25th Annual C.I.F State Track & Field Meet

LOS ANGELES MEMORIAL COLISEUM

SATURDAY, MAY 27, 1939

WELCOME

The most wholesome and the most universal appeal to be found in any sport is found in the various aspects of track. We are proud of the interest in track. We are also proud of the amount of participation on the part of our high school pupils and of the magnificent leadership of our coaches. Track events are great character builders, fine body builders, and they stimulate leadership. We welcome and highly commend the track season. My personal commendation and appreciation to all—coaches and team men.
