South Africa

The news about the Olympics was a terrible disappointment to all our athletes, but they are taking it as if they knew it would turn out that way all along.

A tour has been arranged for a team to visit Europe in June and July.

I must also say goodbye to a trip to Mexico and meeting all you chaps.

JAWORSKA 1967

Warsaw, Poland, May 26: Daniela Jaworska, ranked number one in the world for 1967, came up with the best javelin toss of the 1968 season when she threw 59.92/196'7 in a track meet at Poznan, Western Poland.

Margaret MacLeod, Palos Park, Illinois

I was very pleased to read the article on "Our Unwanted Athletes" in the April issue. I certainly do say AMEN to the issues taken. It is unfortunate that inter-school athletics for girls and women have been left out of the educational scene for so long.

It seems that some of these "Turned Backs" are beginning to turn around and take a good look at competitive athletics for girls and women.

I would just like to take issue on two things mentioned in Karen McFadden's article. Number one is that she suggested that competitive athletics offered experience in "the ability to push one's self beyond the body limit". I think this may mean to some people that it is possible for a girl to be in too STRENUOUS an activity and thus the old argument all over again. Actually, men and women alike will reach their psychological limit in any activity long before they reach a harmful physiological limit.

Point number two is that she included Olga Connolly in her comparison of athletes in connection with the United States when in fact Mrs. Connolly was not raised in the US, and received her training in another country. I certainly agree on the age issue. The female athlete just has to wait until she is old enough to look for her own competitions to enter and provide ways of getting there. Age Group T&F is helping this considerably.

In closing, let me say that I enjoy each issue of your magazine. It's good to see the interest developing.

Saskatoon Indoor Championships

Saskatoon, Canada, April 26/27:-The Saskatoon Indoor Season ended here today with the largest meet in the history of the province - more than 1000 athletes took part.

Some of the highlights: a 4'9 mark in the high jump by 12 year old Joanne Jones; marks of 5'3 (HJ), 17'2½ (LJ) and 38'6½ (SP) by Joanne's 17 year old sister, Dianne; Jan Herringer of the Regina Lions Club broke the Midget, Juvenile and Junior Canadian records with a 41.7 clocking for 300 meters - and only one-tenth off Una Morris' track record - Jan is 15 years old; 15 year old identical twins, Gail and Grace Houlden of the Winnipeg Flying "M" provided a one-two punch in the 880 with Gail winning the Midget event in 2:25.1 while Grace moved up to win the Juvenile title and miss the National record by just 0.5 with a 2:21.9 win.

The times around the track are even more impressive when one considers that the track is 12.88 laps to the mile. The sprints (75y) are run around a turn and no starting blocks are used.

PACIFIC ASSOCIATION CHAMPIONSHIPS

Hayward, California, June 1: The Millbrae Lions, led by Barbara Pickel, Lille Foster and their assorted weight throwers had little trouble winning the PA Championships with 46 points. Orinda TC was second with 26 points.

Kathy Hammond, with a 24.0 200 and 54.2 400m was the individual star of the meet. Joan Pirie (Orinda TC) had her lifetime best in placing second in the 400m with a fine 54.9s. Deanne Kurth, taking up where injured teammate Cherrie Sherrard left off, won both hurdles in 11.5 and 29.0s. Lille Foster set a new PA record in winning the 800m in 2:12.3, a personal best. Judy Toeneboehn of the Ozark TC was a double winner in the 100m (12.1) and long jump (17'10"), while PA pentathlon champion Jayne Frederick scored an upset win over Internationalist Franzetta Parham in the high jump with a personal best of 5'3/1.60.

Place winners qualified for the California State Championships at San Bernardino on June 23.

ROSE BOWL MEET????

