STANFORD FRESHMAN TRACK SQUAD

THE BIG MEET

TRACK Teams of California and Stanford are meeting today in their thirty-third annual dual meet. The two squads are apparently of about equal strength and there is a possibility that the relay will decide the winner just as it did last year.

The records show that of the thirty-two track meets between the two institutions, California has won sixteen, Stanford has won fourteen, and two have been ties.

Walter Christie and "Dink" Templeton, the rival coaches, are two of the foremost figures in track and field circles in the United States. Both have developed athletes of national and international prominence. Templeton's proteges have won for the past two years, and Christie is bringing a strong team to the Farm today in an attempt to turn the tide.

Each team boasts of a number of star athletes. The rival captains, Phil Barber of California and Bill Richardson of Stanford, will be competing in a big Meet for the last time today. Each is expected to play an important part in the meet. The Bears have several other star performers who are expected to figure at the I. C. A. A. A. A.

Boyden in the half mile, Schwobeda in the mile, Stevens and Fox in the two mile, Gerkin in the shot and discus, and Hampton in the high jump, are all splendid athletes. The Cardinals point with pride to Miller and Storie in the quarter mile, Kerr in the mile, Hoffman in the shot and discus, and King and Work in the high jump.
