SUMMARY OF 1966 TRACK AND FIELD PROSPECTS

TRACK EVENTS

Sprints

	<u>100</u>	<u>220</u>
Roger Cox	9.6	21.0
Donn Forbes	9.8	--
Larry Questad	9.3	20.6
Andy Sears	9.8	21.6
Russ Taplin	9.8	22.0

LOSSES IN THESE EVENTS: Eric Frische, Bob McIntyre, and Dale Rubin, who along with Larry Questad made up one of the best sprint relay combinations in Stanford history.

ROGER COX - A sophomore from Redlands (Redlands High School). A top prospect who tied the Stanford Frosh record in the 100 with a 9.7 clocking last year. Roger will be a key man in the sprints and sprint relay events this year. As co-captain of the freshman team, Cox additionally ran on the record smashing 440 and Mile Relay teams. He is a fine competitor who makes good use of both size and strength. Is expected to run the 100, 220, 440, and the 440 to Mile Relays this year. Majoring in Political Science.

DONN FORBES - A junior from Leavenworth, Kansas (Leavenworth High School). Handicapped by missing early practice sessions while attending the Stanford campus in Florence, Italy a year ago, Donn saw only limited action in the 100 and 440 Relay. This year he has been available for all workouts and currently holds down the leadoff spot on the 440 Relay in addition to chores in the 100 and 330 Intermediate Hurdles. Forbes is big and strong and has good competitive drive. Majoring in Political Science.

LARRY QUESTAD - A senior from Livingston, Montana (Park County High School). As a world class sprinter for the past three years, Larry has virtually rewritten the Stanford sprint record books. Last year he received All-American mention for his anchor leg on Stanford's world record setting 440 Relay squad. As a sophomore (in 1963) he was the NCAA 100 Yard Dash champion and was runner up in the 220 event, as he set Indian records of 9.3 and 20.6. After a year's layoff from collegiate competition, Questad returned in 1965 with marks of 9.3 and 20.7, ranking third and fourth in the nation in the respective events. Larry gained international experience in 1963 when he competed in the Zhamensky Brothers Meet in Moscow, Russia, and toured Finland and England. He will also run the 440 at times this season. Majoring in Mechanical Engineering.

ANDY SEARS - A sophomore from Belmont (Carlmont High School). A durable sprinter, Andy never missed a meet as the number two sprinter for the Frosh last year. He has times of 9.8 and 21.6 to his credit and is just beginning to realize his full potential. Andy is slated for duty in both sprint races, the 440, and the two sprint relays. As a freshman he had a hand in the record-setting 440 and Mile Relay teams. Majoring in General Studies.

RUSS TAPLIN - A sophomore from Modesto (Davis High School). Russ is another durable sprinter up from the freshman team. He frequently will run 220 and 440 doubles this year although he can be used in the 100 and on relay combines from 440 to the Mile. Taplin ran on the two freshman record breaking relay teams last year. Majoring in General Studies.

440 Relay Team

440 Relay - To be chosen from among Donn Forbes, Andy Sears, Russ Taplin, Jim Ward, Roger Cox, and Larry Questad.

880 Relay - To be chosen from among Donn Forbes, Jim Ward, Andy Sears, Russ Taplin, Roger Cox, and Larry Questad.

440 Yard Dash

	<u>220</u>	<u>440</u>
Terry Fredrickson	--	47.9
Glenn Havskjold	--	48.2
Mike Hughes	--	49.0
Dell Martin	21.7	48.4
Jim Ward	21.6	47.5

LOSSES IN THIS EVENT: Ken Fraser, fourth place finisher in the 1965 AAUW meet.

TERRY FREDRICKSON - a junior from Northfield, Minnesota (Northfield High School). Terry came into his own in Fall workouts and currently rates as the best on the team at this spot. He is stronger, faster, and more confident than he was a year ago when he ran a leg on the school record tying Mile Relay team. Fredrickson's best mark in the 440 is 47.9 and this should be lowered before the season is too old. Terry has the ability to run a good 880 and may see use as a member of the Two Mile and Distance Medley relays, in addition to his regular spot on the Mile Relay. Majoring in History.