Los Angeles, California, June 2:-Despite some unusual problems, ten events were held as a part of the annual "Rose Bowl" Invitational - the events being conducted at Occidental College, site of the final US Olympic Trials in August. Not mentioning the problems of events selection and selected contestants who performed in the "main arena", the Rose Bowl itself, other problems presented themselves at the College. The high jumpers were informed they could use the poor standards - and poor was right as the standards had no "pins" and the official was forced to insert foam rubber into the standard to add to the height. Two men's events were run prior to the women's events, (the 440y hurdles and steeplechase since the Rose Bowl track is only 386 yards and these events can not be run there), and as soon as the men's two events were finished, the starting blocks were taken away and a "second set" of seven blocks, (for 8 lanes) was brought out for the girls to use - one of which did not have a T-nail and, of course, could not be used. In addition, the track was so soft at the start it was not possible to have the blocks secure.

In spite of these things, several good performances were turned in and the meet, conducted without the "Computer" was a very pleasant, relaxed affair although the high jumpers had to stop jumping when they couldn't adjust the bar any longer. And this is where the Olympic Trials will be held?????

KALEIDOSCOPE

Sara Beckord, the Iowa phenom, hopes to make the Olympic Team in the 800m and plans to run 2:05 by time of the trials.The Third South Pacific Games will be held in Port Moresby in August 1969.....More than 140 schools in Oregon have girl's track teams and a total of 256 athletes from 74 high schools qualified to compete in their State Championships... ..Brenda Barzey, 21, Trinidad's leading hurdler, has been awarded a four year athletic scholarship to Tennessee State University.....Sue Wood read about triple jumping in WTFW, tried it and recorded 22'10%.....

Here's strange news: Everyone who high jumped at Tower Hill High School, Wilmington, Delaware, prior to the 1968 season, can add one-half inch to their performance. It seems a survey showed the takeoff spot had worn down from ½-¾ of an inch.....Contrary to previous reports, Natalie Rocha has not retired from track. However, her back has been so bothersome it has been decided to take a complete rest until July. Natalie plans to be back on the cross country courses this fall.....Kathy Hammond is now running unattached and is no longer with the Will's Spiketees.....Kay Bruce, 15, long jumped 18'6½ on April 16.

The Laurel Track Club really has that "All for one and one for all" spirit. In addition to Cherrrie Sherrard, who has been taken out of competition by injury, Irene Obera, Bonnie Albrecht and Leslie Clark have all been laid up. And to top it all, so has Coach Roxy Anderson.....The Olympic Development Meet and Clinic for the South will be held on July 20 at Nashville, Tennessee. Trials start at 4:00 and finals at 7:30. Contact Ed Temple for more information.....

Judy Dallimore is now training with the Toronto TigerettesThe qualifying standards for participation in the Olympic Games Trials will be tougher in Canada than in the US... ..The first recorded Women's Walk in Ontario, Canada, was staged by the Upland Harriers on April 20th, and attracted seven competitors - winner was Jean Bocci, Wolverine Parkettes, Detroit.....

National Chairman Nell Jackson has a new book, "Teaching Track and Field For Girls and Women", just published by Burgess Publishing Company at \$3.50. (How's about an ad?)... Cathy Catlin, former girls 880 champion and record holder, will be married on September 20 to David Boice, New York...

EXCELLENT BRITISH RESULTS

Mary Peters, Great Britain, moved into 6th place on the 1968 World List with a pentathlon score of 4683 at Solihull on May 25th. Not only was this Peters best pentathlon since the Tokyo Olympics, but it was performed in a non-stop, driving rain. Her marks which were made under very trying conditions were: 11.2-48'0¼-5'1¾-18'5-26.1).

Mary was fourth in the pentathlon at Tokyo with 4797 points but was forced to give up the five-eventer soon after the Games due to injuries. Only at the end of the 1967 campaign did it look possible to once again take part in this all-

around contest. In the meantime, she had returned to her first strong event, the shot put. Her return to form only adds more stature to the pentathlon in the coming Olympics.

Second in the competition was hurdler Pat Jones with 4245 points including an 11.1 80mH. Young Sue Scott was a close third with 4201 points.

Two other good marks were recorded by English athletes last week: Maureen Tranter ran a 23.7 220y and Sheila (Parkin) Sherwood long jumped 20'8/6.30.
