It's in the pins! Through extensive research into the biomechanical requirements of track and field events, we design our shoes to provide support and traction exactly where they're needed for maximum performance. For example, notice how the pin arrangement on our track shoe precisely coincides with the natural flexing and gripping of the toe bones. TIGER designs all spike plates to work in conjunction with the foot's natural movements for solid foot plant and superior traction.

For over 15 years, TIGER shoes have dominated international competition track and field events, including triumphantly crossing the finish line at several Winter and Summer games. TIGER shoes will be more predominant than ever at the Summer games in L.A.

Seven pins coincide with natural flex and grip of toes.

REEL OFF

It's great to be receiving so much mail from the SID's throughout the country. Regardless of what is in the communication, or anything else, we appreciate the support.

HOWEVER - here are a few things that bug us. Perhaps you, as an SID could benefit from reading about the little things that bother publishers.

Read on -

1-SID's who report their school's performances in a home meet, but don't send complete results.

2-Mail with staples in it.

3-Mail printed on both sides of the paper.

4-Mail folded backward.

5-Results that don't list site or date or both. Or don't include a "key" to the initials used to identify participating teams.

6-Results using last names only.

7-Results which list some of the field events in meters and some in feet and inches.

8-Two or three different spellings of a name for the same girl in the same meet.

9-Schools who disregard our change of address cards. We have sent as many as eight notices to some schools to no avail.

10-SID's who say "They won't print our results". We'll print them, we'll print them! Send everything.

Once again we watched Louisiana Tech play basketball and although they lost the National title, we again praise them for their strength - once again we waited for them to take off their warmup jackets when the game began, but no - those were their playing jerseys. They should get a few points extra simply for carrying around those huge shirts during 40 minutes of playing. You may have come a long way, baby, but Louisiana Tech is setting you back a notch or two. Perhaps we can look for bloomers on them next season.

For the second time in my life, I wrote a "Letter to the Editor". This one went to the Sports Editor of the Los Angeles Times. I felt I had to write this letter because I was doubly involved with the error the paper had made.

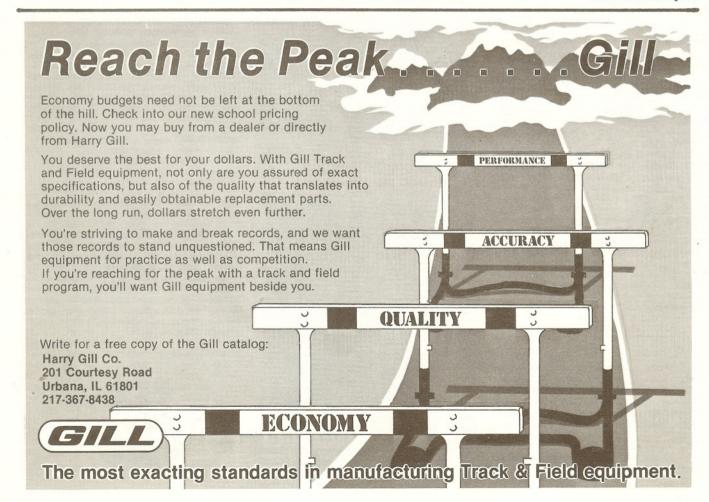

In their report of the TAC Championships, the paper said "Carl Lewis is the first athlete to win both the 60y dash and the long jump in the Nationals since 1960". pointed out to them that that statement was not correct. In 1970, Chi Cheng won the 60y dash and the long jump in same meet - and won the 60y les to boot. She also won a heat hurdles to boot. in the 60 and a heat in the hurdles and a semi in the 60 and a semi in the hurdles. Since I was coaching Chi and since am associated with a publication covering the sport for women, I felt I should bring this to their attention. As I said, "Unless don't consider a woman an athlete'.

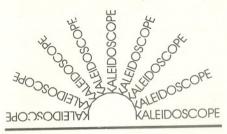

My first letter to the Editor was never published either. So much for equality.

Computer Revolution has really speeded things up, hasn't it! Hasn't Well, yes and no. 165'0 and 164'3 (JT)....Eugene, Oregon, may change its name to Stress City. Leann Warren just had her second operation, now it's Eryn Forbes with the problem....Stanford is having injury problems. Michelle Mason is out, Kim Schnurpfiel is questionable and Mary Osborne has disc problems....

When Tamara Bykova set her world mark in the high jump at the European Championships, she was over all heights on her first attempt up to and including 6'5 1/2. At 6'6 3/4 she didn't make it until her last try. At 1/2 she made it on her third effort. At 6'8 she did better - made it on her second attempt - her 15th jump of the competition. She took three more leaps at 6'8 3/4 and came close each time....The news release stated Dorothy Doolittle, in her fourth year of coaching, had been named coach of the American Junior Women's team for this coming summer. Which caused a few eyebrows to raise. What the release didn't say was Ms Doolittle was in her fourth year of coaching at the University of Houston. She began coaching in 1969 and wishes it known she did not get her assignment by fraternizing with the administrators....Wish we could get more results from the Junior College ranks. Such as did you know Mesa JC in Arizona won the State title six out of the last seven years?

Wisconsin/LaCrosse has 88 women on its track squad....Think the computer has anything else to offer toward streamlining our sport? Think again. Sherry Calvert at USC has come up with a computer trick that is really something. For next season, should you compete in a meet at USC, when you leave the field you will receive a printout of an alphabetized list for every athlete in the meet and what they did in every event. This year's competitors had to wait a day or two for the wheels to synchronize, but next year you'rl be amazed. Every mark of every athlete in every event including field event series' and such.

England's ever-running Joyce Smith, 1937, missed the European born Championships with a stress fracture.

Now she has been "bowled over by a dog", a golden labrador no less. She has been bitten twice by canines and says, "I have always been scared of dogs". Could that be why?....From "Athletics Weekly": In what has been described as a 'novel new form of sponsorship' - and it most certanly is, Twinlock Ltd has supplied the WAAA with 500 sets of thermal underwear for distribution to women marathon and cross country runners. Said Marea Hartman, head of the British women's organization who tested them, "They are superb. I wore them to Crystal Palace and was the only person who was warm. All the chaps were walking around with blue noses!" And AW had a photo of three lovely marathoners wearing the product....

Must be great to coach in the mid-west. A quote from Steve Miller, coach at Kansas State, "Here it is March 28 and we still aren't able to be outdoors. The weather makes it very difficult to train and gives the teams from the West such an advantage, which is evident in national

competition."...Reminder. Order of events has been OFFICIALLY changed via IAAF, et al, for the heptathlon. Second event is now the high jump. Shot is third....New publication called "Running Advice" by Jeff Conway. Concentrates on training, injuries, equipment. Contact "Running Advice", 576 Armour Circle, Atlanta, Georgia 30324. Let's check those rosters again, lads. At the Coastal Bend Relays in Kingsville, Texas, the 3000 was won by Jimmy Browning of Abilene Christian and third was taken by Mel Hennix of UTSA...Believe in numbers? Italy's Agnes Possamai finished 14th at the recent World XC Championships. Her 14:14....Radoslavka Racie runs time? for Rumania.... How many times have you seen this happen? At the Ole Indoor Meet at St. Olaf's, they ran 9 heats in the 60, 8 heats in the 60 hurdles, 3 semis in the 60, 3 semis in the hurdles - all were FAT. When they ran the final, the FAT didn't work.... The name listed for second in the shot at a recent All Comers meet in Fresno was Graham, unattached. But it t be. Could it?...Somewhere Lynn couldn't be. Could it?...Somewhere ther's a long jumper named Smiri Milton...Rose Monday runs for the LATC and Duffer Heiler throws the disc for Puget Sound.

"Congratulations on the excellent format and content of Women's Track and Field World. Your magazine is such an improvement over your more well known competitor. We are especially impressed by the depth and completeness of your yearly lists. Collegiate women's track and field is certainly benefitting greatly from your periodical."

US WINS WORLD CROSS COUNTRY TITLE

Barry Towbridge (From "Athetics Weekly)

Gateshead, England, March 20: Led by Jan Merrill's inspirational run, the team captured the World Cross Country title in a huge upset as the favored Russians surprisingly faded and faded and even dropped out over the final phase of the race. The Soviets were off like Gangbusters, but the USA crew gradually moved closer and closer and at the end, the opening fast pace took its toll of the Russians and the stars and stripes flew once again at the top of the mast.

As if to prove that last year's third place in Rome was "just one of those things", Grete Waitz showed that she is almost back to her supreme 1981 form, as she ran away from a talented field to secure her fifth World Cross Country Title and equal Doris Brown's (USA) record established between 1967 and 1971.

In what, for Grete, must have amounted to little more than a fast piece of fartlek work - the course measuring a mere 4072 meters - she

for once, until the last kilometer before upping the tempo and cruising to victory.

The opening of the race, which these days are run at breakneck speed, were similar to those of recent years in that a bevy of Soviet vests showed in front straight away. First up the hill was Tatyana Pozdnyakova followed closely by Alla Yushina, Svetlana Ulmasova and All Libutina completed the red sea, with Grete and Fita Lovin (USSR) close at hand.

Circulating the bowl for the first circulating the bowl for the first time, Pozdnyakova, Ulmasova and Waitz started to get away, and as they reached half way point they looked comfortably clear of Libutina, Alison Wiley (Can), Yushina, Lovin and Francine Peeters (Bel), with the American quartette - Joan Benoit, Jan Margarett Cross and Betty Merrill, Margaret Groos and Betty Springs - caught up in the chasing bunch with Chris Benning (Eng), Lynn Kanuka (Can), Chris Boxer (Eng) and a fifth Soviet girl, Yelena Sipatova.

Around the bottom of the course, the leading trio interchanged positions, and by the time they had cleared the hill for the second, final, time they had a 30m buffer. Waitz and Ulmasova were slightly ahead, and the only real challenge to the three looked like coming from Alison Wiley, who had chased them hard and taken 80m out of the rest, now headed by Lovin, Benoit, Yushina, Peeters, Springs, Aurora Cunha (Por) - who had made up ground on the hill - Groos, Libutina, Merrill and Nancy Rooks (Eng).

With the finish now in sight, albeit some 800m away, Waitz changed a gear and the race was over. World 3000m record holder Ulmasova started to slow down, and with the sight of a red vest getting increasingly closer, Wiley also found some untapped energy and started chasing a medal. She said after the race that when she held fourth she was well satisfied, "but then, when the third girl (Ulmasova) died, I heard my coach shout 'go for it'". And go for

it she most certainly did, and not only for third; for with a storming last furlong she just pipped Pozdbnyakova at the line.

Behind them, Benoit and Springs also picked off the fading Ulmasova, and set up an unlikely USA team win, aided some by Libutina pulling out in the fnal kilometer; and with Anne-Marie Malone and Lynn Kanuka backing up the effort of Alison Wiley and Nancy Rooks, it was Canada that secured third place, taking their first-ever women's team medal.

