

Poly Track Champ Fifth Time in Row

By SID RUSSELL 59

KEZAR STADIUM, May 16.—Poly had a little too much for Washington in an All-City track and field meet today that had everything but record-breaking performances.

The Parrots, who had their dual meet victory string snapped at 52 by the Eagles in mid-March, won with 42½ points. Washington and Balboa were second and third, respectively, at 38 and 25.

The outcome represented Poly's fifth straight championship, its first under co-coaches Walt Lester and Bob Braghetta.

Washington won the 130 battle and Balboa was first in the 120 competition.

Only one varsity record was set and that, in the discus, was automatic because this is the first season the preps have been competing with the lighter 3 pound 9 ounce platter.

DARNES TOSS

That event was won by Poly's Alex Darnes with a toss that carried an even 155 feet.

Poly was spearheaded by hurdler Tom Piggee, who won the lows in 20.3 and the highs in :15.3.

Midway through each of those races Piggee took the lead in a manner that resembled a rocket going into its last thrust stage.

Only other double winner was Washington's Issac Woods, who broke the tape in the 100 and 220. His times were 10 and 22 seconds.

The meet was loaded with upsets, the most notable being Tony Ferrigno's (St. Ignatius) half mile decision over Tony Turner (Lincoln) and Walt Thomsen (Balboa).

Russell Tabs Meet on Nose

The Examiner high school editor, Syd Russell, picked the winners of the All-City track and field meet yesterday including the exact scores.

Poly, an underdog in some quarters, won with 42½ points and Washington was second with 38. That was exactly what Russell's pre-meet handicap said.

He also picked Balboa for third with 24½ points. Balboa got 25.

It was the first time in 33 years of All-City competition that a writer called it so perfectly.

6-5, took a first. His best was 6-4 and he just missed when the bar was lifted to 6-5¾.

Mission's George Holland upset Lincoln's Ron Dean with a 22-10 broad jump.

Save for a near serious accident, involving Galileo lightweight Art Yearby, the meet was run off beautifully.

Yearby was hit in the head with a discus. Fortunately, it was a glancing blow and, after he was examined at Park Emergency and University of California Hospital, he came back to watch the action. Unfortunately, he could not compete in his specialties—broad jump and high hurdles.

and Wait Thomsen (Balboa).

FAIL TO WORRY

Turner and Thomsen, who finished 2-3, were so busy watching one another that they failed to worry about Ferrigno, even when he was holding a comfortable lead after 660 yards. By the time the co-favorites realized their mistake, the S. I. man was across the finish in 2:02.8.

The mile duel between Poly's Ben Tucker and Balboa's Frank James did not develop. Tucker won by 15 yards in 4:35.2.

All told, Poly captured four of the 13 events, Dave Williams accounting for the other win with a 53.3 quarter mile.

As it turned out, it was a good thing for the Parrots that they scored enough points to win before the last race, 880 relay.

They were leading by inches at the halfway point only to drop the baton. By the time the champs picked it up, Galileo was in front by 35 yards. Poly's anchor man, Gary Lewis, managed to come from behind to beat out Lowell for fifth place.

Whatever chance Washington had of winning that event went out the window when Woods, who pulled up lame after his 220 victory, was unable to participate.

As expected little (5-4) Lorrrell Anderson, Washington high jumper, who has unofficially equaled the City record,

All varsity winners qualified for the State meet, which will be held at Bakersfield, May 29.

OTHER MARKS

Not counting the marks that were set in the trials, only two more lightweight records were broken, both in the 130 division. They were the 120 low hurdles, :13.9, by Lincoln's John Pangburn, and the 660-yard run, 1:27.7, by Poly's Chuck Cobb.

Poly Pick in AAA Trackfest

By SYD RUSSELL

Despite the fact it was defeated by Washington during the round robin season, Poly is expected to win its fifth straight track and field title in the All-City meet at Kezar Stadium Saturday.

Trials for the big showdown, which from a team competition standpoint figures to be one of the best in many years, get under way in the park arena today, starting at 3 p. m., for varsity discus men.

The rest of the qualifying schedule:

TOMORROW—Varsity track and lightweight field.

WEDNESDAY—Varsity field (no discus) and lightweight track.

THURSDAY—Track semifinals in all divisions.

Most experts like Poly on the strength of its improvement since Washington

snapped its dual meet victory skein at 52 by a 61-52 count at season's start.

Although other teams may boast brighter stars, none can match the defending champs' depth.

On paper it looks like Poly should take first place in at least four events. Miler Ben Tucker (4:31.4), discus man Alex Darnes, low hurdler Tom Piggee (:20.7) and its relay team (1:31.4) have the best times and distances in the AAA this spring.

Although Lowell's Guy Whitaker has an AAA best of :15.1 for the low hurdles, it would be a mistake to overlook Piggee in this one.

Balboa, strong in all races

over 220 yards, could surprise, especially if Don Meek upsets Darnes in the discus and wins the shot put, his best event.

Lincoln, perhaps the "deepest" squad next to Poly, will score a lot of points, too.

Washington and Balboa will be favored in the Class B and Class C meets, respectively.

The final round robin standings:

VARSITY

Eagles' Noss Sets Record

Barry Noss of Washington provided the highlight of the All-City track and field trials at Kezar Stadium yesterday when he put the 10 pound shot 52-5 1/4 for a Class B record. Noss' effort improved the old best, set by Lincoln's Bob Grassi last year by exactly 3 1/2 feet.

In the Class A action, which was limited to running events, Poly and Washington each accounted for 18 places. Balboa and Lincoln followed with 14 and 11, respectively.

Qualifying will continue for varsity field and lightweight track performers in the same arena today, starting at 3:30 p.m.
