VANCOUVER RELAYS

Vancouver, Canada, May 2:-Fine performances were recorded in practically every event at the 22nd Annual Vancouver Relays held today in warm, sunny weather. Athletes from the Angel TC and the Falcon TC added an international spice to the program and Angel hurdler Pat Johnson had a busy day with a heat, semi final and final in the 100m sprint, two 100m hurdle races, a flight of 200m hurdles and a leg on the 4x200 meter relay.

RECORDS FALL AT MT. SAC RELAYS

Walnut, California, April 25/26:-Records - American, Meet and National Age - fell here in the beautiful San Jose Hills as meet director Jim Allen gathered together some of the finest of the US and Canadian athletes for the Annual Mt. San Antonio Relays.

Six invitational events spiced the first day of competition as 7000 sun-drenched spectators watched. Chi Cheng did the most damage to the record books with two new American All Comers records for the 100m hurdles and the 220 yard dash. On the second day, devoted to a full age group and women's program, Doris Brown got into the act with a new American mark over the new 3000 meter distance and young Teri Sabol once again upped her discus mark for 12/13 year olds to 115'6". Still another high spot was 12 year old Debbie Johnson's fine 5:08.8 mile and Debbie Heald's 4:55.8 mile in the women's division.

Saturday's hurdle race brought together the finest field possible to assemble in the United States with Mamie Rallins, Pat (Van Wolvelaere) Johnson, Deanne Carlson, Pat Donnelly, Dianne Spangler, Una Morris and Alberta Martin facing the starter's gun. The race was a good one with Chi getting off well, Mamie closing in the middle of the run and Chi pulling away over the final three hurdles to win in 13.3 to Mamie's 13.4 and Johnson's 13.9s. The same field lined up again for the first event of the Sunday's program, but this time it was no contest as Chi again started fast and kept right on going to win by a huge margin in 13.5 as Pat Johnson nipped Mamie for second in 14.1 to 14.2s.

The invitational 220 saw Chi again off to a blazing start and win easily in 23.2 to break the American mark of 23.4 set by Edith McGuire in 1964. Young Mavis Laing of Phoenix TC was a good second in 23.7 with Williamae Ferguson edging Kathy Hammond in a surprise for third as these two plus Una Morris and Nancy Benson all clocked 24.2s.

The invitational 880 brought together a fine field with Brown meeting the 1970 US Indoor champion Francie (Kraker) Johnson; fast-improving Terry Hull and Canada's Thelma Fynn. Hull set the pace for the first lap, at one time leading by ten yards, but Brown put in a sizzling third 220 to take the lead and then poured it on down the home straight for a 2:08 victory.

The "Open" 880 brought together a parcel of excellent young half milers with most eyes on the duel between Long Beach's Patty Cape and La Mirada's Karen Hurlocker. While eyes were glued to these two, Lyle Knudsen's Barbara Lawson of the Colorado Pacers was building up a huge lead - and no one caught her as she won in 2:14.5 to Cape's 2:14.8 with Hurlocker just one second behind. In the 12/13 events on Saturday, La Jolla's Bobbette Krug won the 50y hurdles in 7.0 and Carol Burkland the 100 in 11.1s.

RESULTS: Saturday, April 25: 100mH, 1-Chi Cheng (LATC) 13.3 (American All Comers record), 2-Mamie Rallins (MDYF) 13.4 (Equals American record), 3-Pat Johnson (Angels TC) 13.9, 4-Deanne (Kurth) Carlson (Laurel TC) 14.2, 5-Dianne Spangler (Crescenta-Canada Spikettes) 14.4, 5-Donnelly (Mickey's Missiles) nt, 6-Morris (LATC) nt, 7-Alberta Martin (LATC) nt. Wind 1.8mph/0.7mps; JT, 1-Pam Livingston (San Diego Lancerettes) 160'2, 2-Carol Martin (Canada) 151'6, 3-Roberta Brown (SDL) 151'3, 4-Monette Driscoll (LBTC) 145'6, 5-Barbara Pickel (Millbrae Lions) 143'8; 220y, 1-Chi Cheng (LATC) 23.2 (American All Comers Record) 2-Mavis Laing (Phoenix TC) 23.7, 3-Williamae Ferguson (West Coast Jets) 24.2, 4-Kathy Hammond (Un) 24.2, 5-Una Morris (LATC) 24.2, 6-Nancy Benson (Phoenix Flyers) 24.2; 880y (Open), 1-Barbara Lawson (Colorado Pacers) 2:14.5,

