Poly Tops Galileans Eased Up

Three-Way Track Win

By **DARRELL WILSON**

Polytechnic took all three divisions from Galileo yesterday as the Academic Athletic Association round robin track season opened at Kezar. The scores were: Varsity—Poly 72 $\frac{2}{3}$, Galileo 40 $\frac{1}{3}$; 130's—Poly 70, Galileo 5; 120's—Poly 42, Galileo 17.

The Parrots proved they will be a decisive factor in the All-City championships. Bud Blore ran a :54.6 quarter, easing up; Melvin Dowdell breezed through a 4:55 mile; Ralph Funari turned the half in 2:07.8; Jerry James, who has a best of 50-2, tossed the shot 47-1; little Sam Fakuda jumped 20-10 and Maurice Jones was right behind him at 20-6.

Another bright spot was in the low hurdles where Poly's Bill Canihan pushed team mate Gordon Young to a :21.4 mark. Off this early season effort, both men should place in the city championships. Canihan won the high hurdles in :16.6.

Galileo's Connie Miller won the 100 in :10.6, Bud Otis took the furlong in :23.8 and Homer Williams won the discus with a 112-1 throw.

Balboa, rated an outside chance for the title, opposes Lincoln at Kezar today.

Nine Records Fall In Prep Track Meet

Washington Sweeps All Divisions for Fourth Year

By Don Selby

An inspired bunch of high school kids just about ran themselves clean out of their underwear at Kezar Stadium yesterday.

They smashed nine San Francisco prep records as they rose

to the occasion of the annual All-City meet as if they had been given the hot foot. It was probably the greatest record breaking binge in modern Academic Athletic Association history.

Washington did a tidy job of sweeping the team championships in all three divisions for the fourth consecutive year.

Three records fell in the varsity division, four in the 120's class and two in the 130's division.

The varsity record breaking was accomplished by:

1—Phil Fehlen, string bean Lowell high jumper, who cleared 6 feet 2½ inches to tick off the standard of 6-2½ set by Firebaugh of Galileo in 1944.

2—Clint Redus of Washington, who stepped the 120 high hurdle race in 15 seconds flat, obliterating the mark of :15.2 set by Merrill Peacock of Poly in 1945.

3—The Washington relay sextet of Sid Shirred, Wally Papke, Ray McIntyre, Willy Cooper, Dave Boone and Clint Redus, who rambled 1,320 yards in 2:18.7 to wipe out the 2:19.1 mark set by Washington last year.

Poly's George Bushneff negotiated the 120 low hurdles in :14.0 and the Galileo relay team of Roy Stewart, Jim Watt, Vitorio DeLaRoacha and Connie Miller ran the 880 relay in 1:36.0 to establish new marks in the 130's division.

RECORD BREAKERS.

Record breakers in the 120's division were Lowell's Akio Inouye, :14.4 in the 120 low hurdles; Lowell's Paul Adachi, :23.0 in the 220; Washington's team of Larry Miyama, Dave Vilner, Bob Matulac and Roland Quong, 1:36.4 in the 880 relay, and Washington's Pat Young, 49.5 in the eight pound shot.

Washington's varsity team victory was easily won, with Coach Lou Vasquez' talented Eagles scoring 58 points to 29½ for Lowell, 27 for Poly, 26 for Balboa, 23 for Galileo and 20½ for St. Ignatius. The going was a bit tougher in the lightweight division, with Washington tallying 36 to Poly's 22 in the 130's and 35 to Lowell's 30 in the 20's.

First place man in each event

qualified for the State CIF meet to be held in Fresno May 29.

Only about 2,000 spectators saw what certainly was the classiest All-City meet of the decade—perhaps the all-time topper.

There were surprises, bad breaks and stirring individual battles to break up what might have become a monotonous string of record-smashing performances.

DOWDELL WINNER.

Poly sophomore Mel Dowdell outfought Washington's Dennis Lanterman in a blistering last lap duel to capture the mile in 4:37.4, with highly regarded Tom Leonard of Lowell pulling in a badly beaten fifth.

Washington's Frank Roberts burst from his holes like shot from a gun to beat out teammate Dave Boone in a :10.1 century, but he pulled up lame early in the 220 as Galileo's Otis Bryant bagged the victory.

Redus had to break the record to beat St. Ignatius' rapidly improving George Fegan in the high hurdles. Clint didn't squeeze ahead of the Wildcat ace until the run following the final barrier and then won only by inches as Fegan, too, knocked down Peacock's mark. Redus defeated Fegan by about a yard in the lows and also ran on the mark-setting relay team to take individual scoring honors with 10 5/6 points.

RAN OUT OF GAS.

Heavily favored Bill Williams of St. Ignatius ran out of gas in the 880. It looked for a while as if his teammate, Frank Wiley, would come through in his stead. But he couldn't hold off the best-ever performance of Poly's Ralph Funari, who outbattled him in the last fifteen yards for a 2:02.6 triumph.

