

Mt. Diablo Nabs Prep Track Title

By DON SELBY

EDWARDS STADIUM, BERKELEY, May 21. — Three double winners and a record breaking pole vault by Jess Undlin of Burlingame highlighted activities as Mt. Diablo High of Concord captured the North Coast Section track and field championship today for the first time in the twenty-nine year history of the event.

The effect of the two-event champions can be readily seen in the scores:

With Dave "Spider" Krowel snaring both hurdle races for 16 big points, five Red Devils of Mt. Diablo rolled up 31 points for first place.

Hayward, getting all its points on two firsts in the jumps by Dick Dailey and two seconds in the sprints by Larry Lambert, finished second with 26.

And Richmond took third with $24\frac{3}{4}$ points, chiefly on the efforts of rocketing Rudy Jackson, who won both sprints.

Undlin climbed 12 feet $11\frac{1}{2}$ inches to wipe out the oldest record on the NCS books by the narrowest possible margin. The old mark was $12-11\frac{1}{8}$, established by Irving Moore of Piedmont in 1940.

13-2, thus accounted for the only varsity record of the day.

Dailey's triumph in the high jump was accomplished with a leap of 6-1 $\frac{1}{4}$, which was good enough because favored Julius Jefferson of El Cerrito had been barred by his school as a disciplinary measure.

A 6-7 jumper last year, when he won the State championship, Dailey hasn't come close to that height this year, while Jefferson has soared 6-6 $\frac{1}{4}$. But Jefferson reportedly had a tiff with a teacher and won't be around to contend with Centennial's great Charley Dumas in next Saturday's State meet at Los Angeles.

DOUBLE WINNER.

Dailey nabbed the broad jump at 22-7 $\frac{1}{2}$.

Jackson was all by himself in winning the 100 in :09.8 and the 220 in :21.8.

Don Chesarek of San Francisco's Riordan High snared the 440 in :49.0, streaking up on the outside to overtake Salinas' whiz, Eddie King, who was not in top shape because of a recent leg injury.

Chesarek also put on a strong finish to take a third in the fur long, and his eleven points, combined with the two Bob Harrington picked up in the hurdles, eased the Crusaders into seventh place in the final team totals.

The 880 was won by a boy who doesn't have a track to train on. He is Jerry Siebert, a dark horse from Willits who had a best time of 2:03 just two weeks ago but streaked home at the head of the pack in 1:59 flat today.

Jerry, who has been able to work steadily only two and a half weeks because rains had ruined his 330 yard grass practice course, took the lead from Pittsburgh sophomore Jesse Lea coming out of the final turn and prevailed by a good three yards. Menlo-Atherton's Tom Blackwood nipped Lea for second.

SOME DUEL.

The mile produced a stirring duel between Palo Alto's mighty mite, Ron Larrieu, and Napa's Fred Green.

After hanging back in the pack while Green set the pace through 880 yards, Larrieu sneaked up to fourth during the third quarter, and zoomed into the lead going into the final turn. Green didn't give up easily. He cut loose with everything in the stretch, only to fall short by a stride.

Larrieu was clocked in 4:32.9.

Hayward actually led the team totals going into the final event, the 880 relay. But the two-man Farmer team couldn't do anything about garnering more points in this race, and Diablo swept to the meet triumph by winning the relay as Dick Brown, Krowel, Jim Brooks and Harold Hayworth hot footed the course in 1:30 flat.

The first three place winners in each event qualified for the State meet.

Berkeley, with hurdler-broad jumper Cebron Russ accounting for two of four new records, won the Class B title with 42 points to 21 $\frac{1}{2}$ for second place El Cerrito and 21 for Encinal.

10 Peninsula Prep Aces Set To Compete in State Track Meet

Undlin Tops Matejka In Pole Vault

BERKELEY — Ten Peninsula Athletic League cinder stars are eligible to compete in the State Meet in the Los Angeles Coliseum next week end as a result of standout efforts in the annual North Coast Section showdown at Edwards Stadium here Saturday.

Palo Alto's Ron Larrieu, Burlingame's Jess Undlin and San Mateo's Gino Della Libera each brought home first-place medals and enhanced their chances of state honors in competition with the best preps from Arcata to King City.

Larrieu used his new-found "kick" in the stretch to capture the mile as expected, although his time of 4:39.9 was somewhat slower than his best. He successfully battled the pack after a relatively slow first half mile and withstood a strong drive by Napa's Fred Green to win.

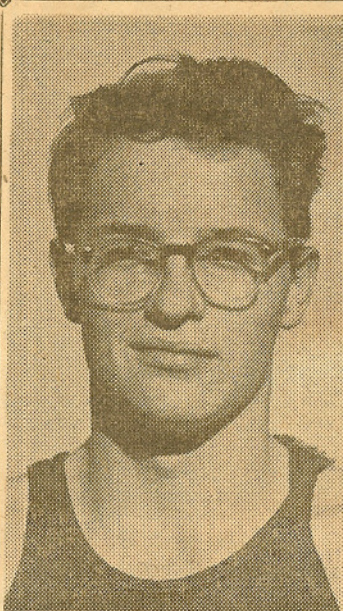

Undlin set a new NCS record with a vault of 12-11½ and for the third time proved his superiority over Sequoia's Jim Matejka, who took second at 12-6.

