

# Guilford, 58 Washington lead trials

Larry Guilford of Santa Clara and Washington High School took top honors in the Santa Clara Valley Athletic League track and field trials at Fremont High School yesterday.

Guilford, slowed by a stiff cross-wind, still cracked the high hurdles mark with a 15.0 clocking. He also qualified for the low hurdles with a 20.3 time and the broad jump with a leap of better than 20 feet.

Washington topped the team qualifications with 25 runners and jumpers in next week's finals. Fremont was close behind with 24 and Los Altos took third with 21 places.

**JACK PRESTON** of Los Altos had the second best time for the mile as he ran 4:48.5. John Goodenough of Los Altos was a surprise as he won the fourth heat of mile trials in 4:47.6.

Dave Keith of Los Altos had the best shot-put of the day—a school record-breaking heave of 52-2. Keith also qualified in the discus.

The disk event was won by Fremont sophomore Doug Schoenwetter with a throw of 129-0½. The throw was seven inches better than the top effort of Los Gatos tosser Ron Owens. Owens threw 140 feet several weeks ago.

Tom Harrison of Los Altos took a spot in each of the hurdles race. He won both his heats but did not run against Guilford.

# Knights lead SCVAL track qualifications

Los Altos High School, surprise track team in the Santa Clara Valley Athletic League for the 1958 season, came up with its biggest surprise of all yesterday by leading the loop in qualifiers for Friday's championships.

In all 18 Knight runners and jumpers hopped and scampered their way to spots in the big finale.

Tom Harrison took another double look at Santa Clara's Larry Guilfords from the rear as he was edged in both hurdles.

**HE MADE GUILFORD** run to get the wins. Big Larry cracked his own league mark with a 14.9 performance in the high stick race. Harrison was timed in 15.1.

It was the same story in the low hurdles. Harrison was in the same heat as Guilford and again lost by a matter of feet.

The other events went as expected except for the mile where a disqualification eliminated Washington High School ace John Mattos.

Mattos was detected cutting in on Bob Goodenough of Los Altos and was eliminated.

**THE KNIGHTS** placed three men in the mile. In addition to Goodenough, Jack Preston and Dave Boore made it.

Heinie Hartwig of Santa Clara grabbed the role of favorite in Friday's finals with a 4:41.5 time in edging Preston in the first heat.

Ralph Crump and Roy Martin, Sunnyvale swifties, made the finals in the 100 and 220 to give the Jets good point potential in the sprints.

Los Altos was blanked in the 100 but Charlie Thompson and Bob Gassaway made it in the 220.

**FREMONT HIGH** School qualified 14 for the finals to retain an outside chance for the title.

Washington has 16 and Santa Clara 13. Mountain View High School was blanked in the varsity trials but did get seven competitors in the B division.

Leaders in the B section are Santa Clara with 22 and Washington with 15.

The finals will be under the lights at Fremont High School's fine new track.
