NO SMOKING PERMITTED IN THE FIELDHOUSE

All races start and finish, and all relay exchanges are made on the east side of the track.

The Track is 9 laps to the mile.

There are two races in the Mile Run and points and awards are given in both races.

Scoring in individual events: 5, 4, 3, 2, 1 — in relays: 10, 8, 6, 4, 2.

All relays will be run in heats against time. The teams with the five best times in each Class will receive points toward Class trophies.

Trophies will be presented to the schools in Class A who finish first, second, and third; and to the schools in Class B and C who score the most points.

A trophy "Oscar" will be presented to the winner of each individual event. The team with the fastest time in each relay, regardless of Class, will receive five trophy "Oscars."

Medals will be presented to place winners in all individual events, and to the relay teams posting the second, third, fourth, and fifth best times regardless of Class.

Ribbons will be presented to the teams winning points in all Classes in each relay who do not qualify for medals.

Because of the increased number of schools participating in this meet, only those schools who have entered 10 or more boys are listed below on the Scoring Chart.
