George Linn runs 4:25.2 mile, Stevenson, Guilford win twice

By DICK O'CONNOR

Menlo-Atherton High School, already the South Peninsula Athletic League track and field champion, added the North Coast Division II crown to its 1958 honors at Fremont High School, last night.

The Bears scored 32 points, six more than Coast Counties League champ Salinas. Palo Alto was third with 25 points and Cubberley was fourth with 21.

Menlo-Atherton made it a clean sweep for the night with a smashing win in the B meet. The Bearcubs rolled up 46 points, 25 more than second place Westmoor.

IT WAS A come-through performance by M-A's versatile senior Bob Kennedy that gave the Bears the win. Terry Baker, Willie Waller and Ron Foster aided with valuable points.

Salinas collected its points in a wide range of events. The CCAL squad took two first places, tying Cubberley, Palo Alto and Santa Clara for the most blue ribbons.

Kennedy, although he didn't make the winners circle, collected a fist full of ribbons. He took second in the broad jump, high jump and the low hurdles.

Baker took first in the broad jump with a best-ever leap of 23-4 $\frac{1}{4}$ and was second in the 100-yard dash.

THE FINEST race of the night was the mile run matching Palo Alto's fine distance stars George Linn and John Northway. Although they had no competition, the pair waged a stirring dual with Northway almost stealing first place with a spurt on the final turn.

Both were under the old meet record of 4:27.6 set by Ron Larrieu, also of Palo Alto, in 1956.

Linn held off his teammate in the final 50 yards to win. Tall George, the tireless junior, was timed in 4:25.2, fifth best time in California this year.

Don Beal was the other Palo

Alto man to climb the victors stand. He lifted himself far out of reach of competition with a 13-0 leap in the pole vault.

His nemesis of the last two weeks, Dick Webster of San Jose, dropped out at 11 feet. Joe Legalet was with Beal until 12-6 but then he too fell by the wayside.

The Cubberley Comet, Ernie Stevenson, forced to run two all-out trail races in the afternoon and two blistering final sprints at night, came through with flying colors by winning all four.

THE ONLY other double winner was Larry Guilford, Santa Clara's powerful hurdler.

Big Larry almost tasted the defeat for the first time this year in the low stick race. Kennedy mached him stride for stride until the final hurdle when Guilford forged in by a foot and held on in the sprint to the tape.

Menlo-Atherton lost out on a bad pass in the 880-yard relay. The Bears set a season best of 1:30.25 in the trials to crack the NCS mark.

Only a magnanimous gesture of sportsmanship on the part of King City put the M-A team in next week's NCS finals. King City finished fifth, but relinquished the spot to the disqualified Bears.

The decision was made by runners Frank Baker, Larry Homen, Jim Ames, and Lee Frudden, and their coach Roland Dickey.

In the B meet it was no contest. John Finegold, Stu Hawley, Jon Peck and Dick Burns were far superior to anybody the other 40 schools had to offer.

A 440-YARD relay team of Burns, Finegold, Hawley and Peck zipped to a record-shattering 43.2 clocking in the afternoon trials.

The best the Bearcubs could do at night was a 43.5 against a wind and lacking competition.

Finegold won the 75, Burns the 150, and Hawley the 330-yard dash.

Mike Lehmer of Palo Alto staked a claim to the award for "most determined performer," Tiny Mike, just over 100 pounds, had the equivalent of a millstone tied around his neck two days ago when a cast was plastered on a broken wrist.

With the arm hanging at his side like an anchor (and probably as heavy) he still placed third in the 1,320-yard run with a sizzling last lap kick.

The top five finishers in each event return to Fremont next Friday night for the finals. The top three then go on to the state meet in Long Beach on May 31.

Almost lost in the rash of fine performances was a return to form of Cubberley's Dave Kilbourne. The Dasher took third in the low hurdles behind the flashing heels of Guilford and Kennedy. Kilbourne was timed in 20.3.
