Scot Track Streak Cut

BELMONT — The current generation of Carlmont High School students saw their track team lose a meet for the first time Tuesday.

Westmoor High, which snapped Carlmont's 42-meet win string last year in Daly City, dealt the Scots their first loss at home in more than four years; 64½ to 57½, in the season-opener Tuesday.

Westmoor's fine sprinter, Roy Herold, came from behind on the last turn of the 880-yard relay to give the visitors the winning points and nullify a brilliant effort by Carlmont's Gordon (Buddy) Crowell.

Crowell, a senior, won the 180-yard low hurdles in excellent time of 20.2 seconds, the high hurdles in meet record 15.6, the long jump at 20-0½ and gave Carlmont a commanding lead in the first leg of the relay. His marks all were lifetime bests.

Carlmont freshman Chris Carey won the class B two-mile in the brilliant time of 10:18. Last fall Carey was timed in 10:26, which ranked fourth among freshman country runners in the U.S.

Carlmont coach Loren Lansberry said he was "encouraged" by the performance of his "young group" despite the Scots' eighth defeat since 1959. Westmoor is favored to win the North Peninsula League title. Friday Carlmont hosts San Mateo, favorite in the Mid-Peninsula League.

Carlmont High freshman Pete Miele equalled the season's best class B 440 time of 53.7 to highlight SPAL lightweight track action Thursday.

Other Class B SPAL seasonal best marks recorded Thursday: 880 Relay - Ravenswood 1:35.8; HJ - Jim Portman (Sequoia) 5-8. Chris Crowell ran the 880 in 2:05.4 and Gary Montante the mile in 4:42.9, both for Carlmont, for second best of season times.

Class C seasonal best marks recorded Thursday: 880 Relay - Ravenswood 1:41.2; HJ - Blair Morris (San Carlos) 5-4; SP - Bill Burley (Carlmont) 43-0.

his league-leading discus mark by three inches to 162-8.

San Carlos coach Jim Luttrell figured the Dons' unbeaten record might be ended at Gunn and had a reasonable dope sheet to back him up. The Dons upset the dope in several places, however, the crusher being Meyer's victory in the low hurdles.

His best previous time was 20.9, compared to 20.1 and 20.3

for Gunn's Gendreau and Tom Dinges. Meyer won the race in 20.4 to Gendreau's 20.5 and Dinges' 20.7.

Other key triumphs for the Dons were Rick Brandenburg's long jump of 20-9 1/4, his third first place of the meet, Bruce Hull's 4:30.4 mile victory over Gunn's unbeaten Rich Hunter and John Lilly's 880-440 double, the former in 1:57.8.

A 2-3 finish by Bob Williams and Lefty Chell in the two mile also surprised the Titans.

Among the more notable marks in other meets was Steve Simon's school record discus throw of 150-9 1/2 for Ravenswood, which represented an 8-foot improvement and boosted him to No. 3 in the SPAL. Gunn's Hank Norberg improved his second best mark to 156-5 1/2.

San Carlos Prep Leaps 6-9¹/₂ i

JOHN RADETICH

By **DENNIS ANDERSON**
Tribune Sports Writer

John Radetich of San Carlos High erased the oldest, most famous name from the SPAL track record book Thursday when he high jumped 6 feet, 9¹/₂ inches in a dual meet at Gunn High in South Palo Alto.

Radetich, whose previous best jump this season was 6-1¹/₂, took the 19-year old record away from Les Steers, who leaped 6-6¹/₂ for Palo Alto in 1937 and went on to become the best high jumper in the world for a number of years.

The 6-1¹/₂ San Carlos senior cleared the record height with inches to spare on his first at-

tempt. Waiting only long enough for the standards to be raised to seven feet (the bar sagged to 6-11¹/₂), he got over on his first try but knocked the bar off with his trailing leg.

His remaining two attempts were not as close.

"Somebody smashed my marker when I went over 6-9¹/₂," Radetich said later, "and I couldn't get my steps right at 7-feet." The meet practically came to a standstill as athletes and fans rushed to the high jump area to watch John try for 7.

Radetich jumped 6-4 early last season, fourth best in league history, but had made it over

6-2 only once since then. "I had a feeling I was going to have a good day when I jumped 6-1¹/₂ in practice Tuesday," John explained. "That's three inches higher than I've ever gone in practice."

He also praised the facilities at Gunn. "That's the first time I've jumped off Grastex this year and the foam rubber in the pit is great. It felt just like I was floating over, it was great," he enthused.

Radetich will have several more chances to enjoy the Gunn pit this spring as the SPAL, Regional and Central Coast Section meets all will be held at the new Palo Alto school.

Inspired by Radetich and by Bob Meyer's upset victory over Gunn's heralded Rich Gendreau in the low hurdles, San Carlos picked up 15 points that logic said belonged to Gunn and whipped the Titans 69-53 to stay on Carlmont's heels in the SPAL championship race.

Carlmont battered Woodside 75-47 at home for its 55th consecutive SPAL dual meet victory and fifth this year. San Carlos has a 4-0 record.

Ravenswood set a school scoring record in blistering Menlo-Atherton 91-31 and Cubberley thundered past Sequoia 84-38 in the other SPAL meets. Palo Alto won a nonleague triangular

Prep Track Crucial: SC Vs. Woodside

South Peninsula Athletic League seasons open in baseball and tennis and there's a big one on the track calendar Tuesday.

San Carlos and Woodside track teams, both victorious in the first SPAL dual meets, clash at Woodside. Both teams ripped Cubberley, considered one of the preseason favorites, with comparative ease last week.

Key events figure to be the sprints, high jump and relay, though second and third places in the 440 and discus could be just as important. The high jump features John Radetich of San Carlos and Woodside's duo of Andy Taylor and Colin Macy, all of whom cleared 6-feet last week.

Other SPAL track meets send Carlmont to Ravenswood in search of its 53rd league dual meet victory in a row, Cubberley to Palo Alto and Menlo-Atherton to Gunn.

TWO CENTS WORTH

Dear Editor:

Recently a boy's P.E. teacher announced to his 7th period P.E. class that a new rule concerning suit cuts would go into effect immediately. Under the rule, anyone who failed to suit up for P.E. and didn't have a note from a parent, doctor, or the school nurse excusing him would be sent to Mr. Coffis, even on his first offense. While in itself this rule seems a little strict, at least the teacher gave the students advance warning.

At least twice, students were sent to the office for disciplinary action, and both times they were in class the next day. But on Wednesday, March 16, a star athlete took a suit cut. Not only did the teacher fail to send him to the dean, but he didn't even mark down the minus four points on his clip board. Instead, he took points off the grades of two non-athletes who were both dressed and ready to participate for "miling around" during roll call.

There is a gross lacking in the P.E. system when a teacher is allowed to play enemies and favorites in this way. I, for one, feel that someone should put a stop to these injustices at once. I sincerely hope that this letter will begin to stir some action in the administration, if not in the P.E. department itself.

Sharp Marks From Prep Spikers

By DENNIS ANDERSON
Tribune Sports Writer

New power San Carlos and old power Carlmont share the SPAL track lead today as the list of unbeaten teams was cut in half during Tuesday's action.

Continued mild weather helped bring on a general improvement in marks, including four efforts that rank first or second in the Central Coast Section area.

San Carlos whipped Woodside

SPAL Standings

Gunn	2	1	1	Menlo-Ath.	0	4	0
Woodside	2	1	0				

71-51 in a meeting of unbeaten, Carlmont extended its seven-year league win streak to 53 by downing Ravenswood 72-50 and Cubberley, heretofore winless preseason cofavorite, tumbled Palo Alto from the league lead, 69-52.

Gunn defeated Menlo-Atherton 79½ to 41½ in the other SPAL meet while Sequoia, drawing a league bye, shaded its Alumni

BEN WELCH

... Unsung discus ace

161-59 for its first victory of the year.

League champs John Lilly, Gordon Crowell and Jim Marshall and an unsung Woodside

junior named Ben Welch provided the individual excitement. Lilly of San Carlos, after loafing through the half mile, burned the 440 in 51.3. While not normally a spectacular time and half a second off his lifetime best, it is so far this spring the fastest reported in the central Coast Section area covering Daly City to King City.

Ravenswood's Marshall equaled his all time fastest 100-yard dash, 9.8, which is second fastest (to a 9.7) in the CCS. Carlmont's Crowell skimmed the low hurdles in 19.9, equaling the section's fastest this spring. Most exciting of all was Welch's discus throw of 162-5, which ranks second in the CCS (169-9¼ is tops), represents a six-foot improvement and puts the stamp of possible future greatness on the 190-pound junior.

Welch had another throw at 160 and two at 156. "I widened my stride and got under it better," he said. Marshall came back with a 22.2 in the 220, which ranks third in the section, and teammate

Frank Romo turned the quarter in 51.4, which will rate right behind Lilly.

Action resumes Thursday with Woodside visiting Palo Alto in the key meet. Carlmont's Menlo-Atherton, Sequoia travels to Ravenswood and Gunn motors to Cubberley. San Carlos has a bye.

a.m.) when the weather in the Belmont hills is best. Carlmont's jumping apron is made of rubberized asphalt and the jumpers fall into foam rubber-filled bags, both of which are conducive to good efforts.

That the Carlmont pit can produce outstanding jumps is evidenced by the field record — 6-8½ set by Ted Winfield of College of San Mateo in 1964.

"Our standards go up to 7-2 and they'll be oiled and ready," says Lansberry. A veteran official, teacher Bob Kauk, and an experienced aide, student Carol Bull, will run the event.

"The only problem could be the angle the jumpers approach the bar. Our apron isn't wide enough for a jumper who approached at an extremely narrow angle," says Lansberry.

Lansberry says that Radetich cleared 6-4 in practice last week, his best practice mark ever and 2½ inches higher than he jumped in practice the week of his 6-9½ effort.

Crowell's 2nd 19.9 Sparks Scot Triumph

Carlmont High edged a half-step ahead in its bid for an eighth straight SPAL dual meet

SPAL Standings

Carlmont	4	0	0	Ravenswood	1	2	1
San Carlos	3	0	0	Cubberley	1	3	0
Gunn	3	1	1	Sequoia	0	4	0
Woodside	3	1	0	Menlo-Ath.	0	5	0
Palo Alto	3	2	0				

track championship Thursday, whipping Menlo-Atherton 84-38 for its 54th consecutive league victory.

San Carlos, also unbeaten this season, was idle. Woodside re-

mained in contention but Cubberley, preseason co-favorite, and Palo Alto fell out of the title picture.

The other scores Thursday were Woodside 68, Palo Alto 54; Gunn 69, Cubberley 53 and Ravenswood 71, Sequoia 50.

Carlmont has a 4-0 record to San Carlos' 3-0. They meet April 21 in the second-to-final week of the dual meet schedule.

Gordon (Buddy) Crowell ran the low hurdles in 19.9 for the second time this week, this time with a little help from the wind, and long jumped 21-6½, one-half inch short of the field record in a pit where good long jumps are rare, to pace host Carlmont.

Joe Bruno pole vaulted 12-6 for the Scots while Bill Hatcher picked up two of M-A's respectable six first places with fine sophomore sprint clockings of 10.2 and 23.3. The former set a school record for sophs.

Woodside bounced back impressively from its Tuesday loss to San Carlos, posting its third victory in four meets.

Chris Erickson, his first day home after an 11-day trip to Virginia for family business, charged up Woodside by winning the 440 in 51.9 with soph Chan Warden close back in 52.2.

Andy Taylor set a school high jump record of 6-2½, Ben Welch continued his league-best discus throwing with a 158-9 effort (he tossed 162-5 Tuesday) and Fred Storek won both sprints for other Woodside highlights.

In losing, Paly got SPAL seasonal best efforts from a pair of juniors — 4:29.7 in the mile by Jon Enscoe and 21-10 in the long jump by Steve Rogaway.

Ravenswood's Jim Marshall logged sprint victories in 9.9 and 22.6 against Sequoia, both off his season bests on Tuesday. Trojan high jumper Oscar Jones, who high jumped 6-3½ last week, failed to clear 5-6 Thursday and didn't place.

Gunn's Rich Gendreau, upset in the high hurdles, entered the long jump for the first time in two years and won at 20-11¼, a development that sparked a fire in his teammates. Gunn won all the field events, got two important second places from Dan DaCosta in the sprints and Rich Junter beat Cubberley ace Steve McLennagan decisively in the mile.

Junior Bob Evers set a school record of 20-flat in the low hurdles for Cubberley.

An interesting sidelight to the action is that meet records will be set in most lightweight running events as the Class B and Class C performers this year are running varsity distances, abandoning the 75, 150, 330, 660 and 1320 in favor of the 100, 220, 440, 880 and mile. All relays will be over 880 yards.

Cartwright Captures Blanket 100

Carlmont High crushed Menlo-Atherton 56-30 in a battle of unbeaten teams Thursday to take undisputed first place in SPAL class C track standings.

Class B leader Sequoia bombed Ravenswood 85-37 to remain unbeaten.

In possibly the best lightweight race of the day, Ravenswood freshman David Cartwright edged Sequoia's Mark Pigman and Robert Singleton in a blanket finish in the B 100-yard dash.

Cartwright and Pigman were timed in 10.3 and Singleton in 10.4. Last Tuesday Cartwright clocked 10.2, believed to at least equal the best freshman 100-yard dash time in Sequoia District history.

Class B SPAL seasonal best marks recorded Thursday: 180 LH — 21.4, Mickey Scott, Ravenswood; Discus — 122-8¼, Barr Curry, Sequoia; High Jump — 5-6, Chris Connaway and Dave Smilovitz, Woodside; 880 Relay — 1:36.3, Sequoia (Mark Pigman, Robert Singleton, Ron Blanco and Barr Curry). Class C SPAL seasonal bests recorded Thursday: 180 LH — 23.0, Scott Gardi, M-A; Mile — 5:00.4, Austin Kennedy; 880 Relay — 1:42.2, Sequoia (Ted Wattenberg, Al Arocha, Ray Sewell, Tim O'Connor).

Flying High

Nobody's touching the ground as Woodside's Fred Storek edges San Carlos' Rick Brandenburg in the 100-yard dash, clocking 10.2 Brandenburg and his teammates, however, took the meet, 71-51. See story on Page 14.

Trojan Freshman:

Cartwright Runs 10.2

Freshman Dave Cartwright of Ravenswood ran the class B 100-yard dash in 10.2 but the Trojans' lightweight teams suffered their first defeats on the year against Carlmont Tuesday in SPAL track action.

Carlmont and Menlo-Atherton, only remaining unbeaten class C teams, meet Thursday at Carlmont.

Sequoia, idle in league action Tuesday, remains the lone unbeaten, united B squad as Woodside also suffered its first defeat. Sequoia edged its Alumni 10-53 despite a six-first place, 36-point performance by 1965 graduate Jim Trujillo.

M-A's Arnold Turner put the class C shot 42-11 Ravenswood's Bud Chiles ran the C 880 in 2:12.1 and Carlmont soph Ron White ran the B two mile in 10:11.0, all SPAL seasonal bests.

Buddy Crowell sails through the air in long jump Thursday at Carlmont. Crowell won the event at 21-6½, one-half inch short of a field record, and took the low hurdles in 19.9 as Carlmont whipped Menlo-Atherton for its 54th consecutive SPAL track victory.

Pretzel Bender?

Nope, just Menlo Atherton's Dave Smith getting some spring out of his pole Thursday. He won the event at 10-6 against Ravenswood, but his team fell 91-31.

M-A 'B' Trackmen End Losses

Menlo-Atherton's "B" track team won its first victory since 1962 by trouncing Palo Alto 73-44 Friday afternoon.

The win broke a 28-meet losing streak for the Bears.

The M-A "C" team scored an 80-0 victory over Palo Alto.

Sequoia Snares Pair by Forfeit

Sequoia High's lightweight track teams, both unbeaten last season, won their second SPAL meets in a row this spring by forfeit over Gunn Tuesday. The Cherokees beat Terman Junior High in nonleague tests.

San Carlos and Menlo-Atherton B teams tied 61-61 as M-A's quartermiler was disqualified and the Bears' relay team messed up a pass.

Woodside's B's and M-A's C's each won their second meet to keep pace with Sequoia.

Ravenswood C long jumper Eddy Sumaraga was credited with a leap of 21-11 at Palo Alto

but both Sumaraga and his coach, Buddy Miller, said they believed the officials made an error. "I can't jump that far," Miller quoted Sumaraga.

Lightweight Track Streaks Snapped

Sequoia High's long class C winning streak and Menlo-Atherton's longer class B losing streak were snapped in Thursday's SPAL lightweight track action.

Sequoia suffered its first defeat since 1964, in class C competition, 48-38 to Carlmont, while Menlo-Atherton's B's won their first since 1962, 73-44 over Palo Alto.

Sequoia had won 15 in a row the last two seasons while M-A had lost 28 straight.

Don Cindermen Cage Cougars

By DENNIS ANDERSON
Tribune Sports Writer
You may consider San Carlos High, officially, a contender for the South Peninsula Athletic League track championship.

Coach Jim Luttrell, previously unwilling to discuss his team's title chances, stamped the Dons as "certainly contenders" Thursday after they became the second Sequoia District team

SPAL Standings

this week to romp over pre-season cofavorite Cubberley, 74-48.

Next Tuesday, San Carlos travels to meet Woodside, the team that shocked Cubberley 70-52 earlier this week in a result so surprising that the Tribune reported it incorrectly.

Palo Alto took the official league lead Thursday by topping a fine Menlo-Atherton effort 65-57. Carlmont stretched its seven-year SPAL dual meet win streak to 52 by ripping Sequoia 90-32 and Ravenswood tied Gunn 61-61.

Paly has a 3-0 record: Carlmont, San Carlos and Woodside are 2-0.

Luttrell called the weather and the performances Thursday the best in history at San Carlos. Rick Brandeburg, who was shooting baskets at the Peninsula Tournament last weekend, logged a brilliant triple victory, including a 10.3 in the 100 and a school record 23-flat in the 220.

John Lilly recorded a fine double of 1:57.5 in the half mile and 52.1 in the quarter two events later.

Buddy Crowell's triple in the hurdles and long jump paced Carlmont.

League sprint champ Jim Marshall of Ravenswood, in his second meet, clocked a seasonal SPAL best of 10-flat in the 100 while Gunn's Hank Norberg got off a good weight double, 150-0 1/2 and 153-8 1/2.

HIGHLIGHTS: In addition to Brandeburg and Lilly, Luttrell cited Bob Williams' 10:39.4 two-mile victory in his first try at the race; Stu Chisholm's first pole vault victory; Rich DiLorenzo's upset win in the discus and Jay Conlin's second place in the shot as "come-through" efforts for the Dons.

First Big SPAL Track Duel Finds Cougars at San Carlos

By DENNIS ANDERSON
Tribune Sports Writer

San Carlos and Cubberley are scheduled to meet Thursday in one of the first duels of expected SPAL track powers this spring, but both teams probably are hoping for rain.

Cubberley missed the services of two league champions and a runnerup Tuesday and was upset in several events, but still downed Woodside 70-52 in its opening league meet. San Carlos ripped Menlo-Atherton 89-32 but

illness and a long basketball season have prompted coach Jim Luttrell to complain, "We're not ready yet."

SPAL Standings

	W	L		W	L
Palo Alto	2	0	Gunn	1	1
Cubberley	1	0	Ravenswood	0	1
San Carlos	1	0	Sequoia	0	2
Carlmont	1	0	Menlo-Ath.	0	2
Woodside	1	1			

Weather permitting, the big test will be held at San Carlos Thursday at 3:30. In other SPAL meets, Carlmont tries for win No. 52 in a row at Sequoia, Gunn

visits Ravenswood and Palo Alto travels to Menlo-Atherton.

Ravenswood lost its debut at Paly, 64-53, Tuesday but rang up four SPAL seasonal bests, including a fabulous 6-3½ high jump by a heretofore unknown, Oscar Jones.

SPAL sprint champ James Marshall debuted with clockings of 10.1 and 22.5 and Ron Sledge long jumped 21-5 for the other Trojan "bests." Paly also got a league best — 10:06.4 in the two mile by Jon Enscoe.

Jones, a junior who had never jumped higher than 5-8 in a meet or 5-10 in practice and scored only an occasional third place last season, told coach Buddy Miller he "felt lucky" about his leap, which earns him fourth place on the all-time Sequoia District honor roll.

The meet at Palo Alto was the only one not beset by bad weather and thus the only meet producing a quantity of good marks.

Woodside coach Joe Greggans was very proud of some of the upsets scored by his charges against Cubberley. Robin Hood took second behind teammate Fred Storek in the 100, light-weights Chan Warden and Neil Platts placed 1-3 in the 440, Jeff Dunker and Ben Welch went 1-2 in the shot and Welch won the discus with a toss of 155-11, the meet's best mark.

Woodside's Andy Taylor and Colin Macy placed 1-2 in the high jump, both leaping 6-feet but Taylor missing fewer times.

Cubberley's Steve Walker, league shot put champ, is limited to throwing the discus because of an elbow injury; cross country champ Steve McLennagan is ill; and 13-foot pole vaulter Dave Laur is shelved with a ski knee.

San Carlos won every track event and swept four events in logging its fifth straight win over M-A. League high jump champ John Radetich, two days off the basketball court, set a meet record of 6-feet.

Gunn hurdlers Rich Gendreau

and Tom Dinges were the most impressive performers at Sequoia, though Mark Flager won both sprints for the hosts. pkp age B 1-5

Carlmont Back on Track

Carlmont High started a new home track streak Friday afternoon, whipping long-time rival San Mateo 72-50 in a nonleague track meet in which gusty winds kept performances down to something less than sensational.

The Scots, who saw more than four years of home victories come to an end at the hands of Westmoor Tuesday, split evenly in the win column with the Bearcats, but piled up points in the seconds and thirds.

In other meets involving Sequoia District schools, Serra swamped Menlo-Atherton 92-30 and Aragon trounced Woodside 82-40.

In most instances, all Class B and Class C winning performances in track events constituted meet records as the lightweights are running varsity distances this year for the first time.

Carlmont 72, San Mateo 50

HIGHLIGHTS: Buddy Crowell picked up three individual wins (both hurdles and the long jump), and a fourth as a mem-

ber of the relay team as Carlmont stopped the Bearcats.

Carlmont's relay foursome turned the 880 in 1:33.2, good time considering the early season and the windy weather.

The Scots were without distance stars Tom Wake and Bill Bradfield, both on the sick list.

HIGHLIGHTS: Only soph half-miler Ken Ezell (2:08.7) kept the 'Cats from being swept on the track, but Woodside showed some good strength in the field events.

Ben Welch, a junior took the shot in 50-6¼ and was even more impressive in

winning the discus at 156-0. Colin Macy and Andy Taylor, a pair of seniors, tied for the 'Cats at 5-10 in the high jump.

HIGHLIGHTS: Serra won all but two varsity events, the best M-A mark coming with Dave Smith's best-of-life 11-0 in the pole vault.

In the B division, Bill Hatcher came up with a 10.2, 23.8 sprint double that would have tied for first in the varsity 100 and won the 220.

League Track Action Opens

Outstanding marks were few and far between, but San Carlos and Menlo-Atherton high schools each picked up their initial varsity track wins of the season at the expense of North County Tuesday in final tuneups for Thursday's opening SPAL action.

San Carlos, in evening its non-league record at 1-1 with a 62-60 win over visiting South San Francisco, did get a pair of good marks. John Lilly covered the half mile in 1:58.8, while Bruce Hull did double that distance in 4:36.8.

M-A also evened its record in trouncing El Camino 79-43 in a meet that saw few top performances due to a strong ocean breeze hitting the losers' oval.

San Carlos kicks off the SPAL season Thursday at Ravenswood, while Menlo-Atherton entertains Gunn. Other openers

M-A 79, El Camino 43

HIGHLIGHTS: A pair of M-A basketballers, Rony Demeter and Gary Dilley, made their first track appearances of the season telling ones, Demeter taking the high jump at 5-10 and Dilley picking up second in that event and third in the mile and long jump.

John Gardi scored his second straight triple for the M-A C team, taking the 180 low hurdles, the 220 and long jump, and anchoring the winning relay foursome.

find Carlmont at Gunn and Palo Alto at Sequoia, with competition opening at 3:15 p.m. at all sites. Preseason favorite Cubberley draws a bye.

An interesting sidelight to the action is that meet records will be set in most lightweight running events as the Class B and Class C performers this year are running varsity distances, abandoning the 75, 150, 330, 660 and 1320 in favor of the 100, 220, 440, 880 and mile. All relays will be over 880 yards.

San Carlos 62, South SF 60

HIGHLIGHTS: The meet went down to the relay for a decision, but San Carlos was able to come through in that event. Coach Jim Luftrell's Class B team got a double win from Al Markland, who took the 100 and long jump, in addition to running on the winning relay team.

Wildcats Claw M-A Spikemen

By PAUL SAVOIA

Tribune Sports Writer

Woodside High whipped Menlo-Atherton for the fifth consecutive time Friday to open its SPAL track season.

The Wildcats won the final event, the 880-yard relay, to insure a 65-57 victory. M-A hasn't defeated Woodside in track since 1961.

The meet was the only SPAL encounter Friday, as Carlmont and Palo Alto took wins and a scheduled San Carlos-Ravenswood match was rained out Thursday.

In the 880-yard relay, both M-A and Woodside were disqualified at first, but meet officials later changed the disqualification ruling on Woodside, giving the Wildcats the victory.

Serra won its third outing in as many tries with a 77-45 conquest of visiting Riordan, St. Francis nudged Los Gatos 62-60, Bellarmine grabbed 61½ points to win a triangular from Logan (53) and Bishop O'Dowd (33½) and Leigh belted Cubberley 74-57 in other action.

Cubberley, one of the preseason favorites for the SPAL title, performed without the services of sprinter Bob Bahlman and shop put-discus ace Al Remington. Both athletes failed to show for the meet to the surprise of coach Jim Yelton.

Bellarmine's John Reardon clocked a 15.1 effort in the 120-yard high hurdles and 20.0 in the 180 lows, while teammate Jim DeDiego won the 100 (10.2) and 220 (22.8) for good early-season times.

Top St. Francis effort was a 152-3½ heave in the discus by

Pete Lemen, while Pardi's 21.5 long jump and double hurdles victory paced Serra.

Woodside 65, M-A 57

HIGHLIGHTS: Sprinter Fred Storek and weightman Ben Welch were double winners for Woodside, with Storek taking the 100 (10.3) and 220 (22.9) and Welch the shot put (49-7½) and discus (156-8).

M-A coach Plato Yanicks cited pole vaulter Fur Diederichsen for a best-of-life 10-6 and an upset victory in his specialty as the Bear highlight.

A double victory by Neil Platts (including a 22.0 time in the 180 low hurdles) and Dave Smith's long jump of 18-2 led Woodside to a 68-48 Class B win, while the two C division 65-20 behind John di's victories.

Cubberley In Surprise Tie

By DENNIS ANDERSON, Tribune Sports Writer

Carlmont High's 55-meet, nine-year-old SPAL track dual meet win string was cut Thursday as the Scots were tied by Cubberley 61-61 in Palo Alto.

The result will have little effect on next week's showdown between Carlmont and also unbeaten San Carlos except, according to San Carlos coach Jim Luttrell, "it'll make Carlmont mad."

San Carlos beat Palo Alto 67-55 Thursday for its fifth victory of the season. Carlmont also has five wins, plus Thursday's tie.

The other two SPAL meets Thursday both were decided in the meet-ending 880-yard relay: Woodside overtook Gunn 62-60 to

move into third place and Menlo-Atherton held off Sequoia 64-58 to break a tie for last place.

Termination of Carlmont's win streak overshadowed the fastest mile race in SPAL dual meet history — three runners under 4:26 at Palo Alto — and another excellent discus thrown by Woodside's Ben Welch.

The Carlmont - Cubberley outcome was unsettled until 6 p.m., about 45 minutes after the relay, when Cubberley's injured Dave Laur soared over 13-feet to win the pole vault.

A couple of hundred athletes and fans sat on the grass around the pole vault pit to watch Laur battle Carlmont's Joe Bruno and Joe White. The vaulters were only jumping at 11-6 when Carlmont won the relay despite a near-disastrous baton pass to regain the lead, 57-56.

It takes 62 points to win. First place in the pole vault is worth five points, second place three and third place one. Carlmont was assured of third when White went out at 12 feet.

Laur, wearing braces on both knees, was vaulting in a meet for the first time this year. A 13-2 vaulter last season, he suffered a knee injury skiing during the winter and started practice just last week, several days after the cast was removed from his leg.

Laur and Bruno battled jump for jump up to 13 feet. Laur cleared it impressively on his first attempt. Bruno, whose previous best was 12-7 $\frac{1}{4}$, appeared to have cleared the height on his second try, but as he scrambled out of the pit the bar wavered and fell off.

Meet referee Sam Nicolopoulos declared a miss and Bruno wasn't close on his last attempt.

The meet was decided in the vault but it turned on the hurdles, where Cubberley junior Bob Evers beat Carlmont's Buddy Crowell in a photo-finish in the highs and by a stride in the lows.

7-Foot Jump Saturday At Carlmont?

BELMONT — The promise of a double seven-foot high jump will feature the annual Carlmont High School Invitational Track Meet here Saturday morning.

Don Pierce of Pittsburg High, only person ever to jump 7-feet in prep competition, John Radetich of San Carlos (6-9 $\frac{1}{2}$) and Marion Anderson of El Cerrito will compete in the feature event, starting at 9 a.m.

Running events in the relay meet cosponsored by the Belmont Rotary Club begin at 10 o'clock.

Entered are Carlmont, San Carlos, Los Altos, Pittsburg, El Cerrito and Berkeley high schools.

