Technical's Bulldogs, who last year shunted the Warriors

out of the title after long domination, dropped to third place, but turned in the day's only record by running the 880 relay in 1:29.0—the fastest time reported this season in California.

Although his performance of 23'4½ in the broad jump was short of the OAL record, Rich Campbell of Castlemont leaped further than any other Northern California prep this year.

A scrappy Castlemont squad moved into second place with 382 points under a scoring system, giving 18 markers to the event winners and at least one point to every participant.

Carl McCane of Technical equaled the 180-yard low hurdle record and it is now held jointly by four athletes. McCane of Castlemont, Allen Vann, John Apperson and Harold Gardere, all of Technical, have run the lows in 0:20.2.