REEL TALK

We apologize for the delay in getting this May issue to you. Unfortunately the "College Strike" closed our print shop just as everything was ready for "shooting" which delayed the procedure for five days. We waited an extra two days after that to get in results from the weekend of May 9-10. The June issue of WTFW will be mailed on June 5 and the July issue, the pre-write of the National Championships, will be off the press on June 26 ready to be picked up at the Championships site in Los Angeles or mailed to you on that date.

Plans are coming along for the 1970 National Girl's and Women's Outdoor Track and Field Championships. Committees are and have been hard at work. Entry blanks will be mailed on or about May 15/18. If you are fearful you may be missed in the mailing, send your request to Vince Reel, Meet Director, care of this magazine. Entry blanks for the 12/13 Invitational to be staged at the same site on July 2 will be included in the packet sent to all clubs. Here again if you are afraid of being missed, send your name to the address above.

The facility at UCLA has to be the best in the USA. And the housing matches the field - the best. Only 200 yards from the dorm to the stadium. Reservations for housing, (all information will be included in your packet) must be made by June 12. Send to Thomas J. Wanket, UCLA - Rieber Residence Hall, 310 De Neva Drive, Los Angeles, California, 90024. The phone is (213) 825-5305. Cost will be \$8.50 per day (two to a room) including three meals. If you wish a single, the cost is \$10.50 per day, including the three meals. Meal hours have been set to match the requirements of the competition.

Girl's Championships will start on Tuesday, June 30 with morning and late afternoon sessions. The Girl's finals will be on Wednesday, July 1 at twilight. On Thursday, July 2, the Invitational 12/13 competition will be held with Calvin Brown as Meet Director. The Women take over with morning and twilight sessions on Friday, July 3, and the finals will be Saturday, July 4, starting at 1:30 with TV coverage. And there will NOT be any men's exhibition events this year!

A unique ticket selling program was instigated by Don De Noon - tickets sell for \$1 per session, the lowest price in many years, seats not reserved and all tickets good for the drawing for color tv, portable tv, stereo sets, etc. Plans are to sell 40,000 tickets - and if they all save their ticket until the women's finals the 12000 seat stadium will really be jumping.

More on the Nationals next issue.

More about Maria Stearn Case

More fuel has been added to the fire concerning the "Strange Case of Maria Stearn" or "Who gets to run in the Seeded Section". Now we come up with the information that Francie Kraker Johnson, who ended up winning the indoor 880 title, actually wanted to compete in the mile at Madison Square Garden but was denied entry because she "had not run an indoor mile under 5:20" during the current indoor season. Which brings up the question "since Stearn had not run a mile during the indoor season, why was she even allowed to compete?" By golly, these are all pretty good questions. If a rule is a rule is a rule, then we should stick to it - or change the rule. Still no answers to all our questions from anyone in authority, but space is available for any explanations.

LETTER FROM CASEY IDE, Santa Ana, California

Talk about a track fan - Casey Ide HAS to be the biggest in the world. Here is a recent letter.

"It took me 3½ hours from my house to the stadium in Long Beach including waiting for various busses, but it was worth it to see Chi run that 440 in 54.8 - wow! I missed the last bus home - intentionally, because it left Long Beach at 6:45 - but fortunately Don Chadez showed up and brought me home. I've just got to move out of Santa Ana - there is absolutely no decent transportation anywhere. It takes over 4 hours each way from my house to UCLA - but I will be there! To get to Mt. SAC I will have to leave home at 6:15 AM, go into Los Angeles, get a bus to El Monte, change to a bus that stops there and WALK the last mile and a half. But I will be there!

This letter does have a point, so I'd better get to it. I know that you agree with me that we need to encourage our "strong" girls in America to go out for the field events and stay with it if we are ever going to give the east-Europeans any challenge at all. These youngsters need all the encouragement we can give them, and seeing their names in print is a great morale booster, of course. Twice last year you gave some nice comments in the magazine about a 12-year old from the Lakewood Spartans, Debbie Rivera. I wish you would print a picture of her - I've been trying to get Don Chadez to take one. She is one of the most attractive girls of her age I have ever seen. She was 13 in April so is still in the age 12/13 group, and although she has never thrown the javelin competitively, her coach entered her in the event at Long Beach and she took second. She is excellent in the baseball throw, and was also second in the shot put at Long Beach. Her father is a doctor and she is a very witty girl. Once when she came within 1½ inches of the national record for her age in the baseball throw, she told her father, "Just think - I missed the record by the length of an appendix!" Her mother has a very intelligent attitude toward Debbie's competition, and her parents go to the meets in a camper so they can stay over when necessary. Of course next year she will be up against the 17 year olds, and I hope she won't get discouraged. I don't think she will."

LETTER FROM MAL KLEIN, Encino, California

"I truly wish the authors of the various articles were identified so that I might properly address this card. In the April issue, "Kaleidoscope", page 19, it states "Beth Eberle set a new world age 9 record in the 880 at 2:52.0". On page 16 it gives the world age group record as 2:40.7. Don't you edit and verify information?"

Now a father's gripe! Page 18 gives outstanding 9 year olds and their accomplishments. I feel my daughter has a legitimate right to be included. Check these! Age 8 took 3rd place State XC Championships. Age 9, 5th place National XC championships. Times: 50-7.2; 100-13.9; 220-31.5; 440-70.0; 880-2:45.5; Mile 6:24.7; 660-1:55.6; LJ-12'8½. Have you anyone more versatile from sprints to distances? Including field events - HJ-3'4; BBT-96'0. Compare these with what you have listed in article."

(Wind on Invitational 220 was 1.6mph/0.6mps).

Sunday's competition was marred by a biting cold wind which came up about halfway through the program and nullified a good 20'3 long jump mark by Vicki Betts and a 23.8 furlong by Williamae Ferguson in addition to making the late events uncomfortable for the spectators and athletes alike.

Before the winds came, Chi Cheng won the 100m hurdles, (see story above), and the 100 yard dash in 10.5.

Doris Brown set a new American record over 3000 meters in 9:44.6 while Debbie Heald won the mile in 4:55.9 and 13 year old Debbie Jordan won her mile in 5:08.8s. Terri Sabol upped her 12/13 discus record to 115'6 and Canadian Debbie Brill had a bad day at the pit with a clearance of only 5'6.

CUT OUT

DEBBIE BRILL, Canada, the Western Hemisphere's only 6'0 high jumper, shows how she does her 'Brill Bend' in this Don Chadez photo series taken at the Mt. SAC Relays.

REMARKS ON INTERNATIONAL XC from 'Athletics Weekly'

"Perhaps the biggest surprise of the Women's International cross-country championship at Frederick, Maryland, last month was the failure of the Americans to do better on home ground. At Clydebank last year the USA won the team title from England, 23 points to 35; in Maryland England won 18 to 46.

"One American paper said before the race that with New Zealand having to drop out for financial reasons, the USA should have a fairly easy run, with the nearest opposition coming from England", says Rita Ridley, the English national champion who finished second to America's Doris Brown in the individual race.

"The event was held round the perimeter of a golf course", she says. "There was just one twisting lap, and it was very hilly. Even Doris told me afterwards that she was nearly walking in places.

"We were a bit worried that it might be a fast start. We'd been told that in the American championship on the same course a year ago, Doris had gone through the first half mile in 2:16 - and was three seconds down on the leader! In fact, it turned out to be quite a leisurely start. By half a mile our own Barbara Banks was leading, and she opened up a gap of four yards over Doris and myself, running together. Barbara had a really good run going, and was leading at 1/2 miles, when Doris got away from me by a yard. We passed Barbara, but she repassed me at 1 1/4 miles, and it was only in the closing stages that she fell back. I closed a bit on Doris, while Barbara was passed by Thelma Fynn - who's only 17, but was the OLDEST member of the Canadian team. They even had a 14 year old running!"