GLENN HAVSKJOLD - A junior from Havre, Montana (Havre High School). A regular in the Mile Relay as a sophomore, this barrel-chested performer should be much improved in 1966. Glenn has yet to realize his potential in the 440, but could be a key man in this event. He also will hold down a spot on the Mile Relay and the year's experience should begin to pay dividends. Majoring in Mechanical Engineering.

MIKE HUGHES - A sophomore from Tucson, Arizona (Rincon High School). Strictly a 440 man, Mike has improved a great deal since his freshman campaign. He is currently running very well and could have a big year. Majoring in General Studies.

DELL MARTIN - A sophomore from Portland, Oregon (Wilson High School). A dedicated worker, Dell was picked as the top performer on the 1965 freshman team. Basically a long sprinter, Martin will be used regularly in the 440 Dash and the Mile Relay, and will see some duty at 220 Yards. Majoring in English.

JIM WARD - A sophomore from Columbiana, Ohio (Columbiana High School). One of the top performers up from the Frosh, Jim is the yearling 440 record holder at 48.0, and was a member of the record setting 440 and Mile Relay units. Ward is currently scrambling for the top spot in the 440 and already this year has clocked 36.2 for 352 yards, the best ever at Angell Field for this distance. This sophomore also will see duty on the 880 and Two Mile Relays. Majoring in Economics.

Mile Relay Team

To be chosen from among Glenn Havskjold, Dell Martin, Terry Fredrickson, Roger Cox, Jim Ward, Mike Hughes, Jack O'Brien, Russ Taplin, Andy Sears, and Larry Questad.

880 Yard Run

	<u>880</u>	<u>Mile</u>	<u>2 Mile</u>
Dave Deubner	1:51.1	4:03.2	8:56.1
Randy Hyvonen	1:55.5	4:11.9	--
Mike Jacobs	1:54.2	--	--
Henrick Lund	1:55.0	--	--
Jack O'Brien	1:56.1	--	--

LOSSES IN THIS EVENT: No significant losses.

DAVE DEUBNER - A senior from Orinda (North Eugene, Oregon High School). Although he is the team leader here, Dave will only see occasional duty in the event. His primary race will be the mile where he captured second in the 1965 AAWU meet. Majoring in English.

RANDY HYVONEN - A junior from Red Lodge, Montana (Red Lodge High School). Randy is dividing his time between the 880 and the Mile this year. Hyvonen has outstanding potential in both events, but will concentrate on the shorter distance. Added strength and a year's experience should make for marked improvement. Majoring in English.

MIKE JACOBS - A sophomore from Hillsborough (Burlingame High School). Mike's best time is 1:54.2 and this should be improved since he has gained a great deal of strength from the Fall training program and from running on the Cross-Country team. Jacobs has a good judgement of pace and sustains a relatively good pace. Majoring in Economics.

HENRICK LUND - A junior from Oslo, Norway (Oslo Katedralshole). Henrick is an unknown quantity who still needs plenty of work. Lund has an excellent stride and is progressing rapidly with work on pace and conditioning. Majoring in Civil Engineering.

JACK O'BRIEN - A junior from Ventura (Ventura High School). Jack is a newcomer to 880, having moved up to this event from the 440. He currently ranks as the number one man here and should be a pleasant surprise during the course of the season. O'Brien has fine running range as evidenced by the fact he has seen action as a sprinter, a middle distance performer, and as a member of the Cross-Country team. He is tough and is willing to pay the price for success. Majoring in Biology.

Mile Run

	<u>880</u>	<u>Mile</u>	<u>2 Mile</u>
Dave Deubner	1:51.1	4:03.2	8:56.1
Randy Hyvonen	1:55.5	4:11.9	--
Jim Letterer	--	4:22.0	9:31.0
Alex Whittle	1:55.9	4:11.6	9:20.8

LOSSES IN THIS EVENT: Paul Schlicke, fourth place finisher in the 1965 AAWU meet and a consistent point winner; Harlan Andrews, Martin Hill and Weym Kirkland.

