

WINNER WAS HIDDEN, BUT ONLY AT THE START

The twelve best two-milers in the North Peninsula came out of the chute in a pack at Stanford Stadium yesterday, but eight laps later, there was no doubt about the winner. He was Ted Lydon of San Mateo, whose face is over the shoulder of Mills' Rick

Jurgens (with glasses). Second in The Advance-Star boosted race was Westmoor's Ed Temple (third from left) and third was Westmoor's Jerry Palmer (far right).
