

PAL Relays captured by Lincoln team

Coach Lee Cox's Lincoln High School trackmen turned on the power yesterday to win their third straight Peninsula Athletic League Relays.

The meet was originally scheduled for the Paly High oval but league officials suddenly shifted the affair to San Mateo High School. The loop heads neglected to inform the press of the switch.

Highlight of the meet was the record-breaking performance of the Lincoln Class A shuttle relay team. The Lions quartet covered the distance on the damp track in 58.4 to break the old mark of :59.2 set in 1947.

The top performance for Paly was turned in by the Vikes two-mile relay team of Claude Minard, Earl Van Wagoner, Dave Cochran and Paul Bowen. The foursome finished a close second to the fist-flying Lincoln group.

Sequoia's lone first place came in the Class B medley relay event. The Cherokee team of Don Austin, Bill Rupp, Louis Aubert, and Larry Broeren walked home in the fast time of 3:42.4.

Friday afternoon the PAL teams will open their dual meet schedules with Burlingame at Palo Alto, Sequoia at Lincoln and San Mateo at San Jose.

Summaries:

The results:

Class A