After the race, Grete Waitz, who has had a knee injury recently, said "I expected it to be much harder; I had no idea of my shape. The start was very fast...it took me 700-800m to come up to the Russian girls in front. The race was different from the others for in those I led from the start and was running on my own all the way. It was easier to run with the other athletes, and the two Russians were making the pace. With 600-700m to go I felt

strong, and that was when I decided to make my bid". Grete hopes to go for the marathon in Helsinki.

Alison Wiley (19), born in Toronto of an Irish father (from Cork) and an English mother (from Leicester), paid along with her teammates - \$400 towards travel, accomodation and food costs for the privilege of competing. A first-year student of human biology at Stanford University, California, Alison has a best 3000 time of 9:06 indoors. An injury last summer dashed hopes of making the Canadian team for the Commonwealth Games.

Soviet runners took command of the race early. Here's Tatyana Pozdnyakova (199), Yelena Sipatova (200), Alla Libutina and Svyetlana Ulmasova (193) about a quarter-mile into the race setting the pace. (Photo by John Marshall from "Athletics Weekly")

HISTORY OF WORLD CROSS COUNTRY CHAMPIONSHIPS

(from "Athletics Weekly")

An International women's race was staged at Douai in France in 1931, with Gladys Lunn leading England to victory, but it wasn't until 1967 that a women's championship was established on a regular basis.

Doris Brown (USA), who was ahead of her time in training up to 100 miles a week, was the dominant figure in the early years, winning the title five times running. It should be noted, though, that in 1979 (the year of Doris' fourth success) there were two while Mrs. Brown weekend. Frederick, Maryland, (a race supported by the British home countries), another race (won by Italy's Paola being held in Pigni-Cacchi) was conjunction with the men's event at From 1971 onwards the race has Vichy. always been staged together with the senior and junior men's races and from 1973 has been designated as the IAAF's World Championships.

The star name in recent years has been Norway's Grete Waitz - winner four years on the trot from 1978 to 1981 and again in 1983 - and by collosal margins (as much as 40 seconds in 1980!).

there is one more issue coming on your present subscription. However, by the time you receive your May issue, the June issue is already at the printers, or nearly so. If you wait a week to notify us, your June issue is gone, but we do get your notice in time to adjust the "subscription printout". If you wait until receiving your "Final" notice, you're dead.

Here's where that old computer at the Mailing Service comes in. Your name is deleted for the July issue, then we get your renewal and your name is put back on the list. Unfortunately, you have missed the July isssue.

Why not simply mail you a copy of the missed month? We make about 75 cents from each subscription - not per month, that's 75 cents for the YEAR. It costs 15 cents to take your name off the mailing list, another 15 cents to add your name back to the mailing list, 54 cents to mail the magazine in an envelope which cost 5 cents - plus he original cost of the magazine itself (about \$1,30) - and we are kaput.

So, when you get your first notice of subscription expiration, send us your renewal soon as possible. If you miss an issue, send us \$2 and we'll get it to you. We know all those pennies listed here don't sound like much, but we are on a close budget and if there are a couple hundred each month, we'll go broke in a hurry.

ASHLAND THE UNKNOWN

By Steve Gibas

Unforgettable, breathtaking and, at times, unbelievable may express some of the feelings of the Ashland College's womens cross country team for 1982, a first-year unit temporarily hidden in north central Ohio, yet now easily seen in the national running spotlight.

Seven freshmen harriers produced a glamorous 1982 season that sparkled brightly with a Great Lakes Regional championship and an eigth place finish in the NCAA Division II Nationals at St. Cloud State University in November.

"We had a fantastic year in women's ss country," said Coach Bill country," said Coach Bill

Coach Gallagher must share in the accomplishments for it was he who recruited the Eagles team, featuring Alane Keefer, Debbie Gresens and Sue Borawski.

Keefer, at only 5'1 and 85 pounds

"He's great!" she said chuckling. "He always keeps the team going and he'll make a hard workout easy with his attitude.'

Ashland's other All-American performer, Gresens, turned out strong efforts that few thought she could efforts attain on the college level. Gallagher admits he too had doubts about her obtaining such milestones.

"No one was recruiting her," Gallagher expressed. "I knew she had "I knew she had the ability and good speed in short distances. I think she just needed to distances. get in a good program."

Gresens, a graduate of Clarence Central High School in New York, functioned as the Eagles' third runner during the regular season but closed out the year as the 16th place finisher at the nationals. Her third-place position at regionals gained important points in the team's championships finish.

"I thought she might be our fifth or sixth runner," said Gallagher. "I feel a lot of her success was helped by the

Coach Gallagher and sophomores-to-be are already setting sights on next fall's running adventures.

"We realize that what we did this year was the unexpected," commented Keefer. "I think what we've accomplished and our experience will be important in the coming year. We now look to the future - we'll see how we do!

By the campaign's end, after winning the 5000m run at regionals with a time of 17:52, she earned All-American honors with a 10th place finish at

nationals.

When Keefer came to Ashland following a star-studded career at to Ashland High School Northwestern Pennsylvania, she set a goal of being an All-American by her senior year. " was just as happy to do it this year," she said. "I didn't believe I could do it."

Keefer modestly sets aside her personal hard work and attributes the successful performances largely to her running mates and coach.

"We get along really great," she said of her cross country partners. wouldn't have made All-American without them.'

presence of the other runners."

One of those was Borawski, a product of Kennedy High School in Sharon, Pennsylvania, and Ashland's number two harrier throughout the regular season.

"I would say that Sue looked the best coming into the season," the coach noted. "Based on her mile time, she seemed to have great ability and potential."

She didn't disappoint her instructor as she amended her times at a steady pace, allowing for impressive finishes with 12th at the All-Ohio Championshps and a fifth at regionals.

At the national meet, Borawski clocked in at the 51st position which seemed somewhat disappointing for the young runner.

One setback for Borawski could have been the snow covered course. Gallagher claimed that she was particularly affected by the weather conditions because of the small-spiked shoes she wore.

"The ground was pretty slippery and the snow was hard packed," Gallagher

TEXAS SOUTHERN WINS NAIA

Kansas City, Missouri, February 25/26: Depth paid off for Texas Southern as they captured the NAIA title over Prairie View by nearly 30 points. The Lady Tigers won only one more event than Prairie View, but picked up many points in the non-winning places.

There were two double winners. Texas Southern's Kathrene Wallace (or Kathleen or Katherine - she's listed all those ways) took the 60 and the long jump and Cindy Schmidt of Saginaw Valley won the 880 and 1000.

Perhaps the meet will be remembered best for the fact that more than half of the finalists did not run as fast as they had in the trials.

INTERCONFERENCE MEET

Jackson, Mississippi, February 28: They did it again at Jackson State. Two weeks earlier, Kathrene Wallace zipped 50 meters in 6.12 for a new American record - and "Athlete of the Meet" honors went to a slowish distance runner who doubled. At this Interconference Meet, Jackson State's own Vivian Brown won the 50m in 6.13 to equal Evelyn Ashford's former AR - but the "Outstanding Athletes" mentioned were Sherry Scott (Jackson State) who

won the 1500 and 3000 in very pedestrian times of 4:56.88 and 10:03.66 and Gina Smith (Jackson State), who won the 1000m in a slow 3:04.41. Evidently the Conference is so loaded with sprinters, they aren't appreciated.

Karen Waddel lofted the shot 50'4 1/2 for a PR and Prairie View's Easter Gabriel had a good 1:32.95 for 600 meters.

DRAKE TOPS IN CEDAR FALLS

Cedar Falls, Iowa, March 5: Drake University captured four individual events and all three relays to dominate the non-scoring triangular meet on the campus of Northern Iowa, scene of the now defunct AIAW Indoor Championships in 1982. Iowa State was the third participant.

Two double winners emerged from the evening's festivities. Holly Johnson of Drake captured the high jump and hurdles and Iowa State's Colleen Hanna took the short and long sprints.

Lincoln, Nebraska, March 5: Midland Lutheran College, led by triple winner Denise Day, was an easy winner as the Nebraska Intercollegiate Athletic Conference staged its annual championship meet. The Warriorettes nearly doubled the score of runner-up Doane College piling up 87 points to 45.

Day was nothing short of sensational. She won the 300 in 37.42,

PENN STATE WINS EASTERN AIAW

Cambridge, Massachusetts, March 5: 28 college and university teams gathered at hallowed Harvard but the scoring race came down once again to those two old favorites Penn State and Villanova. This time around it was Penn State that triumphed with 92 points to 65 for the Good marks were the rule. Wildcats. Best of all was the 53.29 440 turned in Rutgers' Lori McCauley. This by converts to 53.14 for 400m and is the second fastest ever by an American, just short of Sharon Dabney's 53.11. Harvard's Jenny Stricker toured the two miles in 9:43.33 to earn the #6 spot on the US All-Time List and Penn State's Tami Hart recorded 1:20.34 over 600y and now claims the #7 spot in that event

There was good competition in the pentathlon. West Virginia's Sharon Pfister won it with 3722, but only 15 points separated second from fourth.

Another good result came in the 4x880 where Yale's 9:06.06 was only good for fifth place as both Villanova and Rutgers broke nine minutes.

NEW BIG-10 CHAMP

Madison, Wisconsin, March 4/5: For weeks, Wisconsin coach Pete Tegen has been saying, "It won't be easy". Meaning for Wisconsin to win its sixth consecutive Big-10 indoor championship. No other team had ever won this title. Pete was correct, of course. Michigan is the 1983 Big-10 indoor champion. But, as Pete Tegen says, "It wasn't easy"!

Seven of the teams were aiming at the gonfalon. Four of them were in the battle all the way - Michigan, Wisconsin, Indiana and Michigan State. The Wolverines tallied 82 points by virtue of winning three individual events plus the 4x880. Wisconsin was next with 71, Indiana third with 65 and Michigan State, which also won three individual events and a relay, was fourth with 60. Every team in the League, with the exception of League, with Northwestern (which didn't score a point), and Minnesota, had at least one Big-10 champion.

Wins in the jumps gave Michigan the boost it needed for the title. Indiana lost its chances when Tina Parrott, one of the favorites to win the 600, failed to qualify for the final. Ohio State wasn't helped when Kim Willis, the favorite to win the hurdles, finished last after an argument with a barrier. This was the first time in Big-10 history that Wisconsin failed to score more than 120 points. The quality was very high for 1983. It was tough to make a final. For example, not one finalist in the 60y dash ran as fast as

she had in either the trials or semis. Only one of the hurdle finalists ran faster than in the trials, only two of the 300 finalists improved over her heat time, seven of the milers and half milers ran faster in the trials - and on and on.

The 4x880 was probably the best race from a competitive point of view. Michigan and Wisconsin staged a ding-dong battle with Michigan winning it 8:49.64 to 8:51.72 and sixth place was a swift 9:05.63. The first seven teams ran season bests. The 4x440 was almost as classy as the 4x880 with the first six teams running season bests.

Pentathlon winner Kathy Gillespie (Iowa) was best in only one event, the shot, and even then she was tied with Wisconsin's Helen Stoffel - who also won the long jump. Indiana's Annette Bohach, chagrined at having lost earlier in the year to Wisconsin's Karen Nitsch, got even with a new PR and Big-10 record in the shot as she lofted the sphere 51'0 1/4.

