M E E T C O M M E N T A R Y

Tonight's fourth annual Sequoia District Track and Field Championship meet will be the largest, most colorful, and most hotly contested in history. It will mark the first time that all five district high schools-- Sequoia, Menlo-Atherton, Carlmont, Ravenswood and Woodside-- have competed together at one time.

Some of Northern California's best prep cindermen will be involved and terrific battles are anticipated for the team championships, particularly in the lightweight divisions.

In the varsity, the spotlight will be on two Carlmont performers: Todd Gaskill has the best prep high jump in Northern California this season and the second best in Peninsula high school history-- 6-5½, made just last week end. Chris Jessen has Northern California's third best prep shot put-- 54-10.

A torrid battle is expected in the 100-yard dash between two 10-flat men-- Carlmont's Bob Stevens and Menlo-Atherton's Dick Burns.

Varsity meet records will be threatened in the 100, 220, 440 (where record holder Stu Hawley of Menlo-Atherton returns), the low hurdles (where Burns and Jim Cheatham of M-A and Gary Gaskill of Carlmont are practically even), the high jump, discus (this is certain to go, as a new weight platter is being used this year) and the 880-yard relay.

The all-out race between Sequoia, Ravenswood and Menlo-Atherton for the Class B title will be featured by a 75-yard dash in which all six competitors qualified with times within a one-tenth of a second spread and a 330-yard dash which will see four runners capable of putting on a blanket finish.

Carlmont, Ravenswood and Menlo-Atherton all tied for the South Peninsula Athletic League dual meet championship and should be just about as close in team scoring tonight in the Class C division.
