

GRELLE IN SWIFT 3:55.4 MILE; YOUNG UPSETS FIELD IN 5,000

Tommie Smith Runs 20 Flat for 220 Mark

SACRAMENTO (UPI)—Tommie Smith lived up to his reputation as the world's fastest human Saturday night as the San Jose State sprint star set a world record for the 220 yard dash around a turn with a 20-flat clocking.

His blistering run, under ideal conditions at the Sacramento Invitational track meet cracked the existing record of 20.2 set by Henry Carr of Arizona State in 1964.

Second Record

It was Smith's second world record in a matter of weeks. He recently shattered the 220 yard and 200 meter marks on a straight-away with a 19.5 clocking.

All but two official watches caught Smith in 20-flat Saturday night. One had the Spartan sprinter in 19.9 and another in a shade of 20 seconds.

Smith's stunning performance followed on the heels of a hammer throw spectacular by world record holder Guyula Zsivotsky of Hungary.

Hammer Series

The Hungarian strongboy turned loose a 215-102 effort, the longest throw ever on American soil. While it fell short of his pending world mark of 241-11, it nevertheless gave him a U.S. All-Comers record.

His series was 234-8½, 234-5½, 232-2, foul and 230 even.

A national junior college record went by the boards when Dennis Phillips of San Mateo bettered the mark of 16-6 in the pole vault with an effort of 16-8.

Lee Evans of San Jose lowered his own national JC 400 record by one-tenth of a second when he ran it in 46.1.

JAVELIN—1. Conley (Santa Clara VVU), 222-5; 2. Baughman (Santa Clara VVU), 202-2; 3. Anderson (California), 170.

SAN DIEGO—Although Balboa Stadium teemed with world record holders competing in the San Diego Invitational Track meet Saturday night, no global marks fell.

But the 10,231 customers nonetheless were treated to a good show.

Jim Grelle uncorked a 3:55.4 mile—and then commented that he's ready to eclipse the world record of 3:53.6.

George Young, the American steeplechase champion, scored a large upset in the 3,000-meter run by defeating Ron Clarke of Australia, Gaston Roelants of Belgium and fellow citizens Bill Mills and Tracy Smith with his all-time best of 13:40.2.

Women's Records

Tiny Charlette Cooke of the Los Angeles Mercuries, who set a women's American 440 record of 53.5 earlier this year, cut it down to 53.3.

John Pennel, after winning the pole vault at 17 feet, ¾ inch, had the bar raised to 17-6¾ in an effort to crack Bob Seagren's world high of 17-5½ and came close on the second of his three attempts.

Grelle, who'll soon turn 30, was voted the athlete of the meet as he equalled his all-time best and bettered four minutes for the 20th time in his career.

Jim needed all his speed, for Neill Duggan, English exchange student at Hancock College, finished only five yards back in 3:56.1 for a national junior college record.

Incidentally, Dave Bailey of Toronto, third in 3:59.1, set a Canadian record, and Tim Danielson of Chula Vista, twice state high school mile champion, became the second prep (after Jim Ryun) to crack four minutes as he did 3:59.4.

Young held off Clarke in a stirring stretch duel. The Aussie, fatigued from lack of sleep on his trip from Down Under, finished three-tenths back in 13:40.5.

UCLA freshman Harold Busby was the evening's only double winner, winning the 100 in 9.6 and the 220 in 20.6. His time for the furlong equalled the national frosh record set in 1964 by Bernie Rivers of New Mexico.

Randy Matson, world record holder in the shotput at 70 feet 7¼ inches, didn't come close to that distance but was an easy winner with 66-11½.

The Texas A&M giant said he had a slightly sprained hand.

Speaking of injuries, world long jump record holder Ralph Boston, limping because of a bad knee, nonetheless managed to leap 25-3 for first place.

Shy Missing

The expected high hurdles duel between Willie Davenport, Southern U. freshe who recently equalled the world mark of 13.2, and San Diego State's Don Shy, who has done 13.5 this year, failed to materialize because Shy didn't show up.

Davenport won, as anticipated, in a slowish 13.7. Though finishing out of the money in the 880,

Terry Rogers of Hilltop High in Chula Vista clocked 1:50.4, best prep time of the year and the sixth fastest of all time.

The 880 went to Tom Farrell of the New York AC in 1:48.2.

49ERS, GIANTS PAID OFF

spending AFL, raged at Mara and his fellow hold-out, Lou Spadia, general manager of San Francisco.

Another target of the peace-minded NFL owners in these sessions was commissioner Pete Rozelle, who at one point was angrily accused by Vince Lombardi of Green Bay as being "negligent in your duty to the league in the Gogolak case."

It was the Giants' raid on the Buffalo AFL team's roster and their signing of ace field-goal kicker Pete Gogolak that triggered the AFL's threats of massive retaliation, including offers to the NFL's biggest stars. It was in their efforts to avert a go-broke war that the NFL owners arranged a hasty peace after failing to dissuade Mara from signing Gogolak and Rozelle from approving the contract.

The Giants and San Francisco were able to demand a high price for their consent to the merger because (1) their two votes were needed to meet the requirement of unanimous approval and (2)

they could validly claim they were the only two NFL clubs being asked to share a home territory with AFL teams. Oakland of the AFL, operates in the San Francisco area, and the New York Jets are home-town competition for the Giants.

The vote for a merger with the AFL was 13 to 2 among NFL owners for several days before they could persuade Mara and Spadia to capitulate. The eagerness of the majority of the NFL club owners to make peace at almost any price is seen in the breakdown of the 18 million dollar tribute from the AFL. After the Giants and 49ers get shares of 8 million dollars and approximately 6 million dollars, the other 13 clubs are taking individual shares of only \$307,000.

Rozelle said at the time of the settlement that the Giants and San Francisco would be paid a higher proportion of the \$18 million dollars than the other clubs because of "territorial encroachment," but this was far from indicating that those two teams would get 77% of the loot.

The majority of the

NFL owners knew that Mara was considering for many weeks the signing of Gogolak in defiance of the unwritten agreement that the two leagues would not cross league lines in prosecuting players who had played out their option.

"But when it happened, and Mara said during the league meetings in Washington on May 17 that he was announcing he had Gogolak from Buffalo, we couldn't believe it," said one NFL general manager.

"One of the owners," he said, "waved a finger at Mara and said, 'You can't do this to us. You've got 14 partners in this business.'"

It was at this point also, it was related, that a group of the owners shelved the discussion of a new contract for Rozelle, who has only one year remaining on his term as NFL commissioner. Customarily, the commissioner's contract is renewed at this point, but there was anger at Rozelle's failure to persuade Mara, in some manner, to abandon his brush act against Buffalo that precipitated the AFL's counter-raids.

San Diego St. Repeats as Track Champs

CHICAGO (AP)—San Diego State accounted for two of seven meet records set in amassing 67 points to repeat as team champion in the NCAA Collegiate division track and field tests at Stagg Field Saturday.

San Diego's Houston Ridge tossed the shot 60-10½ and teammate Rick Hermann ran the 880 in 1:49.1 for records. The respective old marks were 57-4 by Lee Johnson of Redlands in 1965 and 1:50.8 by Ralph Lee of Cal State (LB) in 1963.