There was only one double winner -Judi Brown of Michigan State captured the hurdles and the 440. Ohio State's Diane Dixon came close with a win in the 300 and a close second in the 60. Her time of 33.83 in her 300 heat was a American record. She ran a hundredth slower in the final. Another who came close was Purdue's Becky Cotta. Cotta won the three mile, was second in the two mile and added third place in the mile. Another busy Boilermaker was Jeanie Molohon who was 7th in the 880, 10th in the three mile, 5th in the mile and anchored the fourth place 4x880 team. Plus heats in the mile and 880.

Every event provided good, close competition and fine marks. A fitting way to wind up the Big-10 indoor season.

NJCAA CHAMPIONSHIPS

Champaign, Illinois, March 4/5: Led by Tina Walls, Santa Fe City College of Gainesville, Florida, captured the National Junior College Indoor Championship by just three points over Macomb of Warren, Michigan. Each school had a double winner and Macomb added the 4x880 in their win column, but it wasn't quite enough to catch the Saints. Down to the last event, Macomb still had a chance to win it all as Santa Fe did not have a 4x440 team. But the Monarchs fell one place short a second back of third place Barton CC.

THREE WORLD RECORDS AT EUROPEAN CHAMPIONSHIPS

Budapest, Hungary, March 5/6: Europeans set three world indoor records as they staged their annual Championships on the boards. East Germany and the Soviet Union dominated the competition along with yet another Eastern European country, Czechoslovakia. Using the 5-3-2-1 scoring formula, the DDR outscored the other two with 32 points to 24 and 22.

Records were set in the 200, long jump and 60m hurdles. Marita Koch turned on the afterburners in the 200 to break her own WR with a super fast 22.39, nearly a full second in front of the runner-up. Russia's Tamara Bykova upped the high jump mark to 6'8, better even than the outdoor mark. The hurdle mark fell to East Germany's Bettine Jahn who zipped the distance in 7.75.

Sprinter Marlies Gohr came close to the record with her 7.09 clocking for the 60 meters and 32-year-old Jarmila Kratchovilkova of Czechoslovakia, spun the 400 in 49.69 to win by more than two seconds.

RESULTS: 60m, 1-Marlies Gohr (DDR) 3-Zdenka Silhava ((7.09, 2-Silke Gladisch (DDR) 7.12, Loghin (Rum) 63 3-Marisa Masullo (Ita) 7.19, 4-Beverly Germany 32, 2-Kinch (GB) 7.19; 200, 1-Marita Koch 3-Czechoslovakia 22 (DDR) 22.39, 2-Joan Baptiste (GB) 5-Italy and Rumania 23.37, 3-Christina Sussiek (FGR) 23.61, 4, 8-Bulgaria 3, 4-Els Vader (Hol) 23.64; 400, 1-Jarmila 2, 11-Netherlands 1.

Walls led the Santa Fe troops with wins in the 60y nurdles and 300 plus a second in the 60. Ella Willis was Macomb's bright star winning the 880 and two mile, and although relay team names are not supplied, our guess is Willis had the baton on the winning 4x880 team as well.

OLE INDOOR MEET

Northfield, Minnesota, March 11: Seventeen schools gathered for the 1983 Ole Indoor T&F Meet and Moorhead State came out on top with 116 points. Runner-up was Wisconsin/Eau Claire with 89 digits.

Donna Tiegs, competing unattached, was the outstanding performer with wins in the long jump and 60y hurdles, a tie for first in the high jump and third in the 300.

University of Wisconsin/Eau Claire captured four events to only three for Moorhead, but team depth of the Dragons was too much for the rest of the field.

Post mark of the day was the 10-26 0

Best mark of the day was the 10:26.0 two mile by St. Thomas' Deb Thometz.

NCAA TITLE TO NEBRASKA

Detroit, Michigan, March 11/12: Nebraska captured the First NCAA Indoor Championship for women by three points over Tennessee - and they did it the hard way. First of all, it was a middle-distance team's meet with the 600, 880, 1000 and mile plus the 4x440 and 4x880 relays Nebraksa and the other sprint-oriented teams had only the 60 and 440 - and no sprint relays. Watching souls began to feel sorry for the Huskers when Nicole Ali was disqualified in the 600 semi-final, Marjan Goedhart faled to make it to the long jump final, Jennie Gorham was eliminated in the 440, Rhonda Blanford was relegated to sixth in the hurdles and Tennessee's Delisa Walton trounced Marcia Tate in the 600 final. But it made no never-mind to Coach Gary Pepin and his charges as they showed power and depth in taking the title in spite of a great battle by Tennessee. There were some great performances which are easier described event by event, but word must be said about the new world best 4x440 relay performance by Tennessee at 3:37.08 with Nebraska not that far behind in 3:38.16 - and the American record going to third place Morgan State at 3:39.58, Meg Ritchie's 56'11 3/4 mark in the shot and the fact that the eight qualifiers to the high jump final had to clear six feet to get there.

60 YARD DASH

Heats brought about no real surprises as nearly everyone expected to do so advanced to the next round. Only Irish champion Michelle Walsh of Arizona was the surprise eliminee.

The good ones advanced into the final for the most part. Big-10 1982 champion Sybil Perry (Purdue) and Tara Mastin (Houston) were the biggest names eliminated.

Lotsa speed in the final with Benita Fitzgerald (Tennessee) getting last in spite of a not-so-bad 7.00 flat performance. Nebraska fans feel they won the meet in this event by shutting out Fitzgerald and tallying first (Burke) and third (Thacker).

Heats (First 5 from each heat plus next fastest advance to semi-finals): 1-Janet Burke (Nb) 6.86, Heat Hope (Jackson St) 6.91, 2-Esther 3-Benita Fitzgerald (Tn) 6.98, 4-Juliet Cuthbert (Tx) 7.06, 5-LaTanya Dawkins (UNLV) 7.16, 6-Tammy Henderson (W.Va) 7.17, 7-Dechanta Phillips (Howard) 7.27; Heat 2, 1-Angela Thacker (Nb) 6.88, 2-Lisa Thompson (UNLV) 6.97, 3-Rufina Ubah (Mo) 6.99, 4-Sharrieffa Barksdale (Tn) 7.01, 5-Belinda Little (Al) 7.11, 6-Tara Mastin (Hst) 7.12, 7-Eunice Jones (Jackson St) 7.13; Heat 3, 1-Michelle Glover (Hst) 6.92, 2-Regina Felder (Ky) 7.03, 3-Barbara Bell (NM) 7.04, 4-Sybil Perry (Pur) 7.12, 5-Vivien McKenzie (Ia) 7.14, 6-Lorrie Thornton (Mich) 7.15, 7-Michelle Walsh (Az) 7.16.

440 YARD DASH

The elimination of Jennie Gorham was really the only excitement from the trials in an event which saw only 13 entries. It was a rough way to advance - only the three heat winners were assured of a spot in the final along with the next three fastest times.

Ohio State's Diane Dixon won over UTEP import Charmaine Crooks in the final with yet another good 1983 indoor performance at 53.47s with the rest of the field more than a second to the rear. Second through sixth were bunched.

Heats (Winners plus next three fastest times to final). Heat 1, Diane Dixon (Ohio State) 54.19, 2-Gloria Jackson (Morgan St) 55.37, 3-Stepahnie Bonner (Aub) 56.32, 4-Vicki Davis (Indiana) 59.03, Yolanda Small (Grambling) did not finish. Heat 2, 1-Lisa Garrett (Va) 55.87, 2-Carlong Blackman (Drake) 56.07, 3-Jennie Gorham (Nb) 57.71, Judi Brown (Mich.St) disqualified. <u>Heat 3, 1-Charmaine</u> Crooks (UTEP) 55.91, 2-Lisa Sparks (Ark) 56.01, 3-Gail Emmanuel (Grambling) 56.78, 4-Hyacinth McBean (LIU) 57.05.

600 YARD RUN

The trials were murder. Four heats with only the winners qualifying plus the next two fastest times. Of course it wasn't too difficult for Michigan State's Julie Boerman in the fourth heat since she was the only runner who wasn't disqualified! But there were some goodies who watched the final from the bleachers such as Donithy Jones, Dana Wright, Tamie Hart, Lee Ann Van Landingham and Easter Gabriel.

With several of the finalists having run in the 1:18-1:19 range, it was surprising for Delisa Walton of Tennessee to win it in 1:20.21 - and again Nebraska felt the pressure with favored Marcia Tate finishing third, some three seconds behind her season best. But Nebraksa watchers saw the meet being won here as Tate edged Tennessee's Rattray for third by 23/hundredths of a second.

Irish lass Aisling Molloy of BYU took the final in a good 4:44.87 as seven of the eight finalists were under 4:49.

TWO MILES

Would you like to see a two mile featuring such fine distance runners as Kerry Robinson, Paula Renzi, Andrea Fischer, Becky Cotta, Liz Hjalmarsson, Martha White, Melanie Weaver, Jill Washburn, Connie Jo Robinson, Wendy Van Mierlo, Bernadette Madigan, Marv Wright, Kate Wiley, Joan Nesbit, Margaret Wynne, Sara Schumacher and Katie Ishmael? Well, you won't see it at the 1983 NCAA Indoor Championships because all of them were eliminated in the trials! Seems the Games Committee could have qualified a couple more from each heat since they ran 12 in the first heat and 14 in the second, but only eight made it to the final.

Again, the sixth place finisher in heat 1 would have won the second heat by more than five seconds! But, again, that's the way it goes in the big time.

Stanford's Patti Sue Plumer, the TAC three mile champion, added this NCAA title to her crown, winning by less than half a second over teammate Alison Wiley in 9:45.54. Plumer had a busy day with a heat and final in the mile and a heat and final in the two mile to occupy her time. The trials took something out of some of the finalists as Branta, Jennings and Farmer all ran much slower in the final than in the trials, and Betty Jo Springs scratched.

60y HURDLES

They show up at every big meet -Turner, Young and Fitzgerald. And they were here as a group once again, along with a smattering of other good barrier runners.

No one of importance was eliminated in the trials, but the semis saw the end of a couple of better-than-average performers in Gina Tempro, Pat Lavallias, Kim Willis, Kim Whitehead and Laura Lim, the latter two via disqualification.

Turner was red hot in the semis, clocking a speedy 7.47, but in the final she could do no better than third behind Young and Fitzgerald. Young won it in 7.49, Turner has the NCAA record and Nebraska presented Young with a special award for whipping Fitzgerald.

ONE MILE RELAY (4x440)

In its all-seeing wisdom, the computer put Tennessee and Nebraska in the same qualifying heat resulting in a 3:41.51 by Nebraska - for second place! Tennessee finished three-one hundredths of a second in front. And Morgan State, who won the first heat in 3:43.01 wasn't exactly loafing.

The final, which was to determine the meet winner, was a doozer. Nebraska switched its running order from the trials and put Marcia Tate on anchor to tangle with Delisa Walton. Morgan State and Tennessee stuck to

their original order.

Nebraska got off first with Janet Burke turning her leg in 54.3 to 55.1 for Cathy Rattray (Tn) and 55.5 by Morgan State's Willetta Page. Janet Dodson (Morgan State) had the fastest second leg with 54.2 and brought her team into second place ahead of Tennessee's Sharrieffa Barksdale and behind Nebraska's Nicole Ali.Old dependable, versatile Joetta Clark put Tennesse into the lead at the end of the third leg with her 54.2, but Morgan State's 54.7 by Kim Whitehead moved past Nebraska (Gorham at 55.9) and with the anchor runners coming up, it was Tennesse with two-tenths of a second lead over Morgan State and a full second over Nebraska. Swiftest anchor leg was the 52.8 by Nebraska's Tate, but Walton didn't lose that much at 52.9, winning with a world best of 3:37.08 to 3:38.16. Gloria Jackson brought Morgan State in third with 55.1 and the Bearettes get the American record as both Nebraska and Tennesse had foreign athletes on their teams.

Once again Nebraska escaped the Tennessee trap. By finishing second they won the team title. Third would have been disaster for the Cornhuskers.

TWO MILE RELAY (4x880)

Anytime you think Pete Tegen doesn't have his sights set on that 4x880 outdoor title, you'd best begin rethinking. With Sue Spaltholz turning

in the fastest leg, Wisconsin won the indoor title by almost two seconds over Villanova. Strangely enough, it was hurdler/long jumper Patty Bradley of Villanova who had the fastest time of the day at 2:11.3.

HIGH JUMP

jumpers were over 6'0 to qualify for the final. Eliminated were a passel of fine jumpers including several "six footers". Two of the qualifiers, Disa Gisladottir (Alabama) and Lisa Greenfield (Colorado) had no misses in the trials.

In the final, Gisladottir continued her "no-miss" routine and was over 5'10, 6'0, 6'1 and 6'2 on her first tries, not missing until the bar was at 6'3. Only one other jumper could match her preliminary mark. Iowa's Mary Mol cleared 6'0 on her third effort to grab second. Four of the finalists were over 5'10 while two, Greenfield and Ohio University's Frances Daniell, didn't even make that height and went

unplaced.

The following cleared Qualifying. 6'0 and advanced to the final: Lisa Greenfield (Colorado), Disa Gisladottir (Alabama), Ann Bair (Va), Joanna Bullard (Mich), Linda McCurdy (UTEP), Wendy Markham (Fl.St), Mary Mol (Iowa) and Frances Daniell (Ohio University). Non-qualifiers: Yvonne Heinrich (N.Car.St) 5'10, Sue McNeal (CP/SLO) 5'10, Jan Troutt (Ark.St) 5'10, Thea Ackerman (Mt.St.Mary's) 5'10, Holly Johnson (Drake) 5'10, Peggy Stewart (Vil) 5'10, Rita Graves (Kan.St) 5'10, Sally McCarthy (Ok) 5'8, Maria Zanandrea (BYU) 5'8, Julie White (Boston U) 5'8, Shari Collins (Ore) (Boston U) 5'8, Shari Collins (Ore)

LONG JUMP

Top eight jumpers advanced to the final and it took favorite Carol Lewis three jumps to make it as she fouled her first effort, leaped a non-qualifying 19'5 3/4 on her second and made it with 20'11 3/4 on her final try. Lewis was not alone on "third effort" jumps. Donna Thomas, Kathy Rankins, Ingrid Boyce and Janet Buntin all had their best and qualifying jumps on their last chance. It took 19'8 1/4 to make the final eight.

Lewis was never behind in the final. She opened with 20'10 and when Nebraska's Angela Thacker leaped 20'11 1/4 on her second effort, Lewis answered with 21'0 1/4 and then improved in the third round to the

winning mark of 21'6 1/2.

Qualifying: 1-Carol Lewis (Hst) 20'11 3/4:, 2-Angela Thacker (Nb) 20'8, 3-Donna Thomas (N.Tx.St) 20'0 3/4, 3-Donna Thomas (N.Tx.St) 20 0 3, 4 4-Kathy Rankins (Ga) 10'0, 5-Lorrie Thornton (Mich) 19'11 1/2, 6-Halcyon McKnight (Kan) 19'10 3/4, 7-Ingrid Boyce (E.Mich) 19'9 3/4, 8-Janet Buntin (Mon) 19'8 1/2, 9-Eunice Jones (Jackson St) 19'6, 10-Pam Donald (Stan) 19'4 3/4, 11-Vivian Reddick (Penn St) 19'2 3/4, 12-Marjan Goedhart (Nb) 19'2 3/4, 13-Tamela Penny (Md) 19'0 1/4, 14-Deidre Jackson (PV) 18'8 1/2, 15-Cynthia Henry (UTEP) 18'7 3/4, 16-Cassandra Burkett (Mich.St) 18'0 3/4, 17-LaRita Hawes (SE Mo) 17'10 1/2.

SHOT PUT

Arizona's Meg Ritchie heaved the pellet 56'11 3/4 on her fourth try for the win, but Stanford's Carol Cady continued to give the USA some hope for the future as she continued to perform well as her mark of 54'71/2 will attest. Elaine Sobansky was third at practically 54 feet and Regina Cavanaugh, a freshman at Rice, was next with a good 52'2 3/4. She also received a special award medal from Nebraska as she moved Tennessee's Pat Walsh down to fifth.

CANADIAN COLLEGIATE CHAMPIONSHIPS

By Lyle Sanderson

Toronto, Canada, March 11/12: The level of competition in Canadian University Track and Field continues to improve. This was proven as the athletes gathered for the Third Annual CIAU

Indoor Championships.

University of Saskatchewan sophomore Gwen Wall turned in perhaps the best of several fine marks in the women's competition as she front ran to a 1:30.43 for 600 meters. Passing 400m in 57.4, Wall held form very well and powered the straight on her way to what seemed sure to be a sub 1:29.0 clocking. A line on the track some five meters before the true finish line confused her causing her to stop early. She had slowed to a walk by the time she reached the real finish line. Wall's time is better than the listed Canadian record, but four athletes, including Wall herself, have better marks pending.

The female performer of the meet award went to Canadian Indoor 200m champion Tanya Brothers of the University of Manitoba for her 7.49 win in the 60 meters, 39.0 flat runaway win in the 300m and a strong lead-off leg

on the 4x200 relay.

Christine Slythe of the University of Sherbrooke completed a fine double. She easily front ran to a 4:26.73 victory in the 1500m. In the 1000m she held off Mary Burzminski of the University of Alberta and recorded a fine 2:46.45 clocking to move to third on the Canadian All-Time List. Burzminski's 2:47.46 is the fifth best time ever recorded by a Candadian.

Burzminski contributed a fine 2:08.0 third leg on Alberta's 4x800 team. She was joined by Sue Kallal, Maureen Cush and Birgit Otto as the team lowered the Canadian record from 8:59.11 to

8.48.17.

PURDUE OUTDOOR/ INDOOR INVITATIONAL

West Iafayette, Indiana, March 26: Purdue's Outdoor Invitational was forced into the barn by the antics of the Weather Person, but proceeded to produce a fine meet regardless of the site. The home team won the team trophy easily over the seven-team field and provided three double winners en route.

Becky Cotta had a fine double winning the mile in 4:49.33, just two-tenths in front of teammate Jeanie Molohon, and the two mile in 10:38.21. Sybil Perry annexed the 440 (56.73) and the 220 (25.42) and Yvonne Netterville took home golds in the long jump (18'7 1/4) and had a PR in the high jump at 5'11.

WESTERN MICHIGAN INVITATIONAL

Kalamazoo, Michigan, April 2: Western Michigan joined the other meet hosts who have had to move their outdoor Invitationals to the indoor stadia because of the weather. Only the 10000, the disc and javelin were held outdoors.

Purdue won the team competition over eight other competing schools and got some good performances from its usual star performers - Sybil Perry and Jeanie Molohon with Molohon winning both the 1500 and 3k. But the most prolific performer was Eastern Michigan's Ingrid Boyce who picked up golds in the 300, 400 and long jump.

ON THE ROAD AGAIN By Jack Welch

is no easy task to write a monthly column. Honest. Even an effort such as the one you are reading places some onerous burdens upon its My editor has only two rules author. to which he requests - note that he hasn't demanded - that I adhere. The first of these requirements is that the content should relate to women's road The second mandate is that the material reach his hands at a time which will permit its inclusion in the forthcoming edition. In other words, literary aside, he doesn't ask much. (And that's what he gets - Ed.)

A couple of months ago Mr. Reel moved and forgot (or so he claims) to notify me of his address change. Last month, the victim of sloth, inertia and lethargy, not to mention lassitude, I failed to submit a column. I was vacationing in a retirement community in Florida and found myself with less energy than those long-toothed elderly by whom I was surrounded. When this month's deadline rolled around, I awoke is a quasi-honeymoon weekend retreat,

dismayed that I had overlooked yet another deadline. I had been real busy.

Writing has become a little too much like the training I once did to compete in marathons. I seem too alone often weighted down by too little enthusiasm and too much stress. I could respond similarly as I did then; I could stop trying to perform to the best of my ability, and just get fat. No, I couldn't. If I stop writing, I'll get obese in the head. Such rambling may violate Vince Reel's second Reel's second requirement, but I am struck by the similarities between writing and racing/training. Both require energy, self-discipline, desire and maturity. I feel infinitely better when I do both as well as I can. I promise to start now, but I'll concentrate on writing My knees hardly ever first of all. ache when I write.

Wendy Smith Sly's knees probably seem a little tender at times, but she felt no pain after winning the Gasparilla 15k (Tampa, Florida, Feb.5) with a time of 48:18. The time is superlative of course, but perhaps no more noteworthy was the name of the second place finisher - Grete Waitz. Sly pulled away from Mrs. Waitz with 300m remaining to win by 12 seconds. This was the first time Grete had lost an event in the USA that she has finished. Said Sly, "I feel like a child at Christmas. Grete is an idol of mine and I respect her very much, but it feels good to finally beat her."

Eleanor Simonsick finds herself #3 on the All-Time US List after placing 3rd here in 50:08. Following were Betty Springs (50:20), her North Carolina State teammate Kerry Robinson (50:35), Kellie Cathey (51:02), Anne Hird (51:05) and Marjorie Kaput (51:14). So deep was the field that Kaput's time makes her the 8th fastest American ever.

Positions 10 through 20 included a group of outstanding performers so well known that most any other event would have been ecstatic to host the "also-rans". Ellen Hart was 11th in 51:36, trailed by Sue King (51:46), Kathy Schilly (52:09), Mary Shea (52:24), Jacqueline Gareau (52:39), Cosgrove (52:40), Marita Rintous and 20th, but not least, Sande Cullinane at 53:27. Your basic embarassment of riches.

Mrs. Sly may have become somewhat wealthier by winning the prestigious Continental Homes 10k (Phoenix, Arizona, March 5) with a 32:05. 58 seconds back was Betty Springs whose time here earned her the last position on the top 10 list among US performers. Norway's Ingrid Kristiansen finished 3rd at 33:07 ahead of Ellen Hart (33:19). Only Margaret Groos tried to stay with Sly as the latter sped through an initial 4:55 mile. Groos learned something about discretion being the better part of valor as she faded to 8th (33:52).