The weather, apparently, could have been English. "The Tuesday before the race was quite warm. Then on Wednesday we had four inches of snow, and the American girls, who all had short spikes, went out and bought ripple-soled shoes. One of them, from California, had never seen snow before. Then on Thursday the snow melted, the course was flooded and the Americans went out and bought long spikes. By Saturday it had dried out, and they ended up running in their original short spikes!"

After the on-off-on situation of the English girls going to Frederick at all, due to financial difficulties, they found their money problems were not over once they got there. "We stayed in a very nice motel in Frederick, but had to buy some meals ourselves. With the cost of living so high over there, sometimes we could only afford a cup of coffee and a doughnut for breakfast".

On their way back from the race, the English team stopped off sightseeing. "The area around Frederick has no less than ten Tartan tracks", says Rita. "We also went to a Naval Academy with a 220 yard indoor Tartan track which Pat Lowe had heard about, and we did some training on it".

Just before flying home from New York, they visited the Empire State Building where Rita, who missed the International last year with her wedding day, had two proposals of marriage! "On the way up the liftman (elevator man) asked me to marry him," she reveals. "Then on the way down he asked me if I'd changed my mind!"

LETTER FROM LORI SCHUTT, Champaign, Illinois

"Your "?????" reference to and comment about the "Homewood-Flossmoor Falcon Athletic Club" hereby receives response. Yes the club actually does exist under that name! It was an outgrowth of a Paek District and is composed of a number of girls from the area in and around the towns of Homewood, Illinois, and Flossmoore, Illinois - plus some girls from Champaign and Urbana, Illinois.

The Central District of the AAU has never been known for any great production of distance runners, and the H-F Club is the only club in the district that appears to be developing such. Although some 120 miles separate the H-F and C-U communities, we compete as a team."

OK, ladies, we'll accept the name "Homewood-Flossmoor Falcon Athletic Club", but for heaven's sake don't change it to the "Homewood-Flossmoor-Urbana-Champaign Falcon Athletic Club"! And how did the "Falcon" get in there?

UCLA COLLEGIATE MEET

Westwood, California, April 17:-UCLA hosted their annual Collegiate Meet with nine college teams participating. The powerful Cal Poly (Pomona) team waltzed off with the title as Olympians Una Morris and Chi Cheng tallied 65 points between them. Chi had the best mark of the day as she zipped over the now obsolete (except, naturally, with the DGWS!) 80 meter hurdles in a lifetime best of 10.3s. She also won the 100 (10.5) the 50 (5.8) and the long jump (19'10½). Her teammate Una Morris walked off with the 440 (56.8) and 220 (24.3) and ran an incredible leg on the relay plus tying for first in the high jump. The high jump turned out to be the most spectacular event of the day - it had been under way for less than 15 minutes and six competitors were over the bar at 4'6 - when the groundcrew stepped in and took away the pit. Now can't you picture the groundcrew taking the pit away when the UCLA varsity men's team is hosting eight other colleges? Other results included 2:38.3 in the 880 by Witner of San Diego State, 130'6 in the javelin by San Fernando State's Mary Perry - who also won the mile in 5:48 and a 38'6½ shot mark by UCLA's Jan Svendsen.

DOGWOOD RELAYS

Knoxville, Tennessee, April 18:-Hometown Terry Hull provided the best mark of the Annual Dogwood Relays as she ran to her lifetime best for the 880 with a 2:07.4 victory over Nancy Shafer, US Internationalist. With splits of 27.8-60.5-1:34.1, Terry poured it on over the final furling to win by 20 yards.

The Ohio Track Club's Beth Hutson strengthened her claim to the nation's most versatile athlete by winning the 440 in 57.0, finished fourth in the 880 (2:20.0) and fourth in the 100m hurdles (15.0). With their 1-2-3 finish in the 440, the Ohio team established themselves as favorites for the national title in the mile relay. The Buckeye women had marks of 57.0, 57.1 and 57.3 and even with coach Harry McKnight ankling the fourth leg their time would be pretty good!

