The opening event on the program today is a forty-mile pigeon race from Woodrow Wilson High School to the Junior Fair at Chaffey Union High School, Ontario. The flight of pigeons is released as part of the opening ceremony.

The birds are the property of the Chaffey Union High School Pigeon Club, directed by Mr. Ray Delhauer of the Chaffey faculty. The time of the winning birds is affected by wind and weather conditions, but more important is the preliminary care and training at the hands of their owners. Like the athletes in the track events, they must be fed a properly balanced diet. They must have clean water, regular exercise and proper discipline, so that they will enter their lofts, through trap doors, promptly upon reaching home.

Pigeons were used to carry the names of the winners in the Olympic games to their home cities, more than two thousand years ago. The flight today continues this ancient custom.

## Let's Get Associated

with

Let your "Smiling Associated Dealer" take care of your car and register it for regular "Mileage Service" and a "Factory Specified Lubrication" job every 1000 miles.
