

WYKOFF TAKES THREE FIRSTS

*Dynamiters Cop 311-2 Points
for First Place*

*Pasadena and Santa Ana Tie
With 15 Digits*

*Two World's Records Broken
in Great Meet*

BY EDWARD LAWRENCE

Frank Wykoff and Russell Slocum, Give the boys a hand Between the two of 'em, sprinting history was made in the fifteenth annual Southern California C.I.F. trackfest at the Coliseum yesterday afternoon before 8000 fans, one of the best turnouts of the season. It was their great running in the dashes that pushed Coach Norman Hayhurst's Glendale High School team to its first championship with the top-heavy total of 31½ points.

FRANK WYKOFF

Wykoff, radiating class all over the Coliseum, accounted for 15 of his team's points with firsts in the 100, 220 and broad jump. His single-handed performance equalled that of the second-place schools, Pasadena and Santa Ana, which tied with 15 digits apiece. Chaffey Union took fourth place with 11 points, trailed by Huntington Park, Polytechnic, San Diego and Jefferson.

There were some disappointments registered in line of record breaking, but they were more than overcome by the surprising marks made as a whole. Glendale led with a Southern California and a world's record tumbling before the Dynamiters, but the most astonishing time of the day was hung up in the high hurdles when "Jeddy" Welsh, Pasadena high hurdler, established a new world's mark of 15s flat.

The records made by the Dynamiters were in the 220 and relay. Wykoff gave the fans a real thrill when he uncorked a wild burst of speed to beat Slocum, his own teammate, and Harvey Bear of Santa Ana, in the record time of 21 3-5s. The new mark replaces that made in the trials when Slocum ran in 21 3-5s.

RELAY RECORD GOES

Glendale's relay team made up of Mainland, a sophomore, and Zeun, Wykoff and Slocum, all juniors, set a new world record of 1m. 29 3-5s. to replace that set by Hollywood last year in the State meet. Hollywood's record was 1m. 29.9s.

Chronologically the boys did their stuff as follows:

Slocum and Wykoff certainly have the competitive spirit that makes champions. Facing a group of sprinters who have made records equaling their own, they finished one, two in time equaling the record of 9.8s. which they hold jointly. It was a hot race. Wykoff was out of his holes in a jiffy and Slocum wasted little time, both of them getting out in front before the fifty-yard mark was passed. Rucker of Santa Monica ran a sweet race to finish third with Frank Lombardi of L. A. High fourth. It was a wow of a finish and the first four across ran under 10s.

RICHEY IN TOUGH LUCK

Not to take any credit away from Welsh, who ran the high barriers in beautiful form. Bert Richey's habit of hitting hurdles cost him the race and a record which would have been under 15s. Richey, who hails from the San Diego High School, was out in front and running with a long, easy stride when he tipped the second from last hurdle. His tough luck was also hard on Walter Townes, since both hurdles were knocked over and Townes went down on his face.

A youngster by the name of Moffat from Santa Ana upset the dope by finishing third, while Al Lefebvre of

Wykoff Takes Three First Places; World Records Shattered in Southern California Meet

(Continued from First Page)

Manual Arts and Parslow of Alhambra were tying for fourth.

A days ago, at the Southern California trials, Coach "Pop" Squires of Huntington Park told us that Shove of Pasadena would have to run under 30s. flat in the 440 to beat McArthur, the Park quarter-miler. At that time we were inclined to bet on Shove, but McArthur came through with flying colors.

Out in front with a snappy stride, the orange jersey of Huntington Park stayed there, while Shove vainly tried to catch it. The time was 49.3-30, just 1-5 second slower than Clifford Gantt's record. Edwards of Redlands ran a neat race to take third.

"JEDDY" COPS AGAIN

"Jeddy" was again out in front in the low hurdles, and his team points went a long way toward giving Pasadena second place. Martin of San Pedro galloped over the barriers to finish a very creditable third, while Starkey of Colton took third. Richey's mishap in the high hurdles seemed to have taken away his pep, and he ran a poor fourth. The time of 24.2-5s. was not a bad even alongside of Jimmy Payne's mark of 23.8s.

