FROM THE UNIVERSITY OF CALIFORNIA

Gathered here in Edwards stadium today are the best trackmen that this state — with all its great coaches, excellent facilities, and magnificent weather — has produced this year. This would not seem so much perhaps, because California is only one of 48 states in the nation.

But it is a fact that roughly 50 per cent of the nation's best prep trackmen are from California high schools. You have only to glance over the national interscholastic records to see this. You have only to look over the top marks each year and count the number of them made by California prep stars. This claim, then, is no idle boast.

The Associated Students of the University of California — known better as the ASUC — feel, therefore, unusually privileged to be connected with this great track meet which brings together 180 outstanding athletes, some of whom will, in the next few years, develop into national and world cinderpath champions.

Over the years the ASUC has brought other groups of outstanding trackmen to Edwards Stadium. Shortly after the stadium was completed in 1932, the I.C.A.A.A.A. meet was held here, and in 1935 and 1937 the National Collegiate Athletic Association's annual meets were brought here as well.

And only last June the Big-Nine-Pacific Coast conference dual meet was staged in this stadium, with a number of world titlists competing.

Great names in the track world have run on this famous oval and have jumped in these pits. Herb McKenley, Jesse Owens, Charlie Fonville, Ben Eastman, Johnny Woodruff, Bob Kiesel, Frank Wykoff, Grover Klemmer, Hal Davis, Louie Zamperini, Guinn Smith, Fortune Gordien, Les Steers, Cornelius Warmerdam, and a host of others.

All this bespeaks of a fundamental desire on the part of the ASUC to foster worthwhile athletics. The California Eears field more than 35 teams in 24 different sports. Not only that, these 35 teams will engage in approximately 340 athletic contests this year!

Helping out in this meet therefore is just another manifestation of the ASUC's interest in athletics.

But the success of any athletic undertaking is the ability and sportsmanship of the athlete. The 1948 State High School track meet can't miss on those two points.

THE ASUC CONGRATULATES THESE HIGH SCHOOL TRACK STARS, AND WISHES THEM THE BEST OF LUCK.