RESULTS: 100mH, 1-Mamie Rallins (MDYF) 13.8, 2-Cheryl Rogers (MDYF) 14.3, 3-Judy Vernon (Ozark TC) 14.7, 4-Beth Hutson (Ohio TC) 15.0; Jr. Girl's 100y, Lorraine Smith 12.6; 100y, 1-Iris Davis (TSU) 10.8, 2-Matteline Render (TSU) 11.0, 3-Laurie Barr (OTC) 11.2, 4-Judy Vernon 11.3, 5-Jane Mushell (OTC) 11.3; 440, 1-Beth Hutson (OTC) 57.0, 2-Kim Koch (OTC) 57.1, 3-Laurie Barr (OTC) 57.3, 4-Lois Drinkwater (Wooster) 58.2, 5-(tie) Pat Hannah (Toledo) & Linda Hindsman (TSU) 59.0; 880yR, 1-Ohio TC 1:40.1, 2-TSU 1:40.7, 3-Toledo Roadrunners 1:45.5, 4-Ozark TC 1:47.2, 5-Kettering Striders 1:49.1; 880, 1-Terry Hull (Knoxville TC) 2:07.4, 2-Nancy Shafer (Wooster) 2:11.9, 3-Kim Koch (OTC) 2:15.9, 4-Beth Hutson (OTC) 2:20.0, 5-Donna Joiner (KTC) 2:21.8; LJ, 1-Martha Watson (TSU) 18'10¼, 2-Judy Vernon (Ozark TC) 18'4, 3-Renee Lewis (Kettering) 18'4; HJ, 1-Diane Waters (TSU) 5'2, 2-Frances Bush (TSU) 5'0, 3-Connie Peterson (Illini TC) 5'0, 4-Sue Minnich (Kettering) 5'0, 5-Liz Sharp (Illini TC) 5'0.

SOUTHEASTERN COLLEGE RELAYS

Winfield, Kansas, April 25:-Audrey (Anderson) Walker is back in competition and just might be the best thing that has happened to the high jump in the USA for 1970. The blond, long-legged gymnast, (who is best known for her high jumping at the National Championships in Santa Barbara where she had the officials remove the pit for her jumps so she could land on the ground), returned to the track wars with a nation-leading mark of 5'6 in the night meet.

LYNN GRAHAM OVER 50 FEET AT HANFORD

Hanford, California, April 25:-The Ninth Annual Hanford Lions Club Invitational, in the past noted for its delays, did an about-face for 1970 as the meet started and ended on time as well as providing several outstanding performances.

Dora Lee Roberts, who seems to perform well only in the San Joaquin Valley, did it again in the girl's division as she leaped to wins in the long jump (19'1¾) and scissored over 5'4½ for a second victory. Bakersfield's Joyce Lee romped to a new National Record in the 10/11 Division as she ran the one lap in 62.8. Francie Larriue led a close finish in the girl's mile in 5:15.0 and Millbrae's Lynn Graham was the whole show in the women's division with a toss of 50'3 in the shot and a throw of 148'11 in the discus for two sparkling wins.

Effective coaching depends on the ability to:

- 1 - Distinguish fundamentals from irrelevancies;
- 2 - Separate symptoms from causes;
- 3 - Assign priority to those aspects of the event most amenable to direct coaching attack.

NEWS FROM NATIONAL CHAIRMAN NELL JACKSON

Junior Cross Country Championships 1970

The Southern Nevada Association will not be able to conduct the Junior Cross Country Championships this fall. Bids will be accepted in Los Angeles at the Women's Championships for this meet.

Women's Pentathlon Championships

The Women's Pentathlon Championships will be held at South Lake Tahoe, June 24-25. The minimum standard for entry is 3600 points. For additional information about the meet contact Walt Little, PO Box 1210, South Lake Tahoe, Cal, 95705.

Indoor Nationals, 1971

The indoor nationals will return to New York next year. This will be a one day meet. Our standards will have to be tightened up in many events. One way of doing this is to eliminate the regional winners and require everyone to meet a standard or accept only the winner from a regional event. Think about this, so that we can discuss it at our next meeting in Los Angeles.

Reconfirmation Policy

Another item which needs serious consideration is the policy concerning reconfirmation of entries 24 hours before the beginning of a meet. The advantage of this policy is to cut down on the last minute paper work and the reshuffling of heats at the last minute. At one time, an athlete was penalized by having to withdraw from all events if she scratched after the reconfirmation date. We need to establish a policy that will help the meet run smoothly and not penalize the athlete. Think about this because it will also be discussed at our next meeting.

International Trips, 1970

May 10 - Martinique - 1 sprinter and 1 high jumper.
July 8 - Paris, France - 2 sprinters (400m and 200m)
July 15/16 - Dual meet vs West Germany
July 23/24 - Dual meet vs Soviet Union
August 5/6 - Dual meet vs Rumania
After August 7 - Extended tour

Regional Chairman

All regional championships must be held before June 22, which is the deadline for entries for the outdoor nationals.

Outdoor Championships

The meet director for the Girl's and Women's National Championships will be Vince Reel. Please publicize this in your area. For entry blanks write to him at PO Box 371, Claremont, California, 91711.

Long Distance Chairman

Bob Seaman has asked to be relieved of the chairmanship of the Long Distance Running Committee. He has worked very hard over the past two years to give status to this committee and we certainly have appreciated his efforts.

The new Chairman of this committee will be Dr. Ken Foreman. Ken has been active in women's track and field and cross country program for many years. For most of you who are not familiar with him, he is the coach of Doris Brown and Vickie Foltz. We are proud to have Ken working with us in this leadership capacity. All future correspondence concerning Long Distance Running should be directed to Ken with a carbon copy of the letter to me (Nell Jackson).

10/11 Age Division

Dianne Holder has broken the US National record of 2:29.6 in the 880 for the third time. This last outing resulted in 2:26.4. Diane will be 12 on August 8, 1970. She has run the quarter in 64.5 and has high jumped 4'4. Pam Young (7/19/58) ran 2:27.4 at Walnut in the 880 on April 26 and threw the baseball 179'1. Pam has also put the 6# shot 30'4. There's a newcomer on the scene in the person of Shelley Earl (7/28/58). This is her first year of running and she has been very impressive. She is a very mature eleven year old and a strong runner. Every time Shelley runs, she is a threat to run under 63.0 for the quarter (the US National record). Her best to date is 63.4 and I expect by the next issue Shelley will be well under the National record in this event and possibly a few others. Shelley's best 220 is 27.1, also within range of the NR of 26.7. Heidi Kauti has established a NR in the 6# shot with a throw of 33'3/4. Heidi is now 12 and has improved her best to 33'11 1/2. While still 11, she also high jumped 4'0. Other top 10/11 by age:

Age 10

12/13 Age Division

I have seen four very fine sprinters this year in this age division. I would like to rate them in order, but I don't think I can at this particular time. I'll put the girls in alphabetical order and list their best marks and let you make an opinion:

Pat Benson (13), 6.0, 11.4, 25.4
 Carol Burkland (9/14/56), 6.2, 11.1, 24.9, 59.5, 7.2(50h)
 Juanita Kelly (6/19/56), 6.1, 11.3
 Marsha Talley (13), 11.3, 25.6, 16'0 1/4

Other sprinters, by age, include:

Age 12

Cynthia McKenzie (6/3/57), 12.0, 7.3h, 15'5 1/2, 4'10
 Yolanda Rich (9/6/57) 6.1, 11.6, 27.0, 67.3, 14'3
 Signe Carlson (6/18/57), 11.7, 27.5, 61.3

Age 13

Linda Wright (-), 26.4, 61.5
 Patty Cape (3/2/56), 58.3
 Lou Ann Bolick (2/28/57), 60.9
 Linda Hearn (-), 6.3, 26.3, 61.9

 M. Reynosa (-), 11.5w, 16'4 1/2

AGE GROUP TRACK (Continued)

