EVENT 1: Varsity 120 High Hurdles

Interscholastic Record: Joe Latiste, Tucon High School, Tucon, Ariz. 14.0 (1939)  
NCS Record: Monte Upshaw, Piedmonte 14.5 (1954) Joe Griffen, Alameda 14.5 (1954)

Cebron Russ of Berkeley rules the favorite in this race off of his 14.6 section meet time last week. A good race will develop between Valentine 15.3 in section competition (14.8 best this season) and Sweet of Sonoma (15.1 section III meet). Nikolai, Karlsrud, Pisetti, and Linderman all should qualify for the finals and make things very interesting for the judges at the finish line.

Trial Heats: 4 each to qualify for the finals from each heat.

Interscholastic Record: Don Bowden, Lincoln (San Jose) 1.52.9 (1954)  
NCS Record: Don Bowden, Lincoln (San Jose) 1.52.3 (1954)

A five way battle for first place is in store here. Siebert of Willets has run 1.57.3 in the Section III meet last week. Lea of Pittsburg, a junior, ran 1.58.9 last week in winning his section meet 880 while Bob Kennedy of Watsonville edged out Palo Alto's Tom Cathcart at the Section II meet at Salinas in winning in 1.58.2. Tom Shelton of Liberty will argue for the first place as will Ray of James Lick (1.59.3). Waiting for someone to have a bad day will be Paul of San Mateo with a 1.59.4 mark last week. Have fun, judges!

- 15. Mack Granberry, Encinal

EVENT 4: Class B 660 Yard Run  
NCS Record: Eddie King, Salinas 1.24.9 (1953)

Rabe of Salinas is the logical favorite here. He was far ahead of the field in an relatively easy 1.26.8. Stevens of Mt. Diablo won't be far behind and could press Rabe to a record. Garcia of Lincoln got stuck in the pack last week and broke loose too late to challenge Rabe. If he stays in better position he could be around at the finish line. Tom Dilley of Analy will argue for the 2nd place too.

EVENT 5: Varsity 100 Yard Dash  
Interscholastic Record: Jesse Owens, East Technical H.S. (Columbus, Ohio) 9.4 (1933)  
Jim Jackson, Alameda High School (Calif.) 9.4 (1954)

Another blanket finish for the judges to untangle. Brown of Lincoln has run 9.6 in early season, but recent times have been in the 9.8-10.0 vicinity. Rudy Jackson of Richmond is a consistent 9.8 sprinter and runs as a very slight favorite to win. Tom Pettit of King City, a promising junior, ran 9.8 breathing down Browns neck in the Section II meet. Maurice Williams of Pittsburg isn't exactly lead footed and the Section III champ, Roper from Riordan, could be a spoiler here.

Trial Heats: 4 men to qualify for the finals from each heat.

EVENT 6: Class B 75 Yard Dash  
NCS Record: Pacheco, San Lorenzo 07.9 (1954)

This race brings together some of the finest b sprinters in years. Gilmore of Encinal has hit 7.8, Jasper of El Cerrito has done 7.8, Breschini of Salinas has also done 7.8, Devencenzi of San Mateo, with his usually terrific start, has done 7.9. If all these have their best day the judges will need a microscope to determine which runner hit the tape first. The record is in for a very bad afternoon.

Trial Heats: 4 men to qualify for the finals from each heat.

EVENT 7: Class A 440 Yard Dash  
Interscholastic Record: Eddie Southern, Dallas, Texas 47.4 (1955)  
NCS Record: Sherman Miller, Napa 48.2 (1950)

Miller's record looked good for a decade when he set it 6 years ago. Now it appears that Berkeley's Dorsey may break it. Dorsey hit 48.5 in the Section I meet last week and thus posted one of the best times in the state in so doing. Don Wetteland of Burlingame, a junior, hit 50.2 last week at Salinas and will have to battle Del Clayton of Encinal and Larry Pilcher of Acalanes for the 2nd place.