Della Libera surprised the dope sheet with a win in the shot over highly-touted Mike Profit, Campbell High soph. The big Bearcat weight star exceeded his best this season with a 54-11½ heave. Don Dirienzo of Lincoln tied for second at 53-3¾ for another top showing.

Not far behind the Big Three were second-placers Tom Blackwood of Menlo-Atherton in the 880; Al Coruccini of San Mateo in the high hurdles and Leon Krueger in the discus.

Blackwood again ran a strong race, but couldn't get the pole from a surprising sophomore from Pittsburg, Jesse Lea, and finally was nipped at the tape by unheralded Jerry Siebert of Willits.

Blackwood's time was estimated at 1:59.3, which is half a second off his previous best. He looms as a good bet to place down south, however, after winning a battle with Lea for second.

from San Mateo's mighty relay team, which negotiated the 440 in a record-shattering: 44.5. Superior passes set up the win for the Mateans' foursome of Kent Ikeda, Bob Kile, "Dugie" Hamilton and Bob Devincenzi.

Kile paced the Peninsula's Bs with a share of first in the pole vault and places in both hurdle races.

P.A.L. Cinder Aces Head for State Meet

Ten Peninsula Athletic League track stars will leave tomorrow for Los Angeles and the annual State Meet to be staged in the Coliseum on Saturday.

South San Mateo County will be represented by two cinder stars — Menlo-Atherton's Tom Blackwood in the 880 and Sequoia's Jim Matejka in the pole vault.

The northern loop will send Burlingame's Jess Undlin in the pole vault, Jefferson's Jim Rector in the mile, San Mateo's Gino Della Libera in the shot, Burlingame's Leon Kreuger in the discus and San Mateo's Al Coruccini in the high hurdles.

From San Jose comes Lincoln's duo of Jack Searfoss in the high jump and Don Dirienzo in the shot. Palo Alto's

Ron (La Runt) Larrieu, winner of the mile in last week end's North Coast Section meet at Berkeley, rounds out the Peninsula contingent.

Undlin and Matejka are rated the biggest chance to place high in the state meet against Southern California's talent-laden brigade. Both have been over 13 feet—which won the southern meet last week.

Kreuger also has an excellent chance of winning some kind of honors, since few southern entries in the discus are expected. Most southland schools do not compete in this event.

Sequoia High this week was conducting a "Send Jim to the State Meet" drive in an effort to finance his expenses.

Coach Forrest Jamieson is scheduled to drive Larrieu, Rector, Dirienzo and Searfoss south. Coach Vic Mangini of Burlingame is planning to take another carload south, while Blackwood will be accompanied by Coaches Don Dorfmeier and George Egan of M-A.

Despite his fine clocking of 1:58.7 Blackwood will have his hands full if he wants to place in the money. In the recent Southern Section Meet, the top five placers were under 1:56 flat, with Ernie Cunliffe of Claremont winning in 1:54.7. Wayne Lemons of Riverside was second with a 1:54.9 time.

Larrieu has been concentrating on his kick in recent meets, but will have to keep up a fast early pace, also, if he's to place in the mile against the likes of Todd White of Newport Harbor (4:22.3) and Rene Rogers of Grossmont (4:21.7) who placed one-two in the Southern Section finals. Larrieu's best time is 4:28.6 in a non-winning performance.

Corruccini also was something of a surprise with his second ahead of acknowledged stars like Henry Aguilar of James Lick and Bob Harrington of San Francisco's Riordan.

Kreuger flipped the college discus 134-4½, one of his best tosses of the year, but lost to Watsonville's Dave Cole by a quarter of an inch.

Biggest let down was the fourth-place finish of Burlingame's feet quarter-miler, Roger Peterson. Regarded as a good bet behind Salinas' Eddie King and Riordan's Don Chesarek, Pete ran about as usual—but couldn't stave off the fast drive of Mount Diablo's Jim Brooks.

King and Chesarek had the race to themselves in :49.0 before the San Francisco ace inched ahead at the tape. King might still win state honors—provided his ailing left leg continues to mend.

Five Valley Stars Gain State Meet

By PETER MECKEL

Staff Prep Writer

BERKELEY—Five Santa Clara Valley track and field athletes qualified for the California state meet by placing in Saturday's North Coast Section championships at Edward's Stadium.

Henry Aguilar of James Lick, Mike Profitt of Campbell, Don Dirienzo and Jack Searfoss of Lincoln, and Ron Larreau of Palo Alto earned tickets to the state finals next Saturday in Los Angeles.

Mt. Diablo High School won the NCS team championship with 31 points, five more than second place Hayward could amass.

One NCS record was written into the books Saturday. Jess Undlin of Burlingame cleared 12' 11½" in the pole vault to break the 15-year-old record of 12' 11½" held by Irving Moore of Piedmont.

Salinas' Eddie King, hampered by a pulled muscle in his right leg, hobbled the quarter-mile and was barely nipped at the tape by Don Cheserek of Riordan. It was a great try by King, who was edged out in the good time of 49 seconds.

The Salinas relay team finished five yards in arrears of Mt. Diablo which won in 1:30. King did not run for Salinas.

Aguilar gained the state finals by placing third in the high hurdles, while Profitt nudged the shot put 54' 3¾" for second place, Dirienzo was third in the shot with a put of 52' 3¼". Searfoss tied for second in the high jump at 5' 10" but won a place in the state meet by flip of a coin. Larreau captured the mile run in 4:32.9.

Others from Santa Clara Valley who placed were Lincoln's Hank Olguin, tied for fifth in the 100, and Fremont's Blane Jones, fifth in the discus.

Max Kinsey of Campbell tied for first place in the Class B pole vault at 11 feet. Campbell's Monty Sheridan placed third in the discus. Lincoln's Alex Ramos was fifth in the 660, and Fremont's Frank Aguinaga was fifth in the 1320.

Mt. Diablo Takes Prep Spikeesters North Coast Track In NCS Meet

5-22

By JACK CLARK

Mt. Diablo won the North Coast Section track and field championship for the first time in the school's history, but a two-man team from Hayward surprised by taking second place yesterday at Edwards Stadium. Dave Krowel's double victory in the hurdles, Mt. Diablo's sprint points, and first place in the relay with the outcome of the meet hanging on the result gave the Blue Devils 31 markers.

State high jump champion Dick Dailey and Larry Lambert, who was selected as a half-back for the North in the L. A. Shrine football game, totaled 26 points for Hayward.

Dailey won the high jump at 6-1½ and the broad jump at 22-7½, and Lambert was second to Richmond's Rudy Jackson as he won the 100 in :09.8 and the 220 in :21.8.

ONE MARK FALLS

Only one varsity mark fell in contrast to the record breaking spree in 1954. Burlingame's Jess Undlin wiped out the oldest mark in the book, by the narrowest of margin. He pole vaulted 12-11½—just a fraction of an inch better than Piedmont's Irving Moore did 15 years ago.

Lack of records was more than made up for by the closeness of competition. Riordan's Don Chesarek pulled away from a fast field in the 440 in :49.0. Salinas' Eddie King, a doubtful starter because of a pulled leg muscle, was a close second. Chesarek came back to place third in the 220.

The 880 winner was a complete surprise. Jerry Siebert, only a junior, roared out of an all-star field at the finish to win in 1:59.0. Siebert is from Willets, and his school is without a track.

Palo Alto's Ron Larrieu fought off the challenge of Napa's Fred Green to win the mile in 4:37.9.

BERKELEY BEES WIN

With the outcome of the meet hanging in the relay, the Mt. Diablo team composed of Dick Brown, Krowel, Jim Brooks and Harold Hayworth won by ten yards in 1:30.0.

Berkeley won the Class B title with 42 points, almost double the total of second place El Cerrito with 21½.

San Mateo's relay team ran :44.5 to break the mark set by Berkeley in the morning trials, and five athletes tied to break the high jump mark by a fraction of an inch. Mike Priete of Monterey, Eureal Bell of El Cerrito, Marion Mayes of Encinal, Sherman Lee of Encinal, Max Kensey of Campbell and

Bob Kile of San Mateo all leaped 5-9.

Santa Clara Valley's top prep track and field men will journey to Berkeley today to compete in the North Coast Section finals at the University of California's Edwards Field. Trials will be held in the morning at 10 o'clock with the finals slated for 1:30 p.m.

No local school is in the running for the team championship. However, several individual performers headed by Campbell's Mike Profit figure to do well. Mount Diablo is a big favorite to dethrone Alameda as team champion.

Profit will be a heavy favorite in the shot put event where he has a best effort of 54-7. The Buc Sophomore has set 55 feet as his goal, and coach Junior Morgan gives him a good chance of reaching this mark today. Most of Profit's competition will come from Lincoln's Don Dizenzo (53-10), Salinas' Merv Anderson (53-6), and San Mateo's Gino Della Libera (53-4).

James Lick's Henry Aguilar and Lincoln's Jack Searfoss are the next most likely preps to qualify for the state meet. Aguilar, who has a best mark of :14.7 in the high hurdles will receive stiff competition in this event from Riordan's Bob Harrington and Mount Diablo's Dave Krowel.

Searfoss, who has been improving with every meet, is given a good chance of placing high in the jump where the favorite is Hayward's Dick Dailey. Searfoss received a break when El Cerrito's Julius Jefferson was declared out of the meet due to disciplinary measures.

Other local preps entered are Lincoln's Hank Olguin and Jim Haglund in the sprints, Lick's John Aguiar the 100, and Willow Glen's Lee Courtwright in the 440.

Several local boys should do well in the B class meet. Fremont's Julian Aguinaga seems to have the inside track in the 1320, while Lincoln's Don Lee and Hugo Garcia also figure to do well in the distance races.