Fehlen broke two jinxes in snaring his record. First, Firebaugh's mark has been threatened so often that folks had begun to think it was being protected by fate, and, secondly, Fehlen never had been able to beat out Washington's little (5-7) Johnny Mathis. But Mathis, bothered by a sore back, could go no higher than 5-10 yesterday. And, once rid of his two-year rival, Fehlen, Lowell student body president, found new springs in his shoes.

Most amazing thing about Washington's relay record was that it was set without the help of top sprinter Roberts.

Eagles Take Fourth Straight Track Title

By DARRELL WILSON

Washington High still rules the track.

For the fourth straight year the Eagles swept all three divisions yesterday at Kezar Stadium. And they had to whip the fields finest in San Francisco city championship history to turn the trick before 2000 fans.

Nine records fell, three in the varsity. The marks in 25 of 29 events exceeded that of last year, and every 1953 varsity performance bettered last season's. In all but two cases the victors turned in the best performances of their lives.

Walt Lester, Poly's 130 coach and a veteran of the school department, said it was undoubtedly

THE FINAL SCORES

VARSITY—Washington 58, Lowell 29, Poly 27, Balboa 26, Galileo 23, St. Ignatius 20½, Lincoln 6, Mission 5.
130's—Washington 36, Poly 22, Lowell 19, Galileo 14, Mission 12, Lincoln 9, St. Ignatius 7, Balboa 2.
120's—Washington 36, Lowell 30, Mission 9½, Poly 6½, Balboa 6, St. Ignatius 1.

the best championships the city ever staged.

What's more, sophomores and juniors did most of the heavy work.

The Washingtons, who also won the trophy for highest overall point total, had only one close contest. The Eagle 120s outscored Lowell, their dual meet conquerors, 36 to 30. Washington's 130s whipped Poly, 36-22 and the varsity scored 58 to Lowell's 29.

The first varsity race in which Washington junior Clint Redus banged off the last hurdle to out-sprint St. Ignatius' George Fegan in a record breaking :15.0, set the pattern of the day. Mel Dowdell, the Poly sophomore, blistered the field in the backstretch of the mile and then raced home in 4:37.4.

Washington senior Frank Roberts, after barely edging team mate Dave Boone, a junior, in a :10.1 hundred, pulled a muscle in the 220. Otis Bryant outfinished Balboa's Bill Cirimelli, another junior, in a :32.1 furlong.

A STUDY IN FORM—Prep low hurdlers bend their backs and reach their legs on the way to the tape in the 180-yard event. Starting from the top down are Willie Cooper, Washington, third; Bud Rudometkin, Galileo, fourth; George Fegan, St. Ignatius, second; Kanihan, Lowell, fifth; Clint Redus, Washington, the winner, and Bill Canihan of Poly, unplaced. Fegan later moved into the lead, but was caught by Redus.

S. F. PREP RECORD-BREAKERS

PHIL FEHLEN, Lowell 6-2½ in varsity high jump, broke nine year old record.

CLINT REDUS, Washington, :15.0 in varsity high hurdles, broke eight year record.

SID SHIRED, WALLY PAPKE, RAY McINTYRE, WILLIE COOPER, DAVE BOONE, CLINT REDUS, Washington varsity relay team, 2:18.8, breaking one year, six turn record.

AKIO INOUE, Lowell, :14.4 in 120 low hurdles; broke four year record.

GEORGE BUSHNEFF, Poly, :14.0 in 130 low hurdles, broke five year record.

PAUL ADACHI, Lowell, :23.0 in 120 furlong, broke record first set 20 years ago.

ROLAND QUONG, LARRY MIYAMA, BOB MATULAC, DAVE VILNER, Washington 120 relay team, set mark of 1:36.4, breaking one year, four turn record and tying 15 year old three turn mark.

ROY STEWART, JAMES WATT, VITILIO DELAROACH, CONNIE MILLER, Galileo 130 relay team, 1:36.0, breaking one year, four turn record.

PAT YOUNG, Washington, 49-5 in 120 shot put, breaking two year record.

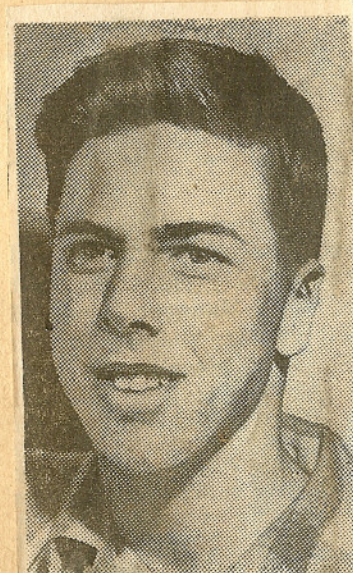

Redus also won the low hurdles in :20.1 and ran another lap on the relay team to become the day's high pointer. Fegan, a senior, was the surprise of the meet. Although he lacks speed, he used form and determination to lead Redus over the last stick in each event. Redus barely went by in the run for the wire.

Lowell's little fellows scorched the track. Paul Adachi, a junior, ran a record-breaking :23.0 in the 120's furlong, and sophomore Ravenald Williams, hustled right to the wire by Washington's Dave Vilner, was clocked in a :10.0 century.

