

**RECORD LEAP** — Willie Davis, Roosevelt, broad-jumps 25ft. 5in. to set world interscholastic record in All-City track finals. Because of aiding wind exceeding 5 m.p.h., however, record may not stand.

## Aiding Wind Erases Bid for Record

BY MAL FLORENCE

Willie Davis of Roosevelt got off the longest broad jump in interscholastic history—25ft. 5in.—and Fremont staggered to the team title in the All-City track and field meet yesterday at East Los Angeles Stadium.

But unlucky Willie's leap will not be submitted for national recognition because of an aiding wind. Davis had a breeze of 5.6 m.p.h. at his back, exceeding the allowable wind velocity of 4.473 m.p.h.

Davis' herculean broad jump, which came on his first attempt, will go down as a new city meet mark, replacing the 24ft. 5 1/2 in. standard set by Fremont's Richard Walton in 1954.

### World Mark

The Roosevelt senior took one other jump, a 25ft. 1 1/2 in. effort, without the benefit of helpful zephyrs. The existing world prep record is 27ft. 4 1/2 in. set by Monte Upshaw of Piedmont High in 1954.

Coach Bill Silverthorn's Pathfinders had to score a victory in the concluding event, the eight-man mile relay, to beat off a bid for the team title by surprising Jefferson. Fremont finished with 52 points to Jefferson's 48.

Roosevelt finished third (41), North Hollywood fourth (39 1/2) and Manual Arts was a disappointing fifth (25 1/2).

Jefferson held a two-point lead over Fremont, 44-42, prior to the relay. Come-through performances in the high jump and hurdles placed the Democrats in this commanding position.

But Fremont found easy sailing in the relay as Manual Arts, its chief contender, fell by the wayside in a hazy mix-up. The best Jeff could do was fourth.

Davis' broad jump was the only meet record as that pesky wind hindered times in the flat races.

### Two Double Winners

Double winners were James Bates of Manual Arts in the 100 (9.9) and 200 (22.0) and Fremont's Gilbert McCulley in the high and low hurdles. McCulley's victory in the 120 highs (14.8) was somewhat of a surprise as the favored Howe Alexander of Los Angeles tipped the ninth hurdle and faded to fourth. McCulley's time in the 180 lows was 19.8.

The 400 and mile were two of the more closely contested races. Gary Comer of Reseda barely edged Roosevelt's Jerome Wills in a 48.5 quarter. In the mile Lincoln's Eddie Rosas overhauled University's Tom Webb in the stretch to win in 4:33.8.

## Davey Moore Victor in Mexico

MEXICO CITY, May 2 (UPI)—Davey Moore, first-ranked featherweight of the world, sent Robert (Momo) Garcia to the canvas twice tonight to gain a clear-cut unanimous decision in El Toreo bull ring. Some 20,000 fans witnessed the 10-round battle.

Moore, 127 pounds, knocked down Garcia, 128, twice in the third round—first with a beautiful right-hand double hook to the body and head.

## BIG TEN PUTS OFF ROSE BOWL TALKS

LAFAYETTE, Ind., May 24 (AP)—The Big Ten today tightened its admission rule for financed athletes and rejected a proposal to reduce aid tenders from 100 to 75 per school.

Although informal Rose Bowl discussions were scheduled, Commissioner Kenneth L. Tugli Wilson reported that since the Pacific Coast Conference did nothing on the subject at its meeting earlier this week, the Big Ten couldn't talk about it.

The action on admissions will now require that a pro-

spective athlete must be in the upper two-thirds of his high school graduating class to receive financial aid. Previously, any prep athlete admitted to college was eligible for aid.

In maintaining the present maximum of 100 aid tenders per school, the faculty group reversed its position of last March when it tentatively voted to trim the maximum to 75. Last year, the average tender acceptance was 69 for all sports per school.

Both of today's actions must be submitted to individual faculties for approval.