10.0 in the 100-yard dash for the Wildcats.

What proved to be the winning points were provided with 30 seconds left before the long jump deadline when soph Neil Platts leaped 18-8 for second place by 1 $\frac{1}{2}$ inches.

Biggest factors in M-A's win over Sequoia was Norm Ooms' come-from-behind upset of Dennis Champman in the 880 and freshman Jim Stamper's places in the 440 and 220 and his clutch performance in the relay.

Lightweight Track:

Titles to Tribe, Scots

Sequoia's B's and Carlmont's C's completed unbeaten dual meet seasons Thursday, wrapping up SPAL lightweight track championships.

Sequoia's B's made San Carlos their 18th straight victim over the past two seasons, 77½ to 44½, while Carlmont's C's won by forfeit over Palo Alto. Both champs had 8-0 records in SPAL competition.

Carlmont moved into second place, ahead of San Carlos, in the B Division while Sequoia finished second in C's. Sequoia's C's have been beaten once in their last 29 meets.

Carlmont had the best combined record in all three divisions — 21-2-1.

SC's John Lilly Out With Mono

By DENNIS ANDERSON
Tribune Sports Writer

John Lilly of San Carlos High, fastest high school half-miler in San Mateo County history, has mononucleosis and may miss valuable weeks of training before the Section and State track meets.

Lilly, whose County record is 1:54.0, complained of feeling un-

well Tuesday and was given tests Thursday which confirmed the diagnosis. Although his case is apparently a mild one, coach Jim Luttrell said Lilly would "almost definitely" miss next week's Sequoia District championships and might also miss the SPAL meet the following week.

As Lilly was being ruled out at least temporarily, his first serious challenger of the year in the SPAL was coming forth. Carlmont's Tom Wake cut almost 3½ seconds off his seasonal best with a time of 1:56.6, one-tenth away from Lilly's fastest 880 of 1966.

Wake's classy clocking and a brilliant triple by Gordon (Buddy) Crowell paced Carlmont to a 79-43 romp over Palo Alto that closed the Scots' eighth straight unbeaten SPAL dual meet season.

Crowell was timed in 15-flat for the 120 high hurdles, 19.7 for the 180 low hurdles and long jumped 21-6¾ — all personal lifetime bests and Sequoia District seasonal bests. The hurdle clockings both were wind-aided, however.

In other SPAL meets Thursday, San Carlos wound up undisputed second place without Lilly by beating Sequoia 70-52 and Ravenswood jumped into a tie with Woodside for third by topping the Wildcats 66-56 in an exciting meet that went down to the relay.

Carlmont extended its nine-year SPAL streak to 58 meets without a loss. The Scots were tied this season by Cubberley, the only blemish on that skein.

High jumper Oscar Jones sparked Ravenswood with an upset victory over Chris Erickson in the 440. Jones, running the race for the third time, beat Erickson by a step in 51.5.

Woodside's Fred Storek almost returned the favor in the 220 against Jim Marshall, the County 100-yard dash record holder, but Marshall won by the breadth of his barrel chest in 22.4.

Marshall brought the Trojans from behind on the final leg of the relay to avert their third tie of the season. Elliott Gibson and Ralph Knowles scored other key points for Ravenswood.

The San Carlos - Sequoia meet was close until the host Dons took five of six places in the high jump and pole vault. Ace

high jumper John Radetich had a bad day, however, making 6-feet on his third try and failing to clear 6-2.

Radetich has jumped 6-9½, 6-8½ and 6-8 in recent weeks. Coach Luttrell commented, "John has been in four meets in the last eight days and hasn't been able to practice."

Sequoia efforts were topped by junior Rich Terriberry's school record of 10:16.9 in the two mile.

A meet between Cubberley and Menlo-Atherton today will close the SPAL dual meet schedule.

Bellarmino finished second in a triangular meet at Berkeley Thursday. John Reardon ran the high hurdles in 14.6 and Phil Murphy improved his school shot put record two feet to 56-0.

Trojan Spikers Clinch SPAL Title for Scots

By DENNIS ANDERSON
Tribune Sports Writer

Ravenswood High clinched the SPAL track championship for Carlmont Tuesday by upsetting second place San Carlos 65-57 in a makeup meet at Ravenswood. Carlmont's eighth straight

title is assured regardless of the outcome of its final dual meet Thursday against Palo Alto at home.

Ravenswood's B's did a similar favor for Sequoia by dealing the San Carlos B's their first defeat 63-59. A scheduled "show-down" finale between Sequoia and San Carlos for the B title Thursday at San Carlos was made meaningless as Sequoia is guaranteed its second straight title.

Woodside entertains Ravenswood in the only other SPAL meet Thursday. All three start at 3:30.

Jim Marshall and Ron Sanders took first and second places in both sprints, where San Carlos has been scoring heavily all year, and Sanders put Ravenswood ahead when he took over second place on one of his final long jumps. The Trojans clinched victory by winning the relay.

John Lilly of San Carlos ran the SPAL's fastest 440 of the year, 51.0, and loafed to a second in the mile in just under five minutes because he wasn't feeling well. SC high jump ace John Radetich stopped at 6-3.

Marshall, nursing a sore leg, was timed in 9.9 for the 100 and 23.1, his slowest of the year, for the 220.

Cubberley crushed St. Francis 90-32 in a nonleague meet Tuesday.

Three Wins, Two Records

Carlmont's Gordon Crowell is on his way to the first of his three wins as the Scots held off the challenge of San Carlos Thursday. He took this race, the 120-yard high hurdles, in 15.3, coming back later to set meet records in the lows (19.8) and long jump (20-5.)

Lightweight Track:

Scots Take 'C' Title

Carlmont High clinched the class C championship and Sequoia and San Carlos set the scene for a B title showdown next week in Thursday's lightweight SPAL track action.

Carlmont ran its C record to 7-0 with a 49-32 win over San Carlos and will close its season next week with a forfeit win over Palo Alto, which does not have a C team.

Sequoia bombed Woodside 95½ to 24½ for its seventh B win this year and 17th straight over the past two seasons. San Carlos had to win final relay to hold off Carlmont 65-57 to push its B record to 5-0 with one tie.

If the Dons beat Ravenswood in a makeup meet Tuesday they'll challenge Sequoia for the B crown next Thursday.

Sequoia's Jim Portman and Ravenswood's David Cartwright both were triple winners in B competition Thursday, Car

wright improving his league seasonal best long jump to 20-3.

Other B seasonal bests were carded by Barr Curry of Sequoia in the discus (127-0) and Cubberley's Ted Wilson in the pole vault (11-6).

C bests were logged by Sequoia frosh Greg Willis in the 440 (54.6) and Carlmont's Bill Burley in the shot (43-0¾).

Scare a Carlmont track team? Perhaps.

Tie them? Maybe once in eight years.

But beat the Scots? Never!

At least that's the way it must seem to the eight other schools in the South Peninsula Athletic League today after Carlmont defeated San Carlos 67-55 Thursday to nearly clinch its eighth straight dual meet championship.

Tied by Cubberley last week to cut its 55-meet, nine-year league win streak, Carlmont bounced back to win Thursday's battle of unbeaten teams at San Carlos before the relay on the strength of depth, distancemen and determination.

Carlmont must beat fifth place Palo Alto at home next Thursday to secure the title. Then, with fine soph and frosh

prospects sprinkled throughout its varsity and lightweight rosters, who knows where the string of championships will end?

San Carlos thought it might end Thursday when the Dons scored back-to-back place upsets in the 220 and high jump to take a 50-49 lead with the mile, long jump and relay to go.

The champs responded to the challenge with Bill Bradfield and soph Ron White running away for a 1-2 finish in the mile and Gordon (Buddy) Crowell capturing the long jump, his third victory of the day, to give the Scots the clinching points.

They won the relay for good measure, though San Carlos was leading before the final baton pass was flubbed.

"Give us that relay, and two third places somewhere and you've got a new champion," mused San Carlos coach Jim Luttrell afterward.

Luttrell's aces, as expected, turned in the fanciest marks. John Lilly moved from eighth to fifth on the Northern California half-mile list with a smooth and easy 1:56.5 effort, mile champ Bruce Hull moved to the two mile and turned a Sequoia District seasonal best of 9:55.3, and high jumper John Radetich made 6-4.

In the other SPAL meets Thursday, Woodside clinched third place by beating Sequoia 72-50, Gunn nailed fourth by downing Paly 66-56 and Ravenswood fought Cubberley to its second straight tie, 61-61.

Bellarmine Prep won a triangular meet with Washington of Fremont and Logan that was featured by Northern California's best discus throw of the year — 186-5½ by Logan's Mike Louisiana. Phil Murphy set a school shot put record of 54-0½, John Reardon was a triple victor and Jim deDiego ran the 220 in 22.0 on a straightaway for the Bells.

Carlmont 67, San Carlos 55

HIGHLIGHTS: Carlmont, doped to win by from seven to 15 points, picked up three extra ones when Bill Wood took third in the high hurdles and Doug Rolly second in the lows, both upsetting Bob Meyer.

San Carlos bounced back into contention when Jeff Elchorn was awarded third place over Tom Wake in the 220, a decision disputed with vigor by Carlmont, and Tom Wilson, moved up from the B's to take a surprise second in the high jump.

Hull's shift from the mile to the two mile was a strategy move partially offset by Carlmont coach Loren Lasberry's shift of two-miler Bradfield to the mile.
Crowell ran the low hurdles in 19.8, best in the league this year, but all straightaway times were wind-aided.

Cubberley spikers whip M-A 84-38

The South Peninsula Athletic League dual meet track season ended Friday as Cubberley High crushed Menlo-Atherton 84-38 in the finale.

Cubberley took both weight events as Ed Huston put the shot 50-1 and Doug McGee's 131-10 was enough to win the discus. It was a lifetime best for McGee.

The Cougars also dominated the sprints as Russ Rudometkin was a double winner in the 100 and 220 and Cubberley copped the relay.

Randy Demeter was one of the lone bright spots for M-A as he won the highjump at 5-11.

Trojan Spikers Clinch SPAL Title for Scots

By DENNIS ANDERSON
Tribune Sports Writer

Ravenswood High clinched the SPAL track championship for Carlmont Tuesday by upsetting second place San Carlos 65-57 in makeup meet at Ravenswood. Carlmont's eighth straight

crown is assured regardless of the outcome of its final dual meet Thursday against Palo Alto at home.

Ravenswood's B's did a similar favor for Sequoia by dealing the San Carlos B's their first defeat 63-59. A scheduled "showdown" finale between Sequoia and San Carlos for the B title Thursday at San Carlos was made meaningless as Sequoia is guaranteed its second straight title.

Woodside entertains Ravenswood in the only other SPAL meet Thursday. All three start at 3:30.

Jim Marshall and Ron Sanders took first and second places in both sprints, where San Carlos has been scoring heavily all year, and Sanders put Ravenswood ahead when he took over second place on one of his final long jumps. The Trojans clinched victory by winning the relay.

John Lilly of San Carlos ran the SPAL's fastest 440 of the year, 51.0, and loafed to a second in the mile in just under five minutes because he wasn't feeling well. SC high jump ace John Radetich stopped at 6-3.

Marshall, nursing a sore leg, was timed in 9.9 for the 100 and 23.1, his slowest of the year, for the 220.

Cubberley crushed St. Francis 90-32 in a nonleague meet Tuesday.

well Tuesday and was given tests Thursday which confirmed the diagnosis. Although his case is apparently a mild one, coach Jim Luttrell said Lilly would "almost definitely" miss next week's Sequoia District championships and might also miss the SPAL meet the following week.

As Lilly was being ruled out at least temporarily, his first serious challenger of the year in the SPAL was coming forth. Carlmont's Tom Wake cut almost 3½ seconds off his seasonal best with a time of 1:56.6, one-tenth away from Lilly's fastest 880 of 1966.

Wake's classy clocking and a brilliant triple by Gordon (Buddy) Crowell paced Carlmont to a 79-43 romp over Palo Alto that closed the Scots' eighth straight unbeaten SPAL dual meet season.

Crowell was timed in 15-flat for the 120 high hurdles, 19.7 for the 180 low hurdles and long jumped 21-6¾ — all personal lifetime bests and Sequoia District seasonal bests. The hurdle clockings both were wind-aided, however.

In other SPAL meets Thursday, San Carlos wound up undisputed second place without Lilly by beating Sequoia 70-52 and Ravenswood jumped into a tie with Woodside for third by topping the Wildcats 66-56 in an exciting meet that went down to the relay.

Carlmont extended its nine-year SPAL streak to 58 meets without a loss. The Scots were tied this season by Cubberley, the only blemish on that skein.

High jumper Oscar Jones sparked Ravenswood with an upset victory over Chris Erickson in the 440. Jones, running the race for the third time, beat Erickson by a step in 51.5.

Woodside's Fred Storek almost returned the favor in the 220 against Jim Marshall, the County 100-yard dash record holder, but Marshall won by the breadth of his barrel chest in 22.4.

Marshall brought the Trojans from behind on the final leg of the relay to avert their third tie of the season. Elliott Gibson and Ralph Knowles scored other key points for Ravenswood.

The San Carlos - Sequoia meet was close until the host Dons took five of six places in the high jump and pole vault. Ace

high jumper John Radetich had a bad day, however, making 6-feet on his third try and failing to clear 6-2.

Radetich has jumped 6-9½, 6-8½ and 6-8 in recent weeks. Coach Luttrell commented, "John has been in four meets in the last eight days and hasn't been able to practice."

Sequoia efforts were topped by junior Rich Terriberry's school record of 10:16.9 in the two mile.

A meet between Cubberley and Menlo-Atherton today will close the SPAL dual meet schedule.

Bellarmino finished second in a triangular meet at Berkeley Thursday. John Reardon ran the high hurdles in 14.6 and Phil Murphy improved his school shot put record two feet to 56-0.

M-A Spikers Crushed

4-30

Cubberley High crushed Menlo-Atherton 87-35 in the final PAL dual track meet of the year Friday.

Bob Evers ran the low hurdles 20-flat and Ed Huston put the hot 50-1 to pace the winners, who compiled only a 3-2-2 record

by belting St. Francis 75-47 at Mountain View. Jerry Tallon, who ran the 880 in 1:55.5 for Serra Wednesday, coasted to 2:05.0 Friday.

Carter Provo and Jeff Higgs each won two events to lead Menlo School over San Rafael Military Academy, 87-34.

Menlo-Atherton beat Cubberley in B's and C's as the Bear teams, individually and over-all, completed their best dual meet seasons since 1962. Their combined record was 15-16-1.

Freshman John Swinford high jumped 5-5½ for the M-A B's.

Crowell Triple Leads Champs

By DENNIS ANDERSON, Tribune Sports Writer

Scare a Carlmont track team? Perhaps. Tie them? Maybe once in eight years. But beat the Scots? Never!

At least that's the way it must seem to the eight other schools in the South Peninsula Athletic League today after Carlmont defeated San Carlos 67-55 Thursday to nearly clinch its eighth straight dual meet championship.

Tied by Cubberley last week to cut its 55-meet, nine-year league win streak, Carlmont bounced back to win Thursday's battle of unbeaten teams at San Carlos before the relay on the strength of depth, distancemen and determination.

Carlmont must beat fifth place Palo Alto at home next Thursday to secure the title. Then, with fine soph and frosh

prospects sprinkled throughout its varsity and lightweight rosters, who knows where the string of championships will end?

San Carlos thought it might end Thursday when the Dons scored back-to-back place upsets in the 220 and high jump to take a 50-49 lead with the mile, long jump and relay to go.

The champs responded to the challenge with Bill Bradfield and soph Ron White running away for a 1-2 finish in the mile and Gordon (Buddy) Crowell capturing the long jump, his third victory of the day, to give the Scots the clinching points.

They won the relay for good measure, though San Carlos was leading before the final baton pass was flubbed.

"Give us that relay, and two third places somewhere and you've got a new champion," mused San Carlos coach Jim Luttrell afterward.

Luttrell's aces, as expected, turned in the fanciest marks. John Lilly moved from eighth to fifth on the Northern California half-mile list with a smooth and easy 1:56.5 effort, mile champ Bruce Hull moved to the two mile and turned a Sequoia District seasonal best of 9:55.3, and high jumper John Radetich made 6-4.

In the other SPAL meets Thursday, Woodside clinched third place by beating Sequoia 72-50, Gunn nailed fourth by downing Paly 66-56 and Ravenswood fought Cubberley to its second straight tie, 61-61.

Bellarmine Prep won a triangular meet with Washington of Fremont and Logan that was featured by Northern California's best discus throw of the year — 186-5 1/2 by Logan's Mike Louisiana. Phil Murphy set a school shot put record of 54-0 1/2, John Reardon was a triple victor and Jim deDiego ran the 220 in 22.0 on a straightaway for the Bells.

Woodside's Jeff Dunker and Ben Welch, the SPAL's first and second ranking shot putters, threw 52-7 1/4 and 52-1 1/2 respectively and Welch came back with a 162-4 discus throw at Sequoia.

Gunn got SPAL seasonal bests of 13-9 in the pole vault by Ken Weed and 9:40.9 by Rick Hunter in the two mile.

Ravenswood's Jim Marshall, who ran 9.6 in the 100 last Friday, was caught in 10-flat at Cubberley.

Carlmont 67, San Carlos 55

HIGHLIGHTS: Carlmont, doped to win by from seven to 15 points, picked up three extra ones when Bill Wood took third in the high hurdles and Doug Rolly second in the lows, both upsetting Bob Meyer.

San Carlos bounced back into contention when Jeff Elchorn was awarded third place over Tom Wake in the 220, a decision disputed with vigor by Carlmont, and Tom Wilson, moved up from the B's to a surprise second in the high jump.

Hull's shift from the mile to the two mile was a strategy move partially offset by Carlmont coach Loren Lasberry's shift of two-miler Bradfield to the mile.

Crowell ran the low hurdles in 19.8, best in the league this year, but all straightaway times were wind-aided.

Cubberley In Surprise Tie

Carlmont High's 55-meet, nine-year-old SPAL track dual meet win string was cut Thursday as the Scots were tied by Cubberley 61-61 in Palo Alto.

The result will have little effect on next week's showdown between Carlmont and also unbeaten San Carlos except, according to San Carlos coach Jim Luttrell, "it'll make Carlmont mad."

San Carlos beat Palo Alto 67-55 Thursday for its fifth victory of the season. Carlmont also has five wins, plus Thursday's tie.

The other two SPAL meets Thursday both were decided in the meet-ending 880-yard relay: Woodside overtook Gunn 62-60 to

move into third place and Menlo-Atherton held off Sequoia 64-58 to break a tie for last place.

Termination of Carlmont's win streak overshadowed the fastest mile race in SPAL dual meet history — three runners under 4:26 at Palo Alto — and another excellent discus thrown by Woodside's Ben Welch.

The Carlmont - Cubberley outcome was unsettled until 6 p.m., about 45 minutes after the relay, when Cubberley's injured Dave Laur soared over 13-feet to win the pole vault.

A couple of hundred athletes and fans sat on the grass around the pole vault pit to watch Laur battle Carlmont's Joe Bruno and Joe White. The vaulters were only jumping at 11-6 when Carlmont won the relay despite a near-disastrous baton pass to regain the lead, 57-56.

7-Foot Jump Saturday At Carlmont?

BELMONT — The promise of a double seven-foot high jump will feature the annual Carlmont High School Invitational Track Meet here Saturday morning.

Don Pierce of Pittsburg High, only person ever to jump 7-feet in prep competition, John Radetich of San Carlos (6-9½) and Marion Anderson of El Cerrito will compete in the feature event, starting at 9 a.m.

Running events in the relay meet cosponsored by the Belmont Rotary Club begin at 10 o'clock.

Entered are Carlmont, San Carlos, Los Altos, Pittsburg, El Cerrito and Berkeley high schools.

10.0 in the 100-yard dash for the Wildcats.

What proved to be the winning points were provided with 30 seconds left before the long jump deadline when soph Neil Platts leaped 18-8 for second place by 1½ inches.

Biggest factors in M-A's win over Sequoia was Norm Ooms' come-from-behind upset of Dennis Champman in the 880 and freshman Jim Stamper's places in the 440 and 220 and his clutch performance in the relay.

It takes 62 points to win. First place in the pole vault is worth five points, second place three and third place one. Carlmont was assured of third when White went out at 12 feet.

Laur, wearing braces on both knees, was vaulting in a meet for the first time this year. A 13-2 vaulter last season, he suffered a knee injury skiing during the winter and started practice just last week, several days after the cast was removed from his leg.

Laur and Bruno battled jump for jump up to 13 feet. Laur cleared it impressively on his first attempt. Bruno, whose previous best was 12-7¼, appeared to have cleared the height on his second try, but as he scrambled out of the pit the bar wavered and fell off.

Meet referee Sam Nicolopoulos declared a miss and Bruno wasn't close on his last attempt.

The meet was decided in the vault but it turned on the hurdles, where Cubberley junior Bob Evers beat Carlmont's Buddy Crowell in a photo-finish in the highs and by a stride in the lows.

Crowell is the defending league champ in the lows. Winning times were 15.4 and 20.0.

Steve McLennagan added more vital points for Cubberley when he nipped Tom Wake for second place in the 880.

Crowell and Wake came back later, Crowell winning the long jump by one-half inch and Wake holding off Evers in the last leg of the relay to take the meet to the vault.

The mile at Palo Alto, featuring a great three-way kick in the last 220 yards, saw a John Lilly win in SPAL season best and San Carlos school record time of 4:21.8, with Paly junior Jon Enscoe second in 4:22.4 and defending league champ Bruce Hull of San Carlos third in 4:25.7.

Lilly, third-ranking miler in Sequoia District history, improved a full second on his career best.

High jumper John Radetich cleared 6-5 and quit after missing his first try at 6-8 to save his strength for his big duel with Pittsburg High's 7-footer, Don Pierce, Saturday in the Carlmont Invitational.

Woodside's Welch improved his third-ranking Central Coast Section discus throw by 2½ feet to 165-3½. Fred Storek clocked

San Carlos Prep Leaps

JOHN RADETICH

By DENNIS ANDERSON
Tribune Sports Writer

John Radetich of San Carlos High erased the oldest, most famous name from the SPAL track record book Thursday when he high jumped 6 feet, 9½ inches in a dual meet at Gunn High in South Palo Alto.

Radetich, whose previous best jump this season was 6-1½, took the 29-year old record away from Les Steers, who leaped 6-6½ for Palo Alto in 1937 and went on to become the best high jumper in the world for a number of years.

The 6-1½ San Carlos senior cleared the record height with inches to spare on his first at-

tempt. Waiting only long enough for the standards to be raised to seven feet (the bar sagged to 6-11½), he got over on his first try but knocked the bar off with his trailing leg.

His remaining two attempts were not as close.

"Somebody smashed my marker when I went over 6-9½," Radetich said later, "and I couldn't get my steps right at 7-feet." The meet practically came to a standstill as athletes and fans rushed to the high jump area to watch John try for 7.

Radetich jumped 6-4 early last season, fourth best in league history, but had made it over

6-2 only once since then. "I had a feeling I was going to have a good day when I jumped 6-1½ in practice Tuesday," John explained. "That's three inches higher than I've ever gone in practice."

He also praised the facilities at Gunn. "That's the first time I've jumped off Grastex this year and the foam rubber in the pit is great. It felt just like I was floating over, it was great," he enthused.

Radetich will have several more chances to enjoy the Gunn pit this spring as the SPAL, Regional and Central Coast Section meets all will be held at the new Palo Alto school.

6-9½ in High Jump

Inspired by Radetich and by Bob Meyer's upset victory over Gunn's heralded Rich Gendreau in the low hurdles, San Carlos picked up 15 points that logic said belonged to Gunn and whipped the Titans 69-53 to stay on Carlmont's heels in the SPAL championship race.

Carlmont battered Woodside 75-47 at home for its 55th consecutive SPAL dual meet victory and fifth this year. San Carlos has a 4-0 record.

Ravenswood set a school scoring record in blistering Menlo-Atherton 91-31 and Cubberley thundered past Sequoia 84-38 in the other SPAL meets. Palo Alto won a nonleague triangular

meet by scoring 70 points to 44 for St. Francis and 37 for Bishop O'Dowd at Paly.

In addition to Radetich, three other SPAL seasonal best marks were turned in the field events, but none on the track despite the best continued good weather the league has seen in many years.

Gunn junior Ken Weed pole vaulted 13-3, best in the Central Coast Section by an inch; Cubberley senior Tom Reid long jumped 21-11½, his lifetime best by nearly two feet; and Woodside junior Ben Welch boosted

Radetich To Face 7-Footer April 16

John Radetich of San Carlos High, who set an all-time SPAL record of 6-9½ in the high jump Thursday, will duel with the first high jumper ever to clear seven feet in high school competition next month.

Don Pierce, who jumped 7 feet for Pittsburgh High last week, will meet Radetich in the feature event of the Carlmont Invitational Meet in Belmont Saturday, April 16.

Radetich barely missed on his first attempt at 6-11½ Thursday.

SC Coach Says Gunn Favored

By DENNIS ANDERSON
Tribune Sports Writer

The way San Carlos High track coach Jim Luttrell figures it, the Dons will suffer their first defeat of the SPAL season Thursday when they travel to Gunn High in South Palo Alto.

"Gunn has improved tremendously in the past two weeks. Our dope sheet of the meet, based on past performances, gives Gunn 68 points to the Dons' 54," says Luttrell.

"In addition, they have the advantage of running on their own track. It takes 62 points to win, so we need eight upset points in places where their men have had better performances."

Luttrell figures most of the first places are clear cut. San Carlos' John Lilly and Rick Brandeburg and Gunn's Rich Gendreau and Hank Norberg all should be multiple winners.

The meet hangs with the lesser-known names who will be battling for seconds and thirds. Jack Lehman, Jeff Eichorn, Lefty Chell, Jay Conlin and Vince DiLorenzo may hold the key to success or failure for the title-minded Dons.

In an equally-important meet Thursday, coleader Carlmont guns for its 55th straight SPAL victory at home against Woodside, which has lost only to San Carlos this year.

San Carlos and Carlmont have 3-0 records, Gunn 3-1-1 (lost to Carlmont and tied Ravenswood) and Woodside 3-1.

his league-leading discus mark by three inches to 162-8.

San Carlos coach Jim Luttrell figured the Dons' unbeaten record might be ended at Gunn and had a reasonable dope sheet to back him up. The Dons upset the dope in several places, however, the crusher being Meyer's victory in the low hurdles.

His best previous time was 20.9, compared to 20.1 and 20.3

for Gunn's Gendreau and Tom Dinges. Meyer won the race in 20.4 to Gendreau's 20.5 and Dinges' 20.7.

Other key triumphs for the Dons were Rick Brandenburg's long jump of 20-9 $\frac{1}{2}$, his third first place of the meet, Bruce Hull's 4:30.4 mile victory over Gunn's unbeaten Rich Hunter and John Lilly's 880-440 double, the former in 1:57.8.

A 2-3 finish by Bob Williams and Lefty Chell in the two mile also surprised the Titans.

Among the more notable marks in other meets was Steve Simon's school record discus throw of 150-9 $\frac{1}{2}$ for Ravenswood, which represented an 8-foot improvement and boosted him to No. 3 in the SPAL. Gunn's Hank Norberg improved his second best mark to 156-5 $\frac{1}{2}$.

track championship Thursday, whipping Menlo-Atherton 84-38 for its 54th consecutive league victory.

San Carlos, also unbeaten this season, was idle. Woodside re-

mained in contention but Cubberley, preseason co-favorite, and Palo Alto fell out of the title picture.

The other scores Thursday were Woodside 68, Palo Alto 54; Gunn 69, Cubberley 53 and Ravenswood 71, Sequoia 50.

Carlmont has a 4-0 record to San Carlos' 3-0. They meet April 21 in the second-to-final week of the dual meet schedule.

Gordon (Buddy) Crowell ran the low hurdles in 19.9 for the second time this week, this time with a little help from the wind, and long jumped 21-6 $\frac{1}{2}$, one-half inch short of the field record in a pit where good long jumps are rare, to pace host Carlmont.

Joe Bruno pole vaulted 12-6 for the Scots while Bill Hatcher picked up two of M-A's respectable six first places with fine sophomore sprint clockings of 10.2 and 23.3. The former set a school record for sophos.

Woodside bounced back impressively from its Tuesday loss to San Carlos, posting its third victory in four meets.

Chris Erickson, his first day home after an 11-day trip to Virginia for family business, charged up Woodside by winning the 440 in 51.9 with soph Chan Warden close back in 52.2.

Andy Taylor set a school high jump record of 6-2 $\frac{1}{2}$, Ben Welch continued his league-best discus throwing with a 158-9 effort (he tossed 162-5 Tuesday) and Fred Storek won both sprints for other Woodside highlights.

In losing, Paly got SPAL seasonal best efforts from a pair of juniors — 4:29.7 in the mile by Jon Enscoe and 21-10 in the long jump by Steve Rogaway.

Ravenswood's Jim Marshall logged sprint victories in 9.9 and 22.6 against Sequoia, both off his season bests on Tuesday. Trojan high jumper Oscar Jones, who high jumped 6-3 $\frac{1}{2}$ last week, failed to clear 5-6 Thursday and didn't place.

Gunn's Rich Gendreau, upset in the high hurdles, entered the long jump for the first time in two years and won at 20-11 $\frac{1}{4}$, a development that sparked a fire in his teammates. Gunn won all the field events, got two important second places from Dan DaCosta in the sprints and Rich Hunter beat Cubberley ace Steve McLennagan decisively in the mile.

Junior Bob Evers set a school record of 20-flat in the low hurdles for Cubberley.