Runners are assigned two to a lane as listed below: Lane 1b is considered to be the outside or right hand half of lane 1 and so on.

EVENT 8: Class B 330 Yard Dash  
NCS Record: Nunes, Santa Clara 36.7 (1954)

Another hot race: Flemons of El Cerrito has broken the NCS Record unofficially with his 36.4 clocking in the Section I meet. Carter of Monterey hit 36.6 in the Section II meet with Martinez of Jefferson a spec behind at the finish in 36.7. The man who gets there first will probably hold a new record when he arrives. Its for sure that whoever he is he won't lack for company.

Runners are assigned two to a lane as listed below: Lane 1B is considered to be the outside or right hand half of lane 1 and so on.

- 1A James Flemons, El Cerrito ?
- 1B Leroy Eckert, Fortuna
- 2A Robert Carter, Monterey ?
- 2B Jack Williams, Berkeley
- 3A Dick Camarata, Drake
- 3B Ted Lewis, San Mateo

- 6A Gail Taylor, Healdsburg
- 6B Dick Luevano, Washington
- 7A Richard Sanford, Piedmonte
- 7B Nelson Black, Santa Rosa
- 8A Don Tucker, Salinas

EVENT 9: Varsity 180 Yard Low Hurdles  
Interscholastic Record:  
NCS Record: Monte Upshaw, Piedmonte 18.8 (1954)

Dan Austin of San Lorenzo leads this field with his 19.2 Section I posting. Seeking revenge for his loss to Austin will be Berkeley's fine hurdler, Cebron Russ, who has run 19.4 this year. Sweet of Sonoma hit 19.9 in the Section III meet and Valentine of Carlmont has a best of 19.7 made earlier this year. Don Pittman of Salinas, a converted sprinter, is adjusting more and more to this new event each week and may surprize the field. Upshaw's record looks safe but a fine race is in store.

Trial Heats: 4 men to qualify for the finals from each heat.

7	Dick Hardy, Watsonville	7	Micky Sankovich, Ft. Bragg

EVENT 10: Class B 120 Yard Low Hurdles  
NCS Record: Brooks, Mt. Diablo 13.4 (1953)

This event brings together Rick Silver of Fortuna with a 13.8 clocking, Mac Perez of Campbell (13.8) and George Adkisson of Deanza (13.7). Al Sanchez of Salinas hit 14.1 behind Perez. Verduzco of Pittsburg shaded 14.0 behind Adkisson in the Section I Trials. Another photo finish for the judges.

EVENT 11: Varsity 22 Yard Dash  
Interscholastic Record:  
NCS Record: James Jackson, Alameda 21.0 (1954)

A three way battle for first place should result in this event. Tom Pettit of King City nosed out Dick Brown of Lincoln of San Jose in the Section II meet (21.8) while Richmond's Rudy Jackson ran 21.6 in the Section I meet. Brown has faster early season times of 21.3 and 21.4. Figure Jackson the favorite but Pettit and Brown don't like to lose and will press all the way. Maurice Williams of Pittsburg could break through and be one of the three going to Chico and the State meet next week. And Henry Dorsey will be back from the 440 for this one too.

EVENT 12: Class B 150 Yard Dash

NCS Record: Carp, San Benito 15.0 (1947)

The oldest record in the books might finally be broken after almost 10 years. Breschini of Salinas has run 15.0 this season and Jack Williams of Berkeley ran 15.1 in his section meet. Ron Swan of Sequoia, making a sudden improvement in the span of a week, could win if his improvement continues. Not to be counted out are Gilmore of Encinal and Sanford of Piedmont. And Bob Devencenzi of San Mateo could upset everyone if he gets one of his bullet-like starts. His powder was a little damp last week, as he took a poor fourth, but today is another day. Judges, we don't envy you on this one.

