LAUREL and ARROYO, SAN CARLOS

Dear Track Fan:

On behalf of the meet committee, which has worked long and hard to gather together the top track and field athletes in the Bay Area, let me welcome you and thank you for your interest.

Tonight's program is dedicated to the late George A. Stewart, former Peninsula Athletic League Commissioner who passed away after devoting most of his 57 years to sports and young athletes.

I think you're going to be surprised at the performances these high school kids turn in tonight. Many of the events feature youngsters who already have the stamp of future greatness upon them, while some others are still developing.

But you're going to see some mighty close contests and it wouldn't be much of a surprise if Terremere Field has a brand new set of records when it's all over about 10 o'clock.

I wont attempt to list all those who have helped build the Sequoia Invitational. But Harold Berliner and his crew of AAU officials deserve a big share of our thanks. And Jim Stone, the San Carlos jeweler, generously provided the medals for tonight's meet.

Nor can we forget the coaches, local merchants and members of the press for their co-operation.

It's been a lot of hard work, this track meet. But we're convinced that it's worthwhile--and one George would be proud of if he could be here to share it with us.

Sincerely,

INVITATIONAL COMMITTEE

WILLIAM S. McBIRNEY	President
PHIL ARNOT	Meet Director
PAUL M. McCARTHY	Secretary