Sharp Marks From Prep Spikers

3-23

By DENNIS ANDERSON
Tribune Sports Writer

New power San Carlos and old power Carlmont share the SPAL track lead today as the list of unbeaten teams was cut in half during Tuesday's action.

Continued mild weather helped bring on a general improvement in marks, including four efforts that rank first or second in the Central Coast Section area.

San Carlos whipped Woodside

SPAL Standings

	W	L	T		W	L	T
San Carlos	3	0	0	Cubberley	1	2	1
Carlmont	3	0	0	Ravens.	0	2	1
Palo Alto	3	1	0	Sequoia	0	3	0
Gunn	2	1	1	Menlo-Ath.	0	4	0
Woodside	2	1	0				

71-51 in a meeting of unbeaten, Carlmont extended its seven-year league win streak to 53 by downing Ravenswood 72-50 and Cubberley, heretofore winless preseason cofavorite, tumbled Palo Alto from the league lead, 69-52.

Gunn defeated Menlo-Atherton 79 1/2 to 41 1/2 in the other SPAL meet while Sequoia, drawing a league bye, shaded its Alumni

BEN WELCH
... Unsung discus ace

61-59 for its first victory of the year.

League champs John Lilly, Gordon Crowell and Jim Marshall and an unsung Woodside

junior named Ben Welch provided the individual excitement.

Lilly of San Carlos, after loafing through the half mile, burned the 440 in 51.3. While not normally a spectacular time and half a second off his lifetime best, it is so far this spring the fastest reported in the central Coast Section area covering Daly City to King City.

Ravenswood's Marshall equaled his all time fastest 100-yard dash, 9.8, which is second fastest (to a 9.7) in the CCS.

Carlmont's Crowell skimmed the low hurdles in 19.9, equaling the section's fastest this spring.

Most exciting of all was Welch's discus throw of 162-5, which ranks second in the CCS (169-9 1/4 is tops), represents a six-foot improvement and puts the stamp of possible future greatness on the 190-pound junior.

Welch had another throw at 160 and two at 156. "I widened my stride and got under it better," he said.

Marshall came back with a 22.2 in the 220, which ranks third in the section, and teammate

Frank Romo turned the quarter in 51.4, which will rate right behind Lilly.

Action resumes Thursday with Woodside visiting Palo Alto in the key meet. Carlmont hosts Menlo-Atherton; Sequoia travels to Ravenswood and Gunn motors to Cubberley. San Carlos has a bye.

Prep Track Crucial: SC Vs. Woodside

3-21

South Peninsula Athletic League seasons open in baseball and tennis and there's a big one on the track calendar Tuesday.

San Carlos and Woodside track teams, both victorious in the first SPAL dual meets, clash at Woodside. Both teams ripped Cubberley, considered one of the preseason favorites, with comparative ease last week.

Key events figure to be the sprints, high jump and relay, though second and third places in the 440 and discus could be just as important. The high jump features John Radetich of San Carlos and Woodside's duo of Andy Taylor and Colin Macy, all of whom cleared 6-foot last week.

Other SPAL track meets send Carlmont to Ravenswood in search of its 53rd league dual meet victory in a row, Cubberley to Palo Alto and Menlo-Atherton to Gunn.

The baseball openers are reported elsewhere on this page.

Tennis opens with a bang as Woodside, seeking its fifth straight championship and riding a win streak of 28 straight matches (24 in league play) travels to meet 1965 runnerup Palo Alto.

San Carlos has a busy day, hosting swimming, gymnastics, tennis and baseball action — the latter two at Burton Park. Carlmont's gymnastics team entertains one of Northern California's perennial powers, Pleasant Hill.

First Big SPAL Track Duel Finds Cougars at San Carlos

By DENNIS ANDERSON
Tribune Sports Writer

San Carlos and Cubberley are scheduled to meet Thursday in one of the first duels of expected SPAL track powers this spring, but both teams probably are hoping for rain.

Cubberley missed the services of two league champions and a runnerup Tuesday and was upset in several events, but still downed Woodside 70-52 in its opening league meet. San Carlos ripped Menlo-Atherton 89-32 but

illness and a long basketball season have prompted coach Jim Luttrell to complain, "We're not ready yet."

SPAL Standings

Team	W	L	Team	W	L
Palo Alto	2	0	Gunn	1	1
Cubberley	0	1	Ravenswood	0	1
San Carlos	1	0	Sequoia	0	2
Carlmont	1	0	Menlo-Ath.	0	2
Woodside	0	2			

Weather permitting, the big test will be held at San Carlos Thursday at 3:30. In other SPAL meets, Carlmont tries for win No. 52 in a row at Sequoia, Gunn

visits Ravenswood and Palo Alto travels to Menlo-Atherton.

Ravenswood lost its debut at Paly, 64-58, Tuesday but rang up four SPAL seasonal bests, including a fabulous 6-3½ high jump by a heretofore unknown, Oscar Jones.

SPAL sprint champ James Marshall debuted with clockings of 10.1 and 22.5 and Ron Sledge long jumped 21-5 for the other Trojan "bests." Paly also got a league best — 10:06.4 in the two mile by Jen Enscoe.

Jones, a junior who had never jumped higher than 5-8 in a meet or 5-10 in practice and scored only an occasional third place last season, told coach Buddy Miller he "felt lucky" about his leap, which earns him fourth place on the all-time Sequoia District honor roll.

The meet at Palo Alto was the only one not beset by bad weather and thus the only meet producing a quantity of good marks.

Woodside coach Joe Greggans was very proud of some of the upsets scored by his charges against Cubberley. Robin Hood took second behind teammate Fred Storek in the 100, lightweights Chan Warden and Neil Platts placed 1-3 in the 440, Jeff Dunker and Ben Welch went 1-2 in the shot and Welch won the discus with a toss of 155-11, the meet's best mark.

Woodside's Andy Taylor and Colin Macy placed 1-2 in the high jump, both leaping 6-feet but Taylor missing fewer times.

Cubberley's Steve Walker, league shot put champ, is limited to throwing the discus because of an elbow injury; cross country champ Steve McLennagan is ill; and 13-foot pole vaulter Dave Laur is shelved with a ski knee.

San Carlos won every track event and swept four events in logging its fifth straight win over M-A. League high jump champ John Radetich, two days off the basketball court, set a meet record of 6-feet.

Gunn hurdlers Rich Gendreau

and Tom Dinges were the most impressive performers at Sequoia, though Mark Flager won both sprints for the hosts. p.kp age B 1-5

Don Cindermen Cage Cougars

By DENNIS ANDERSON
Tribune Sports Writer

You may consider San Carlos High, officially, a contender for the South Peninsula Athletic League track championship.

Coach Jim Luttrell, previously unwilling to discuss his team's title chances, stamped the Dons as "certainly contenders" Thursday after they became the second Sequoia District team

SPAL Standings

Team	W	L	Team	W	L
Palo Alto	3	0	Ravenswood	0	1
Woodside	2	0	Cubberley	0	2
San Carlos	2	0	Sequoia	0	3
Carlmont	2	0	Menlo-Ath.	0	3
Gunn	1	1			

this week to romp over pre-season cofavorite Cubberley, 74-48.

Next Tuesday, San Carlos travels to meet Woodside, the team that shocked Cubberley 70-52 earlier this week in a result so surprising that the Tribune reported it incorrectly.

Palo Alto took the official league lead Thursday by topping a fine Menlo-Atherton effort 65-57. Carlmont stretched its five-year SPAL dual meet win streak to 52 by ripping Sequoia 90-32 and Ravenswood tied Gunn 61-61.

Paly has a 3-0 record: Carlmont, San Carlos and Woodside are 2-0.

Luttrell called the weather and the performances Thursday the best in history at San Carlos. Rick Brandeburg, who was shooting baskets at the Peninsula Tournament last weekend, logged a brilliant triple victory, including a 10.3 in the 100 and a school record 23-flat in the 220.

John Lilly recorded a fine double of 1:57.5 in the half mile and 52.1 in the quarter two events later.

Buddy Crowell's triple in the hurdles and long jump paced Carlmont.

League sprint champ Jim Marshall of Ravenswood, in his second meet, clocked a seasonal SPAL best of 10-flat in the 100 while Gunn's Hank Norberg got off a good weight double, 150-0½ and 153-8½.

The Mistake of the Year^{3/17}

The phone conversation Tuesday night went something like this:

This Writer: Hello, Joe, Can I get the results of your meet with Cubberley today?

Joe Greggans, Woodside track coach: Sure, I'm all ready for you.

TW: What was the score?
JG: 70-52.

TW: Say, you did pretty good (thinking to myself, last year Cubberley won 87-34 and it appeared the difference between the teams was at least as great this year.)

JG: Yes, we got some real fine efforts from Fred Storek, Chan Warden, Robin Hood, Rich Platts, Jeff Dunker, Ben Welch, Andy Taylor and Colin Macy. We were real pleased. Here's the results by events.

You notice, that at no time during the conversation has anybody asked or said exactly WHO WON. And so was born The Mistake of The Year, or maybe the last several years, on the Tribune sports pages.

The conversation continued for 20 minutes before I had finished taking all the results and notes and all during that time I was assuming Cubberley had won as expected but Woodside had come closer than expected.

And Greggans assumed that I was aware Woodside had sprung a huge upset, as I should have realized as I took the results and saw a lot more (W)'s after names than (C)'s.

Perhaps more amazing is that I had to call Greggans back later to check a detail on the shot put and I called Cubberley coach Jim Yelton to verify some spellings and other information and in all those calls it never got across to me that Woodside, not Cubberley, won the meet 70-52.

So Wednesday's Tribune story carried the wrong score, and wrong standings, and featured a meet today between Cubberley and San Carlos rather than the biggest upset of the young track season.

Not only did Woodside win, but the presence of three Cubberley stars who missed their events would not have changed the result. Had two miler Steve McLennagan, shot putter Steve Walker and pole vaulter Dave Laur all competed and won their events, Woodside still would have won 62-60.

All I can do now is stand here red-faced and say I'm sorry, Woodside.