EVENT 13: Class A Mile Run

Interscholastic Record:

NCS Record: Norm Green, Piedmonte 4.31.6 (1950)

The luckiest record holder in the books, Greene may see his record go today. Palo Alto's fine crop of distance runners have played havoc with most records but somehow this one has escaped them for four years. Rodger Stevens missed it three years ago when upset by Tom Santiago of San Ramon who himself just missed the record. Ron Larrieu trotted around for three laps last year then roared around on the last lap and just missed the record. This year Larrieu has run 4.21 on a relay leg. Last week he ran a fine 4.27.6 on a soft track at Salinas. Carlmont's Craig Spilman was a stone throw away in 4.29.5. Herb Cloe of El Cerrito ran 4.24 in an early season relay lap. Lately, however, he's had trouble breaking 4.30. Liberty's McLain prefers to win and not concentrate on time so he could ruin everyone's dope sheet by winning. Dark horse will be Hautala of Fort Bragg who hit 4.33 last week. Greene's record seems sure to go, but there's a jinx to be overcome first.

EVENT 14: Class B 1320 Yard run (3/4 Mile)  
 NCS Record: Casillas, Pittsburg 3.20.8 (1952)

This race promises to be perhaps the best of the day. Keith Wallace of Piedmont has run a phenoninal 3.13.5 this year. This mark is probably the fastest B 1320 run in the State of California---ever. Last week Tom Jent of Carlmont hit 3.15.7. Don Lee of Lincoln has a tremendous kick and hit 3.13.5 last week at Salinas behind Jent. Only a cloud burst or earthquake will save the record.

EVENT 15: Class A 880 Yard Relay

Interscholastic Record:

NCS Record: Alameda (Harper, Davis, Thompson, Jackson) 1.28.4 (1954)

Richmond and Berkeley should stage a dual of their own for first place honors, but in relay races anything can happen since batons and passing zones are involved. Pittsburg hit 1.32.3 in taking third behind the yellowjackets and oilers in the Section I meet while Salinas hit the same time in winning the Section II meet. Vallejo lead the Section III relay teams with a 1.31.9 posting. The record looks safe, but so did t he 4 minute mile.

Trial Heats: 4 teams from each heat will qualify for the finals.

Heat I

Lane

- 1 Richmond
- 2 Salinas
- 3 Watsonville
- 4 Pittsburg
- 5 Drake

Heat II

EVENT 16: Class B 440 Yard Relay  
NCS Record: Berkeley 44.7 (1954)

Salinas's torrid relay team hit 44.3 in the Section II meet. Sequoia wasn't far behind in less than 45 flat. Encinal hit 44.8 in her Section I effort. Willow Glen, San Mateo, Berkeley, and El Cerrito should battle it out for the remaining places. The record looks very vulnerable here.

Trial Heats: 4 teams will qualify for the finals from each heat.

### Broad Jump

Interscholastic Record: Monte Upshaw, Piedmonte 25' (1954)

NCS Record: Monte Upshaw, Piedmonte 24' 9 $\frac{1}{4}$ "

Bishop O'Dowd's versatile Waldeison has jumped near 22 feet also season. Gebron Russ of Berkeley hit 22' 3/8" in the Section I meet while Carmel's Mosole hit 21' 11 $\frac{1}{2}$ " in the Section II meet. This should be a hotly contested event with anyone of the entrants having a chance to win---broad jumping lends itself to inconsistency.

#### Order of Competition

1 Claude Crabbe, Monterey	9 Mike Mosole, Carmel
2 Frank Gowins, Encinal	10 Jay Shuirman, Fremont
3 Lombard, Santa Rosa	11 Kennedy, Tamalpais
4 Ron Ross, Watsonville	12 Gebron Russ, Berkeley

### Shot Put

Interscholastic Record: Donald Vick, Chaffey H.S., Ontario, Calif. 62' 5 $\frac{1}{4}$ "  
(1953)

NCS Record: Burl Grinols, El Cerrito 56' 85/8" (1953)

Mike Profit of Campbell stands head and shoulders above the field in the shot put in more ways than one. His best of 55' 6 $\frac{1}{2}$ " in the NCS Section II meet is over 3' better than the distances turned in in the other section meets. Profit has put the shot over 57' this year and he's only a junior. Don Mattson of Mt. Diablo and Jerry Winters of Eureka will have a big battle for second---both put 52' plus in their section meets. Dave Wallace of Willow Glen and Herb Yamasaki of Santa Clara have thrown over 52' feet as well.

