## Films Of LA Meet Put Lion Sixth

After reviewing the moving pictures of the finals of the 100 yard dash in the state high school track meet in Los Angeles, the California Interscholastic Federation officials decided Herb Jackson of the C. K. McClatchy High School had placed sixth, not tied for fifth. George Hutcherson of Manuel Arts was given fifth position.

# Photos Switch Places in State Prep Track Meet

Photos developed of finishes of last Saturday's State High School Track Meet at the Coliseum resulted in two changes, it was announced yesterday.

Jefferson's Roland Harvey was placed second in the 120-yard high hurdles, replacing Fullerton's Jack Younger who was moved to third. The other change gave George Hutcherson of Manual Arts undisputed fifth place in the 100 instead of a tie for fifth with Herb Jackson of McClatchy High in Sacramento.

The changes boosted the Democrats winning point total to 30½.

# Paly high jumper takes third; Luttrell second in low hurdles

By DODE WINSLOW

Palo Alto High's John Stewart placed third in a great high jump field and Sequoia's Jim Luttrell ran a fast second in the low hurdles Saturday at the 34th annual state high school track meet in Los Angeles.

North Coast Section athletes turned in their finest performance in years. But no Bay Area team could match the efforts of the Negro thinclads from Jefferson High, located almost in the shadow of the Coliseum. With come-throughs all along the line, the Jeffs scored 29½ points to

take their fourth state championship hand running.

Thanks to the work of swift Sprinter Herb Turner, Alameda made the best northern showing, placing third with 13 points. Compton was second with 14½.

Turner's tape-bound legs carried him to a two-inch victory over Leamon King of Delano in a :09.9 century. He won the 220 with more to spare in :21.6, and polished off a great afternoon's work by anchoring his relay team to third place.

Jim Briggs of Pittsburg scored the other NCS first, grabbing the lead in the 880 at the start of the stretch and outspeeding the challenge of Ernie Amador of Villanova (Ojai) to win by a second in 1:57.2.

Stewart made his best high jump ever, clearing 6-3½ on his last try to stay with Fresno's Bernie Allard and Jefferson's LaVerne Smith. But the sinewy Viking couldn't quite clear 6-4½. Smith, too, had trouble at that height, but finally made it with a lazy-looking roll.

Allard grasshoppered 6-5½ with his unusual belly roll, and that was all for Smith. Then Allard had the bar hoisted to 6-7½ to try for the national interscholastic and state records. On his first try he sailed over, tickling the bar, and was almost out of the pit before the stick wobbled off. His next two jumps weren't so close.

Luttrell made a fine comeback in the low hurdles after a bad morning in the trials. Very jittery, the Cherokee ace failed to qualify in the high sticks and ran third in his heat of the lows.

In the finals Luttrell took an early lead in the 180-yard event. Selma's Ancel Robinson, who had won the highs in :14.7, went past him, but Luttrell hung on to finish second with a :19.5 clocking. Robinson took the race in :19.4 to share double-winner honors with Turner. San Mateo's Lou Bortolin ran fifth in the lows with a :19.8 timing.

The Peninsula's other hopefuls in the flat races, Paly half-miler Bill Mussen and Sequoia quarter-miler Bill Rupp, both failed to place. Mussen, who hasn't had too much experience in the 880, ran too far back during the first lap and found himself badly boxed in. Instead of fighting his way out immediately, he stayed in the box for a time. When he finally broke loose, it was too late. Mussen closed fast but finished 10th with a 2:03.5 clocking, nearly four seconds slower than his best.

Rupp went out very fast as always and led the race coming out of the turn. Then Orange's Lanny Carter bulleted past him from the pole and Jefferson's Robert Taylor tore past on the other side.

Rupp let down and about six other men streamed past him near the tape. Carter won in :48.8 with Taylor second. Rupp was unofficially clocked in :50.2.

Paly's Don Sonnichsen put the shot 50-9½ but didn't stand a chance of placing in the spectacular field. Taft's Leon Patterson, a surprisingly small man for a shot-putter, lofted the 12-pound iron ball 60-9⅞ to break the national interscholastic record by a fraction of an inch with nearly every eye in the crowd on him. Chaffey's Don Vick, a junior, also broke the old state record in placing second with a toss of 59-7¼.

All five placers put farther than 55-7, and five of the top six got off their best heaves ever.

Compton's Fernando Ledesma turned on the pressure in the last two laps to win the mile in state record time of 4:23.2. His teammate, Rollin Garrison, captured the broad jump at 23-5¼.

Ronnie Morris, a junior from Burroughs High in Burbank, showed beautiful form in winning the pole vault at 13-3¼. Jefferson captured the relay for its only first of the day, but cinched the meet on seconds and thirds.

There was no discus event. Paly's platter-twirler, Don Malinoff sat with Coach Forrest Jamieson in the stands, however, thanks to the PALO Club, which awarded him a plane ticket for his fine performances and sportsmanship this year.

Malinoff wound up the season Friday night by throwing the high school weight discus 165-5½ during an exhibition at the Santa Clara Valley League meet at Fremont High in Sunnyvale. He beat Fremont's Chuck Reynolds by 15 feet. Malinoff's heave was a half-inch farther than Patterson's winning discus effort in the 1951 state meet.
