Welcome

The Sacramento City Unified School District is proud to have the honor and privilege of hosting the 32nd annual track and field meet of the California Interscholastic Federation in behalf of the Sac-Joaquin Conference. Your first meeting on a state-wide basis was held in this city at the State Fair Grounds in 1918.

Out of today's gathering will emerge the finest high school track and field competitors in all of California. The spectators who will have an opportunity to see the performances should be treated to many thrills, firm in the knowledge that the best that is engendered in top sportsmanship and fair play will be exemplified at all times.

I repeat, Sacramento is proud to have as its guests today the greatest high school track and field athletes in California, the young men on whom the sinews of tomorrow's virile manhood are constructed.

WILLIAM J. BURKHARD,
City Superintendent.