DAVE DEUBNER - Dave is the leader in this event and his 4:03.2 clocking and second place finish in the AAWU meet proved he is of championship caliber. Deubner's mark ranked fifth in collegiate circles in 1965.

RANDY HYVONEN - The Mile will be a secondary event for Randy, as he will double between the 880 and the four-lapper. He is capable of running a strong mile and this could very well be his best race.

JIM LETTERER - A sophomore from Berkeley, Illinois (Proviso West High School). Basically a two-miler, Jim will run the mile occasionally. Letterer has good ability and fine potential but needs long distance maturity. A member of the Cross-Country team. Majoring in Electrical Engineering.

ALEX WHITTLE - A sophomore from La Canada (Muir High School). Alex really came along this Fall and gained the number one position and most valuable performer award on the Cross-Country squad. The youngster is a talented athlete who has improved immensely since enrolling at Stanford. Whittle is basically a two miler who will be used occasionally at the shorter distance. He has a sure attitude and good strength for the longer runs. Majoring in General Studies.

Bob Kelley	--	9:25.0	--
Jim Letterer	4:22.0	9:31.0	--
Alex Whittle	4:11.6	9:20.8	--

LOSSES IN THESE EVENTS: Paul Schlicke, the Stanford record holder in the Two Mile; Weym Kirkland, fifth place AAWU finisher in the three mile and a strong two miler; and Martin Hill.

DAVE DEUBNER - The Stanford record holder for the 3 Mile Run, 13:57.7, Dave will see duty in the Two Mile although it will not be his primary event.

JIM LETTERER - Jim is primarily a two miler with a best of 9:31.0. Much improvement is expected in this event as he gains experience.

BOB KELLEY - A sophomore from Spokane, Washington (Gonzaga Prep). Bob is slated to concentrate on the Two Mile and the Steeplechase in his first varsity campaign. A little man, Kelley is a fighter who gets a lot of mileage out of his ability. Majoring in History.

BRUCE JOHNSON - A senior from Orinda (Miramonte High School). As a steeplechase specialist, Bruce rates as the second best in Stanford history, behind record holder Harry McCalla. Johnson missed the track campaign a year ago and now must battle back to make up for that absence. A hard worker, he has looked impressive in workouts to date. Majoring in Political Science.

ALEX WHITTLE - Alex will double frequently, Mile and Two Mile, early in the season, then will specialize on the Two Mile, his best event.

High and Intermediate Hurdles

	<u>120 HH</u>	<u>330 IH</u>
Donn Forbes	--	42.0
Grady Means	15.4	40.0
Bud Walsh	14.7	37.7
John Williamson	15.5	--
Tyler Wilkins	15.3	--

LOSSES IN THESE EVENTS: Greg Ford, a leading point winner; and Rick Scherer

DONN FORBES - He is slated for duty here as well as in the sprints.

GRADY MEANS - A sophomore from North Hollywood (Notre Dame High School). As one of the top hurdlers up from the freshman team, Grady will see double duty as a varsity performer. His best race is the Intermediates where he is working on strength and speed work, and should easily break the 40.0 barrier. Majoring in Biology.

BUD WALSH - A junior from Coos Bay, Oregon (Marshfield High School). Bud, the Iron Man as a sophomore, is the top line hurdler on the team with marks of 14.7 and 37.7. A great competitor, Bud also competes in the broad jump and the high jump and can, if needed, run a creditable leg on the sprint relay team. He filled in for injured Larry Questad as anchor man on the 440 Relay squad at the NCAA meet. Majoring in History.

JOHN WILLIAMSON - A sophomore from Praire Village, Kansas (Shawnee Mission East High School). Another top hurdler up from the Frosh, John will concentrate on the highs where he has a best of 15.5. Williamson reported late for track after having spent time with the Basketball team. As a freshman he was a starter in Basketball before reporting out for the cinder squad. He is big and strong and a good worker. Majoring in Biology.

