SAN DIEGO TRACKSTERS WIN C.F. CROWN

Hoover of San Diego Takes Second Place Honors; Long Beach Third

BY CARL BLUME

A dandy pair of track teams from the border city of San Diego walked off with honors in the twenty-sixth annual Southern California C.I.F. track and field meet held on the Coliseum cinderpath yesterday afternoon. San Diego High, champion of the Coast League, placed first with 24 points, while its cross-town rival, Hoover High, was second with 20 1-3.

Representatives of the "Gray Castle" won only one event when Ed Becker took the shot put with a heave of 54ft. 1½in. It was San Diego's secondary strength that told the story.

SAVES THE DAY

Woodrow Wilson, defending champion, fell badly yesterday, finishing way down the line with a scant 5½ points. Bill Van Leuven saved the day for the Long Beach squad when he won the 100 in the fast time of 9.8s. Van Leuven, prototype of Glen Cunningham, suffered severe pains in the leg several years ago. The doctors told him he'd never walk again, but like Cunningham, the Woodrow Wilson flash overcame his handicap and is now one of the best prep sprinters in the business.

Bob Beckus of San Diego Hoover established the lone varsity record when he won the first hop, step and jump ever held in this meet at 46ft. 1¾in., bettering his mark established a few trials a week ago by 1¼ inches.

WINS EASILY

Le Roy Weed of Coachella caused a lot of "ohs" and "ahs" when he won the 880 in 1m. 57⅘, the fastest time turned in this year. Weed, competing in his first year of track, won going away.

The mile race provided quite a thrill when Eddie Bahbe of the Sherman Institute won in 4m. 30.4s., defeating Santa Monica High's great Doug McAuley. Bahbe assumed a big lead right at the start and was never headed, although Meadowcroft made a great bid in the final furlong and almost caught up with the fleet Indian.

Much ballyhooed, the high jump event proved a "dud." Gil La Cava of Beverly Hills High won at 6ft. 4½in., while Bob Logan of San Diego, Tedrow of Santa Ana and White of Huntington tied for second at 6ft. 1in. The boys seemed to be pressing too hard.

TAKES SPOTLIGHT

The Class B pole vault event pilfered a lot of thunder from the varsity events. Six boys negotiated 12ft. in succession with Hall Hoffman of Huntington Beach sharing first place honors at 12ft. 7in.

Santa Ana placed third with 13 points, Montebello fourth with 12, Glendale fifth with 11½, Long Beach High won Class B with 22½ points, and El Monte took Class C with 19.

Hunt Kramer Battle Today

Continued from ninth Page.

nificent heights on occasion also and his blistering service, when it happened to be working, whistled past Kramer with unbelievable speed. In the long run it was Tidball's ground strokes that played him false and nothing but the best in that line would turn the trick enough to cope with the fine game of the slim, blond lad from Montebello.

Hunt's ability to raise his game to any necessary heights was never better evidenced than when he found himself in trouble after leading Olewine four-love and 40-15 in the third set. Olewine pulled gamely up and had Hunt just one point from dropping his own service in the final game of the match but Hunt pulled himself together and saved the set and match.

In the women's semifinal Miss Winslow's fine length and her decisive work at the net were too much for the entirely impressive game of Jacque Virgil. Miss Virgil battled valiantly to try to break down Miss Winslow's long driving game but wasn't equal to the occasion and succumbed 6-2, 6-4. Against Mrs. Marble Miss Winslow is meeting a cagey and experienced opponent today and the new champion is going to have to demonstrate some pretty classy stuff before dragging down the crown.

In the veterans' singles Robert Roberts meets Martin Cornica for the singles title and Meade Woodson and Perry Jones tangle with the perennial oldsters Leslie Gay and Lenny Rubles for doubles finalists are Mary Arnold and Willis Anderson and the Doctors Bartosh.
