

## Lilly Wins at Davis:

# Radetich Jumps 6-8½

John Radetich of San Carlos High continued his great high jumping Saturday with a meet-record leap of 6-8½ to win the Picnic Day championship at the University of California at Davis.

John Lilly brought San Carlos another blue ribbon from the giant meet, which features more than 100 schools and more than 1,000 athletes, by winning the half-mile in 1:57.5. A third Don entry, Bruce Hull, placed second in the mile in 4:29.9.

Radetich beat Don Pierce of Pittsburg, the first jumper ever to clear 7 feet in high school competition, for the second week in a row. Pierce was third at 6-4½.

Radetich did not miss a jump until 6-8½, which he cleared on his third try.

Radetich tried 6-10 ½ three times, but was not close. The 6-1½ San Carlos senior has jumps of 6-9½, 6-8 and 6-8½ to his credit in the last four weeks — all higher than any other high schooler in San Mateo County history.

Lilly's half-mile time was not particularly impressive — a full second off his season best — but his margin of victory was. Lilly defeated a top-notch field, including defending champ Greg Hall of Sacramento's Encina High, by from 12-15 yards.

"The track was loose," reported San Carlos coach Jim Luttrell, "and all the times were slow."

The mile was won by Bud Temple of Westmoor in 4:29.0.

At the Blossom Hill Relays at Leigh High in San Jose, another San Mateo County record-holder, Jim Marshall of Ravenswood, placed second in the 100-yard dash.

Marshall, who set his record of 9.6 April 15, was timed in 9.9, same as winner Mike Williamson of Watsonville. Jim deDiego of Bellarmine was third in 10-flat.

Ravenswood was second in the 440 relay in 43.9, same time as winner Watsonville, and Woodside was fourth. Again, William-

son nipped Marshall in a photo-finish.

Woodside's Jeff Dunker took fourth in the shot.

Los Altos won the team title with 40 points. Ravenswood was eighth with 12. Cubberley scored 11, Ballarmine 10 and Palo Alto and Woodside each eight.

Bellarmine's John Reardon was third in the high hurdles in 14.9

In the class B division (light-weights), Menlo-Atherton placed second in the 880 relay in 1:34.2, best by an SPAL team this season. The group was composed of Ray Williams, Ray Walker, Jim Stamper and Bill Hatcher.

Gunn placed third in the small schools division of the Martinez Relays, winning the high hurdles, distance medley and pole vault events. Ken Weed won the individual pole vault at 12-10.

# Radetich, Lilly Lead Picnic Run

John Radetich will resume his high jump duel with Don Pierce and John Lilly will run his first "serious" 880 on the season Saturday in the 32nd annual Picnic Day track meet at the University of California's Davis campus.

Radetich and Lilly of San Carlos will lead SPAL entries in the huge meet, which will draw the cream of Northern California prep talent from more than 100 schools and more than 1,000 athletes.

Lilly ran the SPAL's fastest 880 in history last June, 1:54.0, but has not been pushed this spring and has a best of 1:57.5 to date. He should get plenty of competition Saturday, however.

Radetich set a county record of 6-9½ in the high jump March 31, the week after Pierce became the first prep in history to jump 7 feet in a high school meet. Last week at the Carlmont Relays, Radetich defeated the Pittsburg High ace 6-8 to 6-6.

They both said they hoped for higher jumps at Davis, where the facilities and competition would be better.

Some other area teams, Woodside and Ravenswood among them, will participate in the Blossom Hill Invitational meet at Leigh High in west San Jose Saturday while still more, including Menlo-Atherton, will run in the Martinex Relays at Alhambra High.