This month's candidate for most-winnable marathon was the Philippides of Oregon held in Salem on March 27th. Only Mary Russell could best 3:20 and she did it with but a single second to spare.

Cincinnati's Julie Isphording won an Avon 15k in Washington, DC (March 5) in 52:31. This is the fastest mark for an American in a women's-only race, making the time a record of some sort. Lisanne Bussiers of Montreal was the

runnerup in 52:47 with Suzanne Girard next at 53 flat.

Philadelphia Federation of The Teachers Health and Welfare Fund 10k (really!) had one entrant with an international reputation. Germany's Charlotte Teske put on quite an exhibition, winning by more than 3 1/2 minutes. Teske's 33:02 confirmed what everyone knew before the gun sounded. Lena Hallman, second in 36:40, was probably glad to see Charlotte leave town. There is no truth to the rumor that Ms. Hallman drove Teske to the airport.

Anne Hird set a course record at the Brooklyn Half Marathon (New York, March 13) with a winning time of 1:14:41. Laura DeWald captured the 3rd Annual Phoenix Marathon (Arizona, Februay 20) in 2:41:09. Jane Wipf posted a second

place finish at 2:42:46.

Running in warm, humid conditions which led to sub-par times, Linda McLennan won the Hyatt 10k (Hilton Head Island, SC - in this late report - Dec.4) in 35:02. Eileen Claugus got an easy win at the Mercury News Race (San Jose, California, March 20) with a time of 34:02. The Mercer Island Half-Marathon (Seattle, Washington, rebruary 13) went to Gail Volk, a veteran competitor in her early twenties. Volk's 1:16:50 was 23 seconds too quick for Linda Edgar, a neophyte (or is that "tyro"?) in her thirties. I don't really think your knees care how old you are, but how you are old!

I somehow managed to lose the date of the 18th Mardi Gras Marathon (New Orleans, La). If you really care, you can look it up yourself. Whenever it happened, defending champion Angela Pikschys was the first one done. Her time was 2:41:38.

Charlotte Teske continued her hot streak appropriately enough in Florida at the Jacksonville River Run (March 12). Teske's 50:17 earned her \$2500 - 2 grand for the win and 500 more for breaking 51 minutes. A sub-50 would have been worth an additional \$1000. While Teske was looking for a shortcut or slow clock, hardcharging Eleanor Simonsick (50:48) outkicked Ingrid Kristiansen (50:51) and Jacqueline Gareau (51:04). Linda McLennan took 5th at 51:46.

A 29-year-old woman should have more sense but said Burke Konselik after winning the Empire State Building Run Up (New York City, Feb.17): "Athletes like to prove they can do things. I wanted to win." Normally admirable sentiments, but here we are reporting a race up 86 stories, as in 1575 steps, won in 13:40. We should petition to have this event added to the Olympics! Wouldn't that get some East Europeans out of the marathon!

To ensure that Vince Reel publishes this tardy submission, I will do what no other man has ever done before. I hereby predict the winners of the 1983 Boston Marathon will be Greg Meyer and Eleanor Sionsick. I don't know if either athlete is even entered in the race, but then again I don't imagine that information would have much impact on my prognostication.

Harris won the 100 (12.71), the 200 (26.4) and the 100m hurdles (14.9). Shelly Gornick of Florida (14.9). Shelly Gornick of Florida International took the 800 (2:19.7) and 1500 (4:41.4). A good showing was made by Catholic University of Puerto Rico as they won the 4x100 (48.7) and 4x400 (4:12.0). Adrian Lilburn, Florida JC, won the 5k in 17:59.4 for another good mark.

LONG BEACH RELAYS

Long Beach, California, March 6: Once upon a time, the Long Beach Relays signified the opening of the outdoor season in the USA. Teams and individuals came from thousands of miles to take part. The stands were packed and standing room only was filled. In 1983, teams came from as far away as Thousand Oaks, California, and one could get a seat in the lonesome section.

Only one good performance came out of the 1983 affair. CSLB's Peggy Pollak tossed the shot 52'2 3/4 for a five foot margin over teammate Annie McElroy. Cal State Bakersfield had a good early season 4x200.

Meg Ritchie provided the best mark of the competition with her toss of 54'7 1/2 to win the shot. Laura Lim continued to surprise with her meet record of 13.61 in the 100m hurdles. Northern Arizona's Angela Chalmers whipped Kim Gallagher in the 1500 with a good early season 4:24.65 to 4:26.38. BORDER OLYMPICS

Laredo, Texas, March 4/5: In years past, the Border Olympics has produced some excellent early season marks. Not so in 1983. Best mark was the 53'8 1/2 toss of the shot by Rice freshman Regina Cavanaugh. Cavanaugh also took top honors in the disc.

top honors in the disc.

The University of Texas used its depth to capture the team title by a huge margin over the rest of the 16 team field. The Austin group won just five individual events, but captured all three relays. FLORIDA OPEN

Gainesville, Florida, March 4: Florida and Florida State dominated the first places as Florida staged an Open meet for all comers. The Staters captured five events to four for the home team. There were no double winners.

Brenda Webb, Athletics West, had a fine 4:17.5 in the 1500 and Wendy Markham nearly got the magic 1.83 in the high jump. Randy Giuens had a swift 6.7 in the 55m and Lori Dinello likewise in the hurdles at 7.7s.

RECORDS FOR WASHINGTON

Seattle, Washington, March 5: Washington University coach Al Bonney must be sleeping well these nights with visions of greatness in his dreams. His University of Washington subjects performed quite well, thank you, at a Developmental meet on this early outdoor date.

Best mark must be credited to Regina Joyce who ankled ten thousand meters in a quick 33:25.7, more than three minutes in front of the runner-up and good enough for a new field record. The UW javelin throwers appear ready to threaten Oregon for spear superiority of the northwest as Deanna Carr wafted the wand 181'2 and Vicki Smiley whipped it out 164'9.

As expected, Donna Dennis performed well in her outdoor debut with a new school mark of 24.4 in the 200, and veteran Julie Hansen threw the disc 174'10.

Sullivan captured the 800 (2:21.7) and 1500 (4:44.1). Best mark of the non-scoring competition was the 147'9 javelin mark by Central Washington's Lorna Martinson.

STANFORD DOWNS FRESNO

Fresno, California, March 5: Fresno State University, which won its first-ever dual meet one week ago, bit off too much for its second-ever appearance and was soundly, but not surprisingly, trounced by visiting Stanford 93-46 in a ho-hum affair on the Bulldogs track.

Double winners were all over the place - seven of them - which must be some sort of record. Carol Cady took the shot and discus, Pam Donald won the 100 and long jump, Regina Jacobs took the 800/1500, Denise Gaztamibide won the javelin and high jump, Marcia Martin captured the 200 and 400 and Fresno State produced a couple of

doublers in Merika Reed (both hurdles) and Renee Wyckoff (3 and 5 k's).

Cady's 52'1 3/4 and 180'10 were the meet's best marks.

RESULTS: 4x400, Stanford 3:52.09; 3000/5000, Renee Wyckoff (FS) 10:37.4/17:46.64; 4x100, Stanford 48.68; 100/LJ, Pam Donald (S) 12.60/18'3 3/4; 800/1500, Regina Jacobs (S) 2:07.8/4:26.82; 100H/400H, Merika Reed (FS) 16.06/64.8; JT/HJ, Denise Gaztamibide (S) 5'4/124'11; 200/400, Marcia Martin (S) 25.5/56.24.

SW TEXAS INV

San Marcos, Texas, March 10: Prairie View scuttled the rest of the 10 team field to easily annex the Southwest Texas State Invitational. The Pantherettes scored 186 points to 68 for second place Texas/San Antonio.

As expected in this part of the country, the short races provided all the good marks with Prairie View's 45.9 for 4x100 the best of the day. Lynn Gamble led the winners with two victories in the long jump and 400 hurdles plus legs on both winning relay teams.

UCLA DOGS IT

Los Angeles, California, March 12: UCLA entertained Cal Poly/Pomona, Cal State Northridge and Cal State Bakersfield in a non-scoring four-way meet and no one seemed to work too hard. Bakersfield's Gurtha Pounds downed UCLA's LaShon Nedd twice in the sprints, but the times were nothing to write home about. Pounds was the meet's only double winner.

The Bruins, even on slow motion, managed to win eight events with freshman Polly Plumer's 4:28.8 1500 probably the best performance.

RESULTS: JT, Jamie Anderson (UCLA) 134'2, (Barba Moro, WAC, threw 161'5 as guest); LJ, Jewel Lovelady (Un) 19'1 1/4; SP, 1-Susie Ray (UCLA) 47'3,

BOISE STATE ALL COMERS

Boise, Idaho, March 12: They ventured out of doors in Boise in early March and were met with windy, wet, 35 degree weather, but still managed some good performances. The home team's Sandy Johnson took the shot and discus and Idaho State's Jackie Huxtable won the 100 hurdles and long jump.

SUN DEVIL OPEN

Tempe, Arizona, March 12: Arizona State staged its Annual Sun Devil Open, but the marks were far below par for this yearly competition. Only good performance was the 20'10 3/4 mark in the long jump byt ASU's Rhonda Paine. Paine also won the 100 hurdles in ordinary time.

OREGON INVITATIONAL FLORIDA A&M RELAYS

By Lester B. Hansen

Eugene, Oregon, March 12: The Oregon Open/Invitational (depending on which side of the program you read) provided moments of good competition, and a few very satisfying early season marks. Competitors came from as far away as Simon Fraser University of Vancouver B.C., Canada, Colorado State, Washington and Idaho; also from the University of Portland, Portland State, Oregon State, the Titan TC of Lane CC, the Mt. Hood TC, the Milbrae Lions TC, the Clark-Hatch TC and Athletics West.

It has rained in Oregon and, as of this writing, continues to rain every day since the 6th of February. So it was with some good fortune that the meet at Hayward Field in Eugene was spared - all but for about five minutes of a very light shower - throughout the afternoon. The temperature ranged from the high 50s to low 60s, there was a slight headwind for the sprinters, and the one brief shower was just annoying enough to slicken the approach to the high jump pit, resulting in a couple of nasty spills.

Javelin thrower Karen Martin (Oregon), whose previous best in competition was 143'0, threw 163'1 first time up, instantly achieving her 1983 goal of NCAA qualification. Other NCAA qualifiers were Julie Benzel (Colorado State) in the 10000 (35:29.74), and Kathy Hayes (Oregon) in the 1500m (4:19.07).

Julie Hansen made the trip down from Seattle to not only defend, but improve upon her meet record in the discus. Hansen's toss of 171'9 betters by 10 inches her old mark set in 1980.

Quenna Beasley (Oregon) put the shot 51'1 1/2, bettering a meet record of 50'6 set by Caryl Van Pelt (Washington) in 1980, and also improved on her own school record of 50'1 1/2 set earlier this year.

Tallahassee, Florida, March 12: Swift relay times by Florida State and South Carolina State highlighted the staging of the annual Florida A&M Relays. Florida State nipped SCS in the 4x100 with a nation-leading 45.00, but the Lady Bulldogs reversed positions in the 4x200 which they won in 1:35.45.

Marita Payne took the 100 in a good 11.54 for the best of the rest although Linda Cole (Alabama State) was swift in the hurdles at 13.60. Cole also won the long jump at 19'10.

Tacoma, Washington, March 12: In a tightly contested meet, Western Washington managed to come out on top of a pack of chasers. The WW team won with 97 points. Seattle Pacific matched the Vikings in first places, but fell off in quantity, falling to third behind University of Puget Sound. There were no double winners.

RAIN MEET TO HAYWARD

Turlock, California, March 12: Cal State Hayward, Sonoma State and UC Davis gathered on the Turlock campus of Cal State Stanislaus for a four-way competition scheduled for the same date as the now famous "Rains of California". Through the courtesy of the all-weather track, the meet was held, but results were far from

monumental - except for the fact that they were completed.

Hayward outscored the other three schools without too much difficulty. There were three double winners with Hayward's Delphina Banks recording the most unusual - the 800/200 double. Other two-times winners were Patti Gray of Davis in the 1500 and 5k, and Joy Upshaw (Hayward) in the 400 hurdles and long jump. Upshaw also picked up a second in the 100 hurdles and Gray added a second in the 3000 for a long day's work. Best marks were recorded by Hayward's weight duo of Diane Oswalt and Glenda Ford.

RESULTS: JT, Marsh (D) 141'5; SP, Diane Oswalt (H) 43'5; LJ/400H, Joy Upshaw (H) 17'5/65.6; TJ, Smith (D) 32'9; DT, 1-Glenda Ford (H) 159'1, 2-Diane Oswalt (H) 147'11; 5000, Patti Gray (D) 17:19.3; 4x100, Hayward 48.1; 800/200, Delphina Banks (H) 2:20.9/24.9; 1500, 1-Patti Gray (D) 4:39.6, 2-Kathy Koudela (H) 4:39.7, 3-Kathy Way (H) 4:41.7; 3000, 1-Debbie Morris (H) 9:57.7, 2-Patti Gray (D) 9:57.7, 3-Kathy Koudela (H) 10:09.0; Scores, 1-Cal State Hayward 92, 2-UC Davis 55, 3-CS Stanslaus 11, 4-Sonoma State 10.

NORTHRIDGE RELAYS

Northridge, California, March 12: Not much excitement at the Annual Northridge Relays. Diane Clements of Saddleback Junior College was a double winner tossing the shot 47'1 3/4 and the disc 139'10. Deana Bernstein or Moorpark threw the javelin 151'4 and the Pasadena City College 4x100 team ran 48.28 for the only good marks.

LONG BEACH EDGES USC BY TWO

Long Beach, California, March 12: Cal State Long Beach outscored USC 68-66 in a dual meet on the Long Beach campus. The demise of the Trojans came in the distance runs where the 49-er's captured 1-2 in the 3000, 1-2 in the 5000 and 1-2-3 in the 1500. Laura Koterba-Buss did the most damage winning the 1500 and 3k. Sabrina Williams won both sprints for Old SC, Cindy Johnson had a good discus toss and heptathletes Kerry Bell and Sharon Hatfield were all over the place and the Trojans won 9 events to 7 for the victors, but it wasn't enough to overcome the Long Beach advantage in the long runs.

RESULTS: 5000, Shelley Prochaska (LB) 18:11.5; 4x100/4x400, USC 48.4/3:58.4; 100H, 1-Kerry Bell (USC) 14.9, 2-Sharon Hatfield (USC) 15.2; 400, Donna Curtis (USC) 56.6; 100/200, Sabrina Williams (USC) 12.2/24.8; 800, Rennie Durand (USC) 2:16.9; 1500/3000, Laura Buss (LB) 4:36.6/10:14.2; LJ, Chandra Roberts (LB) 19'8; DT, 1-Cindy Johnson (USC) 160'4, 2-Peggy Pollak (LB) 143'5; JT, Sharon Hatfield (USC) 132'10; SP, Peggy Pollak (LB) 51'8.

NE LOUISIANA WHIPS TWO

Monroe, Louisiana, March 15: Northeat Louisiana easily trounced visiting Southern Illinois and Grambling Universities in a triangual meet held in Brown Stadium.

It was Grambling's Gail Emmanuel, however, who turned in the best mark of the competition. Emmanuel toured the oval in 53.80 to win the 400 in excellent early season time. Emmanuel joined teammate Millie Jenkins, Yolanda Small and Verone Webber in a good 4x400 in 3:41.60. Emmanuel added a third in the 200 to complete her high scoring day.

day.

LADY GATOR CLASSIC

Gainesville, Florida, March 18/19: The Eighth Annual Lady Gator Classic produced a passel of fine performances. Best of the two days was Chandra Cheeseborough's sprint times of 11.2 and 22.6, but she was not alone in the good performances department.

Florida and Florida State turned on the burners in the 4x100 and 4x400 relays with Florida State winning the short race in 44.6 and edging the home team in the 4x400 with 3:39.4 to 3:39.7.

In the Intercollegiate/Open Division competition on Friday, Denise Wood out-threw Pat Walsh to win the discus 180'8 to 174'5. The next day in the Invitational event, the order was reversed with Walsh winning at 184'6 to 183'10 for Alabama's Pia Iacova and 179'2 for Wood.

LORI McCAULEY, Rutgers, won the Lady Gator Classic 400 in 52.9s. (Jeff Johnson photo).

Lori McCauley covered the same distance without hurdles in 52.9 and Bernadette Madigan (Ky) won the 1500 in 4:19.1.

Last year's NCAA high jump champ, Iceland's Disa Gisladottir (Alabama) won that event at $6'1\ 1/2$ and Myrtle Chester (Tennessee), now a US citizen, captured a good heptathlon with 5479 points with four others over the 5000 mark.

Led by Kimbrough, Braxton, Christian and Brown, who were each on three winning relays, the Bobcats tallied 86 points, 14 more than runner-up Kent State. Kent State won three of the four field events to stay close.

All field events were two-person

UCLA 4-WAY

Angeles, California, March 19: While the rest of the country is producing 3:39 4x400 relays, and 21 foot long jumps and 58 second 400 hurdles and 200 foot discus marks, UCLA is content to develop slowly as shown by their performances in this competition against Cal Poly/SLO, UC Irvine and Hawaii. The Bruins won four individual events and both relays while Cal Poly captured five events including a 1-2-3-4 finish in the 3000. It was a desultory meet.

There were two double winners. Hawaii's Gwen Loud, who is right at home in Los Angeles, won the 200 and long jump and UCLA's Lindy Toman took the shot and discus.

Fortunately for UCLA, it was a non-scoring affair. Using the 5-3-2-1 system, Cal Poly outscored the Bruins 64-49 with Hawaii not that far behind

ARIZONA CRUSHES

Arizona, March 19: Powerful Tucson. University of Arizona won every event except the long jump to completely dominate a dual meet against visiting UTEP winning 79-26. Ruth Waithera and Meg Ritchie were double winners for the Wildcats, while Cynthia Henry was the lone winner for the Texans as she leaped a quarter-inch less than 20 feet.

Ritchie's marks in the weights were outstanding. She tossed the shot 56'8 1/4 for the best mark in the US to date, and spun the disc 204'5. Newcomer Katrena Johnson was all over the place with a win in the high jump at 5'9 1/4, second in the long jump and second in the 100 hurdles.

WASHINGTON OPEN

Seattle, Washington, March 19: The throws, as is usually the case in early season meets, produced the best marks at the Annual Washington Open. All three weight events were won by unattached athletes. Julie Hansen 177'3, threw the disc 177'3, Marcia Mecklenberg won the shot at 50'8 1/4 and Vickie Smiley took the javelin with 164'10. Best of the rest was the 34:36.5 for 10000 meters by Montana State's Mary Lynn Guyer. Wet, windy weather slowed down the other events although Regina Joyce had an acceptable 1500 in 4:29.60.

RECORD FOR DENIZ

Tempe, Arizona, March 19: Leslie Deniz opened the discus competition with a throw of 210'4, a new American record. She then threw four consecutive fouls and finished the day with a throw of 211'1, thereby establishing her as the Numero Uno of platter throwers in the USA. The mark has been a long time coming for from her first days as a collegian, folks have been expecting her to get the record. Getting records not that easy however, and she wisely threw and threw, knowing someday the good one would come. Strangely, Deniz throw was not a field record, that being held by Arizona's British import Meg Ritchie. When these two tangle this season, it should be interesting.

Arizona State captured the three dual meets it was engaged in, defeating the Los Angeles Track Club 67-59, Kansas State 74-62 and Kansas 78-54. The LATC competition was interesting as the Sun Devils got off to a 21-1 lead and after five events were in front 30-6 in spite of the 44.29 win by Los Angeles in the 4x100. The Track Club pulled even at 45-45 after 11 events and went into the lead 50-49 with only four events remaining. The clubbers, however, were shut out in both the disc and 3000 and managed only nine more points to lose 67-59.

In addition to Deniz' discus mark, there were other good performances. Teammate Jennifer Lemke had a PR to win the shot at 51'3 1/2, the Track Club sped that swift 44.29 relay with a team of Jodi Anderson, Sandra Howard, Rhonda Bell and Diane Williams, Williams had a good 11.52 century and the Debus team won the 4x400 in 3:41.0 with a team of Howard, Sharon Dabney, Sandra Farmer and Rosalyn Bryant.

Deb Pihl led the Kansas State troops her 4:26.79 in the 1500 and 2:11.44 in the 800, both good for wins.

SAN DIEGO OVER USC AND CSLA

Los Angeles, California, March 19: San Diego State, which has an enviable dual meet record, notched up numbers 27 and 28 without a defeat as they downed Cal State Los Angeles 78-47 and USC 75-46 in a double dual held on the Trojans track. CSLA outscored USC 66-59.

The vaunted sprint power of the Diablos was much in evidence. Diane Williams led a 1-2-3 sweep in the 100 in 11.61, Sharon Dabney led a 1-2 finish in the 200 and Denean Howard galloped 52.6 to win the 400. Two weeks earlier, San Diego State trounced CSLA in both the 4x100 and 4x400 relays, but not today. In spite of slower times than in their first meetings, the LA school won both baton events in 46.6 and 3:40.0.

San Diego won only four events, USC captured five and CSLA took top honors in six events, but the Aztecs all-around depth carried them to victory as they went 1-2-3 in both the javelin and 3000 and 2-3-4 in the discus and 1500 - that's a lotta points.

USC provided the double winners as Donna Curtis won the 800 and 1500 and Cindy Johnson took the shot and discus.

HOUSTON WHIPS TWO

Houston, Texas, March 20: No one seemed to work too hard as Houston easily defeated Texas A&M and North Texas State in a triangular meet on the Cougars track. Only Patsy Walker was very busy during the day. Walker won the javelin, was second in the shot and long jump and fifth in the 100 hurdles. A&M's Suzanne Sheffield won the 800 and 1500 in pedestrian times of 2:20.71 and 5:01-6 and Houston's Lisa Ferry captured the shot and disc.

PRAIRIE VIEW SPRING RELAYS

Prairie View, Texas, March 26: Lynn Gamble captured SEVEN gold medals to lead the Prairie View Pantherettes as they staged the 53rd Annual Prairie View Spring Relays. Gamble won the long jump, triple jump, 400 hurdles and ran legs on the winning 4x100, 4x400 and sprint medley relays. Actually, her best performance came in the triple jump where she three stepped 39'4. Her 400 hurdles win was an acceptable 60.17 for her best performance on the track.

Teammate Sheila LaBome also went home with a fistful of golds. LaBome captured the 100 in a very swift 11.22, was third in the 200 and ran on three winning relay teams. LaBome poses a puzzle - her 100 was the fastest in the USA so far this season, but her 200 was a pedestrian 24.91.

Texas Southern was led by Anita Epps who recorded the best flight of 100 hurdles in the States to date with a 13.53 clocking. Victoria Gay was the other Tigerette to do well as she captured the disc and javelin. No score was kept.

EL PASO INVITATIONAL

El Paso, Texas, March 26: The El Paso International Invitational may have been so named because of its location across the river from Mexico, for only one foreigner was a winner. Holland's Jennifer Smit, competing unattached, won the shot for the only out-of-States gold.

The meet actually was hot and cold with some good marks and some not so good, such as the 118'11 winning mark in the javelin. There were two double winners. Debbie Greene (UTEP) won the long jump and 200, Smit captured the disc in addition to her shot win. Kim Turner won the 100m hurdles in a good 13.4 - three seconds in front of the second placer.

RESULTS: LJ, 1-Debbie Greene (UTEP) 19'9, 2-Cynthia Henry (UTEP) 19'2; DT, 1-Jennifer Smit (Un) 150'4, 2-Pat Jefferson (Tx Tech) 149'2, 3-Early Douglas (Tx Tech) 145'5; HJ, 145'5;

BIG THREE MEET

Austin, Texas, March 26: Three of the top teams in the nation tangled in the Texas University Memorial Stadium. Tennessee, Ranked #2 for 1983, Nebraska, just returned from winning the NCAA indoor title - and with Merlene Ottey now competing, and the home team University of Texas plus the University of New Mexico. It was no surprise that Tennessee won easily. The surprise was that Texas defeated Nebraska 39-36 for second spot. It was Nebraska's weakness in the disc and javelin which contributed to their downfall, but there were some surprise performances along with that. Susan Shurr won over Angela Thacker in the 100, for example. And Texas won both relays! It was a great day for the Lone Starers.

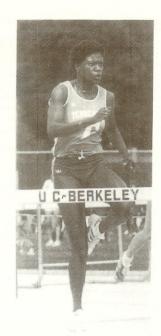

Lone Starers.

As for Tennessee, they performed with class, as usual. Benita Fitzgerald was the big gun with victories in the 100, 200 and 100 hurdles and clockings of 11.2, 23.0 and 13.5.

The 400 was the best race of the day with Ottey returning to the wars with a 51.59 victory over fellow Jamaican, Tennessee's Cathy Rattray who ran an impressive 51.82.

Nebraska was definitely below par and Coach Phil Delavan's crew hit them on the right day. The Husker's Janet Burke, for example, an 11.40/23.60 sprinter, finished sixth in the 400, Jennie Gorham ended up 7th in the 200 and was in the long jump (6th), Nicole Ali not up to snuff and Angie Thacker was not exactly red hot - and so it went. Nebraska could have nabbed second place by winning the 4x400, but they did not enter a team.

SALUKI RELAYS

Carbondale, Illinois, March 26: The Annual Saluki Relays for 1983 became the Relays that weren't as the event had to be called off in mid-meet due to horrendous weather. Conducted in rain, with winds up to 50mph, congratulations go to all those who took part.

TOWSON INV

Towson, Maryland, March 26: Morgan State won five events and George Mason only three, but the Patriots depth made the team scores far apart as they won the 8th Annual Towson State Invitational with 109 points to 72 for the Bearettes.

There were no double winners and the Morgan State clockings in the 4x100 and 4x200, along with Thea Ackerman's 5'10 mark in the high jump, were the best marks of the day, but the best race was the 800 where the first four finishers crossed the line in a tight bunch.

The Lady Apps won five of the six relays to pick off the team title. There were two double winners, neither from the number one team. BERKELEY MEET OF CHAMPIONS

Berkeley, California, March 26: New California coach Tony Sandoval ran off his first Golden Bear/Nike Meet of Champions on a chilly afternoon in Berkeley and was rewarded with some excellent early season performances.

Probably the best of the day came from Oregon's Australian distancer Lisa Martin who cavorted around the oval for 10000 meters in 33:12.1, the fourth best ever by a collegian. Hot on Martin's trail as the best performance came the 2:02.8 800m run by veteran Robin Campbell. After piddling around between 2:06 and 2:05 for seemingly umpteen years, Campbell had her PR last year at 2:01.02 and now, with added maturity and experience, appears ready to run with the best of them.

Other good marks came from Cal Poly/SLO's Amy Harper, who whippped Amy Harper, who whippped Oregon's Kathy Hayes in the 5k, 15:50.4 to 15:51.2, from the Cal State LA 4x100 team and from Cal's Louise Romo who moved up to the 1500 and turned in the best US mark to date with 4:17.0. Best competition came in the discus where 160'9 was good for only fifth place as Stanford's Carol Cady continued her fine 1983 season with a winning throw of 184'4. For those watching this first clash of such powers as Stanford, Cal, Washington, Oregon and CSLA, not much was settled. Stanford, Washington and Cal State LA each won two events and Oregon won three. But Division II Cal Poly of San Luis Obispo won four.

RITCHIE DOES IT

Tucson, Arizona, March 26: Arizona's Meg Ritchie, in one toss of the shot, "made" the Willie Williams Memorial Classic a classic. Her throw of 59'3 set a new British Commonwealth record, a new United Kingdom record, a new American Collegiate record, a new NCAA record, a new Western Collegiate AA record, a new Arizona Open record, a new Stadium record and a new school record. Ritchie won by nearly ten feet from Julie Jones of BYU, a good collegiate performer. She came back to win the discus with "only" 186'6.

Surprising Laura Lim, Arizona, continued to perform well. She beat Robin Marks in the 100m hurdles and then captured the 200, both in good

BYU's Carey May spun the 10k in 34:11 for another good mark although the officials apparently timed that race as they would a cross country gallop.

Charlottesville, Virginia, March 26: University of Virginia's all-rounder Ann Bair captured the Invitational Heptathlon as The Cavaliers opened the outdoor season. Bair's winning score was 5237 with marks of 15.0, 34'4, 5'6, 25.8, 17'8, 107'0 and 2:24.8. Runner-up was teammate Beth Sheehan with 4937. James Madison's Lisa Diggs, with 4447 points, was third.

FRESNO STATE WINS

Fresno, California, March 26: Fresno State scored a surprisingly easy win over visiting UC Santa Barbara, Cornell University and Boise State in a four-way affair in the central California city.

No outstanding marks were recorded. Fresno's Shari Veliz was a double winner in the 200 and long jump, the latter at 19'0 1/4.

AIR FORCE WINS REDLANDS INV

Redlands, California, March 26: A group of aggressive runners from the Air Force Academy walked off with the team title at the Eighth Annual Redlands Invitational. In a meet where Meet Records are held by such as Karin Smith, Lorna Griffin, Tammie Etienne, Joan Hansen, Pam Spencer, Andrea Lynch et al, new meet records were at a premium, but the Academy athletes showed southern California what a group of determined individuals can do. Joy Meyon led the Falcons with wins in the 800 and 1500, the latter over a constantly overstriding Cindy Nagel, but she received plenty of help from Gail Conway who took the high jump and ran on three or four winning relay quartettes, and by Sharon Rucker who won the 100 and long jump and also scampered on a couple of baton teams. Air Force superiority in the baton events was overpowering. They won the sprint medley by nine seconds, won the 4x100 by two seconds, won the 4x880 by 34 seconds and won the 4x440 by 22

ARKANSAS INV

Fayetteville, Arkansas, March 26: Cold weather and rain took care of outstanding marks at the annual Arkansas Invitational, but there was good competition in the non-scoring meet.

In spite of the bad weather, good marks were recorded in the 4x100 by Kansas (46.4) and the home team (46.9) and by double winners Renee Baumgarner and Alicia McQueen, both of Wichita State. Kansas' Halcyon McKnight had a creditable 20'3 mark in the long jump.

HOUSTON WINS TWO AGAIN

Houston, Texas, March 26: Carol Lewis led the University of Houston to a 14 point victory margin over visiting Arizona State and an easy win over Oklahoma. Lewis won three events, the high jump with a new PR at 5'11, the long jump with a leap of 20'10 3/4 and the 100m hurdles in a wind-aided 13.64.

At first glance, it is difficult to see how the Cougars won over Arizona State. Known mainly for its speedsters, Houston lost the 100 to ASU's Sharon Ware and were one-twoed in the 200 by Terry Chapple and Ware, they lost the 400 to Oklahoma's Annette Campbell and they lost the 4x400 to Oklahoma, anchored by Campbell. Houston won only five individual events to eight for the Sun Devils and they are not known for their depth - but when the score was tallied, they had pulled it out. Leslie Deniz led Arizona State with wins in the shot (52'10) and disc (205'11).

Los Angeles, California, March 27/28: The weight events and the heptathlon provided the best performances as USC Coach Sherry Calvert staged her Annual Invitational. OREGON OVER WASH

From Lester B. Hansen

Eugene, Oregon, April 2: The dual meet between Oregon and Washington was supposed to be a lot closer than it turned out. Many believed it would come down to the mile relay, due to the absence of some key Oregon performers either injured or sidelined for disciplinary reasons, and the presence of outstanding sprinters from Washington, and their splendid distance corps led by Regina Joyce, whose only effort of the day turned out to be a mediocre third (9:18.9) in the 3000m.

Washington coach Al Bonney said, "With all their injuries, we should have won going away. Instead, we let them off the hook."

Oregon's 72-55 victory marked the sixth win in a row over the Huskies in dual meet competition.

Oregon's LEXIE MILLER BECK was a double winner in dual meet against University of Washington. (Bill Leung photo).

A good part of Oregon's success was due to the gutty performances by Lexie Miller Beck, who could be counted in 15 of the Duck's points, including wins in an exhausting back-to-back 100 hurdles/400m parlay...plus a 58.1 anchor lap in the mile relay. More unexpected Oregon points came when Karen Drake took second in the 1500m

between Washington's talented Gregg sisters, Sandra and Susan. A win in the javelin by Lynda Hughes didn't hurt Oregon's chances. The nation's leading thrower to date, Deanna Carr of Washington with a mark of 181'2, could do no better than third, more than 20 feet back of her 1983 best.

Two of Washington's five first places were recorded by widely recruited Donna Dennis in the 100 and 200, although the times were very slow.

Most marks were sub-par, even for so early in the season, due to Ma Nature's weather clinic which included splendid examples of rain, sleet, hail, lightning (less than a mile from the field) and thunder, in 48 degree temperature and 10-20 mph winds in the faces of the sprinters and long jumpers.

RESULTS: LJ, 1-Sharon Johnson (O) 18'2 1/2; JT, 1-Lynda Hughes (O) 169'9, 2-Vicki Smiley (W) 161'5, 3-Deanna Carr (W) 160'1; 3000, 1-Kathy Hayes (O) 9:12.3, 2-Lisa Martin (O) 9:15.8, 3-Regina Joyce (W) 9:18.9; 4x100, 1-Washington, team of Benjamin, Forward, Davis, Dennis in 47.82, 2-Oregon 48.80; 100H, Lexie Beck (O) 14.47; 400, 1-Lexie Beck (O) 56.47, 2-Colleen Richardson (W) 56.70; 100/200, Donna Dennis (W) 12.23/25.21; 800, 1-Claudette Groenendaal (O) 2:10.30, 2-Ranza Clark (O) 2:10.96, 3-Susan Gregg (W) 2:13.17; 400H, 1-Lisa Nicholson (O) 62.88, 2-Laurie Coaston (W) 63.56; SP, 1-Quenna Beasley (O) 49'3 1/4, 2-Jackie Henry (W) 46'6 3/4; J, Diane Baumann (W) 5'8; 1500, 1-Sandra Gregg (W) 4:26.51, 2-Karen Drake (O) 4:32.26, 3-Susan Gregg (W) 4:32.74; DT, 1-Quenna Beasley (O) 152'7, 2-Melanie Morrison (O) 143'2; 4x440, 1-Oregon, team of Groenendaal, Hilsenteger, Nicholson, Beck in 3:55.03, 2-Washington 3:56.39.

W. WASHINGTON WINS

Bellingham, Washington, March 31: Western Washington entertained Simon Fraser University (Canada) and Seattle Pacific in about as even a triangular meet as possible. The Canadians and Seattle Pacific split all the running events and the home team won four of the five field events, yet the Vikings had clinched the meet before the final event, the mile relay, where they finished last! But it was close. Western Washington won with 54 points to 52 for Seattle Pacific and 47 for Simon Fraser. The double winners were all doing the expected - Lori Ewing (SF) won the two dashes, Chris Klausman (SP) took the two hurdles and Kristy Dees (WW) won the two jumps. Simon Fraser won the two relays as well.

RESULTS: 4x100/4x400, Simon Fraser 49.6/4:01.4; HJ/LJ, Kristy Dees (WW) 5'6/15'8; 1500, Lisa Koeligen (SP) 4:35.7; DT, Diane Bedell (SP) 129'0; 100H/400H, Chris Klausman (SP) 15.3/61.6; 100/200, Lori Ewing (SF) 12.3/25.5; 800, Leah Pells (SF) 2:14.5; SP, Lisa Herrold (WW) 37'1; JT, Joan Williamson (WW) 138'1; 5000, Connie Benson (SP) 17:20.3.

The Texas wind negated such performances as an 11.1 century by Michele Glover, a 23.2 furlong by Novaita Samuels and the 13.23 hurdles by Kim Turner, but lap races were all swift including a 44.94 by the Houston 4x100 team and 3:39.67 by Prairie View's 4x400 squad. Stillwater, Oklahoma, April 2: Kansas State grabbed most of the events as the University of Oklahoma staged its Annual Ralph Higgins Invitational. The Wildcats captured seven events and provided the days brightest star in sprinter Donna King who won both dashes in good times and defeated Missouri's import Rufina Ubah in the furlong. Other good marks were turned in by Kellee Eubanks (Missouri) with 20'2 3/4 in the long jump and KSU's Rita Graves with 5'10 in the high jump.

LESLIE DENIZ, Arizona State, upped the American Record in the discus for the second time this season with a throw of 212'0 at the Sun Angel Classic.

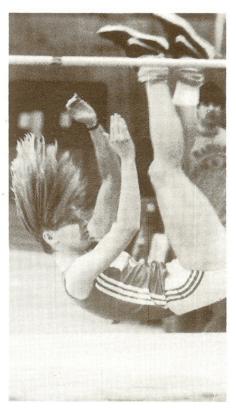

SUN ANGEL CLASSIC

Tempe, Arizona, April 2: Perish the thought that a discus thrower can waft the platter 211 feet in an American competition - and lose! That's what happened to Holland's Ria Stalman at the Sun Angel Classic as Leslie Deniz broke the American record for the second time this season with a throw of It was quite a duel. Stalman opened with 204'0, Deniz answered with 205'5. Stalman whipped one out 206'4 on her second effort and Deniz finished it off right then with 212'0 (64.62). Deniz series was 205'5, 212'0, 209'4, 208'11, foul, 204'2. Stalman's series wasn't so bad either: 204'0, 206'4, 211'0, 198'11, 198'0, 207'11.

But the discus wasn't the only outstanding event in Tempe. Carol Lewis hopped 22'1 3/4 to win the long jump over the Atoms' Dorothy Scott (21'6 1/4); high schooler Natalie Kaaiawahia won the shot at 51'4 1/4; Sandra Farmer ran 400h in 57.85 and the relays were all scintilating - feel for the Atoms' 4x400 team which ran 3:36.27 and finished third and their 4x800 team which ran 8:50.73 and lost by five seconds! and their 4x100 team which ran 45.50 and finished third again! and their sprint medley team with a clocking of 1:41.99 - you guessed it third again!

DEBIE THOMETZ

By Dave Schwartz

What does a five time All-American, national champion and four time runner-up, collegiate woman track and cross country runner do for an encore? Run a marathon, Debbie Thometz said.

Thometz, who led the College of St. Thomas' (St.Paul, Minnesota) women's cross country team to two consecutive national titles, plans to run the Grandma's marathon in Duluth next June. This is her last major goal in competitive running.

"I want to try a marathon, that's my big goal," Thometz, smiling eagerly, said. "I'd like to run it once just to

see how it goes."

Joe Sweeney, who's coached Thometz for three years said she may turn heads of the top female runners at Grandma's.

"The longer she runs, the better she does," Sweeney said. "if she's trained well, I think she can surprise a lot of people - even in her first marathon."

After the marathon, Thometz said she will probably retire from competition. But Thometz, a 1979 graduate of St. Cloud Tech High School, will continue to run because she wants to stay in shape and finds running to be a release from pressure.

"Running is really relaxing for me," a softspoken Thometz said. "It gives me a chance to run off my frustrations. During final exams I put in more miles than any other time of the year."

Thometz started running at age nine in summer programs and continued throughout high school where she placed fifth in the state in the two mile run. Thometz wasn't sure if she was going to compete in college because she wanted to concentrate on her studies. But Thometz did compete, and said she did poorly her freshman year - fifth best runner on the team and 64th in the nationals - because she didn't take running seriously. The next year St. hired Sweeney as coach and Thomas Thometz's times and attitude changed.

"He (Sweeney) really expected things out of us," Thometz said thoughtfully. "And I think when somebody really expects you to do something, you're

going to try a lot harder."

Sweeney developed the women's cross country program at St. Thomas by introducing a summer running schedule That and new training techniques. year, St. Thomas made its first trip to nationals and placed fourth, while Thometz took second place and became St. Thomas' first female All-American.
"She was someone who was just

waiting for something big to happen, no matter who came along to coach her," Sweeney said. "Debbie went from 64th in the nation to Number Two in one year. The greatest thing about it was that it's been an inspiration to everyone else." The greatest thing about it was

. As a junior, Thometz won state, regional and the AIAW Division III national championships, and broke three course records in the process. Sweeney said Thometz's low resting pulse, fast recovery rate, and mental toughness are her biggest assets.

"There's nothing spectacular about

her form, she's short for a runner which is never an advantage," Sweeney said. "The biggest thing she has going for her is that she has a very low metabolism."

Thometz leadership abilities also Lped St. Thomas win its first helped St. national women's cross country title.

"She's not super outgoing, even a bit shy, but she leads by example,"
Sweeney said. "She's quiet, but around us she has a very good sense of humor and personality."

"She's got what we call on the team, 'Quiet confidence'. I don't like to see a lot of singing, jumping up and Debbie's in down and rah-rah-rah. control, she knows what she has to do, and she does it."

Last fall, St. Thomas moved to the NCAA Division II after the AIAW folded. Sweeney pitted his team against Division I and II runners because he wanted to better prepare them for national competition. As a returning national champion, and with tougher competition, Thometz began to feel the pressure.

"Some people don't really understand and they just look at how you did last year," Thometz said, and added with a laugh, "so if you go up against "so if you go up against I and II schools, the Division competition is a lot better, and if you weren't coming out on top they were wondering what's wrong."

Thometz was the national runner-up this fall, but wasn't disappointed. She was happy to participate again in what she called a great experience.

"She keeps everything in perspective," Sweeney said. "She's got her studies, a social life,...she's got a little bit of everything, and that's the way it should be in a school like this."

Thometz, who was the national runner-up in the 5000 and 10000 meter runs, is now into the track season. She missed track season last year because she was studying in London. Sweeney has high hopes for his team this spring.

"Debbie's fast recovery rate allows us to use her in more than one race in a short period of time," Sweeney said. In the state finals two years ago Debbie ran the 10000m on Friday, the 3000 and 5000 within an hour of each other on Saturday, and won all three."

Next fall, Thometz plans to go to graduate school in psychology. She'd like to enroll in an industrial-psych program at the University of Minnesota and someday work in corporate relations. Sweeney said he and the team will miss her, but her contributions to the program would be remembered for a long time.

"Debbie's very cooperative, she always trusts my judgement," Sweeney said. "I've never had anyone so cooperative and coachable."

THE SALES PROS AT FOOT LOCKER. EXPERTS EVEN THE EXPERTS

PUT AN END TO WOMEN'S SUFFERAGE.

There is no such thing as the gentle sex.

When it comes to battering the body, women runners are every bit men's equal. With each step, they send a shock wave roaring through the bones of their foot, up the skeleton to the brain—at over 200 miles per hour.

And you wonder why proper cushioning is so important? Without it, runners are flirting with stress fractures, tendinitis, Tower back pain and migraine headaches.

If you're the female of the species, the best place to cool your heels may well be in our new Aurora.

It is the only woman's shoe that features the full-length NIKE-Air™ midsole.

In tests at our Sport Research Lab, we found the simple addition of the NIKE-Air midsole will automatically increase a shoe's cushioning ability a full 12 percent.

And the Aurora will take all the abuse you can dish out. Whereas most ÉVA midsoles can lose a good fourth of their cushioning after just 500 miles, the NIKE-Air midsole

We should point out, however, that this shoe discriminates on the basis of sex. It is strictly for women. Made on our new woman's curved last. Compared to its male counterpart, the Columbia, the new Aurora is more narrow in the forefoot, more trim at the instep and more snug at the heel.

Of course, that doesn't mean the Aurora is functionally superior to the men's Columbia. We don't think women want those sort of special favors.

We just want to make sure they're on equal footing.
