

# Poly Romps to Team Crown

By Al Moss

Lowell's Tim Curtis, staging a great one-man show, blazed to records in the 220 and 440 during an All-City track and field meet at Kezar yesterday in which 14 records were broken or tied. A near-riot started in the stands later in the meet.

Poly, to the surprise of no one, took team honors with 6½ points, well ahead of runner-up Lincoln at 44 and Washington at 25. Washington won both lightweight divisions.

Curtis registered a sizzling 48.6 in the 440, a full half-second under his own old mark of :49.1, then came back with a :21.3 furlong in the best race of the day to erase Ollie Matson's 10-year-old standard of :21.4.

Tim also ran anchor leg on the fourth place Lowell relay team.

The near-riot, which held up the start of the mile run for nearly 10 minutes, occurred when two youths broke away from police, who apprehended them for drinking. In the melee that followed, some 200 of the 1200 in the stands flooded onto the field and Archie Chagonjian, assistant track coach at Balboa, was kicked in the face. Chagonjian was not seriously hurt however.

Curtis provided the only new varsity records, although Poly's 880 yard relay team tied the mark of 1:29.6 it set earlier in the trials.

Jesse Sirles got off a Northern California best broad jump of 23-10, fifth best leap by a prep in the nation this year. Sirle also won the pole vault at 12-8, upsetting S.I.'s Tom Colton.

Lincoln's Ed Tank, off to a poor start, rallied to nip Poly's Alex Jenkins in a :09.9 hundred, and Balboa's Jim Smith ran away from Lowell's fading Mike Tobriner in the final 200 yards to win the 880 in a fast 1:59.7.

Roosevelt Williams of Mission kicked in for a close second, while Tobriner finished well back in fifth. Poly's LeRoy Wise provided another good time, and an upset victory, with a :20.1 in the 180-yard low hurdles.

In the field, a pair of Mission High jumpers and a Poly sophomore discus thrower provided the upsets. Harry Howard and John Kelly of the Bears tied for first in the high jump at 6-2, beating out a host of more highly touted jumpers, and Alex Darnes threw ten feet better than his previous best for 133-11¼ and a second behind Don Briemle of Lincoln, who won at 139-9.

# Schaffer Vaults 13½, Oakland Trackers Victors

Oakland high school won the 37th annual Athletic League track and field championship yesterday for its first title since 1943, at Edwards Field in Berkeley.

The Wildcats, paced by Don Schaffer, who pole vaulted 13 feet, one and one-half inches to improve his own mark set in 1957 by four inches, and Dick Guider, who was a double winner with victories in both hurdle races, amassed a total of 307½ points, under an elaborate scoring system based on participation.

The pre-meet favorite, McClymonds, was second with 301 points. Technical had 289½, Castlemont 254, Fremont 255.

The winners who qualified for the California state high school championships at Long Beach on May 31 are:
