Los Altos star runs 1:53.1 in trials

Los Altos High School's Robin Ruble improved his position in the all-time prep 880-yard run field with a sparkling 1:53.1 effort in the Santa Clara Valley Athletic League trials at Camden High School yesterday.

Only Don Bowden's 1:52.3 time is better in Northern

California. Ruble led Los Altos to a decisive triumph in the trials. The Knights qualified 19 for the finals that will be held at Camden Friday.

CAMPBELL, THE school that went undefeated in dual meet competition, was able to qualify only 10 for the finals. Six of the 11 schools in the league will have more participants in the finals than the Bucs.

Los Altos picked up three of their spots because of Jim McCracken. He qualified in the pole vault, high jump and high hurdles.

Phil Arnaudo of Mountain View was another qualifier in three events.

He placed in both hurdles and also took a place in the broad jump.

Doug Schonwetter paced Fremont in the trials. He was the best in the shot-put with a 52-4 heave and also took a place in his pet event, the discus, with a heave of 157-3.

TYLER WILKINS of Mountain View was the best of the discus throwers with a 163-foot effort but will have a tough time beating Schoenwetter in the finals.

Schoenwetter threw 174 feet last week.

In Class B competition, Camden led the way with the most qualifiers for the finals.

One other varsity record was set during the day. Dick Harding of Los Gatos blasted over the low hurdles in 19.6 to crack the two-year-old mark of 20.1 held by Larry Guilford of Santa Clara.
