Mooseheart Seventeenth Annual

INVITATIONAL RELAYS

May 2, 1959

ILLINOIS MEMORIAL STADIUM TRACK AND FIELD

MOOSEHEART, ILLINOIS

MOOSEHEART

The Child City and School of the Loyal Order of Moose

Over the past sixteen years the Mooseheart Relays have become one of the best attended athletic contests in the entire state. This, of course, is not the direct result of Mooseheart itself but is due to the very gracious acceptance of this meet on the part of the coaches and students as well. We feel that all those who participate do us a great honor in being our guests. We in turn hope that we may continue to be the kind of hosts which you want us to be and assure you that everything possible will be done to make your stay here an enjoyable one. Welcome to this Seventeenth Annual Mooseheart Relays.

WALTER H. KETZ
Superintendent of Mooseheart

Greetings, Director General!

Paul P. Schmitz

Today Mooseheart pays homage to Paul P. Schmitz, Director General of the Loyal Order of Moose, as Honorary Referee for the 1959 Mooseheart Relays.

Those previously honored have been the late Arthur Adams (1955), founder of the Relays; Dr. C. L. Daniels (1956), former Mooseheart dentist; Herbert Heilman (1957), former Mooseheart athlete, coach, and Director of Membership Enrollment Department for the Loyal Order of Moose; and Al Willis (1958), Executive Secretary of the Illinois High School Association.

Our Director General guides the activities of more than 1,250,000 men and women in the more than 1,900 Moose Lodges in the United States, Canada, and Great Britain.

He was elevated to the fraternity's highest position on December 3, 1953, succeeding J. Jack Stoehr, who served as Interim Director General following the death of Malcolm R. Giles in 1953. Only one other man has held this top post, the late James J. Davis, generally referred to as the founder of the order.

Schmitz was born in Aurora, Ill., on April 30, 1902. He obtained his education in the Aurora public and parochial schools and at St. John's Academy at nearby Joliet. Schmitz was graduated from the Mayo College of Commerce in Chicago, where he majored in business administration.

The man who was destined to lead the Moose fraternity joined the Loyal Order of Moose on his 21st birthday and now carries his membership in Aurora Lodge No. 400.

Schmitz was first employed by the Supreme Lodge as a member of the Organization Department in 1921. He was later transferred to the Executive Secretary's office where he organized and headed the Speakers Bureau. Promotion followed to the position of Chief Deputy Supreme Secretary.

He was instrumental in organizing the Membership Enrollment Department in 1934 and was its first director. During the almost 20 years he headed the department, he was greatly responsible for increasing the membership of the Moose by more than 100 per cent and earned the title of "the world's top fraternal salesman."

The Director General is also a past Supreme Governor of the Order and is a member of the Pilgrim Council.

In addition to his heavy Moose schedule, he is a director of the Merchants National Bank of Aurora and Chairman of the Board of Directors of the Aurora Saving and Loan Association.

Schmitz resides with his wife, Nan, in Aurora. They have one son, Paul, Jr., and two grandchildren.

Mooseheart is indeed proud and happy to honor a man who exemplifies the true spirit of Mooseheart.

Officials for Mooseheart Relays

Honorary Referee.....Paul P. Schmitz
Referee and Starter.....Ross Anderson
Assistant Starter.....Clayton Hapner
Clerk of the Course.....Bob Tipsword
Assistant Clerk of the Course.....Bob Tober
Official Scorer.....O. F. Walker

POLE VAULT

RECORD: 12 feet, 2 1/2 inches by Dean McKown of LaGrange in 1950.

INSTRUCTIONS: In fairness to all competitors we are asking that all vaulters be ready to jump as soon as their name is called. The official in charge has been instructed to penalize any vaulter who fails to co-operate with this request and is not ready to take his turn when ordered, by declaring a trial for each offense. This is not meant to apply to a vaulter competing in another event. Bar will be placed at 9' 6" for warmup jumps. First height 10 feet. Second height will be 10' 6". Third height will be 11'. The bar will be raised to 11' 3"; 11' 6"; 11' 9"; 12'; 12' 3"; 12' 6"; 12' 9"; 13', etc.