TYLER WILKINS - A versatile athlete who combines hurdling with his weight event talents. Will give added depth to the Indian high hurdle crew.

FIELD EVENTSShot Put

	<u>Best Mark</u>
Bill Fyall	49-4 1/2
Burke Mitchell	50-10 1/2
Chuck Smart	52-5
Bob Stoecker	54-6

LOSSES IN THIS EVENT: Bruce Wilhelm, a consistent point winner.

BILL FYALL - A sophomore from Seattle, Washington (Evergreen High School). Bill, the number two shot putter for the Frosh last year, is one of three sophomores in this event. In addition to developing well, Fyall also is putting on weight and size, all of which will be of great help in his future activities here. He currently ranks third on the squad behind Chuck Smart and Bob Stoecker. Majoring in General Engineering.

BURKE MITCHELL - A sophomore from Palo Alto (Cubberly High School). Last year's Frosh leader at 50-10 1/2, Burke is big and strong but needs technique work before realizing his best effort in the event. The Palo Alto youngster has shown improvement in early sessions, but still needs plenty of polish. Majoring in Civil Engineering.

CHUCK SMART - A sophomore from Los Altos (Los Altos High School). Chuck was one of the outstanding junior college weight men while at Foothill College last year. Among the regulars he is the leader in this event at the present time. Smart is a fine athlete and is slated to see action in the discus and javelin, in addition to tossing the iron ball. Majoring in General Studies.

BOB STOECKER - A senior from Los Altos (Los Altos High School). Bob can always be counted upon for points in the shot put. The defending NCAA discus champion is one of the finest All-Around athletes in Stanford track and field annals. He has done everything from the hurdles to the javelin and has the potential to be a fine decathlon prospect if he had the time. Big and powerful at 6-4, 235 pounds, Bob is a tremendous competitor. His leadership abilities were recognized when Stoecker was elected to captain the 1966 team. He has the best mark of the shot putters at 54-6. Majoring in Architecture.

DiscusBest Mark

Chuck Schembra	157-0
Chuck Smart	164-0
Bob Stoecker	186-6
Tyler Wilkins	171-1
Mickey Wool	157-8 1/2

LOSSES IN THIS EVENT: None

CHUCK SCHEMBRA - A sophomore from San Leandro (Pacific High School). Chuck is a bright sophomore prospect who has a fine future ahead of him. He had a best of 157-0 last year. Majoring in General Studies.

CHUCK SMART - Chuck has outstanding potential here, a best of 164-0, but will see only limited service in the event. He will be dependable insurance if his efforts are needed.

BOB STOECKER - An All-American in this event, Bob captured first place honors at the 1965 NCAA affair. He currently rates as one of the finest discus tossers in the nation. While in high school, Stoecker set a national prep record with a toss over 196 feet. He captured the California state discus championship twice and holds the Stanford Frosh mark at 166-11 1/2. Bob also is the defending AAWU champion.

TYLER WILKINS - A senior from Los Altos (Mountain View High School). Wilkins and Bob Stoecker form one of the best one-two discus punches in collegiate circles this year. He was third in the 1965 AAWU championships. A consistent performer, Tyler is best under pressure and extends Stoecker to his limit. He improved considerably last season and currently sports a best of 171-1. The veteran also is a fine shotputter but is seldom used in this event. Majoring in Mechanical Engineering.

MICKEY WOOL - A senior from San Jose (Andrew Hill High School). Another dependable athlete, Mickey has ably supported Stoecker and Wilkins throughout his career. The discus is his sole event and he has a best performance of 157-8 1/2. The two year veteran continues to improve and should break the 160 mark this year. Majoring in Mechanical Engineering.

Javelin

	<u>Best Mark</u>
Carter Newton	190-0
George Porter	231-11
Don Slaughter	191-11
Chuck Smart	189-10 1/2
Bob Stoecker	221-0
Dick Warwick	199-4 1/2
Boyd Willett	

LOSSES IN THIS EVENT: John Goode and Dan Prono, two consistent performers.

