Everything for Track & Field

Track & Field News is more than the world's leading track and field publication. It is an institution dedicated to serving the interests of the sport on all possible levels. For instance:

PERIODICALS

TRACK & FIELD NEWS The monthly news magazine, covering the sport on all levels throughout the world.

TRACK NEWSLETTER Supplementing T&FN twice monthly with late news and additional features and photos.

TRACK TECHNIQUE Quarterly technical journal, offering the latest in technique, training, theory and thoughts.

HIGH SCHOOL ANNUAL Yearbook of schoolboy tracksters. Results for the year, all-time lists, records, photos, etc.

BOOKS

T&FN publishes a number of books and booklets of interest to the fan, athlete and coach: How They Train, Back Track, Running with Certainty, and others. We also sell more than a hundred other books from all over the world--the most complete track and field books-by-mail department in the world.

FILMS

Films of the track greats are available for rent or purchase. Full length films of the Olympic Games are excellent for entertainment or instruction. Loops in either 16mm or 8mm offer the technique of champions for your study.

WATCHES

Stop watches of all kinds are available on all price levels--from \$9.95 to \$125. Ten second, 30 second and 60 second faces; one hand or split; tenths, fifths or even hundredths; large or small. Omega, Hanhart, Thalson, Minerva, Gallet and other makes.

EQUIPMENT

A complete line of track equipment for the school or individual. Implements, blocks, hurdles, standards, weights, and much more.

OLYMPIC TOURS

More than 300 lucky fans have enjoyed Olympic Games in company with Track & Field News, and hundreds of others have joined T&FN groups for other international meets--Pan Am Games, British Empire Games, European Championships, etc.