The distance races were both disappointing from the standpoint of record-breaking, but whoppers nevertheless. Harold Breeding oozed intestinal fortitude from every pore to beat out the field in a palpitating finish in the mile. His time of 4m. 32.2-5s. can be attributed to the severe case of sunburn he nursed last week after too much beach. The punch in the finish, however, was furnished by Hoyer of Chaffey, dark horse who finished second, and Martinez of Chino, third, both of whom battled their way through the field to finish in the money. Earl Callahan of Manual Arts took fourth after a game race, and Allan Storms, fifth.

Don Hall, the plucky Long Beach miler, set too fast a pace at the start and tired rapidly in the final lap. Storms ran a beautiful race, but killed himself off on the last curve. He started at a disadvantage, being placed behind the field at the start, and had to work his way around a flock of stragling runners to get out in front.

McGEAGH WINS

Capt. Bill McGeagh ran too slow a first lap and his final sprint was not enough to cut down the time to a new record. He ran in 2m. 2-5s., which is considerably slower than his record of 1m. 59s., set last year. Falter of Glendale turned in the finest field performance when he tossed the shot 50ft. 1-2in. to beat out Fred Steiner of Chaffey Union, who took second with a heave of 49ft. 8 1-4in. Falter exhibited the same competitive spirit that was manifested by the whole Glendale team.

The other marks were not so good, although Wykoff took the broad jump with a leap of 23ft. 2in.; Steiner tossed the discus 135ft. 4in., and Matthy of Long Beach won the pole vault with a jump of 12ft. 2in. The high jump was particularly poor, Wilson of Hemet and Van Osdel of Compton tying at 5ft. 10in.

Next week the preps winning places yesterday will travel to Modesto, where the State track title will be at stake. With one of the most powerful teams ever to represent Southern California, the Glendale Dynamiters are a cinch to take the title.

TROJANS TRIM WASEDA AGAIN

(Continued from First Page)

uated or become ineligible are Capt. Leo Guichard, Ted (Soapy) Coffman, Morris (Red) Badgro and "Slim" Gormsen.

Waseda opened with a run in the first inning. Segi, first man up, tripled into center. Mizuhara walked. Both runners were playing off, and Coffman whipped the ball to third in an effort to get Segi, but threw into left field instead. Segi scoring and Mizuhara going to third. Iguchi grounded to Guichard. Himuro hit to Al Welch, who threw Mizuhara out in a close play at the plate. Itami singled, but Mori flew to Badgro to end the frame.

The Trojans took the lead in the second inning. Badgro opened with a triple, and scored on Manlove's long sacrifice to center. Floyd Welch doubled, went to third when Tomlinaga fumbled Al Welch's grounder and scored on Guichard's long fly to right.

Asukura, husky southpaw, who worked six innings of Friday's game, was sent into the box to start the third inning for Waseda, and he again baffled the Trojans until the seventh. Then Al Welch was safe on Tomlinaga's error for the second time. Coffman laid down a bunt, sacrificing the runner along. Guichard was hit by a pitched ball, and both runners advanced on a wild pitch. Welch scored and Guichard went to third on Caballero's single. Kreiger followed it up with another hit. Guichard tallying, and Caballero went to third, having stolen second. Kreiger stole second. Galindo laid down a perfect sacrifice bunt, sending Caballero across the plate, while Kreiger went to third. Badgro singled to send Kreiger home, and Manlove grounded out to end the inning.

Waseda rallied determinedly in the eighth. Segi got his second hit, a single into right, but was forced at second by Mizuhara. Iguchi flew out to Floyd Welch. Nakasugawa was hit by a pitched ball, advancing Mizuhara to second. Itami hit to Guichard, who threw wildly to first, and Nakasugawa tallied. Mori grounded to Galindo to end the inning.

Galindo had a great day in the field. He handled nine assists and two put-outs in sensational fashion, got one hit—a triple, in two official trips to the plate, and laid down two sacrifice hits. Badgro clicked out three hits in his final diamond appearance for U.S.C. Segi featured for the visitors at the plate with his two bingles, while Itami turned in a snappy game behind the plate. Capt. Leo Guichard wound up his career in clever fashion, working out of several tight holes with high-class pitching. Score:
