BERKELEY, May 10. (Exclusive) Sacramento, Santa Ana and San Diego shared honors in the California

TEX OLIVER

Inter-scholastic Federation track meet held at the University of California today. The three high schools tied for first place with 11 points each.

Sacramento, Northern California favorite, scored points in seven events. The Capital City athletes, although they failed to annex to single first place, formed the outstanding team of the meet.

Undisputed first place was lost to them in the relay, which proved the deciding event of the day.

Coach Tex Oliver's Santa Ana team placed in four events for its eleven points, while San Diego won the relay and placed second in both the 100-yard and 440-yard events.

George Shehtanian of Tulare proved the outstanding athlete of the meet, placing his team in fifth place with 9 points. He placed fourth in the high hurdles, second in the low hurdles and won the broad jump with a leap of 23ft. 2 3/8-in. This effort was within two inches of the C.I.F. record.

The San Diego relay team ran the half-mile event in 1m. 30s., four-tenths of a second slower than the record set by Los Angeles High in 1928.

Warburton of San Diego High who set the C.I.F. quarter-mile record of 49.6s. last year, lost his title, but not his record when he was beaten by Satterfield of Manual Arts.

Koenig of Huntington Beach won the 100-yard dash in 10 1/10s. The 220-yard sprint went to Burch of Jordan High, whose time equalled the C.I.F. record made by Lombardi of Los Angeles in 1928.