#### Order of Competition

1 Jerry Winters, Eureka	9 Jim Mattson, Mt. Diablo
2 Dave Wallace, Willow Glen	10 Lonnie Keys, Liberty
3 Mike Profit, Campbell	11 Bill Hook, Ukiah

(1953)

NCS Record: Jess Udlin, Burlingame 12' 11 $\frac{1}{2}$ " (1955)

Jim Matjeka of Sequoia is the heavy favorite in this event. His 14' plus vault at the El Cerrito Relays this week puts him among the best of the nation's prep vaulters. He narrowly missed 14' 3" at El Cerrito. Jack Rankin of Drake hit 12' in his section meet and Ivan Hartsell of Salinas broke his own school record at the Section II meet with a vault of 13'  $\frac{1}{2}$ ". And Arneson of Jefferson, most improved vaulter in the PAL, hit 12' last week.

High Jump  
Interscholastic Record: Charles Dumas, Centennial H. S., Los Angeles, Calif.  
6' 9 3/8" (1955)  
NCS Record: Vern Wilson, San Jose 6' 5 1/4" (1950)

This event brings together Eurael Bell of El Cerrito and Tyler Wilbon of Richmond who have met many times before in what is one of the best duals in the east bay. Wilbon hit 6' 5" last week and Bell, an amazing high jumper for his size, his 6' 4". Ross of Watsonville has a chance of breaking up an ACAL dominance of this event. Cole of Richmond hit 6' 3" last week. Ross has done 6' 2", Willy Hector of Tamalpais has a 6' 1" and could surprize.

#### DISCUS

Interscholastic Record: Edsel Wibbels, Wolbach H.S., Wolbach, Nebraska 1937 154' 9"  
N.C.S. Record: John H. Johnson, Pittsburg 148' 3" (1948)

Sydney Lane of Encinal isn't far off the NCS record with his 141' 8 1/2" thrown last week in the section I meet. After lane come a large number of good discus throwers all hitting over 130'. Tom Strong of Menlo-Atherton, Rich Bortolin or San Mateo, John Caldwell of Acalanes, Bill Bayless of Vallejo, and Don Bell of Alameda all have thrown over 130' and if lane isn't at his best any one of them could cop the NCS title.

#### CLASS B FIELD EVENTS ( 9.30 AM FINALS )

#### High Jump

N.C.S. Record: Eurael Bell, El Cerrito 5' 9" (1955)

Another record in danger: Dixon Farmer of Miramonte has done 6' 1 1/4" and unless he has a very bad day he should break the record by 3". A big battle for the 2nd place will result between Ron Damico of Palo Alto ( 5' 8 1/4" ) and Bob Cleveland of Santa Rosa ( 5' 9" )

Class B Shot Put

NCS Record: Roger Flynn, Sequoia 58' 0" (1953)

Flynn's record is in jeopardy. Jake Avey of Fremont hit 57' 8 $\frac{1}{2}$ ", Larry Webb of Hollister was right behind him at 55' 93/4" and Grider of Menlo-Atherton was right behind him at 55' 2". Ron Wackford of Fort Bragg could upset the field—his best last week 55' 9".

Guterrez of Santa Clara threw 129' 5 $\frac{1}{2}$ " and Bill Blue of Piedmont has a mark of 122' 5". Jim Stireman of South San Francisco hit 127' last week. The record is almost sure to go.

Jim Arnett of Analy threatens the record here with his 11' 5" section III vault last week. Another of a long line of fine Burlingame vaulters, Joe Legallet, hit 11' 3" in the section II trials last week and could upset Arnett today.