Poly's Ralph Furnari, who has been cluttering the track in the varsity 880, came up for the big one with a 2:02.6 half mile, out-driving St. Ignatius' Frank Willey in the stretch run. It was by far Furnari's best effort and fulfilled the promise he showed in early season.

Lowell's Phil Fehlen, a senior high jumper, also found himself. The big boy leaped 6-2½ for a city record and will now enter Stanford with new confidence. Lowell's Kirk Nieland, who also bogged in mid-year, came back with a pole vault winner at 11-7.

Washington's Ray McIntyre took a wire-to-wire victory in the varsity 440. His only challenge

Lincoln Lions Win All-City

4/19/53

By PETE MECKEL
(Staff Prep Correspondent)

Lincoln High's Lions walked away with the first annual all-city track meet held yesterday at the Willow Glen High oval. The Lions scored 82½ points to defeat runner-up Willow Glen's 51½ points.

Although they placed fourth in the varsity results, the Panthers of Santa Clara easily won both lightweight divisions. The Santa Clarans scored 99 points in both B and C divisions. Willow Glen was second in the B class with 84 points, while James Lick took second in class C with 43 digits.

Two of Northern California's top distance marks were set by Lincoln's Don Bowden and Santa Clara's Bill Wilson in the 880 and mile respectively. Bowden unofficially broke the PAL record with a remarkable time of 1:58.9, while Wilson circled his four laps in 4:36.7.

The half mile was easily the outstanding race of the day as Willow Glen's Walt Swarthout and Jack Marden gamely kept pace with the speedy Bowden to finish the two laps in the swift unofficial times of 2:00.7 and 2:01 respectively.

Bowden, only a Junior, took the lead and held it the entire race. Swarthout was about 10 yards back at the end of the first lap, lost about five yards on the next 220, and kept pace with the Lion star for the remaining 220 yards. Marden put on a terrific finish to pass Santa Clara's Changras and almost nip the tired Swarthout.

In what was supposed to be a close finish, Santa Clara's Wilson turned on the steam on the third lap to win the mile handily. Frank Wulfstange of Lincoln took the lead for the first two laps but was passed, not only by Wilson, but by Gary Antes of Lick, who finished second in the time of 4:41.9, 10 seconds faster than his previous best time.

Although they did not post any of the State's top times, Lincoln's Del Kephart and Bob Knoth were the big guns in Lincoln's varsity victory. The two boys accounted for 40 points between them, almost half of the points registered by the Lincoln team.

CHUCK HIGHTOWER
(Bulldog Vaulter Clears 12 ft., 6 in.)

Kephart, himself, captured three gold medals for 24 points. The burley Lion won the discus, high hurdles and low hurdles. In doing so Kephart set the best marks in the city for these three events. He tossed the discus 129 feet 6½ inches, ran the low barriers in 21 flat, and won the high sticks in 15.8 during the morning trials.

Knoth was equally effective as the little Lion junior stepped off wins in both sprints. Knoth topped Lick's John Aguiar, formerly unbeaten, in the century and San Jose's Jack Dirstine in the furlong, with times of 10.4 and 22.3 respectively. Knoth's 220 time is his seasonal best.

The field events went off as scheduled. Santa Clara's Ed Ruiz

topped the shot putters with a heave of 46 feet 11 inches and James Lick's Cortez Kirby leaped 5 feet 10 inches to capture the high jump.

San Jose's Chuck Hightower was his usual steady self as he vaulted 12 feet 6 inches for the Bulldog's only first place. Willow Glen's Frank Herrmann was not up to par, but still won the broad jump with a leap of 21 feet 5½ inches.

Herrmann, who is not in top physical condition, also tied for second in the high jump with Lincoln's Jack Graf with a jump of 5 feet nine inches. Also in the broad jump, James Lick's Jack Lawrence broke his own school record with a jump of 20 feet 10 inches.

Little Bob Walrath, a B class 330 man, turned on the steam to win the quarter mile in the fast time of 52.7. The Ram junior overtook teammate Louie Scamporino, who held an early lead and won going away from second place Bob Garrett of Lincoln.

Although Willow Glen's Phil Jones scored 19 points, Santa Clara triumphed easily in the B class. Jones won the broad jump with a leap of 19 feet 9½ inches, the high hurdles in 10.1, and was just nosed out in the low hurdles.

Santa Clara's Ruben Ybarra was a double winner as he annexed both sprints. Fred Blanco of the Panthers took both weights for another double win. Blanco flipped the discus 114 feet and tossed the shot 50 feet 9⅞ inches.

Top lightweight marks were registered by Willow Glen's John Geimer in the 660 with a time of 1:31, Lincoln's Marv Gross in the 1320 with a time of 3:25.8, only seven-tenths of a second off the PAL record, and Willow Glen's Ron Frizzell in the pole vault with a vault of 11 feet 6 inches.

Kiyoshi Oshiba, Santa Clara C class star, led the Panther lightweights with a double win in the sprints. Oshiba stepped off times of 8.4 and 16.3 in the 75 and 150 yard dashes respectively.
