MAYOR

CITY HALL
ZONE 21

To Athletes and Guests of the Relays:

Greetings and a hearty welcome from the citizens of Fresno!

We are happy to host the 37th annual West Coast Relays. This is America's outstanding track and field meet and we are proud to be known as the Relays "where world's records are broken."

The thousands of people watching the relays and listening to their radios will be cheering each and every athlete; and with this greeting goes the wish that the performances this year will be better than ever.

We hope our guests will enjoy their stay in our beautiful city and invite them to return in the years ahead to participate and watch the world's finest athletic event.

Sincerely,

A. L. Selland

ARTHUR L. SELLAND.

THANK YOU

The West Coast Relays thanks Harold "Hal" Beatty, director of athletics at Fresno State College, for his great assistance and gracious service during his long tenure at Fresno State College. Beatty is retiring this summer from the duties of athletic director at the college. We wish him well in whatever capacity he serves at the college and look forward to his future cooperation and help in staging the West Coast Relays.
