

# Gunn Tips Scots In SPAL Track

By DENNIS ANDERSON

PALO ALTO — In its way, it was kind of like the Atlanta Falcons beating Green Bay for the NFL championship by holding the Packers to minus yardage rushing.

Or the California Angels winning the World Series by knocking Sandy Koufax out of the box twice in a row.

Gunn High School not only beat out eight-time dual meet champ Carlmont for the team title at the SPAL Track and Field Championships Saturday at Gunn, but the Titans scored the decisive points in the two mile, an event traditionally dominated by Carlmont.

Gunn, which entered the SPAL last year and will graduate its first senior class in June, nailed down its biggest athletic prize to date by scoring 54 points to 45 each for Carlmont and Ravenswood.

Carlmont was hoping for an upset victory in the two mile and counting on no worse than second. Instead favored Rich Hunter of Gunn romped home in meet-record time of 9:37.6 and teammate Rich Stoddard finished second to give Gun 13 points.

All Carlmont got was one point for fifth place and a non-scoring sixth.

Ironically, Gunn coach Clay Henry, in his role as meet director, had attempted earlier in the week to have team scoring eliminated. He must be happy now that he was overruled.

Besides Hunter, John Radetich of San Carlos accounted for the only untainted meet record of the day when he high jumped 6-8½, more than six inches better than the former mark. Since he hit his career best of 6-9½ in

a dual meet at Gunn March 31, Radetich has jumped 6-8 or higher four times.

Meet records were bettered in the low hurdles and 220, but there was a stiff aiding wind in each case. Cubberley junior Bob Evers clipped the hurdle mark by four-tenths of a second in 19.3 and Ravenswood's Jim Marshall took three-tenths off the 220 mark in 21.1 on a straightaway.

Officials failed to provide a wind gauge, however, and while

nobody questioned the velocity was more than the 4.473 miles per hour allowable, no one was immediately willing to declare the marks void. Maybe they'll take a vote.

Most impressive unaided clocking on the track was 1:56.1 in the 880 by Carlmont's Tom Wake, a school record that earned him fourth place on the all-time SPAL honor roll.

Only multiple winner was Marshall, who also won the 100 and anchored Ravenswood to victory in the 880 relay when he broke out of a box on the last turn to nip Carlmont by a tenth of a second.

Best finish was the 440. Woodside's Chris Erickson and Rick Brandenburg of San Carlos lunged at the tape simultaneously and both ended up on their noses. Erickson was awarded first place though both were timed in 50.6.

Gunn's Hank Norberg's 168-11¼ discus throw, made in Tuesday's trials, held up to beat Woodside's Ben Welch as neither improved upon his mark Saturday. Welch set an all-time SPAL mark of 174-6 the previous week, threw 166-2½.

Jeff Dunker of Woodside won his second straight league shot put crown with an effort of 54-2.

First six finishers in each varsity and B event advance to the Regional Meet, also at Gunn, next Saturday.

# Sequoia Spikers Win B, C

PALO ALTO — Sequoia High won both lightweight crowns at the South Peninsula Athletic League Track and Field Championships here Saturday.

Sequoia's B's, unbeaten in dual meets, racked up 79½ points to second place Menlo-Atherton's 60½ while the C's scored 55 to 37 for Carlmont, which beat them out for the dual meet crown.

Tim O'Connor won three individual events and anchored the winning relay to spark the Sequoia C's.

Rich Terriberly provided the highlight of the B triumph when he passed Carlmont's Gary Montante three times on the last lap to win the two mile in 10:02.3.
