FIELD EVENTS MONDAY

lustangs Lead By 13 Points

By Garry Niver Times Sports Writer

Times Sports Writer

The Capuchino High school Mustangs have taken a temporary hold of the Mid-Peninsula league Track and Field Relay meet title, and will remain in that status until Monday afternoon.

At that time the field event section of the Relays will be held at the San Mateo High school field, commencing at 3 p.m. And who will come out on top when that is concluded is anybody's guess at this time.

The Mustangs, scoring victories in the 440 relay, the mile relay and the 380 relay, tallied a total of 44 points in the varsity events. Hillsdale is in the runner-up spot with 31 points, followed by Aragon with 30 points, San Mateo with 17, Mills with 9 and Burlin-

game with 5.

been se. The field events had originally scheduled for last Thurs-but old man weather nixed when he sent down the rains.

A cold wind cut cruelly through the north end of the field, slow-ing down many of the spent youths on the east turn and keep-ing spectators at a minimum.

Despite the heavy wind, two new meet records were set.

Hillsdale's varsity medley re-lay team set a new record with

Hillsdale's varsity medley re-lay team set a new record with a 10:51.0 clocking, clipping five-tenths of a second off of the old tenths of a secon record of 10:51.5.

Ironically, it was the 1961 Hills-dale medley team which had the old record. The Knights were out in front at the start and kept increasing their lead to win by over half a lap.

Steve Reczek opened up with the 440, Mike Garrigan was next in the 880, Marcel Hetu did the 1320 leg of the medley journey and Ralph Likens fin-

journey and Ralph Likens finished out with the mile.

The other record was set by the Burlingame Class B medley relay team. The team, composed of Pete Torrey, Mike Jacobs, Barney Frazier and Mark Doswell traversed the composite 220, 330, 660, 1320 in 5:45.4—slightly more than two seconds under the 1960 record set by Hillsdale of 1960 record 5:47.5. Hillsdale set by

Top individual performance of the day was turned in by Capuchino's Danny Kreidt. Kreidt led the 'Tangs to victory in the 440 relay, mile relay and the 880 relay.

The final leg of the 440 relay was the most exciting of the day, with Kreidt taking the baton on the final leg and moving the Capuchino team from fifth place into first in the final 110 yards.

Capuchino also is in first spot in the Class B standings with 37 points, followed by Hillsdale with 22. Aragon has top spot in the Class C division with 36 points, followed closely by Hillsdale with 33 points 33 points.

The only record of the day was broken by the Aragon class C team. A team of Jack Wilson, Bob Benner and Jim Shadd set a new record in the Class C pole vault with a composite height of 28.6, breaking the old record (27-3) set by San Mateo

THRILLER Hillsdale Rallies to Win Relays

By GARRY NIVER Times Sports Writer

The reign of a king has come to an end.

The Hillsdale Knights put on a dazzling stretch run at San Mateo High school field yesterday after-noon, one which would have made

noon, one which would have made Crimson Satan look like an alsoran fair pony, to grab the 1963 MPL relay crown by a thread.

And San Mateo, the winner of the title in the now defunct Peninsula league for the past four years, was rudely dethroned and relegated to fourth position. The Bearcats had won the PL relay title seven of the past eight years, with Burlingame winning in 1959. game winning in 1959.

Hillsdale rallied in the last events, just as the sun was slip-ping behind the hills, to grab first place away from a spunky Aragon track team by the narrowest

of margins.

of margins.

Coach Plato Yanicks' charges from Hillsdale needed 20 points going into the last two events—each of which was worth 10 points to the victor. In other words, they had to place first in both the high jump and discus.

Al Winfield, the lad who played basketball so magnificently for the Knights, soared over the high bar at 6 feet to help set the stage for the victory. Teammates Steve Kelly and Don Wisenant both

Kelly and Don Wisenant both cleared 5-4 to give the Knights a composite team jump of 16-8 and first place.

In the discus, Steve Hickey, Gordon Webb and Ron David-son teamed up to roll up a com-bined score of 392-5% and give Hillsdale its first relay title in history

The Knights wound up with a total of 65 points, while the Dons from the new San Mateo school tallied a strong 64. Capuchino, which had led following the first leg Friday, with 44 points, faltered in the stretch and wound up in the show spot with 59 points.

Aforementioned San Mateo, host of the meet, was fourth with 39 points, Burlingame fifth with 13 and Mills sixth with 11.

There were other high points of the meet. Aragon showed it is a team to be reckoned with in the upcoming season. Coach Bill Lar-sen's Dons almost turned the tide in the field events.

Tops for the Dons, and by far

Friedenthal were next with the baton for Hillsdale. Hillsdale's crack distance medley foursome shattered meet record Friday, but Capuchino led in varsity points. Field events are tomorrow afternoon at San Mateo. (Jim Sargent photo)

Tracksters Win MPL Relays

Beating San Mateo, then going on to win the MPL Relays is a feat not many track teams have been able to boast about in the past.

But this year it's a different story. Hillsdale's track team beat the always powerful San Mateo squad while capturing the Mid-Peninsula League Relays. The Knights came out on top over a field of five other schools which included Aragon, Mills, Capuchino, Burlingame, and the ex-champs, San Mateo.

After this event, it's easy to see that coach Plato Yanicks is looking forward to a great season. "Beating San Mateo in track is quite a feat," Mr. Yanicks summarizes, "and it doesn't happen very often!"