The Wildcats, incidentally, share first place with Palo Alto with 2-0 records.

Lightweight Track Streaks Snapped

3-16

Sequoia High's long class C winning streak and Menlo-Atherton's longer class B losing streak were snapped in Thursday's SPAL lightweight track action.

Sequoia suffered its first defeat since 1964, in class C competition, 48-38 to Carlmont, while Menlo-Atherton's B's won their first since 1962, 73-44 over Palo Alto.

Sequoia had won 15 in a row the last two seasons while M-A had lost 28 straight.

Carlmont Back on Track ³⁻⁵

Carlmont High started a new home track streak Friday afternoon, whipping long-time rival San Mateo 72-50 in a nonleague track meet in which gusty winds kept performances down to something less than sensational.

The Scots, who saw more than four years of home victories come to an end at the hands of Westmoor Tuesday, split evenly in the win column with the Bearcats, but piled up points in the seconds and thirds.

In other meets involving Sequoia District schools, Serra swamped Menlo-Atherton 92-30 and Aragon trounced Woodside 82-40.

In most instances, all Class B and Class C winning performances in track events constituted meet records as the lightweights are running varsity distances this year for the first time.

Carlmont 72, San Mateo 50
HIGHLIGHTS: Buddy Crowell picked up three individual wins (both hurdles and the long jump), and a fourth as a mem-

ber of the relay team as Carlmont stopped the Bearcats.

Carlmont's relay foursome turned the 880 in 1:33.2, good time considering the early season and the windy weather.

The Scots were without distance stars Tom Wake and Bill Bradfield, both on the sick list.

HIGHLIGHTS: Only soph half-miler Ken Ezell (2:08.7) kept the 'Cats from being swept on the track, but Woodside showed some good strength in the field events.

Ben Welch, a junior took the shot in 50-6 1/4 and was even more impressive in

winning the discus at 156-0. Colin Macy and Andy Taylor, a pair of seniors, tied for the 'Cats at 5-10 in the high jump.

Woodside Class B sprinter Robin (no kidding) Hood was a double winner, with 10.9 and 23.9 clockings, the 100 going against a strong wind.

HIGHLIGHTS: Serra won all but two varsity events, the best M-A mark coming with Dave Smith's best-of-life 11-0 in the pole vault.

In the B division, Bill Hatcher came up with a 10.2, 23.8 sprint double that would have tied for first in the varsity 100 and won the 220.

John Gardi led M-A's C team to victory, winning the hurdles and long jump, while running on the victorious relay foursome.

Mills Ruins SC Spike ³⁻³ Debut 87-31

MILLBRAE — San Carlos High's track team was whipped by Mills 87-31 in its season-opening meet here Wednesday.

The Dons did not have record-setting high jumper John Radetich and a half-dozen other members of the school basketball teams, but coach Jim Luttrell said their presence would not have changed the outcome. "Mills is well balanced and quite strong," Luttrell said.

Top performance for the losers was SPAL mile champion Bruce Hull's "real good opening" clocking of 4:38.5. District Athlete of the Week John Lilly doubled in the 880 and 440, winning the former in 2:05 and placing second in the latter in 53-flat.

Scot Track Streak Cut ³⁻²

BELMONT — The current generation of Carlmont High School students saw their track team lose a meet for the first time Tuesday.

Westmoor High, which snapped Carlmont's 42-meet win string last year in Daly City, dealt the Scots their first loss at home in more than four years, 64 1/2 to 57 1/2, in the season-opener Tuesday.

Westmoor's fine sprinter, Roy Herold, came from behind on the last turn of the 880-yard relay to give the visitors the winning points and nullify a brilliant effort by Carlmont's Gordon (Buddy) Crowell.

Crowell, a senior, won the 180-yard low hurdles in excellent time of 20.2 seconds, the high hurdles in meet record 15.6, the long jump at 20-0 1/2 and gave Carlmont a commanding lead in the first leg of the relay. His marks all were lifetime bests.

Carlmont freshman Chris Carey won the class B two-mile in the brilliant time of 10:18. Last fall Carey was timed in 10:26, which ranked fourth among freshman country runners in the U.S.

Carlmont coach Loren Lansberry said he was "encouraged" by the performance of his "young group" despite the Scots' eighth defeat since 1959. Westmoor is favored to win the North Peninsula League title. Friday Carlmont hosts San Mateo, favorite in the Mid-Peninsula League.

Carlmont Snares 51st SPAL Dual Meet Win

3-11

Four SPAL track teams kicked off league competition Thursday, two more hit the cinders this afternoon and two others saw their initial loop action postponed by a soggy track.

Sequoia tried once again, but as they have since 1935, the Cherokees bowed to Palo Alto. No. 31 in a row came by a 68-53 score.

That meet was devoid of top marks, but filled with highly competitive finishes.

In the only other meet held Thursday, a Gunn squad that was as sharp as a razor blade, but also just about as thin, became Carlmont's 51st straight loop dual meet victim, 77-45, despite strong showings in the high hurdles, mile and two-mile.

Ravenswood's track proved too soggy for action, so its meet with San Carlos was indefinitely postponed, while the Woodside-Menlo-Atherton meet is scheduled for this afternoon at Woodside. Cubberley drew an opening day bye.

Palo Alto 68, Sequoia 53

HIGHLIGHTS: Dennis Bianco's come-from-behind 440 win and Charley Johnson's track debut after winning SPAL Player of the Year honors in basketball, topped the Cherokee picture against the Vikings.

Bianco, trailing all the way, put on a tremendous finish for a 53.2 and turned in a good leg on the winning Sequoia relay team.

Johnson, competing in a sweat suit, cleared 5-10 in the high jump for victory there, then placed third in the long jump.

Paly's efforts were led by Jon Enscoe's 4:32.5 mile (trilled by Sequoia soph Mike Dalley's 4:41.0), and Steve Rogaway's sprint double.

Barr Curry was a triple winner (440 shot, discus) as the Sequoia Class B spikers won 76-46. Dan Sewell won three (100, 220, shot) in the Sequoia C's 62-27 win.

Carlmont 77, Gunn 45

HIGHLIGHTS: The Titans took events that the Scots normally share with no one, with Dick Hunter nabbing the mile in a fine 4:34.9 and Rick Stoddard the 2-mile in 10:11.0. And Gunn also turned in the meet's classiest time of the day, a 14.8 in the 120-yard high hurdles by Rich Gendreau.

For the much deeper Scots, Buddy Crowell's 20.2 in the 180-yard lows and 20-4 in the long jump were the high points.

Gunn will forfeit all its lightweight meets due to lack of enough competitors.

League Track Action Opens

Outstanding marks were few and far between, but San Carlos and Menlo-Atherton high schools each picked up their initial varsity track wins of the season at the expense of North County foes Tuesday in final tuneups for Thursday's opening SPAL action.

San Carlos, in evening its non-league record at 1-1 with a 62-60 win over visiting South San Francisco, did get a pair of good marks. John Lilly covered the half mile in 1:58.8, while Bruce Hull did double that distance in 4:36.8.

M-A also evened its record in trouncing El Camino 79-43 in a meet that saw few top performances due to a strong ocean breeze hitting the losers' oval.

San Carlos kicks off the SPAL season Thursday at Ravenswood, while Menlo-Atherton entertains Gunn. Other openers

find Carlmont at Gunn and Palo Alto at Sequoia, with competition opening at 3:15 p.m. at all sites. Preseason favorite Cubberley draws a bye.

An interesting sidelight to the action is that meet records will be set in most lightweight running events as the Class B and Class C performers this year are running varsity distances, abandoning the 75, 150, 300, 660 and 1320 in favor of the 100, 220, 440, 880 and mile. All relays will be over 880 yards.

San Carlos 62, South SF 60

HIGHLIGHTS: The meet went down to the relay for a decision, but San Carlos was able to come through in that event. Coach Jim Luffrell's Class B team got a double win from Al Markland, who took the 100 and long jump, in addition to running on the winning relay team.

Wildcats Claw M-A Spikemen

By PAUL SAVOIA
Tribune Sports Writer

Woodside High whipped Menlo-Atherton for the fifth consecutive time Friday to open its SPAL track season.

The Wildcats won the final event, the 880-yard relay, to insure a 65-57 victory. M-A hasn't defeated Woodside in track since 1961.

The meet was the only SPAL encounter Friday, as Carlmont and Palo Alto took wins and a scheduled San Carlos-Ravenswood match was rained out Thursday.

In the 880-yard relay, both M-A and Woodside were disqualified at first, but meet officials later changed the disqualification ruling on Woodside, giving the Wildcats the victory.

Serra won its third outing in as many tries with a 77-45 conquest of visiting Riordan. St. Francis nudged Los Gatos 62-60. Bellarmine grabbed 61½ points to win a triangular from Logan (53) and Bishop O'Dowd (33½) and Leigh belted Cubberley 74-57 in other action.

Cubberley, one of the preseason favorites for the SPAL title, performed without the services of sprinter Bob Bahlman and shop put-discus ace Al Remington. Both athletes failed to show for the meet to the surprise of coach Jim Yelton.

Bellarmine's John Reardon clocked a 15.1 effort in the 120-yard high hurdles and 20.0 in the 180 lows, while teammate Jim DeDiego won the 100 (10.2) and 220 (22.8) for good early-season times.

Top St. Francis effort was a 152-3½ heave in the discus by

Pete Lemen, while Pardi's 21.5 long jump and double hurdles victory paced Serra.

Woodside 65, M-A 57

HIGHLIGHTS: Sprinter Fred Storek and weightman Ben Welch were double winners for Woodside, with Storek taking the 100 (10.3) and 220 (22.9) and Welch the shot put (49-7½) and discus (156-8).

M-A coach Plato Yanicks cited pole vaulter Roy Diederichsen for a best-of-life 10-6 and an upset victory in his specialty as the Bear highlight.

A double victory by Neil Platts (including a 22.0 time in the 180 low hurdles) and Dave Smith's long jump of 18-2 led Woodside to a 68-48 Class B win, while M-A won the C division 65-20 behind John Gardi's two victories.
