

# Knights win SCVAL crown on fine depth

Los Altos High School could win only two events and tie for first in a third but still won the Santa Clara Valley Athletic League team track championship at Fremont High School last night.

The Knights scored 50 $\frac{1}{3}$  points, four more than runner-up Santa Clara High School. Camden finished third and host Fremont was fourth.

Robin Ruble and Dave Keith were the Los Altos winners. Ruble did his best ever in the 880-yard run — 2:00.8 — to win a gold medal. Keith got off a fine 52-2 inch shot-put, also a personal best.

**JOHN EHRlich** got a tie for first in the pole vault with a leap of 11-9.

It was remarkable strength of coach Leo Long's team in all events that won the title. Tom Harrison ran second to Santa Clara's Larry Guilford in both hurdles races.

It was no disgrace for Harrison to run second to the talented Guilford. Prep runners have been doing it for four years.

The Knights picked up eight points in the mile despite an upset win by Santa Clara's Heinie Hartwig. Los Altos figured on a victory but took second and third with Bob Goodenough and Jack Preston.

**EVERYTHING WENT** right for the fledgling Los Altos team, competing in the league meet for the first time at full strength.

Sophomore Jim McCracken came up with a fifth place in the high hurdles to show great future promise. With Guilford and teammate Harrison graduating, young Jim could be the top hurdler in the league next year.

Jim Zamlich, Fremont High School's competitor deluxe, won the broad jump and took second in the hop-step-jump to score a large share of the Indians' points.

Jerry Ramos of Camden was the other double winner in the meet. To surprise of no one the 100- and 220-yard dashes.

**THE CLOSEST** thing to an upset at the well-attended meet was the 440 where Tom Lomeli of Sunnyvale ran a great race to edge out Randy Hudson of Washington in 52.3.

One record fell during the

night. Lynn Gold of Camden high jumped 6-2 $\frac{1}{8}$  to wipe out the 20-year-old league standard of 5-11.

McCracken of Los Altos did 6 feet to also better the old mark set by Bill Vaughn of Campbell in 1938.

Santa Clara had a waltz in the B meet scoring 82 $\frac{1}{2}$  points to 40 for runner-up Sunnyvale. Santa Clara also won the C meet but it was closer. Camden scored 37 points, 17 less than the winning Panthers.

Campbell edged Los Altos 46-40 in the D division.