CARTER NEWTON - A sophomore from Vandenberg AFB (Cherry Hills High School). Currently in the learning stage in this event, Carter is in a tough battle to make the team. Newton has the needed ability and strength, and with continued improvement should be of help in the future. Majoring in General Engineering.

GEORGE PORTER - A senior from Fort Worth, Texas (Byrd High School). George is one of the best in Stanford's long history of fine javelin throwers. The team leader, he has a best of 231-11, for the past two years, Porter captured second in the 1965 AAWU meet. He is presently throwing stronger and farther than at any previous point in his career and looks to be ready for a big 1966 campaign. George, an extremely consistent performer, is a tough competitor and a team leader. Majoring in Anthropology.

DON SLAUGHTER - A junior from Fresno (Fresno High School). Don is another who has shown improvement in workouts and has progressed to where he has won a varsity spot. Slaughter currently rates as the number two man among the regulars. The youngster was a fine high school shot putter, but is too small for collegiate competition in that event. Majoring in Biology.

CHUCK SMART - Chuck could be a big surprise in the javelin. He has shown more potential here than any of the other competitors, excepting Porter.

BOB STOECKER - Bob has a career best of 221-0 in this event but will be rarely used here.

DICK WARWICK - A sophomore from Oaksdale, Washington (Oaksdale High School). Relatively new to spear-tossing, Dick has exhibited tremendous potential. He has already tossed the javelin 199-4 1/2 and improves with each outing. A great competitor, Warwick is just beginning to come into his own in this event and still in the technique learning process. Majoring in General Studies.

BOYD WILLETT - A sophomore from Denver, Colorado (South High School). Boyd is a promising but inexperienced performer here. He will be competing for the third spot on the varsity team. Majoring in General Engineering.

Pole Vault

	<u>Best Mark</u>
Dick Barkley	14-9
Jim Eshelman	16-0 3/4
Chuck Smith	15-8 1/2

LOSSES IN THIS EVENT: None

DICK BARKLEY - A junior from Palo Alto (Palo Alto High School). Dick is the third man on what is quite possibly the best collegiate pole vaulting trio in the nation. He has cleared 14-9 in competition and has been over 15 feet in practice. A steady and dependable vaulter, Barkley should become the fourth man in Stanford history to scale the 15 foot barrier in competition. Majoring in Mechanical Engineering.

JIM ESHELMAN - A junior from Palo Alto (Cubberly High School). Jim is the highest vaulter in Stanford history with his 16-0 3/4 mark turned in while winning the AAWU championship last Spring. He is the only 16 foot pole vaulter in Stanford annals and his height was the best recorded in collegiate competition a year ago. A determined athlete, Eshelman has only scratched his ultimate potential. Majoring in Mathematics.

CHUCK SMITH - A senior from Torrance (South Torrance High School). Chuck was the Indian record holder until Eshelman's effort in the AAWU affair. He will alternate with Eshelman again this season as the top Stanford performer in the event. Despite a 15-8 1/2 mark, Chuck is another who is just beginning to fulfill his potential. The youngster is strong and is continually improving on his vaulting form. Majoring in Mechanical Engineering.

High Jump

	<u>Best Mark</u>
Steve Suomi	6-2
Bud Walsh	6-4

LOSSES IN THIS EVENT: John Goode, a fine all-around competitor who was the top man in the high jump; and Jim Robertson.

STEVE SUOMI - A sophomore from Madison, Wisconsin (Madison West High School). As a first year campaigner, Steve will be called upon to carry the load in this event. Suomi, a hard worker, was the number two man on the

1965 Frosh team. He is an ambitious competitor and should improve as the season progresses. Majoring in General Studies.

BUD WALSH - Bud will serve strictly as a backup man in this event even though he has the best mark.

Long Jump

	<u>Best Mark</u>
Ian Arnold	23-4 1/4
Steve Coy	24-1
Craig Vaughan	23-6
Bud Walsh	24-2 1/2

LOSSES IN THIS EVENT: Bob McIntyre and John Goode.

IAN ARNOLD - A junior from Don Mills, Ontario, Canada (Victoria Park School). Ian, a Canadian product, will concentrate on the triple jump, but could be a point scorer in the long jump if his services are needed. Majoring in History.

STEVE COY - A sophomore from Los Altos (Los Altos High School). Even though he was the top man on the Frosh squad, 24-1, in the long jump, Steve's greatest potential lies in the triple jump. He will see plenty of action here and should consistently hit 24 feet. Majoring in Architecture.

CRAIG VAUGHAN - A sophomore from Pasadena (Muir High School). A top prospect in the long jump, Craig was handicapped a year ago when he missed the first half of the season. Despite the inactivity, Vaughan turned in a best of 23-6. Craig has outstanding spring and fine technique, and has the ability to eventually be the best man in this event. Majoring in History.

BUD WALSH - This is another of the many events in which Bud excels. The long jump is probably his best event and he has the ability and technique to be a consistent 25 footer.

Triple Jump

	<u>Best Mark</u>
Ian Arnold	48-0 1/4
Steve Coy	46-8
Art Miller	48-2

LOSSES IN THIS EVENT: John Goode.

IAN ARNOLD - Ian finds this event to his liking and has posted the best early season mark here. He will concentrate on the triple jump with a secondary effort in the long jump.

STEVE COY - Shows much promise here. He improves steadily and just could end up as the number one man.

ART MILLER - A senior from Pacheco (College Park High School). Art transferred to Stanford from Diablo Valley College last year. The big problem was finding a spot for the versatile athlete. After a year's period of experimentation, Art will be used only in the triple jump this year. He has a junior college best of 48-2 and picked up some valuable points for the Tribe last year. Early workouts indicate he has improved quite a bit during the past year. The only married member of the squad. Majoring in English.

1966 STANFORD TRACK AND FIELD COACHING STAFF

PAYTON JORDAN, HEAD COACH (Tenth Year)

A champion sprinter as a competitor, Payton Jordan is now widely known as a developer of champions as a coach.

In his ten years as the head track and field coach at Stanford, he has repeatedly demonstrated ability to inspire championship calibre performers and teams. Payt's athletes have demolished more than twenty world, national, and all-time Stanford records in that period.

His most recent triumph at Stanford was in coaching the 440 Relay team to a World Record and discus thrower Bob Stoecker to the National Collegiate title last year. In 1963 Payton guided the Indians to a surprising second place finish in the NCAA finals at Albuquerque, New Mexico. Sprinter Larry Questad and discus thrower Dave Weill captured individual titles in that one.

Off the Farm, Jordan's success has not gone unnoticed. The United States Olympic Committee picked him as the first assistant coach for the U.S. men's track and field delegation at the 1964 Olympic Games in Tokyo, and he continues to serve as a member of the U. S. Olympic Track and Field Committee. In addition, the personable, dynamic, and technically wise coach headed the 1963 AAU team which triumphed over the U.S.S.R., Poland, Germany, and Great Britain. During the past summer Payton saw duty as the coach of both the U. S. teams in the World Deaf Olympic Games (in Maryland), and the Maccabiah Games (in Tel Aviv, Israel).

His flare for organization and progressive coaching ideas also has been recognized by his colleagues in the coaching profession. Payton serves as Vice President of the International Track and Field Coaches Association, and was president of the National Collegiate Track Coaches Association in 1958. He was directly responsible for bringing to Stanford and directing two of the most successful meets ever staged in the United States: The 1960 U. S. Olympic Trials and the 1962 U. S. - U.S.S.R. dual meet.

Jordan's success as a top flight coach spans over twenty-five years. After several years at the high school level, he became coach at Occidental College in 1946; and in one decade brought Oxy's track program into the national spotlight. His squads won ten straight conference titles, never lost a league dual meet, placed fourth in the 1951 NCAA meet, and won two NAIA crowns. Among the best known of his Occidental athletes are the late Bob Gutowski, former world record holder in the pole vault and 1956 U. S. Olympic Team member; John Barnes and Bob McMillen, members of the 1952 U. S. Olympic team; and George Roubanis, 1956 Greek Olympic team member.

Since Jordan arrived at Stanford in September, 1957, Indian track fortunes have steadily risen. His best known athletes at Stanford are Ernie Cunliffe, member of the 1960 U. S. Olympic team and holder of Stanford records

in the 880, 1:47.3, and Mile, 4:00.4; and a world record of 2:07.3 for 1000 yards; Dave Weill, bronze medalist in the 1964 Olympic discus throw; and Larry Questad, school record holder in the 100 and 220 dashes. Other top athletes who have come under Jordan's influence are Art Batchelder, javelin; Chuck Cobb, hurdles; Dan Moore, long jump; Bob Stoecker, discus; Phil White, pole vault; and Jerry Winters, shot put.

Jordan, who was born in Whittier on March 19, 1917, was raised in Pasadena where he started setting records in high school. As a prep, his best marks were 10.0 in the 100 and 21.9 in the 220. He spent one year, 1935, at Santa Monica Junior College, running a 9.6 in the 100 and 21.1 in the 220 - a national record. In 1936 he enrolled at the University of Southern California, where he blossomed into an all-around performer, participating in football, rugby, and as captain of the 1939 track team.

Payton's greatest achievements in track and field were still ahead when he received his diploma in 1939. He ran the 100 in 9.3, and had other top marks of 20.4 (220), 48.0 (440), and 23-11 (long jump).

The Stanford coach is married, has two daughters, and lives in Los Altos Hills.

JEROME K. (JERRY) BARLAND, ASSISTANT COACH (Second Year)

During his two years at Stanford, Jerry has established himself as a dynamic young coach. His duties include positions as assistant track and field coach and head cross-country mentor.

His first season as cross-country coach saw the best harrier team in Stanford history. The squad was unbeaten and won the West Coast Collegiate championships. Last Fall was a rebuilding campaign, but there was evidence of some top runners for the future.

Before coming to the Farm, Barland coached cross-country and track and field at Bishop Amat High School in La Puente for four years. A graduate of University of Kansas where he received Bachelor of Science and Master's degrees, Jerry competed in track and field as an undergraduate, and later was assistant freshman football coach and head varsity soccer coach at his Alma Mater. In the summer of 1958 he attended the University of Norway.

Besides teaching physical education at Kansas, the Indian assistant coached basketball and track and field at high schools in Kansas and Missouri. He had been at Bishop Amat since 1961, where his track and cross-country teams were league co-champions and compiled marks of 17-7-1 and 12-5, respectively. In 1963 Barland began the Bishop Amat Metric Invitational Relays.

Jerry serves as Director of the West Coast Intercollegiate Cross-Country affair and also handles the freshman squad during its competition. During the summers of 1964 and 1965 Barland attended the Royal Canadian Legion National Track Clinics at Guelph University near Toronto, Canada.

STANFORD STADIUM

Nearly all of Stanford's home track and field meets are held on the campus in Stanford Stadium, one of the largest and finest arenas of its kind in the country. Built in 1921, the stadium had a seating capacity of 60,000 which, through subsequent additions, has since been raised to 90,000.

Home of the Stanford football team in the fall, the stadium has also gained a wide reputation for its track and field facilities. A 440-yard running track of decomposed granite completely encircles the turfed area where the field events are contested. The runways for all field events are grass.

Since its construction, the stadium has been the site of several national and international meets--the most recent having been the 1960 Pinal United States Olympic Trials and the 1962 dual meet between the Soviet Union and the United States. These two events broke all records for attendance, caliber of competition, color and drama.

STANFORD TRACK AND FIELD HISTORY IN BRIEF

Stanford track and field athletes have been breaking countless world, national, regional, and event standards for nearly three-quarters of a century. Many participants have been members of Uncle Sam's Olympic Games squads and a number have won Gold, Silver, or Bronze medals. From a team standpoint, the Indians have won national, conference, and relay titles. The school's record over the years is one of the finest in the country.

The Indians' track and field history can roughly be broken into three great eras - The "Dink" Templeton Regime of 1918 and 1921-1939, The Jack Weiershauser Regime of 1946-56, and The Payton Jordan Regime of 1957 to the present.

The late Robert Lyman (Dink) Templeton was one of the greatest coaches the sport has known. His record speaks for itself. His teams won the then blue ribbon ICAAAA Meet four times, the NCAA thrice, and turned in a dozen world record performances.

Although Templeton's star pupils were legion, the name of Ben Eastman stands out above them all. Under Dink's guidance, Ben revolutionized middle distance running in the short space of two weeks. The world mark in the 440-yard dash of 47.4 had been set in 1916, and it was fairly generally accepted that this mark was quite safe. And it was, for 16 years, until March 26, 1932. That day at Angell Field, Eastman travelled the first 220 in 21.3 (faster than the flat 220 was run in the meet that afternoon) and broke the tape nearly 20 yards in front of the second-place man in the time of 46.4, a full second ahead of the old mark.

But Ben wasn't through rewriting the record books. Two weeks later, on April 9, he set out to break the half-mile mark of 1:51.6, set by the great German runner, Dr. Otto Peltzer in 1926. Lack of experience in the longer race caused him to run his first lap too slowly, but the second was a masterpiece and Ben broke the tape in 1:51.3.

Templeton always had great weight men. Never to be forgotten was the tremendous 1-2 punch of Harlow Rothert and the late Eric Krenz, 1928-30. The former set a world record of 52-1 5/8 in the shot put and the latter did likewise in the discus, 167-5 3/8, and each was close behind the other in his specialty. John Lyman was the first man in the world to put the shot 54 feet (54-1) in 1934.

The pole vaulters were headed by Bill Miller, 1932 Olympic Champion at 14-1 7/8, and Bud Deacon who cleared 14-2 3/4 in the University Championships in 1934. There were plenty of fine sprinters including Clyde Jeffrey, who held the school record, 9.4, for 24 years. The high jumpers, of course, were headed by 1928 Champion Bob King (6-6 5/8).

Another of Dink's prize pupils was "Iron Man" Jack Weiershauser, a star in the sprints, 440- and 220-yard low hurdles. He teamed with Jim Kneubuhl, Ray Malott, and Stan Hiserman (present coach at the University of Washington) to set a new world record in the 880-yard relay.

Later as head coach himself, Weiershauser - the "Iron Man" of the Dink Templeton era - coached two of the greatest all-around track and field athletes ever: Bob Mathias, 1948 and 1952 Olympic Decathlon Champion and former world record holder, and Gay Bryan.

Mathias' efforts in the Olympic games are well known. In dual meets, he often entered five events, winning three and placing second or third in the other two. He held the All-Time Stanford record in the 110-meter hurdles at 13.8.

Bryan, on April 29, 1950, had the greatest afternoon ever turned in by a Redskin in a dual track and field meet. Against UCLA, Gay entered and won five events: high jump (6-4 3/8), 100 (10 flat); high hurdles (14.7), 220 (21.9); and long jump (23-1 1/2). In the Big Meet of May 7, 1949, he won four events: the 100 (9.8), high jump (6-4), 220 (21.1), and low hurdles (23.8), and placed second in the long jump by an inch.

The Weiershauser era also saw the greatest group of javelin throwers in Stanford history, including Bud Held, John Bugge, Bob Kimball, Leo Long, Kirk Nieland, Chuck Harlow Jr., Chuck Coker and Hank Roldan.

The Payton Jordan era is highlighted elsewhere in the book.

It is impossible, of course, to list all of the outstanding athletes who have competed in track and field at Stanford in such a short space. Many more names can be found in the records below.