We have had some excellent performances and the following athletes have been very much involved. Mitzi McMillin (5/19/56) tied the NR at Phoenix in the high jump at 5'4. Last year at age 12 she jumped 5'1 at San Jose. Mitzi has also run the hurdles in 7.5s. Terri Sabol (7/4/56) has added some more inches onto her NR in the discus from 113'9 to 114'8 to 115'6. Terri is on a plateau now and I expect at any time she'll surpass the 120' mark. Terri Sabol has turned into an excellent hurdler also, having run under 7.6 consistently and she has a best of 7.4s. Terri also threw the baseball at the Phoenix Meet and hit 212'6. A very exciting runner of late has been Debbie Johnson (2/22/57). At Palm Springs on April 4, she ran the mile in 5:13.5, then at Long Beach on April 11 she ran 5:11.2, then at Walnut on April 26, Debbie ran a very strong 5:08.8. I look for her to run under five minutes at any time now. Her target mark is 4:59.6 which Debbie Roth ran last year at age 13. If Debbie Johnson continues to improve at the same rate as her last three outings, it's no telling how far under five minutes she will go! I'll watch and see with you. Bobbette Krug (5/19/56) from San Diego, has been a very pleasant newcomer to the track scene. Bobbette's specialty is the hurdles. She has run 7.0 twice and in a non-AAU meet, ran 6.9. On May 9 in San Diego Bobbette could get a legal 6.9 or 6.8. She'll turn 14 on May 19, 1970. Bobbette has also run on relays, long jumped 16'3 and ran the hundred in 12.0 on a heavy (slow) track. Nancy Paul (9/3/56) of Ventura, hasn't run often but has been unbeatable when she has run. Her event is the "half". Nancy won at Phoenix in 2:23.3 and at Walnut in 2:22.8. I think, with proper competition, she can easily run under 2:20. Her speed isn't the greatest with 29.4 for 220 and 63.0 for 440, but she is a strong, even-paced runner. Jan Dill, a great pentathlon potential, is coming into her own. In the pentathlon events, Jan has run 7.3h, high jumped 5'2, long jumped 17'0". I believe she's competing in a pentathlon on May 2 in Rolling Hills, California. We'll see how she does. Debbie Rivera (3/2/57) has started off very slowly this year, but is now starting to come on. Her best marks thus far are 104'10 (DT), 39'11 (6#SP) and over 240' (BBT). Other events and athletes by age are:

AMERICAN RECORDS

(Some confusion exists concerning American records and American All-Comers records. An American record must be made by an American citizen but may be made either in or out of the United States. Whenever an American best is bettered by a non-citizen in competition within the United States, it is listed as an "American All-Comers Record".

Rolling Hills, California, May 2:-Marilyn King, away from the pentathlon wars for a year, returned today to rack up two lifetime bests and easily win the first pentathlon competition of the year with a good score Of 4364. Teammate Barbara Pickel, Millbrae Lions, was runner-up with 4011.

Two new publications will soon be available and you don't want to miss either of them. Luigi Mengoni's "The ATFS Handbook on Women's T&F, 1970 Edition" is an absolute requirement for anyone really interested in our sport of women's track and field. This is the third edition of the ATFS (Association of Track and Field Statisticians) Handbook, and it comes out only once every four years. I guarantee this handbook will prove invaluable. Send only \$2.25 (add \$1 for air mail) to Luigi Mengoni, % Instituto Agrario, I - 63100 Ascoli Piceno, Italy. You'll never be sorry....The other is, of course, Pete Pozzoli's "WTFW Yearbook for 1970". It isn't possible to describe the contents of a Pzzoli Yearbook, but I doubt if there is ANYTHING missing. His works are the most complete, comprehensive collection of facts, figures, records and what have you that can be found in the sport. Suffice it to say the male athletes, in unison, have been crying "Why can't WE have a Yearbook like the women do?" Pre-sale price of \$4 is still good up to May 31 when the price goes to the regular \$5. Send to WTFW, PO Box 371, Claremont, 91711, Cal. And we still have some of the 1969 Yearbooks at \$4 and a few of the 1967 Yearbooks at \$3 - sorry, the 1968 books are sold out.
